**WARRANT
STATE OF NEW HAMPSHIRE**

COUNTY OF SULLIVAN, SS

TOWN OF PLAINFIELD

To the inhabitants of the Town of Plainfield, in the County of Sullivan, in said State of New Hampshire, qualified to vote in town affairs:

You are hereby notified to meet at the Plainfield School gymnasium on Tuesday, the 13th day of March next at 8:00 o'clock in the forenoon to act upon the following subjects:

[Polls will be open until 7:00 P.M.]

ARTICLE 1. To choose by ballot: One Selectman for three years, one Trustee of the Trust Funds for three years, two Library Trustees for three years, one Cemetery Trustee for three years, one Supervisor of the Checklist for six years and any other necessary town officers.

You are further notified to meet at the Plainfield School gymnasium on Saturday, the 17th of March next, at ten o'clock in the forenoon to act upon the following subjects:

ARTICLE 2. To see if the town will vote to raise and appropriate the sum of **\$1,938,093** to defray town charges for the 2012 fiscal year. The Selectboard proposes the following budget:

1. Executive	\$178,210
2. Election/Registration/Vital Statistics	5,130
3. Financial Administration	64,500
4. Revaluation of Property	8,000
5. Legal Expenses	5,100
6. Personnel Administration	5,700
7. Planning and Zoning	1,200
8. General Government Buildings	5,025
9. Cemeteries	28,000
10. Insurance	35,700
11. Regional Associations	5,100
12. Police Department	332,478
13. Ambulance Service	28,500
14. Fire Departments -Plainfield	45,000
-Meriden	40,000
15. Building Inspection	7,400
16. Emergency Management	250
17. Hydrant & Forest Fire Expense	4,100
18. Dispatching for Fire, Police & Ambulance	20,000
19. Highway Administration	23,800

20. Highways and Streets	601,800
21. Road Projects	103,163
22. Street Lights	8,500
23. Solid Waste Collection	143,500
24. Solid Waste Disposal	49,810
25. Health Agencies	21,195
26. Animal Control	500
27. Welfare	5,250
28. Recreation Commission	17,300
29. Library Department	111,149
30. Patriotic	1,000
31. Conservation Commission	500
32. Principal Long-term debt	25,000
33. Interest Long-term debt	6,233
Total:	\$ 1,938,093

**This budget is exclusive of other warrant articles.
The Selectboard recommends this appropriation.**

ARTICLE 3. To see if the town will vote to raise and appropriate the sum of **\$152,500** to be placed in existing town capital reserve and general trust funds, pursuant to RSA 35:1 and RSA 31:19-a as follows:

RSA 35:1 funds:

\$0	Town Bridge Capital Reserve Fund created in 1994.
\$30,000	Revaluation Fund created in 1993.
\$50,000	Highway Vehicles Fund created in 1987.
\$55,000	Transportation Improvement Fund created in 2006.
\$5,000	ADA Access Fund created in 2003
\$5,000	Police Equipment Fund created in 2011

RSA 31:19a funds:

\$5,000	Town Hall Repair Fund established in 1996.
\$2,500	Library Building Repair Fund established in 1992.

The Selectboard is named agents to expend for the bridge fund, the town hall repair fund, the library building repair fund, the revaluation fund, the transportation improvement fund and the police equipment fund. The Selectboard recommends this appropriation.

ARTICLE 4. To see if the town will vote to raise and appropriate the sum of **\$145,500** for the purchase of a new dump truck with plow equipment to be used by the highway department, and to authorize the selectmen to withdraw up to the sum of \$145,500 from the Highway Vehicle Capital Reserve Fund created in 1987 pursuant to RSA 35:1 and to further authorize the selectmen to sell or trade the town's existing 1995 dump truck. The Selectboard recommends this appropriation.

ARTICLE 5. To see if the town will vote to ratify a five year lease negotiated by the Board of Selectmen of property located at 67 Ferry Hill Road (also known as tax map 258 lot 11) and to further raise and appropriate the sum of **\$12,000** for this purpose. The Board of Selectmen recommends this article.

ARTICLE 6. To see if the town will, pursuant to RSA 35:1, vote to establish a gravel pit reclamation capital reserve fund for the purpose of the future closing of the town's existing gravel pit on Ferry Hill Road and appropriate the sum of **\$5,000** for this purpose. The Selectboard recommends this article.

ARTICLE 7. To see if the town will vote to establish the last Sunday of August as Plainfield Spirit Day to celebrate our town history and traditions; that the moderator be instructed to appoint a committee of not more than nine persons to organize 2012 Spirit Day activities; and that the sum of **\$1,000** be raised and appropriated for said purpose (by request). The Selectboard recommends this article.

ARTICLE 8. To see if the town will vote to increase the real estate exemption on dormitories, dining rooms, and kitchens of Kimball Union Academy above the required \$150,000 as allowed in RSA 72:23, to eighty (80) percent of the assessed value of property over which the town has statutory discretion.

ARTICLE 9. To see if the town will direct the selectmen to appoint, within 60 days of town meeting, a committee to continue the KUA/Plainfield study. The charge to this committee shall be to meet with representatives of the KUA administration and maintain an ongoing review of the relationship between the academy and the town, including any agreement pursuant to RSA 72:23, and to report its findings at next March's annual town meeting.

ARTICLE 10. To see if the town will vote to instruct the moderator to appoint a finance committee (advisory only) of six Plainfield voters to advise the Selectmen and other officers of the town in the prudential affairs of the town.

ARTICLE 11. To see what action the town will take with respect to the reports of town officers.

ARTICLE 12. To transact any other business that may legally come before this meeting.

A True Copy Attest:

Robert W. Taylor
Judith A. Belyea
Thomas P. Williams Jr.
Plainfield Selectboard

CERTIFICATE OF POSTING

We, the undersigned Selectboard of Plainfield, so hereby certify that on the 15th day of February in the year 2012, posted a true attested copy of the within warrant at the Plainfield School, it being the place of meeting, and a like true and attested copy of said warrant at the Meriden Town Hall and the Plainfield Town Hall, said locations being public places in the Town of Plainfield.

TOWN MEETING MINUTES

March 8, 2011

Plainfield, New Hampshire

The annual meeting for the Town of Plainfield was held at the Plainfield Town Offices on Main Street on March 8, 2011. A motion was made by Donald Jordan and seconded by Elizabeth Lurie to move the location of the meeting from the Plainfield Elementary School to the Town Offices due to the Ice Storm and lack of power at that location. The motion passed unanimously by voice vote. Stephen H. Taylor opened the meeting at 8:15 am with the reading of Article I. Michelle Marsh made a motion to dispense with the reading of the warrant, seconded by Donald Jordan. The warrant will be read on Saturday, March 12, 2011.

