Each title is followed by a code that designates the article's category. The categories used in this volume are listed below.

Chaque titre est suivi d'un code qui indique dans quelle catégorie l'article appartient. Les catégories utilisées dans ce volume sont les suivantes.

Book Review (BR) • Critique de livre (CL)
Canadian Association of General Surgeons (CAGS) •
Association canadienne de chirurgiens généraux (ACCG)
Canadian Orthopaedic Association (COA) • Association
canadienne d'orthopédie (ACO)
Canadian Society for Vascular Surgery (CSVS) • Société
canadienne de chirurgie vasculaire (SCCV)
Case Report (CR) • Étude de cas (ÉC)
Correspondence (C) • Correspondance (C)
Editors' View (EV) • Mot de la rédaction (MR)
History of Surgery (HS) • Histoire de chirurgie (HC)
How I Do It (HD) • Comment je m'y prends (CP)
MacLean-Mueller Prize (MMP) • Prix MacLean-Mueller (PMM)
Original Article (OA) • Article original (AO)
Quill on Scalpel (QS) • Plume et scalpel (PS)
Radiology for the Surgeon (RS) • Chirurgie et radiologie (ChR)
Review Article (RA) • Article de revue (AR)
Southern Ontario Surgical Society (SOSS)
Supplement (Suppl)
Surgical Images (SI) • Imagier chirurgical (IC)
Surgical Practice (SP) • Pratique chirurgicale (PC)

Subjects • Sujets

- A -

Abdomen

Aseptic encapsulation of retained surgical sponge (Yamaguchi and Kumada) (C) 100

Abdominal injuries

Diagnostic peritoneal lavage (Schmidt) (QS) 111
Diagnostic peritoneal lavage versus abdominal computed tomography in blunt abdominal trauma: a review of prospective studies (Catre) (RA) 117
Trans-scrotal intra-abdominal injuries: two case reports (Schwarz and Blair) (CR) 374

Abnormalities

Ectopic thyroid gland simulating a thyroglossal duct cyst: a case report (Leung and others) (CR) 87

Acetabulum

Moore hemiarthroplasty functioning for 33 years: a case report (Wolfson and Waddell) (CR) 542
Symposium on Surgical Management of Hip Disease in Young Adults: 5. Osteotomy of the pelvis for the management of hip disease in young adults (Wedge) (Suppl) S25

Acquired immunodeficiency syndrome

Surgical Problems in the AIDS Patient. Samuel E. Wilson and Russell A. Williams (Mustard) (BR) 388

Actinomycosis

Recognition of renal actinomycosis: Nephrectomy can be avoided. Report of a case (Khalaff and others) (CR) 77

Adolescence

Reoperation for cysts of the thyroglossal duct (Flageole and others) (OA) 255

Adult

Symposium on Surgical Management of Hip Disease in Young Adults:
1. Introduction. Hip disease in the young adult: a social as well as a medical dilemma (Duncan and Waddell) (Suppl) S5
3. The role of hip arthroscopy in the diagnosis and treatment of hip disease (McCarthy and Busconi) (Suppl) S13
5. Osteotomy of the pelvis for the management of hip disease in young adults (Wedge) (Suppl) S25
6. Femoral osteotomy for secondary arthritis of the hip in young adults (Santore and Dabiezies) (Suppl) S33
7. Hip arthrodesis: an important option for advanced disease in the young adult (Duncan and others) (Suppl) S39
Prologue (Duncan) (Suppl) S4

Aged

A continuing medical education strategy for care of the elderly by the surgical specialties (Patterson and others) (OA) 427

AIDS See Acquired immunodeficiency syndrome

Allogeneic blood transfusion See Blood transfusion

Allograft See Transplantation, homologous

Ambulatory surgery

Minor Surgery in Practice. Vija K. Sodera (Mahoney) (BR) 468
Necessity is the mother of invention (Poulin) (QS) 205
Paediatric Day Case Surgery. Edited by N.S. Morton and P.A.M. Raine (Ein) (BR) 290
Routine outpatient laparoscopic cholecystectomy (Voitk) (OA) 262

