## 2020 ANNUAL TOWN REPORT DEDICATION Glennie Edwards

Annually, the Board of Selectmen dedicates the Annual Town Report to individuals who have served or made a positive impact in our community.

Glennie Edwards has been an active/integral part of our community and Town government for most of her life. Glennie was born and raised in Pelham, raised her family in Pelham, was one of the first female stock car drivers in New Hampshire and won a number of modified-profile stock car races in the 1960's. Glennie worked for the Police Department as a dispatcher, records clerk, a matron, and she worked in the Town Hall in the Assessor's office and most recently in the Selectmen's office. If you needed to know anything about Pelham, its history, our culture (and some gossip!) Glennie is an invaluable resource! Glennie also worked at the Concord Prison for a number of years.

Glennie has been an avid volunteer for a number of civic groups over the years to include the Red Cross, New England Banjo Yankee Strummers, Conservation Commission, New Greely Singers, Sherburne Hall Committee, Pelham's 250<sup>th</sup> Anniversary and most recently with the Pelham Garden Club. Glennie loves sewing, quilting and working on projects around her house.

Glennie has a strong, independent spirit (see the above second photo), a strong community spirit and she is the epitome of "Pelham Proud".

Glennie has made an enormous contribution to the Town of Pelham in the course of her young 88 years! It is with great pleasure that the 2020 Pelham Annual Town Report is dedicated to **Glennie Edwards**.

## 2020 BOARD OF SELECTMEN SPECIAL RECOGNITION – William McDevitt

The Board of Selectmen would like to acknowledge the efforts of one of our citizens and retired Board of Selectmen, William McDevitt. Bill served on several committee's and Boards over his almost fifty years of working in our Town government.

Bill and Joyce McDevitt moved their family to Pelham in 1971 and he quickly became involved in our Town government. Bill was elected as a Library Trustee in 1974 and in 1991 he was appointed as a Selectmen. Bill served as the Selectmen's representative to the Planning Board for several years and he also served as the Chairman of the Board several times completing his political service in that role in 2019.

Bill served on Pelham's 250 Anniversary committee, Sherburne Hall committee, the Pelham Garden club, the Greely Singers, and most recently with the Pelham Community Spirit group. At Christmas time every year, Bill sets up his "Polar Express" train set, donned his "Train Conductor" uniform and entertains countless visitors and children who attend the "Festival of Trees" event. More importantly, Bill was the epitome of a community leader, a volunteer, a mentor, and friend to all who knew him.

The Board of Selectmen would like to thank Bill (and Joyce too!) McDevitt for his time, mentoring, friendship, and tireless dedication to the Town of Pelham.

## BOARD OF SELECTMEN 2020 Annual Report

To say that 2020 was a challenging year would be a dramatic understatement, in fact this past year has brought into contrast the true meaning of the word “unprecedented”. The public health crisis of COVID-19 that has swept across our nation and the world challenged us here at home in ways we never imagined. The town had to adapt quickly to a contactless business model, closing the Town Hall temporarily to the public and conducting most business either online or by appointment. Like many of us, town employees quickly came to understand the meaning of the term “remote worker”. Although Town Hall eventually did reopen, business is now conducted through shields and masks while we continue to adapt. The Board wishes to thank the employees of Pelham for continuing to deliver great service to our residents while keeping them and us safe. A special thank you to the first responders and public health officials who continue to work every day on behalf of us, the residents, to ensure our continued health and safety.

In spite of the challenges, we were able to claim a few victories as well.

The Liberty Utilities sidewalk project completed this past year, adding a much-needed pedestrian walkway starting at the Pelham Memorial School and continuing south down Marsh Road until it reaches Willow Street. This stretch of sidewalk extends the portion that was already in place from PMS that ran north on Marsh Road to the town center and creates a safe route for many of our students and residents of Marsh Road.

A new pavilion was created at the Pelham Veterans Memorial Park. This structure gives children attending the summer camp a place to go in extreme heat or rain and alleviates some of the crowd from the existing lodge. This structure was critical in being able to run a summer camp last summer, providing adequate social distancing necessary to prevent the spread of COVID-19.

This past year construction started on the towns new Highway Department garage. The new garage will give a proper place to store and maintain some of the most important assets the town owns.

During the 2020 Town Elections, the voters approved the creation of an Agricultural Commission. This volunteer commission is responsible to work with the Selectmen on agricultural topics. The Board fully appointed this commission and has been working cooperatively on issues such as New Hampshire Agricultural Livestock UNH Guidelines Extension and a program to bring a farmers market back to town.

Last March, Selectman McDevitt and Selectman Viger stepped down from the Board. We thank them for their many years of service to the town. Selectman Jaie Bergeron was elected to his first term on the Board, making him a second generation selectman after the years of service from his father, Jean Guy. I also returned to the Board after taking a few years off. I thank the voters for their support in allowing me to come back and serve the town again.

Selectwoman Forde has announced that she will not be seeking re-election this March. The Board would like to thank her for her service to the town and looks forward to working with her in the future in other capacities.

Finally, the Board wishes to thank the residents. In the coming year, as in the past, we will face new challenges and we will experience new victories, but be that as it may, we will do it as a community. We thank you for your support and continue to stand ready to work on your behalf.

Very Respectfully Yours,

Robert Haverty  
Chairman, Board of Selectmen

## Town Administrator

Brian McCarthy

8:00AM to 4:00PM

## TOWN ADMINISTRATOR 2020 Annual Report

2020 was certainly a year filled with challenges. The outbreak of the Covid-19 virus in March challenged all of us in Federal, State and Town government to implement policies, protocols, and procedures to ensure public safety and that our government continued to serve our citizens during the most uncertain time in our nation's history. I would like to thank all our citizens for their patience, understanding and support with respect to all the inconveniences and challenges the pandemic has caused our community and Town government. We would not have been able to persevere through, at times, the insurmountable challenges without your support. I would also like to thank and commend all our first responders during this pandemic. Our first responders were our front line of defense during the pandemic and because of their diligence, professionalism, and determination, lives were saved, and comfort and care were given to those in need.

Before the pandemic arrived, the results of the Town meeting in March were positive and a continued sign that our citizens support our programs, infrastructure, and operational needs. All the approved warrant articles and budgets will continue to improve the Town's efficiency and provide the highest level of service to all our citizens in the years to come. The 2021 Town warrant has less articles than in years past but contain several projects that will need your support. Please take time to review the voter's guide and if you have any question about any of the warrant articles, please feel free to contact me at my office.

The Abbot Bridge (or stone bridge) on Old Bridge Street is next to be upgraded and is scheduled to begin in 2022. Although the bridge replacement will cause a significant traffic inconvenience for several months, this will be the second step in our efforts to help reduce flooding in the downtown area's (Windham Road, Main Street, Old Bridge Street and Willow Street). It is important to remember that the actual stone bridge will not be renovated however a piped culvert will be created before the bridge to improve the flow of water when the water level rises. The Town has applied matching grant funds from the State of New Hampshire to offset the Town's portion of the costs. The Gionet Bridge (Main Street) is scheduled to be replaced in 2023 and the State of New Hampshire will incur the entire cost of that bridge replacement cost.

The construction of the Highway Department/Transfer Station building is nearly completed. The building will house all our Highway and Transfer Departments equipment, vehicles, and provide office space for our employees. The building is located on the current Highway Department property and the office trailers will be returned to the manufacturer once the building is completed. The new building will allow the Town to better preserve our equipment (vehicles, plowing equipment) and create a location out of the elements for our Highway personnel to repair and maintain our equipment. This will allow the Town to reduce repair costs and increase response times for calls for service.

If anyone has a question, comment or suggestion about anything we do as a Town, please feel free to contact me at my office or stop in if you're visiting Town Hall. I enjoy having the opportunity to meet new citizens in our community.

Respectfully Submitted,

Brian McCarthy, Town Administrator

### Important Dates:

- April 30<sup>th</sup> of each year, dogs must be licensed.
- July 1<sup>st</sup> and December 1<sup>st</sup>, tax bills are due.

## TOWN CLERK/TAX COLLECTOR 2020 Annual Report

I am pleased to present the Annual Report for the Town Clerk/Tax Collector Department for 2020. This department is responsible for the collection of property taxes, boat and motor vehicle registrations, vital (birth/marriage/death/divorce) records, dog licensing, hunting and fishing licenses, voter registration, as well as conducting Town and State Elections as governed by the laws of the State of New Hampshire.

2020 was another extremely busy year for our Department. We conducted four Elections with a typical year only having one. The biggest Election, which consumed the largest amount of staff time and resources, was the November General Election. This election had a total of 11,635 voters on the checklist and 8,953 ballots cast. I am happy to report that all four of the elections this year ran smoothly and competently, especially the General Election which was overwhelming but run very efficiently. I would like to thank the Board of Selectmen, Town Administrator, Town Moderator, all Assistant Moderators, Supervisors of the Checklist, Ballot Clerks, Pelham Police Officers, Pelham Fire Department staff, Pelham School Custodians and my Office Staff for all their hard work in making our Elections run smoothly and without incident. This was an extremely trying time with Covid precautions to deal with.

Motor Vehicle transactions continue to comprise the “bulk” of our everyday operations for the staff. We continue to have a great response with our EB2Gov program, which is an online service for renewal of motor vehicles, dog licensing renewals, vital records applications and property tax payments. This service can be accessed by a link on our Town webpage, [www.pelhamweb.com/townclerk](http://www.pelhamweb.com/townclerk). Pelham is a one check Town. A single check made out to the Town of Pelham covers both the Town and State fees for vehicle registrations. We accept credit cards at the counter; however, there is a fee of 2.79% incurred with this service. Cash and check is still an acceptable form of payment. Residents need to have their current driver license or government issued ID for motor vehicle transactions. To renew through the mail, enclose a self-addressed stamped envelope with a check and the renewal notice. Registrations which are not simple renewals such as new vehicles, transfers or ownership changes must be completed in person at the Town Clerk’s office. Our office hours are M-F 8:00 a.m. to 1:00 p.m. and 1:30 p.m. to 4:00 p.m.

Dogs must be licensed by April 30<sup>th</sup> of each year (RSA 466:1). Pelham currently has 2500 licensed dogs. A late fee of \$1 per month is charged beginning June 1<sup>st</sup> for each unlicensed dog. Any dog still unlicensed after June 20<sup>th</sup> will be issued a civil forfeiture fine of \$25.00 in accordance with RSA 466:13.

Property taxes are issued semi-annually and are due in July and December. Online payment options include ACH and Credit Card. At the counter we accept cash, check or credit cards.

The Deputy Town Clerk/Tax Collector, Linda Newcomb, Kelly Salois and Regina Malloy continue to provide outstanding service for our residents. Their vast

knowledge that is required of the motor vehicle procedures, tax collection and of the New Hampshire laws that pertain to our office can sometimes be overwhelming; but these employees are highly appreciated for their dedication and friendliness to serving the public, accuracy and hard work which helps to make the department a success. It is a great team effort and I cannot thank them enough for all that they do.

Respectfully Submitted,

Dorothy A. Marsden

**TOWN WARRANT ARTICLES**

**Article 2**

Are you in favor of adopting Amendment No. 1 as proposed by the Planning Board for the Town of Pelham to change Pelham Zoning Article XII Special Exceptions to allow Accessory Dwelling Units (ADUs) to be a maximum of 1,000 square feet (increased from 800 square feet), and to eliminate the common wall requirement. ADUs shall not be allowed on lots of less than one acre unless the lots are within an approved Conservation Subdivision or within the Mixed-Use Zoning District where the Planning Board has approved smaller lots under their authority over Inclusive Land Use projects. Detached ADUs will be allowed when the Planning Board approves them with a conditional use permit after verifying the lot is at least 1.6 acres in size with a minimum of 45,000 square feet of contiguous non-wetland soils. The Planning Board will have the authority to determine the placement of a detached ADU within the property. (Recommended by the Planning Board).

1996 YES

931 NO

**Article 3**

Are you in favor of adopting Amendment No. 2 as proposed by the Planning Board for the Town of Pelham to replace in its entirety, the existing Mill Discharge and Connector Ordinance (DOE Article VIII-1) with a revised DDF ordinance that will comply with the Federal Environmental Protection Agency (EPA) mandate to control storm water runoff and its negative impacts to drinking water, ecosystems and wildlife. The proposed amendment clearly defines what are acceptable water discharges and those that are defined as high discharges and how the Town can regulate and enforce any high discharges. (Recommended by the Planning Board).

2390YES

545 NO

**TURN BALLOT OVER AND CONTINUE VOTING**

**Article 4**

Are you in favor of repealing, in its entirety, Pelham Zoning Ordinance Article XV, Residential Conservation Subdivision by Special Permit as proposed by citizen petition? The effect of the repeal would be to eliminate the building of subdivisions that would allow "cluster" style developments where houses are built closer together (on less than the required 1 acre of property) in exchange for open space and. (Not recommended by the Planning Board).

1503 YES   
1452 NO

**Article 5**

Are you in favor of repealing, in its entirety, as proposed by citizen petition, the ordinance that was created by Article 3 of the 2019 Town Warrant passed at the March 2019 Town Meeting. Are you in favor of the adoption of Amendment No. 2 as proposed by Citizen's Petition for the Town of Pelham Zoning Ordinance as follows: This amendment would modify Article IV, Section 307-16(A); Article V, Section 307-18 Table of Permitted Uses; and Article V-F Mixed-Use Overlay District as follows: The raising and keeping of livestock, excluding poultry, may be conducted as an accessory use of a principal Residential or Mixed-Use Overlay District property of at least (3) acres and shall be clearly incidental and subordinate to the use of the lot for its principal purpose. Structures and enclosures used in conjunction with the raising and keeping of livestock shall be a minimum fifty (50) feet from any property line and shall comply with the best practices as identified by the UNH Cooperative Extension's housing and space guidelines for livestock. At no time shall a nuisance be created as to sight, sound, smell, or any other means that may interfere with nearby property owners rights and enjoyment of their properties. A yes vote would remove the language from the Town of Pelham's Zoning Ordinance. (Recommended by Planning Board).

2127 YES   
847 NO

**Article 6**

Shall the Town vote to approve cost items included in the five (5) year collective bargaining agreement ratified by the Board of Selectmen and the Professional Firefighters of Pelham, The International Association of Fire Fighters, Local 4546, which calls for the following increases and benefits and to further raise and appropriate the sum of \$118,704 to fund the first year of this agreement; such sum representing the additional costs attributable to the increase in salaries and benefits required by the new agreement over those that would be paid at current staffing levels? This is a Special Warrant article. (Recommended by the Selectmen) (Recommended by the Budget Committee)

Year	Cost	Accumulated Cost
2020	\$118,704	\$118,704
2021	\$54,725	\$173,429
2022	\$57,139	\$230,568
2023	\$58,771	\$289,339
2024*	\$75,976	\$365,315

\* includes 3 months of 2025  
2078 YES   
902 NO

**Article 7**

Shall the Town vote to raise and appropriate as an operating budget, not including appropriations by special warrants, and other appropriations voted separately the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth herein totaling Seventeen Million, Seven-Hundred and Thirteen Thousand, Four Hundred and Sixty-one Dollars (\$17,713,461)? Should this article be deleted, the default budget shall be Seventeen Million, Three-Hundred and Forty Thousand, Three-Hundred and Ninety-one Dollars (\$17,340,391) which is the same as last year with certain adjustments required by previous action of the Town or by law; or the governing body may hold one special meeting in accordance with RSA 40:13, X and XVI to take up the issue of a revised operating budget only. (Recommended by the Selectmen) (Recommended by the Budget Committee)

1864 YES   
1061 NO

**Article 8**

Shall the Town vote to raise and appropriate the sum of six-hundred and thirty-thousand dollars (\$630,000) for the purpose of purchasing a new Marion Fire Apparatus (Fire Truck) to replace the current Engine 1. The current Engine 1 is Twenty-Four years old and beyond its end of life use with anticipated significant ongoing repair expenses in the future. This sum to come from the unassigned fund balance. No Money to be raised by taxation. (Recommended by the Selectmen) (Recommended by the Budget Committee)

2390 YES   
1594 NO

**Article 9**

Shall the Town vote to raise and appropriate the sum of One Hundred-Thousand Dollars (\$100,000) to be placed into the Highway Department Maintenance Capital Reserve Fund previously established for the purpose of constructing a highway maintenance facility to house office and equipment (with the Board of Selectmen having been named as agents to expend, authorizing expenditures following one public hearing); (Recommended by the Selectmen) (Recommended by the Budget Committee)

2077 YES   
876 NO

**Article 10**

Shall the Town vote to raise and appropriate the sum of Three Hundred Thirty-Five Thousand, One Hundred Eighty-Five Dollars (\$338,185) for repair, maintenance, purchase of equipment and upgrading of Town roads, to be offset by the State Highway Grant? This will be a non-lapsing account per RSA 27:7, V. No money to be raised by taxation. (Recommended by the Selectmen) (Recommended by the Budget Committee)

2710 YES   
286 NO

**Town of Pelham**  
**The State of New Hampshire**  
**2020 Town Deliberative Session**  
**Minutes**

**TOWN OF PELHAM  
DELIBERATIVE SESSION  
SHERBURNE HALL  
PELHAM MUNICIPAL BUILDING  
FEBRUARY 4, 2020**

The Town Moderator, Philip Currier, opened the Deliberative Session of the 2020 Town Meeting at 7:00 p.m. at the Sherburne Hall in the Pelham Municipal Building on Tuesday, February 4, 2020. He then introduced Assistant Moderator, Jim Hogan; Selectman Chairman, William McDevitt; Selectmen Hal Lynde, Heather Forde, Kevin Cote; Town Administrator, Brian McCarthy; Town Clerk, Dorothy Marsden; Deputy Town Clerk, Linda Newcomb; Budget Committee Chairman, Dave Cronin; Budget Committee Vice Chairman, Amber Capone; Town Accountant, Jean Olson and Town Counsel, John Ratigan. He then asked William McDevitt to lead in the Pledge of Allegiance. He then explained that this Session shall consist of explanation, discussion and debate of warrant articles numbered 6 through 17. Articles 2 through 5 are Zoning Articles and cannot be discussed or amended this evening. The Planning Board held public hearings previously to discuss these Articles. He explained that warrant articles 6 through 17 may be amended subject to the following limitations: (a) warrant articles, the wording of which is prescribed by law shall not be amended and (b) warrant articles that are amended shall be placed on the official ballot for a final vote on the main motion, as amended. The second session of our Annual Town Meeting will be held at Pelham High School, 85 Marsh Road, on Tuesday, March 10, 2020 between the hours of 7:00 a.m. and 8:00 p.m. Town Moderator, Philip Currier then called the meeting to order.

Selectman, William McDevitt made an amendment to remove on Article 1 (Election of Officers) the Election of one (1) Cemetery Trustee for a term of two (2) years. The reason being is that with the passing of Cemetery Trustee, Walter Kosik, it left a vacancy which needs to be filled by appointment by the Board of Selectmen. The amendment was adopted.

**Article 2**

Are you in favor of adopting Amendment No. 1 as proposed by the Planning Board for the Town of Pelham to change Pelham Zoning Article XII *Special Exceptions* to allow Accessory Dwelling Units (ADUs) to be a maximum of 1,000 square feet (increased from 800 square feet), and to eliminate the common wall requirement. ADUs shall not be allowed on lots of less than one acre unless the lots are within an approved Conservation Subdivision or within the Mixed-Use Zoning District where the Planning Board has approved smaller lots under their authority over Innovative Land Use projects. Detached ADUs will be allowed when the Planning Board approves them with a conditional use permit after verifying the lot is at least 1.5 acres in size with a minimum of 45,000 square feet of contiguous non-wetland soils. The Planning Board will have the authority to determine the placement of a detached ADU within the property. (Recommended by the Planning Board).

**Article 3**

Are you in favor of adopting Amendment No. 2 as proposed by the Planning Board for the Town of Pelham to replace in its entirety, the existing Illicit Discharge and Connection Ordinance (IDDE Article VIII-I) with a revised IDDE ordinance that will comply with the Federal Environmental Protection Agency (EPA) mandate to control storm water runoff and its negative impacts to drinking water, ecosystems and wildlife. The proposed amendment clearly defines what are acceptable water discharges and those that are defined as illicit discharges and how the Town can regulate and enforce any illicit discharges.

(Recommended by the Planning Board).

**Article 4**

Are you in favor of repealing, in its entirety, Pelham Zoning Ordinance Article XV, Residential Conservation Subdivision by Special Permit as proposed by citizen petition? The effect of the repeal would be to eliminate the building of subdivisions that would allow “cluster” style developments where houses are built closer together (on less than the required 1 acre of property) in exchange for open space land.

(Not recommended by the Planning Board).

**Article 5**

Are you in favor of repealing, in its entirety, as proposed by citizen petition, the ordinance that was created by Article 3 of the 2019 Town Warrant, passed at the March 2019 Town election stating, “Are you in favor of the adoption of Amendment No. 2 as proposed by Citizen’s Petition for the Town of Pelham Zoning ordinance as follows: this amendment would modify, Article IV, Section 307-16(A); Article V, Section 307-18 Table of Permitted uses; and Article V-1 Mixed-Use Overlay District as follows: The raising and keeping of livestock, excluding poultry, may be conducted as an accessory use of a principal Residential or Mixed-Use Overlay District property of at least (3) acres and shall be clearly incidental and subordinate to the use of the lot for its principal purpose. Structures and enclosures used in conjunction with the raising and keeping of livestock shall be a minimum fifty (50) feet from any property line and shall comply with the best practices as identified by the UNH Cooperative Extension’s housing and space guidelines for livestock. At no time shall a nuisance be created as to sight, sound, smell, or any other impact that may interfere with nearby property owners’ rights and enjoyment of their properties. A yes vote would remove this language from the Town of Pelham’s Zoning Ordinance.

(Recommended by Planning Board).

**Article 6**

Shall the Town vote to approve cost items included in the five (5) year collective bargaining agreement ratified by the Board of Selectmen and the Professional Firefighters of Pelham, The International Association of Fire Fighters, Local 4546, which calls for the following increases and benefits and to further raise and appropriate the sum of \$118,704 to fund the first year of this agreement, such sum representing the additional costs attributable to the increase in salaries and benefits required by the new agreement over those that would be paid at current staffing levels? This is a Special Warrant article. (Recommended by the Selectmen) (Recommended by the Budget Committee).

<u>Year</u>	<u>Cost</u>	<u>Accumulated Cost</u>
2020	\$118,704	\$118,704
2021	\$54,726	\$173,431
2022	\$57,139	\$230,570
2023	\$58,771	\$289,341
2024*	\$75,976	\$365,318

\*includes 3 months of 2025

The Moderator, Philip Currier, declared Article 6 will appear on the Official Ballot as read.

A motion was made and seconded to Restrict Reconsideration on Article 6.

**Article 7**

Shall the Town vote to raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth herein totaling Seventeen Million, Seven-Hundred and Thirteen Thousand, Four Hundred and Sixty-one Dollars (\$17,713,461)? Should this article be defeated, the default budget shall be Seventeen Million, Three-Hundred and Forty Thousand, Three-Hundred and Ninety-one Dollars (\$17,340,391) which is the same as last year with certain adjustments required by previous action of the Town or by law; or the governing body may hold one special meeting in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.

(Recommended by the Selectmen) (Recommended by the Budget Committee).

The Moderator, Philip Currier, declared Article 7 will appear on the Official Ballot as read.

A motion was made and seconded to Restrict Reconsideration on Article 7.

**Article 8**

Shall the Town vote to raise and appropriate the sum of six-hundred and Thirty-thousand dollars (\$630,000) for the purpose of purchasing a new Marion Fire Apparatus (Fire Truck) to replace the current Engine 1. The current Engine 1 is Twenty-Four years old and beyond its end of life use with anticipated significant ongoing repair expenses in the future. This sum to come from the unassigned fund balance. No Money to be raised by taxation. (Recommended by the Selectmen) (Recommended by the Budget Committee).

The Moderator, Philip Currier, declared Article 8 will appear on the Official Ballot as read.

A motion was made by William McDevitt and seconded to Restrict Reconsideration on Article 8.

**Article 9**

Shall the Town vote to raise and appropriate the sum of One Hundred-Thousand Dollars (\$100,000) to be placed into the Highway Department Maintenance Capital Reserve Fund previously established for the purpose of constructing a highway maintenance facility to house office and equipment (with the Board of Selectmen having been named as agents to expend, authorizing expenditures following one public hearing.)

(Recommended by the Selectmen) (Recommended by the Budget Committee).

The Moderator, Philip Currier, declared Article 9 will appear on the Official Ballot as read.

**Article 10**

Shall the Town vote to raise and appropriate the sum of Three Hundred Thirty- Six Thousand, One Hundred Eighty-Five Dollars (\$336,185) for repair, maintenance, purchase of equipment and upgrading of Town roads, to be offset by the State Highway Grant? This will be a non-lapsing account per RSA 32:7, IV. No money to be raised by taxation. (Recommended by the Selectmen) (Recommended by the Budget Committee).

The Moderator, Philip Currier, declared Article 10 will appear on the Official Ballot as read.

A motion was made by William McDevitt and seconded to Restrict Reconsideration on Articles 9 and 10.

The Assistant Town Moderator, Jim Hogan took over for the following Warrant Articles.

**Article 11**

Shall the Town vote to re-designate the following wetland systems as prime wetlands as authorized by RSA 482-A:15. These were designated as prime wetlands in 1987 but the boundaries have been re-mapped using modern, GPS technology hence must be re-designated. There is no tax impact. This is a special warrant article (Recommended by the Conservation Commission) (Recommended by the Selectmen).

NAME	ACRES (1987)	ACRES (2019)
Lower Golden Brook	72.7	98.8
Upper Golden Brook	85.3	64
Camp Runels	38.0	32.1
Dunlop	79.5	88
Cranberry Bog	16.7	20.9
Mountain Orchard	28.2	21.3
Harris Brook	14.2	29.6
total	334.6	354.7

The Assistant Town Moderator, Jim Hogan, declared Article 11 will appear on the Official Ballot as read.

**Article 12**

Shall the Town vote to re-designate the following wetland systems as prime wetlands as authorized by RSA 482-A:15. These were designated as prime wetlands in 2000 but the boundaries have been re-mapped using modern, GPS technology hence must be re-designated. There is no tax impact. This is a special warrant article (Recommended by the Conservation Commission) (Recommended by the Selectmen).

NAME	ACRES (2000)	ACRES (2019)
Little Island Pond	24.6	26.9
St. Patricks	16.1	14.5
Sherburne Road Bog	2.4	3.7
Sherburne Road Open Water	17.7	19.7
total	60.8	64.8

The Assistant Moderator, Jim Hogan, declared Article 12 will appear on the Official Ballot as read.

**Article 13**

Shall the Town vote to establish the Merriam Farm Town Forest pursuant to RSA 31:110-113 – Map 39 Lot 6-181- totaling approximately 46.52 acres? No Tax impact. (Recommended by the Selectmen).

The Assistant Moderator, Jim Hogan, declared Article 13 will appear on the Official Ballot as read.

A motion was made and seconded to Restrict Reconsideration on Articles 11, 12 and 13.

**Article 14**

Shall the Town vote to modify the current Exemption with a new Elderly Exemption from property tax as authorized by RSA 72:39-a in the Town of Pelham, based on assessed value, for qualified taxpayers as follows: For a person 65 years of age up to and including 74 years of age, \$78,400; for persons 75 up to and including 79 years of age, \$112,000, and for persons 80 years of age and over, \$145,000. To qualify, the person must meet the requirements of State Law as designated in RSA 72:39-a and 72:39-b. In addition, a qualified taxpayer must have a new annual income of not more than \$35,000 if single, or if married, a combined net annual income of not more than \$45,000 and own assets, excluding the value of the person’s residence, of not more than \$130,000. (Recommended by the Selectmen).

Attorney, John Ratigan spoke saying that there was a typo on the word new on the sixth line. It should say net. Selectmen, William McDevitt made an amendment to change the word new to net. The amendment was adopted.

The Assistant Moderator, Jim Hogan, declared Article 14 will appear, as amended, on the Official Ballot as read.

A motion was made by Amber Capone and seconded to Restrict Reconsideration on Article 14.

**Article 15**

Shall the Town vote to allow the operation of sports book retail locations within the Town of Pelham in accordance with the lawful requirements of the statutes and regulations? (Recommended by the Selectmen).

The Assistant Moderator, Jim Hogan, declared Article 15 will appear on the Official Ballot as read.

**Article 16**

Shall the town vote to establish an Agricultural Commission as is authorized by N.H. RSA Section 674:44-e, 673:1-II, and NH RSA Section 673:4-b. The purpose of this Commission is as an Advisory Role to the town and it will recognize, educate, promote, protect and encourage agriculture and agricultural resources throughout the Town. The Agricultural Commission shall consist of five (5) full time members and five (5) alternate members, appointed through the Board of Selectman. Members must be Pelham residents. Initial terms will be appointed for 1, 2, and 3 years and shall thereafter be appointed to 3-year terms. (Recommended by the Selectmen).

The Assistant Town Moderator, Jim Hogan, declared Article 16 will appear on the Official Ballot as read.

A motion was made and seconded to Restrict Reconsideration on Articles 15 & 16.

Town Moderator, Philip Currier, took over for the last Warrant Article.

**Article 17**

Shall the Town vote to authorize the Board of Selectmen to lease space on Town owned structures for the purpose of installing solar panel arrays, for a term not to exceed 30 years (Majority vote required). (Recommended by the Selectmen).

The Moderator, Philip Currier, declared Article 17 will appear on the Official Ballot as read.

A motion was made and seconded to Restrict Reconsideration on Article 17.

Selectman, Heather Forde sincerely thanked Selectmen William McDevitt and Doug Viger for all their service to the Town.

The Deliberative Session was adjourned at 7:30 p.m.

Respectfully Submitted,

Dorothy A. Marsden

Town Clerk

New Hampshire  
Department of  
Revenue Administration

October 20, 2020

Mr. Brian McCarthy  
Town Administrator  
Town of Pelham  
6 Village Green  
Pelham, NH 03076

Dear Mr. McCarthy:

During the course of our 2019 audit we identified certain areas where improvements and/or efficiencies could be made that were not included in the formal management letter. The following summarizes these issues very briefly:

**Town Accountant**

- The budgeted amounts for expenditures per the general ledger should agree with the final amounts on the MS-232-R and MS-434-R.
- Letters should be sent to all local banks requesting a list of all accounts in the Town's Employee Identification Number (EIN).
- Tax transactions should be recorded in the general ledger at their gross amounts and different types of transactions should be identified specifically when they are posted.
- Tax transactions should be recorded in the general ledger at their gross amounts and different types of transactions should be identified specifically when they are posted.
- Internal audits of departmental receipts should be performed on an annual basis.
- The general ledger cash balances for the Planning Escrows and Road Bonds should be reconciled to the offsetting general ledger liability balances to ensure they agree.

**Treasurer**

- Monthly cash reconciliations with the general ledger should be signed by a preparer and a reviewer.

---

Nashua, New Hampshire  
Manchester, New Hampshire  
Andover, Massachusetts  
Greenfield, Massachusetts  
Ellsworth, Maine

800.282.2440 | melansoncpas.com

- Variances on monthly cash reconciliations of general ledger cash balances to reconciled bank balances should be researched and resolved.

**Other**

- The Town should formalize technology controls by establishing a written backup and data retention policy/schedule.
- Inactive special revenue funds should be researched and closed.
- During testing of library expenditures, it was noted that 4 of the 5 selections were missing approval. We recommend all expenditures be formally approved prior to payment.
- A detailed list of outstanding welfare liens should be maintained to support the welfare lien accounts receivable balance on the general ledger.
- The Finance Department should provide revenue budget versus actual reports to the Board of Selectmen on a quarterly basis.
- Revenues and expenditures should be recorded to the general ledger at their gross amounts, instead of netting them together.

We encourage the Town to implement these recommendations in order to improve controls and efficiencies. I will be available to discuss these with you in more detail at your convenience.

Sincerely,

Scott McIntire, CPA  
Principal

## INDEPENDENT AUDITORS' REPORT

To the Board of Selectmen  
Town of Pelham, New Hampshire

### Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the major fund, and the aggregate remaining fund information of the Town of Pelham, New Hampshire, as of and for the year ended December 31, 2019, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the Table of Contents.

### Management's Responsibility for the Financial Statements

The Town's management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the

Ellsworth, Maine

800.282.2440 | [melansoncpa.com](http://melansoncpa.com)

reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

**Opinions**

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the major fund, and the aggregate remaining fund information of the Town of Pelham, New Hampshire, as of December 31, 2019, and the respective changes in financial position and the respective budgetary comparison for the general fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

**Other Matters**

*Required Supplementary Information*

Accounting principles generally accepted in the United States of America require that Management's Discussion and Analysis and certain Pension and OPEB schedules be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with evidence sufficient to express an opinion or provide any assurance.

Nashua, New Hampshire  
October 20, 2020

## MANAGEMENT'S DISCUSSION AND ANALYSIS

As management of the Town of Pelham, New Hampshire (the Town), we offer readers this narrative overview and analysis of the Town's financial activities for the year ended December 31, 2019.

### Overview of the Financial Statements

This discussion and analysis is intended to serve as an introduction to the basic financial statements. The basic financial statements comprise three components: (1) government-wide financial statements, (2) fund financial statements, and (3) notes to financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves.

#### *Government-Wide Financial Statements*

The government-wide financial statements are designed to provide readers with a broad overview of our finances in a manner similar to a private-sector business.

The Statement of Net Position presents information on all assets, liabilities, and deferred outflows/inflows of resources, with the difference reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position is improving or deteriorating.

The Statement of Activities presents information showing how the Town's net position changed during the most recent year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future periods (e.g., uncollected taxes and earned but unused vacation leave).

The governmental activities include general government, public safety, highways and streets, sanitation, health, welfare, culture and recreation, conservation, and debt service.

#### *Fund Financial Statements*

A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. Fund accounting is used to ensure and demonstrate compliance with finance-related legal requirements. All of the funds can be divided into two categories: governmental funds and fiduciary funds.

#### *Governmental Funds*

Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable

resources available at the end of the year. Such information may be useful in evaluating a government's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the Governmental Funds Balance Sheet and the Governmental Funds Statement of Revenues, Expenditures and Changes in Fund Balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

An annual appropriated budget is adopted for the general fund. A budgetary comparison statement has been provided for the general fund to demonstrate compliance with this budget.

#### ***Fiduciary Funds***

Fiduciary funds are used to account for resources held for the benefit of parties outside the government. Fiduciary funds are not reflected in the government-wide financial statements because the resources of those funds are not available to support the Town's own programs.

#### ***Notes to Financial Statements***

The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

#### ***Other Information***

In addition to the basic financial statements and accompanying notes, this report also presents certain required supplementary information which is required to be disclosed by accounting principles generally accepted in the United States of America.

#### **Financial Highlights**

- As of the close of the current year, the total of assets and deferred outflows exceeded liabilities and deferred inflows by \$23,848,784 (i.e., net position), a change of \$(31,532) in comparison to the prior year.
- As of the close of the current year, governmental funds reported combined ending fund balances of \$10,721,724, a change of \$(625,891) in comparison to the prior year.
- At the end of the current year, unassigned fund balance for the general fund was \$5,410,510, a change of \$(39,529) in comparison to the prior year.

### Government-Wide Financial Analysis

The following is a summary of condensed government-wide financial data for the current and prior years.

	NET POSITION	
	Governmental Activities	
	2019	2018
Current and other assets	\$ 24,468,007	\$ 24,229,250
Capital assets	30,725,485	30,015,266
Total assets	55,193,492	54,244,516
Deferred outflows of resources	1,894,068	1,858,277
Current liabilities	13,642,727	12,743,304
Noncurrent liabilities	19,034,497	18,747,854
Total liabilities	32,677,224	31,491,158
Deferred inflows of resources	561,552	732,319
Net investment in capital assets	28,329,047	26,915,316
Restricted	3,137,597	2,614,813
Unrestricted	(7,617,860)	(5,649,813)
Total net position	\$ 23,848,784	\$ 23,880,316

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. At the close of the most recent year, total net position was \$23,848,784, a change of \$(31,532) in comparison to the prior year.

The largest portion of net position \$28,329,047 reflects our investment in capital assets (e.g., land, construction in progress, buildings and improvements, vehicles, machinery, and equipment, and infrastructure), less any related debt used to acquire those assets that is still outstanding. These capital assets are used to provide services to citizens; consequently, these assets are not available for future spending. Although the investment in capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

An additional portion of net position \$3,137,597, represents resources that are subject to external restrictions on how they may be used. The remaining balance of unrestricted net position reflects a deficit of \$(7,617,860), primarily resulting from the Town's unfunded net pension and OPEB liabilities.

**CHANGES IN NET POSITION**

	Governmental <u>Activities</u>	
	<u>2019</u>	<u>2018</u>
Revenues:		
Program revenues:		
Charges for services	\$ 1,146,841	\$ 1,318,098
Operating grants and contributions	795,405	529,625
Capital grants and contributions	375,513	1,241,745
General revenues:		
Property taxes	10,251,158	11,211,363
Interest, penalties and other taxes	215,133	222,172
Motor vehicle permit fees	3,466,919	3,362,674
Grants and contributions not restricted to specific programs	701,209	691,742
Capital contributions	-	156,900
Investment income	553,707	110,783
Miscellaneous	1,671	120,634
Total revenues	<u>17,507,556</u>	<u>18,965,736</u>
Expenses:		
General government	7,028,067	5,972,733
Public safety	5,814,333	5,280,537
Highways and streets	2,305,577	2,213,896
Sanitation	677,941	720,400
Health	122,444	102,925
Welfare	25,208	38,409
Culture and recreation	1,423,931	1,346,253
Conservation	34,799	47,238
Debt service	106,788	114,430
Total expenses	<u>17,539,088</u>	<u>15,836,821</u>
Change in net position	(31,532)	3,128,915
Net position - beginning of year	<u>23,880,316</u>	<u>20,751,401</u>
Net position - end of year	<u>\$ 23,848,784</u>	<u>\$ 23,880,316</u>

### **Governmental Activities**

Governmental activities for the year resulted in a change in net position of \$(31,532). Key elements of this change are as follows:

General fund operations	\$ 226,397
Nonmajor funds change in fund balance	(852,288)
Road improvements	2,074,825
Building improvements	359,251
Various machinery and equipment purchases	266,278
Depreciation expense in excess of principal debt service	(1,308,015)
Change in deferred revenue	(85,672)
Change in total OPEB liability and related deferred inflows/outflows	(270,229)
Change in net pension liability and related deferred inflows/outflows	(418,752)
Other	(23,327)
Total	<u>\$ (31,532)</u>

### **Financial Analysis of Funds**

As noted earlier, fund accounting is used to ensure and demonstrate compliance with finance-related legal requirements.

#### **Governmental Funds**

The focus of governmental funds is to provide information on near-term inflows, outflows and balances of spendable resources. Such information is useful in assessing financing requirements. In particular, unassigned fund balance may serve as a useful measure of a government's net resources available for spending at the end of the year.

As of the end of the current year, governmental funds reported combined ending fund balances of \$10,721,724, a change of \$(625,891) in comparison to the prior year. Key elements of this change are as follows:

General fund operations, as discussed further below	\$ 226,397
Nonmajor funds change in fund balance	<u>(852,288)</u>
Total	<u>\$ (625,891)</u>

The general fund is the chief operating fund. At the end of the current year, unassigned fund balance of the general fund was \$5,410,510, while total fund balance was \$8,168,364. As a measure of the general fund's liquidity, it may be useful to compare both unassigned fund balance and total fund balance to total general fund expenditures. Refer to the table below.

<u>General Fund</u>	<u>12/31/19</u>	<u>12/31/18</u>	<u>Change</u>	<u>% of Total General Fund Expenditures</u>
Unassigned fund balance	\$ 5,410,510	\$ 5,450,039	\$ (39,529)	33.7%
Total fund balance	\$ 8,168,364	\$ 7,941,967	\$ 226,397	50.9%

The total fund balance of the general fund changed by \$226,397 during the current year. Key factors in this change are as follows:

Local revenues in excess of budget	\$ 534,775
Expenditures less than budget	968,346
Use of fund balance as a funding source	(1,850,364)
Change in carryforwards	160,331
Change in capital reserves	303,214
Other	110,095
<b>Total</b>	<b>\$ 226,397</b>

Included in the total general fund balance is the Town's capital reserve account with the following balance:

	<u>12/31/19</u>	<u>12/31/18</u>	<u>Change</u>
Capital reserve funds	\$ 834,964	\$ 531,750	\$ 303,214

### **General Fund Budgetary Highlights**

There was no difference between the Town's original and final budget in 2019.

### **Capital Asset and Debt Administration**

#### **Capital Assets**

Total investment in capital assets for governmental activities at year end amounted to \$30,725,485 (net of accumulated depreciation). This investment in capital assets includes land, construction in progress, buildings and improvements, vehicles, machinery and equipment, and infrastructure.

Major capital asset events during the current year included the following:

- \$681,233 for various road infrastructure improvements.
- \$266,178 for various vehicles, machinery and equipment.
- \$1,414,984 for land and projects in process, including the Willow Street Bridge and the purchase of conservation land.

- \$359,251 for various building improvements, including a new roof at Town Hall.
- \$2,012,527 for current year depreciation expense.

**Long-Term Debt**

At the end of the current year, total bonded debt outstanding was \$1,605,000, all of which was backed by the full faith and credit of the government. In addition, total capital lease obligations outstanding at the end of the current year were \$791,438.

Additional information on capital assets and long-term debt can be found in the Notes to Financial Statements.

**Requests for Information**

This financial report is designed to provide a general overview of the Town of Pelham's finances for all those with an interest in the government's finances. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to:

## TOWN OF PELHAM, NEW HAMPSHIRE

 Reconciliation of the Statement of Revenues,  
 Expenditures, and Changes In Fund Balances of  
 Governmental Funds to the Statement of Activities

For the Year Ended December 31, 2019

<b>Net changes in fund balances - total governmental funds</b>	\$ (625,891)
<p>Governmental funds report capital outlays as expenditures. However, in the Statement of Activities the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense:</p>	
Capital outlay	2,721,746
Depreciation	(2,012,527)
<p>The issuance of long-term debt (e.g., bonds) provides current financial resources to governmental funds, while the repayment of the principal portion of long-term debt consumes the financial resources of governmental funds. Neither transaction, however, has any effect on net position:</p>	
Repayments of debt	704,512
<p>Revenues in the Statement of Activities that do not provide current financial resources are fully deferred in the Statement of Revenues, Expenditures and Changes in Fund Balances. Therefore, the recognition of revenue for various types of accounts receivable (i.e., real estate and land use change taxes) differ between the two statements. This amount represents the net change in deferred revenue.</p>	
	(85,672)
<p>Some expenses reported in the Statement of Activities do not require the use of current financial resources and, therefore, are not reported as expenditures in the governmental funds:</p>	
Net pension liability and related deferred outflows and inflows of resources	(418,752)
Net OPEB liability and related deferred outflows and inflows of resources	(270,229)
Other differences.	<u>(44,719)</u>
<b>Change in net position of governmental activities</b>	<u>\$ (31,532)</u>

The accompanying notes are an integral part of these financial statements.

**TOWN OF PELHAM, NEW HAMPSHIRE**

**Notes to Financial Statements**

**1. Summary of Significant Accounting Policies**

The accounting policies of the Town of Pelham, New Hampshire (the Town) conform to generally accepted accounting principles (GAAP) as applicable to governmental units. The following is a summary of the more significant policies:

***Reporting Entity***

The Town is a municipal corporation governed by an elected Board of Selectmen. As required by generally accepted accounting principles, these financial statements present the government and applicable component units for which the government is considered to be financially accountable. In year 2019, it was determined that no entities met the required GASB 14 (as amended) criteria of component units.

***Government-Wide and Fund Financial Statements***

***Government-Wide Financial Statements***

The government-wide financial statements (i.e., the Statement of Net Position and the Statement of Activities) report information on all of the nonfiduciary activities of the primary government. For the most part, the effect of interfund activity has been removed from these statements.

The Statement of Activities demonstrates the degree to which the direct expenses of a given function or segment is offset by program revenues. *Direct expenses* are those that are clearly identifiable with a specific function or segment. Program revenues include (1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment and (2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported instead as *general revenues*.

***Fund Financial Statements***

Separate financial statements are provided for governmental funds and fiduciary funds, even though the latter are excluded from the government-wide financial statements. Major individual governmental funds are reported as separate columns in the fund financial statements.

***Measurement Focus, Basis of Accounting, and Financial Statement Presentation***

***Government-Wide Financial Statements***

The government-wide financial statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting*. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related

cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met. As a general rule, the effect of interfund activity has been eliminated from the government-wide financial statements.

Amounts reported as *program revenues* include (1) charges to customers or applicants for goods, services, or privileges provided, (2) operating grants and contributions, and (3) capital grants and contributions, including special assessments. Internally dedicated resources are reported as *general revenues* rather than as program revenues. Likewise, general revenues include all taxes and motor vehicle registration fees.

#### *Fund Financial Statements*

Governmental fund financial statements are reported using the *current financial resources measurement focus* and the *modified accrual basis of accounting*. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the Town considers property tax revenues to be available if they are collected within 60 days of the end of the current period. All other revenue items are considered to be measurable and available only when cash is received by the government. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, certain expenditures such as debt service, claims and judgments, compensated absences, OPEB, and pension are recorded only when payment is due.

The Town reports the following major governmental fund:

- The *general fund* is the government's primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund.

The fiduciary fund financial statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting*. Under this method, revenues are recognized when earned and expenses are recorded when liabilities are incurred.

The Town reports the following fiduciary funds:

- The *agency funds* account for fiduciary assets held by the Town in a custodial capacity as an agent on behalf of others. Agency funds report only assets and liabilities, and therefore, have no measurement focus.