Total Number on Checklist: 1543

Total Number of Ballots Cast: 189

Percentage of Voting: 12%

ARTICLE 1. To choose by ballot: One Town Moderator for two years, one Selectboard member for three years, one Trustee of the Trust Funds for three years, one Library Trustee for three years, one Cemetery Trustee for three years and any other necessary town officers.

Town Moderator for two years:

Paul Franklin had 180 votes.

Paul Franklin was declared elected.

Select board Member for three years:

Thomas P. Williams, Jr. had 164 votes .

Thomas P. Williams, Jr. was declared elected.

Trustee of the Trust Funds for three years:

Edward Stansfield had 174 votes.

Edward Stansfield was declared elected.

Library Trustee for three years:

Mark Pensgen had 101 votes.

Kimberly Moss had 73 votes.

Mark Pensgen was declared elected.

Cemetery Trustee for three years:

Bradford Atwater had 174 votes.

Bradford Atwater was declared elected.

On Saturday, March 12, 2011 Moderator Stephen Taylor re-opened the meeting at the Plainfield Elementary School at 10:10am. The meeting began with words of inspiration given by Rev. Harold “Dewey” Jones, the singing of the Star Spangled Banner accompanied by Glen Griffin on trumpet followed by the salute to the flag.

Moderator Taylor recognized Selectman Robert Taylor who reflected on the past weeks ice storm and offered thanks to the Highway Crew, Police Department, and members of the Plainfield and Meriden Fire Departments for all of their efforts during the long hours of the clean-up.

Next Selectman Taylor saluted Meriden Fire Chief David Best as he steps down from his post. He received a standing ovation.

Selectman Taylor ended by introducing the creation of the first ever community service award and presented it to Moderator Taylor for his 28 years of service to the town. A standing ovation was given. School board chair Chris Forman also presented Moderator Taylor with a plaque from the school district recognizing his long time post as school moderator.

Moderator Taylor resumed the meeting. Paul Franklin moved to dispense with the reading of the articles and it was seconded by Stephen Halleran.

ARTICLE 2.

Stephen Halleran offered the following resolution and moved its adoption:
Resolved that the town vote to raise and appropriate the sum of **\$1,890,337** to defray town charges for the 2011 fiscal year. Judy Belyea seconded the motion.

1. Executive	\$167,240
2. Election/Registration/Vital Statistics	4,580

33. Interest Long-term debt	7,250
Total:	\$1,890,337

Stephen Halleran explained that for every \$276,000 we increase our budget by, our tax rate is increased by \$1.00. By decreasing the budget in the same amount, we would decrease our tax rate by \$1.00.

Steve reported that thanks to FEMA grant monies, the town will be able to continue with the Brook Road reconstruction project without requesting additional tax monies this year. The town was awarded a Hazard Mitigation Grant for \$490,000. Combined with the 2008 grant monies, the total is \$660,000 that has come from this program to Plainfield for Brook Road.

Steve briefly ran down the various budget lines in the operating budget explaining the significant changes. In this year's budget, there are 27 lines that are level funded or reduced.

Steve thanked Al Grindle for continuing to do a fantastic job in the welfare department and for the senior luncheons he puts on monthly.

A vote by paper ballot was taken.

Yes 160 No 19

It was a vote in the affirmative and so declared.

A motion was made from the floor by Eric Brann to move Article 8 to the front. The motion was seconded by Dan Lapan.

A vote by voice was taken.

It was a vote in the affirmative and so declared.

ARTICLE 8.

John Yacavone offered the following motion and moved its adoption: That the town will vote to increase the real estate exemption on dormitories, dining rooms, and kitchens of Kimball Union Academy above the required \$150,000 as allowed in RSA 72:23, to one hundred (100) percent of the assessed value of property over which the town has statutory discretion.

Yacavone spoke on behalf of the KUA study committee to report the various discussions throughout the year which included reducing this deduction in the future due to the tough economic times, improving the street lighting and the ongoing services that KUA provides to the town.

Eric Brann made a motion from the floor to amend the main motion to read “Eighty (80) percent of the assessed value of property over which the town has statutory discretion.” The motion was seconded by Dan Lapan. Mr. Brann explained that he feels in difficult economic times, KUA paying more in taxes, like all other tax payers are doing, is not unreasonable. Last year, KUA’s tax bills declined by 10% while other taxpayer bills increased by 8%. Eric noted that at 80% the optional exemption still leaves a lot of money for local students.

Moderator Taylor recognized Jim Gray, CFO for KUA. Mr. Gray noted that any reduction in the exemption simply reduces that amount of aid funds available to assist local students.

After about thirty minutes of discussion, Dan Lapan made a motion to end discussion and it was seconded by seven voters.

A hand vote was taken.
It was a vote in the affirmative and so declared.

The vote was taken on whether to accept the amended article.

A paper ballot was taken.

The vote was taken on the accepted amended article.

A paper ballot was taken.
Yes 150 No 46
It was a vote in the affirmative and so declared.

Moderator Taylor recognized Margaret Drye to give a brief presentation of the upcoming 250th Town Anniversary Celebration to be held August 12 – 14, 2011. Events will occur on both sides of town and will include special dinners, entertainment, contests, a parade and will end with a fireworks display. Souvenirs of T-shirts, milk bottles, license plates and stamps will be sold to help defray the costs.

Moderator Taylor turned the meeting over to Moderator elect Paul Franklin to conduct business for the next four articles.

ARTICLE 3.

Thomas P. Williams Jr offered the following motion and moved its adoption: that the town vote to raise and appropriate the sum of \$147,500 to be placed in the existing town capital reserve and general trust funds, pursuant to RSA 35:1 and RSA 31:19-a as follows: Seconded by Judy Belyea.

RSA 35:1 funds:

\$ 0	Town Bridge Capital Reserve Fund created in 1994.
\$30,000	Revaluation Fund created in 1993.
\$50,000	Highway Vehicles Fund created in 1987.
\$55,000	Transportation Improvement Fund created in 2006.
\$5,000	ADA Access Fund created in 2003

RSA 31:19a funds:

\$5,000	Town Hall Repair Fund established in 1996.
\$2,500	Library Building Repair Fund established in 1992.

A Paper ballot was taken.