Ampulla of Vater See Vater's ampulla

Amputation

Intra-arterial infusion of urokinase for acute, critical ischemia in the lower limb (Hicken and others) (CSVS) 486
Symposium on the dysvascular lower limb in the presence of blunt trauma:
1. Introduction (McCormack) (COA) 213
2. The traumatized ischemic lower limb: a search for the optimal treatment (Verdant and Gaffiero) (COA) 215
3. Management of the compromised lower extremity (O'Brien) (COA) 218
4. Reconstructive surgery for lower limb salvage (Tomaino and Bowen) (COA) 221

Ancrod

Ancrod as prophylaxis or treatment for thromboembolism in patients with multiple trauma (Cole and others) (OA) 249

Anesthesia

SESAP VIII Question; Critique: Items 233 and 234 115; 177

Aneurysm

Case 5. Presentation; Diagnosis (Stein and Brassard) (RS) 401; 414
Pulsatile buttock mass: report of two cases and a review of the literature (Wong and others) (CR) 275

Aneurysm, aortic, ruptured See **Aortic rupture**

Aneurysm, ruptured

Emergency embolization of a ruptured aneurysm of the pancreaticoduodenal arcade (Lossing and others) (CR) 363

Ruptured deep femoral artery aneurysm simulating a soft-tissue sarcoma: a case report (Boyer and others) (CR) 92

Angiography

Presidential address, 1994. The history of vascular surgery in Canada (McPhail) (CSVS) 229

Pulsatile buttock mass: report of two cases and a review of the literature (Wong and others) (CR) 275

Ankle

Lower extremity burns and Unna paste: Can we decrease health care costs without compromising patient care? (Wells and others) (OA) 533

Anoxemia

SESAP VIII Question; Critique: Items 233 and 234 115; 177

Antibiotics

From premise to principle: the impact of the gut hypothesis on the practice of critical care surgery (Marshall and Girotti) (SP) 132

Tuberculous osteomyelitis (Waddell) (QS) 9

Antigens, neoplasm

SESAP VIII Question; Critique: Items 315 to 318 420; 444

Antigens, tumour-associated, carbohydrate

Markedly elevated serum CA 19-9 levels in a case of chronic pancreatitis (Yoshida and others) (CR) 83

Aorta

An alternative approach to the Cabrol technique of aortic root replacement (Pascoe and Rusnak) (HD) 550

Aortic aneurysm, abdominal

Presidential address, 1994. The history of vascular surgery in Canada (McPhail) (CSVS) 229

Aortic rupture

Ruptured aortic arch aneurysm (Shum-Tim and Latter) (SI) 307

Aortic valve

Cost effectiveness and efficacy of an on-site homograft heart-valve bank (Lever and others) (OA) 492

Appendectomy

Laparoscopic appendectomy: a review of 95 consecutive suspected cases of appendicitis (Karim and O'Regan) (OA) 449

Laparoscopic appendectomy versus open appendectomy: retrospective assessment of 200 patients (DesGroseilliers and others) (OA) 178

Appendicitis

Laparoscopic appendectomy: a review of 95 consecutive suspected cases of appendicitis (Karim and O'Regan) (OA) 449

Arterial prosthesis See **Blood vessel prosthesis**

Arteries

Emergency embolization of a ruptured aneurysm of the pancreaticoduodenal arcade (Lossing and others) (CR) 363

Pulsatile buttock mass: report of two cases and a review of the literature (Wong and others) (CR) 275

Arthritis

Arthritis Surgery. Clement B. Sledge, Edward D. Harris Jr., Shaun Ruddy and William N. Kelley (Bogoch) (BR) 287

Arthritis, rheumatoid

Biaxial total wrist arthroplasty in rheumatoid arthritis (Lirette and Kinnard) (OA) 51

Giant synovial cyst of the hip: an unusual presentation with compression of the femoral vessels (Byström and others) (CR) 368

Arthrodesis

Biaxial total wrist arthroplasty in rheumatoid arthritis (Lirette and Kinnard) (OA) 51

Symposium on Surgical Management of Hip Disease in Young Adults: 7. Hip arthrodesis: an important option for advanced disease in the young adult (Duncan and others) (Suppl) S39

Arthrography

Symposium on Surgical Management of Hip Disease in Young Adults: 2. Appropriate imaging studies and their interpretation (Zukor and Lander) (Suppl) S6