#### *Cash and Short-Term Investments*

Cash balances from all funds, except those required to be segregated by law, are combined to form a consolidation of cash. Cash balances are invested to the extent available, and

interest earnings are recognized in the general fund. Certain special revenue, trust, and fiduciary funds segregate cash and investment earnings become a part of those funds.

Deposits with financial institutions consist primarily of demand deposits and savings accounts. A cash and investment pool is maintained that is available for use by all funds. Each fund's portion of this pool is reflected on the combined financial statements under the caption "cash and short-term investments". The interest earnings attributable to each fund type are included under investment income.

***Investments***

State and local statutes place certain limitations on the nature of deposits and investments available. Deposits in any financial institution may not exceed certain levels within the financial institution. Non-fiduciary fund investments can be made in securities issued by or unconditionally guaranteed by the U.S. Government or agencies that have a maturity of one year or less from the date of purchase and repurchase agreements guaranteed by such securities with maturity dates of no more than 90 days from the date of purchase.

Investments managed by the Town Treasurer consist of bank certificates of deposit that are fully protected by FDIC insurance.

Investments managed by the Trustees of Trust Funds consist of various fixed income and equity mutual funds. Investments are reported at fair value except certificates of deposit which are reported at cost.

***Interfund Receivables and Payables***

Transactions between funds that are representative of lending/borrowing arrangements outstanding at the end of the year are referred to as "due from/to other funds" (i.e., the current portion of interfund loans).

***Inventories***

The Town maintains nominal gasoline and diesel fuel inventories that are reported with other current assets in the government-wide Statement of Net Position and governmental funds Balance Sheet. Inventories are valued at cost using the first-in/first-out (FIFO) method.

***Capital Assets***

Capital assets, which include property, plant, equipment, and infrastructure assets, are reported in the governmental activities column in the government-wide financial statements. Capital assets are defined by the Town as assets with an initial individual cost of more than \$5,000 and an estimated useful life in excess of one year. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at acquisition value at the date of donation.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend assets lives are not capitalized.

Major outlays for capital assets and improvements are capitalized as projects are constructed.

Capital assets are depreciated using the straight-line method over the following estimated useful lives:

<u>Assets</u>	<u>Years</u>
Buildings and improvements	10 - 40
Vehicles, machinery, equipment	5 - 20
Infrastructure	20 - 50

#### ***Compensated Absences***

It is the Town's policy to permit employees to accumulate earned time, a single benefit that combines absences for vacation, personal days, sick leave, and military leave. All vested earned time is accrued when incurred in the government-wide financial statements. A liability for these amounts is reported in governmental funds only if they have matured, for example, as a result of voluntary employee terminations or retirements.

#### ***Long-Term Obligations***

In the government-wide financial statements, long-term debt and other long-term obligations are reported as liabilities in the governmental activities Statement of Net Position.

#### ***Fund Equity***

Fund equity at the governmental fund financial reporting level is classified as "fund balance". Fund equity for all other reporting is classified as "net position".

#### ***Fund Balance***

Generally, fund balance represents the difference between current assets/deferred outflows and current liabilities/deferred inflows. The Town reserves those portions of fund balance that are legally segregated for a specific future use or which do not represent available, spendable resources and therefore, are not available for appropriation or expenditure. Unassigned fund balance indicates that portion of fund balance that is available for appropriation in future periods.

When an expenditure is incurred that would qualify for payment from multiple fund balance types, the Town uses the following order to liquidate liabilities: restricted, committed, assigned, and unassigned.

#### ***Net Position***

Net position represents the difference between assets/deferred outflows and liabilities/deferred inflows. Net investment in capital assets consists of capital assets, net

of accumulated depreciation, reduced by the outstanding balances of any borrowing used for the acquisition, construction or improvement of those assets. Net position is reported as restricted when there are limitations imposed on their use either through the enabling legislation adopted by the Town or through external restrictions imposed by creditors, grantors, or laws or regulations of other governments. The remaining net position is reported as unrestricted.

***Use of Estimates***

The preparation of basic financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures for contingent assets and liabilities at the date of the basic financial statements, and the reported amounts of the revenues and expenditures/expenses during the year. Actual results could vary from estimates that were used.

**2. Stewardship, Compliance, and Accountability**

***Budgetary Information***

The Town's budget is originally prepared by the Selectmen's Office with the cooperation of the various department heads. It is then submitted to the Budget Committee, in accordance with the Municipal Budget Law. After reviewing the budget, the Committee holds a public hearing for discussion.

The final version of the budget is then submitted for approval at the annual Town meeting. The approved budget is subsequently reported to the State of New Hampshire on the statement of appropriation form in order to establish the current property tax rate.

The Board of Selectmen cannot increase the total of the approved budget; however, they have the power to reclassify its components when necessary.

Departments are limited to their budgets as voted. Certain items may exceed the line item budget as approved if it is for an emergency and for the safety of the general public.

Formal budgetary integration is employed as a management control device during the year for the General Fund. At year end, appropriation balances lapse, except for certain unexpended capital items and encumbrances which will be honored during the subsequent year.

***Budgetary Basis***

The general fund final appropriation appearing on the "Budget and Actual" page of the fund financial statements represents the final amended budget after all transfers and supplemental appropriations.

### ***Budget/GAAP Reconciliation***

The budgetary data for the general fund is based upon accounting principles that differ from generally accepted accounting principles (GAAP). Therefore, in addition to the GAAP basis financial statements, the results of operations of the general fund are presented in accordance with budgetary accounting principles to provide a meaningful comparison with budgetary data.

The following is a summary of adjustments made to the actual revenues and other sources, and expenditures and other uses, to conform to the budgetary basis of accounting.

<u>General fund</u>	<u>Revenues</u>	<u>Expenditures</u>	<u>Other Financing Sources (Uses)</u>	<u>Total</u>
Revenues/expenditures/other financing sources/uses (GAAP basis)	\$ 16,754,559	\$ 16,045,529	\$ 13,367	\$ 226,397
Adjust property tax revenue to budgetary basis	(122,191)	-	-	(122,191)
Recognize use of fund balance as funding source	-	-	1,850,364	1,850,364
Reverse beginning of year appropriation carryforwards from expenditures	-	(659,959)	-	659,959
Add end-of-year appropriation carryforwards and related funding sources	-	820,290	-	(820,290)
To not down unspent grant funded activity	1,370,400	1,370,400	-	-
Reverse the effects of non-budgeted audit adjustments	12,096	16,633	16,633	12,096
Reverse effect of combining capital reserve funds with general fund	(17,150)	(23,930)	(300,000)	(403,214)
<b>Budgetary Basis</b>	<b>\$ 17,901,714</b>	<b>\$ 17,578,957</b>	<b>\$ 1,580,364</b>	<b>\$ 1,503,121</b>

### ***Deficit Fund Equity***

Certain individual funds reflected deficit balances as of December 31, 2019.

It is anticipated that the deficits in these funds will be eliminated through future departmental revenues, State grants, and transfers from other funds.

## **3. Cash and Investments**

### ***Custodial Credit Risk***

***Custodial Credit Risk - Deposits.*** Custodial credit risk is the risk that in the event of a bank failure, the Town's deposits may not be returned to it. RSA 48:16 limits "deposit in any one bank shall not at any time exceed the sum of its paid-up capital and surplus, exception that a Town with a population in excess of 50,000 is authorized to deposit funds in a solvent bank in excess of the paid-up capital surplus of said bank." The Town does not have a deposit policy for custodial credit risk.

As of December 31, 2019, \$258,826 of the Town's bank balance of \$21,135,322, which is in the custody of the Town Treasurer, was exposed to custodial credit risk as uninsured and/or uncollateralized.

The Town also maintains various trust and fiduciary funds managed by the Trustees of Trust Funds (Trustees). As of December 31, 2019, none of the Trustees' bank balances were exposed to custodial credit risk as uninsured and/or uncollateralized.

**4. Investments**

The following is a summary of the Town's investments as of December 31, 2019 (in thousands):

<u>Investment Type</u>	<u>Amount</u>
Certificates of deposit	\$ 1,233
Equity mutual funds	1,220
Fixed income mutual funds	<u>814</u>
Total investments	<u>\$ 3,267</u>

**Credit Risk**

Generally, credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. State law employs the prudent person rule whereby investments are made as a prudent person would be expected to act, with discretion and intelligence, to seek reasonable income, preserve capital, and, in general, avoid speculative investments.

At year end, the Town and Trustees' investments consisted of certificates of deposit, equity mutual funds, and fixed income mutual funds valued at \$3,266,546. These investments are not subject to credit risk rating.

**Custodial Credit Risk**

The custodial credit risk for investments is the risk that, in the event of the failure of the counterparty (e.g., broker-dealer) to a transaction, a government will not be able to recover the value of its investment or collateral securities that are in the possession of another party. The Town and Trustees do not have formal investment policies related to custodial credit risk.

As of December 31, 2019, all of the Town and Trustees' total investments were subject to custodial credit risk exposure because the related securities are uninsured, unregistered, and/or held by the Town and Trustees' brokerage firm, which is also the counterparty to these securities as follows (in thousands):

<u>Investment Type</u>	<u>Amount</u>	<u>Held by Counterparty's Trust or Agent</u>
Certificates of deposit	\$ 1,233	\$ 1,233
Equity mutual funds	1,220	1,220
Fixed Income mutual funds	814	814
Total	<u>\$ 3,267</u>	<u>\$ 3,267</u>

#### ***Concentration of Credit Risk***

The Town and Trustees place no limit on the amount the Town and Trustees may invest in any one issuer. The Town and Trustees do not have formal investment policies related to concentration of credit risk exposure.

Investments issued or explicitly guaranteed by the U.S. government and investments in mutual funds, external investment pools, and other pooled investments are excluded from concentration of credit disclosure. Trustees' investments in any one issuer that represents 5% or more of total investments are as follows (in thousands):

<u>Investment Issuer</u>	<u>Amount</u>	<u>% of Total Investments</u>
Business Non-Corp CD	\$ 213	7%
Doubleline Total Return Bond	254	8%
1 Shares Barclays Fund	288	9%
Delaware Value	363	11%
T Rowe Price	377	12%
Total	<u>\$ 1,495</u>	

#### ***Interest Rate Risk***

Interest rate risk is the risk that changes in market interest rates will adversely affect the fair value of an investment. Generally, the longer the maturity of an investment, the greater the sensitivity of its fair value to changes in market interest rates. The Town and Trustees do not have formal investment policies limiting investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

Information about the sensitivity of the fair values of the Town and Trustees' investments to market interest rate fluctuations is as follows (in thousands):

<u>Investment Type</u>	<u>Amount</u>	<u>Investment Maturities (in Years)</u>	
		<u>Less Than 1</u>	<u>1-5</u>
Certificates of deposit	\$ 1,233	\$ 448	\$ 785
<b>Total</b>	<b>\$ 1,233</b>	<b>\$ 448</b>	<b>\$ 785</b>

**Foreign Currency Risk**

Foreign currency risk is the risk that changes in foreign exchange rates will adversely affect the fair value of an investment. The Town and Trustees do not have formal investment policies related to foreign currency risk.

**Fair Value**

The Town and Trustees categorize its fair value measurements within the fair value hierarchy established by Governmental Accounting Standards Board Statement No. 72 *Fair Value Measurement and Application* (GASB 72).

The hierarchy is based on the valuation inputs used to measure the fair value of the asset and give the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The hierarchy categorizes the inputs to valuation techniques used for fair value measurement into three levels as follows:

- Level 1 – inputs that reflect quoted prices (unadjusted) in active markets for identical assets or liabilities that the fund has the ability to access at the measurement date.
- Level 2 – inputs other than quoted prices that are observable for an asset or liability either directly or indirectly, including inputs in markets that are not considered to be active. Because they must often be priced on the basis of transactions involving similar but not identical securities or do not trade with sufficient frequency, certain directly held securities are categorized as level 2.
- Level 3 – unobservable inputs based on the best information available, using assumptions in determining the fair value of investments and derivative instruments.

In instances where inputs used to measure fair value fall into different levels in the fair value hierarchy, fair value measurements in their entirety are categorized based on the lowest level input that is significant to the valuation.

The Town and Trustees have the following fair value measurements as of December 31, 2019 (in thousands):

Investment Type	Amount	Fair Value Measurements Using:		
		Quoted prices in active markets for identical assets (Level 1)	Significant observable inputs (Level 2)	Significant unobservable inputs (Level 3)
<b>Investments by fair value level:</b>				
Equity mutual funds	\$ 1,220	\$ 1,220	\$ -	\$ -
Fixed income mutual funds	814	814	-	-
<b>Total</b>	<b>\$ 2,034</b>			

Equity securities classified in Level 1 are valued using prices quoted in active markets for those securities.

**5. Property Taxes Receivable**

The Town bills property taxes semi-annually, in May and November. Property tax revenues are recognized in the fiscal year for which taxes have been levied. Property taxes are due on July 1 and December 1. Delinquent accounts are charged 8% interest. In March of the next year, a lien is recorded on delinquent property at the Registry of Deeds. The Town purchases all the delinquent accounts by paying the delinquent balances, recording costs, and accrued interest. The accounts that are liened by the Town will be reclassified from property taxes receivable. After this date, delinquent accounts will be charged interest at a rate of 14%. The Town annually budgets amounts (overlay for abatements) for property tax abatements and refunds.

Property taxes receivable reported in the government-wide financial statements are net of an allowance for doubtful accounts of \$1,205,059.

Property taxes receivable at December 31, 2019 consist of the following:

	<u>Gross Amount</u>	<u>Allowance for Doubtful Accounts</u>	<u>Current Portion</u>	<u>Long- Term Portion</u>
Property Taxes				
2019 levy	\$ 941,830	\$ (23,546)	\$ 918,284	\$ -
Unredeemed tax liens	202,468	(5,062)	107,354	90,052
Land use change taxes	53,806	.	53,806	-
Yield taxes	2,393	.	2,393	-
Tax deeded properties	<u>33,170</u>	<u>.</u>	<u>10,299</u>	<u>22,871</u>
Total	<u>\$ 1,233,667</u>	<u>\$ (28,608)</u>	<u>\$ 1,092,136</u>	<u>\$ 112,923</u>

***Taxes Collected for Others***

The Town collects property taxes for the Pelham School District and the County of Hillsborough. Payments are normally made to the school district throughout the year and payment to the county is normally made in December. The ultimate responsibility for the collection of these taxes rests with the Town.

As of December 31, 2019, the Town owed \$11,773,534 in committed property tax revenues to the Pelham School District. This amount is reported as Due to School District in both the government-wide Statement of Net Position and the governmental funds Balance Sheet.

**6. Interfund Fund Receivables/Payables**

***Receivables/Payables***

Although self-balancing funds are maintained, most transactions flow through the general fund. In order to obtain accountability for each fund, interfund receivable and payable accounts must be utilized. The following is an analysis of the December 31, 2019 balances in interfund receivable and payable accounts:

<u>Fund</u>	<u>Due From Other Funds</u>	<u>Due To Other Funds</u>
General Fund	\$ 618,834	\$ 1,297,061
<b>Nonmajor Governmental Funds:</b>		
Special Revenue Funds:		
Ambulance revolving	151,972	-
PD/FD Special Detail Fund	-	14,539
Park & Recreation Revolving Fund	163,717	-
Firearm License fees	-	1,465
Drug Forfeiture Fund	-	2,425
Conservation Fund	856,116	-
Village Green Tree Fund	549	-
Cable Equipment Fund	2,521	-
Skate Park	46,747	-
Road Study Funds	-	-
Town Grants	55,075	5,014
Senior Center Impact Fees	5,635	-
Other Fees	8,142	-
Expendable Trust Funds	-	-
Capital Project Funds:		
Willow Street Bridge	-	576,157
Old Bridge Street Bridge	-	19,362
Subtotal	<u>1,290,874</u>	<u>620,962</u>
Fiduciary Funds:		
Agency Funds:		
School Impact Fees	<u>8,315</u>	<u>-</u>
Total	<u>\$ 1,918,023</u>	<u>\$ 1,918,023</u>

**Transfers**

The Town reports interfund transfers between various funds. Most transfer result from budgetary or statutory actions, whereby funds are moved to accomplish various expenditure purposes. The following is an analysis of major Interfund transfers:

<u>Governmental Funds</u>	<u>Transfers In</u>	<u>Transfers Out</u>
General Fund	\$ 30,000	\$ 16,633
Special Revenue Funds:		
Firearm License Fees	16,633	-
Expendable Trust Funds	<u>-</u>	<u>30,000</u>
Total	<u>\$ 46,633</u>	<u>\$ 46,633</u>

The transfer from the expendable trust fund was for the annual appropriation for the purpose of forest management. The transfer to the Firearm License Fees special revenue fund was to resolve the fund's deficit balance.

**7. Capital Assets**

Capital asset activity for the year ended December 31, 2019 was as follows (in thousands):

	Beginning Balance	Increases	Decreases	Ending Balance
<b>Governmental Activities</b>				
Capital assets, being depreciated:				
Buildings and improvements	\$ 11,744	\$ 359	\$ -	\$ 12,103
Vehicles, machinery and equipment	7,610	267	-	7,877
Infrastructure	63,040	681	-	63,721
<b>Total capital assets, being depreciated</b>	<b>82,394</b>	<b>1,307</b>	<b>-</b>	<b>83,701</b>
Less accumulated depreciation for:				
Buildings and improvements	(3,379)	(328)	-	(3,707)
Vehicles, machinery and equipment	(4,870)	(510)	-	(5,380)
Infrastructure	(53,716)	(1,175)	-	(54,891)
<b>Total accumulated depreciation</b>	<b>(61,965)</b>	<b>(2,013)</b>	<b>-</b>	<b>(63,978)</b>
<b>Total capital assets, being depreciated, net</b>	<b>20,429</b>	<b>(706)</b>	<b>-</b>	<b>19,723</b>
Capital assets, not being depreciated:				
Land	8,973	22	-	8,995
Construction in progress	614	1,394	-	2,008
<b>Total capital assets, not being depreciated</b>	<b>9,587</b>	<b>1,416</b>	<b>-</b>	<b>11,003</b>
<b>Governmental activities capital assets, net</b>	<b>\$ 30,016</b>	<b>\$ 710</b>	<b>\$ -</b>	<b>\$ 30,726</b>

Depreciation expense was charged to functions of the Town as follows (in thousands):

<b>Governmental Activities</b>	
General government	\$ 169
Public safety	417
Highways and streets*	1,349
Sanitation	16
Culture and recreation	61
Conservation	1
<b>Total governmental activities</b>	<b>\$ 2,013</b>

\*Note: highways and streets includes depreciation costs for Infrastructure.

**8. Deferred Outflows of Resources**

Deferred outflows of resources represent the consumption of net position by the Town that is applicable to future reporting periods. Deferred outflows of resources have a positive effect on net position, similar to assets. Deferred outflows of resources related to pensions and OPEB, in accordance with GASB Statements No. 68 and 75, are more fully discussed in the corresponding pension and OPEB notes.

**9. Accounts Payable and Accrued Liabilities**

Accounts payable and accrued liabilities represent 2019 expenditures paid in 2020.

**10. Tax Refunds Payable**

This balance consists of an estimate of refunds due to property taxpayers for potential future abatements. These cases are currently in litigation or are pending with the Board of Tax and Land Appeals.

**11. Other Liabilities**

This balance consists primarily of various employee payroll withholdings.

**12. Capital Lease Obligations**

The Town is the lessee of certain equipment under capital leases expiring in various years through September 14, 2028. Future minimum lease payments under the capital leases consisted of the following as of December 31, 2019:

<u>Fiscal Year</u>	<u>Capital Leases</u>
2020	\$ 262,809
2021	145,840
2022	120,675
2023	120,675
2024	48,558
2025 - 2028	<u>194,234</u>
Total payments	892,791
Less amounts representing interest	<u>101,353</u>
Present Value of Minimum Lease Payments	<u>\$ 791,438</u>

**13. Long-Term Debt**

**Long-Term Debt Supporting Activities**

The Town issues general obligation bonds (including direct placements) and direct borrowings to provide funds for the acquisition and construction of major capital facilities. General obligation bonds and direct borrowings currently outstanding are as follows:

<u>Governmental Activities</u>	<u>Serial Maturities Through</u>	<u>Interest Rate(s) %</u>	<u>Amount Outstanding as of 12/31/19</u>
Municipal complex	08/15/22	4.11%	\$ 840,000
Subtotal bonds			840,000
Conservation land	10/20/23	2.99%	240,000
Conservation land	07/20/26	2.65%	525,000
Subtotal loans payable (direct borrowings)			765,000
Total Governmental Activities			\$ 1,605,000

**Future Debt Service**

The annual payments to retire all general obligation and loans payable (direct borrowing) long-term debt outstanding as of December 31, 2019 are as follows:

<u>Governmental</u>	<u>Bonds</u>			<u>Loans Payable (Direct Borrowings)</u>		
	<u>Principal</u>	<u>Interest</u>	<u>Total</u>	<u>Principal</u>	<u>Interest</u>	<u>Total</u>
2020	\$ 280,000	\$ 39,200	\$ 319,200	\$ 135,000	\$ 20,475	\$ 155,475
2021	280,000	26,660	306,660	135,000	16,586	151,586
2022	280,000	13,300	293,300	135,000	12,752	147,752
2023	-	-	-	135,000	8,918	143,918
2024	-	-	-	75,000	5,554	80,554
2025 - 2026	-	-	-	150,000	5,035	155,035
Total	\$ 840,000	\$ 79,160	\$ 919,160	\$ 765,000	\$ 69,321	\$ 834,321

### Changes in General Long-Term Liabilities

During the year ended December 31, 2019, the following changes occurred in long-term liabilities (in thousands):

	Beginning Balance	Additions	Reductions	Ending Balance	Less Current Portion	Equals Long-Term Portion
<b>Governmental Activities</b>						
Bonds payable	\$ 2,020	\$ -	\$ (415)	\$ 1,605	\$ (415)	\$ 1,190
Capital leases	1,081	-	(290)	791	(234)	557
Net pension liability	12,627	711	-	13,338	-	13,338
Net OPEB liability	3,096	166	-	3,262	-	3,262
Compensated absences	629	59	-	688	-	688
<b>Total</b>	<b>\$ 19,453</b>	<b>\$ 936</b>	<b>\$ (705)</b>	<b>\$ 19,684</b>	<b>\$ (649)</b>	<b>\$ 19,035</b>

### Long-Term Debt Supporting Governmental Activities

General obligation bonds, issued by the Town for various municipal projects are approved by Town Meeting and repaid with revenues recorded in the general fund. All other long-term debt is repaid from the funds that the cost relates to, primarily the general fund.

#### 14. Deferred Inflows of Resources

Deferred inflows of resources are the acquisition of net position by the Town that are applicable to future reporting periods. Deferred inflows of resources have a negative effect on net position, similar to liabilities. Deferred inflows of resources related to pension and OPEB will be recognized as expense in future years and is more fully described in the corresponding pension and OPEB notes. *Unavailable revenues* are reported in the governmental funds balance sheet in connection with receivables for which revenues are not considered available to liquidate liabilities of the current year.

#### 15. Governmental Funds - Balances

Fund balances are segregated to account for resources that are either not available for expenditure in the future or are legally set aside for a specific future use.

The Town has implemented *GASB Statement No. 54 (GASB 54), Fund Balance Reporting and Governmental Fund Type Definitions*, which enhances the usefulness of fund balance information by providing clearer fund balance classifications that can be consistently applied and by clarifying existing governmental fund type definitions.

The following types of fund balances are reported at December 31, 2019:

***Nonspendable***

Represents amounts that cannot be spent because they are either (a) not in spendable form or (b) legally or contractually required to be maintained intact. This fund balance classification includes general fund reserves for fuel inventory and nonmajor governmental fund reserves for the principal portion of permanent trust funds.

***Restricted***

Represents amounts that are restricted to specific purposes by constraints imposed by creditors, grantors, contributors, or laws or regulations of other governments, or constraints imposed by law through constitutional provisions or enabling legislation. This fund balance classification includes unspent capital lease proceeds, various special revenue and expendable trust funds, and the income portion of permanent trust funds.

***Committed***

Represents amounts that can only be used for specific purposes pursuant to constraints imposed by formal action of the Town's highest level of decision-making authority. This fund balance classification includes general fund encumbrances for non-lapsing special article appropriations approved at Town Meeting and capital reserve funds set aside by Town Meeting vote for future capital acquisitions and improvements (now reported as part of the general fund per GASB 54).

***Assigned***

Represents amounts that are constrained by the Town's intent to use these resources for a specific purpose. This fund balance classification includes general fund encumbrances that have been established by various Town departments for the expenditure of current year budgetary financial resources upon vendor performance in the subsequent budgetary period, and surplus set aside to be used in the subsequent year's budget.

***Unassigned***

Represents amounts that are available to be spent in future periods and general stabilization fund, and deficit funds.

Following is a breakdown of the Town's fund balances at December 31, 2019:

	General Fund	Nonmajor Governmental Funds	Total Governmental Funds
<b>Nonspendable</b>			
Reserve for fuel inventory	\$ 21,972	\$ -	\$ 21,972
Nonexpendable permanent funds	<u>-</u>	<u>879,747</u>	<u>879,747</u>
Total Nonspendable	21,972	879,747	901,719
<b>Restricted</b>			
Special revenue funds			
Ambulance	-	151,972	151,972
Parks and recreation	-	155,853	155,853
Conservation	-	856,116	856,116
Impact fees	-	220,747	220,747
Skate park	-	46,747	46,747
Other	-	93,078	93,078
Capital project funds	-	18,298	18,298
Expendable trust funds	-	593,747	593,747
Expendable permanent funds	<u>-</u>	<u>139,588</u>	<u>139,588</u>
Total Restricted	-	2,276,146	2,276,146
<b>Committed</b>			
Article carryforwards	1,781,403	-	1,781,403
Capital reserve funds	<u>834,964</u>	<u>-</u>	<u>834,964</u>
Total Committed	2,616,367	-	2,616,367
<b>Assigned</b>			
Budgetary encumbrances	<u>119,515</u>	<u>-</u>	<u>119,515</u>
Total Assigned	119,515	-	119,515
<b>Unassigned</b>			
General fund	5,410,510	-	5,410,510
Special revenue fund deficits	-	(5,014)	(5,014)
Capital project fund deficits	<u>-</u>	<u>(597,519)</u>	<u>(597,519)</u>
Total Unassigned	<u>5,410,510</u>	<u>(602,533)</u>	<u>4,807,977</u>
Total Fund Balance	<u>\$ 8,168,364</u>	<u>\$ 2,553,360</u>	<u>\$ 10,721,724</u>

**16. Retirement System**

The Town follows the provisions of GASB Statement No. 68, *Accounting and Financial Reporting for Pensions – an amendment of GASB Statement No. 27*, with respect to the State of New Hampshire Retirement System (NHRS).

**Plan Description**

Full-time employees participate in the New Hampshire Retirement System (NHRS), a cost-sharing, multiple-employer defined benefit contributory pension plan and trust established in 1967 by RSA 100-A:2 and qualified as a tax-exempt organization under Sections 401(a) and 501(a) of the Internal Revenue Code. The plan is a contributory, defined benefit plan providing service, disability, death, and vested retirement benefits to members and their beneficiaries. Substantially all full-time state employees, public school teachers and administrators, permanent firefighters, and permanent police officers within the State of New Hampshire are eligible and required to participate in the system. Full-time employees of political subdivisions, including counties, municipalities, and school districts, are also eligible to participate as a group if the governing body of the political subdivision has elected participation.

The New Hampshire Retirement System, a Public Employees Retirement System (PERS), is divided into two membership groups. State or local employees and teachers belong to Group I. Police officers and firefighters belong to Group II. All assets are held in a single trust and are available to each group. Additional information is disclosed in the NHRS annual report publicly available from the New Hampshire Retirement System located at 54 Regional Drive, Concord, New Hampshire 03301-8507.

**Benefits Provided**

Group I benefits are provided based on creditable service and average final salary for the highest of either three or five years, depending on when service commenced.

Group II benefits are provided based on age, years of creditable service, and a benefit multiplier depending on vesting status as of January 1, 2012. The maximum retirement allowance for Group II members vested by January 1, 2012 (45 years of age with 20 years of service or age 60 regardless of years of creditable service) is the average final compensation multiplied by 2.5% multiplied by creditable service. For Group II members not vested by January 1, 2012, the benefit is calculated the same way but the multiplier used in the calculation will change depending on age and years of creditable service, as follows:

<u>Years of creditable service as of January 1, 2012</u>	<u>Minimum Service</u>	<u>Minimum Age</u>	<u>Benefit Multiplier</u>
At least 3 but less than 10 years	21	46	2.4%
At least 6 but less than 8 years	22	47	2.3%
At least 4 but less than 6 years	23	48	2.2%
Less than 4 years	24	49	2.1%

**Contributions**

Plan members are required to contribute a percentage of their gross earnings to the pension plan, which the contribution rates are 7% for employees and teachers 11.55% for police and 11.80% for fire. The Town makes annual contributions to the pension plan equal to the amount required by Revised Statutes Annotated 100-A:16, and range from 11.08% to 27.79% of covered compensation. The Town's contribution to NHRS for the year ended December 31, 2019 was \$1,263,790, which was equal to its annual required contribution.

**Summary of Significant Accounting Policies**

For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the NHRS and additions to/deductions from NHRS' fiduciary net position have been determined on the same basis as they are reported by NHRS. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with benefit terms. Investments are reported at fair value.

**Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred (inflows) of Resources Related to Pensions**

At December 31, 2019, the Town reported a liability of \$13,337,780 for its proportionate share of the net pension liability. The net pension liability was measured as of June 30, 2019, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of June 30, 2018. The Town's proportion of the net pension liability was based on a projection of the Town's long-term share of contributions to the pension plan relative to the projected contributions of all participating employers, actuarially determined. At December 31, 2019, the Town's proportion was 0.27719737%.

At the most recent measurement date of June 30, 2019, the Town's proportion was 0.27719737% which was an increase of 0.01497075% from its previous year proportion.

For the year ended December 31, 2019, the Town recognized pension expense of \$1,669,535. In addition, the Town reported deferred outflows of resources and deferred (inflows) of resources related to pensions from the following sources:

	Deferred Outflows of Resources	Deferred (Inflows) of Resources
Differences between expected and actual experience	\$ 73,746	\$ (286,800)
Net difference between projected and actual earnings on pension plan investments	-	(108,951)
Changes in assumptions	478,554	-
Changes in proportion	616,788	(154,572)
Contributions subsequent to the measurement date	<u>640,216</u>	<u>-</u>
Total	<u>\$ 1,809,304</u>	<u>\$ (550,323)</u>

The amounts reported as deferred outflows of resources related to pensions resulting from contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in 2020. Other amounts reported as deferred outflows of resources and deferred (inflows) of resources related to pensions will be recognized in pension expense as follows:

Year ended December 31:	
2020	\$ 478,579
2021	(133,932)
2022	129,429
2023	<u>144,689</u>
Total	<u>\$ 618,765</u>

**Actuarial Assumptions**

The total pension liability in the June 30, 2018 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	2.5% per year
Salary increases	5.6% average, including inflation
Investment rate of return	7.25%, net of pension plan investment expense, including inflation

Mortality rates were based on the RP-2014 employee generational mortality tables for males and females, adjusted for mortality improvements using Scale MP-2015, based on the last experience study.

The actuarial assumptions used in the June 30, 2018 valuation were based on the results of the most recent actuarial experience study.

The long-term expected rate of return on pension plan investments was selected from a best estimate range determined using the building block approach. Under this method, an expected future real return range is calculated separately for each asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return net of investment expenses by the target asset allocation percentage and by adding expected inflation. The target allocation and best estimates of arithmetic real rates of return for each major class are summarized in the following table:

<u>Asset Class</u>	<u>Target Allocation Percentage</u>	<u>Weighted Average Long-Term Expected Real Rate of Return</u>
Large cap equities	22.50 %	4.25%
Small/mid cap equities	7.50	4.50%
Total domestic equities	30.00	
Int'l equities (unhedged)	13.00	4.50%
Emerging int'l equities	7.00	6.00%
Total international equities	20.00	
Core bonds	9.00	1.12%
Global multi-sector fixed income	10.00	2.46%
Absolute return fixed income	6.00	1.50%
Total fixed income	25.00	
Private equity	10.00	7.90%
Private debt	5.00	4.86%
Total alternative investments	15.00	
Real estate	10.00	3.00%
Total	100.00 %	

#### ***Discount Rate***

The discount rate used to measure the total pension liability was 7.25%. The projection of cash flows used to determine the discount rate assumed that the plan member contributions will be made at the current contribution rate and that employer contributions will be made at rates equal to the difference between actuarially determined contribution rates and the member rate. For purposes of the projection, member contributions and employer service cost contributions are projected based on the expected payroll of current members only. Employer contributions are determined based on the pension plan's actuarial funding policy and as required by RSA 100-A:16.

Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments to current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

***Sensitivity of the Proportionate Share of the Net Pension Liability to Changes in the Discount Rate***

The following presents the Town's proportionate share of the net pension liability calculated using the discount rate of 7.25%, as well as what the Town's proportionate share of the net pension liability would be if it were calculated using a discount rate that is one percentage-point lower or one percentage-point higher than the current rate:

1% Decrease	Current Discount Rate	1% Increase
<u>(6.25%)</u>	<u>(7.25%)</u>	<u>(8.25%)</u>
\$ 17,859,837	\$ 13,337,780	\$ 9,600,336

***Pension Plan Fiduciary Net Position***

Detailed information about the pension plan's fiduciary net position is available in the separately issued NHRS financial report.

**17. Other Post-Employment Benefits (GASB 75)**

GASB Statement No. 75, *Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions*, replaces the requirements of Statement No. 45, *Accounting and Financial Reporting by Employers for Postemployment Benefits Other Than Pensions*. The Statement establishes standards for recognizing and measuring liabilities, deferred outflows of resources, deferred inflows of resources, and expense/expenditures. This Statement identifies the methods and assumptions that are required to be used to project benefit payments, discounted projected benefit payments to their actuarial present value, and attribute that present value to periods of employee service.

***Town OPEB Plan***

All the following OPEB disclosures for the Town OPEB Plan are based on a measurement date of June 30, 2019.

***General Information about the OPEB Plan***

**Plan Description**

The Town indirectly provides post-employment healthcare for retired employees through an implicit rate covered by current employees. Retirees of the Town who participate in this single-employer plan pay 100% of the healthcare premiums to participate in the Town's healthcare program. Since they are included in the same pool as active employees,

The insurance rates are implicitly higher for current employees due to the age consideration. This increased rate is an implicit subsidy the Town pays for the retirees.

The Town's OPEB plan is not administered through a trust that meets the criteria in paragraph 4 of GASB 75.

#### Benefits Provided

The Town provides medical and prescription drug insurance to retirees and their covered dependents. All active employees who retire from the Town and meet the eligibility criteria will receive these benefits.

#### Plan Membership

At June 30, 2019, the following employees were covered by the benefit terms:

Inactive employees or beneficiaries	
currently receiving benefit payments	15
Active employees	<u>78</u>
Total	<u>93</u>

#### Funding Policy

The Town's funding policy includes financing the implicit subsidy on a pay-as-you-go basis, as required by statute.

#### *Actuarial Assumptions and Other Inputs*

The total OPEB liability was determined by an actuarial valuation as of June 30, 2019, in accordance with the parameters of GASB Statement No. 75. Alternative measurement method valuations of an ongoing plan are allowed for a sole employer with fewer than one hundred total plan members and involve estimates of the value of reported amount and assumptions about the probability of occurrence of events far into the future, similar to broad measurement steps as would be used by an actuarial valuation for plans whose members exceed one hundred. Examples include assumptions about future employment, mortality, and the healthcare cost trend. The alternative measurement method used the following actuarial assumptions, applied to all periods included in the measurement, unless otherwise specified:

Inflation	2.50%
Salary increases	5.60%, average, including inflation
Discount rate	3.13%
Healthcare cost trend rates	8% for 2019, decreasing to an ultimate rate of 4% in 8 years
Retirees' share of benefit-related costs	100%

The discount rate was based on the Fidelity General Obligation AA 20 Year Bond at June 30, 2019.

Mortality rates were based on mortality tables at the National Center for Health Statistics. The 2014 United States Life Tables for Males and Females were used.

The actuarial assumptions used in the June 30, 2018 valuation were based on the results of the most recent experience study of the New Hampshire Retirement System, which was for the period July 1, 2010 – June 30, 2015.

*Discount Rate*

The discount rate used to measure the total OPEB liability was 3.13%. The projection of cash flows used to determine the discount rate assumed that contributions from plan members will be made at the current contribution rate.

*Total OPEB Liability*

The Town's total OPEB liability of \$1,792,970 was measured as of June 30, 2019, and was determined by an actuarial valuation as of June 30, 2019.

*Changes in the Total OPEB Liability*

The following summarizes the changes to the total OPEB liability for the past year:

	Total OPEB Liability
Balances, beginning of year	\$ 1,650,828
Changes for the year:	
Service cost	59,907
Interest	\$6,120
Changes in assumptions or other inputs	135,759
Benefit payments	<u>(103,644)</u>
Net Changes	<u>142,142</u>
Balances, end of year	<u>\$ 1,792,970</u>

Changes of assumptions and other inputs reflect a change in the discount rate from 3.71% in 2018 to 3.13% in 2019. All other assumptions were the same as those used in the previous measurement.

*Sensitivity of the Total OPEB Liability to Changes in the Discount Rate*

The following presents the total OPEB liability, as well as what the total OPEB liability would be if it were calculated using a discount rate that is one percentage-point lower or one percentage-point higher than the current discount rate:

<u>1% Decrease</u>	Current Discount Rate	<u>1% Increase</u>
\$ 2,320,799	\$ 1,792,970	\$ 1,406,265

***Sensitivity of the Total OPEB Liability to Changes in the Healthcare Cost Trend Rates***

The following presents the total OPEB liability, as well as what the total OPEB liability would be if it were calculated using healthcare cost trend rates that are one percentage-point lower or one percentage-point higher than the current healthcare cost trend rates:

1% <u>Decrease</u>	Current Healthcare Cost Trend <u>Rates</u>	1% <u>Increase</u>
\$ 1,657,623	\$ 1,792,970	\$ 1,942,159

***OPEB Expense and Deferred Outflows of Resources and Deferred (Inflows) of Resources Related to OPEB***

For the year ended December 31, 2019, the Town recognized an OPEB expense of \$111,584. At December 31, 2019, the Town had no deferred outflows or (Inflows) of resources related to the Total OPEB liability.

***New Hampshire Retirement System Medical Subsidy Plan Description***

***General Information about the OPEB Plan***

**Plan Description**

In addition to the OPEB plan discussed above, the Town participates in the New Hampshire Retirement System (NHRS) Medical Subsidy. The NHRS administers a cost-sharing, multiple-employer, other post-employment benefit plan (OPEB Plan) for retiree health insurance subsidies. Benefit amounts and eligibility requirements are set by state law, and members are designated by type. The four membership types are Group II Police Officer and Firefighters, Group I Teachers, Group I Political Subdivision Employees and Group I State Employees. Collectively, they are referred to as the OPEB Plan.

NHRS issues publicly available financial reports that can be obtained by writing to them at 54 Regional Drive, Concord, New Hampshire 03301-8507 or from their website at <http://www.nhrs.org>.

**Benefits Provided**

The OPEB Plan provides a medical insurance subsidy to qualified retired members. The medical subsidy is a payment made by NHRS to the former employer or their insurance administrator toward the cost of health insurance for a qualified retiree, his/her qualified spouse, and his/her certifiably dependent children with a disability who are living in the household and being cared for by the retiree. Under specific conditions, the qualified beneficiaries of members who die while in service may also be eligible for the medical

subsidy. The eligibility requirements for receiving OPEB Plan benefits differ for Group I and Group II members. The monthly Medical Subsidy rates are:

1 Person - \$375.56
2 Person - \$751.12
1 Person Medicare Supplement - \$236.84
2 person Medicare Supplement - \$473.68

**Contributions**

Pursuant to RSA 100-A:16, III, and the biennial actuarial valuation, funding for the Medical Subsidy payment is via the employer contributions rates set forth by NHRS. Employer contributions required to cover that amount of cost not met by the members' contributions are determined by a biennial actuarial valuation by the NHRS actuary using the entry age normal funding method and are expressed as a percentage of gross payroll. The Town contributed 0.66% of gross payroll for Group I employees, 1.66% of gross payroll for Group I teachers, and 4.14% and 4.17% of gross payroll for Group II fire and police department members, respectively. Employees are not required to contribute. The State Legislature has the authority to establish, amend, and discontinue the contribution requirements of the Medical Subsidy plan.

**Actuarial Assumptions and Other Inputs**

The Town's proportionate share of the NHRS Medical Subsidy as of December 31, 2019 is based upon an actuarial valuation performed as of June 30, 2018 (rolled forward to June 30, 2019) using a measurement date of June 30, 2019. The actuarial valuation used the following actuarial assumptions:

Price Inflation	2.50%
Wage Inflation	3.25%
Salary increases	5.60%
Investment rate of return	7.25%
Discount rate	7.25%

Mortality rates were based on the RP-2014 healthy annuitant and employee generational mortality tables for males and females with credibility adjustments, adjusted for fully generational mortality improvements using scale MP-2015, based on the last experience study.

The actuarial assumptions used in the June 30, 2018 valuation were based on the results of the most recent experience study, which was for the period July 1, 2010 – June 30, 2015.

*Net OPEB Liability, Expense, and Deferred Outflows and Inflows*

The Town's proportionate share of the net NHRS Medical Subsidy (net OPEB liability) as of the measurement date of June 30, 2019 was \$1,468,539, representing 0.334968370%.

For the year ended December 31, 2019, the Town recognized an OPEB expense related to the NHRS Medical Subsidy of \$280,755. At December 31, 2019, the Town reported deferred outflows and (inflows) of resources related to OPEB from the following sources:

	Deferred Outflows of Resources	Deferred (Inflows) of Resources
Contributions subsequent to the measurement date	\$ 75,322	\$ -
Difference between expected and actual experience	-	(2,555)
Changes in proportion	9,442	-
Net difference between projected and actual OPEB investment earnings	-	(1,650)
Total	\$ <u>84,764</u>	\$ <u>(4,205)</u>

The amount reported as deferred outflows of resources related to OPEB resulting from contributions subsequent to the measurement date and before the end of the fiscal year will be included as a reduction of the net OPEB liability in the year ending December 31, 2020.

Other amounts reported as deferred outflows and (inflows) of resources related to OPEB will be recognized in OPEB expense as follows:

<u>Fiscal Year Ended</u>	
2020	\$ 5,792
2021	(1,095)
2022	114
2023	426
Total	\$ <u>5,237</u>

*Sensitivity of the Net NHRS Medical Subsidy OPEB Liability to Changes in the Discount Rate*

The following presents the net OPEB liability, as well as what the total OPEB liability would be if it were calculated using a discount rate that is one percentage-point lower or one percentage-point higher than the current discount rate:

<u>1%</u> <u>Decrease</u>	<u>Current</u> <u>Discount</u> <u>Rate</u>	<u>1%</u> <u>Increase</u>
\$ 1,592,853	\$ 1,468,539	\$ 1,360,517

**Healthcare Cost Trend Rate**

Healthcare cost trend rates are not applicable given that the benefits are fixed stipends.

**Consolidation of Total/Net OPEB Liabilities and Related Deferred Outflows and (Inflows)**

The following consolidates the Town's total OPEB liability and related deferred outflows/inflows, and the Town's proportionate share of the NHRS Medical Subsidy net OPEB liability and related deferred outflows/inflows at December 31, 2019:

	<u>Total</u> <u>OPEB</u> <u>Liability</u>	<u>Total</u> <u>Deferred</u> <u>Outflows of</u> <u>Resources</u>	<u>Total</u> <u>Deferred</u> <u>(Inflows) of</u> <u>Resources</u>	<u>Total</u> <u>OPEB</u> <u>Expense</u>
Town OPEB Plan	\$ 1,792,970	\$ -	\$ -	\$ 111,584
Proportionate share of NHRS Medical Subsidy Plan	<u>1,468,539</u>	<u>84,764</u>	<u>(4,205)</u>	<u>280,755</u>
<b>Total</b>	<u>\$ 3,261,509</u>	<u>\$ 84,764</u>	<u>\$ (4,205)</u>	<u>\$ 392,339</u>

**18. Subsequent Events**

Management has evaluated subsequent events through October 20, 2020, which is the date the financial statements were available to be issued.

The COVID-19 outbreak in the United States (and across the globe) has resulted in economic uncertainties, as well as uncertainty around the duration and scope. The extent of the impact of COVID-19 on the Town's operational and financial performance will depend on certain developments, including the duration and spread of the outbreak and impact on the Town's employees and vendors, all of which are uncertain and cannot be predicted. At this point, the extent to which COVID-19 may impact the Town's financial condition or results of operation is uncertain.

## 19. Commitments and Contingencies

### *Other Outstanding Legal Issues*

On an ongoing basis, there are typically pending legal issues in which the Town is involved. The Town's management is of the opinion that the potential future settlement of these issues would not materially affect its financial statements taken as a whole.

### *Grants*

Amounts received or receivable from grantor agencies are subject to audit and adjustment by grantor agencies, principally the federal government. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amount of expenditures which may be disallowed by the grantor cannot be determined at this time, although the Town expects such amounts, if any, to be immaterial.

### *Encumbrances*

At year-end, the Town's general fund has \$119,515 in encumbrances that will be honored in the next year.

## 20. New Pronouncements

The Governmental Accounting Standards Board (GASB) has issued Statement No. 84, *Fiduciary Activities*, effective for the Town beginning with its year ending December 31, 2020. This statement establishes guidance on how to address the categorization of fiduciary activities for financial reporting and how fiduciary activities are to be reported, and may require reclassification of certain funds.

The Governmental Accounting Standards Board (GASB) has issued Statement No. 87, *Leases*, effective for the Town beginning with its year ending December 31, 2021. This statement establishes new reporting and disclosure requirements, including the recording of various operating leases in the financial statements.

