### **UNF Vision**

The University of North Florida aspires to be a preeminent public institution of higher learning that will serve the North Florida region at a level of national quality. The institution of choice for a diverse and talented student body, UNF will provide distinctive programs in the arts and sciences and professional fields. UNF faculty will excel in teaching and scholarship, sharing with students their passion for discovery. Students, faculty, staff, alumni and visitors will enjoy a campus noteworthy for its communal spirit, cultural richness and environmental beauty.

### **UNF Mission**

The University of North Florida fosters the intellectual and cultural growth and civic awareness of its students, preparing them to make significant contributions to their communities in the region and beyond. At UNF, students and faculty engage together and individually in the discovery and application of knowledge. UNF faculty and staff maintain an unreserved commitment to student success within a diverse, supportive campus culture.

### **Statement of Values**

The University of North Florida is committed to values that promote the welfare and positive transformation of individuals, communities and societies.

#### **We value:**

- the pursuit of truth and knowledge carried out in the spirit of intellectual and artistic freedom;
- ethical conduct;
- community engagement;
- diversity;
- responsibility to the natural environment; and
- mutual respect and civility.

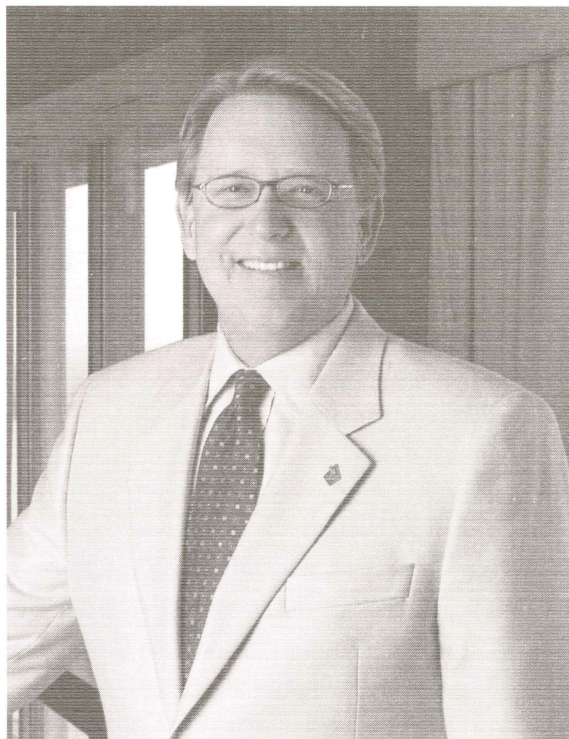

## The University of North Florida

John A. Delaney became UNF's fifth president in 2003. In that capacity, he oversees a campus of 16,000 students, 500 faculty and 1,000 staff. The 1,381-acre campus in Northeast Florida is considered a driver in the region, with an annual economic impact of nearly \$1 billion. Each year, 4,000 students graduate from UNF's six colleges: the Brooks College of Health, the Coggin College of Business, the College of Arts and Sciences, the College of Computing, Engineering and Construction, the College of Education and Human Services and the Hicks Honors College.

Under Delaney's direction, UNF reaffirmed its commitment to students by offering individualized attention and Transformational Learning Opportunities. The University is also known for its Flagship Programs, areas where UNF leads the nation. Flagships include Community Nursing, International Business, Transportation and Logistics, Coastal Biology, Music, and Nutrition and Dietetics.

Delaney's presidency continues a distinguished career as a public servant. He was mayor of Jacksonville for two consecutive terms. Before being elected mayor, Delaney served as the city's general counsel and chief of staff to former Jacksonville Mayor Ed Austin. He began his career as a prosecutor in the State Attorney's Office. Delaney received his undergraduate and law degrees from the University of Florida.

## COMMENCEMENT PROTOCOL

This ceremony represents the culmination of many years of work and sacrifice on the part of the graduates and their families. Therefore, please give this occasion the dignity and respect it deserves by remaining in your seats for the entire ceremony, except to use designated photo areas, so that others are not disturbed.