Arthroplasty

Biaxial total wrist arthroplasty in rheumatoid arthritis (Lirette and Kinnard) (OA) 51

Arthroplasty, knee See **Knee prosthesis**

Arthroplasty, replacement, hip See **Hip prosthesis**

Arthroscopy

Symposium on Surgical Management of Hip Disease in Young Adults: 3. The role of hip arthroscopy in the diagnosis and treatment of hip disease (McCarthy and Busconi) (Suppl) S13

Atherosclerosis

Atherosclerotic disease and stroke (Harris and Willerth) (SI) 400

Attitude of health personnel

Attitudes toward trauma care of surgeons practising in Ontario (Girotti and others) (OA) 22

Autograft See **Transplantation, autologous**

Autotransfusion See **Blood transfusion, autologous**

Avascular necrosis of bone See **Osteonecrosis**

- B -

Bandages

Lower extremity burns and Unna paste: Can we decrease health care costs without compromising patient care? (Wells and others) (OA) 533

Bigelow, Wilfred

Presidential address, 1994. The history of vascular surgery in Canada (McPhail) (CSVS) 229

Bile acids and salts

The role of extracorporeal shock-wave lithotripsy in the treatment of symptomatic cholelithiasis (Dion and Morin) (OA) 162

Bile ducts

Clinical abnormalities in adults with pancreaticobiliary maljunction with and without bile-duct dilatation (Tanaka and others) (OA) 351

Bile salts See **Bile acids and salts**

Biliary tract neoplasms

Clinical abnormalities in adults with pancreaticobiliary maljunction with and without bile-duct dilatation (Tanaka and others) (OA) 351

Biopsy

The abnormal mammogram in clinically normal breasts: a challenge for surgeons (Deschênes) (QS) 110

The abnormal mammogram in women with clinically normal breasts (Sterns) (OA) 168

The ambiguous mammography report and needle-directed biopsies

(Limjoco and Northedge) (C) 552

[reply] (Sterns) (C) 552

Benefit of open lung biopsy in patients with respiratory failure (Lachapelle and Morin) (OA) 316

Diagnostic manoeuvres in patients with respiratory failure (Deslauriers and LaForge) (QS) 305

Biopsy, needle

The abnormal mammogram in clinically normal breasts: a challenge for surgeons (Deschênes) (QS) 110