Board of Selectmen  
Town of Pelham  
6 Village Green  
Pelham, New Hampshire 03076

Dear Board of Selectmen:

We have audited the financial statements of the Town of Pelham, New Hampshire as of and for the year ended December 31, 2019, and have issued our report thereon dated October 20, 2020. Professional standards require that we advise you of the following matters relating to our audit.

**Our Responsibility in Relation to the Financial Statement Audit**

As communicated in our engagement letter, our responsibility, as described by professional standards, is to form and express an opinion about whether the financial statements that have been prepared by management with your oversight are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. Our audit of the financial statements does not relieve you or management of your respective responsibilities.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of the Town solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

We have provided our findings regarding other matters noted during our audit in a separate letter to you dated October 20, 2020.

---

Nashua, New Hampshire  
Manchester, New Hampshire  
Andover, Massachusetts  
Greenfield, Massachusetts  
Ellsworth, Maine

### **Planned Scope and Timing of the Audit**

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

### **Compliance with All Ethics Requirements Regarding Independence**

The engagement team and others in our firm have complied with all relevant ethical requirements regarding independence. Safeguards that have been applied to eliminate threats to independence or reduce them to an acceptable level include annual certification by all firm staff of independence, or when circumstances change during the year.

### **Qualitative Aspects of the Entity's Significant Accounting Practices**

#### ***Significant Accounting Policies***

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by the Town is included in the notes to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during the year ended December 31, 2019. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

#### ***Significant Accounting Estimates***

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

The most sensitive accounting estimates affecting the financial statements are:

- Estimated lives and depreciation methods for depreciable assets.
- Collectability of receivables.
- Accrued interest on long-term debt
- Net pension liability.
- Net OPEB liability.

- Estimated liability for potential tax refunds.
- Fair value of investments

Management's estimate of the above are based on various criteria. We evaluated the key factors and assumptions used to develop these estimates and determined that it is reasonable in relation to the basic financial statements taken as a whole and in relation to the applicable opinion units.

#### ***Financial Statement Disclosures***

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. We noted no particularly sensitive disclosures affecting the Town's financial statements.

#### **Identified or Suspected Fraud**

We have not identified or have obtained information that indicates that fraud may have occurred.

#### **Significant Difficulties Encountered during the Audit**

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

#### **Uncorrected and Corrected Misstatements**

As an added service to the Town, we assisted in compiling the government-wide financial statements, including consolidating various funds into governmental activities, converting to the accrual basis of accounting, and recording all long-term assets, long-term liabilities, and net position classifications. This consolidation and conversion process was based on information from the Town's accounting records.

For purposes of this communication, professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole and each applicable opinion unit. There were no uncorrected financial statement misstatements whose effects in the current and prior periods, as determined by management, are material, both individually and in the aggregate, to the financial statements taken as a whole and each applicable opinion unit.

In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures.

The following material misstatements that we identified as a result of our audit procedures were brought to the attention of, and corrected by, management:

<u>Account</u>	<u>Amount of Misstatement</u>
Due to School	\$13,184,207.29 Understated
Property Tax Revenue	\$13,184,207.29 Overstated
Reserve for Encumbrance	\$260,695.11 Overstated
Unassigned Fund Balance	\$260,695.11 Understated

#### **Disagreements with Management**

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to the Town's financial statements or the auditor's report. No such disagreements arose during the course of the audit.

#### **Representations Requested from Management**

We have requested certain written representations from management, which are included in their letter dated October 20, 2020.

#### **Management's Consultations with Other Accountants**

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

#### **Other Significant Matters, Findings, or Issues**

In the normal course of our professional association with the Town, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, operating and regulatory conditions affecting the entity, and operational plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as the Town's auditors.

This report is intended solely for the information and use of the governing body and management of the Town and is not intended to be and should not be used by anyone other than these specified parties.

Sincerely,

Nashua, New Hampshire

To the Board of Selectmen  
Town of Pelham, New Hampshire

In planning and performing our audit of the basic financial statements of the Town of Pelham, New Hampshire, as of and for the year ended December 31, 2019, in accordance with auditing standards generally accepted in the United States of America, we considered the Town's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Town's internal control. Accordingly, we do not express an opinion on the effectiveness of the Town's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A reasonable possibility exists when the likelihood of an event occurring is either reasonably possible or probable as defined as follows:

- *Reasonably possible.* The chance of the future event or events occurring is more than remote but less than likely.
- *Probable.* The future event or events are likely to occur.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be significant deficiencies or material weaknesses; therefore, significant deficiencies or material weaknesses may exist that have not been identified.

During our audit, we became aware of various matters that we believe represent opportunities for strengthening internal controls and operating efficiency. The recommendations that accompany this letter summarize our comments and suggestions concerning those matters.

The Town's written responses to our comments and suggestions have not been subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on them.

**This communication is intended solely for the information and use of management, the Board of Selectmen, and others within the Town, and is not intended to be and should not be used by anyone other than these specified parties.**

**After you have had an opportunity to consider our comments and recommendations, we would be pleased to discuss them with you.**

*Melanson*

**Nashua, New Hampshire  
October 20, 2020**

## STATUS OF PRIOR YEAR RECOMMENDATIONS:

### 1. Improve Impact Fee Accounting and Reporting

*Prior Year Issue:*

In the prior year, we recommended the Town improve accounting for impact fees.

*Current Year Status:*

The issue remains unresolved in 2019.

*Further Action Needed:*

We continue to recommend the Town improve its impact fee accounting and reporting process to ensure that it is in full compliance with NH RSA 674:21 as follows:

- Track expenditures of all impact fees on each impact fee tracking spreadsheet and reconcile the ending balance to the general ledger at year end.
- Add the expiration date of each impact fee collection on all impact fee tracking spreadsheets.
- Ensure all expired and inactive impact fees are either expended or refunded.
- Annually publish a report listing expenditures of impact fee revenue, identifying the capital improvement project for which the fees were assessed, and stating the date assessed and collected.

*Town's Response:*

This issue is currently being addressed. We will strive to improve our impact fee accounting and reporting process to ensure that it is in full compliance with NH RSA 674:21. It is frustrating that we are still struggling with this issue however it will be resolved by the 2021 audit.

### 2. Improve Reconciliation of General Ledger Year End Balances

*Prior Year Issues and Current Year Status:*

In the prior year, we recommended various improvements to the reconciliation process of the general ledger at year end and noted the following areas where controls should be improved:

- The due to school balance at year end should agree to the current school year assessment less all payments made during the year. The Town did not record the assessment to the general ledger, which caused the due to school balance to be incorrect.

- **Current Year Status:** The Town recorded the assessment to the general ledger; however, it was understated by \$13,000,000, resulting in an overstatement of general fund revenue.
- ✦ The reserve for inventories balance should be adjusted at year end to agree to the corresponding asset balance.
  - **Current Year Status:** This issue remains unresolved in 2019.
- ✦ The reserve for encumbrances balance should be adjusted at year end to agree to the encumbrance total formally approved by the Board of Selectmen.
  - **Current Year Status:** This issue remains unresolved in 2019.

**Further Action Needed:**

We continue to recommend the Town address the remaining unresolved issues regarding the reconciliation of general ledger year end balances. This will improve controls and documented oversight, and reduce the risk of errors or irregularities occurring and going undetected.

**Town's Response:**

This issue is currently being addressed. It is frustrating that we are still struggling with this issue, however, it will be resolved by the 2021 audit.

**3. Improve Cash Reconciliation Procedures**

**Prior Year Issue:**

We recommended the Treasurer and Accountant work together to investigate the "Cash Variance" account in the general ledger and resolve accordingly. Furthermore, we recommended the Town maintain supporting documentation for all adjusting entries posted to the general ledger.

**Current Year Status:**

The issue remains partially unresolved in 2019. The Town was able to provide supporting documentation for all adjusting entries selected for testing, however, the "Cash Variance" account in the general ledger was not resolved. The balance in the 'Cash Variance' account is approximately \$20,000.

**Further Action Needed:**

We recommend the Treasurer and Accountant work together to investigate the "Cash Variance" account in the general ledger and resolve accordingly.

**Town's Response:**

We will ensure that the Treasurer and Accountant work together to investigate the cash variance account in the general ledger, resolve said issue immediately and we will start

maintaining supporting documentation for all adjusting entries posted to the general ledger. This also is frustrating that we are still struggling with this issue however it will be resolved by the 2021 audit.

#### **4. Ensure General Ledger is in Balance**

*Prior Year Issue:*

We recommended that general ledger trial balance reports be reviewed monthly to ensure the accuracy of account balances and verify that all funds are in balance.

*Current Year Status:*

This issue was addressed in 2019 and is considered resolved.

### **CURRENT YEAR RECOMMENDATIONS:**

#### **5. Prepare for GASB Statements 84 and 87**

GASB Statements 84 and 87 will apply to the Town in 2020 and 2021, respectively. Statement 84 addresses Fiduciary Activities and may require changes in how the Town accounts and reported these activities. Statement 87 significantly changes the accounting standards for leases and will now require various leases to be reported on the Town's balance sheet.

We recommend the Finance Department prepare for these accounting changes by ensuring all departments are aware of the pending changes. The Finance Department should also consider establishing a lease accounting policy to ensure all material leases are properly identified.

*Town's Response:*

We will review the GASB Statements and adjust our accounting practices accordingly to ensure we are in compliance.

### Requirements for Semi-Annual Billing

#### Pursuant to RSA 76:15-a

76:15-a Semi-Annual Collection of Taxes in Certain Towns and Cities - I. Taxes shall be collected in the following manner in towns and cities which adopt the provisions of this section in the manner set out in RSA 76:15-b. A partial payment of the taxes assessed on April 1 in any tax year shall be computed by taking the prior year's assessed valuation times 1/2 of the previous year's tax rate; provided, however, that whenever it shall appear to the selectmen or assessors that certain individual properties have physically changed in valuation, they may use the current year's appraisal times 1/2 the previous year's tax rate to compute the partial payment.

Pelham	Total Tax Rate	Semi-Annual Tax Rate
Total 2020 Tax Rate	\$20.20	\$10.10

**Fund Balance Retention**

<b>Enterprise Funds and Current Year Bonds</b>	<b>\$0</b>
<b>General Fund Operating Expenses</b>	<b>\$47,672,927</b>
<b>Final Overlay</b>	<b>\$50,221</b>

DRA has provided a reference range of fund balance retention amounts below. Please utilize these ranges in the determination of the adequacy of your municipality’s unrestricted fund balance, as currently defined in GASB Statement 54. Retention amounts, as part of the municipality’s stabilization fund policy [1], should be assessed dependent upon your governments own long-term forecasts and special circumstances. Please note that current best practices published by GFOA recommend, at a minimum, that “...general purpose governments, regardless of size, maintain unrestricted fund balance in their general fund of no less than two months of regular general fund operating revenues or regular general fund operating expenditures.” [2],[3]

[1] The National Advisory Council on State and Local Budgeting (NACSLB), (1998), *Framework for Improved State and Local Government Budgeting: Recommended Budget Practices (4.1)*, pg. 17.  
 [2] Government Finance Officers Association (GFOA), (2009), *Best Practice: Determining the Appropriate Level of Unrestricted Fund Balance in the General Fund*.  
 [3] Government Finance Officers Association (GFOA), (2011), *Best Practice: Replenishing General Fund Balance*.

2020 Fund Balance Retention Guidelines: Pelham	
Description	Amount
<b>Current Amount Retained (7.46%)</b>	<b>\$3,555,201</b>
17% Retained <i>(Maximum Recommended)</i>	\$8,104,398
10% Retained	\$4,767,293
8% Retained	\$3,813,834
5% Retained <i>(Minimum Recommended)</i>	\$2,383,646

**TRUSTEE OF THE TRUST FUNDS  
2020 Annual Report**

In February 2020 all necessary reports were electronically filed with the NH Department of Justice, Charitable Trust Division and have been subsequently approved. Our Investment Policy was also updated and submitted to the Attorney General’s Office in compliance with State requirements. These documents continue to be available for review on the Town website.

In accordance with Town policy, the yearly audit of all our holdings was performed with no indicated findings. Likewise, in July a separate yearly audit of all school accounts was performed with no findings indicated.

As of November 30, 2020, a total of \$3,022,722 is currently held by the Trustees in various trust and Capital Reserve Funds. Of this total, \$1,921,114 is deposited in an Investment Portfolio which consists of funds contained in Expendable Trust Funds, some with restricted principal and others completely expendable. Year to Date performance of this investment portfolio is at 8.9% which is exceptional considering the impact on the market of the Pandemic with its negative fluctuations.

The balance of \$1,101,608 is deposited in Certificates of Deposits and Money Market Accounts and consists of Capital Reserve Funds which, by state regulations, must be invested separately. Year to Date performance of this portfolio’s holdings is at 3.2% despite operating in a 0% interest rate environment

A formal detailed, unaudited report of all existing funds is summarized on a November version of State Forms MS-9 and MS-10 elsewhere in this Town Report. A breakdown of those funds, by category, is summarized as follows:

Breakdown of Trust Funds:

Restricted Principal Trust Funds	\$ 1,026,564
Expendable Trust Funds	<u>\$ 894,550</u>
Total	<u>\$ 1,921,114</u>

Breakdown of Capital Reserve Funds:

Capital Reserve Accounts	\$ 1,080,516
Non-Capital Reserve Funds (by state regulations classified as Capital Reserve)	<u>\$ 21,093</u>
Total	<u>\$ 1,101,609</u>

The Trustees of the Trust Funds would like to express our gratitude to the Selectmen’s Office for its continued administrative support in serving our needs during this past year.

The Trustees cordially invite all citizens to contact any one of the Trustees for any questions you may have.

Sincerely,

Ed Gleason	Chairman
Demetra Bergeron	Secretary
Cindy Ronning	Trustee

### ASSESSING DEPARTMENT 2020 Annual Report

This year, I applied and received a grant from the Moose Plate Conservation program, for the preservation of an antique map/survey of the Great Mammoth Road done in 1833. As it turns out doing research for another project, I found that there are no recorded surveys of the Mammoth Road. Once preserved and a facsimile made, the 1833 Map/Survey will be available on our website, on microfiche and on display in Town Hall.

For the 2020 tax year Pelham had 5681 properties of which 5474 are taxable. We continue with the 5-year cycled inspection program started in 2006, where one fourth of the Town is measured & listed each year. In the fifth year, which is our Certification year, we review all credits & exemptions. Our next DRA Certification year is scheduled for 2021.

In 2020 our assessed values remained the same as 2019. A statistical update conducted in 2019, brought assessments closer to market values, was further eroded by the strong market sale prices we saw in 2020. Sale prices of single-family homes continue to increase taking us out of the NH Assessing Board Standard of having assessed values in between a 90 to 110% range of fair market prices.

196 Total Qualified sales from October 1, 2019 through September 30, 2020

Property Type	# of Sales	Median Size	Median Sale Price	Median 2019 Ratio	Median 2020 *Ratio
Single Family	184	2,180	\$461,500	97.5	<b>88.6</b>

\*This ratio is draft only. DRA must certify prior to using for equalization purposes, sometime in January 2021.

The following is the official 2020 summary of taxable inventory for Pelham as reported on our **MS1**:

Residential Land.....	\$ 625,185,503
Commercial/Industrial Land.....	\$ 39,684,140
Current Use Land.....	\$ 384,677
<b>Total of Taxable Land.....</b>	<b>\$ 665,254,320</b>
Residential Buildings.....	\$ 1,203,458,979
Commercial/Industrial Buildings .....	\$ 80,267,121
<b>Total of Taxable Buildings.....</b>	<b>\$ 1,283,999,900</b>
Public Utilities.....	\$ 59,945,390
<b>Total Public Utilities.....</b>	<b>\$ 59,945,390</b>
<b>Total Valuation</b> before exemptions.....	<b>\$ 2,009,199,610</b>
<b>Total Optional Exemptions.....</b>	<b>\$ 5,426,800</b>
<b>Modified Assessed Valuation.....</b>	<b>\$ 2,003,772,810</b>

The modified assessed valuation is used to determine our tax rate; and the modified assessed valuation minus utilities will be used to calculate our portion of the State Education Tax in 2022.

When the overall town assessment changes the tax rate typically changes accordingly. For 2020 our overall valuation increased by 28 million dollars. However due to loss in revenue from the state our tax rate increased to \$ 20.20 from \$19.40 in 2019. The current rate is broken down into Local School at \$11.45, County at \$1.03, Municipal at \$5.78 and State Education at \$1.94. Below is the updated version of tax rates and equalization values per year since 2000.

Year	Ratio	Town	County	School	State	Total	FULL VALUE TAX RATE
2000	72%	3.96	2.14	9.01	6.89	22.00	15.84
2001	60%	3.68	2.25	10.06	7.51	23.50	14.1

2016*	99%	6.02	1.23	11.62	2.08	20.95	20.68
2017	95%	5.89	1.21	12.17	2.18	21.45	20.38
2018	88%	6.58	1.17	11.62	2.09	21.46	18.84
2019**	97%	5.37	1.09	11.05	1.89	19.4	20.02
2020		5.78	1.03	11.45	1.94	20.20	

\*Revaluation Year \*\* Statistical Update

The 2020 equalization ratio will not be available until sometime in January 2021.

Property owners are eligible to seek abatement after the final tax bill has been issued. It is the responsibility of the property owner to prove their assessment is disproportionate to similar properties, or that the value varies greater than 10% from the current year fair market value, or there is some material data error which affects the assessed value or there is an inability to pay taxes due to financial hardship.

The office is open Monday through Friday 8am to 4pm. Persons wishing to apply for an elderly exemption, veteran's credit, wood burning exemption, solar heat exemption and/or abatement can review information and applications on line at [www.nh.gov/revenue](http://www.nh.gov/revenue) or [www.pelhamweb.com](http://www.pelhamweb.com), 'Assessing Department' or stop by the office to pick up applications and information. Applications are due no later than **April 15, 2021 for exemptions and credits** and **March 1, 2021 for Abatements**.

Respectfully,

Susan Snide

## PELHAM COMMUNITY TELEVISION 2020 Annual Report

2020 has been a challenging year for PTV with the Covid-19 Pandemic and related shutdown in the spring, with continued issues into the end of the year. The year started off normal with normal meetings and functions, as well as all three theater groups finishing or beginning new productions. In March, the Governor ordered an Emergency shut down of non-essential business, allowing us to utilize remote access for government meetings. At one point all meetings were totally remote and then it morphed into a hybrid of socially distanced public meetings, with some using remote as we continued into the years end.

PTV and its production team continue to provide Public Access Cable Coverage and YouTube simulcast of all Town and School District governmental meetings (except for sub-committees), Town Meetings, Local Voting results, School Graduations., and Academic Award Ceremonies. As well as coverage of School Concerts, Memorial Day, Fourth of July, The Moving Wall, Old Home Day, Horrible's Parade, Festival of Trees, Yuletide, and much more. In 2020, PTV in conjunction with IT Director Brian Demers, provided Facebook coverage of Government meetings on the Town's Facebook Page. Many of the School Functions are recorded and edited in HD for YouTube playback. We also accept and schedule for playback, several productions and shows that are produced outside of PTV but Sponsored or submitted by Pelham residents.

As always, the PTV equipment e.g., digital camcorders, tripods, live equipment at PES, Sherburne Hall and the Studio, are available for all Pelham residents to use for live shows and/or the taping of and playing back of any other shows. If you are interested in volunteering or learning more about producing your own show, please contact Jim Greenwood or Linda Doherty at 635-8645.

PTV also provides a community TV Bulletin Board for The Town, Schools and Pelham residents to post non-commercial announcements of up-coming events. Please contact Linda Doherty at ptv@pelhamweb.com for information on file formats and sizes accepted.

Funding for PTV and PEG access Community Television is done entirely by receiving approx. 50% revenues from Pelham Cable Television subscribers as outlined in the Franchise Agreement between the Town of Pelham, NH, and Comcast.

Respectfully Submitted,  
James B. Greenwood

Cable Coordinator

**CEMETERY TRUTEES  
2020 Annual Report**

On January 5, 2020, the Town lost Walter Kosik a popular and revered Cemetery Trustee who was instrumental in bringing our cemeteries to their current state and maintaining them in an efficient and appreciated manner for 24 years. His contributions were significant and were memorialized in a service on November 11, 2020, during which a commemorative plaque was unveiled designating the Cemetery Office as the “Walter Kosik Memorial Maintenance Building.” His dedication and love for Pelham will be gracefully remembered in the coming years.

In May 2020, after candidate interviews, Ed Gleason was appointed by the Board of Selectmen to fill out Walter Kosik’s term.

From an operations standpoint, the Trustees would like to commend the Cemetery Staff, Dave Slater, Sexton, Sean Cunningham, full time employee, two part time personnel, Jay Law and Russell Soucy and our secretary Lisa Wood for their conscientious attention to the needs of the 6 Town Cemeteries under our stewardship, which are as follows:

- Gibson Cemetery (Marsh Road)
- Center Cemetery (Adjacent to Gibson on Old Bridge Street)
- Gumpas Hill Cemetery (Mammoth Road)
- Atwood Road Cemetery (Peaceful Way Road)
- North Pelham Cemetery (Keyes Hill Road)
- Lyons Cemetery (Pulpit Rock Road)

The Gibson Cemetery remains the focal point of our operations for not only burials, but civic celebrations. Veteran Memorial Services are conducted on Memorial and Veteran’s Days, and are held annually by the VFW, the American Legion and typically draw enthusiastic support from other town organizations and townspeople.

Veteran burials are also commemorated with the use of the Avenue of Flags and typically American Legion supported taps and rifle salute ceremonies.

The Veteran’s Memorial Circle and the Avenue of Flags are frequently cited as a picturesque credit to the town by residents and visitors alike.

Gibson Cemetery also serves the town as a safe and reverent environment for internments and grave visitations. Residents and visitors are urged to walk at their own risk and adhere to posted parking policy and cemetery regulations.

In addition to conducting frequent burials and addressing general maintenance challenges, the Trustees undertook a major tree restoration project at Gibson cemetery this year to address pedestrian and worker safety and tree preservation concerns. Considering the number of people using the cemetery for visitation and walking purposes some trees presented a safety hazard which needed to be addressed and others displayed some sign of aging and deterioration.

The Trustees anticipate that future budgets will include provisions for yearly tree preventative maintenance.

In addition to Gibson Cemetery, the following projects were completed at the other town cemeteries:

- Atwood Road- Removal of a large diseased tree  
Installation of new maintenance access gate and sign
- Gumpas Hill- Removal of large dead tree
- North Pelham- Installation of fence and sign

Yearly operational statistics are as follows:

**Cemetery Operating Statistics Through November 30, 2020**

	<u>Qty</u>	<u>Dollar Value</u>
Number of Burials	58	
Number of Lots Sold	43	\$17,200
Number of Openings & Closings	35	\$22,700
Number of Cremations	23	<u>\$6,500</u>
<b>Total Sales</b>		<b>\$46,400</b>
Sales Allocated to Maintenance Trust Fund		<u>\$10,320</u>
Total Revenue for General Fund		<b>\$36,080</b>

The Trustees would like to thank our residents for their continued support, not only through budget approval, but also by their utilization of our facilities for their needs.

The Trustees are committed to providing a suitable and reverent site for deceased family members and are always open to questions, recommendations, or comments.

The Trustees cordially invite all citizens to contact any one of the Trustees for any questions you may have.

Sincerely,

Ed Gleason	Chairman
Tim Zelonis	Vice-Chairman
Dave Provencial	Trustee
Donna Smith	Trustee
Nate Boutwell	Trustee

## PELHAM FIRE DEPARTMENT 2020 Annual Report

**James F. Midgley**  
Fire Chief

To the Honorable Board of Selectmen and the Citizens of the Town of Pelham:

2020 will be a year etched into the memory of every person on this planet. We have endured COVID-19, national civil unrest and a political environment with the likes we have never seen before. Through all this, our community and your fire department has endured as we always have in trying situations throughout time. I would like to share with you a snapshot of your department over the last year.

When COVID emerged in the country, the department along with all first responders in the nation needed to drastically change our operations for fire and EMS calls. In the beginning months of the pandemic, we were on daily conference calls between NH Homeland Security, Departments of Safety and the NH Department of Public Health. Information we were receiving and direction we were given was changing so fast the morning information became obsolete and was replaced in the afternoon. This constantly changing environment created a significant challenge for us to communicate with our personnel daily. The department needed to create and implement new daily operational approaches that have never been used before. These changes placed a burden on our available supplies in our department and across the nation to manage calls. Ten months into this pandemic we are still having

problems procuring supplies such as gloves, gowns and N95 masks and the future availability of these supplies still looks poor with the second round of growing COVID-19 infections.

Our personnel have also been impacted by this pandemic. We have had 12 personnel on quarantine over the last 10 months and one has contracted COVID. With all these exposures, and the normal injuries that occur in public safety, we have struggled to maintain staffing levels. Throughout this time, we have never dropped below normal daily staffing requiring some members to work multiple days straight to maintain services for the town. During the height of the pandemic, we saw a 30% decrease in EMS calls in Pelham and nationally, while at the same time the calls we did receive had a higher severity level needing prehospital medical intervention. In short, people were afraid to go to the hospital because of COVID, so they delayed getting care far too long.

Throughout 2020 we were constantly seeking grant funds to offset the impacts that the town is experiencing due to COVID-19. We have worked with FEMA to recoup costs the town has incurred because of these operational changes. We have received funds from FEMA to reimburse expenditures on town building protective measures and cleaning equipment. We have received competitive national fire grant funds for the purchase of personal protective equipment, and we have received funds from Center for Medicare/Medicaid Services for lost revenue and personal protective equipment for ambulance operations. We will continue to seek out funds to offset the impacts of operation to the taxpayer.

As we move forward into 2021, COVID will still be a part of our lives for a while. We at the department will be working on the planning for a local point of distribution for the COVID vaccine. Our department has been working with the Nashua Public Health Department who is our regional public health partner as well as the New Hampshire Department of Public Health to develop vaccination distribution plans for our residents. We at Pelham Fire have had pandemic planning in place with a full distribution plan for over 15 years. We encourage you to consider receiving the vaccine when it is available in the late winter early fall for the public.

Last year at Town Meeting the voters approved the purchase of a replacement fire truck. Over the months after the vote the department worked with the selected vendor to refine the trucks construction specifications. Unfortunately, due to COVID, the supply chains in the world slowed and in many areas production of materials stopped for months. This has pushed out the date the vehicle will be received by 3-4 months. We are anticipating receiving the vehicle in mid-2021.

This year you will see a warrant article for the replacement of one of our ambulances. This vehicle is a 2009 vehicle and is due to be replaced. If passed at the March 2021 town vote the ambulance construction time is between 6-9 months. Approving this warrant article will have no impact on the tax rate because the funds have already been appropriated through

the ambulance fund revolving account from past ambulance revenues. In 2019 ambulance responses totaled over 907 calls. I urge you to support this warrant article which will allow us to replace a 12-year-old ambulance.

As we all try to forget 2020, we look towards 2021 with hope and optimism for the future. I wish to thank the citizens of Pelham for their support of the fire department they have always show over my time as your fire chief.

Respectfully,

James Midgley, Fire Chief.

The Pelham Fire Department responded to 1436 incidents from 1/1/2020 - 12/31/2020:

Ambulance - Medical. . . . .	896	Chimney/Woodstove Fires. . . . .	1

## Report of Forest Fire Warden and State Forest Ranger

This year we experienced challenging wildfire conditions which led to deep burning fires in remote locations that were difficult to extinguish. Your local fire departments and the Division of Forests & Lands worked throughout the year to protect homes and the forests. The statewide system of 16 fire lookout towers continues to operate on high fire danger days. The towers' fire detection efforts are supplemented by the NH Civil Air Patrol when the fire danger is especially high.

Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Every year New Hampshire sees fires which threaten or destroy structures, a constant reminder that wildfires burn more than just trees. Homeowners should take measures to prevent a wildfire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at [www.firewise.org](http://www.firewise.org). Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

Between COVID-19 and the drought conditions, 2020 was a unique year. The drought conditions led to the need to have a Proclamation from the Governor, which banned much of the outdoor burning statewide. This, along with the vigilance of the public, helped to reduce the number of serious fires across New Hampshire. However, the fires which we did have burned deep and proved difficult to extinguish due to the lack of water. While the drought conditions have improved, we expect many areas of the state to still be experiencing abnormally dry and drought conditions this spring. For this reason, we ask everyone to remember Smokey's message about personal responsibility and follow his ABC's: Always **Be** Careful with fire. If you start a fire, put it out when you are done. **"Remember, Only You Can Prevent Wildfires!"**

As we prepare for the 2021 fire season, please remember to contact your local Forest Fire Warden or Fire Department to determine if a fire permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. Fire permits are also available online in most towns and may be obtained by visiting [www.NHfirepermit.com](http://www.NHfirepermit.com). The burning of household waste is prohibited by the Air Resources Division of the Department of Environmental Services (DES). You are encouraged to contact the local fire department for more information. Safe open burning requires your diligence and responsibility. Thank you for helping us to protect New Hampshire's forest resources. For more information, please contact the Division of Forests & Lands at (603) 271-2214, or online at [www.nh.gov/nhdfl/](http://www.nh.gov/nhdfl/). For up to date information, follow us on Twitter: **@NHForestRangers**

### 2020 WILDLAND FIRE STATISTICS

(All fires reported as of December 01, 2020)

Year	Number of Wildfires	Wildfire Acres Burned	Number of Unpermitted Fires*
2020	113	89	165
2019	15	23.5	92
2018	53	46	91
2017	65	134	100
2016	351	1090	159

\*Unpermitted fires which escape control are considered Wildfires.

### CAUSES OF FIRES REPORTED

(These numbers do not include the WMNF)

Arson	Debris Burning	Campfire	Children	Smoking	Railroad	Equipment	Lightning	Misc.
4	22	21	4	3	1	4	10	44

\*Miscellaneous includes power lines, fireworks, electric fences, etc...

## 2020 Annual Report of the Southeastern New Hampshire Hazardous Materials Mutual Aid District

**Bruce Breton**  
Selectman, Windham  
Chairman, Board of Directors

**Chief Thomas McPherson, Jr.**  
Windham Fire Department  
Chairman, Operations Committee

### About the District:

The Southeastern New Hampshire Hazardous Materials Mutual Aid District’s membership is comprised of 14 communities, covering approximately 350 square miles with a population of over 175,000 people. The District was formed in 1993 to develop a regional approach for dealing with the increasing amounts of hazardous materials being used and transported within these communities.

The District draws its funding from an annual assessment from each community as well as from grants and donations. The FY 2021 operating budget for the District was \$137,829. Additionally, in 2020 the District applied for and received federal grants for equipment, training, and operational expenses totaling \$117,960. This grant funding included funding for the replacement of a handheld Chemical Identifier, equipment maintenance plans and additional leak control equipment, and Haz Mat management software. The Fire Chiefs from each member community make-up the Operations Committee of the District. The Operations Committee is overseen by a Board of Directors consisting of elected representatives from each community. It is the Board of Directors who approves the budget and any changes to the bylaws of the District. The Executive Board of the Operations Committee, which consists of the Chairman, Vice -Chairman, Treasurer, Technician Team Liaison, and one Member at Large, manages the operations of the District within the approved budget. The District employs a part-time REPC Director to manage the administrative functions of the District, including but not limited to, grants management, financial management, and emergency planning.

### District Facility

The District maintains a facility in Windham that provides space to house several of its response vehicles and trailers, as well as provide office and meeting space for the REPC Director. In addition, the District is able to utilize the facility for monthly training for the Emergency Response Team.

## **The Emergency Response Team:**

The District operates a Technical Emergency Response Team. This Response Team is overseen by one of the member community's Chief Fire Officers who serves in the Technical Team Liaison position. The Team maintains a three level readiness response posture to permit it to immediately deploy an appropriate response to a District community's request for help involving an unplanned release of potentially dangerous chemicals within their jurisdiction. While the Team primarily prepares for response to unplanned accidental chemical releases it is also equipped and trained to deal with a variety of Weapons of Mass Destruction (WMD) scenarios. The team maintains a host of specialized response equipment to deal with chemical and environmental emergencies.

The Team has undergone some changes in 2020 with the retirements of long time Team members Team Leader Michael Stanhope, Communications Specialist Robert Sprague both of whom had over 25 years of service to the Team. Haz Mat Technician Eric Hildebrandt has been promoted to Technician Team Leader.

The Emergency Response Team is made up of 20 members drawn from the ranks of the fire departments within the District. The Team consists of 5 Technician Team Leaders, 12 Hazardous Materials Technicians, and 3 Communication Specialists. In addition to these personnel, the team also includes an industrial chemist from a local industry.

## **District Resources**

The District's new grant funded Hazardous Materials Response truck has been received and put in service. This vehicle is the primary response vehicle and carries chemical detection and identification instruments, containment supplies, plugging, patching and intervention supplies, communication equipment, computer based and other chemical reference guides as well as chemical protective equipment. The Team's other vehicles consist of a Mobile Command Support Unit, Rehab truck, three Spill Trailers, a Technician Trailer, an Operations/Spill Trailer, a Firefighting Foam Trailer, an Air Supply/Lighting Trailer and SUV utility vehicle.

The Command Support Unit and Response Truck along with the Technician Trailer are housed in our Windham facility, while spill trailers are located in Derry, Sandown and Plaistow allowing for rapid deployment. The Foam Trailer is housed by Salem Fire. Activation of the team is made at the request of the local Incident Commander through the Derry Fire Department Dispatch Center.

The Rehab truck which serves as a firefighter rehabilitation unit is also housed at our Windham facility. This unit is available to our member departments and is equipped with refrigerated cases of water and sports drinks and has the ability to serve hot beverages. The truck is also equipped with a heated inflatable shelter to provide first responders with a place to get out of the weather. In order to remove carcinogens from firefighters as soon as possible this truck is also equipped with garden hoses and soap and brushes to assist with the decontamination of firefighters at the scene. Staffing of this vehicle is done by a team of dedicated volunteers recruited from some of the District's fire departments along with the Derry Community Emergency Response Team (CERT).

In conjunction with the New Hampshire State Fire Marshal's Office and with a Hazardous Materials Emergency Planning grant the District has received computer hardware and software to facilitate the management of a comprehensive database of chemical storage facilities within the District which is used for response planning and incident management.

## **Response Team Training**

Because of the Covid 19 Pandemic the Emergency Response Team was unable to participate in regular monthly training, however Team members were able to complete 520 hours of training. This training consisted of in person and virtual training programs covering Hazardous Materials Transportation, Computer-Aided Management of Emergency Operations, Palmtop Emergency Action for Chemicals (PEAC), Hazardous Materials Simulation Equipment, Chemical Protective Clothing, Decontamination, and leak control techniques. Due to the pandemic the New Hampshire Hazardous Materials Training Conference and the International Association of Fire Chiefs Hazardous Materials Teams Conference were both canceled this year.

## **Emergency Responses**

In 2020 the Hazardous Materials Team responded to 9 incidents. These included spill trailer responses for hydrocarbon fuel spills from motor vehicle crashes. Other responses included identifying unknown substances and suspicious packages, as well as requests for technical assistance for member departments where a Response Team Leader provided consultation to the fire department on the handling of an incident.

The REHAB team responded to 7 incidents including fire scenes and large scale training events.

For further information about the Southeastern New Hampshire Hazardous Materials District please visit our website at [www.senhazmat.org](http://www.senhazmat.org)

## Health Officer

Department Head:  
Health Officer,  
Karen McGlynn

Deputy Health Officer,  
Paul Zarnowski

6 Village Green  
Pelham, NH 03076

Phone: (603) 635-8233  
Alt. Phone: (603) 624-1602  
Fax: (603) 635 8274

Email:  
[www.pelhamweb.com/  
board-of-health](http://www.pelhamweb.com/board-of-health)

### Important Information:

Contact Deputy Health Officer Paul Zarnowski at (603) 508-3085 directly for questions or information on the following:

- Health ordinances
- Witnessing of soil testing
- Sewage disposal system design, installation and applications
- Daycare and Foster home inspections (by appointment only)

## HEALTH DEPARTMENT 2020 Annual Report

The Health Officer and Deputy Health Officer performed inspections of public and private facilities, communicated directly with the State Department of Health and Human Services & The Department of Environmental Services.

Complaints were investigated relative to unsanitary sites such as septic system failure issues, living conditions, rodent control etc. They responded to additional issues as well, which include food service, surface water quality, well issues, and watershed areas.

They conducted inspections and generated reports for various licensing requirements of child daycares, foster homes and local schools.

They worked closely with our vector control contractor and the state to monitor the risk of vector borne illness in the area.

During these unprecedented times with the Covid-19 pandemic, the Health Officer has been instrumental in working with the State department of Health, the School District and businesses to trace and monitor the cases of Covid-19 within our community.

The Health officer has built a team within the school district that includes the Superintendent and school nurses, and Administration to ensure all potential, and positive cases are handled to reduce exposure within our schools.

The Health Officer monitors local businesses in conjunction with the State Attorney Generals Office, to ensure all Covid-19 Governor's Orders are being followed.

The Health Officer monitors and will continue to monitor the numbers of past and present positive and close contact cases within our community and keeps the Select board abreast of the community trends. The Health Officer makes herself available to the community 24 hours a day to answer any and all questions concerning Covid-19 and other Public Health issues.

Respectfully submitted,

Karen McGlynn

## Highway Department

Department Head:  
Frank Ferreira, Highway Agent

Rhonda Martin,  
Administrative Assistant

## HIGHWAY DEPARTMENT 2020 Annual Report

To the Board of Selectmen and the  
Residents of the Town of Pelham, NH 03076.

The following roads were repaved in 2020:

(old section) Patriot Dr	Carol Dr	Nancy Ave
Thomas Ave	Albert St	Homestead Rd
Hearthstone Rd	Heritage	Rita Ave
Tina Ave	Linda Ave	(top of) Jeremy Hill Rd

The following roads were crack sealed in 2020:

Carol Dr	Homestead Rd	Hearthstone Rd
Heritage RD	Rita Ave	Tina Ave
Linda Ave	(top of) Jeremy Hill Rd	Crescent Circle
Riverbend Ln	Andrea Ln	Applewood Rd
Slavin Dr		

We repaired the catch basins that needed repair and raised some of them before paving was done. We dug out the rocks that were visible on the roads before crack sealing or paving them. We continue to cut brush and high hanging branches around Town. This will continue until we get to all the roads in Town.

General maintenance of all the Town roads consist of snow and ice removal, road sweeping, line painting, brush cutting, replacing signs, cleaning and replacing/repairing catch basins, replacing failed culverts, patching roads, crack sealing, roadside mowing and paving the roads. In addition, roadside trash is picked up and disposed of.

The Highway Department plows, sands and salts 107.7 miles of Town-owned roads. The Highway Department is also responsible for plowing, sanding, and salting the Town parks and all the Town Building parking lots (except for the Fire Department and the Transfer Station & Recycling Center). The fire Department and Transfer Station & Recycling Center do their own plowing while the Highway Department sands and salts them.

The New Hampshire Department of Transportation (NHDOT) is responsible for the maintenance, plowing and sanding, salting of the following roads in the Town of Pelham:

<b>SHERBURNE ROAD</b>	<b>ROUTE 38</b>	<b>WINDHAM ROAD</b>
<b>MAMMOTH ROAD</b>	<b>KEYES HILL ROAD</b>	<b>OLD GAGE HILL ROAD</b>
<b>MAIN STREET ( FROM OLD BRIDGE STREET TO ROUTE 38)</b>		

If there are any concerns about these State-maintained roads, please call the **NHDOT District 5 at (603)-666-3336.**

I would like to take this time to Thank all the residents of Pelham for their patience when calling with concerns or issues. Especially with COVID-19 this year, we were shorthanded, and our vendors were also or closed. It was a difficult year.

In closing, I would like to thank my staff for their outstanding and devoted work during the very long hours this year. The demand of maintaining safe roads for the public is a tall order, but they all do a great job! Again, they came in everyday to do their job in this pandemic.

Respectfully Submitted,

Frank Ferreira, Highway Agent

## Parks & Recreation

## PARKS AND RECREATION 2020 Annual Report

### This Year's Highlights

- 2020 Programming
- Facility Improvements
- Pavilion built at Veterans Memorial Park
- Welcome Lynne Slattery

2020 was certainly a challenging year for many. Despite the pandemic, Parks and Recreation continued to improve our department with the goal of improving facilities and programming for the town. Director, Brian Johnson, Program Director, Kathy Carr, and Coordinator, Lynne Slattery, each continue to work at these goals to allow Pelham to play. Our website is updated regularly as is our Facebook page and Twitter. We produce timely press releases with the area newspapers, Pelham Cable TV, and other media. Our aim is to keep families updated with all that is being offered and what our programs entail for adults, teens and children.

### 2020 Programming

**Summer Camp** – The easy thing to do would have been to cancel the 2020 Summer Camp due to the pandemic. We realized the need for this program by many families. We adapted our program, camp activities, and developed protocols to offer a safe and fun camp for Pelham residents.

Despite a few weather cancellations, the six-week camp went very well offering 135 campers a fun and memorable summer.

**Scarecrow Competition** – With the current pandemic we were looking for a FREE family fun event for our residents. We decided on a scarecrow competition with Amazon gift cards as prizes for the top four scarecrows entries. Residents were encouraged to create and display scarecrows at their homes. Families were also asked to email a picture of their scarecrow to Parks and Recreation to be displayed on our website.

**NH ESports League** - We were looking for new ideas to keep our community engaged. We attended a webinar with several other Parks and Recreation Directors and we came up with NH ESports League. ESports is one of the fastest growing competitions in the world. Players will compete playing video games online from their own living rooms vs players from all over the state. We will be offering leagues using 5 different games. Registration is offered for \$20 per player. Players will compete in a 6 week season plus playoffs.

*Immortal Llamas 2020 Men's Softball Champs*

**Men's Softball League** got off to a late start, but it did not stop the Immortal Llamas from running the table and winning the championship. We had 12 teams take to the diamond this year to compete for the Pelham Men's Softball League Championship.

### Facilities

**Veterans Memorial Park Pavilion** – A 24' by 32' pavilion was erected parallel to our summer camp lodge at the park. The pavilion will give our summer campers a place to eat their lunch, as well as a place for patrons to get out of the sun and relax while being able to watch their children enjoy the playground. The cost of the pavilion was paid for from registration fees collected for summer camp.

**Dennis P Lyons Park** – The entrance to the park got a facelift in 2020. Memorial stones had been buried in the ground and were often overgrown with grass. We also had an issue with the playground mulch escaping onto the pavers. Our solution was to add a planter box along the fence line of the playground. This gave us a place to put the memorial stones as well as act as a wall to keep the playground mulch in the playground where it belongs. After the planter was installed, we added mulch and planted Daylilies. We were very happy with the end result.

**Newcomb Field** – We have begun the process of replacing the lights at this field. The lights are old and dated and some of the fixtures are broken beyond repair. This year we ordered 6 new LED fixtures and replaced the old fixtures on the outfield poles. Our goal is to replace 6 each year until all are replaced. No tax dollars were used for this project. We used funds generated from our adult softball programs to pay for the repairs.

We had a change in our staff in 2020. Kathy and I wished Melissa Binette good luck with her new opportunity in the front office and welcomed Lynne Slattery to the Parks and Recreation team. Lynne brings a warm and cheery disposition as well as keen customer service skills. Welcome Lynne!

Our website, [www.pelhamweb.com/recreation](http://www.pelhamweb.com/recreation), continues to be the best source for information on all our programs, as well as online registration, pictures, and videos. We are happy to have anyone stop by the office with inquiries or discussions and to accept calls or emails. Our office hours are Mon-Fri 8 am to 4 pm at the Pelham Municipal Building.

Many thanks to all our volunteers and staff who made 2020 such a great success. Many of our programs are dependent on their efforts and goodwill, which are greatly appreciated. Our plans are to continue to improve our facilities while adding and improving the activities and programs offered. We look forward to another great year in 2021!

Brian, Kathy and Lynne  
Pelham Parks and Recreation

## PLANNING DEPARTMENT 2020 Annual Report

I am sure we can all agree that 2020 has been a challenging year for all of us. The Planning Department is no exception. However, I am pleased to report that with the guidance of the Board of Selectmen and with the support of Town Administrator Brian McCarthy, the Planning Department has not experienced any shutdowns due to the COVID 19 pandemic. We have continued to process applications, permits, inspections and to provide support for applicants, the Planning Board and Zoning Board of Adjustment. Likewise, our land use boards have continued to conduct their important business thanks to the support of Jim Greenwood and his team who manage the Zoom platform for us allowing board members, applicants and members of the public to participate.

This year, more than ever, we owe a debt of gratitude to our inspectors Roland Soucy and Tim Zelonis who continue to do their critical work even during the pandemic where they must venture into private homes to conduct inspections including many that are occupied. While our inspectors are not emergency responders per se, they literally have put their own safety on the line to ensure the safety of others by inspecting for high quality, code-compliant construction, electrical work and plumbing.

Our departmental critical statistics follow this narrative report and when you review the information it will be obvious that business has continued without a great impact from the pandemic. This is due in no small measure, to the ingenuity and dedication of the Planning Department staff who have had to invent processes on the fly so we can manage permits over the phone and on-line. We plan to continue these practices even after the pandemic is over to extend that value-added service to our customers.

I proudly recognize the outstanding work of Jennifer Beauregard, *Planner/Zoning Administrator*, Kerry Zelonis, *Office Manager*, and Jeanette Midgley, *Planning Admin Assistant* who have performed their duties so well in this changing environment. They truly understand the meaning of customer service and I appreciate their work ethic and attention to detail as they represent the Town in communication with the public. I also welcome to my team, Dena Hoffman, our new *Environmental Regulation Compliance Specialist* who will help us meet the rigorous demands of the EPA for stormwater planning, management, permitting and reporting. Dena will work closely with me and our environmental consulting firm to help Pelham stay in compliance with the ever-increasing requirements of the unfunded MS4 federal mandate.

