A Corrigendum on

3D Hybrid Scaffolds Based on PEDOT:PSS/MWCNT Composites
by Jayaram, A. K., Pitsalidis, C., Tan, E., Moysidou, C.-M., De Volder, M. F. L., Kim, J.-S., et al. (2019). Front. Chem. 7:363. doi: 10.3389/fchem.2019.00363

In the original article, we neglected to include the funder European Research Council (ERC) under the European Union's Horizon 2020 research and innovation programme, grant agreement No. 723951 to RO. The corrected Funding section reads as follows:

This work was supported by the EPSRC Cambridge NanoDTC, EP/L015978/1 and the European Research Council (ERC) under the European Union's Horizon 2020 research and innovation programme, Grant Agreement No. 723951 to RO.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