Yes 106 No 11

It was a vote in the affirmative and so declared.

ARTICLE 4.

Robert Taylor offered the following motion and moved its adoption: that the town vote to establish a Police Department Equipment capital reserve fund and to further raise and appropriate the sum of \$5,000.00 to be placed in said fund. Purposes of the fund are periodic replacement of police department equipment, items such as radios, video equipment, safety vests. Seconded by Thomas P. Williams Jr

A paper vote was taken.

Yes 111 No 14

It was a vote in the affirmative and so declared.

ARTICLE 5.

Judy Belyea offered the following motion and moved its adoption: that the town vote to raise and appropriate the sum of **\$3,500** to be used by the town's 250th Anniversary Celebration Committee which was appointed at the 2009 town meeting. Said funds to be used for the planning and implementation of the upcoming anniversary celebration.

All revenues from the celebration and grants awarded will be returned to the town's general fund to offset the appropriations for this event. Seconded by Robert Taylor.

A motion was made by Boone Rondeau to call the vote by voice. Moderator Elect Franklin stated he would take a voice vote to see if the people supported Rondeau.

**A voice vote was called.
The ayes were unanimous.**

The vote was taken on Article 5

**A vote by voice was taken
The ayes were unanimous
It was a vote in the affirmative and so declared.**

ARTICLE 6.

Thomas P. Williams Jr offered the following motion and moved its adoption: that pursuant to RSA 72:37 the town vote to adopt a tax exemption for applicants who are legally blind as determined by the State of New Hampshire Blind Services Program Bureau of Vocational Rehabilitation, Department of Education. Said tax exemption is to be in the amount of \$47,000, applied annually, to the assessed value of the applicant's primary residential real estate. This article is at the request of the NH Department of Revenue Administrator to verify that Plainfield has properly adopted the blind exemption. Seconded by Judy Belyea.

Williams explained that this is the same exemption that has always been in place; however, we have not been able to find the original date of its adoption.

**A vote by voice was taken.
The ayes were unanimous.
It was a vote in the affirmative and so declared.**

Moderator elect Franklin turned the gavel back over to Moderator Taylor and the meeting resumed with article 7.

ARTICLE 7.

Robert Taylor offered the following motion and moved its adoption: Pursuant to RSA 232 the Town vote to discontinue completely the former section of Main Street that fronts along the property of Christian Forman and Angela Toms (tax map 101 lot 3) in a southerly direction for some 300'. This section of road was left in place during a previous realignment of Main Street and now serves basically as a town maintained driveway for a single residence. All abutters affected by this transaction have been notified and concur with the discontinuance of the roadway. Seconded by Judy Belyea. Selectman Taylor spoke to a correction that the RSA was changed from 232 to 231. Thanks went to Paul Franklin for noticing the error.

**A vote by voice was taken.
The ayes were unanimous.
It was a vote in the affirmative and so declared.**

ARTICLE 9.

Judy Belyea offered the following motion and moved its adoption: that the town direct the selectmen to appoint, within 60 days of town meeting, a committee to continue the KUA/Plainfield study. The charge to this committee shall be to meet with representatives of the KUA administration and maintain an ongoing review of the relationship between the academy and the town, including any agreement pursuant to RSA 72:23, and to report its findings at next March's annual town meeting. Seconded by Steve Halleran.

A vote by voice was taken.
The ayes were unanimous.
It was a vote in the affirmative and so declared.

ARTICLE 10.

Thomas P. Williams Jr offered the following motion and moved its adoption: that the town vote to instruct the moderator to appoint a finance committee (advisory only) of six Plainfield voters to advise the Selectboard and other officers of the town in the prudential affairs of the town. Seconded by Judy Belyea.

A vote by voice was taken.
The ayes were unanimous.
It was a vote in the affirmative and so declared.

ARTICLE 11.

Judy Belyea offered the following motion and moved its adoption: that the town vote to accept the reports of officers as they appear in the annual report, subject to corrections. Seconded by Thomas P. Williams Jr.

A vote by voice was taken.
The ayes were unanimous.
It was a vote in the affirmative and so declared.

ARTICLE 12.

Moderator Taylor swore in the following officers:

Paul Franklin	Moderator
Thomas P. Williams Jr	Selectman
Mark Pensgen	Library Trustee
Kimberly Moss	Appointed Library Trustee
Bradford Atwater	Cemetery Trustee

Edward Stansfield was sworn in as trustee of trust funds by Michelle Marsh on March 17, 2011.

John Yacavone moved to close the meeting at 1:30 p.m. seconded by David Chellis.

Respectfully submitted,

Michelle Marsh
Town Clerk

ONGOING AUTHORTIES

Granted By Previous Annual Meetings

Town endorses the organizational structure of the two fire departments per RSA 154:1 III Article 18 1994

Authority for the Selectboard to convey real estate acquired by tax collector's deed. RSA 80:80 Article 4 1995 town meeting

The Selectboard to apply for, accept, and expend without further action of the town unanticipated money from state, federal or governmental units. RSA 31:95-b Article 5 1995 town meeting.

The Selectboard to accept gifts of personal property, other than cash to the municipality for any public purpose. RSA 31:95-e. Article 6 1995 town meeting.

The Selectboard to accept, on behalf of the town, gifts, legacies and devices made to the town in trust for any public purpose. RSA 31:19. Article 7 1995 town meeting.

Library Trustees to apply for, accept, and expend without further action of the town unanticipated money from state, federal or governmental units. RSA 202-A:4-c Article 8 1995 town meeting.

The Selectboard to borrow funds , on behalf of the municipality, in anticipation of taxes. RSA 33:7 Article 9 1995 town meeting.

The Selectboard to accept the dedication of any street shown on a subdivision plan approved by the Planning Board. RSA 674:40 Article 10 1995

Library Trustees to accept gifts, legacies and devices made to the town in trust for any public purpose. RSA 202-A:4-d Article 15 2006 town meeting.

Selectboard to appoint a Treasurer to an annual term as allowed by RSA 41:26-e. Article 7 2010 Town Meeting.

Further the Selectboard is named agents to expend for nine funds:

- The Library Building Repair Fund created in 1992.

- The Town Bridge Capital Reserve Fund created in 1994.

- Town Hall Repair Fund created in 1996.

REPORT OF THE TOWN CLERK – 2011

I attended a boat registration training class in November so I have now completed the first phase of becoming a boat agent. We are currently waiting for the state to incorporate municipalities into the online boat agent system so we can have access and begin registering boats. I am hoping it will be up and running by spring. I will keep you posted. Please call anytime for motor vehicle questions; a quick call often helps you know what paperwork to bring so we can better serve you.