Last, but certainly not least, I want to thank John Lozowski for his tireless work as our Code Compliance Official. John works with our citizens to help them attain compliance with zoning and to resolve all sorts of issues and complaints in a constructive manner. John embodies our mission to work patiently with the public to achieve compliance rather than to seek punitive ends.

It has been and continues to be my pleasure to serve as Pelham's Planning Director. I look forward to working with my outstanding team in 2021 for the benefit of Pelham's citizens.

Respectfully submitted,

Jeff Gowan  
Planning Director

## **PLANNING DEPARTMENT**

### **OFFICE HOURS:**

**Monday through Friday 8:00 A.M. – 4:00 P.M.**

All work performed in the Town of Pelham must meet the current versions of the ICC International Building Code, National Electrical Code and International Plumbing Code. All inspections are arranged through the Planning Office staff.

### **Planning Office Staff**

Jeff Gowan, Planning Director

Jennifer Beauregard, Planner / Zoning Administrator

Kerry Zelonis, Planning Office Manager

Jeannette Midgley, Administrative Assistant

### **Inspectors**

Roland J. Soucy, Building/Plumbing Inspector

Timothy Zelonis, Electrical Inspector

### **Health Agent**

Paul Zarnowski - Health Agent / Deputy Health Officer

Gifford Colburn of Keach/Nordstrom – Alternate Septic Inspector

### **Code Compliance Official**

John Lozowski

### **Environmental Regulation Compliance Specialist**

Dena Hoffman

## Nashua Regional Planning Commission 2020 Annual Report | Regional Initiatives

The Nashua Regional Planning Commission (NRPC) develops and implements innovative planning strategies that preserve and improve the quality of life in Southern New Hampshire. Serving 13 member communities, the NRPC is a **resource** to support and enhance local planning, provides a **forum** for communities to share information, and coordinate transportation, land use, economic development, and energy and environmental planning at the regional level, and offers a **voice** for the region at the State and Federal levels.

The FY21 NRPC budget is comprised of 58% federal transportation funding sub-allocated by the State of NH, 10% local dues, 15% Household Hazardous Waste program support, 4% local contracts, 4% State of NH grants, 10% Federal grants, and 1% from special services and miscellaneous revenue.

Highlights of 2020 regional initiatives of benefit to all NRPC communities include:

- **Locally-Coordinated Transportation Plan:** In 2020 NRPC, in conjunction with local human service agencies, transportation providers, consumers, and other partners, completed a comprehensive update of the Locally-Coordinated Transportation Plan, which will foster and guide the future coordination of community transportation on the regional level.
- **Nashua MPO Transportation Project Planning Process:** The MPO is the transportation policy-making organization for the region. The MPO administers the federal transportation process to acquire and spend Federal money on transportation improvements. In 2020 the MPO solicited projects from communities for inclusion in the FY 2023-2032 TYP and conducted project scoring and prioritization, prepared FY 2019-2022 Transportation Improvement Program (TIP) Amendments 3 and 4 to implement significant project revisions, developed a methodology for transit fiscal constraint analysis for the Metropolitan Transportation Plan (MTP) Minor Update, and revised the procedure for highway projects. All Nashua MPO transportation projects are now available for viewing in a new online MPO Projects Viewer.
- **Transportation Performance Targets:** In 2020 the Nashua MPO developed and adopted performance targets for highway and public transportation safety and reduction of carbon monoxide emissions.
- **Nashua Complete Streets Advisory Committee:** Complete Streets are streets that are designed and operated to enable safe access for all users, including motor vehicles, pedestrians, bicyclists, and transit riders of all ages and abilities. NRPC collaborates with communities throughout the region who are working to develop local bicycle and pedestrian infrastructure, complete streets, and multi-use trail projects. Committee activities in 2020 include the Nashua Region Pedestrian & Bicycle plan update, the NHDOT Statewide Pedestrian & Bicycle plan update, Souhegan Valley rail-with-trail advocacy and planning, Amherst Village – Milford Oval side path along Amherst St, and the regional bike and pedestrian traffic counting initiative.
- **Inter-Regional Transit Expansion Study:** 2020 marked the kickoff of an inter-regional study to determine the feasibility of operating shuttle services from Nashua to the University of Massachusetts Lowell and the MBTA Lowell terminal connecting with rail and fixed-route bus service. Data compilation and ridership estimates are underway, and the full analysis will be completed by mid-2021.
- **CommuteSmart:** The mission of CommuteSmart Nashua is to improve transportation mobility options for all residents and employees in the region. In 2020, NRPC conducted outreach on behalf of the program and participated in two challenge events that encouraged alternate modes of commuting including rideshare, transit, bicycle and walking, and telecommuting.

30 Temple Street, Suite 310  
Nashua, NH 03060  
(603) 417-6570

## Nashua Regional Planning Commission 2020 Annual Report | Regional Initiatives

- Household Hazards Waste (HHW) Collection:** On behalf of the Nashua Regional Solid Waste Management District (NRSWMD), NRPC held four HHW Collection events in 2020 for residents to properly dispose of hazardous household products such as oil-based paints, solvents, auto products, antifreeze, pesticides, and cleaners. In 2020, the District collected a record 129,965 pounds of waste from participants.
- Toxic Free, Easy as 1-2-3:** In 2020, this EPA-funded the creation of educational materials and hosting of a series of three webinars aimed at reducing childhood poison exposures in the home. The project's outreach encourages residents to properly dispose of household hazardous waste at NRPC-run collection events in the region and will continue through coordination in outreach through the HHW program.
- Brownfields Assessment Program:** NRPC's Brownfields Assessment program provides funding to conduct environmental assessments on sites with known or suspected contamination to safeguard public health and encourage the redevelopment of target sites into economically viable uses. Since 2019, assessments have been conducted on five sites including a former junkyard, vacant gas station, a hazardous materials disposal site, and two vacant industrial buildings.
- Regional Census Partnership:** As a Census Partner, NRPC has participated in numerous programs in support of the 2020 Decennial Census. In the first half of 2020 NRPC conducted a social media outreach campaign that encouraged self-response participation. On average, individual NRPC community self-response rates averaged 80%, which well-exceeded that of Hillsborough County (75%) and the State of NH (67%).
- NH GeoData Portal:** NRPC launched a joint project between UNH/Granit and the nine NH regional planning to establish a new regional GIS Hub. This centralized resource will feature ArcGIS StoryMaps and other content that highlight the many useful benefits of geographic information systems (GIS) in regional planning. The Hub will seamlessly integrate with a new and modern statewide GIS portal housed at UNH.
- NH Lower Merrimack Valley Stormwater Coalition:** NRPC continues to serve as the fiscal agent of the Coalition's municipal pooled funds as well as the physical and virtual meeting host for the Coalition's monthly meetings.

30 Temple Street, Suite 310  
Nashua, NH 03060  
(603) 417-6570

## Nashua Regional Planning Commission 2020 Annual Report | Pelham, NH

NRPC provides comprehensive transportation, land use, environmental, and economic development planning services and delivers extensive mapping and data assistance. As an NRPC member, the Town of Pelham accessed a wide range of benefits in 2020, including:

**Energy Supply Aggregation:** [nashuarpc.org/e-agg](http://nashuarpc.org/e-agg)

NRPC facilitates a bid process among licensed electricity suppliers. By serving the aggregate electric demand across NRPC member towns and schools, suppliers can offer a better rate than the typical default rates offered to individual customers.

- Pelham's 2020 **Energy Savings: \$6,928**
- Pelham's **Cumulative Savings** since Joining Aggregation: **\$53,395**

**Discounted New Hampshire Planning and Land Use Regulation Books**

In conjunction with the NH Office of Strategic Initiatives, NRPC offers the annual New Hampshire Planning and Land Use Regulation Book to communities at a sizable discount over the retail price.

- Pelham's **Total Cost Savings** in 2020: **\$2,250**

**Online GIS and Tax Mapping:** [nrpcnh.mapgeo.io](http://nrpcnh.mapgeo.io), [nashuarpc.org/TaxMapPel](http://nashuarpc.org/TaxMapPel)

MapGeo, NRPC's Live Maps App, is the Town's public GIS property viewer. NRPC also maintains Pelham's legally-required tax maps and map posters to support various town needs.

- Estimated Annual Software **Cost Savings: \$3,000**

**Household Hazardous Waste (HHW) Collection:** [nashuarpc.org/hhw](http://nashuarpc.org/hhw)

NRPC held four HHW Collection events in 2020 for residents to properly dispose of hazardous household products such as oil-based paints, solvents, auto products, antifreeze, pesticides, and cleaners. **33 Pelham households** participated in these events in 2020.

**Traffic Counting:** [arcg.is/Ovm8q](http://arcg.is/Ovm8q)

Under contract with the New Hampshire Department of Transportation or by local request, NRPC conducted **15 vehicular traffic volume counts** in Pelham to support travel demand modeling and prediction and to assist local and regional planning decision-making.

**Pelham Capital Improvement Program (CIP)**

Annually, NRPC reviews the Pelham Capital Improvement Plan and incorporate new projects and funding recommendations provided by the Town for review and finalization by the CIP Committee.

**Needs Assessment on Behalf of Pelham Council on Aging**

NRPC began a Senior Needs Assessment for the town, which will include an analysis of existing conditions and demographics, a resident survey, focus groups, and an action plan to be completed in early 2021.

**MS4 Technical Assistance:**

Under contract with the Town, the NRPC assisted Pelham with training, oversight, and QA/QC of field data acquisition to support EPA municipal storm-water permit compliance (MS4).

**Natural Resource Mapping for Pelham Forestry Committee and Pelham Conservation Commission**

In 2020, NRPC facilitated the mapping of new Prime Wetlands designations. NRPC also collected new trail data at Merriam Farm and Raymond park and created a new town-wide open space map poster for general reference and planning.

NRPC extends heartfelt thanks to citizens and staff who support regional planning, including:

**Commissioners:** Dave Hennessey, Hal Lynde

**Transportation Technical Advisory Committee Members:** Jeff Gowan, Jennifer Beauregard

**Nashua Regional Solid Waste Management District Representatives:** Frank Ferreira, Rhonda Martin

To the Honorable Board of Selectmen and my fellow Pelham Neighbors,

The global Covid-19 pandemic coupled with generational, national, civil unrest aimed towards policing made 2020 a year like no other for the Pelham Police Department. As an agency these factors have challenged us and ultimately made us a better department.

As the pandemic unfolded, we put numerous safety protocols in place that allowed us to continue to provide 24/7 peace keeping coverage for the town. I am proud to say that all our employees accepted the risk of COVID-19 exposure without complaint and performed their jobs admirably.

Although the anti-police sentiment occurring in many parts of the country was discouraging, we continued to receive support and encouragement locally. We have worked diligently to garner this community support by providing our town a professional, transparent, community based police department. This commitment helped to position us “*ahead of the curve*” in terms of police reform.

Our use of force policies are in full compliance with contemporary policing expectations. They specifically ban the use of choke holds. Additionally, our use of force policies and accompanying training have provisions for multiple less lethal force options as well as de-escalation techniques.

All of our officers receive training annually in order to recognize and eliminate “biased based” policing. Biased based policing is the use of race, ethnicity, gender, sexual orientation, religion, economic status, background, age, or culture as the sole basis for police activity. We conduct this training to ensure our officers conduct their duties in an impartial and fair manner. We also track and analyze the race information of all individuals stopped for traffic infractions. This information is used to ensure our officers are not racially profiling motorists.

Another important way we have gathered community trust and thus legitimacy within our community is by ensuring all of our officers continue to be trained in and familiar with the concept of procedural justice. Procedural justice consists of ensuring fairness in the policing process, transparency in an officer’s actions, providing opportunities for citizens involved in police actions to have a “voice” and that officers display impartiality in their decision making.

After gratefully receiving the budgetary support of the town, we implemented a department wide Body Worn Camera (BWC) program in 2020. These BWC’s work in conjunction with our long standing dashboard camera program. Virtually every moment of our officers conducting their daily duties is video and audio recorded. In addition to bolstering our community trust these videos provide compelling evidence for criminal cases and outstanding opportunities to refine and evaluate our officers field performance.

The Pelham Police Department recently completed our four-year reaccreditation assessment through the Commission on Accreditation for Law Enforcement Agencies (CALEA) [www.calea.org](http://www.calea.org) . Upon successfully completing this assessment we continue to be recognized as a nationally accredited police department. Many of the upcoming national and state police reform actions are recommending accreditation for all police agencies. The benefits of accreditation include stronger defense against civil lawsuits, reduced risk and liability exposure as well as greater accountability within the department.

Social Media continues to be an important resource for us to maintain our connection to our community. To receive official notifications and alerts from our department please click on “sign up for alerts” at [www.citizenobserver.com](http://www.citizenobserver.com) . Those official alerts are also forwarded to our Facebook account and Twitter accounts.

In closing, as always, I would like to thank all of the men and women of the Pelham Police Department, both sworn and

civilian, who tirelessly dedicate themselves daily to the safety and wellbeing of the citizens of our great town. They truly deserve all the credit for our success as a police department.

If you should have any questions or comments please feel free to contact me at the above telephone number or at [jroark@pelhampolice.com](mailto:jroark@pelhampolice.com) .

Respectfully,

*Joseph A. Roark*

Barbara Sherman – FLIP Liaison

The year 2020 has been an unprecedented year for the Pelham Library due to Covid19. In March the library shutdown and staff worked from home exclusively. During the shutdown, no patrons or staff were allowed in the library. The library staff creatively offered virtual services to allow patrons to continue to find materials to read, programs to attend, and activities to keep children engaged. As we learned more about the Coronavirus, we implemented phases putting specific precautions and procedures in place to allow for patrons to enter the building in a safe manner protecting patrons and staff. The Trustees and Staff of the library continually monitor state and government guidelines pertaining to Covid19 and adjust the re-opening phases appropriately. No date has been established to fully open the library to patrons and programs.

Circulation has remained a top priority. Policies were set up for our very popular curb-side pick-up program including using google voice to allow patrons to text the library. We also instituted a system for patrons to request library cards online and receive codes to use our online services. In addition, we used the new Readsquared technology for online reading programs and zoom technology for library and trustee meetings.

We continue to maintain and update the library media collections, adding over 3,000 items this year. We circulated over 12,000 children's books, audiobooks, and DVDs and distributed 725 craft kits. The take home crafts are a hugely popular service helping families through some of the drearier parts of this quarantine year.

Ancestry remains our most popular online database followed by Consumer Reports. We hope to see newly added Lynda to be a huge hit in the coming year. Downloadable books dipped a little we still topped 10,000 checkouts.

We were able to set up policies for telescope check out which has had some interest. We have extensively used Facebook to support the community during these trying times including a series on how to do a job search during Covid19.

Adult programming has struggled a little as virtual meeting fatigue has hit many of us hard, there is just nothing like gathering in person for a craft program or presentation and enjoying participants' energy and enthusiasm. However, we were able to hold our first Adult Summer Reading Program - all virtual - that was quite successful. Participants were thrilled for the opportunity to win prizes for reading books!

The Young Adult Department has been able to adapt most of our programs to be held virtually which has been a challenge and a great adventure. We have distributed more than 25 different craft kits to teens, created a google voice account for tutoring help, a Discord channel, trivia tournaments, and an online summer reading program! On top of our virtual programming adventures, we have had over 1,000 Young Adult titles circulate in 2020.

For the Pelham Library building the carpet downstairs was replaced in areas that suffered water damage from the previous year boiler flood. The new carpet looks wonderful and we look forward to doing the rest of the building and removing all the tripping hazards. In addition, with thanks to the support of the town manager we also have a brand-new boiler. By the time this report is published we should also see new sound panels and a sound abatement. The sound abatement solution will greatly reduce noise filtering downstairs from upstairs programs and particularly our after school crowds.

One of our support staff, Karen Lord, has moved with her family to the Midwest. She's been a friendly and reliable co-worker and she will be missed. We welcome her replacement Debbie McGowan who looks forward to serving the Pelham community here at the library.

We look forward to getting back to in-house programming and patron services as soon as possible and will continue to work hard in providing important resources to our community in the safest way possible.

Respectfully submitted,

Greg McClay  
Library Director

Jennifer Greene  
Assistant Library Director

With contributions from staff.

dates throughout the year.

## HOBBS COMMUNITY CENTER 2020 Annual Report

Where Friends Gather!

The Pelham Senior Programs at the Hobbs Community Center continues to be busy even during a global pandemic! We have worked hard to keep folks engaged and active during the shutdown. During the shutdown we had online LIVE Facebook bone strengthening classes. We also offered many different ZOOM classes for seniors who were now isolated at home. These classes covered many topics such as Legal and Financial Management, Sodium-Silent Killer or Taste Bud Thriller, The Power of Protein, Proper Stretching, etc.

**Facebook Live  
Strengthening Classes**

**Pelham Awesome  
Walkers Club**

**Zoom Programs**

Due to COVID-19 pandemic our travel program has been put on hold until 2021! We are planning for travel next year and with the emergence of a vaccine will again be out and about throughout New England and beyond!

In June, with the help of the Pelham Council on Aging, Grand Rental, and the Pelham Good Neighbor Fund we were able to rent a large tent for our back yard. This gave us the ability to hold outdoor classes and programs through September! We once again were able to hold on sight programs. We were able to hold weekly programs such as fitness classes, weightlifting classes, cornhole, bean bag baseball, tai chi, and special events like our cornhole tournament and a BBQ Lunch. All outside and under the tent.

**Weightlifting Outdoors**

**Special Presentation under our tent!**

**Cornhole Tournament and Lunch**

In September we have moved our programs back inside! We are taking extra precautions to keep our participants safe! We have instituted measures such as hand sanitizing prior to coming in the building, limiting class size to 10, pre-registering for all programs, mandatory masks wearing and sanitizing between programs. We are looking forward to next year and life after COVID!

The Senior Programs continues to have a strong working relationship with the Pelham NH Council on Aging, Corp. (PCOA). The Senior Program Director attends a monthly meeting of the PCOA Board of Directors. The PCOA subsidized several senior programs at the Hobbs Community Center. In 2020, the PCOA helped to fund the tent over the summer so we could offer onsite programs!

The Senior Center staff includes a full-time director, a part-time office manager, a part-time travel assistant and a full-time bus driver/facilities assistant. With the increase in the number of aging adults and increase in program demands we are looking to increase the Office Manager's hours to full-time. This increase will help with the overwhelming workload in the Center office.

The staff, along with several committed senior volunteers (these volunteers assist with general maintenance, running The Pelham Community Thrift Store, SJCS meals, assisting with check in, senior community events etc.) keep the senior programs on track. These volunteers have gone above and beyond this year during the COVID crisis. The senior programs continue to be lucky to have such dedicated and hardworking employees and volunteers.

**Our amazing 2020 volunteers in action!**

Transportation continues to be a major need of aging adults here in town. Trips included rides to and from the Hobbs Community Center, medical appointments, grocery stores, shopping centers, the post office, pharmacies, banks, and other stores. The Hobbs Community Center bus provided 41 different seniors rides this year.

As our senior population increases in our community so do the needs. Many requests come into the Senior Center for transportation services, financial assistance, and homecare service advice. Pelham's biggest challenge over the next few years will be to adequately meet the needs of our home bound seniors. Outreach services to these seniors could be very beneficial. Additional staffing at the Hobbs Community Center is needed to improve and maintain services and should be considered as it is necessary to adequately manage our aging population in town.

To join the Pelham NH Council on Aging, Corp. you must be 50 years old and pay annual dues of \$10.00 for town residents and \$15.00 for nonresidents. There is no annual join fee for the Senior Programs.

There is always something fun happening at the Hobbs Community Center, so stop on by and check us out!

Respectfully Submitted,

Sara Landry  
Senior Center Director

(gates close at 4:25PM)

## TRANSFER STATION & RECYCLING CENTER 2020 Annual Report

In the year of 2020, the Pelham Transfer Station & Recycling Center handled 3,348.16 tons of solid waste. In 2019, we handled 3,179.14 tons of solid waste. Which is an increase of 169.02 tons of solid waste.

In the year of 2020, the Pelham Transfer Station & Recycling Center handled 921.95 tons of single stream recyclables. In 2019, we handled 845.49 tons of single stream recyclables. Which is an increase of 76.46 tons of single stream recyclables.

In the year of 2020, the Pelham Transfer Station & Recycling Center has brought \$ 54,940.99 in revenue. In the year of 2019, the Pelham Transfer Station & Recycling Center has brought \$ 52,885.70 in revenue. Which is an increase of \$ 2,055.29 in revenue. Our revenue will fluctuate, due to the Light Iron & ABC market. Fortunately, this year in 2020 it has increased considering the COVID-19 Pandemic.

The HHW Events did not get off to a great start. We had to cancel three out of seven events, due to COVID-19. We had too also, relocate the three events in Nashua to 25 Crown Street. The Milford event got rescheduled to August 29, 2020. In 2021 we are hopeful that we will be able to hold all seven events, which Pelham will be hopefully hosting an event in August 2021.

If you would like to get more information on how to handle the household hazardous waste (HHW), please check out the Town website at [www.pelhamweb.com](http://www.pelhamweb.com) and click the Town Department tab followed by the Transfer Station and Recycling Center tab. There you can find out information on all items accepted at the Transfer Station & Recycling Center along with instructions on how to handle household hazardous waste. As a reminder, all Latex paint can be brought to the Transfer Station if it is dried out and mixed with speedy dry or kitty litter, all batteries should be handed to one of the attendants.

Pelham Transfer Station & Recycling Center has issued approximately 723 permits to the residents of Pelham, NH., 417 of those permits are “Resident Renewals”, 280 of those permits are “New Residents”, 4 are “New Seasonal Residents”, 3 are “Seasonal Resident Renewals and 19 are “TEMP”.

We hired two On-Call Attendants. Cam Lodge, from Parks and Recreation & Dylan Levesque, a senior at Pelham High School.

Once again, we would also like to thank all the residents of Pelham who utilize the facility. We are always looking for ways to reduce costs while producing more revenue for our taxpayers. Our staff of Larry Neskey, Bob Long, Steve Belcher, Ralph Barrett III, Rhonda Martin, and I would also like to take this opportunity to personally thank the residents of Pelham, NH who utilize the facility. Your kindness and generosity throughout the year is greatly appreciated.

Respectfully Submitted,

Frank Ferreira, Director

## Zoning Board of Adjustment

Committee Chair:  
Bill Kearney

Committee Vice Chair:  
David Hennessey

Planning Department  
6 Village Green  
Pelham, NH 03076

Phone:(603) 635-7811  
Fax: (603) 635 6954

or visit the Planning Department during regular business hours.

## ZONING BOARD OF ADJUSTMENT 2020 Annual Report

The Pelham Board of Adjustment provides the important service of hearing several cases pertaining to land use in our town throughout the year. Through testimony the Board must determine if the applicant has sufficiently provided enough evidence to meet the requirements for the Board to grant relief from the current zoning ordinances. The dedicated members and alternates that sit on the Board have respectfully performed the duties required in a thoughtful manner, balancing the rights of the property owners and overall good of our town. Our Board Members and Alternates have consistently attended valuable training sessions to remain current with the changing laws and regulations.

The Board would like to recognize and thank everyone who provides support and services to ensure the monthly meetings are seamless and professional. First and foremost, we would like to recognize the dedication and outstanding effort Charity Landry has demonstrated throughout her 20-year commitment of excellence in accurately performing the duties of Recording Secretary and wish her well in her retirement. We welcome Jordyn Isabelle to the position and are confident she will do a great job in following in Charity's footsteps. Planning Director Jeff Gowan who provides invaluable guidance and support. Audio and Video Coordinator Jim Greenwood who keeps the entire A/V crew on point to broadcast the meetings. A special thank you goes to Zoning Administrator Jennifer Beauregard who works tirelessly to provide support for the Board with all materials required to successfully conduct monthly meetings. Jenn's dedication to the town of Pelham is exceptional, her knowledge is invaluable.

The following cases were heard in 2020:

<b>Applications for Variance</b> .....	<b>22</b>
<b>Applications for Special Exception</b> .....	<b>13</b>
Applications Approved.....	20
Applications Approved.....	13
Applications Denied/Withdrawn .....	2
Applications Denied/Withdrawn .....	0
<b>Requests for Rehearing</b> .....	<b>4</b>
<b>Applications for Equitable Waiver</b> .....	<b>0</b>
Requests Granted .....	4
Requests Denied/Withdrawn.....	0
<b>Appeals of Administrative Decision</b> .....	<b>0</b>

The Board of Adjustment meets on the second Monday of each month at 7:00 P.M. Any resident wishing to bring a matter before the Board should fill out an application at the Planning Department. Information may also be obtained at the Planning Department's web site [www.pelhamweb.com/planning/](http://www.pelhamweb.com/planning/).

Respectfully Submitted,

Bill Kearney, Chair

## Agricultural Commission

Committee Chair:  
Jenny Larson

Pelham Planning Department  
6 Village Green  
Pelham, NH 03076

Phone: (603) 635-7811  
Fax: (603) 635 6954

Agricultural Commission Meets:

The 1<sup>st</sup> Thursday of each month  
at 6:30PM

Location:  
Sherburne Hall  
Town Municipal Building  
6 Village Green

## AGRICULTURAL COMMISSION 2020 Annual Report

The Agricultural Commission was formed in March of 2020 after being voted in during the March elections.

The Commission is an advisory role to the town and it will recognize, educate, promote, protect agriculture and encourage agricultural resources within the community.

The Commission consist of (5) full time members and five (5) alternate members appointed by the Board of Selectmen. Initial terms will be appointed for 1,2, & 3 years and shall thereafter be appointed to 3-year terms.

This year management:

- Created our Rules, Bylaws and Guidelines.
  - Look into bringing back the Farmers Market to town.
  - Introduce agriculture to the students in the public schools.
  - Help maintain the rural character within our town.
  - The Commission has already met with the Animal Control Officer, the Code Enforcer also the NH Agricultural Commissioner.
  - Developed a new Facebook page.
  - Fundraising.
  - Work with other town boards in our community such as the Board of Selectmen, Zoning and the Planning Board.
  - Community outreach programs.
- Getting involved in the Master Plan having a detailed section on the Agricultural Commission.
  - Whole community outreach.
  - We had a table at the Restore Thank You Livestock Meet and Greet on Saturday, Sept 26<sup>th</sup> to bring awareness to the community what we are all about.
  - Attended the Old A Fair at Brookside Farm in Pelham on October 10<sup>th</sup> with an informational table during the fair.
  - We have created informational brochures to hand out to the community with lots of resources containing websites, emails and our Facebook page to refer to if or when needed.
  - To Get involved with Old Home Day, The Festival of Trees and create live educational events & workshops throughout the year for the community.

Respectfully submitted,

Jenny Larson, Chair

## PELHAM CAPITAL IMPROVEMENTS PLAN 2021-2027

### A. INTRODUCTION

The preparation and adoption of a Capital Improvements Plan (CIP) is an important part of Pelham’s planning process. A CIP aims to identify and resolve deficiencies in existing public facilities and to anticipate and meet future demand for capital facilities based on current and expected population increases and the citizen’s use of public services. A CIP is a multi-year schedule that programs a series of municipal projects and their associated costs. Over the seven-year period considered by the CIP, the plan shows how the Town should maintain, expand and renovate facilities and services as needed to meet the growing demands of existing as well as new residents and businesses.

A CIP is an advisory document that can serve several purposes, among them:

- To provide the Town of Pelham with a guide to be used by the Budget Committee, Board of Selectman, and School Board for their annual budgeting process (RSA 674:5-8);
- To provide a forward looking planning tool for the purpose of contributing to the creation of a stable real property tax rate;
- To aid the Town's elected officials, appointed committees, and department heads in the prioritization, coordination, and sequencing of various municipal and school improvements;
- To inform residents, business owners and developers of needed and planned improvements;
- To provide a necessary legal basis for the development and proper administration of the Town's impact fee system (RSA 674:21.V.(b)).

The NH Office of Strategic Initiatives (NHOSI) estimated population of Pelham in 2015 was 13,117, with an estimated density of 499.08 persons per square mile, up from 497.7 in 2013. US Census figures show that Pelham’s population experienced rapid growth between 1960 (pop. 2,605) and 1980 (pop. 8,090) and the most recent 2010 Census lists Pelham's population at 12,897. (Table 1, Figure 1). From 1980 to 2000, the rate of growth abated slightly with a notable decrease in the growth rate since 2000. Both the population projections released by NHOEP in 2016 and those conducted by the Nashua Regional Planning Commission (NRPC) at the same time, forecast a significantly slower growth rate than in previous decades, with the NRPC figures slightly higher than those prepared by NHOSI. The NRPC projections show that Pelham continues to grow, with a projected population of 15,282 persons by 2040. This is an average of 80 persons per year over the 30-year projection period, or an annualized growth rate of 0.6 percent.

Narrowing in on projected population by age cohort, as shown in Figure 2, like many communities in the State and region, Pelham is forecast to see a decline in the number of children under age 20 between 2010 and 2040. This decrease is estimated to total 241 persons, a change of -6.6 percent. The adult population up to age 64 is projected to remain nearly constant, losing about 42 people, a -0.5 percent change, from 2010 to 2040. All projected growth is in the Town’s population age 65+ that is anticipated to grow by 2,667 persons, a 2 percent change.

The NRPC “Region-Wide Buildout Impact Analysis,” October 2005, estimates a population at buildout of 24,185 based on zoning current at that time.

The Pelham Capital Improvements Plan Committee (the Committee) has prepared this report under the authority of the Planning Board and RSA 674:5-8 (Appendix C). It is the Committee’s intention that this report reflects the capital needs of the Town of Pelham for the years 2021 to 2027 and offers critical guidance and practical recommendations to the Board of Selectmen, Budget Committee, School Board, Department Heads and residents of the Town as an integral part of the annual budgeting process.

Information was submitted to the Committee from all Town Departments, Boards and Committees, which helped form the basis of this document. Although this CIP spans a seven (7) year period, the CIP should be updated every year to reflect changing demands, new needs, and routine assessment of priorities and costs. This document contains those elements required by law to be included in a Capital Improvements Plan.

As indicated, the adoption of a CIP by the Planning Board is a statutory prerequisite to the application of impact fees. The adoption of an impact fee ordinance occurred in 1999, when in October of that year an impact fee schedule was approved to fund a portion of the cost to construct a new elementary school. In late 2005 the Pelham Planning Board rewrote the Impact Fee Ordinance in order to take advantage of the updates recently done by the Legislature regarding impact fees. The voters adopted the Town’s new impact fee ordinance in March of 2006.

Impact fees, however, have significant limitations. They can only be used to offset the proportion of capital expenses attributed to new development. They may not be used to meet existing capital deficiencies. In addition, impact fees collected must be properly used within six (6) years, or the Town must refund unused funds and accrued interest to the developer(s) who paid them.

**For the purposes of this document, a capital improvement is defined by its cost and its useful life. Items included have a cost of at least \$75,000 and generally have a useful life of at least three years.** Eligible items include new buildings or additions, land purchases, some studies, substantial road improvements and purchases of major vehicles and equipment. The CIP Committee feels items less than \$75,000 should be placed in the operating budget in order to focus on the more critical needs identified as community development goals. Operating expenditures for personnel and other general

Town of Pelham  
Capital Improvements Plan  
2021-2027

costs are not capital items and therefore are not included in this plan. Expenditures for maintenance or repair are generally not included unless the cost or scope of a project is substantial enough to increase the capacity of a facility, or an improvement is a major long-term repair that maintains the useful life a capital facility.

A brief description of each project prioritized by the CIP Committee and included in the 2020 to 2026 CIP schedule is provided below. Starting dates are not necessarily provided for deferred projects or those categorized as needing research. Typically, deferred projects are not placed on the seven (7) year schedule because of the following:

- 1) There is insufficient information to determine the relative need for a capital improvement and additional research may be required before the Committee would consider allocating the project within the CIP schedule; or
- 2) Based on information available, the Committee has determined there is not a demonstrated need for a project in the next seven years.

The CIP Plan is required by state statute to identify the needs, costs, and scheduling of capital projects, in the most efficient way possible, for the stakeholders in Pelham's future - the taxpayers and citizens of the community.

## B. FINANCING METHODS

In the project summaries below, there are several different local financing methods referenced. Four of these methods require appropriations; either as part of the Town's annual operating budget or as independent warrant articles at Town Meeting. The **1-Year Appropriation** is most common and refers to those proposed projects that are to be funded by real property tax revenues within a single fiscal year. The **Capital Reserve** method requires appropriations over more than one year, with the actual project being accomplished only when the total appropriations meet the project cost. The **Lease/Purchase** method has been used by the fire and highway department for vehicle purchases. **Bonds** are generally limited to the most expensive capital projects, such as major renovations, additions, or new construction of buildings or infrastructure, and allow capital facilities requests to be met immediately while spreading out the cost over many years in the future. A more detailed description of each financing method is provided below.

**The One-Year Appropriation** is most common and refers to those projects with proposed funding from real property tax revenues within a single fiscal year. The CIP committee recommends this approach for irregular Capital needs that do not exceed \$100,000.

**The Capital Reserve method** requires appropriations over more than one year, with the actual project being accomplished only when the total appropriations meet the project cost. The CIP committee recommends this approach for expenditures over \$100,000 and less than \$1,000,000 and for projects or Capital Assets having a known fixed life such as vehicle replacement, building maintenance and road repair. In conjunction with the Capital reserve method of financing, there may be State or Federal monies available to pay for portions of the project, which require the Town to raise their percentage of matching funds prior to receiving these Federal or State dollars. An example is State bridge aid where the town needs to raise their 20% matching share prior to applying for the State 80% share. Identification of these needs early is critical to starting a Capital Reserve in time to fund projects when needed.

**The Lease/ Purchase method** has been used in the past for the purchase of Fire trucks and Highway department vehicles. Although this is a valid financing method, the CIP would like to recommend that we get away from this method of payment and stop paying high interest lease payments and start funding vehicle replacement through Capital reserves where the Town pays itself the interest on Capital balances rather than a financing company for the purchase of needed vehicles. The CIP committee feels this would be a substantial tax savings for Pelham residents based on the number of current vehicles and equipment owned by the town along with additional vehicles that will be needed in the future. The annual interest earned or saved on a properly funded vehicle replacement Capital reserve would pay for the cost of certain vehicle replacements when needed.

**The Bond or Bank Note method** of payment is recommended for Capital Expenditure needs of \$1,000,000 or more. Typically, the most expensive projects such as renovations, additions, or new construction of buildings or infrastructure that allow for capital facilities requests to be met immediately while spreading out the cost over several years in the future. We highly recommend this method of payment on all Capital projects scheduled in the CIP costing over \$1,000,000 and obviously based on our review of historical spending patterns in the town, the year we propose it to you.

Impact fees are also a viable financing method for some portion of future capital improvement needs if they are placed in a fund until they are either expended within 6 years as part of a project financing or returned to the party from which they were collected. The town has adopted an impact fee ordinance.

Other financing methods available to us for funding projects include gifts, grants and matching funds from any source. All of these can be used to offset the cost of Capital Improvement projects. The CIP recommends that all Department Heads, the School Board and the Board of Selectmen research and use these methods whenever available in order to lessen the burden on taxpayers as much as possible even though they will play a less important role in the overall funding of needed projects.

In addition, if there are instances where fiscal resources from outside the community have been committed to help finance a local capital project, the offsetting revenues are shown in association with the proposed capital project. Typical examples are grants, such as for new education buildings or State Transportation Improvement Plan (TIP) matches.

### **C. IDENTIFICATION OF DEPARTMENT CAPITAL REQUESTS**

The Pelham CIP Committee uses worksheet forms that are completed annually and submitted by department heads and committee chairs, to identify and explain project requests. Forms are tailored by the CIP Committee and the Planning Department to prompt information that defines the relative need and urgency for projects, and which enables long-term monitoring of the useful life and value to the community for these projects. The CIP worksheet includes a project description; the departmental priority if more than one project is submitted; the facility service area; the rationale for a project; a cost estimate; and potential sources of funding. The form is included in Appendix B. Following submission of written worksheets and supporting documentation for proposed capital projects, department heads or committee chairs are occasionally asked to come before the CIP Committee to answer questions and provide any additional information necessary to explain their capital requests and priority ranking. This “one-on-one” discussion provides an opportunity to explain how capital requests meet community development goals. It also provides department heads, committee chairs and the CIP Committee an opportunity to look at alternative approaches available to fund or meet capital needs that will maximize

the value of the Town’s expenditures for capital improvements while maintaining as level a tax rate as possible over the seven (7) year CIP period.

**D. PRIORITY SYSTEM**

The Committee established a system to assess the relative priority of projects requested by the various departments, boards, and committees. Each project proposed is considered individually by the Committee and assessed a priority rank based on the descriptions below:

<b>“U”--Urgent</b>	Cannot be delayed. Needed for health or safety.
<b>“C”--Committed</b>	Part of an existing contractual agreement or otherwise legally required.
<b>“N”--Necessary</b>	Needed to maintain existing level and quality of community services.
<b>“D”--Desirable</b>	Needed to improve quality or level of services.
<b>“F”--Deferrable</b>	Can be placed on hold until after 7-year period but supports community development goals.
<b>“R”--Research</b>	Pending results of ongoing research, planning, and coordination. The project may be important, but the CIP Committee lacks all the information to make a definitive decision.
<b>“I”--Inconsistent</b>	Conflicts with an alternative project/solution recommended by the CIP. The project is contrary to land use planning or established community development goals.

Table 2 contains the projects classified by town specific departments as well as the School Department, considered by the Committee in 2020. The information in Table 2 represents all requests for capital projects submitted by each municipal division to the CIP Committee in 2020. The ‘CIP Committee Priority Recommendations’ in the column to the far right describes the rank assigned by the CIP Committee within the seven categories of relative project priority.

TABLE 2: SUMMARY OF PROJECTS REQUESTED 2020 DATA

**E. LISTING AND DISCUSSION OF PROJECTS BY RECOMMENDED PRIORITY**

**“U”--Urgent: Cannot be delayed. Needed for health or safety.**

- III. A. **Replace Ambulance 1 – 2021.** Ambulance 1 is a 2009 Horton Ambulance on a GMC Chassis. The chassis is no longer manufactured by GMC and the fire department has reverted to Ford F550 chassis with diesel engines. The department currently operates 3 ambulances on a 12-year cycle. The new vehicle operates for 4 years as the primary response vehicle and then moves to second position where the 2 older vehicles rotate to distribute usage. The build time for a new vehicle is 9-12 months. The ambulances currently raise revenue of approximately \$325,000 per year. Ambulance revenues have historically increased over the years along with the EMS call volume. Most of the calls that are handled by the department are EMS at 85%. This project would have zero tax impact since the money would be withdrawn from the Ambulance Capital Reserve fund that can only be spent for the purchase of an ambulance.
  
- III. B. **Fire & Police Department Radio System Phase 1 – 2021.** Motorola communications will no longer be serving the fire and police departments’ repeaters and receivers because Motorola has declared the product line EOL (end of life) as of 12/31/2020. This equipment provides the transmitting and receiving capabilities of the fire and police departments’ radio system. The fire department currently has three repeaters and one receiver, and the police department currently has 2 repeaters and one receiver. Replacing the components one at a time over several years is not feasible because the age of the current equipment will not be compatible with the current infrastructure that is on the market. That means that after 2021 when Motorola deems the fire and police departments’ existing equipment EOL, if there should be a failure, they may not be able to have it repaired. If this should occur, the fire and police departments would have to replace all the equipment in order to return the radio system since any new equipment will be on a different communications platform. This project would be completed in two phases to defer the cost which would be \$650,000 total. The first phase would be to replace all the fire and police transmitters and receivers.
  
- X. B. **Memorial School Upgrade/Renovation – 2022.** The project proposes to upgrade or replace PMS to meet current student and program needs. Currently PMS is considered an upper middle school because it does not have the facilities necessary to meet middle school program criteria. Upgrades needed include modern student and staff restrooms, modern locker rooms, science laboratories, staff work rooms, appropriate special education tutoring/testing/classrooms/offices, an upgraded gymnasium, an upgraded cafeteria/kitchen, and an appropriate located/lit/outfitted art room. New space needs include: a music room, band/drama performance space, maker space, main building library/media space, adequate storage space, adequate conference/meeting rooms, and public restrooms. Air quality throughout the building needs to be addressed as well because it would rate extremely poor.

**“C”--Committed: Part of an existing contractual agreement or otherwise legally required.**

- I. A. **Municipal Building / Library – Appropriation by Ballot.** Voters approved the conversion of the Ernest G. Sherburne School into a combined municipal facility in 2003. Town Offices and Police Headquarters are located at the former Ernest G. Sherburne School. The new Library, built on the Mills property, is overlooking a new three (3) acre Town Green.
  
- I. A. **Bond Bank Note (Private) – 2002-2022.** Voters approved a 20-year bond for conversion of the Ernest G. Sherburne School into a combined municipal facility in 2003. A new library was built on the Mills property. The town opted for a private institution for favorable rates.
  
- X. A. **Pelham High School Addition – 2015.** In March of 2014 Pelham voters approved a new high school addition and renovation of existing space at the current High School location. The total project cost of \$22,654,000 is contractually obligated utilizing a 20-year bond for financing.
  
- X. A. **NH Municipal Bond Bank Note – 2015-2034.** High school addition and renovation of existing space at the current High School location.

**“N”--Necessary: Needed to maintain basic level and quality of community services.**

- I. B. **Main Street Sidewalk Expansion – 2023.** The Board of Selectmen requested that the NHDOT include a sidewalk on the bridge replacing the Main Street/Gionet Bridge. For the sidewalk to be included on the bridge, the Town must construct a sidewalk to connect with the bridge’s sidewalk from both approaches. This project includes planning, engineering, ROW acquisition and construction of a sidewalk from the VFW building to the new bridge and from the new bridge to Route 38.
  
- III. C. **Fire & Police Department Radio System Phase 2 – 2024.** This project is a continuation of Fire and Police Department Radio System Phase 1 project. This phase of the project would populate 2 new communications sites on existing cell towers where the departments’ have rights to locate equipment with no cost. One would be at Tower Hill Road cell tower and would provide coverage to the southwest corner of town where reception is very poor. The other would be on Blueberry Circle on a cell tower being constructed this year. This would provide reception on the southeast corner of town. Due to the hilly terrain, multiple sites are needed to get portable radio communications into the system. These new sites are crucial for police communication, as well as fire, where officers frequently work away for their vehicle and alone. Reliable communications are their only lifeline for help. This project would also replace the fire/police microwave links that have been in operation since 2009 and 2012. These microwaves eliminate the need for unreliable and costly phone lines that both departments have been working to eliminate over the years. The microwave system to each site accommodates both police and fire on one link. These links also allow the systems to utilize simulcast transmissions providing better

transmission penetration through the community and buildings. The final part of this upgrade is to eliminate old console radios (2003) in the police department. There would also be a replacement of older interface components with the police dispatch console. All the computers that drive the consoles will need to be replaced.

- IV. A. **66,000 GVW 10-Wheel Dump Truck - 2021.** A lease purchase for a new 66,000 GVW 10-wheel dump truck with plow frames and front and side wing blades, a central hydraulics system with the latest technology unit to control the amount of sand and salt applied to the roads, and a 10yd stainless steel sander. The 66,000 GVW 10-Wheel Dump Truck will replace the Highway Department's oldest truck, a 2005 Freightliner 6-wheeler, and it will be able to haul a load that is equal to 2 loads that the other 6-wheel dump trucks can haul which in turn saves money in fuel and labor cost, as well as time that can be used on other tasks. The lease will also include a full 84-month extended warranty which will reduce the repair budget. The Town would benefit from getting into an 8- or 9-year schedule to replace trucks. The repair budget would be reduced dramatically and there would be a higher return on the trade-ins. The trucks are also more expensive to repair after the warranty runs out on the 8 or 9<sup>th</sup> year.
- IV. B. **3.5 Yard 4-Wheel Drive Loader – 2022.** This machine will be used to load trucks and stockpile material, which would be much more effective than the backhoes currently being used. The loader will also save money on rental budget for snow removal at the schools and town buildings. The Highway Department is spending \$49,000 annually to rent this loader for snow removal. Moving forward, the Highway department would like to apply those funds to instead purchase the machine. The department would own the loader in 3 years at that rate, and the company that is renting out the loader will apply some of the money already spent by the Highway Department on rental costs towards the purchase price.
- IV. C. **36,000 GVW 6-Wheel Dump Truck - 2022.** A lease purchase for a new 36,000 GVW 6-wheel dump truck with plow frames and front and side wing blades, central hydraulics system with the latest technology unit to control the amount of sand and salt applied to the roads, and a 10yd stainless steel sander. This truck would be replacing a 2010 6-wheel dump truck that was put into service in Dec. 2009. The lease will include a full 84 month extended warranty which will reduce the repair budget. The Town would benefit from getting into an 8- or 9-year schedule to replace trucks. The repair budget would be reduced dramatically and there would be a higher return on the trade-ins. The trucks are also more expensive to repair after the warranty runs out on the 8 or 9<sup>th</sup> year.
- V. A. **Transfer Trailer with a Live Floor - 2021.** This trailer will be the frontline trailer for the trash building, The trailer being used now is on the road 3 times a week Every time the current trailer breaks down, one is taken from the Recycling building causing the Transfer Station to fall behind. The 2 green trailers are 19 years old and the black trash trailer is 12 years old. One of the green trailers needs to be rebuilt as it is rotted out underneath the frame braces and the floor. Pelham is also growing every year and the Transfer Station is increasing its haulaway.

