Wise Feedback
Mary Newton

Description

      The purpose of this Virtual Professional Learning Module is to familiarize educators with what wise feedback is and how to provide wise feedback to students. It was created to offer professional learning to educators participating in a dissertation research study about the impact of wise feedback on students, teachers, and classrooms. It is geared toward educators in a 9-12 English Language Arts setting, but it can be applicable to educators in other 9-12 content areas.