## TRADITIONS OF THE COMMENCEMENT CEREMONY

Academic regalia date to European universities of the Middle Ages, when gowns and hoods were required for warmth in unheated buildings. Gowns were fur-lined adaptations of the priestly toga, and hoods were worn to protect the tonsured heads of the priests. The regalia now serve as a visible reminder of the historic antecedents of intellectual pursuits.

In American universities of the late 19th century, these medieval costumes were revived to lend color to academic functions. Efforts were made to establish a code that would set standards for academic dress. Gowns of masters and doctors are generally ankle length and closed in front. The master's gown has pointed sleeves that are slit at the elbows. The doctoral gown has wide lapels of velvet, either black or the color of the scholar's specialization. The sleeves are full and bellshaped, with three velvet chevrons, either black or colored like the lapels. Gowns normally are black, although some universities have designed their own in the colors of the institution.

The hood, which drapes over the back of the gown, carries the greatest symbolism of all components of the academic costume. Its length, width and colors denote the wearer's highest academic achievement and institution. The master's hood is pointed; the doctoral hood is bellshaped. The color of the border of the hood indicates the scholar's major field of study; the lining color or colors identifies the institution that conferred the wearer's degree. Hoods were originally trimmed in fur but now have satin borders for masters' and velvet for doctors' hoods.

The customary head covering is the mortarboard, or Oxford cap, with a tassel on the left side. Persons who possess the doctorate wear a tassel

of gold metallic threads. The soft, large beret, modeled after the cap of Cambridge University, also has been adopted by some institutions. The medieval university was much concerned with rank and privilege, and academic robes made visible the social and academic distinctions of the wearers. These distinctions have largely disappeared, and robes now indicate specialization. The following colors are associated with the degrees frequently represented in academic processions:

Arts, Letters, Humanities .....	White
Business .....	Light Brown
Computer Science .....	Gold
Economics .....	Copper
Education .....	Light Blue
Engineering.....	Orange
Fine Arts .....	Deep Brown
Health.....	Sage
Law .....	Purple
Library Science.....	Lemon Yellow
Medicine.....	Kelly Green
Music .....	Pink
Nursing.....	Apricot
Philosophy.....	Dark Blue
Public Administration .....	Peacock Blue
Public Health .....	Salmon
Science.....	Golden Yellow
Theology.....	Scarlet

## THE UNIVERSITY OF NORTH FLORIDA

The University of North Florida (UNF), one of the 12 public institutions in the State of Florida, is a comprehensive urban university that offers degree programs at the bachelor's, master's and doctorate levels. Established in 1965 as an upper division and professional graduate institution, the University began offering classes in 1972. Freshmen and sophomores were added to the student body in 1984. UNF's scenic campus is now nestled among 1,381 acres, which includes a nature and wildlife area with lakes and nature trails.

The University of North Florida is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award baccalaureate, master's, and doctorate degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404-679-4500 for questions about the accreditation of the University of North Florida. Individual contact to the Commission on Colleges about the University of North Florida accreditation status should occur only if there is evidence that appears to support significant noncompliance with a requirement or standard.

Some professional associations offer further accreditation of specific programs. UNF programs in athletic training, building construction management, business administration, civil engineering, computer science, electrical engineering, health administration, information science, information systems, information technology, mechanical engineering, music, nurse anesthesia nursing, nutrition, physical therapy, public administration, rehabilitation counseling and teacher education have been accorded national accreditation.

As UNF grows, it is proud of maintaining a reputation for excellence which attracts a diverse group of highly qualified students. The Spring 2015 incoming freshman class (FTIC): 972 had a mean SAT score of 1218 and a grade point average of 4.02. The minimum scores typically expected for admission are a sliding scale equivalent of 1090 on the SAT (or the ACT equivalent) and a GPA of 2.83. Twenty-one percent were in the top 10 percent of their graduating class. Minority students comprise 29 percent of the student body. International students make up nearly 25 percent of the mix: 389 students from 75 countries

around the world. Fifty-six percent of UNF students are women; the average student age is 25. Academic programs are built on a strong foundation in the traditional arts and sciences. The University now has a student body of 15,839 students enrolled in 56 undergraduate degree programs with 69 areas of concentration, 28 master's degree programs with 60 areas of concentration and four doctoral degrees. It has 543 faculty and 1,221 full-time and part-time staff. UNF now grants more than 3,805 bachelor's, master's, and doctorate degrees each year through its Brooks College of Health, Coggin College of Business, College of Arts and Sciences, College of Computing, Engineering and Construction, and College of Education and Human Services.