Following the 15 year rule, all 1997 model year vehicles and older are now title exempt. If you have a title exempt vehicle, you still need two forms with the VIN # to prove ownership. A bill of sale with the VIN # printed on it, an old registration, the title, or a VIN Verification form will all work.

It's time once again for renewing dog licenses. I am trying to keep track of the near 700 dogs we have registered in town. If you have a dog and you haven't already renewed, please take a moment to be sure your rabies shot is up to date and come see me before the April 30th deadline.

Thank you all for the opportunity to serve as your Town Clerk.

Michelle Marsh

Town Clerk

REPORT OF THE TAX COLLECTOR- 2011

Tax payments this year have improved 16% over last year at this time. The tax rate remaining stable helped immensely in keeping property owners on budget.

The Selectboard continues to work toward getting full payment of taxes for the former Edward and Elaine Brown property that is now controlled by the Federal Government. This property has over \$79,000 in outstanding taxes. The Selectboard has been assured that local taxes will be paid, however it could be over two years before the case is settled.

I continue to field questions on the effect of personal credit ratings from tax liens placed on property. By New Hampshire statute a tax lien is placed on property when taxes are in arrears. We do not notify credit bureaus of this, but the liens are a public record and recorded at the Sullivan County Registry of Deeds. Unfortunately, the credit bureaus do not always take the time to record the release of the lien and therefore it remains on the credit report until the property owner asks to have the records corrected.

Respectfully submitted,

Ruth Ann Wheeler

Tax Collector

SELECTBOARD REPORT - 2011

Another year has passed and the Selectboard would like to take the opportunity to update town report readers on significant projects, accomplishments and events of the previous 12 months. As in the past, we wish to begin this report by thanking our dedicated and hard working Town of Plainfield employees and volunteers for their work to make our town function. The various offices, departments, boards and committees all contribute vitally to our community as a whole. Without the collective efforts of many good people, Plainfield would not be the great town it is today. Listed below, in no particular order, are some of the items we wish to detail. Of course the written minutes of all Selectboard meetings are available to give you even more detail of just what we do. These minutes may be found in the monthly issues of Plain Facts, on our town website: www.painfieldnh.org or by viewing them at the Plainfield Town Office

- Willow Brook Road Phase 3- A majority of work on the third section of this road was completed this past year. From the “Baptist Pool” to a spot approx. 2 miles north (near the Fadden Residence) where we left off the previous year, our highway crew completed drainage work, brush trimming and road resurfacing. Much of this work was paid for by the Federal Emergency Mgt. Agency (FEMA) through Hazard Mitigation Grant Funds. While we had hoped to complete the replacement of two large culverts in this stretch, the major Tropical Storm Irene caused us to postpone the final work until the summer of this year (2012). We have a contract for this work and an approved/permitted design in place.
- Wage and Salary Study- Working with the NH Municipal Assn. (Local Govt. Cntr.), we did a comprehensive analysis of our compensation and benefits packages for town employees. This meant collecting detailed data from not only our town, but also from many other towns in both NH and VT. This allowed us to compare the remuneration for all our positions with similar positions elsewhere. Based on what we learned in this study, we will make necessary updates to our pay grade and scale system. We are certain this work will help us to attract and retain highly skilled staff.
- Significant Weather Events- An ice storm in March and a Tropical Storm in August were some of the most consequential weather events Plainfield has seen in decades. Our Highway Crew, Police and Fire Departments all performed critical service in these times of need. Many roads were washed over and damaged by unprecedented rainfall totals. Trees and powerlines were brought down by ice ,requiring many man hours of cutting and chipping. Unfortunately, it is our view that these kinds of storms will be more frequent going forward, causing us to plan for all sorts of emergencies.
- Zero Sort Recycling- After consulting with our Solid Waste Committee and the region’s leading trash concern (Casella Inc.), the Selectboard adopted a “Zero Sort” Recycling Program for the town. This meant a change for the public from having to keep items separate in bins for curbside pick-up to now no longer sorting at all. The new system means just co-mingling all recyclable items in one or more containers for removal to a regional sorting

center. We have already seen cost savings from this program and increased public participation which is exactly what we had hoped for.

- Plainfield's 250th Celebrations- It truly was a special time for Plainfield this past August. We celebrated 250 years of our town's history with numerous events and gatherings. A good time was had and we set the gold standard for this kind of celebration. The Selectboard would like to thank the 250th Anniversary Committee for their successful planning for this occasion. The members of this committee were Margaret Drye, Donna Beaupre, Doug Chapman, Dewey Jones, Elizabeth Lurie, Nancy Norwalk, John Stephenson, Breck Taber, Bev Widger and Steve Taylor.
- Old Main Street Discontinuance and Covered Bridge Land Acceptance- Beginning with a vote of town meeting at the 2011 gathering, the Selectboard has been seeing to discontinuing a section of old Main Street near the Mill Bridge adjacent to the Forman/Toms residence. As part of this process, we were approached by Kimball Union Academy to accept the donation of their property that surrounds the Mill Bridge and the historic former mill site. We held a public hearing as required by our town policies, and have since taken steps to formally acquire this land for future generations to enjoy.
- Blue Mtn Forest Assn.- Working closely with our town assessor, the Selectboard was able to update the tax data for the Corbin's Park property this past fall. The Selectboard and staff were able to arrange on site inspection of this property to see to making tax valuations for this large parcel more accurate. We mention this here not to single out a property holder, but more importantly to show the importance of getting the property tax system updated and as close to fair as possible for all. This highlights the concept of an accurate inventory for each land parcel. Annually we ask all landowners to see that their property's information is up to date and accurate. This is one of the most important things we all must do for the town and the failure to notify the town of any changes will have consequences that may be costly. Permits are easily issued for new construction, and not obtaining these necessary approvals may come back to haunt you.

As always, we welcome your input and feedback. The Selectboard meets on the first and third Wednesday of each month. We also welcome the opportunity to visit specific sites of interest. We call this outreach, and it is important to get out and see the town in person. If you would like to host a meeting of the Selectboard or if have something you wish to say, you can forward it to us at the Plainfield Town Hall, Attn "Selectboard", PO Box 380, Meriden, NH 03770 or simply email our town administrator, Steve Halleran, at plainfieldta@plainfieldnh.org

See you at Town Meeting,
Rob Taylor, Judy Belyea, Tom Williams Jr

REPORT OF THE TOWN ADMINISTRATOR

As directed by the Selectboard the town office worked on the following projects during 2011:

Covered Bridge Land: Working with Kimball Union Academy this historically significant parcel of land was gifted to the town and will remain in its natural state. KUA was preparing to divest itself of the property and the Selectboard felt strongly that public ownership of this land would be a benefit to the community.