- VII. A. **Library Renovations – 2021.** This project proposes to enclose the ceiling area above the first-floor reading room. By filling in the ceiling, it increases the floor space upstairs by 550 square feet without increasing the library’s footprint, providing more space for books and programs, and also lessen the noise level in the reading room and prevent sound carrying from what is now a mezzanine, directly into the reading room below. This will create a quiet room on the first floor where people can read, hold meetings, and presentations without being disturbed by noise from upstairs. This project also proposes adding glass panels in the open alcove windows and the half wall at the top of the stairwell on the second floor to keep noise from reverberating down the open stairwell. Acoustic tile will also be added on the stairwell walls to dampen noise filtering down to the circulation desk on the Main floor. This will enable staff to hear callers on the phone and handle patron transactions at the circulation desk.
- X. C. **Memorial School Septic Field Replacement – 2024.** The project proposes to replace the existing septic system at Pelham Memorial School. Initially the septic replacement was scheduled for the summer of 2019. The system was tested at that time and it was determined that the condition of the field was much better than expected. As a result, the project was deferred out 4 years. While the system is beyond its expected life, based on the condition, it is anticipated that the new project date will align with the system’s replacement need. This project will be withdrawn should the Pelham Memorial Project be approved at Town Meeting in March 2021.
- X. D. **Memorial School Boiler Replacement – 2026.** The project proposes to replace the two existing forced hot water boilers at Pelham Memorial with two high efficiency boilers. Replacing the boilers with high efficiency equipment will yield utility savings in future years. The boilers are currently 16 years old. The state identifies the expected equipment life span to be between 15 and 25 years depending on use. This project plan sets replacement at 22 years; however, the school system will monitor the condition of the system of each year to adjust the timing of this replacement and expected costs. This project will be withdrawn should the Pelham Memorial Project be approved at Town Meeting in March 2021. This project was ranked as necessary, but also has a CIP Committee Priority Ranking of R, as additional research must be completed to fully address this need.
- X. E. **Memorial School Roof Replacement – 2026.** This project proposes to replace two areas of roofing at the Pelham Memorial School. The flat roof located above the second story of classrooms was installed in 1986 with the addition and has already exceeded a typical flat roof life span of 15 to 20 years. The school system also has to plan for roof replacement of the gymnasium area. The school system is uncertain of when this roof was originally installed. The café/kitchen area and front hallway had a roof replacement in 2005, so that area is excluded from this project. There are currently no leaks in the gymnasium area roof, but it is showing signs of wear, and while there is no record of installation of some of the current roofing it is estimated to be at least 34 years old at this time and 41 years old at the time of planned replacement. The school system will continue to monitor the condition, timing, and expected costs for this project. This project will be withdrawn should the Pelham

Memorial Project be approved at Town Meeting in March 2021. This project was ranked as necessary, but also has a CIP Committee Priority Ranking of R, as additional research must be completed to fully address this need.

- X. F. **PES Air Conditioning System – 2022.** The project proposes to design, build, and install an air conditioning system at the Pelham Elementary School. Educational research has clearly shown that the environmental conditions of a classroom can have a significant negative affect on learning. For example, the school regularly tests for air-quality conditions to ensure that the air exchange is adequate to keep carbon dioxide levels at a healthy level in classrooms. High levels of carbon dioxide lead to sleepiness and therefore lower levels of student learning. The same has been shown true of high levels of heat in the classroom. Classrooms where temperatures exceed 78 degrees Fahrenheit also create deficits in learning. This project was ranked as necessary, but also has a CIP Committee Priority Ranking of R, as additional research must be completed to fully address this need.
  
- X. G. **PES Asphalt Parking Lot & Roadways – 2023.** Cold planning, clean tack coating, and overlay asphalt parking lot and roadways at Pelham Elementary School. The Pelham Elementary School parking lot is beginning to show wear and damage from constant use by both the schools and the community. Most of the parking lot is original to the school building from 2002 and will be 22 years old when this area is expected to be overlaid. Parking lots are recommended by the state to be replaced or repaired every 15-20 years, depending on their condition. Currently, there is no substrate damage to the asphalt, but if the asphalt is not overlaid as a maintenance process, it will become more porous, resulting in substrate damage and a much costlier repair. This project was ranked as necessary, but also has a CIP Committee Priority Ranking of R, as additional research must be completed to fully address this need.
  
- X. H. **PHS Student Parking Lot Replacement – 2025.** This project proposes to replace the existing porous asphalt student parking lot at the Pelham High School. This parking lot was installed in the summer of 2014. Porous pavement has the ability to drain water directly through it, which eliminates the need for multiple drains. The life expectancy is 10 years, and in 2024 the school system needs to monitor the condition of the porous pavement to make sure that it continues to function as required. When the lot fails to drain the water, the condition of the lot will become unsafe (ice) and will need to be replaced. This item is for future planning purposes to replace the student lot with standard paving asphalt and add appropriate underground drainage. This project was ranked as necessary, but also has a CIP Committee Priority Ranking of R, as additional research must be completed to fully address this need.

**“D”--Desirable: Needed to improve quality or level of services.**

- II. A. **Animal Control Shelter - 2021.** The current animal control facility is at least 35 years old. Due to its age, numerous key systems have failed or are on the brink of failure. Many of these systems are substandard to begin with and highly inefficient including HVAC, roofing, fencing, electrical and water. The shelter also does not currently include any type of bathroom facilities for staff or volunteers let alone visitors.

Furthermore, the shelter does not meet contemporary standards or size for proper sheltering of animals. This project also has a priority ranking of R as more research is needed. This project was ranked as desirable, but also has a CIP Committee Priority Ranking of R, as additional research must be completed to fully address this need.

**“F”--Deferrable: Can be placed on hold until after 7-year period but supports community development goals.**

No projects were ranked as Deferrable in the 2021 – 2027 CIP.

**“R”--Research: Pending results of ongoing research, planning, and coordination.**

Several projects listed under Necessary and Desirable above will require additional research, including:

- II. A. Animal Control Shelter
- X. D. Memorial School Boiler Replacement
- X. E. Memorial School Roof Replacement
- X. F. PES Air Conditioning System
- X. G. PES Asphalt Parking Lot & Roadways
- X. H. PHS Student Parking Lot Replacement

**“I”--Inconsistent: Conflicts with an alternative project/solution scheduled by the CIP. Contrary to land use planning or community development goals.**

No projects were ranked as Inconsistent in the 2021 – 2027 CIP.

## F. CONCLUSIONS

The Program of Capital Expenditures herein provides a guide for budgeting and development of Pelham public facilities. The Planning Board will review and update the CIP each year prior to budget deliberations. The CIP may be modified each year based on changes in needs and priorities.

The CIP Committee is striving to improve the effectiveness of the capital facilities programming process, in order to have a greater impact on the current year’s budget cycle. In the future, the CIP Committee will initiate the CIP planning process earlier in the calendar year. This will enable individual departments to use this information to prepare preliminary budgets for submission to the Town.

The CIP Committee seeks to accurately evaluate the fiscal impacts of projects and return on investment of public funds in capital facilities replacement and development. One piece of information the Committee seeks to understand is how a project’s funding is proposed and whether specific funding sources have been identified. This data is presented in the Cost Estimate section of the Project Worksheet. The Impacts on Operating & Maintenance section of the Project Worksheet is also important in assessing the cost/benefit of one solution versus another to meet a department’s needs.

Town of Pelham  
Capital Improvements Plan  
2021-2027

---

There also may be merit in attempting to track the performance of investments in facilities renovation or upgrades and also monitoring and forecasting when future replacements or upgrades may be necessary. One recent external development that could affect the municipality is the Government Accounting Standards Board (GASB) adoption of Statement 34 protocols for reporting infrastructure assets. The program's objective is to promote consistent evaluations of municipal financial conditions by providing more detailed and relevant information on the characteristics and conditions of capital equipment. The CIP planning process may provide a forum for encouraging the development of capital asset inventories, accounting for the value of these assets and tracking the useful life and depreciation of municipal equipment and infrastructure. The CIP recommends that all Town and School assets be tracked for life expectancy so that future capital needs may be better anticipated and planned. Updated information regarding the age of existing Town road surfaces will help with that planning in the highway department. Future meetings with the Board of Selectman and School Board regarding better long-term planning could result in tax savings.

**TITLE LXIV  
PLANNING AND ZONING**

**CHAPTER 674  
LOCAL LAND USE PLANNING AND REGULATORY POWERS**

**Capital Improvements Program**

**Section 674:5**

**674:5 Authorization.** – In a municipality where the planning board has adopted a master plan, the local legislative body may authorize the planning board to prepare and amend a recommended program of municipal capital improvement projects projected over a period of at least 6 years. As an alternative, the legislative body may authorize the governing body of a municipality to appoint a capital improvement program committee, which shall include at least one member of the planning board and may include but not be limited to other members of the planning board, the budget committee, or the town or city governing body, to prepare and amend a recommended program of municipal capital improvement projects projected over a period of at least years. The capital improvements program may encompass major projects being currently undertaken or future projects to be undertaken with federal, state, county and other public funds. The sole purpose and effect of the capital improvements program shall be to aid the mayor or selectmen and the budget committee in their consideration of the annual budget.

**Section 674:6**

**674:6 Purpose and Description.** – The capital improvements program shall classify projects according to the urgency and need for realization and shall recommend a time sequence for their implementation. The program may also contain the estimated cost of each project and indicate probable operating and maintenance costs and probable revenues, if any, as well as existing sources of funds or the need for additional sources of funds for the implementation and operation of each project. The program shall be based on information submitted by the departments and agencies of the municipality and shall consider public facility needs indicated by the prospective development shown in the master plan of the municipality or as permitted by other municipal land use controls.

**Section 674:7**

**674:7 Preparation. –**

- I. In preparing the capital improvements program, the planning board or the capital improvement program committee shall confer, in a manner deemed appropriate by the board or the committee, with the mayor or the board of selectmen, or the chief fiscal officer, the budget committee, other municipal officials and agencies, the school board or boards, and shall review the recommendations of the master plan in relation to the proposed capital improvements program.
  
- II. Whenever the planning board or the capital improvement program committee is authorized and directed to prepare a capital improvements program, every municipal department, authority or agency, and every affected school district board, department or agency, shall, upon request of the planning board or the capital improvement program committee, transmit to the board or committee a statement of all capital projects it proposes to undertake during the term of the program. The planning board or the capital improvement program committee shall study each proposed capital project, and shall advise and make recommendations to the department, authority, agency, or school district board, department or agency, concerning the relation of its project to the capital improvements program being prepared.

**TITLE LXIV  
PLANNING AND ZONING**

**CHAPTER 674  
LOCAL LAND USE PLANNING AND REGULATORY POWERS**

**Zoning**

**Section 674:21**

**674:21 Innovative Land Use Controls. –**

- I. Innovative land use controls may include, but are not limited to:
  - (a) Timing incentives.
  - (b) Phased development.
  - (c) Intensity and use incentive.
  - (d) Transfer of density and development rights.
  - (e) Planned unit development.
  - (f) Cluster development.
  - (g) Impact zoning.
  - (h) Performance standards.
  - (i) Flexible and discretionary zoning.
  - (j) Environmental characteristics zoning.
  - (k) Inclusionary zoning.
  - (l) Impact fees.
  - (m) Village plan alternative subdivision.
  - (n) Integrated land development permit option.
- II. An innovative land use control adopted under RSA 674:16 may be required when supported by the master plan and shall contain within it the standards which shall guide the person or board which administers the ordinance. An innovative land use control ordinance may provide for administration, including the granting of conditional or special use permits, by the planning board, board of selectmen, zoning board of adjustment, or such other person or board as the ordinance may designate. If the administration of the innovative provisions of the ordinance is not vested in the planning board, any proposal submitted under this section shall be reviewed by the planning board prior to final consideration by the administrator. In such a case, the planning board shall set forth its comments on the proposal in writing and the administrator shall, to the extent that the planning board's comments are not directly incorporated into its decision, set forth its findings and decisions on the planning board's comments.
- III. Innovative land use controls must be adopted in accordance with RSA 675:1, II.
- IV. As used in this section:
  - (a) "Inclusionary zoning" means land use control regulations which provide a voluntary incentive or benefit to a property owner in order to induce the property owner to produce housing units which are affordable to persons or families of low and moderate income. Inclusionary zoning includes, but is not limited to, density bonuses, growth control exemptions, and a streamlined application process.

Town of Pelham  
Capital Improvements Plan  
2020-2026  
Appendix C

- (b) "Phased development" means a development, usually for large-scale projects, in which construction of public or private improvements proceeds in stages on a schedule over a period of years established in the subdivision or site plan approved by the planning board. In a phased development, the issuance of building permits in each phase is solely dependent on the completion of the prior phase and satisfaction of other conditions on the schedule approved by the planning board. Phased development does not include a general limit on the issuance of building permits or the granting of subdivision or site plan approval in the municipality, which may be accomplished only by a growth management ordinance under RSA 674:22 or a temporary moratorium or limitation under RSA 674:23.
- V. As used in this section "impact fee" means a fee or assessment imposed upon development, including subdivision, building construction, or other land use change, in order to help meet the needs occasioned by that development for the construction or improvement of capital facilities owned or operated by the municipality, including and limited to water treatment and distribution facilities; wastewater treatment and disposal facilities; sanitary sewers; storm water, drainage and flood control facilities; municipal road systems and rights-of-way; municipal office facilities; public school facilities; the municipality's proportional share of capital facilities of a cooperative or regional school district of which the municipality is a member; public safety facilities; solid waste collection, transfer, recycling, processing, and disposal facilities; public library facilities; and public recreational facilities not including public open space. No later than July 1, 1993, all impact fee ordinances shall be subject to the following:
- (a) The amount of any such fee shall be a proportional share of municipal capital improvement costs which is reasonably related to the capital needs created by the development, and to the benefits accruing to the development from the capital improvements financed by the fee. Upgrading of existing facilities and infrastructures, the need for which is not created by new development, shall not be paid for by impact fees.
  - (b) In order for a municipality to adopt an impact fee ordinance, it must have enacted a capital improvements program pursuant to RSA 674:5-7.
  - (c) Any impact fee shall be accounted for separately, shall be segregated from the municipality's general fund, may be spent upon order of the municipal governing body, shall be exempt from all provisions of RSA 32 relative to limitation and expenditure of town moneys, and shall be used solely for the capital improvements for which it was collected, or to recoup the cost of capital improvements made in anticipation of the needs which the fee was collected to meet.
  - (d) All impact fees imposed pursuant to this section shall be assessed at the time of planning board approval of a subdivision plat or site plan. When no planning board approval is required or has been made prior to the adoption or amendment of the impact fee ordinance, impact fees shall be assessed prior to, or as a condition for, the issuance of a building permit or other appropriate permission to proceed with development. Impact fees shall be intended to reflect the effect of development upon municipal facilities at the time of the issuance of the building permit. Impact fees shall be collected at the time a certificate of occupancy is issued. If no

certificate of occupancy is required, impact fees shall be collected when the development is ready for its intended use. Nothing in this subparagraph shall prevent the municipality and the assessed party from establishing an alternate, mutually acceptable schedule of payment of impact fees in effect at the time of subdivision plat or site plan approval by the planning board. If an alternate schedule of payment is established, municipalities may require developers to post bonds, issue letters of credit, accept liens, or otherwise provide suitable measures of security to guarantee future payment of the assessed impact fees.

(e) The ordinance shall establish reasonable times after which any portion of an impact fee which has not become encumbered or otherwise legally bound to be spent for the purpose for which it was collected shall be refunded, with any accrued interest. Whenever the calculation of an impact fee has been predicated upon some portion of capital improvement costs being borne by the municipality, a refund shall be made upon the failure of the legislative body to appropriate the municipality's share of the capital improvement costs within a reasonable time. The maximum time which shall be considered reasonable hereunder shall be 6 years.

(f) Unless otherwise specified in the ordinance, any decision under an impact fee ordinance may be appealed in the same manner provided by statute for appeals from the officer or board making that decision, as set forth in RSA 676:5, RSA 677:2-14, or RSA 677:15, respectively.

(g) The ordinance may also provide for a waiver process, including the criteria for the granting of such a waiver.

(h) The adoption of a growth management limitation or moratorium by a municipality shall not affect any development with respect to which an impact fee has been paid or assessed as part of the approval for that development.

(i) Neither the adoption of an impact fee ordinance, nor the failure to adopt such an ordinance, shall be deemed to affect existing authority of a planning board over subdivision or site plan review, except to the extent expressly stated in such an ordinance.

(j) The failure to adopt an impact fee ordinance shall not preclude a municipality from requiring developers to pay an exaction for the cost of off-site improvement needs determined by the planning board to be necessary for the occupancy of any portion of a development. For the purposes of this subparagraph, "off-site improvements" means those improvements that are necessitated by a development, but which are located outside the boundaries of the property that is subject to a subdivision plat or site plan approval by the planning board. Such off-site improvements shall be limited to any necessary highway, drainage, and sewer and water upgrades pertinent to that development. The amount of any such exaction shall be a proportional share of municipal improvement costs not previously assessed against other developments, which is necessitated by the development, and which is reasonably related to the benefits accruing to the development from the improvements financed by the exaction. As an alternative to paying an exaction, the developer may elect to construct the necessary improvements, subject to bonding and timing conditions as may be reasonably

Town of Pelham  
 Capital Improvements Plan  
 2020-2026  
 Appendix C

required by the planning board. Any exaction imposed pursuant to this section shall be assessed at the time of planning board approval of the development necessitating an off-site improvement. Whenever the calculation of an exaction for an off-site improvement has been predicated upon some portion of the cost of that improvement being borne by the municipality, a refund of any collected exaction shall be made to the payor or payor's successor in interest upon the failure of the local legislative body to appropriate the municipality's share of that cost within 6 years from the date of collection. For the purposes of this subparagraph, failure of local legislative body to appropriate such funding or to construct any necessary off-site improvement shall not operate to prohibit an otherwise approved development.

(k) Revenue from impact fees imposed upon development and collected by a municipality under RSA 674:21, V for construction of or improvement to municipal road systems may be expended upon state highways within the municipality only for improvement costs that are related to the capital needs created by the development. Such improvements may include items such as, but not limited to, traffic signals and signage, turning lanes, additional travel lanes, and guard rails. No such improvements shall be constructed or installed without approval of the state department of transportation. In no event shall impact fees be used for any improvements to roads, bridges, or interchanges that are part of the interstate highway system. Nothing in RSA 674:21, V shall be construed as allowing or authorizing additional impact fees merely by virtue of having approved the expenditure of collected fee revenue for construction of or improvement of state highways, nor shall it be construed as allowing the adoption of new impact fees devoted to assessing impacts to state highways.

(l) No later than 60 days following the end of the fiscal year, any municipality having adopted an impact fee ordinance shall prepare a report listing all expenditures of impact fee revenue for the prior fiscal year, identifying the capital improvement project for which the fees were assessed and stating the dates upon which the fees were assessed and collected. The annual report shall enable the public to track the payment, expenditure, and status of the individually collected fees to determine whether said fees were expended, retained, or refunded.

- VI. (a) In this section, "village plan alternative" means an optional land use control and subdivision regulation to provide a means of promoting a more efficient and cost-effective method of land development. The village plan alternative's purpose is to encourage the preservation of open space wherever possible. The village plan alternative subdivision is meant to encourage beneficial consolidation of land development to permit the efficient layout of less costly to maintain roads, utilities, and other public and private infrastructures; to improve the ability of political subdivisions to provide more rapid and efficient delivery of public safety and school transportation services as community growth occurs; and finally, to provide owners of private property with a method for realizing the inherent development value of their real property in a manner conducive to the creation of substantial benefit to the environment and to the political subdivision's property tax base.

(b) An owner of record wishing to utilize the village plan alternative in the subdivision and development of a parcel of land, by locating the entire density permitted by the existing land use regulations of the political subdivision within which the property is located, on 20 percent or less of the entire parcel available for development, shall grant to the municipality within which the property is located, as a condition of approval, a recorded easement reserving the remaining land area of the entire, original lot, solely for agriculture, forestry, and conservation, or for public recreation. The recorded easement shall limit any new construction on the remainder lot to structures associated with farming operations, forest management operations, and conservation uses, and shall specify that the restrictions contained in the easement are enforceable by the municipality. Public recreational uses shall be subject to the written approval of those abutters whose property lies within the village plan alternative subdivision portion of the project at the time when such a public use is proposed.

(c) The submission and approval procedure for a village plan alternative subdivision shall be the same as that for a conventional subdivision. Existing zoning and subdivision regulations relating to emergency access, fire prevention, and public health and safety concerns including any setback requirement for wells, septic systems, or wetland requirement imposed by the department of environmental services shall apply to the developed portion of a village plan alternative subdivision, but lot size regulations and dimensional requirements having to do with frontage and setbacks measured from all new property lot lines, and lot size regulations, as well as density regulations, shall not apply.

(1) The total density of development within a village plan alternate subdivision shall not exceed the total potential development density permitted a conventional subdivision of the entire original lot unless provisions contained within the political subdivision's land use regulations provide a basis for increasing the permitted density of development within a village plan alternative subdivision.

(2) In no case shall a political subdivision impose lesser density requirements upon a village plan alternative subdivision than the density requirements imposed on a conventional subdivision.

(d) If the total area of a proposed village plan alternative subdivision including all roadways and improvements does not exceed 20 percent of the total land area of the undeveloped lot, and if the proposed subdivision incorporates the total sum of all proposed development as permitted by local regulation on the undeveloped lot, all existing and future dimensional requirements imposed by local regulation, including lot size, shall not apply to the proposed village plan alternative subdivision.

(e) The approving authority may increase, at existing property lines, the setback to new construction within a village plan alternative subdivision by up to 2 times the distance required by current zoning or subdivision regulations, subject to the provisions of subparagraph (c).

(f) Within a village plan alternative subdivision, the exterior wall construction of buildings shall meet or exceed the requirements for fire-rated construction

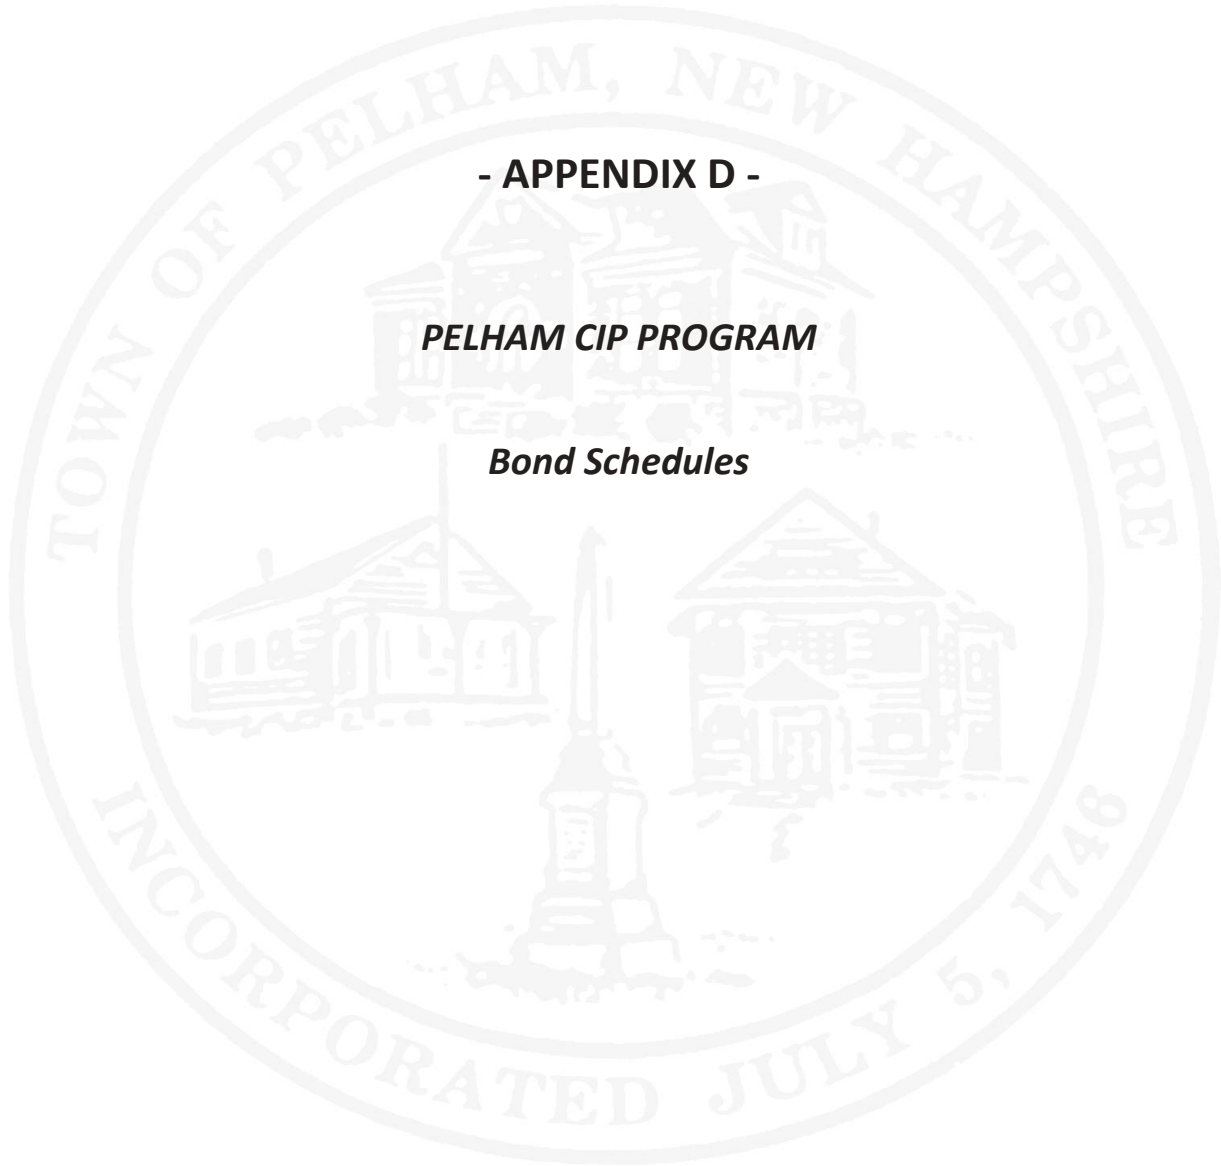

Town of Pelham  
Capital Improvements Plan  
2020-2026  
Appendix C

described by the fire prevention and building codes being enforced by the state of New Hampshire at the date and time the property owner of record files a formal application for subdivision approval with the political subdivision having jurisdiction of the project. Exterior walls and openings of new buildings shall also conform to fire protective provisions of all other building codes in force in the political subdivision. Wherever building code or fire prevention code requirements for exterior wall construction appear to be in conflict, the more stringent building or fire prevention code requirements shall apply.

- VI. In this section, "integrated land development permit option" means an optional land use control to allow a project to proceed, in whole or in part, as permitted by the department of environmental services under RSA 489.

## CONSERVATION COMMISSION 2020 Annual Report

The Conservation Commission's responsibilities to the Town of Pelham, as established by RSA:36-A, are for the proper utilization and protection of our natural resources including the watershed resources and open space.

The Conservation Commission, as an advisory board to the Planning Board and working together with the Board of Selectmen, Zoning Board and Forestry Committee, continues to make progress towards comprehensive protection of our environment and natural resources.

Highlights of our activities during the year 2020 include:

- Although no parcels were acquired this year, members of the Conservation Commission continue to talk with land owners with regard to protecting their properties. We have two signed purchase and sales agreements and are working towards acquiring these parcels. If successful, we will have protected another 100 acres of open space.
- The open space resulting from The Pines Conservation Subdivision, on Atwood Road, was acquired by the Town at no cost. This 16 acre open space parcel abuts Peabody Town Forest and connects it to another Town owned parcel of 13 acres. As a result, Peabody Town Forest is now 29 acres larger than it was.
- Since 2002, through fee simple acquisitions, donations and open space subdivisions, the Conservation Commission has acquired 1075 acres of open space. We have exceeded our goal, set back in 2002, to preserve 1000 acres and are working to protect another 500 acres in Pelham!
- Mark West, a wetland scientist hired by the Conservation Commission, finished his work on re-mapping the Town's prime wetlands. In March, voters approved a warrant article to re-designate 11 wetlands as prime wetlands. These were designated as prime wetlands in 1987 but the boundaries have been re-mapped using modern, GPS technology. These 11 prime wetlands totaling 420 acres will now receive a higher level of protection from the State of New Hampshire and the town of Pelham than do non-prime wetlands.

- We are working with members of the Planning Board to revamp the Conservation Subdivision Ordinance which was voted out in March. We hope to have a new, significantly revised, ordinance on the March 2020 ballot.
- Brandie Shydo and Mike Gendreau continue to manage our Conservation Commission Facebook page. Other accomplishments and activities can be viewed there and on the Pelham Conservation Commission website.
- We are fortunate to have 10 members on the commission. Seven are full members and three are alternates. This is the first full year in over a decade where we have had a full board with alternates.
- We continue to work with the developers, the Planning Board and the Zoning Board to minimize the impact of developments on our environment. Commission members attend joint site walks, work on sub-committees and communicate often to ensure that we work in cooperation with the other boards.
- The Forestry Committee, led by Deborah Waters, had another very active year of trail building and timber harvesting. In addition, they instituted a "trail adopter" program. Please see their annual report for details. Paul Gagnon is the Conservation Commission's representative on that committee.

Thank you, to all the members of the Conservation Commission, Forestry Committee, Board of Selectmen, Planning Board, Zoning Board and to all those who have volunteered their time to preserve and protect the environment in the Town of Pelham. Conservation Commission Members: Louise Delehanty, Paul Gagnon, Mike Gendreau, Dennis Hogan, Kara Kubit, Lisa Loosigian, Karen MacKay, Brandie Shydo, Ken Stanvick and Al Steward.

Respectfully submitted,

Paul R Gagnon, Chairman

## FORESTRY COMMITTEE 2020 Annual Report

“Stewards of our Town Forests and Conservation Lands”

Since 1980, the Forestry Committee has implemented forest management plans for our town forests and conservation areas utilizing the principals of healthy forests, wildlife habitat enhancement, water protection and passive recreational opportunities in accordance with the New Hampshire Tree Farm System. We work with licensed New Hampshire foresters, wetland scientists, surveyors, town personnel and other experts to implement our management plans. Citizen volunteers represent our most important resource for maintaining a trail system which includes 20 miles of marked and mapped trails in approximately 2,400 acres of land.

This year we created new management plans for Merriam Farm Town Forest and Woven Park Conservation Area. Per recommendations from UNH Cooperative Extension, we addressed climate adaption by reviewing the town forests for potential stressors that could affect long term health and the ability of the forests to adapt to changes.

Volunteers undertook major trail projects on the Gumpus Pond Conservation Area, Peabody Town Forest, Kirby-Ivers Town Forest, Cutler-Spalding Conservation Area and Costa Conservation Area. A volunteer trail adoption program was expanded to create a team of volunteers providing trail maintenance and reporting on trail conditions. Several large projects were completed by Boy Scouts who provided valuable assistance on work our trail system needed.

Timber harvests were finalized on the Cutler-Spalding Conservation Area and Moeckel Road Town Forest. Visibility projects on several of our parking areas improved safety and reduced maintenance.

This year we saw a large increase in trail usage and increased communication from the public reporting on trail conditions, expressing positive comments and demonstrating an engagement with our town forests and conservation areas.

## PLANNING BOARD 2020 Annual Report

2020 brought many changes to the Planning Board. Roger Montbleau stepped down from being Chairman at the same time China sent us the COVID. Everything we knew about meetings was completely disrupted. The Planning Board voted me for Chair, James Bergeron for Vice Chair, and Cindy Kirkpatrick as Secretary. Pelham voters sent the Planning Board a new member, Danielle Masse Quinn, and the selectmen appointed Kevin Cote as the Selectmen's Representative. Both of these new members had to hit the ground running. From this moment on, the board members performed their voluntary duties under the new guidelines implemented by the Governor's COVID orders. Many thanks goes to all the board members and supporting staff for not bailing out on the citizens of Pelham during these trying times.

The Planning Board also welcomes back Mike Sherman, Bruce Bilapka, and Samuel Thomas. Thank all of you for your dedication to the town. Also thanks go out to James Bergeron for also becoming a cross over member to the Zoning Board of Adjustment.

The Board continues its efforts this year to carefully listen to the taxpayers and find ways to make suggested changes to Pelham's zoning that would coincide with the desires presented at meetings and by ballot petition. Pelham, being a very rural bedroom community, has systematically eliminated almost all high density zoning starting a few years ago with senior housing, followed by the elimination of elderly housing and the Conservation Subdivisions. These changes have left only the MUZD and business districts as areas in Pelham with higher density opportunities, as well as accessory dwellings units now being able to be detached in the entire residential district.

Much of Pelham's land has already been developed or is not available in large acreage parcels. Applicants are increasingly going in front of the Zoning Board of Adjustment with smaller parcels to request variances prior to the Planning

Board subdivision process. This creates new challenges for Planning Board members while navigating the subdivision process.

Pelham's Master Plan is in desperate need of being updated. With all the passing years since the last Master Plan, the Planning Board has made it a high priority to create a new Master Plan. Samuel Thomas needs to be recognized for his leadership of taking on the Master Plan Subcommittee while also serving on Pelham's new Water Commission.

After many countless years of dedicated service to the Pelham Planning Board, Charity Landry has retired as our recording Secretary. She will be greatly missed as the one constant that was always relied upon by all the board members.

Respectfully submitted,

Timothy Doherty, Chairman, Pelham Planning Board

TOWN OF PELHAM  
STATE OF NEW HAMPSHIRE  
2021 TOWN MEETING

To the inhabitants of the Town of Pelham, in the County of Hillsborough and the State of New Hampshire, qualified to vote in Town affairs. You are hereby notified of the following annual Town Meeting schedule:

**First Session of Annual Meeting (Deliberative)**

You are hereby notified to meet at the Sherburne Hall, 6 Village Green, Pelham, New Hampshire on Tuesday, February 2, 2021 at 7:00 PM. This session shall consist of explanation, discussion, and debate of warrant articles numbered 2 through 9. Warrant articles may be amended subject to the following limitations: (a) warrant articles the wording of which is prescribed by law shall not be amended and (b) warrant articles that are amended shall be placed on the official ballot for a final vote on the main motion, as amended.

**Second Session of Annual Town Meeting (Official Ballot Voting)**

You are hereby notified to meet again at the Pelham High School, 85 Marsh Road, Pelham, New Hampshire on Tuesday, March 9, 2021 between the hours of 7:00 AM and 8:00 PM to vote by official ballot to choose all necessary town officials for the ensuing year and to vote on warrant articles numbered 1 through 9.

**Article 1**

To see what action the Town will take in the election of the following Officers: One (1) Selectman for a term of three (3) years; one (1) Cemetery Trustees for a term of three (3) years; One (1) Trustee of the Trust Funds for a term of three (3) years; One (1) Library Trustees for a term of three (3) years; three (3) Budget Committee Members for a term of three (3) years; two (2) Planning Board Members for a term of three (3) years.

**Article 2**

Are you in favor of Zoning Amendment No. 1 as proposed by the Pelham Planning Board to add to Pelham zoning an entirely new ordinance, Article XV RESIDENTIAL OPEN SPACE SUBDIVISION BY SPECIAL PERMIT? The purpose of this ordinance is to promote the conservation of undeveloped land, limit the length of new roads to minimize the impact of their future and ongoing maintenance, preserve the rural character of the town, provide an alternative option for landowners to conserve open space from development while minimizing impacts on environmental resources, to provide for connected corridors of open land, to conserve scenic views and to provide design flexibility. This ordinance requires a yield plan that limits the number of homes in any Open Space subdivision to the number of homes that would be allowed in a conventional subdivision with no allowance for additional homes beyond the density determined in the yield plan. Lot size would be a minimum of 30,000 square feet with 125 feet of frontage required on interior roads and 40% of the land area kept as open space. (Recommended by the Planning Board).

**Article 3**

Are you in favor of Zoning Amendment No. 2 as proposed by the Pelham Planning Board to clarify the allowed uses as shown in Section 307-25-3, table of allowed uses in the existing MUZO ordinance? The added language clarifies that only one single-family, duplex or multi-family residential structure is allowed per lot and that multiple mixed-use (business and residential) structures are allowed per lot. The new language also identifies the ordinance as an innovative land use ordinance that gives the Planning Board broad approval authority to consider mixed-use projects submitted under this ordinance. (Recommended by the Planning Board).

**Article 4**

Shall the Town vote to raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth herein totaling Eighteen Million, One Hundred and Fifty-six Thousand, Eight Hundred and Eighty-Nine Dollars (\$18,156,889)? Should this article be defeated, the default budget shall be Eighteen Million, One Hundred and Fifteen Thousand, Three-Hundred and Thirty-Six Dollars (\$18,115,336) which is the same as last year with certain adjustments required by previous action of the Town or by law; or the governing body may hold one special meeting in accordance

with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. (Recommended by the Board of Selectmen) (Recommended by the Budget Committee).

**Article 5**

Shall the Town vote to add the following two (2) parcels to the Cutler Spalding Town Forest pursuant to RSA 31:110-113: Map 32 Lot 2-69-3, Map 32 Lot 2-69 totaling approximately 16.62 acres? No Tax impact. (Majority Vote Required). (Recommended by the Board of Selectmen) (Recommended by the Conservation Commission).

**Article 6**

Shall the Town vote to raise and appropriate the sum of Two Hundred and Ninety-Five-Thousand Dollars (\$295,000) for the purpose of purchasing and equipping an ambulance and to authorize the Selectmen to withdraw Two Hundred Ninety-Five-Thousand Dollars (\$295,000) from the Ambulance Replacement Revolving Fund established by the 2006 Town Meeting and amended in 2014 by Town Meeting for this purpose. No amount will be raised through taxation (Recommended by the Board of Selectmen) (Recommended by the Budget Committee).

**Article 7**

Shall the Town vote to raise and appropriate the sum of Three Hundred Twenty Thousand, Seven Hundred Sixty-Eight Dollars (\$320,768) for repair, maintenance, purchase of equipment and upgrading of Town roads, to be offset by the State Highway Grant? This will be a non-lapsing account per RSA 32:7, IV. No money to be raised by taxation. (Recommended by the Board of Selectmen) (Recommended by the Budget Committee).

**Article 8**

Shall the Town vote to raise and appropriate the sum of Two Hundred Thousand Dollars (\$200,000) to be placed in the Compensated Absence Trust Fund for the purpose of distributing accrued time (annual earned and paid time off) to terminating employees as required by law or negotiated contracts? (Majority Vote Required). (Recommended by the Board of Selectmen) (Recommended by the Budget Committee).

**Article 9-Citizens Petition**

Are you in favor of repealing, in its entirety, the provision of RSA 41:14-b, that was created by Article 21 of the 2017 Town Warrant, passed at the March 2017 Town election, "which authorizes the Selectmen to establish and amend certain Town codes and ordinances after they hold 2 public hearings on the establishment or amendment of the ordinance or code, provided however, upon the written petition of 50 registered votes presented to the Selectmen prior to their vote on the establishment or amendment to the ordinance or code,

the issue shall instead be inserted as an article on the warrant at the next Town meeting. The authority to establish or amend Town ordinances or building codes, which are governed by the adoption rules RSA 675?" a yes vote would remove this language and give any and all voting rights back to the Town. (Not Recommended by the Board of Selectmen).

Given under our hands this 25<sup>th</sup> day of January, 2021

Robert Haverty, Chair

Heather Forde, Vice Chair

Hal Lynde, Selectmen

Kevin Cote, Selectman

Jale Bergeron, Selectman

I, the undersigned, Brian McCarthy, serving as the Town Administrator, do hereby certify that on this 25<sup>th</sup> day of January, 2021, I did post signed copies of the 2021 Annual Town Meeting Warrant at the Pelham Town Hall, located at 6 Village Green and the Pelham High School, located at 85 Marsh Road and at the Pelham Public Library, located at 24 Village Green, of said Town.

Respectfully Submitted,

Brian McCarthy, Town Administrator

**2021 PELHAM SCHOOL DISTRICT WARRANT  
STATE OF NEW HAMPSHIRE**

To the inhabitants of the School District of the Town of Pelham in the County of Hillsborough and the State of New Hampshire, qualified to vote upon district affairs:

**FIRST SESSION OF ANNUAL MEETING (DELIBERATIVE)**

You are hereby notified that the first session of the annual meeting of the School District of the Town of Pelham will be held at Sherburne Hall, 6 Village Green, in said Pelham on Wednesday, February 3, 2021, at 7:00 P.M. for explanation, discussion, and debate of warrant articles number 1 through number 3. Warrant articles may be amended subject to the following limitations: (a) warrant articles whose wording is prescribed by law shall not be amended, (b) warrant articles that are amended shall be placed on the official ballot for a final vote on the main motion, as amended, and (c) no warrant article shall be amended to eliminate the subject matter of the article.

**SECOND SESSION OF ANNUAL MEETING (OFFICIAL BALLOT VOTING)**

You are hereby notified that the second session of the annual meeting of the School District of the Town of Pelham will be held at Pelham High School gymnasium, 85 Marsh Road, in said Pelham on Tuesday, March 9, 2021, at 7:00 A.M. for the choice of School District Officers elected by official ballot, to vote on questions required by law to be inserted on the official ballot, and to vote on all Warrant Articles from the first session on official ballot per RSA 40:13, VII. The polls for the election of School District Officers and other action required to be inserted on said ballot will open on said date at 7:00 A.M. and will not close earlier than 8:00 P.M.

**ARTICLE 1**

To elect by ballot the following School District Officers:

- |                     |             |
|---------------------|-------------|
| School Board Member | 3-Year Term |
| School Board Member | 3-Year Term |

### **ARTICLE 2**

Shall the Pelham School District vote to raise and appropriate the sum of Thirty-one million, Nine-hundred eighty thousand dollars (\$31,980,000) (gross budget) for the design, construction, furnishing and equipping of a major renovation and additions to the Pelham Memorial School and its associated buildings and grounds facilities, with net more than Thirty-one million, Nine-hundred eighty thousand dollars (\$31,980,000) to be raised through the issuance of bonds or notes under and in compliance with the provisions of the Municipal Finance Act (RSA Chapter 33); to authorize the School Board to issue, negotiate, sell and deliver such bond and notes and determine the rate of interest thereon and the maturity and other terms thereof; to authorize the School Board to apply for, obtain, accept and expend federal, state or other aide which may be available for said project and to comply with all laws applicable to said project; to authorize the School Board to take any and all action necessary in connection therewith or to pass any other vote relative thereto, including but not limited to, the acquisition or conveyance of interests and real property necessary to complete the project; and further to raise and appropriate the additional sum of Seven hundred ninety-nine thousand, five hundred dollars (\$799,500) for the first year's payment of interest on the bond? (3/5 ballot vote required)

*Recommended By the School Board*

*Recommended By the Budget Committee*

### **ARTICLE 3**

Shall the Pelham School District raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session of the annual school district meeting, for the purposes set forth herein, totaling thirty-five million, six hundred thirteen thousand, ninety-eight dollars (\$35,613,098)? Should this article be defeated, the default budget shall be thirty-five million, two hundred thousand, six hundred twenty-eight dollars, (\$35,200,628), which is the same as last year, with certain adjustments required by previous action of the Pelham School District or by law; or the Pelham School Board may hold one special meeting, in accordance with RSA 40:13 X and XVI, to take up the issue of a revised operating budget only. (Majority vote required).

## SUPERINTENDENT’S REPORT 2020 Annual Report

My first four months in the role of Superintendent of Schools here in Pelham has been a whirlwind driven by the pandemic. While we have had our challenges, I can think of no better community than Pelham to serve during these trying times. The School Board has established three goals for this year.

Our first goal is to maintain the health and safety of our staff and students. In the midst of the COVID-19 pandemic, the Pelham School District has prioritized health and safety. We have adjusted educational programming to allow for universal precautions and these changes have affected nearly every part of the district. We are tracking our progress through a quantitative and qualitative review of the implementation of the District’s “Reopening Safely” plan. This includes reporting in the four main areas in the plan - Health and Safety, Operations, Teaching and Learning, and Social Emotional Impacts. The review includes the cross cutting themes of Special Education, Technology, and Communication. Given that the public health crisis extends beyond Pelham, measures of success are not whether we fully avoid infections, but rather that we respond to any health and safety event in a safe manner and that we have implemented our plan.

Our second goal is to garner sufficient support in the community to pass a warrant article in March 2021 to renovate Pelham Memorial School. Pelham Memorial School requires an upgrade to its facilities to allow for appropriate teaching spaces for middle school students including Family and Consumer Science and Technology. The school facility needs adequate core capacity including the gymnasium, library, and cafeteria. The facility also needs to meet basic accessibility standards. The community came very close to a successful vote in 2020 indicating significant support for this project. The planning process for reopening safely has reinforced the fact that Memorial School presents the most challenges in the district in its physical plant.

Our third goal is to continue to improve culture and climate in the Pelham School District. The intended outcome is to help make the Pelham School District a place where staff want to stay, learn, and grow their careers. Quarterly surveys that show a meaningful improvement in culture and climate measures across the district for staff. Our measure of progress will be that annual turnover of administrative and teaching staff as measured on September 1, 2021 will normalize at 10%.

The key to the Pelham School District is the people: curious students and dedicated teachers, caring parents and involved community members, kind school leaders and compassionate support staff. Together, we will continue to Inspire Success One Mind at a Time.

Respectfully submitted,

Eric "Chip" McGee

## 2020 PSD Deliberative Session Minutes

### PELHAM SCHOOL DISTRICT Deliberative Session of Annual Meeting February 5, 2020

In the absence of Moderator Douglas Viger, School Clerk, Danielle Pilato called the session to order at 7:00 p.m. at the Sherburne Hall. She opened up the floor for nominations for Moderator Pro Tem. School Board Member, Megan Larson nominated James Hogan and School Board Member Debbie Ryan seconded the motion. The motion was approved. School Clerk, Danielle Pilato then swore in James Hogan as Moderator Pro Tem. After Mr. Hogan was sworn in he took to the podium to begin the session.

Moderator Pro Tem James Hogan addressed Inhabitants of the School District of the Town of Pelham in the County of Hillsborough and the State of New Hampshire, qualified to vote upon district affairs.

