Dear "Sweet heart"

I ought to write this letter
for the reason I guess I
must impart the information
that I want get to see my
"Baby" in the West "Friday Night"

I would have come here
but for the fact that I have
been trying to get him and
a good lawyer to draw a
bill relative to the gas toll off
in Miss.

Dennis told me today we
would go to H. H. C. Burrows
or Smith and lay my plan
before him and give him
to write the bill, I see I
won't ever get time when
Senate is in session as
between sessions all my time
is occupied with conferences
and committees sessions.

and again in the event it
is not introduced in next
few days and we do get a
revenue there by other means
will more than likely die
a "horning" as after revenue
and appropriations on our
the way I am sure this
thing will break up just like
the Dwyer's house Report when
they go down.

There is a probability the 3d Sal's
will pass the House and
final passage (not certain
however) if so it will be up
to "Senate" and again I am
unable to prophesy the result.

It is not sufficient at Vick & Co's
"Shunt" as that was only
"E. Phineas V. V. V." (and many
more)

I mean Vin is determined to
go to the dogs sumenough -
It would not look nor so
bad to me if he had the
funels to spare after coming
for his "charges".
As to our "Shutters" "Comine"
I suggest we get a good dog
chain and tie him up under
the robe scene is over under
the tree him before I get
home. I would not blame the
authorities but would regret to
see him killed, if you see
fit I am sure you would
get the chain with a snap
and Long Boy could get it
around his neck.

Am glad Long Boy is better
and takes his Medicine like a
veteran

sorry you have been feeling bad,
I know the trouble you have
tried to do to much.

Love some of it undance
or make the girls help you more
you will be long and
never know the difference in
the girls.

You know it hurts me to see
my "sweet heart" work hard and
sacrifice incessantly and I
am afraid the "Kluge" will never
appreciate it as they should,
I know "John" is not strong but
they could take many steps off
you and not hurt them.
I am not withering my girls
but they are like my mother's
children and all others they just
saint them.

I have taken care to see it
coming on train. See right
the train was to arrive and
air was good and sunny when
I arrived here - it is not in
my head but chest have been
coughing it up yesterday and
to day.

I felt "rotten" this morning but
took a bath as hot as I
could stand it got going and
felt better and feel much better
this PM now because, don't
worry have had no fever and
am sure will be about through
with it by morning.

I know the best place to sleep
as good a bed and the finest
woman to cuddle up too
anybody (When I am in "West
Pittsboro,"

I will be glad when I get through here regardless of where I am - later however there is a certain fascination about the work even though so far I have been in the minority most of the time.

But as for as I am concerned I would rather be up there with you in the "Piney Woods" than to have Corners Place.

If we were able I would enjoy us taking an occasional jaunt to the Cities but I don't want to live in one for as the lamented Pal "Ma Ching" expressed it -
"The whistling of the Tannier winds"
The Crooked murmur of the rippling waters

The mid trick wind call
The voice of the gentle zephyrus"