UNF is dedicated to excellence in teaching, research and public service. The University's faculty is committed to providing high-quality instruction, with particular emphasis on undergraduate education. The faculty's publications and other creative activity demonstrate a determination to remain at the cutting edge of intellectual inquiry and practice their respective disciplines. The University — through centers and institutes as well as traditional educational offerings and activities — is a major contributor to the community life of Northeast Florida and, indeed, to the larger community. Six programs have received flagship designation: Transportation and Logistics, International Business, Community Nursing, Coastal Biology, Music, and Nutrition and Dietetics.

Through the strong support of the University of North Florida Foundation Inc. and the generosity of both corporate leaders and dedicated citizens of Florida's First Coast region, UNF now has four Eminent Scholar Chairs: the Andrew A. Robinson Chair in Educational Policy and Economic Development, the Ira M. Koger Chair in American Music, the Prime F. Osborn Chair in Transportation and the Paper Plastics Education Research Foundation Endowed Chair for Supply Chain Management. The UNF Foundation, funded by contributions, supports a wide range of UNF's activities on campus and in the community.

## Albert D. Ernest Jr. Caring Award

Chelsey Cain

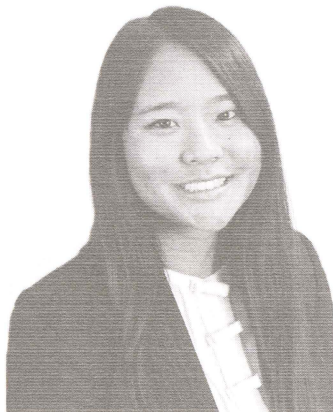

Chelsey Cain is the recipient of the 2016 Albert D. Ernest, Jr. Caring Award. Mr. Hugh Jones, Jr. and the Barnett Bank of Jacksonville (now Bank of America) established the award in 1992 to honor students who embodied the spirit of the caring, volunteerism and humanitarianism. Chelsey started Theatre on a Mission (TOM) while still in high school. This 501(c)3 non-profit organization is comprised of performing arts students who want to make a difference in the world. They have taken three trips to work with orphanages and

schools in Kenya and Costa Rica. Chelsey believes theatre breaks cultural barriers and brings confidence, self-esteem and hope to children. Her fundraising efforts have brought running water to an orphanage, a down payment of land to build a school, repairs to a broken water well and medical care for orphans.

Currently a junior at the University of North Florida, Chelsey is pursuing a Bachelor of Arts degree in interdisciplinary studies. Her hometown is Jacksonville, Fla.

## UNF ALUMNI ASSOCIATION

### Spring 2016 Senior Service Award

Kami Richmond

The UNF Alumni Association selected Kami Richmond as the recipient of the Senior Service Award for the spring 2016 graduating class. The UNF Alumni Association selects a graduating senior each semester for outstanding service to the University and the community through volunteerism.

Kami is graduating today from the Coggin College of Business with a Bachelor of Business Administration majoring in both international business and economics with a minor in Chinese. Kami has been a stellar student while at UNF, receiving several scholarships, and earning herself a place on both the Dean's List and President's Honor Roll consistently since 2012. While maintaining a 3.93 grade point average, Kami dedicated her extra time to serving the University of North Florida, Jacksonville and the international community.

Kami's service to UNF began in her first weeks as a freshman when she began training to become a member of the Swoop Squad, volunteering to give campus tours and assist at orientations. By her sophomore year, Kami became a paid tour guide and expanded her responsibilities to include recruiting potential students and assisting with training new

Swoop Squad members. Kami shared that she loved giving campus tours because of the look high school students got in their eyes the moment they realized that UNF was the perfect fit for them.