First session of annual meeting deliberative - You are hereby notified that the first session of the annual meeting of the School District of the Town of Pelham will be held at Sherburne Hall, 14 Village Green, in said Pelham on Wednesday, February 5, 2020, at 7:00 P.M. for explanation, discussion, and debate of warrant articles number 1 through number 4. Warrant articles may be amended subject to the following limitations: (a) warrant articles whose wording is prescribed by law shall not be amended. (b) warrant articles that are amended shall be placed on the official ballot for a final vote on the main motion, as amended, and (c) no warrant article shall be amended to eliminate the subject matter of the article.

Second session of annual meeting official ballot voting - You are hereby notified that the second session of the annual meeting of the School District of the Town of Pelham will be held at Pelham High School gymnasium, 85 Marsh Road, in said Pelham on Tuesday, March 10, 2020, at 7:00 A.M. for the choice of School District Officers elected by official ballot, to vote on questions required by law to be inserted on the official ballot, and to vote on all warrant articles from the first session on official ballot per RSA 40:13, VII. The polls for the election of School District Officers and other actions required to be inserted on said ballot will open on said date at 7:00 A.M. and will not close earlier than 8:00 P.M.

Moderator Pro Tem, James Hogan asked Resident, Mr. Bill McDevitt to lead in the Pledge of Allegiance. Moderator Pro Tem introduced the Board from his right School Board Member Chair, Megan Larson, School Vice Chair Debbie Ryan, School Board Member, Candice Repici, School Board Member, Troy Bressette, and Superintendent, William Furbush. On his left Pelham School District Clerk, Danielle Pilato, Pelham

School District Business Administrator, Deborah Mahoney, Pelham School District Attorney, Peter Bronstein, Budget Committee Chair David Cronin, and Budget Committee Vice-Chair Amber Capone. Mr. Hogan then announced that the session would follow the usual rules of debate and then asked that attendees state their name and address of residency before questions or statements are made. Questions should be kept to three minutes. And if you should have an additional question, please wait until all others have had their turn to return to the microphone again for another question. Restricting Reconsideration would be allowed and non-resident department heads would be allowed to speak. All non-voters shall sit at the front of the room to help keep track for voting.

**Article 1**

To elect by ballot the following School District Officers.

School Board Member	3-Year Term
School District Treasurer	3-Year Term
School District Moderator	3-Year Term
School District Clerk	3-Year Term

Mr. Hogan opened the floor for discussion on Article 1 and there was none.

**Article 2**

Shall the Pelham School District vote to raise and appropriate the sum of thirty million, eight hundred sixty-one thousand dollars (\$30,861,000) for the design, construction, furnishing and equipping of a major renovation and additions to the Pelham Memorial School and its associated buildings and grounds facilities, with not more than thirty million, eight hundred and sixty-one thousand dollars (\$30,861,000) to be raised through the issuance of bonds or notes under and in compliance with the provisions of the Municipal Finance Act (RSA Chapter 33); to authorize the School Board to issue, negotiate, sell and deliver such bond and notes and determine the rate of interest thereon and the maturity and other terms thereof; to authorize the School Board to apply for, obtain, accept and expend federal, state or other aid which may be available for said project and to comply with all laws applicable to said project; to authorize the School Board to take any and all action necessary in connection therewith or to pass any other vote relative thereto, including but not limited to, the acquisition or conveyance of interests and real property necessary to complete the project; and further to raise and appropriate the additional sum of seven hundred seventy-one thousand, five hundred twenty-five dollars (\$771,525) for the first year's payment of interest on the bond? (3/5 ballot vote required)

***Recommended by the School Board***

***Recommended by the Budget Committee***

School Board Member, Candice Repici presented this article. She discussed that the SAU 28 formed a sub-committee in the spring of 2017. They evaluated the Memorial School and the present needs of the students and staff. The committee sent out surveys to students, teachers, parents and the community. After the surveys and a walk-through of the Pelham Memorial School they presented a report of findings to the Pelham School Board which included the need for renovations and upgrades that would carry the school into this new century as well as additional spaces for the changing needs of a modern curriculum. This plan would meet the needs as well as allow the board to be fiscally responsible. She then presented a timeline that showed that Pelham Memorial was built in 1965 and then an addition was done in 1968 that finished in 1970. In 2012, they added modular classrooms. Within the last 4 years they made upgrades to the HVAC, Office, and Front Entry and to the building security. And lastly, in 2018 an additional modular classroom was added. Then a video done by a former Pelham Memorial Student, Mia Cantacesso, was shown that highlighted the needs of the building from the student eye. It highlighted that due to the lack of programs offered; PMS is classified by the state of NH as an Upper Elementary School and not a middle school. Lack of storage, narrow hallways, bathrooms that are not ADA compliant, a non-regulation sized gym, and a wheelchair lift that blocks one of the main stairwells when in use were some of the other main points to the video. After the video Mrs. Repici discussed the differences between an upper elementary school versus a middle school. In order to be classified as a Middle School curriculum must include a STEAM program (Science, Technology, Engineering, Arts and Math), FACS (Family and Consumer Science) and a World Language program. The current curriculum at PMS does not include these programs. The space also does not meet the needs of all students because it is not ADA compliant, there are no Occupational Therapy and Speech Therapy areas and no space for privacy of implementing these services.

School Board member, Debbie Ryan then explained further through slides some of the needs of the existing facility. These slides showed the deterioration of the exterior walls and told of the lack of exterior insulation. In other slides it showed pictures of the existing conditions that had limited accessible toilet rooms, an absence of an elevator, locker rooms which are not ADA accessible, and a lift that when in use impedes the emergency egress and requires the stairwell to be shut down. The building also has improper acoustics and a lack of common areas for group work and meetings. There is also a lack of adequate ventilation, classrooms that are being held in old storage spaces, a gym which has inadequate seating for a full school assembly and its size

adds safety concerns for spectators and cheerleaders. The school's kitchen and serving areas are inefficient in space and energy, the equipment has code issues that require upgrades to help with ventilation and system issues. The kitchen is not ADA compliant in its serving areas. The modular classrooms require students to have to travel outside the building into the elements in all weather which is a safety and security concern.

At the end of the individual slides Mrs. Ryan showed the framing of the needs for the schools by listing each item as: noise challenges, crowding, limited library space, modular challenges-safety, weather, bathrooms, a lack of natural lighting, heating and cooling challenges-which is distracting to students, exposed wires and pipes, and lack of ventilation in bathroom. She asked the larger question to the audience "So, how do we fix this problem?" The committee discussed with the community, administration and students, they hired an architect, and came up with a plan. She showed the concept floor plan to their proposal which includes using the existing infrastructure which is less costly than building a new school. This will add approximately 44,000 square feet to the building which is already approximately 56,000 square feet. It would include a phased construction over the course of a 24+ month schedule. The proposed energy efficient features include: LED lighting with controls energy recovery, ventilation (ERV) high efficiency boilers, low flow fixtures, building automation system (BAS), natural daylight, variable frequency drives (VFD) . radiant slab, increased R value, and energy efficient windows. Mrs. Ryan highlighted on the slide from the map of the new structure the changes to the areas of the cafeteria, gym, locker rooms, music and art rooms, and library which will be the center of the "town square" design. These changes allow for more classroom space, common group areas, locker spaces and an elevator. The plan gives flexibility for space and size to a school that currently holds 500, but can hold more in the future if needed. Mrs. Ryan made mention at the end of her description of this plan that it is in fact a "design concept" and that true drawings and plans could not be made until the warrant article passes.

Then Mrs. Repici summarized the slides shown and detailed the addition of three classrooms on both levels, a regulation sized gym, the collaboration areas which allow for expansion and the safety design which allows for areas to be shut off for community use if needed while still maintaining the safety of students. Then Mrs. Ryan moved to the next slide which outlined the cost of the project and its budget. Per the educational requirements and the associated buildings and grounds facilities required to meet the needs of a modern Middle School program supporting grades 6 through 8, a major renovation with additions to the Pelham Memorial School has been conceptually designed by Harriman Architects and estimated by Bonnette, Page & Stone, with

oversight of the district Superintendent, Staff, the RUC, and advice of Trident Project Advantage Group. The resulting Guaranteed Maximum Budget, including air conditioning, is provided for consideration.

The last slide of the presentation for the article showed the tax impact estimated for Year 1 which is approximately 35 cents per thousand by the assessed value of the home. The table for Year 1 shows the estimated tax impact for homes valued at \$300,000 to be \$105 increase in year 1, for a home valued at \$350,000 the increase would be \$123, and for a house valued at \$400,000 would be estimated at \$140. In the second table it showed the estimated tax impact for Year 2 at approximately \$1.35 per thousand. Mrs. Ryan outlined that Year 2 is the largest tax impact and said that obviously any financial decision is individual to each household. She then asked those in the audience who may have questions after this evening to contact the School Board anytime.

The Moderator Pro Tem, James Hogan asked for any further comments from the board members which was declined. He then asked for any comment from the Budget Committee to which Mr. Cronin just restated the wholehearted support of their committee. Mr. Hogan then opened up comments from the audience. Resident, Charlene Takesian from Jeremy Hill Rd asked them to talk a little about the new design of the bus loop and how it will impact the traffic on Marsh Rd in the morning and at dismissal. Debbie used the last design picture slide to show the traffic flow of the new bus loop and that using this new design would alleviate any over flow out to Marsh Rd and keep all pick-up traffic in the lot. Resident Bill Scanzani from Victoria Lane explained past projects and costs of other schools and the cost of this project. He mentioned that this was a large project and with a big price tag based on the needs and necessary changes. He was amazed at the proposal and the commitment of the committee and School Board to keep the cost lower than he would expect. Saving money by renovation and addition, rather than by a completely new building at a rough cost of 60 million is what needs to be done in Mr. Scanzani's opinion. He also stated that "This school is the last of the infrastructure needs of our town and if we take advantage of this lower cost option and plan we could be done and that is a big accomplishment for our town". He commended the school board and really hopes we can get it done.

Mr. Hogan asked for any further questions and there were none. He entertained the motion to restrict reconsideration for Articles 1 and 2. It was so moved and all were in favor.

### **Article 3**

Shall the Pelham School District raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended

by vote of the first session of the annual school district meeting, for the purposes set forth herein, totaling thirty-four million, thirty-eight thousand, and twenty-one dollars (\$34,038,021)? Should this article be defeated, the default budget shall be thirty-three million, six hundred thirty thousand, five hundred thirty-eight dollars (\$33,630,538), which is the same as the last year, with certain adjustments required by previous action of the Pelham School District or by law; or the Pelham School Board may hold one special meeting, in accordance with RSA 40:13 X and XVI, to take up the issue of a revised operating budget only. (Majority vote required)

**Recommended by the School Board**

**Recommended by the Budget Committee**

Moderator Pro Tem, James Hogan asked for any comments from the School Board and the Budget Committee. Budget Committee Chair, David Cronin stated the committee's support of this budget and its responsibility to the growing population and needs of the school district. The School Board Chair, Megan Larson, spoke about the general fund budget being up 3.82% due in part to the increase from last year's change in the teacher's contract as well as the increase to the cost of healthcare guaranteed maximum rate adjustment which both total about \$660,000 which is more than half of the total increase in the budget. In addition, there is a new mandated change in policy regarding transportation of the kindergarten population in the middle of the day at the cost of about \$65,000. This is a legal requirement. Mrs. Larson stated that as a board they look at the needs of the students and that has changed over the years and what is needed to support those changes. One level of support would be to add another guidance counselor at Pelham Elementary School. Mrs. Larson stated that right now there are two guidance counselors for 756 students which is a ratio of 1:378 and the recommended ratio is 1:250. The counselors are unable to keep up with the social-emotional needs of students as those needs grow every year and change. The board would also like to expand the Special Education Coordinator in both the Memorial and High School to be full-time positions, and also add a part time Coordinator to Pelham Elementary School. Mrs. Larson described the structure of an administrative team which would include a special education coordinator to be something of the norm now and something happening throughout a lot of districts. Having this position allows the administration to focus on other parts of their jobs that they can't get to because they are in meetings all day long.

Mrs. Larson also addressed that the district over time has done a great job implementing technology into the district and some of this needs updating and support. They are asking to add a new part-time database specialist for the district and to expand an IT tech position from part-time to full-time. These positions would be a great

support to staff and teachers, as well as to the students. She then showed a slide which broke down the tax rates and per pupil spending. The 2019 Town of Pelham tax rate decreased \$2.06, or 10% from 2018. A revaluation of homes increased an average of 11% but will mostly be offset by the decrease in tax rate. The local education rate decreased by fifty-seven cents (\$.57) and Pelham is 9<sup>th</sup> from the bottom in per pupil spending in the state. Although they are asking for a roughly 3% overall increase in budget they are still as a board managing to stay very fiscally responsible while continuing to do what they need to for the district.

Moderator Pro Tem opened the questioning to the audience. Resident, Bill Mc Devitt from Lane Rd. came to the microphone to support the budget as a whole and the work of the board. He did question the kindergarten transportation as it sounded to him to be an unfunded state mandate which is against the New Hampshire Constitution. He asked if it was a prior mandate that had not been complied with or if it was in fact against the constitutional rules? Business Administrator, Deb Mahoney answered that it was an update in language to the mandates and because our district has only half-day kindergarten programming, we are then required to cover that mid-day portion of transportation. It is an unfunded mandate based on the changes in the law and they are required to provide the service. The district has figured out the number of busses needed based on this change and that is what is needed in the budget to allow for this new option. Mr. Mc Devitt ended by asking that the board inquire with the state further to how they can require this change without funding.

Moderator Pro Tem, James Hogan asked if there were any other questions on Article 3 and there were none. David Cronin, Budget Committee Chair made a motion to restrict reconsideration of Article 3. It was seconded and all were in favor.

#### **Article 4:**

##### ***PESPA Collective Bargaining Agreement***

Shall the Pelham School District vote to approve the cost items included in the collective bargaining agreement reached between the Pelham School District and the Pelham Education Support Personnel Association (PESPA) which calls for the following

increases in salaries and benefits over the amount paid in the prior fiscal year at current staffing levels:

<b>Year</b>	<b>Estimated Increase</b>
2020-2021	\$88,848
2021-2022	\$62,528
2022-2023	\$62,751

and further to raise and appropriate the sum of eighty-eight thousand, eight hundred forty-eight dollars (\$88,848) for the 2020-2021 fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits required by the new agreement that would be paid at current staffing levels? *(Majority vote required)*

***Recommended by the School Board***

***Recommended by the Budget Committee***

Moderator Pro Tem, James Hogan opened discussion to the School Board Members. Member, Troy Bressette explained the details and more importantly the process of how this agreement was made with months long negotiations by both sides, and that both sides walked away feeling accomplished by these negotiations and what was being brought to vote. The PESPA is the Pelham Education Support Personnel Association. This contract supports 65 positions including Instructional Assistants, Aides, Monitors, and Tutors. He showed a slide demonstrating the estimated negligible impact on tax rates at a nickel per thousand of assessed value and declining with subsequent years. He highlighted the contract points as a 3-year contract that would move its members from a multi-year tiered wage schedule to a 20-step wage schedule, an average wage increase of approximately 3.33% per year and provide additional compensation for Instructional Assistants (IAs) that work with students who require the most specialized care and instructional support. These changes allow a \$0.45/hour adjustment based on an objective determination and for IAs assigned to Social Emotional Learning Programs. The agreement would also offer more competitive health benefits which would help to provide affordable options to all PESPA members, eliminating a plan that no employees or retirees have been enrolled in for years, introducing an affordable site of service plan.

and lastly in Year 1 the district would contribute for single coverage, a cost share that ranges between 70-89% of health insurance premiums depending on the plan. He highlighted what was comparable to surrounding towns and what was offered here in Pelham. These changes would make the district more desirable and able to keep current PESPA staffing.

Moderator Pro Tem, James Hogan opened the article for questioning or discussion from the Budget Committee. Budget Committee Chair, David Cronin stated that the committee unanimously supported this Article. Then the floor was opened and Resident and President of PESPA, Branda Hobbs from 108 Windham Rd. came forward to support her group and express that these aides and monitors are the backbone of the classrooms. The demands on teachers are growing and these PESPA members are crucial to how these demands are met while still taking care of our student's needs. She closed by commending the negotiation process and its result. Resident and fourth grade teacher Susan Harden, from 6 Burns Rd came forward to support this Article and went on to say that these aides are truly the backbone and do some of the toughest jobs in the building. She also commended the School Board for putting something in the contract to attract people to the town for these jobs as she believes we need more help every day.

Seeing no further questions on Article 4, Moderator Pro Tem, James Hogan received a motion to restrict reconsideration on Article 4. The motion was brought forward and so moved. Mr. Hogan declared that this motion brought us to the end of the evening. He thanked the school board, and school district staff. He thanked the crew who set up the hall, supervisors of the checklist and Jim Greenwood and the PTV staff. He reminded the attendees the dates of voting. He then entertained a motion to adjourn which was brought forward by Resident Mr. McDevitt and seconded from the floor.

Moderator Pro Tem, James Hogan adjourned the meeting at 8:01pm.

Respectfully Submitted by:

### **INDEPENDENT AUDITOR'S REPORT**

To the Members of the School Board  
Pelham School District  
Pelham, New Hampshire

We have audited the accompanying financial statements of the governmental activities, each major fund, and aggregate remaining fund information of the Pelham School District as of and for the year ended June 30, 2020, and the related notes to the financial statements, which collectively comprise the School District's basic financial statements as listed in the table of contents.

#### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### ***Auditor's Responsibility***

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America, and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### ***Opinions***

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and aggregate remaining fund information of the Pelham School District, as of June 30, 2020, and the respective changes in financial position and the respective budgetary comparison for the general and grants funds for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### ***Change in Accounting Principle***

As discussed in Note 2-C to the financial statements, in fiscal year 2020 the School District adopted new accounting guidance, Governmental Accounting Standards Board (GASB) Statement No. 84, *Historical Activities*. Our opinions are not modified with respect to this matter.

**Pelham School District  
Independent Auditor's Report**

**Other Matters**

**Required Supplementary Information** - Accounting principles generally accepted in the United States of America require that the following be presented to supplement the basic financial statements:

- Management's Discussion and Analysis,
- Schedule of the School District's Proportionate Share of Net Pension Liability,
- Schedule of School District Contributions – Pensions,
- Schedule of the School District's Proportionate Share of the Net Other Postemployment Benefits Liability,
- Schedule of School District Contributions – Other Postemployment Benefits,
- Schedule of Changes in the School District's Total Other Postemployment Benefits Liability and Related Ratios, and
- Notes to the Required Supplementary Information

Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

**Other Information** – Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Pelham School District's basic financial statements. The combining and individual fund schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements. The Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* and is also not a required part of the basic financial statements.

The combining and individual fund schedules and the Schedule of Expenditures of Federal Awards are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual fund schedules and the Schedule of Expenditures of Federal Awards are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

**Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued our report dated November 16, 2020 on our consideration of the Pelham School District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Pelham School District's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Pelham School District's internal control over financial reporting and compliance.

### MANAGEMENT'S DISCUSSION AND ANALYSIS (MD&A) OF THE ANNUAL FINANCIAL REPORT FOR THE YEAR ENDED JUNE 30, 2020

The Superintendent of Schools and Business Administrator of New Hampshire School Administrative Unit (SAU) #28, as management of the Pelham School District (the District), offer readers of the District's annual financial statements this narrative discussion and analysis of the financial activities of the District for the fiscal year which ended June 30, 2020. The District has prepared this discussion and analysis to encourage readers to consider the information presented here in conjunction with additional information found within the body of the annual financial statements.

#### FINANCIAL HIGHLIGHTS

- The District's total revenues were \$31,965,419, total expenses from governmental activities were \$31,898,742; resulting in an increase of \$66,677 in net position over the prior years' ending net position.
- The District's total net position for the year ending June 30, 2020, was \$702,978. Net position increased by \$329,866 between July 1, 2019 and June 30, 2020, as a result of a restatement in net position from the implementation of GASB Statement No. 84. Capital assets, net of debt, were \$19,342,377, an increase of \$2,050,569 from July 1, 2019 to June 30, 2020.
- During the year, the District's General Fund Non-GAAP budgetary expenditures and transfers of \$29,762,334 were \$1,378,102 less than the final adjusted budget and the General Fund Non-GAAP budgetary revenues of \$30,250,775 were \$371,712 higher than the final adjusted budget. Revenues consist of: charges for services, operating grants and contributions; and general revenues (which consist of local and state property tax assessments, state and federal grants and contributions not restricted to purpose).
- At the end of the current fiscal year, the unassigned fund balance for the General Fund was \$1,721,607, or 5.78% of total General Fund expenditures, an increase of 1.46% from the prior year.
- During the year, the District received \$1,008,924 in federal grants, an increase of \$213,891 or 26.9% more than the prior year.

**OVERVIEW OF FINANCIAL STATEMENTS**

This discussion and analysis is intended to serve as an introduction to the District's annual financial report, which consists of basic financial statements, notes to the financial statements, and related financial information. Our annual financial report consists of five elements: 1) government-wide financial statements, 2) fund financial statements, 3) notes to the financial statements, 4) required supplementary information, and 5) this discussion and analysis. This report also contains other supplementary information in addition to the basic financial statements themselves.

The basic financial statements include two kinds of statements that present different views of the District based upon measurement focus and basis of accounting:

- The first two statements are government-wide financial statements that provide both long-term and short-term information about the District's overall financial status.
- The remaining statements are fund financial statements that focus on individual parts of the District, reporting the District's operations in more detail than the government-wide statements. The governmental funds statements tell how the District's services were financed in the short term as well as what remains for future spending. Fiduciary fund statements provide information about the financial relationships in which the District acts solely as a trustee or agent for the benefit of others to whom the resources belong.

The financial statements also include notes that explain some of the information in the financial statements and provide more detailed data. The statements are followed by a section of required supplementary information that further explains and supports the information in the financial statements. The following exhibit shows how the required parts of this annual report are arranged and related to one another:

**PELHAM SCHOOL DISTRICT  
MANAGEMENT'S DISCUSSION AND ANALYSIS (MD&A)  
OF THE ANNUAL FINANCIAL REPORT FOR THE YEAR ENDED JUNE 30, 2020**

The following exhibit summarizes the major features of the District's financial statements, including the portion of the District government they cover and the types of information they contain.

	Government-Wide	Fund Statements	
		Governmental	Fiduciary
<b>SCOPE</b>	Entire District government (except fiduciary funds)	All activities of the District that are not proprietary or fiduciary	Instances in which the District is the trustee or agent for someone else's resources
<b>REQUIRED FINANCIAL STATEMENTS</b>	Statement of Net Position	Balance Sheet	Statement of Fiduciary Net Position
	Statement of Activities	Statement of Revenues, Expenditures and Changes in Fund Balances	Statement of Changes in Fiduciary Net Position (not required for agency funds)
<b>ACCOUNTING BASIS</b>	Accrual	Modified Accrual	Accrual
<b>MEASUREMENT FOCUS</b>	Economic Resources	Current Financial Resources	Economic Resources
<b>TYPE OF INFORMATION ASSETS AND LIABILITIES</b>	All assets, deferred outflows of resources, liabilities, and deferred inflows of resources, both financial and capital, short-term and long-term	Only assets expected to be used up and liabilities that come due during the year or soon thereafter, no capital assets included	All assets and liabilities, both short-term and long-term
<b>TYPE OF INFORMATION REVENUES, EXPENSES, AND EXPENDITURES</b>	All revenues and expenses during the year, regardless of when cash is received or paid	Revenues for which cash is received during or soon after the end of the year, expenditures when goods or services have been received and payment is due during the year or soon thereafter	

The remainder of this overview section of management's discussion and analysis explains the structure and contents of each of the statements.

PELHAM SCHOOL DISTRICT  
MANAGEMENT'S DISCUSSION AND ANALYSIS (MD&A)  
OF THE ANNUAL FINANCIAL REPORT FOR THE YEAR ENDED JUNE 30, 2020

**Government-wide Financial Statements**

The Government-wide Financial Statements show functions of the District that are principally supported by property taxes and intergovernmental revenues as 'Governmental Activities.' These functions are accounted for in the General Fund, Food Service Fund, Grants Fund, Student Activity Fund, and Capital Projects Fund. Intergovernmental revenues include local, state and federal monies. The governmental activities of the District include instruction, support services, operation and maintenance of plant, student transportation and operation of non-instructional services. Taxes and intergovernmental revenues also support capital assets and related debt.

**Fund Financial Statements**

A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. Fund definitions are part of a state-mandated uniform accounting system and chart of accounts for all New Hampshire School Districts. The District uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

All of the funds of the District can be divided into two categories: governmental funds and fiduciary funds. The General Fund, Food Service Fund, Grants Fund, Student Activity Fund, and Capital Projects Fund are consolidated as Governmental Funds. Two of the funds' expenditures are compared to budget in the Budgetary Comparison Statements. All Food Service revenues are expended on program operations and the Grants Fund revenues are spent mainly on instruction. Fiduciary Funds are established to account for monies belonging to private purpose trust funds held for the benefit of others and are shown on a separate schedule.

**Notes To The Financial Statements**

The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

**GOVERNMENT-WIDE FINANCIAL ANALYSIS**

Net position may serve, over time, as a useful indicator of a government's financial position. The largest portion of the District's net position reflects its investment in capital assets (e.g., land, buildings and improvements, and machinery and equipment) less any related debt used to acquire those assets that is still outstanding. The District uses these capital assets to provide services to its students; consequently, these assets are not available for future spending. Although the District's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

The District's financial position is the product of several financial transactions including the net results of activities, the acquisition and payment of debt, the acquisition and disposal of capital assets and the depreciation of capital assets. Summaries of the capital assets, depreciation and long-term debt obligations can be found in the Notes to Financial Statements. Depreciation is included by accounting convention; thus the depreciated value of a District asset, as reflected in these reports, does not reflect an asset's useful, market or replacement value.

PELHAM SCHOOL DISTRICT  
MANAGEMENT'S DISCUSSION AND ANALYSIS (MD&A)  
OF THE ANNUAL FINANCIAL REPORT FOR THE YEAR ENDED JUNE 30, 2020

**Net Position for the period ending June 30, 2020**

Total net position at year end was \$702,978, an increase of \$66,677 or 10.48% above the prior year.

<b>Net Position</b>	<b>2020</b>	<b>2019 (as restated)</b>	<b>\$ Change 2019-2020</b>	<b>% Change 2019-2020</b>
Current Assets	3,912,517	4,959,413	(1,046,796)	-21.1%
Non-current Assets	38,118,669	37,307,274	811,395	2.17%
<b>Total Assets</b>	<b>42,031,286</b>	<b>42,266,687</b>	<b>235,401</b>	<b>-0.56%</b>
<b>DEFERRED OUTFLOWS OF RESOURCES</b>				
Deferred amounts related to pensions	4,311,769	5,172,532	(860,763)	-16.64%
Current Liabilities	998,803	1,199,715	(200,912)	-16.75%
Long Term Liabilities	43,804,171	44,803,237	(999,066)	-2.23%
<b>Total Liabilities</b>	<b>44,802,974</b>	<b>46,002,952</b>	<b>-1,199,978</b>	<b>-2.61%</b>
<b>DEFERRED INFLOWS OF RESOURCES</b>				
Deferred amounts related to pensions	837,103	799,866	37,237	4.64%
Investment in capital assets (net of debt)	19,342,377	17,291,808	2,050,569	11.86%
Restricted net position	92,171	1,766,426	(1,674,255)	-94.78%
Unrestricted net position	(1,731,570)	(16,421,933)	(309,637)	1.68%
<b>Total Net Position</b>	<b>702,978</b>	<b>636,301</b>	<b>66,677</b>	<b>10.48%</b>

**Change in Net Position**

The District's total revenues were \$31,965,419, total expenses from governmental activities were \$31,898,742; resulting in an increase of \$66,677 in net position over the prior years' ending net position.

This year, 93.22% of the District's revenues came from the local tax assessment and the State of New Hampshire, a decrease of 1.05% from last year. The State of New Hampshire's sources include the locally raised state property tax, federal aid received through the state, and the various state aid programs.

The following Statement of Activities provides a more detailed breakdown of revenues and expenses.

**PELHAM SCHOOL DISTRICT

**PELHAM SCHOOL DISTRICT  
MANAGEMENT'S DISCUSSION AND ANALYSIS (MD&A)  
OF THE ANNUAL FINANCIAL REPORT FOR THE YEAR ENDED JUNE 30, 2020**

### Revenues

School district assessment was 68.33% of total revenues for the fiscal year ended June 30, 2020, an increase of 0.98% from the prior year.

State of New Hampshire source Intergovernmental revenues were 24.89% of total revenues for the fiscal year ended June 30, 2020, a decrease of 2.02% from the prior year.

Federal revenues were 3.16% of total revenues for the fiscal year ended June 30, 2020, an increase of 0.26% from the prior year.

### Summary of Revenues

The biggest share, \$29,797,600 (93.22%), of the revenue total was derived from local appropriations and intergovernmental sources (State of NH). The state property tax is included as part of intergovernmental revenue even though it is raised locally. This revenue statement includes all revenues from local, state and federal sources.

**School District Total Revenues 2019-2020**

### Expenses

Expenses are reported on an accrual accounting basis. Amounts over or under the prior year expense amounts in the primary areas of instruction and instructional and staff support is as follows:

- Instruction expenses were 58.9% of total expenses for the fiscal year ended June 30, 2020, a decrease of 0.9% from the prior year.
- Instructional and staff support service expenses were 11.38% of total expenses for the fiscal year ended June 30, 2020, a decrease of 0.4% from the prior year.
- Facilities acquisition and construction expenses were 5.60% of total expenses for the fiscal year ended June 30, 2020, an increase of 2.14% from the prior year.

**PELHAM SCHOOL DISTRICT  
MANAGEMENT'S DISCUSSION AND ANALYSIS (MD&A)  
OF THE ANNUAL FINANCIAL REPORT FOR THE YEAR ENDED JUNE 30, 2020**

**Summary of Expenses**

The Pelham School District used its budgetary resources as depicted in the following chart. 70.27% of all expenses were on instruction and instructional support. Federal revenues were expended mostly on special needs instruction and support, teacher professional development, and the district's school lunch program. This expense statement includes expenses paid from local, state and federal appropriations.

**School District Total Expenses 2019-2020**

**Highlighted changes in total expenses include:**

- An increase in Instruction spending of \$830,543 or 5.07% over the prior year
- An increase in Instructional and Staff Support Services of \$137,286 or 3.78% over the prior year.
- An increase in District Administration of \$23,563 or 2.05% over the prior year
- An increase in School Administration services of \$23,465 or 1.54% over the prior year.
- An increase in Pupil Transportation services of \$3,103 or 0.18% over the prior year
- An increase in Facilities Acquisition & Construction spending of \$763,533 or 70.12% over the prior year
- A decrease in Interest on Long-term Debt of \$53,040 or -2.97% over the prior year, due to the high school capital bond payment schedule

The total cost of all governmental activities in 2020 was \$31,898,742. the total net cost was \$30,106,650. The primary financing for these activities of the District was as follows:

**Property taxes**

- The amount that was paid by taxpayers through property taxes was \$25,473,533, which consisted of \$21,842,048 paid in the form of local property taxes and \$3,631,485 paid in the form of property taxes under the State of New Hampshire state-wide education tax system raised locally for the annual school district assessment.
- An additional amount of \$4,007,779 was received from the State of New Hampshire under the "adequacy grant" provisions of the State's educational funding system, which in addition to other State funding sources includes statewide property taxes collected from other local governments. This figure includes \$13,486 that was received for special education services provided at charter schools.

**PELHAM SCHOOL DISTRICT  
MANAGEMENT'S DISCUSSION AND ANALYSIS (MD&A)  
OF THE ANNUAL FINANCIAL REPORT FOR THE YEAR ENDED JUNE 30, 2020**

Charges for Services

- Total food service revenues of \$886,059 consisted of food service sales and local miscellaneous revenues in the amount of \$411,613 and federal and state food nutrition program operating contributions (free and reduced lunch reimbursements and commodities) of \$274,446
- Under the implementation of GASB Statement No. 84, student activity funds are now reported as special revenue funds and generated \$197,335 in revenue

Operating Grants and Contributions

Federal grants for instruction were received in the amount of \$745,284.

**INDIVIDUAL FUND ANALYSIS**

**General Fund**

The General Fund is what most people think of as "the budget", since it is the focal point of the Annual Deliberative Session and largely supported by locally raised taxes. The local appropriation and the state property tax are raised locally and make up 84.21% of general fund revenues. Together, the revenues raised locally and the state adequacy grant comprises 97.4% of the District's General Fund Budgetary Revenues. Also depicted below are expenditures and percentages by grade level and district wide including all facilities acquisition and construction expenditures, including inter-fund transfers.

**General Fund Budgetary Revenues 2019 - 2020**

In 2020, instruction made up 54.52% of all general fund expenditures, an increase of 1.11% from the prior year expenditures, while all other support services including transportation, operation of plant, and administration make up 39.39% of all General Fund expenditures, a decrease of 1.17% from the prior year. The remaining 6.09% includes facility acquisition & construction, debt service, and fund transfers, an increase of 0.08% from the prior year. The following charts provide a more detailed depiction of the makeup and proportions of the expenditures in these broad categories.

PELHAM SCHOOL DISTRICT  
MANAGEMENT'S DISCUSSION AND ANALYSIS (MD&A)  
OF THE ANNUAL FINANCIAL REPORT FOR THE YEAR ENDED JUNE 30, 2020

**SUMMARY OF FEDERAL SUPPORT OF THE DISTRICT**

During fiscal year 2020, the Pelham School District applied for and received the following significant federal grants:

- **Special Education.** Individuals with Disabilities Education Improvement Act (IDEA) revenues for the current period were \$538,621 (up from \$376,291). This grant funded special needs services and supplies for students throughout the District.
- **Title I.** Student Achievement and School Accountability Programs revenues for the current period were \$128,433 (down from \$150,442). This grant funded supplemental instruction for math and reading intervention and professional development in math and reading intervention.
- **Title II.** Improving Teacher Quality State Grants was awarded for the current period in the amount of \$55,391 (up from \$53,423). These grants funded differentiated instruction professional development; Common Core State Standards professional development; and mentoring.
- **U. S. Department of Agriculture** National School Lunch Program revenues for the current period were \$67,125 and for the National Breakfast Program for the current period were \$6,903, for a total of \$74,028 (down from \$123,965). These revenues were used to offset the expenses of the school lunch program. Note the District received COVID-19 revenues for breakfast for \$43,062, for lunch \$81,442, for an additional total during this period of \$124,504.
- **Title IV(A).** Student Support and Academic Enrichment Grant was awarded for the current period for Robotics for an amount of \$5,974 and for Personalized Learning and Coaching for SEL and for other district initiatives related to Science, Technology, Engineering and Math for \$20,412 (down from \$31,963). These funds are issued by the Department of Education, Bureau of Integrated Programs.

**CAPITAL RESERVE ACCOUNTS**

The district currently has three expendable and two capital reserve funds-CRF (established by voters at an annual school district meeting as trust funds in accordance with statutory requirements) that are classified as a "Committed" fund balance in the general fund for the basic financial statements. The new Building and Ground Renovation and Improvement capital reserve fund was established during this period with an initial deposit of \$76,670.61. Each fund incurred fees, earned interest and fair market value changes during this period. The ADA Modif Fund School District increased by \$3,235.55, ending with a balance of \$31,842.82. Robinson Tennis Courts expendable trust increased by \$472.12 ending with a balance of \$4,546.53. The School Building Maintenance trust increased by \$31,265.26 through interest earned less fees plus changes in fair market value, ending with a balance of \$307,709.79.

The Special Education CRF increased by \$9,777.43 through interest earned, change in fair market value less fees, ending with a balance of \$215,904.86. Building and Ground Renovation and Improvement CRF began with \$76,670.61, increased by \$2,315.40 through interest earned change in fair market value less fees, and ended with a balance of \$78,986.01.

PELHAM SCHOOL DISTRICT  
MANAGEMENT'S DISCUSSION AND ANALYSIS (MD&A)  
OF THE ANNUAL FINANCIAL REPORT FOR THE YEAR ENDED JUNE 30, 2020

Total of all funds increased from \$515,352.67 on June 30, 2019 to \$639,090.04 as of June 30, 2020, inclusive of new funding, fees, changes in fair market value and interest earned. In accordance with statutory requirements, these funds are held in custody by the Trustees of Trust Funds of the Town of Pelham and are only released for the restricted specific purposes of the individual funds.

#### COMMENTS ON GENERAL FUND BUDGET COMPARISONS

The beginning General Fund equity was \$1,261,523. General Fund revenues, consisting largely of local taxes and state aid, were \$30,250,775. General Fund expenditures, including fund transfers, were \$29,709,836. The ending fund equity for the District was \$3,138,879 of which \$1,721,807 is an unassigned fund balance, an increase of \$460,084 from the prior year's unassigned fund balance. The unassigned fund balance is used to lower the amount of money raised by property taxes.

- General Fund actual revenues were greater than the final budgeted revenues by \$379,712.
- General Fund expenditures were less than the final adjusted budgeted spending by \$1,378,253. On March 16, 2020, the district moved to remote learning, and this mode of operation was extended through the end of the school year. Typical expense patterns were disrupted as a result. The major components of this budget underspend include
  - Special Services' budget was underspent by approx. \$366,336. \$235,578 underspent in salaries, \$107,915 underspent in benefits, \$207,751 underspent in tuition, and \$71,488 underspent in transportation. Special Education professional services were over spent by \$403,505.
  - Salaries were underspent by approximately \$192,735 (excluding special services). This was primarily due to turnover and the pandemic impacts, including \$327,121 in regular education, \$38,458 in building services, \$17,998 in bilingual programs, \$23,408 in co-curricular and \$51,916 in athletics, \$16,000 in guidance and \$27,203 in improvement of instruction, curriculum and staff training.
  - All benefits (excluding special services) were underspent by \$192,735. NH retirement was underspent by \$83,851, social security was underspent by approximately \$59,641, worker's compensation was underspent by \$4,838, and unemployment was underspent by \$8,449. Medical was underspent by \$16,238, dental was underspent by \$3,727 and TSA match was underspent by \$15,000 during this year.

We are continuously monitor our budget planning processes to improve the accuracy of our budget assessments and reduce the size and frequency of future budget variances. Since it is not possible to know in advance all of the circumstances that might create budget variances, we will continue to estimate future costs based on our experience, judgment, and actual prior expenditure data.

**PELHAM SCHOOL DISTRICT  
MANAGEMENT'S DISCUSSION AND ANALYSIS (MD&A)  
OF THE ANNUAL FINANCIAL REPORT FOR THE YEAR ENDED JUNE 30, 2020**

**COMMENTS ON NUTRITION SERVICE FUND**

The results for the Food Service Fund reflect expenses of \$841,421 with revenues of \$886,059. Post-audit results show a year-end restricted fund balance of \$86,827.

**CAPITAL ASSETS AND DEBT ADMINISTRATION**

**Capital Assets**

On June 30, 2020, the District reported capital assets of \$38,118,669 (net of accumulated depreciation), which consist of a broad range of capital assets, including land, buildings & improvements, and machinery and equipment.

There were building improvements as well as other adjustments for retired/replaced capital assets. Capital asset additions in 2020 included: Energy Efficiency move to Natural Gas, PES Condensing Boilers (2), PHS Baseball dugouts, PES Electronic Sign, PES Walk-In Fridge/Freezer, PES Generator and other technology equipment.

Governmental Activities			Increase	% Increase
	2020	2019	(Decrease)	(% Decrease)
Land & Improvements	\$ 699,000	\$ 699,000	-	0.00%
CIP	0	108,603	(108,603)	-100.00%
Land Improvements	2,183,030	2,208,788	(23,250)	-1.05%
Buildings & Improvements	41,026,759	39,349,351	1,677,408	4.26%
Machinery, Equipment & Vehicles	1,018,593	1,538,930	277,683	18.04%
<b>Total Historical Cost</b>	<b>45,725,382</b>	<b>43,892,224</b>	<b>1,823,158</b>	<b>4.15%</b>
Total Accumulated Depreciation	(7,606,713)	(6,594,950)	(1,011,763)	15.34%
<b>NET CAPITAL ASSETS</b>	<b>38,118,669</b>	<b>37,307,274</b>	<b>811,395</b>	<b>2.17%</b>

**Long-Term Liabilities**

On June 30, 2020, the District had \$16,979,304 in general obligation bonds. In addition, \$1,796,988 in capital leases, \$756,745 in compensated absences payable long term liabilities, \$4,434,382 in net other post-employment benefits liability, and, \$19,035,752 in net pension liability were also reported as long term liabilities as can be seen below:

Governmental Activities			Increase	% Increase
	2020	2019	(Decrease)	(% Decrease)
General Obligation Bonds	\$ 16,979,304	\$ 16,114,924	(1,125,020)	-6.27%
Capital Lease	1,796,988	1,900,542	(103,554)	-5.45%
Compensated Absences	756,745	691,649	65,096	9.51%
Other Post Employment Benefits Payable	4,434,382	4,108,783	324,619	7.90%
Net Pension Liability	19,035,752	19,088,959	(150,207)	-0.75%
<b>TOTAL LONG-TERM LIABILITIES</b>	<b>43,804,171</b>	<b>44,803,237</b>	<b>(988,066)</b>	<b>-2.23%</b>

PELHAM SCHOOL DISTRICT  
MANAGEMENT'S DISCUSSION AND ANALYSIS (MD&A)  
OF THE ANNUAL FINANCIAL REPORT FOR THE YEAR ENDED JUNE 30, 2020

### FUTURE BUDGETARY IMPLICATIONS

In New Hampshire, the public school fiscal year is July 1 to June 30; other programs, i.e., some federal budgets, operate on a different fiscal calendar, but are reflected in the District overall budget as they impact on the District.

The beginning General Fund unassigned equity for the 2020-2021 fiscal year is \$1,721,507.

The significant activities or events which may have an impact on future district finances include:

1. In advance of the March 2020 vote, the Pelham School District prepared a comprehensive building plan for Pelham Memorial School. The plan offered the required educational spaces to meet educational standards for a "middle school" as well as better meet the overall needs of the students and community. The March 2020 warrant article for the PMS Renovation/Addition project did not pass by less than 1%. The project will be included on the ballot in March of 2021. A general obligation bond will be pursued to fund the project that is planned to start in Summer 2021.
2. The State of New Hampshire legislature continues to review funding related to full-day kindergarten and has passed new legislation in 2019 that funds full-day kindergarten students at the same adequacy rate as all other regular students in the District. With this additional state support in mind, the District may pursue a change in programming offered from half-day kindergarten to full-day kindergarten in the future. Gross appropriations requirements may reflect an increase in future budget requirements that will have some off-set by available state funding. The community may see a warrant article in the future, for this purpose.
3. On March 11, 2020 the World Health Organization declared the outbreak of a coronavirus (COVID-19) a global pandemic. In response to the pandemic, the State of New Hampshire's Governor issued an order declaring a state of emergency on March 13, 2020. It is anticipated that the impact of the pandemic will continue for some time. As a result, economic uncertainties have arisen which could have a financial impact on the School District, though such impact is unknown at this time.
4. The State of New Hampshire legislature passed legislation in 2020 that allows school districts, with voter approval, to withhold up to 5.0% of the current year's net assessment of any uncommitted year-end fund balance such fund balance to be used only for reducing the tax rate or for emergency expenditures. While this will not be listed on the 2021 warrant, the School Board may ask the voters to approve the school district's ability to carry a year-end fund balance for potential emergency situations in the future.
5. The School Board set for itself a goal to continue to improve culture and climate in the Pelham School District. The intended outcome is to help make the Pelham School District a place where staff want to stay, learn, and grow their careers. One element of this plan will be to address potential gaps between Pelham's compensation model and that of surrounding communities.

Questions regarding this report should be directed to Dr. Chip McGee, Superintendent of Schools, or to Ms. Deborah Mahoney, Business Administrator at (603-635-1145) or by mail at:

*EXHIBIT C-2  
PELHAM SCHOOL DISTRICT  
Reconciliation of the Balance Sheet - Governmental Funds to the Statement of Net Position  
June 30, 2020*

Total fund balances of governmental funds (Exhibit C-1)		\$ 3,134,879
Accounts reported for governmental activities in the Statement of Net Position are different because:		
Capital assets used in governmental activities are not current financial resources, therefore, are not reported in the governmental funds.		
Cost	\$ 45,325,782	
Less accumulated depreciation	<u>17,606,713</u>	38,118,669
Pension and other post-employment benefits (OPEB) related deferred outflows of resources and deferred inflows of resources are not due and payable in the current year, and therefore, are not reported in the governmental funds as follows:		
Deferred outflows of resources related to pensions	\$ 3,604,021	
Deferred inflows of resources related to pensions	(690,994)	
Deferred outflows of resources related to OPEB	707,748	
Deferred inflows of resources related to OPEB	<u>(61,223)</u>	3,559,550
Interfund receivables and payables between governmental funds are eliminated on the Statement of Net Position		
Receivables	\$ (115,098)	
Payables	<u>115,098</u>	-
Interest on long-term debt is not accrued in governmental funds		
Accrued interest payable		(509,949)
Long-term liabilities are not due and payable in the current period, therefore, are not reported in the governmental funds		
Bonds	\$ 15,545,000	
Unamortized bond premium	1,434,704	
Capital leases	1,396,988	
Compensated absences	756,745	
Net pension liability	19,816,752	
Other post-employment benefits	<u>4,434,182</u>	(42,801,171)
Net position of governmental activities (Exhibit A)		<u>\$ 702,918</u>

The Notes to the Basic Financial Statements are an integral part of this statement.