Klinges Land Lease: Following up on an opportunity to gain control of the remaining portion of the land parcel directly adjacent to the town's gravel pit we were able to negotiate a lease of the property which once completed will result in the town being given the land. The Selectmen will ask the town meeting to ratify this lease in March. This project again emphasizes the high value that the town places on maintaining a municipal gravel pit to service our more than 75 miles of gravel roads.

Employee Health Care: After more than 25 years with the local government center our coverage was switched to School Care, the same organization that provides health benefits for our school district. By combining into a single group both the town and school were able to enjoy reduced premiums over what we otherwise would have had to pay.

Wage and Salary Schedule: The local government center was hired to develop a pay and classification study for the town. The last such effort was done in 1993. The results of this study will be used in the 2012 and 2013 budget formation.

Brook Road: We utilized \$275,000 of the \$490,000 FEMA grant to affect drainage improvements to Willow Brook Road. The remaining funds will be used to replace two large culverts one at Cole Brook the other at Hibbard Brook in the summer of 2012. Both of these pipes were delayed by tropical storm Irene.

FEMA Reimbursements: Both the March ice storm and tropical storm Irene resulted in declared federal disasters allowing Plainfield to recoup up to 75% of the cost of dealing with these difficult weather events.

Broadband: The town continues to have discussions with Comcast, TDS and FairPoint about extending broad band coverage areas throughout town. Comcast has added several spur roads to their coverage area and FairPoint recently added much of East Plainfield to their DSL coverage.

Outreach Program: The Selectboard continued this popular project in 2011, meeting with several of our local businesses/institutions. Discussions at these information sessions typically center on the topics of regulation, taxation and municipal services.

Zero Sort Recycling: It was very rewarding to play a small role in bringing to our community this upgrade to our curbside recycling program that has been in place since

1991. Now if its not foam or a film it can go in the bin. It you're not recycling, you are throwing it all away!

Submitted,

Stephen Halleran, Town Administrator

ZONING BOARD OF ADJUSTMENT

During the year the zoning board **GRANTED** the following appeals:

Case 2011-01 Mathew Jackson: Approved cottage business, car detailing business #830 Route 12A.

Case 2011-02 Kimball Union Academy: Wind powered electric generator to be located behind Miller Centennial Building. Student project for educational purposes.

Case 2011-03 Mherdad & Teresa Didehbani: Expansion of a non-conforming use to allow for a reconfiguration and expansion of detached garage on the property.

Case 2011-04 Linda Barton, Busy Bee Day Care LLC: To establish a day care facility at #1284 Route 120.

Submitted,

Richard Colburn, Chair Zoning Board

PLANNING BOARD

During the year the planning board approved the following applications:

Annexations:

MacLeay, Scott & Avis	9.6 acres on Doddge Road between two lots owned by the applicant
Taylor Annexation	.15 acres on Main Street to Chris Foreman/Angela Toms
KUA Annexation	.16 acres on Main Street to Chris Foreman/Angela Toms
KUA Annexation	.10 acres on Route 120 to the Meriden Baptist Church

Site Plan Reviews:

Jackson, Matthew	Car detailing shopt #830 Route 12A
Barton, Linda	Busy Bee Day Care #1284 Route 120.

Plainfield Property Owners:

A recent change to RSA 674:39 allows property owners with previously merged nonconforming lots to apply to unmerge the parcels. The application must be made prior to December 31st 2016 and is made to the town’s Governing Body. Contact the town office for more information.

Submitted,
Jane Stephenson, Chair Planning Board

ZONING ADMINISTRATOR’S REPORT

Charter Signing Reenactment 250th Celebration Photo R. Wendt

PLAINFIELD CELEBRATES ITS 250TH ANNIVERSARY

The weekend of August 12, 13, 14 marked the 250th anniversary of the granting of a charter by Royal Governor of New Hampshire Benning Wentworth to a group of fifty-six proprietors from Plainfield, Connecticut. The charter granted a township of 22,300 acres along the eastern bank of the Connecticut River which would be called Plainfield, New Hampshire.

In the months leading up to August, 2011, the Plainfield 250th Anniversary Celebration Committee worked hard to set the stage for the celebration. We started meeting two and one-half years before the event, meeting monthly during the final year of preparation. We decided on a logo - designed by the late David Smith and completed by his son Tim Smith - and discussed various types of merchandise to sell. We took samples of our memorabilia (T-shirts, hats, bags, McNamara milk bottles and license plates, all with the logo on them) to Town Meeting for pre-orders. We asked for appropriations of \$3500 a year for two years to provide seed money for our program. Steve Taylor put together a commemorative program, complete with a town history timeline, and arranged for a town photo on the 4th of July. Two members regularly attended Vital Communities meetings of other "Middle Grant" towns to plan complementary activities during our mutual anniversary year. Professor Jere Daniell of Dartmouth came to town in April and gave a well-attended lecture on the town charter, presenting the historical backdrop for our semiquincentennial.

Our celebration began late Friday afternoon, August 12, with an Ice Cream Social at Christ Community Church featuring music provided by the *Upper Valley Chordsmen*. At dusk, following the concert on the church lawn, bagpiper David Fielder led a large parade of people marching north on Route 12-A to Plainfield Village, their way lit by torches burning along the side of the road. When they arrived in the village, the *Newmont Military Band*, paid for by a gift from the PES Class of 2012, provided a stirring concert of band music from the late 19th century for those gathered under the tents at Smith's Auction Gallery or visiting the Open House at the Plainfield Historical Society.

