

Undergraduate Programs In

**CRIMINAL
JUSTICE**

from 1977

The University Of North Florida

now offers to interested students in Jacksonville and surrounding areas a program of studies leading to the BACHELOR OF ARTS DEGREE in Criminal Justice, as well as a Special Studies program leading to the CERTIFICATE IN CRIMINAL JUSTICE.

These programs should not be confused with extension programs offered by non-local schools. These UNF programs provide courses in a range of areas taught by local faculty who live and work in Jacksonville and who are available to assist and counsel students during regular office hours. Classes are offered alternately during the day and in the evenings. For some courses, "parallel classes" are offered; i.e., the same course is offered during the day and evening of a single day, making class attendance easier for students employed on rotating shifts. In numerous ways these programs are designed to accommodate both the experienced in-service criminal justice employee as well as the new pre-service student.

Programs Of Study

The Bachelor of Arts Degree

The major consists of 35-40 hours of criminal justice courses. All students choosing to major in criminal justice are required to take a core of courses which are intended to provide the groundwork for their subsequent studies. In addition to the required core, student majors are also required to take two or more of a specified set of additional major courses, depending on each student's academic and experiential background. Finally, students whose schedules permit may choose one or more free electives to complete their program of study in the major.

In addition to studies in the major, the student is expected to complete at least one course in each of the fields of sociology, psychology and political science, and at least 35 hours of courses outside the major (Venture courses).

For more information on this degree program contact the Office of Criminal Justice Programs at 646-2758 or send in the attached Reply Form.

The Certificate in Criminal Justice

For students in majors other than Criminal Justice, a Special Studies program in Criminal Justice is offered which leads to the Certificate in Criminal Justice. The program offers an opportunity for minor specialization complementary to the student's major area of study.

The program requires that the student complete 30 hours of upper division study at UNF from a selected listing of criminal justice and social science courses. Applications and further information on this Certificate program are available from the Office of Criminal Justice Programs. Call 646-2758 or return the attached Reply Form.

Future Programs

Recognizing the growing needs for criminal justice education on both the undergraduate and graduate levels, UNF is in the process of planning two additional programs of study. A BACHELOR OF SCIENCE DEGREE Program and a MASTERS DEGREE IN CRIMINAL JUSTICE are both anticipated within the next two years. For additional information on either of these future programs, call the Office of Criminal Justice Programs at 646-2758 or return the attached Reply Form.

Courses In Criminal Justice

- CCJ 3010 — Criminology
- CCJ 3020 — The Criminal Justice System

Dietra Micks, Ph.D., J.D., *Assistant Professor of Business Law*

Ed Austin, J.D., *State Attorney, Fourth Judicial Circuit of Florida*

Michael Weinstein, M.A., ABD, *Director of Administration, State Attorney's Office,
Fourth Judicial Circuit of Florida*

Gary Higgins, M.B.A., *Senior Police Planner, Planning and Research, Jacksonville Sheriff's Office*

Barry Hinnant, M.S.W., *Director, Jacksonville Drug Abuse Program*

Admission

Admission to these programs follows University guidelines and is currently open to students who have earned an Associate of Arts degree or its equivalent. Students lacking the AA degree should inquire about Criminal Justice education at Florida Junior College, South Campus, 646-2060.

There are no specific criminal justice course prerequisites required for entry into the program at the present time. However, Elementary Statistics is a requirement for graduation for all majors, is prerequisite to some courses in the major, and is therefore a strongly recommended prerequisite for entry into the program.

Costs And Financial Aid

Students seeking admission to the program must pay an admission fee of \$15.00 at the time of submitting admission applications and transcripts.

Registration fees for all courses for Florida residents are established by the Board of Regents. At present fees are \$16.50 per undergraduate quarter hour.

There is a \$5.00 annual parking fee for students bringing vehicles onto the campus.

LEEP funding will be available to qualified in-service students. Students who wish to apply or inquire about LEEP grants, or other forms of financial aid, should contact Mrs. Carrie Tutson in the Office of Financial Aid, 646-2604.
