Dear "fattie"

Will write you just a few  
lines, even though I don't know  
of a thing that would interest you.

We miss you so much - seems like  
you are a long, long way from home  
even though Hughes - made it around the  
"top" of the world in 90 hours.

I hope you can make it over the heat  
wave without getting sick - the heat certainly  
beats down on concrete streets and sidewalks -  
I "know" from daily personal experience.

I am still working in the same  
territory, but have an idea I'll be reassigned  
elsewhere around Aug-1st.

Mother will give you the news - just  
like she has been doing all these years.

If keep on staying out of me - I will  
try and think up something that I think  
you might like. I'm missing internet  
Lots of love from your "Daddy"