A very busy Saturday began with a pancake breakfast at Plainfield Community Church. The Philip Read Memorial Library sponsored a wonderful marionette show at the town hall for a delighted audience. Down the street, the Plainfield Historical Society was hosting a commemorative stamp cancellation program. A special envelope with a cachet of the Town Hall was offered for sale with the special Plainfield logo as the cancellation mark on the stamp. At lunchtime, in Meriden Village, the firemen resurrected their Lobster/Chicken Barbecue for the occasion and it sold out on lobster. The town recreation committee led period children's games on the KUA field adjacent to the fire department with equipment courtesy of Billings Farm Museum in Woodstock, Vermont. The First Baptist Church in Meriden hosted an antique car show which attracted

many. There were tours offered of the Kimball Union Academy campus. Another group of people hiked to French's Ledges. The Meriden Library hosted a kite-making workshop for children and the Good Humor Man showed up at the library offering ice cream treats for the children. The Aidron Duckworth Museum hosted "Arts and Artistry of the Past, A Celebration of Plainfield's 250-Year History," not only on this weekend, but the entire month of August. Later Saturday afternoon there was an Alumni Reunion for former students of Plainfield schools; this special reception was held at the Historical Society building. In the early evening a square dance was held at the Town Hall, followed by the Full Moon Dance which featured the local band *No Sudden Moves*.

Sunday began with a breakfast hosted by the Meriden Congregational Church, which was followed by a joint church service held at Flickinger Arts Center on the KUA campus. Many people participated in the service: Mr. Allen Burns from Christ Community Church; Rev. Suellen Leugers, Plainfield Community Church; Rev. John Gregory-Davis, Meriden Congregational Church; and Rev. Harold (Dewey) Jones, First Baptist Church of Meriden. A group of community members sang as a choir, David Fielder played the bagpipes, and Joy Hutchins played the hand bells, accompanied by Helen Davidson on the piano.

Sunday afternoon began with a re-enactment of the charter signing at the Town Hall. Ray Reed served as emcee and facilitated the program. We were favored by the appearance of King George III (Greg Marshall); Governor Benning Wentworth (Bill Chappelle) and Mrs. Wentworth (Laine Gillespie). Several local dignitaries spoke at the ceremony and made presentations: Executive Councilor Ray Burton; Senator Matthew Houde; and Representative Andy Schmidt. Representing the town of Plainfield, Connecticut, were Selectman George and Mrs. Madeleine Krecidlo, who shared a proclamation and several gifts with our town. The program concluded with items being placed within a time capsule which is stored in the Philip Read Memorial Library for posterity and will be opened in August 2061. A surprise addition to the time capsule was a pocket copy of the U.S. Constitution, autographed and donated on the spot by U.S. Supreme Court Justice Stephen Breyer!

There was a brief ceremony held at the Plainfield Village Cemetery in honor of all the citizens who have lived in town. Several people were in costume of the period of 1761 and the committee placed a bouquet of flowers at the memorial stone of John Stevens, the man who negotiated with the governor's representatives in Portsmouth for the original proprietors and was one of the earliest settlers in town. The honor guard for the program was provided by the Sons of Union Veterans, Major McKinley Camp #9.

The weekend celebration culminated with a picnic and corn roast at the Plainfield Elementary School. We were serenaded by the *Upper Valley Community Band*

while we waited for the fireworks display. In spite of a forecast for storms over all of New England, the rain held off over the picnic area. At dusk, we were rewarded with a spectacular fireworks show that will long be remembered by those who were in attendance.

In 1961, the Bicentennial Committee wrote that their celebration “took a lot of work by a lot of people” but that “the Town turned out in fine shape and put it all through.” It’s nice to know some things haven’t changed. Without the help of a long list of people, groups, and businesses (see the September 2011 *PlainFacts* for a complete list), we would not have had such a wonderful weekend. It worked because so many volunteers donated so much, crowds of people showed up at the events, and the community spirit shown was exceptional. The committee wishes to thank everyone who participated and helped make this weekend worthy of the momentous occasion that it was - a commemoration of 250 years of history and a celebration of the community that we call home.

Margaret Drye and Dewey Jones , Co-chairs

REPORT OF THE PLAINFIELD CONSERVATION COMMISSION DECEMBER 2011

Advocacy for the Plainfield Conservation Commission (PCC) consists of permitting, preventing, and/or addressing wetland issues; monitoring intent-to-cut notices; commenting on issues before other municipal boards; and making available best-management practices for the Plainfield Highway Department.

There are future plans to work with the Highway Department regarding the proximity of the Town Garage to the Penniman wetlands. At this time, the plans have not been formally discussed nor formulated.

There were a few land-use violations within the town where the PCC was asked to ameliorate. Fortunately most of the involved landowners responded and made satisfactory reparations. The cooperation and patience of all parties to the events are much appreciated.

Stewardship consists of watching over various lands that the town owns and the agencies that monitor (i.e., once-a-year, on-site inspection of said land) them; keeping the Select Board apprised of various bridge/trail easements; monitor and send reports to NH Office of Energy and Planning (OEP) regarding the four Land Conservation Investment Program (LCIP) properties; monitoring Class VI road protection issues and measures.

Monitoring reports have been sent to the Office of Energy and Planning for Morgan Hill and Mud Pond. The reports for Benson Town Forest and the Walker Farm are partially completed at this time.

This year there is discussion about gating or barring Class VI roads. At issue is the landowner's right to protect the investment made to a Class VI road and the public right to freely access that road.

Operation consists of maintaining a Plan-of-Work document; monitoring the annual budget; submitting yearly dues to the NH Association of Conservation Commissions (NHACC) and recording/filing of easement monitoring reports.

Attendance at the annual NHACC meeting is always an opportunity to make/maintain a network with other Conservation Commissioners in NH towns. The Upper Valley Land Trust sponsors an annual meeting of Upper Valley Conservation Commissioners in the Upper Valley—closer to home. All of our commissioners try to attend one or both of the enlightening meetings.

Outreach consists of identifying and awarding the annual Plainfield Conservation Award; organizing the Green-Up Week activities; maintaining the Conservation Commission's website; maintaining and expanding partnerships with neighboring Conservation Commissions; organizing/sponsoring environmental education opportunities

This year's Green-Up Day was successful for various residents who picked up discarded items along our town's roads. When the snow melts, there are any number of items left behind with the warmer temperatures. In concert with this springtime cleanup, the Conservation Commission organized a clean-up along River Road opposite the Plainfield Wildflower Preserve. It was a beautiful spring morning with many community volunteers, including a boy scout troop and some town youths fulfilling community service endeavors. The Plainfield Highway Department provided a dump truck and the MacNamara family brought a tractor to load the truck easily. After the clean-up, we went on a guided wildflower walk to see (with binoculars because the embankment is too steep and fragile to climb for a closer look) the small and delicate spring ephemerals (i.e., bloom for a short period of time).

After the clean-up, we went on a guided wildflower walk to see (with binoculars because the embankment is too steep and fragile to climb for a closer look) the small and delicate spring ephemerals (i.e., bloom for a short period of time).

