COVID-19 Experience!

The following is a design of an eyeshadow palette that is COVID-19 themed. I am someone who loves makeup and loves to play around with it. I went with an eyeshadow palette because during this pandemic masks have been a must. When we are wearing the facemasks the only thing that is visible on our face are our eyes, so that is why I went with this choice. All of the names for the colors are from words that come to mind when I think of the pandemic. I hope you like it!
