**THE  
PRESIDENT'S  
MESSAGE**

You have given me the right to enjoy the supreme confidence of the membership and given me the responsibility of leadership for the approaching year. I am privileged to emerge as your capsule of purposes and aims dedicated to maintaining and improving the quality of service to our vigorous profession.

This plan requires capable board members. You have provided the requirement. We enter into the administrative ranks and reach into the space of time under your direction.

Growing standards, demands and pressures of accounting invite the continued guidance and support of our affiliate the American Woman's Society of Certified Public Accountants. Today's accounting responsibilities indicate growing opportunities in this relationship and in which we are continually finding unrevealed harmonies.

You and the dynamics of accounting will govern the demands on us throughout this period. We join willingly and earnestly to serve. May God grant guidance and counsel.