The PCC's yearly plan is to have some type of educational event for each season. The coming spring will have another clean-up day and the site has yet to be chosen. This summer, there will be a forest management/timber-sale workshop on June 9, 2012. The workshop will teach the steps to ensure a successful timber harvest. Proper forest harvesting can provide income, improve wildlife habitat, and result in trails, better access, views, and a healthy and vigorous forest for the future.

The PCC website's purpose is to provide easy access to information about hiking trail access, invasive plant control, regulations and permitting, conservation easement value and process, etc. Take a look at the site on www.plainfieldnh.org

Projects consists of testing water quality at various local sources; maintaining and using the data contained in our Natural Resource Inventory (NRI); refreshing boundary markers on town-owned property; and planning for land conservation.

A long-time Plainfield resident, George Koehler, passed away recently. Several of his friends have donated monies to the PCC to name a walking trail in George's memory. On Sanborn Road, a project is in-the-works for a trailhead parking area (with kiosk) created with these monies. When the excavation is done, it's a nice walk up to French's Ledges and then on to Columbus Jordan Road. At the terminus of the trail there will be a sign designating this walk as the George Koehler Trail. Find some time to enjoy the walk as George did. See if you can walk as many times as he did.

Another project is to help the Jordan family conserve their Wond-R-View Farm and their forested parcel on Tallow Hill. Since 1850 this land has been in the Jordan family—first owned and farmed by William Riley Jordan. The views to and from the property are representative of the beauty of a traditional hill farm in Plainfield and other parts of the Upper Valley. The Jordan family wants to conserve this property because of its history, beauty, natural resources, wildlife habitat, value as farm and forest land, etc.

Discussion of the Natural Resource Inventory (NRI) revealed a wealth of information already archived but no efficient way to use the information for decision-making. After much discussion and exploration, the PCC decided to subscribe to a service offered through the state. There is a reasonable annual fee for this service which stores our data and analyzes it upon request. Therefore, we avoid the cost of purchasing/subscribing software and training to use the software. The service, for the annual fee, provides

experts trained to use the software to create maps, reports and advice for any project Plainfield’s various commissions, committee and boards is working on at the time.

Respectfully Submitted,

Myra Ferguson, Chair

RECREATION COMMISSION

We finished the 2010-2011 basketball season in February. The 1st and 2nd grade group of 9 students worked on learning basic skills on Saturday mornings at the KUA gym. Our 3rd and 4th grade girls group of 10 and 3rd and 4th grade boys group of 8 practiced and played several games with local towns during the season. Focus was put on skills, playing as a team, and sportsmanship. Practices and home games were held at PES. Our big challenge was finding available gym time for practice.

In the spring we started our 3rd and 4th grade boy's baseball with a very large group of 21. Our 3rd and 4th grade Softball team had a small group of 10. These two teams practiced through the spring at Hewes Field and played teams from area towns. Home games were played on Prescott Field. Skills and sportsmanship were worked on through the season.

We ran our T-ball during late spring and early summer. Participation was down from last year with 20 1st and 2nd graders making up 2 teams and an additional 9 participants to make up our farm team. 1st and 2nd graders practiced skills and played games. The Farm Team worked on basic skills of throwing, catching, batting, and rules of the game. These teams practiced and played on Hewes Field and Cory Taber Field.

Our annual fishing Derby was held on June 4th in Blood Brook behind the Meriden Deli. Trophies for first, second, and third place in each of the four age groups were handed out. Hot dogs were cooked on the grill for the kids to enjoy with drinks and chips as well and ice cream cones handed out from the Meriden Deli. We had 91 kids participate in the event and the big catch of the day was made by Talan Patkul with his 14-1/2" trout. I would like to give a huge thank you to our many volunteers, some new and some who have been with us for many years. Thank you for the many donations from The Meriden Deli, Hy-On-A-Hill Trout Farm, N.H. Fish and Game, Coca Cola Company and Vern's Worms.

Our Tennis numbers were up a little this year with 17 participants. These lessons were held for six weeks at the KUA Tennis courts. Our hope is to grow this program and will look at ways to help increase the participation in this sport. It is a sport that helps the hand eye coordination and quick movements and thinking that can be beneficial in other sports. It can be enjoyed for many years into your adult life and is a lot of fun.

The Soccer program in the fall included the ¾ boy's team made up of 19 boys and the 3rd and 4th girl's team was made up of 15 girls. These two teams played other area recreation teams and practiced and played home games on Hewes Field. This group worked on skills, working as a team, and sportsmanship. The 1st and 2nd grade had three teams made up of 29 players. These teams practiced basic skill and played games with each other at the Cory Taber Field. We had an additional 19 kids that participated in the kindergarten group.

The 2011-2012 basketball season got started for our 3rd & 4th grade boys with a group of 7 and the 3rd and 4th grade girls with a group of 7 as well. Again this year we

are faced with a lack of gym time available to get practice time in. We continue to get any time available to work with this group and to look for possible solutions for this. The 1st and 2nd grade group working on basic skills at the KUA gym on Saturday mornings has 20 participants and will start in January.

I would like to thank all our coaches for the time they put into this program. They are the individuals that make it work. Without you, we have no program. Thank you to the officials who helped throughout the year. Your help is very much appreciated. Thank you to anyone who has helped in any way. As we move forward I encourage everyone to take an active role where possible. Participating in your child's youth activities is both fun and rewarding.

I want to mention we have a new set of outdoor bleachers and team benches at Hewes Field for our Soccer, Baseball, and Softball season. These bleachers and benches were a gift donated to us by Judy Belyea. Thank you Judy for your very generous gift.

I would like to thank the Plainfield School and Kimball Union Academy for the use of their facilities. Thank you to Meriden Deli, Hy-On-A-Hill Trout Farm, and Keene Medical for your donations. A huge thank you to all our coaches, officials, and individuals who have donated their time for the youth in our community and made this program successful. I look forward to the coming year.

Respectfully submitted,

Daniel P. Cantlin,
Recreation Director

LIBRARY TRUSTEE REPORT 2011

2011 was an exciting year to be a library trustee as it was the first full year of a single board to oversee the two town libraries. We all know what assets our two libraries are to the town and it is the goal of this board to always improve upon and expand the great services that our libraries already provide. Our focus this year was to standardize practices in areas where it made sense to do so. We reviewed and are still in the process of revising many of the library policies to ensure they are consistent. For example, as of 2012, late fees and check out times will be the same at either library.