**PELHAM SCHOOL DISTRICT**  
*Reconciliation of the Statement of Revenues, Expenditures, and*  
*Changes in Fund Balances - Governmental Funds to the Statement of Activities*  
*For the Fiscal Year Ended June 30, 2020*

Net change in fund balances of state governmental funds (Exhibit C-3)		\$ 194,333
Amounts reported for governmental activities in the Statement of Activities are different because:		
Governmental Funds report capital outlays as expenditures, while governmental activities report depreciation expense to allocate these expenditures over the life of the assets. Capital outlay expenditures exceeded depreciation expense in the current year, as follows:		
Capitalized capital outlay	\$ 1,858,938	
Depreciation expense	<u>(1,751,980)</u>	826,828
The net effect of various miscellaneous transactions involving capital assets (e.g., sales and donations) was to decrease net position		(15,453)
Proceeds from issuing one-term liabilities provide current financial resources to governmental funds, but issuing debt increases long-term liabilities in the Statement of Net Position. Repayment of long-term liabilities is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the Statement of Net Position		
Inception of capital leases	\$ 1,179,100	
Principal repayment of bond	1,340,860	
Amortization of bond premium	95,620	
Principal repayment of capital leases	<u>262,654</u>	1,219,474
Some expenses reported in the Statement of Activities do not require the use of current financial resources; therefore, are not reported as expenditures in governmental funds		
Decrease in accrued interest expense	\$ 15,565	
Increase in compensated absences payable	267,690	
Net change in net pension liability and deferred outflows and inflows of resources related to pensions	(1,006,119)	
Net change in net other post-employment benefits liability and deferred outflows and inflows of resources related to other post-employment benefits	<u>18,688</u>	
		<u>11,017,550</u>
Change in net position of governmental activities (Exhibit D)		<u>\$ 66,677</u>

**PELHAM SCHOOL DISTRICT**  
**NOTES TO THE BASIC FINANCIAL STATEMENTS**  
**AS OF AND FOR THE FISCAL YEAR ENDED**  
**JUNE 30, 2020**

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The financial statements of the Pelham School District, in Pelham, New Hampshire (the School District), have been prepared in conformity with U.S. Generally Accepted Accounting Principles (GAAP) for governmental units as prescribed by the Governmental Accounting Standards Board (GASB) and other authoritative sources.

In fiscal year 2020 the School District implemented GASB Statement No. 84, *Employee Leases*, which changed the way fiduciary activities are recorded. See Note 2-C for further information on this pronouncement.

**1-A Reporting Entity**

The Pelham School District is a municipal corporation governed by an elected five-member School Board. In evaluating how to define the School District for financial reporting purposes, management has considered all potential component units. The decision to include a potential component unit in the reporting entity is made by applying the criteria set forth by the GASB. The School District has no component units to include in its reporting entity.

The following is a summary of the more significant accounting policies.

**1-B Government-wide and Fund Financial Statements**

**Government-wide Financial Statements** – The Statement of Net Position and the Statement of Activities report information on all of the nonfiduciary activities of the primary government. Generally, the effect of interfund activity has been eliminated from these statements. Governmental activities normally are supported through assessments and intergovernmental revenues.

The *Statement of Net Position* presents the financial position of the School District at year-end. This Statement includes all of the School District's non-fiduciary assets, deferred outflows of resources, liabilities, and deferred inflows of resources, with the difference reported as net position.

The *Statement of Activities* demonstrates the degree to which the direct expenses of a given function are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function. Program revenues include (1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function and (2) grants and contributions that are restricted to meeting the operational requirements of a particular function. Assessments and other items not meeting the definition of program revenues are reported instead as general revenues. Resources that are dedicated irrevocably are reported as general revenue rather than program revenue.

**Fund Financial Statements** – Separate financial statements are provided for governmental funds and fiduciary funds, even though the latter are excluded from the government-wide financial statements. Major individual governmental funds are reported as separate columns in the fund financial statements. All remaining governmental funds are aggregated and reported as nonmajor governmental funds and are presented in the other governmental column of the fund financial statements.

In the governmental fund financial statements, expenditures are reported by character: current, debt service or facilities acquisition and construction. Current expenditures are subclassified by function and are for items such as salaries, grants, supplies, and services. Debt service includes both interest and principal outlays related to bonds. Capital outlay includes expenditures for equipment, real property, or infrastructure.

**Other Financing Sources (Uses)** – These additions to and reductions from resources in governmental fund financial statements normally result from transfers from/to other funds. Transfers are reported when incurred as "transfers in" by the receiving fund and as "transfers out" by the disbursing fund.

**1-C Measurement Focus, Basis of Accounting, and Financial Statement Presentation**

**Measurement Focus and Basis of Accounting** – The government-wide financial statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting*, as are the fiduciary fund financial statements. Revenues are recorded when earned and expenses are recorded when the liability is incurred, regardless of the timing of related cash flows. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

**PELHAM SCHOOL DISTRICT**  
**NOTES TO THE BASIC FINANCIAL STATEMENTS**  
**AS OF AND FOR THE FISCAL YEAR ENDED**  
**JUNE 30, 2020**

Governmental fund financial statements are reported using the *current financial resources* measurement focus and the *modified accrual basis* of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the School District generally considers revenues to be available if they are collected within 60 days of the end of the current fiscal period, with the exception of reimbursement based grants, which use a period of one year. District assessments, intergovernmental revenue, and other local sources assigned with the current fiscal period are all considered to be susceptible to accrual and so have been recognized as revenues of the current fiscal period. Expenditure-driven grants are recognized as revenue when the qualifying expenditures have been incurred and all other grant requirements have been met. All other revenue items are considered to be measurable and available only when cash is received by the government.

Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences, are recorded only when payment is due.

**Financial Statement Presentation** – A fund is a separate accounting entity with a self-balancing set of accounts. Fund accounting is designed to report financial position and the results of operations, to demonstrate legal compliance, and to aid financial management by segregating transactions related to certain government functions or activities.

The School District reports the following major governmental funds:

**General Fund** – is the School District's primary operating fund. The general fund accounts for all financial resources except those required to be accounted for in another fund. The primary revenue sources include district assessments, state and federal grants, and other local sources. The primary expenditures are for instruction, support services, debt service, and facilities acquisition and construction. Under GASB Statement No. 51, *Fund Balance Reporting and Governmental Fund Type Definitions*, guidance the Pelham Memorial School athletics fund, Pelham High School athletics fund, and expendable trust funds are consolidated in the general fund.

**Grants Fund** – accounts for the resources received from various federal, state, and local agencies. The resources are restricted to accomplishing the various objectives of the grantor agencies.

**Nonmajor Funds** – The School District also reports three nonmajor governmental funds.

**Fiduciary Fund Financial Statements** – Fiduciary fund financial statements include a Statement of Fiduciary Net Position and a Statement of Changes in Fiduciary Net Position. These funds account for resources held by the School District for the benefit of other parties and include the private purpose trust funds. Fiduciary funds are accounted for on a spending or "economic resources" measurement focus and the accrual basis of accounting.

#### **1-D Cash and Cash Equivalents**

The School District considers all highly liquid investments with an original maturity of three months or less to be cash equivalents. Deposits with financial institutions consist primarily of demand deposits. A cash pool is maintained that is available for use by all funds. Each fund's portion of this pool is reflected on the combined financial statements under the caption "cash and cash equivalents."

New Hampshire statutes require that the School District treasurer have custody of all money belonging to the School District and pay out the same only upon orders of the School Board. The treasurer shall deposit all such monies in participation units in the public deposit investment pool established pursuant to NH RSA 381:22 or in solvent banks in the state. Funds may be deposited in banks outside the state if such banks pledge and deliver to a third party custodian bank or the Federal Reserve Bank, collateral security for such deposits, United States government or government agency obligations or obligations of the State of New Hampshire in value at least equal to the amount of the deposit in each case.

#### **1-E Receivables**

Receivables in the government-wide and governmental fund financial statements represent amounts due to the School District at June 30, recorded as revenue, which will be collected in the future and consist primarily of accounts and intergovernmental receivables.

**PELHAM SCHOOL DISTRICT**  
**NOTES TO THE BASIC FINANCIAL STATEMENTS**  
**AS OF AND FOR THE FISCAL YEAR ENDED**  
**JUNE 30, 2020**

**1-F Prepaid Items**

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items and expensed as the items are used.

**1-G Capital Assets**

Capital assets are reported in the governmental activities column in the government-wide financial statements. Purchased or constructed assets are recorded at actual cost or estimated historical cost if actual cost is unavailable. Donated capital assets are recorded at estimated fair value at the date of donation, if received on or before June 15, 2015. Donated capital assets received after June 15, 2015 are recorded at acquisition value. The School District has established a threshold of \$10,000 or more for all classes except infrastructure assets, which have a capitalization threshold of \$100,000 per item, for all assets with an estimated useful life greater than one year.

Major outlays for capital assets and improvements are capitalized as projects are constructed. The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend assets lives are not capitalized.

The accounting and reporting treatment applied to capital assets associated with a fund are determined by the fund's measurement focus. General capital assets are assets of the School District as a whole. When purchased, such assets are recorded as expenditures in a governmental fund and capitalized as assets in the government-wide Statement of Net Position.

In the government-wide financial statements, the cost of property sold or retired, together with the related accumulated depreciation, is removed and any resulting gain or loss is included in income.

Capital assets of the School District are depreciated using the straight-line method over the following estimated useful lives:

Capital Asset Class:	Years
Land improvements	10
Buildings and building improvements	20 - 31
Machinery and equipment	5 - 15

**1-H Interfund Receivables and Payables**

Activity between funds that are representative of lending/borrowing arrangements outstanding at the end of the fiscal year are referred to as "due to/from other funds" (i.e., the current portion of interfund loans). Interfund receivables and payables between funds are eliminated in the Statement of Net Position.

**1-I Accounts Payable**

Accounts payable represent the gross amount of expenditures or expenses incurred as a result of normal operations, but for which no actual payment has yet been issued to vendors/providers as of June 30, 2020.

**1-J Deferred Outflows/Inflows of Resources**

*Deferred outflows of resources*, a separate financial statement element, represents a consumption of net position or fund balance that applies to a future period(s) and thus will not be recognized as an outflow of resources (expenses) until then.

*Deferred inflows of resources*, a separate financial statement element, represents an acquisition of net position or fund balance that applies to a future period(s) which will not be recognized as an inflow of resources (revenue) until that time. Although certain revenues are measurable, they are not available. Available means collected within the current year or expected to be collected soon enough thereafter to be used to pay liabilities of the current year.

**1-K Long-term Obligations**

In the government-wide financial statements, long-term debt and other long-term obligations are reported as liabilities in the governmental activities Statement of Net Position. Bond premiums are deferred and amortized over the life of the bond using the straight-line method. Bonds payable are reported net of the bond premium.

**PELHAM SCHOOL DISTRICT**  
**NOTES TO THE BASIC FINANCIAL STATEMENTS**  
**AS OF AND FOR THE FISCAL YEAR ENDED**  
**JUNE 30, 2020**

***I-L Compensated Absences***

General leave for the School District includes vacation, sick, and retirement (if paid pay). General leave is based on an employee's length of employment and is earned ratably during the span of employment. Upon retirement or termination, employees are paid full value for any accrued general leave earned as set forth by the School District's personnel policy.

Vested or accumulated general leave that is expected to be liquidated with expendable available financial resources is reported as an expenditure and a trade liability of the governmental fund that will pay it. Amounts of vested or accumulated general leave that are not expected to be liquidated with expendable financial resources are maintained separately and represent a reconciling item between the fund and government-wide presentations.

***I-M Defined Benefit Pension Plan***

GASB Statement No. 68, *Accounting and Financial Reporting for Pensions – an amendment of GASB Statement No. 27*, and as amended by GASB Statement No. 71, *Pension Transition for Contributions Made Subsequent to the Measurement Date* requires participating employers to recognize their proportionate share of collective net pension liability, deferred outflows of resources, deferred inflows of resources, and pension expense, and schedules have been prepared to provide employers with their calculated proportionate share of these amounts. The collective amounts have been allocated based on employer contributions during the respective fiscal years. Contributions from employers are recognized when legally due, based on statutory requirements.

The schedules prepared by New Hampshire Retirement System and audited by the plan's independent auditors, require management to make a number of estimates and assumptions related to the reported amounts. Due to the inherent nature and uncertainty of these estimates, actual results could differ, and the differences may be material.

***I-N Postemployment Benefits Other Than Pensions (OPEB)***

The School District maintains two separate other postemployment benefit plans, as follows:

***New Hampshire Retirement System Plan*** – For the purposes of measuring the total other postemployment benefit (OPEB) liability, deferred outflows of resources and deferred inflows of resources related to OPEB, and OPEB expense, information about the fiduciary net position of the New Hampshire Retirement System (OPEB Plan) and additions (deductions) from the plan's fiduciary net position has been determined on the same basis as they are reported by the New Hampshire Retirement System. For this purpose, the plan recognizes benefit payments when due and payable in accordance with the benefit terms. Investments are reported at fair value, except money market investments and participating interest earning investment contracts that have a maturity at the time of purchase of one year or less, which are reported at cost.

***Single Employer Plan*** – For purposes of measuring the total OPEB liability, deferred outflows of resources and deferred inflows of resources related to OPEB, and OPEB expense, information has been determined based on the School District's actuarial report. For this purpose, benefit payments are recognized when due and payable in accordance with benefit terms.

***I-O Net Position/Fund Balances***

Government-wide statements – Equity is classified as net position and displayed in three components:

**Net Investment in Capital Assets** – Consists of capital assets, net of accumulated depreciation, reduced by the outstanding balances of bonds or other debt attributable to the acquisition, construction, or improvement of those assets.

**Restricted Net Position** – Results when constraints placed on net position use are either externally imposed by a third party (statutory, bond covenant, or granting agency) or are imposed by law through constitutional provisions or enabling legislation. The School District typically uses restricted assets first, as appropriate opportunities arise, but reserves the right to selectively defer the use until a future period.

**Unrestricted Net Position** – Consists of net position not meeting the definition of the preceding categories. Unrestricted net position is often subject to constraints imposed by management which can be removed or modified.

**PELHAM SCHOOL DISTRICT**  
**NOTES TO THE BASIC FINANCIAL STATEMENTS**  
**AS OF AND FOR THE FISCAL YEAR ENDED**  
**JUNE 30, 2020**

*Fund Balance Classifications* – GASB Statement No. 54, *Fund Balance Reporting and Governmental Fund Type Definitions*, provides more clearly defined fund balance categories to make sure the nature and extent of the constraints placed on a government's fund balances more transparent. The following classifications describe the relative strength of the spending constraints:

**Nonspendable** – Amounts that cannot be spent because they are either (a) not in spendable form; or (b) are legally or contractually required to be maintained intact.

**Restricted** – Amounts for which constraints have been placed on the use of the resources either (a) externally imposed by creditors (such as through a debt covenant), grantors, contributors, or laws or regulations of other governments, or (b) imposed by law through constitutional provisions or enabling legislation.

**Committed** – Amounts that can be used only for specific purposes pursuant to constraints imposed by formal action of the legislative body (School District Meeting). These amounts cannot be used for any other purpose unless the legislative body removes or changes the specified use by taking the same type of action that was employed when the funds were initially committed. This classification also includes contractual obligations to the extent that existing resources have been specifically committed for use in satisfying those contractual requirements.

**Assigned** – Amounts that are constrained by the School District's intent to be used for a specific purpose but are neither restricted nor committed. This intent can be expressed by the School Board or through the Board delegating this responsibility to the Superintendent or Business Administrator through the budgetary process.

**Unassigned** – The portion of fund balance that has not been restricted, committed, or assigned for a specific purpose.

When multiple net position/fund balance classifications are available for use, it is the School District's policy to utilize the most restricted balances first, then the next most restricted balance as needed. When components of unrestricted fund balance are used, committed fund balance is depleted first followed by assigned fund balance. Unassigned fund balance is applied last.

### ***1-P Use of Estimates***

The financial statements and related disclosures are prepared in conformity with accounting principles generally accepted in the United States. Management is required to make estimates and assumptions that affect the reported amounts of assets, deferred outflows of resources, liabilities, and deferred inflows of resources, the disclosure of contingent assets and liabilities at the date of the financial statements, and revenues and expenses/expenditures during the period reported. These estimates include assessing the useful lives of capital assets, among others. Estimates and assumptions are reviewed periodically, and the effects of revisions are reflected in the financial statements in the period they are determined to be necessary. Actual results could differ from estimates.

## ***NOTE 2 – STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY***

### ***2.A Budgetary Information***

General governmental revenues and expenditures accounted for in budgetary funds are controlled by a formal integrated budgetary accounting system in accordance with various legal requirements which govern the School District's operations. At its annual meeting, the School District adopts a budget for the current year for the general and grants funds, as well as the nonmajor fund service fund. Except as reconciled below, the budget was adopted on a basis consistent with United States generally accepted accounting principles.

Management may transfer appropriations between operating categories as deemed necessary, but expenditures may not legally exceed budgeted appropriations in total. All annual appropriations lapse at year-end unless encumbered.

Encumbrance accounting, under which purchase orders, contracts, and continuing appropriations (certain projects and specific needs not fully expended at year-end) are recognized, is employed in the governmental funds. Encumbrances are not the equivalent of expenditures, and are therefore, reported as part of the assigned fund balance at year-end, and are carried forward to supplement appropriations of the subsequent year.

**PELHAM SCHOOL DISTRICT**

**NOTES TO THE BASIC FINANCIAL STATEMENTS**

**AS OF AND FOR THE FISCAL YEAR ENDED  
JUNE 30, 2020**

State statutes require balanced budgets, but provide for the use of beginning unassigned fund balance to achieve that end. In the fiscal year 2020, \$1,261,524 of the beginning general fund unassigned fund balance was applied for this purpose. Additionally, \$75,520 was appropriated to fund the School District's capital reserve funds.

**2-B Budgetary Reconciliation to GAAP Basis**

While the School District reports financial position, results of operations, and changes in fund balance on the basis of generally accepted accounting principles (GAAP), the budgetary basis as provided by law is based upon accounting for certain transactions on a basis of cash receipts, disbursements, and encumbrances. The Statement of Revenues, Expenditures, and Changes in Fund Balance – Budget and Actual is presented for each major governmental fund which had a budget. There are no differences between the budgetary basis and GAAP basis of accounting for the major grants fund. Differences between the budgetary basis and GAAP basis of accounting for the general fund are as follows:

Revenues	
Per Exhibit D-1 (budgetary basis)	\$ 10,250,775
Adjustments:	
Basis difference:	
Capital lease acquisition	(170,100)
GASB Statement No. 24:	
Interest earnings related to the blended expendable trust funds	51,823
Other local revenue of the blended athletic funds	30,791
Per Exhibit D-3 (GAAP basis)	<u>\$ 10,512,489</u>
Expenditures and other financing uses	
Per Exhibit D-1 (budgetary basis)	\$ 29,838,605
Adjustment:	
Basis difference:	
Encumbrances, beginning	270,461
Encumbrances, ending	(398,630)
Capital lease inception	(170,100)
GASB Statement No. 24:	
To remove transfer from the general fund to the blended expendable trust fund	(75,613)
Expenditures of the blended athletic funds	30,401
Expenditures of the blended expendable trust funds	3,757
Per Exhibit D-3 (GAAP basis)	<u>\$ 29,847,423</u>

**2-C Accounting Change**

Governmental Accounting Standards Board Statement No. 84, *Fiduciary Activities*, was implemented during fiscal year 2020. The objective of this Statement is to improve guidance regarding the identification of fiduciary activities for accounting and financial reporting purposes and how those activities should be reported. This Statement establishes criteria for identifying fiduciary activities of all state and local governments. The focus of the criteria generally is on (1) whether a government is controlling the assets of the fiduciary activity and (2) the beneficiaries with whom a fiduciary relationship exists. This Statement describes four fiduciary funds that should be reported, if applicable: (1) pension (and other employee benefit) trust funds, (2) investment trust funds, (3) private-purpose trust funds, and (4) custodial funds. Custodial funds generally should report fiduciary activities that are not held in a trust or equivalent arrangement that meet specific criteria. This Statement also provides for recognition of a liability to the beneficiaries in a fiduciary fund when an event has occurred that compels the government to disburse fiduciary resources. Events that compel a government to disburse fiduciary resources occur when a demand for the resources has been made or when no further action, approval, or other condition is required to be taken or met by the beneficiary to release the assets. Beginning net position for the fiduciary funds was restated to retroactively report the change in accounting principle, see Note 15.

**PELHAM SCHOOL DISTRICT**  
**NOTES TO THE BASIC FINANCIAL STATEMENTS**  
**AS OF AND FOR THE FISCAL YEAR ENDED**  
**JUNE 30, 2020**

**DETAILED NOTES ON ALL FUNDS**

**NOTE 3 – CASH AND CASH EQUIVALENTS**

The School District's deposits are entirely covered by federal depository insurance (FDIC) or by collateral held by the School District's agent in the School District's name. The FDIC currently insures the first \$250,000 of the School District's deposits at each financial institution, per case institution. Deposit balances over \$250,000 are insured by collateral. As of year-end, the carrying amount of the School District's deposits was \$7,065,796 and the bank balances totaled \$5,399,018.

**NOTE 4 – RECEIVABLES**

Receivables at June 30, 2020, consisted of accounts and intergovernmental amounts arising from grants, school lunch program, Medicaid, and expendable trust funds held by the Town of Pelham Trustees of Trust Funds for the School District. Receivables are recorded on the School District's financial statements to the extent that the amounts are determined to be material and substantiated not only by supporting documentation, but also by a reasonable, systematic method of determining their existence, completeness, valuation, and collectability.

**NOTE 5 – CAPITAL ASSETS**

Capital asset activity for the year ended June 30, 2020 consisted of the following:

	Balance beginning	Additions	Retirements	Balance, ending
<b>At cost:</b>				
Not being depreciated				
Land	\$ 699,000	\$ -	\$ -	\$ 699,000
Construction in progress	108,663	-	(108,663)	-
Total capital assets not being depreciated	<u>807,663</u>	<u>-</u>	<u>(108,663)</u>	<u>699,000</u>
Being depreciated:				
Land improvements	2,206,280	32,400	(435,650)	2,183,030
Buildings and building improvements	39,349,351	1,677,405	-	41,026,756
Machinery and equipment	1,538,030	277,063	-	1,815,093
Total capital assets being depreciated	<u>41,094,561</u>	<u>1,967,471</u>	<u>(435,650)</u>	<u>43,026,782</u>
Total capital assets	<u>41,902,224</u>	<u>1,967,471</u>	<u>(544,313)</u>	<u>45,725,382</u>
Less accumulated depreciation				
Land improvements	(571,836)	(65,626)	20,217	(617,245)
Buildings and building improvements	(5,432,558)	(721,293)	-	(6,153,851)
Machinery and equipment	(587,456)	(245,063)	-	(832,519)
Total accumulated depreciation	<u>(6,591,850)</u>	<u>(1,031,982)</u>	<u>20,217</u>	<u>(7,603,615)</u>
Net book value capital assets being depreciated	<u>36,599,511</u>	<u>935,489</u>	<u>(515,433)</u>	<u>37,019,565</u>
Net book value all capital assets	<u>\$ 37,807,274</u>	<u>\$ 935,491</u>	<u>\$ (544,096)</u>	<u>\$ 38,118,669</u>

Depreciation expense was charged to functions of the School District based on their usage of the related assets. The amounts allocated to each function are as follows:

Instruction	\$ 908,202
Support services	
Operation and maintenance of plant	96,562
Other support	17,337
Non-instructional services	9,519
Total depreciation expense	<u>\$ 1,031,980</u>

**PELHAM SCHOOL DISTRICT**  
**NOTES TO THE BASIC FINANCIAL STATEMENTS**  
**AS OF AND FOR THE FISCAL YEAR ENDED**  
**JUNE 30, 2020**

**NOTE 6 – INTERFUND BALANCES**

Interfund receivable and payable balances consisting of overdrafts in pooled cash and budgetary transfers at June 30, 2020 are as follows:

Receivable Fund	Payable Fund	Amount
General	Grants	\$ 111,577
Nonmajor	Grants	1,721
		<u>\$ 113,298</u>

**NOTE 7 – DEFERRED OUTFLOWS/INFLOWS OF RESOURCES**

Deferred outflows of resources at June 30, 2020 consist of amounts related to pensions totaling \$3,604,021 and amounts related to OPEB totaling \$707,748. For further discussion on these amounts, see Notes 10 and 11, respectively.

Deferred inflows of resources reported in the governmental funds for unavailable revenues are as follows:

	Governmental Activities	Grants Fund
State and local grants and donations collected in advance of eligible expenditures being made	\$ 31,854	\$54,834
Amounts related to pensions, see Note 10	691,944	-
Amounts related to OPEB, see Note 11	61,225	-
Total deferred inflows of resources	<u>\$ 837,103</u>	<u>\$54,834</u>

**NOTE 8 – CAPITAL LEASE OBLIGATIONS**

The School District has entered into certain capital lease agreements under which the related equipment will become the property of the School District when all the terms of the lease agreements are met.

	Standard Interest Rate	Present Value of Remaining Payments as of June 30, 2020
Capital lease obligations:		
Energy efficiency (2019)	3.75%	\$ 1,427,283
Lenovo computers (2019)	5.60%	51,751
Modular classroom (2019)	3.71%	201,247
Chromebooks (2020)	5.06%	116,707
Total capital lease obligations		<u>\$ 1,796,988</u>

Leased building improvements and equipment under capital leases are included in capital assets as follows:

	Governmental Activities
Equipment:	
Energy efficiency improvements	\$ 1,556,978
Lenovo computers	103,240
Modular classroom	1,393,268
Chromebooks	179,100
Total equipment	<u>3,252,606</u>
Less accumulated depreciation	(356,134)
Total capital lease equipment	<u>\$ 2,896,472</u>

**PELHAM SCHOOL DISTRICT**  
**NOTES TO THE BASIC FINANCIAL STATEMENTS**  
**AS OF AND FOR THE FISCAL YEAR ENDED**  
**JUNE 30, 2020**

The annual requirements to amortize the capital leases payable as of June 30, 2020, including interest payments, are as follows:

Fiscal Year Ending June 30,	Governmental Activities
2021	\$ 103,000
2022	248,184
2023	85,563
2024	185,565
2025	185,562
2026-2030	705,625
2031-2035	402,176
Total requirements	2,215,905
Less: Interest	(436,917)
Present value of remaining payments	<u>\$ 1,798,988</u>

Amortization of lease equipment under capital assets is included with depreciation expense.

**NOTE 9 LONG-TERM LIABILITIES**

Changes in the School District's long-term liabilities consisted of the following for the year ended June 30, 2020:

	Balance July 1, 2019	Additions	Reductions	Balance June 30, 2020	One Within One Year
Bank payable					
General obligation bond	\$16,585,000	\$ -	\$ (11,040,000)	\$ 15,545,000	\$ 1,040,000
Premium	1,529,024	-	(95,620)	1,434,404	95,620
Total bank payable	18,114,024	-	(11,135,620)	16,979,604	1,135,620
Capital leases	1,960,542	179,100	(282,654)	1,796,988	282,654
Compensated absences	691,049	65,606	-	756,655	175,655
Personnel related liability	19,956,059	-	(150,207)	19,806,752	-
Net other postemployment benefits	4,169,363	324,619	-	4,494,982	-
Total long-term liabilities	<u>\$44,802,237</u>	<u>\$ 569,415</u>	<u>\$ (1,568,481)</u>	<u>\$ 43,804,171</u>	<u>\$ 1,489,467</u>

The long-term bond is comprised of the following:

	Original Amount	Issue Date	Maturity Date	Interest Rate	Outstanding at June 30, 2020
General obligation bond payable					
High School construction bonds	\$20,745,000	2014	2035	1.20%	<u>\$ 15,545,000</u>

The annual requirements to amortize the general obligation bond outstanding as of June 30, 2020, including interest payments, are as follows:

Fiscal Year Ending June 30,	Principal	Interest	Total
2021	\$ 1,040,000	\$ 542,075	\$ 1,682,075
2022	1,040,000	589,115	1,629,115
2023	1,040,000	535,995	1,575,995
2024	1,040,000	482,952	1,522,952
2025	1,040,000	430,941	1,469,941
2026-2030	5,175,000	1,570,613	6,745,613
2031-2035	5,175,000	530,437	5,705,437
Total	<u>\$15,545,000</u>	<u>\$4,381,151</u>	<u>\$20,126,151</u>

**PELHAM SCHOOL DISTRICT**  
**NOTES TO THE BASIC FINANCIAL STATEMENTS**  
**AS OF AND FOR THE FISCAL YEAR ENDED**  
**JUNE 30, 2020**

All debt is general obligation debt of the School District, which is backed by its full faith and credit, and will be repaid from general government revenues.

**NOTE 10 – DEFINED BENEFIT PENSION PLAN**

**Plan Description** – The New Hampshire Retirement System (NHRS or the System) is a public employee retirement system that administers one cost-sharing, multiple-employer defined benefit pension plan (Pension Plan), a component unit of the State of New Hampshire, as defined in Governmental Accounting Standards Board (GASB) Statement No. 67, *Financial Reporting for Pension Plans*, an amendment of GASB Statement No. 25. The Pension Plan was established in 1967 by RSA 106-A:2 and is qualified as a tax-exempt organization under Sections 401(a) and 501(a) of the Internal Revenue Code. The Pension Plan is a contributory, defined benefit plan providing service, disability, death and vested retirement benefits to members and their beneficiaries. Substantially all full-time state employees, public school teachers and administrators, permanent firefighters and permanent police officers within the State are eligible and required to participate in the Pension Plan. The System issues a publicly available financial report that may be obtained by writing the New Hampshire Retirement System, 34 Regional Drive, Concord, NH 03301.

**Benefits Provided** – The Pension Plan is divided into two membership groups. State and local employees and teachers belong to Group I. Police and firefighters belong to Group II. All assets are held at a single trust and available to pay retirement benefits to all members.

Group I members at age 60 or 65 (for members who commence service after July 1, 2011) qualify for a normal service retirement allowance based on years of creditable service and average final salary for the highest of either three or five years, depending on when their service commenced. The yearly pension amount is 1.60 or 1.667% of average final compensation (AFC) multiplied by years of creditable service. At age 65, the yearly pension amount is recalculated at 1.66 or 1.515% of AFC multiplied by years of creditable service.

Group II members who are age 60, or members who are at least age 45 with at least 20 years of creditable service, can receive a retirement allowance at a rate of 2.5% of AFC for each year of creditable service, not to exceed 40 years. Members commencing service on or after July 1, 2011 or members who have neverested status as of January 1, 2012 can receive a retirement allowance at age 52.5 with 25 years of service or age 60. The benefit shall be equal to 2% of AFC times creditable service up to 42.5 years. However, a member who commenced service on or after July 1, 2011 shall not receive a retirement allowance until attaining the age of 52.5, but may receive a reduced allowance after age 50 if the member has at least 25 years of creditable service where the allowance shall be reduced, for each month by which the member attains 52.5 years of age by 1/3 of 1% or age 60.

Members of both groups may qualify for vested deferred allowances, disability allowances and death benefit allowances, subject to meeting various eligibility requirements. Benefits are based on AFC or earnable compensation and/or service.

**Contributions** – The System is financed by contributions from both the employees and the School District. Member contribution rates are established and may be amended by the State legislature while employer contribution rates are set by the System trustees based on an actuarial valuation. All employees are required to contribute 7% of earnable compensation. For fiscal year 2020, the School District contributed 13.99% for teachers and 19.08% for other employees. The contribution requirement for the fiscal year 2020 was \$1,794,100 which was paid in full.

**Pension Liabilities, Pension Expense, Deferred Outflows of Resources, and Deferred Inflows of Resources Related to Pensions** – At June 30, 2020, the School District reported a liability of \$19,836,752 for its proportionate share of the net pension liability. The net pension liability was measured as of June 30, 2019, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. The School District's proportion of the net pension liability was based on a projection of the School District's long-term share of contributions to the pension plan relative to the projected contributions of all participating towns and school districts, actuarially determined. At June 30, 2019, the School District's proportion was 0.41% which was a decrease of 0.01% from its proportion measured as of June 30, 2018.

**PELHAM SCHOOL DISTRICT**  
**NOTES TO THE BASIC FINANCIAL STATEMENTS**  
**AS OF AND FOR THE FISCAL YEAR ENDED**  
**JUNE 30, 2020**

For the year ending June 30, 2020, the School District recognized pension expense of \$2,864,978. At June 30, 2020, the School District reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Changes in proportion	\$ 948,826	\$ 102,409
Net difference between projected and actual investment earnings on pension plan investments	-	162,438
Changes in assumptions	711,715	-
Differences between expected and actual experience	109,680	426,517
Contributions subsequent to the measurement date	1,858,548	-
Total	\$2,609,027	\$ 590,954

The \$1,858,548 reported as deferred outflows of resources related to pensions results from the School District contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ended June 30, 2021. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

Fiscal Year Ending June 30	
2020	\$ 948,826
2021	156,550
2022	139,274
2023	22,938
Thereafter	-
Totals	\$1,054,479

**Actuarial Assumptions** – The collective total pension liability was determined by an actuarial performed as of June 30, 2018, rolled forward to June 30, 2019, using the following assumptions:

Inflation	2.5% per year
Wage inflation	3.25% per year (2.00% for Teachers)
Salary increases	5.6% average, including inflation
Investment rate of return	7.25% net of pension plan investment expense, including inflation

Mortality rates were based on the RP-2014 amp (yes) generational mortality tables for males and females, adjusted for mortality improvements using Scale MP-2015, based on last experience study.

The actuarial assumptions used in the June 30, 2018 valuation were based on the results of the most recent actuarial experience study, which was for the period July 1, 2010 - June 30, 2015.

**Long-term Rates of Return** – The long-term expected rate of return on pension plan investment was selected from a best estimate range determined using the building block approach. Under this method, an expected future real return range is calculated separately for each asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rate of return net of investment expenses by the target asset allocation percentage and by adding expected inflation.

**PELHAM SCHOOL DISTRICT**  
**NOTES TO THE BASIC FINANCIAL STATEMENTS**  
**AS OF AND FOR THE FISCAL YEAR ENDED**  
**JUNE 30, 2020**

Following is a table presenting target allocations and long-term rates of return for 2019:

Asset Class	Target Allocation	Weighted average long-term expected rate of return
Large Cap Equities	22.50%	4.25%
Small/Mid Cap Equities	7.50%	4.50%
Total domestic equities	30.00%	
Int'l Equities (unhedged)	13.00%	4.50%
Emerging Int'l Equities	3.00%	6.00%
Total international equity	20.00%	
Core Bonds	9.00%	1.12%
Global Multi-Sector Fixed Income	10.00%	2.45%
Absolute Return Fixed Income	6.00%	1.50%
Total fixed income	25.00%	
Private equity	10.00%	5.50%
Private debt	5.00%	4.85%
Total alternative investments	15.00%	
Real estate	10.00%	3.00%
Total	100.00%	

**Discount Rate** – The discount rate used to measure the collective total pension liability was 7.25%. The projection of cash flows used to determine the discount rate assumed that plan member contributions will be made at the current contribution rate and that employer contributions will be made at rates equal to the difference between actuarially determined contribution rates and the member rate. For purposes of the projection, member contributions and employer service cost contributions are projected based on the expected payroll of current members only. Employer contributions are determined based on the Pension Plan's actuarial funding policy as required by RSA 102-A:16. Based on these assumptions, the Pension Plan's fiduciary net position was projected to be available to make all projected future benefit payments to current plan members. Therefore, the long-term expected rate of return on Pension Plan investment was applied to all periods of projected benefit payments to determine the collective total pension liability.

**Sensitivity of the School District's Proportionate Share of the Net Pension Liability to Changes in the Discount Rate** – The following table presents the School District's proportionate share of the net pension liability calculated using the discount rate of 7.25% as well as what the School District's proportionate share of the net pension liability would be if it were calculated using a discount rate that is 1-percentage point lower (6.25%) or 1-percentage point higher (8.25%) than the current rate.

Actuarial Valuation Date	1% Decrease 6.25%	Current Single Rate Assumption 7.25%	1% Increase 8.25%
June 30, 2019	\$26,562,738	\$ 15,836,752	\$14,278,199

**Pension Plan Fiduciary Net Position** – Detailed information about the pension plan's fiduciary net position is available in the separately issued New Hampshire Retirement System Cost-Sharing Multiple Employer Defined Benefit Pension Plan financial report.

**NOTE 11 – POSTEMPLOYMENT BENEFITS OTHER THAN PENSIONS (OPEB)**

**11-A New Hampshire Retirement System (NHRS)**

**Plan Description** – The New Hampshire Retirement System (NHRS or the System) administers a cost-sharing multiple-employer other post-employment benefit plan (medical subsidy health care plan) (OPEB Plan). For additional system information, please refer to the 2019 Comprehensive Annual Financial Report, which can be found on the system's website at [www.nhrs.org](http://www.nhrs.org).

**PELHAM SCHOOL DISTRICT**  
**NOTES TO THE BASIC FINANCIAL STATEMENTS**  
**AS OF AND FOR THE FISCAL YEAR ENDED**  
**JUNE 30, 2020**

**Benefits Provided** – Benefit amounts and eligibility requirements for the OPEB Plan are set by State law (RSA 109-A:52, RSA 109-A:52-a and RSA 109-A:52-b) and members are designated in statute by type. The four membership types are Group II, Police Officers and Firefighters; Group I, Teachers; Group I, Political Subdivision Employees; and Group I, State Employees. The OPEB Plan provides a medical insurance subsidy to qualified retired members. The medical insurance subsidy is a payment made by NTRS to the former employer or its insurance administrator toward the cost of health insurance for a qualified retiree, his/her qualified spouse, and his/her certified dependent children with a disability who are living in the household and being cared for by the retiree. If the health insurance premium amount is less than the medical subsidy amount, then only the health insurance premium amount will be paid. If the health insurance premium amount exceeds the medical subsidy amount, then the retiree or other qualified person is responsible for paying any portion that the employer does not pay.

Group I benefits are based on creditable service, age and retirement date. Group II benefits are based on hire date, age and creditable service. The OPEB plan is closed to new entrants.

Maximum medical subsidy rates paid during fiscal year 2019 were as follows:

- For qualified retirees not eligible for Medicare, the amounts were \$375.56 for a single-person plan and \$751.12 for a two-person plan.
- For those qualified retirees eligible for Medicare, the amounts were \$236.84 for a single-person plan and \$473.68 for a two-person plan.

**Contributions** – The OPEB Plan is funded by allocating to the 401(a) subtrust the lesser of 75% of all employer contributions made in accordance with RSA 100-A:16 or the percentage of employer contributions determined by the actuary to be the minimum rate necessary to maintain the benefits provided under RSA 109-A:53-b, RSA 109-A:53-c, and RSA 109-A:57-c. For fiscal year 2019, the minimum rates determined by the actuary to maintain benefits were the lesser of the two options and were used to determine the employer contributions due to the 401(a) subtrust. The State Leg. statute has the authority to establish, amend and discontinue the contribution requirements of the OPEB Plan. Administrative costs are allocated to the OPEB Plan based on fund balances. For fiscal year 2020, the School District contributed 1.81% for teachers and 0.29% for other employees. The contribution requirement for the fiscal year 2020 was \$173,386, which was paid in full.

**OPEB Liabilities, OPEB Expense, Deferred Outflows of Resources, and Deferred Inflows of Resources Related to OPEB** – At June 30, 2020, the School District reported a liability of \$1,665,188 for its proportionate share of the net OPEB liability. The net OPEB liability was measured as of June 30, 2019, and the total OPEB liability used to calculate the net OPEB liability was determined by an actuarial valuation as of that date. The School District’s proportion of the net OPEB liability was based on a projection of the School District’s long-term share of contributions to the OPEB plan relative to the projected contributions of all participating towns and school districts, actuarially determined. At June 30, 2019, the School District’s proportion was 0.38% of which there was no change from its proportion measured as of June 30, 2018.

For the year ended June 30, 2020, the School District recognized OPEB expense of \$5,554. At June 30, 2020, the School District reported deferred outflows of resources and deferred inflows of resources related to OPEB from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Changes in proportion	\$ -	\$ 94*
Net difference between projected and actual investment earnings on OPEB plan investments	-	1,571
Differences between expected and actual experience	-	2,897
Contributions subsequent to the measurement date	173,386	-
<b>Total</b>	<u>\$ 173,386</u>	<u>\$ 5,573</u>

**PELHAM SCHOOL DISTRICT**  
**NOTES TO THE BASIC FINANCIAL STATEMENTS**  
**AS OF AND FOR THE FISCAL YEAR ENDED**  
**JUNE 30, 2020**

The \$178,386 reported as deferred outflows of resources related to OPEB results from the School District contributions subsequent to the measurement date will be recognized as a reduction of the net OPEB liability in the year ended June 30, 2021. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to OPEB will be recognized in OPEB expense as follows:

Fiscal Year Ending June 30,	
2020	\$15,083
2021	41,241
2022	129
2023	482
Hereafter	-
Total	<u>\$57,135</u>

**Actuarial Assumptions** – The total OPEB liability in this report is based on an actuarial valuation performed as of June 30, 2018 and a measurement date of June 30, 2019. The total OPEB liability was determined using the following actuarial assumptions applied to all periods included in the measurement, unless otherwise specified.

Price inflation:	2.5% per year
Wage inflation:	3.25% per year (3.00% for Teachers)
Salary increases:	5.6% average, including inflation
Investment rate of return:	7.25% net of OPEB plan investment expense, including inflation
Health care trend rate:	Not applicable, given that the benefits are fixed stipends

Mortality rates were based on the RP-2014 healthy annuitant and employee generational mortality tables for males and females with credibility adjustments, adjusted for fully generational mortality improvements using Scale MP-2015, based on 71st experience study.

The actuarial assumptions used in the June 30, 2018 valuation were based on the results of the most recent actuarial experience study, which was for the period July 1, 2010 – June 30, 2015.

**Long-term Rates of Return** – The long-term expected rate of return on OPEB plan investment was selected from a best estimate range determined using the building block approach. Under this method, an expected future real return range is calculated separately for each asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rate of return net of investment expenses by the target asset allocation percentage and by adding expected inflation. Following is a table presenting target allocations and long-term rates of return for 2019.

Asset Class	Target Allocation	Weighted average long-term expected real rate of return 2019
Large Cap Equities	22.50%	4.25%
Small Cap Equities	7.50%	4.50%
Total domestic equities	30.00%	
Int'l Equities (emerging)	11.00%	4.50%
Emerging Int'l Equities	7.00%	6.00%
Total international equity	18.00%	
Core Bonds	9.00%	1.13%
Global Multi-Sector Fixed Income	10.00%	2.46%
Absolute Return Fixed Income	6.00%	1.50%
Total fixed income	25.00%	
Private equity	10.00%	7.00%
Private debt	5.00%	4.86%
Total alternative investment	15.00%	
Real estate	10.00%	3.00%
<b>Total</b>	<b>100.00%</b>	

**PELHAM SCHOOL DISTRICT**  
**NOTES TO THE BASIC FINANCIAL STATEMENTS**  
**AS OF AND FOR THE FISCAL YEAR ENDED**  
**JUNE 30, 2020**

**Discount Rate** - The discount rate used to measure the total OPEB liability as of June 30, 2019 was 7.25%. The projection of cash flows used to determine the discount rate assumes that employer contributions will be made under the current statute RSA 100-A:16 and that plan member contributions will be made under RSA 100-A:16. Based on those assumptions, the OPEB Plan's fiduciary net position was projected to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on OPEB Plan investments was applied to all periods of projected benefit payments to determine the collective total OPEB liability.

**Sensitivity of the School District's Proportionate Share of the OPEB Liability to Changes in the Discount Rate** - The following table presents the School District's proportionate share of the OPEB liability calculated using the discount rate of 7.25% as well as what the School District's proportionate share of the OPEB liability would be if it were calculated using a discount rate that is 1-percentage point lower (6.25%) or 1-percentage point higher (8.25%) than the current rate:

Actuarial Valuation Date	1% Decrease 6.25%	Current Single Rate Assumption 7.25%	1% Increase 8.25%
June 30, 2019	\$1,806,149	\$1,655,188	\$1,512,701

**Sensitivity of the School District's Proportionate Share of the OPEB Liability to Changes in the Healthcare Cost Trend Rate** - GASB No. 75 requires the sensitivity of the Net OPEB liability to the healthcare cost trend assumption. Since the medical subsidy benefits are a fixed stipend, there is no sensitivity to the change in the healthcare cost trend assumption.

**OPEB Plan Fiduciary Net Position** - Detailed information about the OPEB plan's fiduciary net position is available in the separately issued New Hampshire Retirement System Cost-Sharing Multiple Employer Defined Benefit OPEB Plan financial report.

**11-B Retiree Health Benefit Program**

**Plan Description** - GASB Statement No. 75, *Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions*, requires governments to account for other postemployment benefits (OPEB) on an accrual basis, rather than on a pay-as-you-go basis. The effect is the recognition of an actuarially determined expense on the Statement of Activities when a future retiree earns their postemployment benefits, rather than when they use their postemployment benefit. The postemployment benefit liability is recognized on the Statement of Net Position over time.

**Benefits Provided** - The School District provides postemployment healthcare benefits for certain eligible retirees. The School District provides medical benefits to its eligible retirees. The benefits are provided through the New Hampshire Health Trust.

**Employees Covered by Benefit Terms** - As of June 30, 2020 the following employees were covered by the benefit terms:

Inactive employees or beneficiaries currently receiving benefit payments	83
Inactive employees not yet scheduled to receive benefit payments	14
Active employees	297
Total participants covered by OPEB plan	<u>394</u>

**Total OPEB Liability** - The School District's total OPEB liability of \$2,769,194 was measured as of June 30, 2020 and was determined by an actuarial valuation of that date.

**PELHAM SCHOOL DISTRICT**  
**NOTES TO THE BASIC FINANCIAL STATEMENTS**  
**AS OF AND FOR THE FISCAL YEAR ENDED**  
**JUNE 30, 2020**

**Actuarial Assumptions and Other Inputs** – The total OPEB liability of \$2,769,194 in the June 30, 2020 actuarial valuation was determined using the following actuarial assumptions and other inputs, applied to all periods included in the measurement, unless otherwise specified:

Discount Rate	2.66%
Healthcare Cost Trend Rates	
Initial Year Trend	8.00%
Second Year Trend	7.50%
Decrement	0.50%
Ultimate Trend	6.50%
Year Ultimate Trend's Reached	2025
Salary Increases	5.25%

The discount rate was based on the index provided by *Bond Buyer 20-Bond General Obligation Index* based on the 20-year AA municipal bond rate as of June 30, 2020.