In the spring of 2015, Kami began serving as a Coggin College of Business Student Ambassador. Coggin Ambassadors play an integral role in the execution of programs presented by the Career Management Center and the Coggin College of Business. By participating in the program, Kami not only gained the opportunity to network with peers and business professionals, but also the opportunity to represent one of UNF's six prestigious colleges. Kami would also actively assist in raising awareness for the Coggin Ambassador program to encourage her fellow business students to pursue professional development opportunities.

Her campus involvement was extensive. Kami also served on the Student Conduct Board, contributing to upholding the moral standard to which students are held, was the international projects director with the UNF Rotaract Club and a soccer coach with World Relief Jacksonville through the UNF Hicks Honors College.

Kami's dedication to service goes beyond the University of North Florida. In the Jacksonville community, Kami has dedicated her time volunteering in Global Community Outreach with the World Affairs Council, as a student consultant with the City Rescue Mission and as a Sunday school teacher at Christian Family Chapel. Kami's dedication to service expanded internationally while studying abroad in Beijing, China, when she became involved with Alenah's Home, a nonprofit foster home for orphans with special needs.

Kami shared that these service opportunities, which UNF helped to provide, have aided her in realizing that her passion has the potential to become a career in nonprofit management. Her many involvements and contributions reflect that she is a remarkable Osprey. Kami is a true example of a passionate, conscientious and altruistic leader and a great representative of the University of North Florida.

The degree candidates listed in this program include students who applied to graduate during the 2016 Spring Commencement. Because grades are not posted until several days after the ceremony, graduation of the students and designation of honors are not necessarily conclusive. Honor designations are only bestowed upon baccalaureate degree candidates.

Honors (4.0 Grade Point Average Scale)

1-Summa Cum Laude (with highest honors 3.8-4.0)      2-Magna Cum Laude (with high honors 3.65-3.79)      3-Cum Laude (with honors 3.5-3.64)

## **Congratulations on your Commencement!**

After years of hard work, countless late nights and anxious moments, you've earned your degree from the University of North Florida. We know you are proud of your accomplishments, and we're proud to welcome you as a new member of the Alumni Association, where the UNF experience never ends and membership is **free** for all graduates!

The UNF Alumni Association has been serving the University's alumni since it first met as an advisory council in 1976. Of course, a lot of things have changed since then, and we've worked hard to keep pace with your lifestyle and today's trends. Now you can "like" us on Facebook; build your alumni network through LinkedIn; and update your personal information through the Alumni Association website at [www.unf.edu/alumni](http://www.unf.edu/alumni). While you're there, be sure to subscribe to Nest Notes, our free electronic newsletter and most important communication tool for keeping you informed of upcoming events.

The Alumni Association hosts and promotes dozens of events each year including socials, networking opportunities, professional development seminars, family activities and more. There is something for everyone, so join us!

Congratulations again, and we look forward to seeing you at future UNF alumni events!

## **Stay connected ... and keep on swooping!**

## UNF ALMA MATER

Music adapted by Dr. William C. Moffit

Words by Dr. Merrill J. Palmer

### VERSE:

We recall those days of gladness,  
Nestled midst the lakes and pine,  
Where we sought the gift of knowledge,  
Alma Mater, pride of mine.

### REFRAIN:

Sing her glory and her praises,  
Let them ring from sea to sea!  
North Florida we proudly honor,  
U-N-F, all hail to thee.

### VERSE:

Near the shores of the Atlantic,  
Where the Osprey soars on high,  
Stands our Alma Mater strong and true,  
With her colors gray and blue.

### REPEAT REFRAIN

At UNF, students are our first priority.

The University of North Florida recognizes that every student is an individual, with different goals, different learning styles and different needs. UNF is committed to offering each student an individualized educational experience made possible by an engaged faculty and dedicated staff. UNF's commitment to individualized attention includes opportunities to participate in life-changing experiences such as internships, study abroad, off-campus programs and dynamic research projects.
