SYRACUSE UNIVERSITY'S INSTITUTE FOR VETERANS AND MILITARY FAMILIES (IVMF) is the

first national institute in higher education singularly focused on advancing the lives of the nation's military, veterans and their families. Through its professional staff and experts, the IVMF delivers leading programs in career and entrepreneurship education and training, while also conducting actionable research, policy analysis, and program evaluations. The IVMF also supports veterans and their families, once they transition back into civilian life, as they navigate the maze of social services in their communities, enhancing access to this care working side-by-side with local providers across the country. The Institute is committed to advancing the postservice lives of those who have served in America's armed forces and their families. For more information, visit ivmf.syracuse.edu.