The abnormal mammogram in women with clinically normal breasts (Sterns) (OA) 168

- The ambiguous mammography report and needle-directed biopsies (Limjoco and Northedge) (C) 552
[reply] (Sterns) (C) 552
- Fine-wire localization for nonpalpable mammographic abnormalities (Fedoruk and others) (OA) 173
- Birth defects** See **Abnormalities**
- Blood loss, surgical**
Routine predeposit of autologous blood is not warranted before breast reduction surgery (Crosby and others) (SP) 309
- Blood transfusion**
Routine predeposit of autologous blood is not warranted before breast reduction surgery (Crosby and others) (SP) 309
Transfusion practice in support of surgery during introduction of a hospital-based autologous presurgical blood donor program (Pinkerton and others) (OA) 154
- Blood transfusion, autologous**
Autotransfusion of shed mediastinal blood in cardiac surgery (Nguyen and DeVarennes) (C) 98
[reply] (Adoumie and Chiu) (C) 99
Routine predeposit of autologous blood is not warranted before breast reduction surgery (Crosby and others) (SP) 309
Transfusion practice in support of surgery during introduction of a hospital-based autologous presurgical blood donor program (Pinkerton and others) (OA) 154
- Blood vessel prosthesis**
The Gelweave polyester arterial prosthesis (Ukpabi and others) (OA) 322
- Blunt injuries** See **Wounds, nonpenetrating**
- Bone and bones**
Management of contaminated wounds (Waddell) (QS) 109
- Bone cements**
The effect of intramedullary cement on intercalary allograft reconstruction of bone defects after tumour resection: a pilot study (Wunder and others) (OA) 521
Streptomycin-loaded bone cement in the treatment of tuberculous osteomyelitis: an adjunct to conventional therapy (Masri and others) (CR) 64 [correction 286]
Symposium on Surgical Management of Hip Disease in Young Adults:
10. The case for cementing all femoral components in total hip replacement (Harris) (Suppl) S55
11. Total hip replacement: the case for noncemented femoral fixation because of age (Bourne and others) (Suppl) S61
Tuberculous osteomyelitis (Waddell) (QS) 9
- Bone diseases, developmental**
Symposium on Surgical Management of Hip Disease in Young Adults:
5. Osteotomy of the pelvis for the management of hip disease in young adults (Wedge) (Suppl) S25
6. Femoral osteotomy for secondary arthritis of the hip in young adults (Santore and Dabezies) (Suppl) S33
- Bone dysplasias** See **Bone diseases, developmental**
- Bone grafting** See **Bone transplantation**
- Bone nails**
Enclouage à foyer fermé sans alésage des fractures diaphysaires du tibia (Verret) (AO) 355
Fixation of intertrochanteric hip fractures: gamma nail versus dynamic hip screw. A randomized, prospective study (O'Brien and others) (OA) 516
- Bone neoplasms**
Case 1. Presentation; Diagnosis (Stein) (RS) 12; 21
The effect of intramedullary cement on intercalary allograft reconstruction of bone defects after tumour resection: a pilot study (Wunder and others) (OA) 521
- Bone remodelling**
A Madreporic-surfaced femoral component in a canine total hip arthroplasty model: bone remodelling response at 6 and 24 months (Finkelstein and others) (OA) 501
- Bone resorption**
Symposium on Surgical Management of Hip Disease in Young Adults: 9. Osseointegration of metal (Schatzker) (Suppl) S49
- Bone screws**
Enclouage à foyer fermé sans alésage des fractures diaphysaires du tibia (Verret) (AO) 355
Fixation of intertrochanteric hip fractures: gamma nail versus dynamic hip screw. A randomized, prospective study (O'Brien and others) (OA) 516
Symposium on Surgical Management of Hip Disease in Young Adults: 9. Osseointegration of metal (Schatzker) (Suppl) S49
- Bone transplantation**
The effect of intramedullary cement on intercalary allograft reconstruction of bone defects after tumour resection: a pilot study (Wunder and others) (OA) 521
Symposium on Surgical Management of Hip Disease in Young Adults: 4. Core decompression of the femoral head for avascular necrosis: indications and results (Steinberg) (Suppl) S18
- Bone tuberculosis** See **Tuberculosis, osteoarticular**
- Book reviews**
Advanced Therapeutic Endoscopy. 2nd edition. Edited by Jamie S. Barkin and Cesar A. O'Phelan (Burnstein) 287
Allogreffes et autogreffes valvulaires cardiaques: conservation et chirurgie. Dominique Metras (Bonneau) 554
Arthritis Surgery. Clement B. Sledge, Edward D. Harris Jr., Shaun Ruddy and William N. Kelley (Bogoch) 287
Atlas of Pediatric Orthopedic Surgery. 2 vols. Mihran O. Tachdjian (Rang) 288
Atlas of Pediatric Urologic Surgery. Frank Hinman Jr. (McLorie) 554
Atlas of Video-Assisted Thoracic Surgery. William T. Brown (Casson) 288
Cancer Surgery. Robert J. McKenna Sr. and Gerald P. Murphy (Stern) 101
Cardiac Surgery—Current Issues 2. Edited by Aurel C. Cernaianu and Anthony J. DelRossi (Errett) 192
Current Surgical Diagnosis & Treatment. 10th edition. Lawrence W. Way (Brown) 289
Current Urologic Therapy 3. E. James Seidmon and Philip M. Hanno (Struthers) 290
Gasless Laparoscopy With Conventional Instruments—the Next Phase in Minimally Invasive Surgery. R. Stephen Smith, Claude H. Organ, Jr. (Litwin) 102
Inguinal Hernia. Advances or Controversies? Edited by M.E. Arregui and R.F. Nagan (Currie) 192
Key Topics in Orthopaedic Surgery. I.M. Nugent, J.P. Ivory and A.C. Ross (McKee) 556
Key Topics in Otolaryngology and Head and Neck Surgery. N.J. Roland, R.D.R. McRae and A.W. McCombe (Fenton) 467
Laparoscopic Surgery. Edited by Garth H. Ballantyne, Patrick F. Leahy and Irvin M. Modlin (Koo) 101
Minimal Access Gynaecology. Edited by Stephen Grochmal (Steinberg) 555
Minor Surgery in Practice. Vija K. Sodera (Mahoney) 468
A Miracle and a Privilege: Recounting a Half Century of Surgical Advance. Francis D. Moore (Waddell) 467
Nasal Plastic Surgery. E. Gaylon McCollough (Freiberg) 468
Oxford Textbook of Surgery. 2 vols. Edited by Peter J. Morris and Ronald J. Malt (Waddell) 388