Mortality rates were based on the RP-2000 Combined Health Participant Table Projected 10 years using Projection Scale AA.

**Changes in the Total OPEB Liability**

	June 30,	
	2019	2020
Total OPEB liability, beginning of year	\$2,304,157	\$2,361,868
Changes for the year:		
Service cost	117,868	126,853
Interest	90,976	85,560
Assumption changes and differences between actual and expected experience	(7,298)	309,795
Benefit payments	(113,835)	(114,590)
Total OPEB liability, end of year	<u>\$2,361,868</u>	<u>\$2,769,194</u>

**Sensitivity of the School District's OPEB Liability to Changes in the Discount Rate** – The June 30, 2020 actuarial valuation was prepared using a discount rate of 2.66%. If the discount rate were 1% higher than what was used the OPEB liability would decrease to \$2,596,535 or by 6.23%. If the discount rate were 1% lower than what was used the OPEB liability would increase to \$2,947,931 or by 6.45%.

	Discount Rate		
	1% Decrease	Baseline 2.66%	1% Increase
Total OPEB Liability	<u>\$2,947,931</u>	<u>\$2,769,194</u>	<u>\$2,596,535</u>

**Sensitivity of the School District's OPEB Liability to Changes in the Healthcare Cost Trend Rates** – The June 30, 2020 actuarial valuation was prepared using an initial trend rate of 8.00%. If the trend rate were 1% higher than what was used, the OPEB liability would increase to \$3,065,399 or by 11.39%. If the trend rate were 1% lower than what was used the OPEB liability would decrease to \$2,518,322 or by 9.66%.

	Healthcare Cost Trend Rates		
	1% Decrease	Baseline 8.00%	1% Increase
Total OPEB Liability	<u>\$2,518,322</u>	<u>\$2,769,194</u>	<u>\$3,065,399</u>

**PELHAM SCHOOL DISTRICT**  
**NOTES TO THE BASIC FINANCIAL STATEMENTS**  
**AS OF AND FOR THE FISCAL YEAR ENDED**  
**JUNE 30, 2020**

**OPEB Expense, Deferred Outflows of Resources, and Deferred Inflows of Resources Related to OPEB** – For the year ended June 30, 2020, the School District recognized OPEB expense of \$279,853. At June 30, 2020, the School District reported deferred outflows of resources and deferred inflows of resources related to OPEB from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Changes in assumptions	\$ 154,975	\$ 1,806
Differences between expected and actual experience	324,877	53,046
Total	\$ 529,162	\$ 55,812

Amounts reported as deferred outflows of resources and deferred inflows of resources related to OPEB will be recognized as OPEB expense as follows:

Fiscal Year Ending June 30,	
2021	\$ 67,640
2022	67,640
2023	67,640
2024	67,640
2025	67,640
Thereafter	135,650
Totals	\$ 475,850

**NOTE 12 – ENCUMBRANCES**

Encumbrances outstanding at June 30, 2020 are as follows:

Current:	
Instructors:	
Regular programs	\$ 14,915
Special programs	36,824
Vocational programs	39,654
Adult and community programs	2,069
Total instructors	93,462
Support services:	
Student	17,665
Instructional staff	761
Executive administration	5,431
School administration	1,208
Business	5,765
Operation and maintenance of plant	48,778
Other	87,288
Total support services	172,876
Facilities acquisition and construction	12,746
Total encumbrances	\$ 348,530

Net position/fund balance, as restated	<u>\$ 615,301</u>	<u>\$ 2,134,664</u>	<u>\$ 259,795</u>

**PELHAM SCHOOL DISTRICT**  
**NOTES TO THE BASIC FINANCIAL STATEMENTS**  
**AS OF AND FOR THE FISCAL YEAR ENDED**  
**JUNE 30, 2020**

**NOTE 16 – RISK MANAGEMENT**

The School District is exposed to various risks of loss related to torts, theft of, damage to, or destruction of assets; errors or omissions; injuries to employees; or natural disasters. During fiscal year 2020, the School District was a member of the New Hampshire Public Risk Management Exchange (Primex)'s Workers' Compensation and Property/Liability Programs.

The New Hampshire Public Risk Management Exchange (Primex)'s Workers' Compensation and Property/Liability Programs are pooled risk management programs under RSAs 5-B and 781-A. Coverage was provided from July 1, 2019 to June 30, 2020 by Primex<sup>2</sup>, which retained \$2,000,000 of each workers' compensation loss, \$500,000 of each liability loss, and \$200,000 of each property loss. The Board has decided to self-insure the aggregate exposure and has allocated funds based on actuarial analysis for that purpose. The workers' compensation section of the self-insurance membership agreement permits Primex<sup>2</sup> to make additional assessments to members should there be a deficiency in contributions for any member year, not to exceed the member's annual contribution. GASB Statement No. 10 requires members of a pool with a sharing risk to disclose if such an assessment is probable, and a reasonable estimate of the amount, if any. In fiscal year 2019-20 the School District paid \$102,290 and \$53,416, respectively, to Primex for workers' compensation and property/liability. At this time, Primex<sup>2</sup> foresees no likelihood of any additional assessment for this or any prior year.

The School District continues to carry commercial insurance for all other risks of loss. Settled claims resulting from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years.

**NOTE 17 – CONTINGENT LIABILITIES**

The School District has received federal and state grants for specific purposes that are subject to review and audit by the grantor agencies or their designee. These audits could result in a request for reimbursement from the grantor agency for costs disallowed under terms of the grant. Based on prior experience, the School District believes such disallowances, if any, will be immaterial.

**NOTE 18 – SUBSEQUENT EVENTS**

Subsequent events are events or transactions that occur after the balance sheet date, but before the financial statements are issued. Recognized subsequent events are events or transactions that provided additional evidence about conditions that existed at the balance sheet date, including the estimates inherent in the process of preparing the financial statements. Nonrecognized subsequent events are events that provide evidence about conditions that did not exist at the balance sheet date, but arose after the date. Management has evaluated subsequent events through November 16, 2020, the date the June 30, 2020 financial statements were available to be issued, and noted the following event occurred that requires recognition or disclosure:

On March 11, 2020, the World Health Organization declared the outbreak of a coronavirus (COVID-19), a global pandemic. In response to the pandemic, the State of New Hampshire's Governor issued an order declaring a state of emergency on March 13, 2020. It is anticipated that the impact of the pandemic will continue for some time. As a result, economic uncertainties have arisen which could have a financial impact on the School District, though such impact is unknown at this time.

*Schedule of the School District's Proportionate Share of Net Pension Liability and  
Schedule of School District Contributions – Pensions*

As required by GASB Statement No. 68, and as amended by GASB Statement No. 71, Exhibits F and G represent the actuarial determined costs associated with the School District's pension plan at June 30, 2020. These schedules are presented to illustrate the requirement to show information for 10 years. However, until a full 10-year trend is compiled, information is presented for those years for which information is available.

**Methods and Assumptions Used to Determine Contribution Rates for Fiscal Year 2019:**

Actuarial Cost Method	Entry Age Normal
Amortization Method	Level Percentage-of-Payroll, Closed
Retaining Amortization Period	21 years beginning July 1, 2018 (30 years beginning July 1, 2009)
Asset Valuation Method	5-year smooth market for funding purposes
Price Inflation	2.5% per year
Wage Inflation	3.25% per year
Salary Increases	5.6% Average including inflation
Municipal Bond Rate	2.13% per year
Investment Rate of Return	7.25% per year, net of investment expenses including inflation
Retirement Age	Experience-based table of rates that are specific to the type of eligibility condition. Last updated for the 2015 valuation pursuant to an experience study of the period 2010-2015.
Mortality	RP-2014 Employee generational mortality table for males and females, adjusted for mortality improvements using Scale MP-2015, based in the last experience study.

**Other Information:**

Notes: Contribution rates for fiscal year 2019 were determined based on the benefit changes adopted under House Bill No. 2 as amended by 011-2513-CofC.

***Schedule of the School District's Proportionate Share of Net Other Postemployment Benefits Liability and Schedule of School District Contributions – Other Postemployment Benefits***

As required by GASB Statement No. 75, Exhibits H and I represent the actuarial determined costs associated with the School District's other postemployment benefits at June 30, 2020. These schedules are presented to illustrate the requirement to show information for 10 years. However, until a full 10-year trend is compiled, information is presented for those years for which information is available.

There were no changes to benefit terms or assumptions in the current actuarial valuation report.

**Methods and Assumptions:**

Actuarial Cost Method	Entry Age Normal
Amortization Method	Level Percentage-of-Payroll, Closed
Remaining Amortization Period	Not applicable under statutory funding
Asset Valuation Method	5-year smoothed market 20% corridor
Price Inflation	2.5% per year
Wage Inflation	3.25% per year
Salary Increases	5.6% Average (including inflation)
Municipal Bond Rate	3.13% per year
Investment Rate of Return	7.25% per year, net of OPEB plan investment expense, including inflation for determining solvency contribution
Retirement Age	Experience-based table of rates that are specific to the type of eligibility condition. Last updated for the 2015 valuation pursuant to an experience study of the period 2010-2015.
Mortality	RP-2014 Healthy Annuitant and Employee generational mortality tables for males and females with credibility adjustments, adjusted for fully generational mortality improvements using Scale MP-2015, based on the last experience study.

***Schedule of Changes in School District's Total Other Postemployment Benefits Liability and Related Ratios***

As required by GASB Statement No. 75, Exhibit J represents the actuarial determined costs associated with the School District's other postemployment benefits at June 30, 2020. The schedule is presented to illustrate the requirement to show information for 10 years. However, until a full 10-year trend is compiled, information is presented for those years for which information is available.

*SINGLE AUDIT ACT SCHEDULES  
AND INDEPENDENT AUDITOR'S REPORTS*

## PLODZIK & SANDERSON

*Professional Association/Accountants & Auditors*

193 North Main Street • Concord • New Hampshire • 03301-5063 • 603-225-6996 • FAX-224-1380

### **INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Members of the School Board  
Pelham School District  
Pelham, New Hampshire

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to the financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, each major fund, and aggregate remaining fund information of the Pelham School District, as of and for the year ended June 30, 2020, and the related notes to the financial statements, which collectively comprise the Pelham School District's basic financial statements, and have issued our report thereon dated November 16, 2020.

#### ***Internal Control Over Financial Reporting***

In planning and performing our audit of the financial statements, we considered the Pelham School District's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Pelham School District's internal control. Accordingly, we do not express an opinion on the effectiveness of the Pelham School District's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

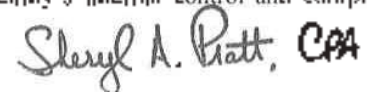

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### ***Compliance and Other Matters***

As part of obtaining reasonable assurance about whether the Pelham School District's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### ***Purpose of this Report***

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

### ***INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE***

To the Members of the School Board  
Pelham School District  
Pelham, New Hampshire

#### ***Report on Compliance for Each Major Federal Program***

We have audited the Pelham School District's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on the Pelham School District's major federal program for the year ended June 30, 2020. The Pelham School District's major federal program is identified in the summary of auditor's results section of the accompanying Schedule of Findings and Questioned Costs.

#### ***Management's Responsibility***

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

#### ***Auditor's Responsibility***

Our responsibility is to express an opinion on compliance for the Pelham School District's major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Pelham School District's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination of the Pelham School District's compliance.

#### ***Opinion on Each Major Federal Program***

In our opinion, the Pelham School District complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2020.

#### ***Report on Internal Control Over Compliance***

Management of the Pelham School District is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Pelham School District's internal control over compliance with the types of requirements that could have a direct and material effect on the major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for the major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Pelham School District's internal control over compliance.

*Pelham School District  
Independent Auditor's Report on Compliance for Each Major Program and Report on Internal Control  
Over Compliance Required by the Uniform Guidance*

*A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.*

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

<b>Total Expenditures of Federal Awards</b>			<u>\$ -</u>	<u>\$ 1,008,974</u>

The accompanying notes are an integral part of this schedule.

**PELHAM SCHOOL DISTRICT****NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS****FOR THE YEAR ENDED JUNE 30, 2020*****Note 1. Basis of Presentation***

The accompanying Schedule of Expenditures of Federal Awards (the "Schedule") includes the federal grant activity of the Pelham School District under programs of the federal government for the year ended June 30, 2020. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Pelham School District, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Pelham School District.

***Note 2. Summary of Significant Accounting Policies***

Expenditures reported on the Schedule are reported on the modified accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the Schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years.

***Note 3. Indirect Cost Rate***

The Pelham School District has elected not to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

***Note 4. Food Donations***

Nonmonetary assistance is reported in the Schedule at the fair market value of the commodities on the date received. For the fiscal year ended June 30, 2020 the value of food donations received was \$65,108.

Pelham School District FY2020 Year-To-Date Budget Status Report

Account Detail by Function Through June 30, 2020

Table with columns: Budget Unit, Account, Account Title, Original Appropriation, Budget Amendments, Budget Transfers, Revised Budget, YTD Expended, Encumbered, Available Budget, Percent Available. Rows include 10 - GENERAL FUND, 1100 - REGULAR EDUCATION PRGMS, DW REGULAR EDUCATION, PES REGULAR EDUCATION, and Total DW REGULAR EDUCATION.

To All Our Friends and Neighbors, the Residents of Pelham,

March 2020 will forever be a part of history. As we entered the polls on March 10, 2020, none of us could have predicted the challenges and uncertainty that would face not only Pelham, but our country, and the world, in the impending days and months. That evening, we celebrated the support for the Pelham School District’s 2020-2021 budget and the support for the Pelham Educational Support Personnel Association (PESPA) contract and grieved the failure of Warrant Article #2 for a renovation/addition to Pelham Memorial School by fewer than 40 votes. Education as we knew it would change in the blink of an eye, as students left the building on March 13<sup>th</sup> and would not return until September 2020.

Thanks to the teachers, staff, administrators, and parents, the Pelham School District promptly planned and pivoted to remote learning. This quick implementation would not have been possible without the District’s technology infrastructure already in place, thanks to your support of the District budget over the last few years. We are grateful for your support, and for your compassion and grace as we asked you to change direction along with us at just a moment’s notice.

We learned a lot between March and June 2020, and with so much uncertainty surrounding the pandemic, we had to take those lessons and plan for the unknown of the 2020-2021 school year. On July 1, 2020, we welcomed Dr. Eric “Chip” McGee as the Superintendent of the Pelham School District. Dr. McGee had really hit the runway quickly, as the new school year was only three months away. At that time, we didn’t know if or when we would be able to welcome students back into our schools. We were fortunate to be in a position to provide families the choice of in-person or remote learning as we started the 2020-2021 school year.

One word that comes to mind to describe this pandemic environment is “turbulence.” The dictionary defines turbulence as, “a great commotion or agitation; irregular atmospheric motion especially when characterized by up-and-down currents; a departure in a fluid or smooth flow.” Synonyms include conflict, confusion, disturbance, and instability. Of course, we most often associate turbulence with air travel, but the pandemic has certainly been a disturbance to our everyday lives.

Like the technological marvel of the modern airplane, the Pelham School District is engineered to withstand great turbulence. We all love flying in conditions of blue skies and sunshine, but sometimes we will be faced with less-than-ideal conditions. While sometimes it may be possible to fly higher, lower, or around the turbulence, on some occasions we must fly right through it. Passengers may be uncomfortable and get jostled around a bit, but the structure is built to hold up to the pressures of this condition. In this scenario, it is all of our people in the District who have helped us successfully navigate these turbulent times ensuring the health and safety of our students and staff along the way. We are resilient, and we will get through this together!

In March 2021, we will once again ask for your support of the School District’s budget and a renovation/addition to Pelham Memorial School.

The Memorial School needs several upgrades and modernizations. It has not had any major changes since it was built in 1965. Additional space is also necessary to meet the needs of our students, staff, and programs in the school. A major initiative of the project is to create the spaces necessary to bring our curriculum in alignment with true middle school standards. Because we currently lack STEM (science, technology, engineering, and math) and Family Consumer Science (previously known as “Home Economics”), the Memorial School is designated as an upper elementary school. This project will resolve a myriad of issues. Chief among these are ADA compliance, safety issues posed by the portable classrooms, and energy efficiency.

As good schools are the cornerstone of our community, and education is imperative to the success of our children and country, we sincerely appreciate your support of, and involvement with, the Pelham School District.

Respectfully,

The Pelham School Board

Pelham Elementary School  
Principal's Report  
2020-2021

At the beginning of the 2020 school year Pelham Elementary School's enrollment for grades preschool, kindergarten and grades 1-5 was 727 students, which included remote and in person classrooms. Our in person class sizes varied from grade to grade; our class size from first through fifth grade remained less than 24 students per class. For our remote classrooms our class sizes range from 16 to 24 students. Pelham Elementary has continued with preschool programming to include typical peers and enrollment for 2020-21 is currently 47 students, with class sizes not exceeding twelve students. We continue to have an extended day program (KABC) for kindergarten students who qualify for this program through their IEP goals. This program looks different this school year as our typical peer role models are our students in their daily programming. Here at Pelham Elementary, we continue to utilize every space in the building housing such programs as Title I, ELL, STEAM, and our PAL's and SEL programming, which are special education programs. We also have several district personnel in our building including the Assistant Director of Student Services, District Social Worker, PES and PMS School Resource Officer, the District ELL teacher and our school psychologist who is shared with the sixth grade at PMS.

We would like to introduce our administrative team at Pelham Elementary School:

- Ms. Jessica Van Vranken, Principal
- Mrs. Kelly LaBonte, Assistant Principal
- Mrs. Kerry Struth, Interim Assistant Principal
- Ms. Nicole Covart, Special Education Coordinator

New to our teaching staff this past year at Pelham Elementary School is:

- Ms. Stefanie Day, 2nd Grade Teacher
- Ms. Cheyanne DeMattia, 5th Grade Teacher
- Mrs. Deborah Harvey, Grade 5 Special Education Teacher
- Mrs. Stephanie Infante, SEL Teacher
- Mrs. Morgaina Jack, 4th Grade Teacher
- Mrs. Tracy Parkhurst, 3rd Grade Teacher
- Mrs. Nichole Pike, School Counselor
- Ms. Angela Portalla, Grade 3 Special Education Teacher
- Mrs. Marie Sawyers, Health Teacher
- Ms. Emily Sharp, PALS Teacher
- Ms. Meghan Sullivan, 4th Grade Teacher
- Ms Lisa Temple, School Psychologist Grade preschool - 6
- Mrs. Annette Zandieh, 1st Grade Teacher

We also have eight new support staff to welcome:

- Mrs. Laura Blair, Lunch Monitor
- Mrs. Angela Kemp, Special Education Instructional Assistant
- Mrs. Nicole Mackinnon, Nurses Assistant
- Ms. Jackie Madden, Special Education Instructional Assistant
- Mrs. Melissa Mavrofrides, Title I Tutor
- Ms. Sara McNiff, General Instructional Assistant
- Mrs. Ashley Pelletier, Special Education Instructional Assistant
- Ms. Valerie Tocco, Speech and Language Instructional Assistant

Last year, Mrs. Carol Tomer, a Special Education Teacher, and Mrs. J. Marie Cibulski, an Instructional assistant, left us as they retired after many years of service at Pelham Elementary School. While our retirees are always missed, it is exciting to have new team members to join our veteran staff.

Our teachers continue to learn and grow in their instructional practices. This school year we have implemented a new writing program in our building called Writing by Design. 10 teachers made up our pilot team through the 19-20 school year in which they implemented two programs. The team met monthly to discuss instructional strategies and also to go through training on implementation. Through this collaborative effort we chose a program that coincides with our adopted ELA

curriculum and offers support needed to improve our students' written language. In August, our teachers did a full day training on how to integrate this into their current programming and also looked at our year long pacing of ELA to ensure writing curriculum expectations are being met at the completion of each grade. We are excited for this new adventure of learning for our students in grades one through five.

Social and Emotional Learning continues to be on the forefront of our learning through the pandemic. This school year we were able to provide more support in our classroom through our additional school counselor. For the first six weeks of school, our three school counselors implemented the Second Steps program. This program promotes each student's social, emotional, and academic success. After our six weeks of implementation, our counselors are continuing their support in the classroom monthly to ensure students are getting what they need.

We are also continuing to use the BIMAS screener (Behavior Intervention, Monitoring Assessment System) in grade kindergarten, grade 3 and grade 5. This screener is a brief, repeatable Universal Screening. This is used to identify students who might be at risk or in need of further assessment and/or Progress Monitoring. The teachers analyze this data and work with intervention supports (School Psychologist, District Social Worker, School Counselor, Classroom Teacher, Special Education Teacher, etc) in the school to meet all the students needs. Through remote learning in the spring and most students coming back to the building, we felt we needed to continue to focus on interventions that support the students well being to ensure optimal success.

This school year our theme is **One Team, One School**. This theme was decided upon by our staff and coincides with our work from last year around Being Kind. We continue to educate our students on kindness and actions associated with being kind to others as well as working as a team and how to be one with others.

Pelham Elementary School remains committed to excellence and our goal is to give every child the foundation necessary to succeed and become career or college ready in the 21st century, coupled with our Mission Statement – “The PES Community strives to develop excellence in academic and social skills in a safe and supportive environment; working in partnership with our families and the community to educate and empower life-long learners.”. Thank you all for your continued support of education.

Respectfully submitted,  
Jessica L. Van Vranken  
Principal

## PELHAM MEMORIAL SCHOOL PRINCIPAL REPORT 2020

This year, Pelham Memorial School's enrollment is 433 students. Our class sizes continue to vary from grade to grade, and the 6<sup>th</sup> grade enrollment for 2020-2021 is 139 students. We are privileged to welcome new teaching staff to the Pelham Memorial Team this year: Kim Cloutier, Special education Director; Kelly Cunha, SEL; Emily Renaud, Grade 6 Science; Melanie Duval-Buell, Grade 7 Science; Kate Capistran, Grade 7 Math; Katie Ralls, Grade 8 Social Studies; Emma Brown, Health. We also welcomed Sue Rouse as Administrative Assistant and Lexie Kfoury as Instructional Assistant.

As many know, the Memorial School renovation and upgrade did not pass the March 2020 vote. Our building deficiencies and middle school programming needs continue to require attention. There is a great deal of information that can be found on our website about our building and program needs, and we will continue to communicate our needs to the community. The district will again propose a renovation and upgrade for the Memorial School for the March 2021 vote, and we are hopeful that we will be in construction mode come July 2021!

2020 has been an unusual year for education. The transition to remote in the spring was certainly quite nerve racking for all. With no time, training, or preparation, our teachers and staff worked unbelievably hard to provide quality education and support to the students and families of the Pelham community. We are Pelham proud of the efforts and kindnesses that we witnessed throughout the spring. As we crossed our fingers that the pandemic would be over before September, that obviously did not happen. We wanted to ensure the opportunity for students and staff to return to school safely. Our goal was to open as safely as possible with necessary precautions in place. All of our teachers and staff essentially became "first year educators" again. We enhanced our practices, and were ready to meet challenges ahead. We finally opened our doors to students and staff, and it has been wonderful to see them bring life back to the building! We appreciate all the efforts and hard work of so many that make it possible for us to occupy the building in a safe, socially distanced manner.

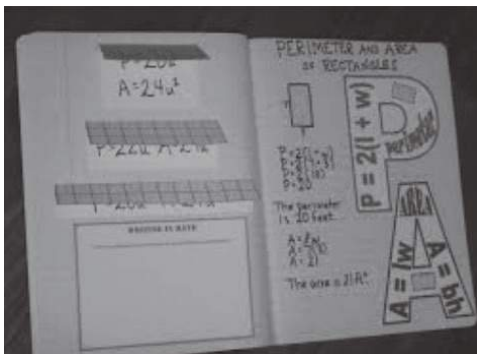

This year more than ever, our commitment to integrating Social Emotional Learning (SEL) within our classrooms is imperative to the growth and development of our students. Our students and community are living in unprecedented times, and we recognize that stress affects each of us differently.

Below you will find the wonderful accomplishments and updates within our school shared with you by department.

### Math Department

This year the math department took on a new initiative to help make math more interactive and engaging for students. Each grade implemented an interactive notebook approach to teaching math. We know that students learn a multitude of different ways to solve problems and relate to math. Adding the interactive notebook allows for students to learn math by doing, creating memories, and putting color to concepts. Students responded well to this new manipulative because it functions as both notes, something tangible, as well as an item that can be used as a means from which to study. In regards to formative assessments, students were encouraged to use these to build their understanding as well as gain confidence on tough math concepts.

The math department decided that each strand of math would also be a different color to reinforce math SMART goals from iReady as well as recognize which strands of math to which the standards belong. It makes for great mathematical discourse. Many teachers included a "resource" section that included the previous year's concepts or resources that would be beneficial for students such as metric conversions, multiplication charts, or vocabulary words. Most teachers also included a vocabulary page for each unit so that pre-teaching or personal word walls could help students understand the language.

When the pandemic started, teachers attempted to make the new manipulatives digital. Teachers continue to work on this as the year comes to an end in hopes we can make the math interactive notebook easily accessible to students in the fall.

This year we also had the privilege of utilizing a math coach. With the addition of the math coach, teachers had more support when looking for projects, setting up rubrics, and implementing technology into the classroom.

### **Social Studies Department**

The world, both outside our classroom doors and within, has seen many changes over this past year. Last year, the social studies department was excited to announce all of our new personalized learning spaces that made our classrooms more comfortable and accessible for our students. Now, many of our students are learning from home and our classrooms look very different. However, despite all of the changes that have occurred, what has not changed is our excitement for learning and our ability to adapt in order to best meet the needs of our students. With that being said, the social studies department has been hard at work tapping into our digital resources in order to extend learning well beyond our traditional classroom walls.

In our quest to make our curriculum accessible, interactive and engaging, the social studies department has begun utilizing different online platforms. In addition to Google Classroom and McGraw Hill, we now use interactive educational tools such as Pear Deck, Nearpod and Kahoot! to name a few. We are also exploring opportunities for virtual field trips and guest speakers that will allow our students to continue to see, experience and meet new people and places despite the current obstacles. Though the world outside our doors may be different this year, the ultimate goals of the social studies department remains the same: to create lifelong learners, who remain curious and passionate about the world around them and connected to the people in it.

### **Science Department**

The COVID 19 Virus has certainly added a new twist to the 2020 school year. We were very fortunate to start school in the fall in person as well as with a remote team. We were able to get to know the students and teach them many different ways to use technology in ways that would allow for a pivot to remote learning at any time. As of December we have had two pivots so far. The one-to-one Chromebooks have opened up a big window into scientific research in classes. The added challenge of teaching and learning remotely has increased the need for creative ways to administer lessons. Cross curricular lessons about documenting appropriate sources have been added to lessons so that research is valid and correctly credited. Safety and cleanliness have become a big focus as science labs have had to adapt to the new norms. Overall, 2020 has been a truly unique year at Memorial school, in the town of Pelham, and the whole world. Staff have strived to keep things as engaging as possible. The students and families have been amazing in their flexibility and support. We have added new staff, new daily practices, and safety protocols in a cohesive manner. Our students have adapted very well and have thrived.

### **English/Language Arts Department**

The 2019-2020 school year was one that will never be forgotten by the English Language Arts Department. The sixth graders read two novels, "Hatchet" and "Peak" in the fall, early winter. They wrote a narrative essay on a fictitious Pumpkin Person, learned to compare media to text and finished up with a Research Paper on a country in Latin America. We managed to finish our Poetry Unit and Poetry Pop Up books right before we transitioned to remote learning.

The students were troopers through the entire remote experience and learned a lot of new technology right alongside their teachers. Through the use of Flocabulary and vocabulary.com, they continued to build their vocabulary. They made websites using Google Sites to teach other students about their choice novel for our Hero Unit. Together, we finished the year by reading "The Westing Game" and having a zoom party where we played a team Kahoot and watched the movie together.

Although the 2019-2020 school year was quite a unique year, we still managed to accomplish so much in 7th grade English! We read a novel, *The Breadwinner* that allowed us to gain knowledge of what life was like in Afghanistan under the Taliban's rule. We took on the world's biggest problems by creating utopian societies with new rules and laws aimed towards fixing these problems and creating a more peaceful place for others to live. We read *The Giver* which helped us to understand why our memories and learning about the past are so important! While reading *The Hunger Games* we frequently discussed why it is so vital to stick up for the rights of yourself and others as Katniss did for so many others in the novel. We wrapped up the year by writing a cross-curricular essay with social studies about Medieval Europe. Students chose a role in Medieval Life and wrote a journal entry describing that person's day. Even though our time together was cut short last year, we still managed to learn a lot and have some fun!

During the 2019-2020 school year, eighth-grade students were very busy. The students learned so much and lessons were made real with events and activities, such as their Washington, D.C. trip, in which a final project was created by each student to show their learning.

Tara Altebrando, the author of *The Leaving*, visited after their suspense unit was complete in which about half of the students read her book. She shared how she came to be as a writer and how her idea for *The Leaving* came to be. Mrs. Altebrando then did a writing workshop with the students to help them write creatively.

Teachers worked hard to make sure some lessons were interdisciplinary to help students make deep content connections along with cross-curricular writing assignments. Although students were unable to finish the school year in-person, everyone persevered. We had a virtual Google Meet with a Holocaust survivor which coincided with the eighth-grade curriculum on the Holocaust. She incorporated more than just her experience, she talked about how to be a good person, and that the students are our future and can do anything. As the year came to an end, students were surprised with visits from their teachers with gift bags and an outdoor drive-in movie night where their 8th-grade farewell video was shown while everyone physically distanced.

### **Special Education Department**

The Special Education department at Memorial is wrapping up a crazy year! We have been busy keeping up with the new normal we have all been experiencing with remote and in-school learning! All of the case managers, specialists and support staff have been working hard to provide services during this unprecedented time. All students, staff, and families have been flexible and understanding, so a huge thank you goes out to ALL from the Special Education Department!

Memorial School welcomed Kim Cloutier to the team this year as our special education coordinator. Each of the three buildings were able to hire a full time coordinator this school year. This provides us the opportunity to have a full time LEA for all special education meetings, and additional building level support. She has been a great addition to the team, and we are thankful to have her!

Another new addition to our team this year is Kelly Cunha. She is our new Social/Emotional Learning program case manager. She has been another wonderful addition to our Memorial School team. Kelly has been working closely with classroom teachers to ensure that the student's SEL needs are met both in the classrooms and out.

We are all looking forward to a fresh new year in 2021!

### **Art 2020**

This year was a very challenging year due to COVID. Middle school art has had many challenges trying to convert an entire hands-on art curriculum to remote, and on short notice!

Although challenging, we were still able to overcome these obstacles by providing students with various opportunities to access art in new ways. This included some virtual field trips and images of famous paintings students got to write about and reflect upon.

Students also worked on traditional projects at home - understanding that all students did not have access to the materials needed for each assigned project. This again was another opportunity for students to be creative and displayed impressive effort and adversity. With the use of materials already available in their homes, students were provided instructional tutorials and videos before beginning their art projects.

Through the use of Google Meets, students were able to show their progress, ask questions, receive feedback, and interact with their art teacher in real live time. Students then uploaded their completed projects into their Google classrooms and could view their grades in Powerschool in the traditional classroom setting and times, exactly as they always could!

### **General Music**

What an interesting school year this has been for General Music at Pelham Memorial School! Though it has not been without complications, I'm very proud of the progress that has been made adapting a Music Appreciation Curriculum online and within Google Classroom.

Pelham Memorial students are working through the elements of music, developing critical listening skills, learning about monophonic, polyphonic and homophonic textures and how they have been utilized throughout the history of music starting all the way back from the middle ages until the present day. Students are being exposed to Beethoven, Mozart, and Haydn. Music is being uploaded to the classroom from all around the world!

Where we are not able to provide hands on instruction with an instrument, we have been able to give students the opportunity to interact with music applications and production through Chrome Lab, Beepbox, and other online resources.

I must admit that we teachers are learning a great deal as well! Students have been incredible, lending perspective and offering teachers tips on how to navigate technology with greater efficiency. Students are able to apply their knowledge by taking assessments online in the comfort of their own homes. We are adapting, working hard, and engaging and inspiring one mind at a time!

### **Physical Education**

Physical Education at Pelham Memorial School has found a magnificent balance of both in-person and virtual learning. While practicing district wide COVID-19 safety measures, students participate in modified in-person individual and team games. Widely enjoyed, as an opportunity to become active during a time of great restriction, physical education continues to be a fan favorite at the middle school!

Students experience a curriculum which consists of softball, soccer, football, volleyball, snowshoeing, olympic four square, and speedball, among a variety of other sports and activities.

### **Library**

Although we ended the 2019/2020 school year in remote learning, the Library partnered with Computers and created a student choice driven Summer Challenge. Due to Covid and in lieu of our annual Summer Challenge celebration, students who successfully completed the challenge received goody bags which included a "Reading is my Favorite Sport" t-shirt as well as a library card blanket and other fun items.

Spring 2020 seems so far away and we all missed our students immensely; but as Tigers we all persevered. The PMS staff & students met weekly on Friday mornings to go toe to toe in a vocabulary jam. There was no better feeling than the camaraderie we experienced during that time!

Library UA classes have been focusing on Informational Text. We started off with looking at text features and how to use them to take notes and organize information. We continued on to accessing eBooks and summarizing and we ended our Trimesters by organizing information using Noodletools. Every Friday student read a book of their choice during Free Read Friday. 2020 has had many challenges for us, and it also has had many fond memories that we wouldn't have experienced otherwise!

### **Foreign Language**

Gracias, to all of the students and families who adjusted to the Spanish language classes remotely and in-person. Learning to speak another language this school year has definitely had its challenges, but with challenges come opportunities for creativity, flexibility, and exploration.

This current school year has seen a transition from students doing group work and using constant conversations in Spanish, to accessing the language virtually. This has allowed for students to learn the language through technology based resources such as Live Worksheets, Virtual Projects, and even Spanish Games!

These are just some of the many changes to Spanish Class this school year. My goal is to try and keep students engaged in the language and learn as much as they can. Though many challenges lie ahead, I hope to continue to use these newly found resources in the future.

### **Health**

During this unique year we have been transitioning between in person and remote learning quite smoothly in the health classroom. With a standards based curriculum students are building their skill sets to be lifelong healthy individuals in grades 6-8.

The 6th, 7th and 8th grade curriculums focus on pairing the 8 national standards with topics that are related to specific health content areas. These will prepare them with the skills to make health enhancing decisions, access reliable information, advocate for themselves, practice refusal skills, goal setting and analyzing their influences.

The 6th graders just wrapped up their advocacy unit focusing on advocating for hygiene products during their puberty unit. Our 7th graders explored the dangers of electronic nicotine delivery systems, specifically vapes and the impact on youth health. Lastly, the 8th graders completed a news broadcasting project exploring and explaining the dangers of melanoma and relaying sun safety information.

There is much more happening every day in the Health classroom! Through the use of technology and various teaching strategies students have the opportunity to explore many topics critical to their lifelong health.

In closing, as you can see, 2020 has brought forth many challenges for our Memorial School staff and students. With those challenges there has been a great deal of learning and growth. We all have had to adapt to various health and safety measures throughout our community during this pandemic, and we are #pelhamproud that we are able to continue to provide our students with a quality educational experience. We greatly appreciate the ongoing support and dedication of the Pelham community, we could not do this without you! #together

Respectfully submitted,

Stacy Maghakian  
Principal

### **Pelham High School Principal's Report**

The 2020-21 school year opening looked quite different from your traditional school opening. We opened with a family choice plan that allowed for individual families to choose to remain remote or return to face to face instruction. We committed to working #together to ensure safety protocols were adhered to and that we embraced a 'culture of grace'. Our leadership team welcomed a new special education coordinator Ms. Kaite Carmody. Over the summer, we said goodbye to three long term veterans as they moved on to enjoy their retirement. Our faculty welcomed eight new members. Our student body welcomed one hundred and forty five new members as the Class of 2024 became a part of the Python family.

Our faculty began the year by attending seven days of intensive professional development to be better prepared to align with CDC and DHHS guidelines for reopening schools. There were opportunities to review, reflect, and revise instruction and assessment to allow a 'pivot' if needed back to remote. We attended training sessions on topics related to social-emotional learning, Google classroom, safety and health protocols, and self-care. There were presentations on IDEA law and special education. Staff was given time to prepare their classrooms for our 'new' normal.

We welcomed our incoming freshman during an orientation that gave them the opportunity to meet with students, counselors, and administration. We followed the traditional model but adjusted for safety protocols by bringing the Class of 2024 into the building in four waves and had a virtual session for our PRO (Pelham Remote Opportunity) team members. Our student ambassadors answered questions, brought them on tours, and counselors had conversations about graduation expectations, Naviance, CTE, and other opportunities at PHS. The leadership team shared an opening day video that was shown in all advisories. We introduced our adopted motto for the year of #together. Each student received a wristband with the new motto, five masks with the district logo, and a lanyard. Masks and hype athletic socks with the Python logo are presented to students that are recognized by their teachers, counselors, and peers for their commitment to their school, their classmates, and being kind.

The New England Association of Schools and Colleges (NEASC) final report was shared with The Pelham School Board on November 4, 2020. Using the NEASC visiting team's report and recommendations, we are formalizing our PLC (Professional Learning Community) model. The PLC opportunity allows departments to collaborate in the areas of instruction, assessment, and curriculum. Departments/content areas will use calibration protocols and other practices to collect data that will help design future instruction and assessment tools. Leadership, the Director of Curriculum and Assessment, and the PHS Instructional Coach/Technology Integrator will continue to attend each PLC monthly to offer feedback and participate in the collegial conversations.

Our students have been actively engaged in academics, athletics, and extracurricular activities. Grades 9-11 participated in a school-wide PSAT testing while our seniors took the SAT. We had one student receive a letter of recommendation from the National Merit Scholarship committee. Two students moved on to be National Merit Scholarship semi-finalists. Our fall sports teams have participated in abbreviated seasons. All teams were able to compete in the playoffs as a result of the changes made by the NHIAA due to COVID. The art department has adorned the hallways of the SAU with beautiful paintings and photographs.

Due to the global pandemic, everything looks a little different. We have adopted a new bell schedule for the year. We returned to the 4x4 schedule to better support safety protocols. Juniors and seniors were/are eligible for late arrival and early release. Our students eat lunch in their third block classroom. Our cafeteria has been transformed into a remote learning center. It is available to students taking online courses on VLACs, courses where the teacher is remote, and for our CTE students to access on remote/virtual days at the receiving schools. We have one-way travel in most hallways. Classrooms are designed to support physical distancing and safety protocols. We have staggered dismissal at the end of the day. Despite all of these changes, our students continue to make us #PelhamProud. #PythonPride runs deep.

Dawn M Mead  
Pelham High School Principal

### Director of Student Services 2020 Annual Report

The mission of the Pelham School District special education department is to provide a Free and Appropriate Public Education (FAPE) to students who qualify for special education services. During the 2019-2020 school year, the Pelham School District provided specialized instruction and related services to over three hundred students ages three to twenty-one. (There were 353 in October 2019) During the 2019-2020 school year, there were 13 special education students placed outside the District. The district provided related and special services to 10 students who attended public charter schools. The district collaborates with one private school that is located within the Pelham community related to providing support and services. In summary, the Pelham School District receives federal funds to support special education programming for students who reside within Pelham or student's who attend private schools located within our defined boundaries.

Special education is defined as specially designed instruction that addresses the unique needs of a student who is determined through the IEP team process to be eligible to receive special education services. Special education is provided at no cost to parents and includes the related services a student needs to access her/his educational program. On March 13, 2020, in response to the declaration of a National Emergency, Governor Sununu issued Executive Order 2020-04 (State of Emergency due to Novel Coronavirus) which resulted in K-12 public schools transitioning into a temporary remote learning environment. As a result, the Pelham School District utilized instructional technologies and initiated remote learning for all students. The District's primary remote instructional platform for students to access special education was offered through Google Classroom. The Pelham School District continues to manage the educational impact of the global pandemic by integrating special education services with in-person and remote instruction.

To address student's needs, the district continues to prioritize special education programs for students who are impacted by emotional and behavioral disabilities. The district began integrating evidence-based strategies connected to mindfulness into the general education setting. These strategies offered support to all students in the development of improved social and emotional wellness. This ongoing process of building capacity to support social and emotional health and wellness became even more of a priority when the district transitioned into remote learning as a result of the Covid-19 pandemic. Furthermore, supplemental funding was used to increase the District's capacity to offer reading and math instruction for students who require specially designed instruction. Finally, the district offered professional development training called "The Tools of the Mind" for staff who support kindergarten and early childhood programming. This instructional approach was vetted by our staff and is considered an exemplary educational intervention for kindergarten-aged students was implemented within our elementary school.

The district continues to include typically developing peers in our Preschool programs and our Kindergarten Activity-Based program (KABC). In these programs, students are exposed to positive role models both socially and academically. By including typical peers, we decrease the need to tuition students into area preschool settings. Within the KABC, the district had a total of 16 students, 8 students were identified with learning difficulties and 8 students were considered typically developing peers. This past year the District supported 36 students in our morning typical Preschool Program and 37 students in our afternoon preschool classes. In total, the District's preschool program supported 22 preschool-aged students via special education services. Lastly, the district offered special education services for 10 students within our typical Kindergarten Extended Day program. This typical peer program has proven to be a positive, worthwhile endeavor and continues to be an important part of our special education program within our early childhood programming.

During the 2019-2020 school year, the district maintained its partnership with the New England Center for Children (NECC) to support our high school and elementary school ABA classrooms. This collaboration continues the process of building the district's capacity to meet the needs of students with autism spectrum disorders and other developmental disabilities. This ongoing relationship continues to offer Pelham students the opportunity to grow and develop. The Pelham School District continues to observe tremendous student success through this partnership.

In addition to providing for the needs of special education students, the District provides appropriate support services to many other students who experience unique challenges. Currently, in the district, there are 148 students with accommodation plans as required under Section 504 of the Rehabilitation Act of 1973. English Language Learners are also served well by our District. The Pelham School District runs a successful ESOL program which served roughly 12 students during the 2019-2020 school year.

Our Special Education Parent Focus Group continues to meet monthly. We have parent representatives from various levels; Preschool, Elementary, Memorial, and High School. Our primary goal is to increase communication between parents of students receiving special education services and the school administration. Additionally, this group provides input and guidance to the district on the types of educational offerings that would be helpful to parents. During the 2019-2020 School Year, the district offered workshops to parents on the following topics: Dinner and Conversation Series: “Strategies to Ensure All Voices are Heard” and “Having Difficult Conversation and Asking the Right Questions.”

Lastly, due to the effects of the Emergency Rule put into place in August of 2019, we could not bill for services without a Physician, PA, or APRN ordering the services for medically necessary students until the rule was finalized in February of 2020. Once the rule was finalized, a handful of providers could order and the Pelham school district was on track to getting orders signed and opening the Medicaid to Schools Program back up. Unfortunately, then COVID-19 hit and the state of New Hampshire moved to a telehealth-virtual model. This drastically changed providers being able to provide and bill services. As our focus was on getting students adequate support remotely, we did not have enough resources to also get order documents on file nor reach out to student’s PCPs or pay another doctor to write order documents for OT and Nursing. All of these effects have drastically impacted the Pelham School District during the 19-20 school year. We are hoping to access some reimbursements from last year due to the timely filing notice but do not expect that to be much, we have high hopes for this year as more things are getting into place.

The Pelham School District met on October 29, 2019, and engaged in meaningful consultation regarding the responsibilities of the district to appropriate a proportional share of IDEA grants for FY19. As a result of this discussion coupled with utilizing the equitable share formula, the Pelham School District and Crossroads school agreed to the expenditures to support students via the eligibility process who require the following related services; speech and language, occupational therapy services, and special education teacher consultation up to \$3,313.65.

In accordance with SAU 28’s local Child Find Program, referrals for students between the ages of 3 and 21 who are suspected of having an educational disability can be made at any time by contacting the Director of Student Services. A special education referral form is available at [www.pelhamsd.org](http://www.pelhamsd.org). Also available on the District website is information regarding Section 504, special education, bullying, and home education.

Thank you to all our staff who work together to support our students. Special Education Teachers, Counselors, Instructional Assistants, and Related Service Providers at every level of our school system work to support and guide our students as they learn, meet the challenges of growing up, and set goals for the future. All of the staff members across our district continue to work hard to ensure that the needs of every Pelham student are properly met so that each will be prepared to transition successfully into adult life. You all continue to inspire success one mind at a time!

Special Services Notation:

On August 30, 1999, New Hampshire RSA 32:11(a) became effective. This law requires that each school district provides in its annual report an accounting of actual expenditures by the district for special education programs and services for the previous two fiscal years, including offsetting revenues from all sources. The following constitutes the required information for FY ’18 and FY ’19.

**Statement of Actual Expenditures  
for Special Education Programs and  
Services**

	<b>2018-2019</b>	<b>2019-2020</b>
<b>EXPENDITURES</b>		
Instruction	\$ 5,276,215.00	\$ 5,273,366.00
Related Services	\$ 1,079,928.00	\$ 1,392,264.00
Administration	\$ 353,708.00	\$ 359,495.00
Legal Services	\$ 37,796.00	\$ 18,532.00
Transportation	\$ 385,938.00	\$ 398,396.00
<b>Total Expenditures</b>	<b>\$ 7,133,585.00</b>	<b>\$ 7,442,053.00</b>
 <b>REVENUES</b>		
Special Education Aid	\$ 375,552.00	\$ 288,387.00

IDEA Grant	\$ 372,418.00	\$ 519,590.00
Other Federal Grants	\$ 3,873.00	\$ 19,031.00
Medicaid	\$ 90,605.00	\$ 90.00
<b>Total Revenues</b>	<b>\$ 842,448.00</b>	<b>\$ 827,098.00</b>

Respectfully submitted,

Brendan Hoffman, M, Ed., BCBA  
Interim Director of Student Services, SAU 28