- Paediatric Day Case Surgery*. Edited by N.S. Morton and P.A.M. Raine (Ein) 290

- Reoperation for cysts of the thyroglossal duct (Flageole and others) (OA) 255

Child, preschool

Reoperation for cysts of the thyroglossal duct (Flageole and others) (OA) 255

Cholecystectomy

Clinical abnormalities in adults with pancreaticobiliary maljunction with and without bile-duct dilatation (Tanaka and others) (OA) 351

Cholecystectomy, laparoscopic

Comparison of initial laparoscopic cholecystectomy at a community hospital versus a teaching hospital (Dubois and others) (OA) 439

Peripancreatic retroperitoneal gas mimicking necrotizing pancreatitis after laparoscopic cholecystectomy (Dowdell and others) (CR) 547

Prevention of nausea after laparoscopic cholecystectomy (Frimer) (C) 99

Routine outpatient laparoscopic cholecystectomy (Voitk) (OA) 262

Cholelithiasis

The role of extracorporeal shock-wave lithotripsy in the treatment of symptomatic cholelithiasis (Dion and Morin) (OA) 162

Cholesterol embolization syndrome See Embolism, cholesterol**CJS See Canadian Journal of Surgery****Clinical clerkship**

Problem-based learning: its role in undergraduate surgical education (Chang and others) (RA) 13

Undergraduate surgical education in the twenty-first century (Pelletier) (OA) 42

CMA See Canadian Medical Association**CNIS See Canadian Network for International Surgery****COA See Canadian Orthopaedic Association****Colostomy**

Defining wound infection in stoma closure (Belliveau) (QS) 108

Stoma closure and wound infection: an evaluation of risk factors (Hackam and Rotstein) (OA) 144

Stoma closure and wound infection (Niloff) (C) 466

Wound infection during stoma closure (Hackam and Rotstein) (C) 191

Common bile duct neoplasms

Ampullary tumour (Leslie and McLarty) (SI) 478

Communication

Necessity is the mother of invention (Poulin) (QS) 205

Community health services

Presidential address, 1994. The community general surgeon: a time for renaissance (Inglis) (CAGS) 123

Computed tomography See Tomography, computed**Congenital anomalies See Abnormalities****Congresses**

Essential surgery—respectable again (Lett and Loutfi) (QS) 398

Contrast media

Case 4. Presentation; Diagnosis (Stein) (RS) 308; 365

Cost-benefit analysis

Cost effectiveness and efficacy of an on-site homograft heart-valve bank (Lever and others) (OA) 492

Symposium on Surgical Management of Hip Disease in Young Adults:

12. Epilogue. The imperative for truly scientific outcome analyses (Bourne) (Suppl) S67

11. Total hip replacement: the case for noncemented femoral fixation because of age (Bourne and others) (Suppl) S61

Cost control

Necessity is the mother of invention (Poulin) (QS) 205

Cost effectiveness See Cost-benefit analysis**Cost of illness**

Symposium on Surgical Management of Hip Disease in Young Adults: 1. Introduction. Hip disease in the young adult: a social as well as a medical dilemma (Duncan and Waddell) (Suppl) S5

Cost savings

Cost effectiveness and efficacy of an on-site homograft heart-valve bank (Lever and others) (OA) 492

Lower extremity burns and Unna paste: Can we decrease health care costs without compromising patient care? (Wells and others) (OA) 533

To reuse or not to reuse? (MacFarlane) (QS) 477

Coumadin See Warfarin**Critical care**