Our first big project as a joined board was to launch the online card catalog project. We were fortunate enough to join a consortium through the Howe Library that will allow us to digitize our card catalog at a fraction of what it would otherwise cost. This process is ongoing and requires a high degree of cooperation and coordination between both libraries and the Board of Trustees. We feel the ability to offer this service to Plainfield residents is one benefit of a joined board.

We are very fortunate to have such dedicated library directors and employees. Circulation and patron visits are still increasing at both libraries. And despite the ever increasing demand and ever increasing budget constraints, the staff is always finding ways to offer new services or improve upon existing ones. Last year, both libraries applied for and were awarded grants. The books and equipment purchases made possible through these grants will benefit everyone in the community.

In addition to continuing to provide the town with the best level of library services possible, in 2012 we hope to complete the digitization of card catalogs, continue construction on the lower level of the Philip Read Memorial Library and continue to explore ways to make the Meriden Library ADA compliant.

The trustees will continue to encourage and support the good work at our libraries. Each library director has submitted a separate report detailing the highlights of their year. We are honored to be stewards of such fabulous town assets. We thank you all for your generous support—

as volunteers, through donations or through your tax dollars—of the library system and for recognizing the tremendous benefits it offers us all.

MERIDEN LIBRARY ANNUAL REPORT 2011

The Meriden Library had another year of growth and positive movement on our long term goals. The library was busy, 5751 patrons visited this year, which compared to 4945 in 2010, is approximately a 15 % increase! We served an average of 30 patrons each day we were open—remarkable for a small library. The library circulated 7763 items, a 23% increase over last year's circulation. In terms of dollar value that would equal \$116,445.00. **

In January we launched a new web site allowing patrons on-line access to library

information. Patrons can now see a calendar of events, access resources through state funded databases, see the library's latest acquisitions and much more. We are enormously grateful to Mike Sutherland for his work on developing and maintaining the site.

We added 584 items to our existing collection of approximately 10,000 fiction and non-fiction books, reference materials, recorded books and videos. In April we applied for and received a *Books for Children* grant from the Libri Foundation, a nationwide non-profit organization that donates new, quality books to small, rural public libraries. Through the grant we added 80 brand new children's books with a value of \$1409. to our juvenile collection. The new titles included picture and chapter books; both fiction and non-fiction.

We offered many programs throughout the year for adults and children. On-going programs include a monthly book discussion, Genealogy Club and weekly Story Time for young children. On-going programs added this year are a weekly Play Group for caregivers and very young children 0-2 and a Fiber Arts group which meets twice monthly for community members to come together to work on projects.

Special programs that we offered for adults included a "Tech Talk" with Bob Raiselis titled "Getting Started with E-Bay", author Thomas Powers gave a book talk on his most recent book, The Killing of Crazy Horse and Donna Beaupre presented a two session rug hooking class. Throughout the year families were invited to holiday themed craft nights; in February for Valentine's crafts, in October for Halloween crafts and in December for holiday crafts. The library also hosted school vacation programs for school aged children.

Summer by far is the busiest time for staff at the library. In the summer of 2011 we offered 4 afternoon summer reading programs around the theme, **One World, Many Stories**. Children enjoyed making hats from around the world with Lori Estey and making books with Joan Burch. The summer reading finale included an afternoon of games and refreshments. We also held three evening "PJ" story times. Each week during the summer, children from the Meriden Community Camp visited the library allowing campers quiet time at the library and the chance to check out books. Also this summer, the Meriden Library participated in the village wide 250th Anniversary Celebration. On that day we were delighted to offer ice cream treats from the Good Humor Truck and had fun making and flying kites in the library yard.

In October the Meriden Library, along with the Philip Read Memorial Library, signed a consortium agreement with the Howe Library in Hanover to join the newly formed New Hampshire Evergreen Consortium. This brings to fruition a long standing goal of both libraries to move to an automated library system. We are thrilled to have this opportunity and are thankful to the Howe Library and the Town of Hanover for their willingness to share resources making this a very affordable option. Work on the process to digitally catalog all of our materials continues and we hope to launch the system in 2012.

The Meriden Library continues to participate in our regional library cooperative, Librarians of the Upper Valley. Through this cooperative we are able to offer our very popular rotating video collection. We also participate in services offered through the state library including consortiums that allows us to offer the Ancestry.com database and The New Hampshire Downloadable Books to our patrons. In September 2011 Kindle formatted e-books became available through the Downloadable Books consortium which now allows even more options for our patrons. We saw a 30% increase in check outs of audio and e-books through the Downloadable Consortium this year.

Another goal of the Meriden Library has been to establish a formalized library Friends Group. Towards that goal a steering group began meeting in the fall to determine the

steps to move forward. The Friends of the Meriden Library will soon be working to support all the efforts of our library.

We would like to thank everyone who helped our library to thrive again this year. We have many volunteers and supporters who donated their time, energy and resources. Thank you for your support again this year.

**Estimate for out of pocket expenses to patrons if books, audio books or videos were purchases at an average retail value of \$15.00

Making Kites At the 250th Anniversary Celebration

Photo R. Wendt

PHILIP READ MEMORIAL LIBRARY

Calendar Year 2011

The Philip Read Memorial Library continues to be a vibrant, busy and well-used facility. It is a popular space for community meetings with 45 non-library-related meetings held this year by 8 different groups (about one a week). Our public computers are heavily used by patrons and many bring their laptops to use the WiFi. We welcome the pupils and teachers of the Estabrook School, who are using the library. In 2011, the Philip Read Memorial Library had 9,076 patron visits and checked out 12,797 items.

Our regular programming such as children's story time is well attended. Diane Rogers is the primary reader and incorporates crafts or special activities in each program. We again had a special story hour and pictures with Santa in December. The summer reading program — "One World, Many Stories" was very successful with programs led by Laura White (Fly Away), Carol Greenan (crafting dragon masks), the 4-H Club (Foods Around the World), and John White (rock collecting). Author readings were held with Nancy Kilgore (former Plainfield resident) and Adell Farley Harvey. The library was again open for Trick or Treaters on Halloween. We had 199 visitors and gave out treat bags and paperback books.

Among the many special programs held this past year were children's theater performances during the summer at the Plainfield Town Hall (7 plays); a slide show and talk by Sarah Gillens on her visit to Scotland and the locations of the "Outlander" series of books, a nutrition story hour with Kim Moss, fingerprinting with Police Chief Roberts, a nature walk and construction of fairy houses in the McGough's field and monthly book discussions. In conjunction with Plainfield's 250th celebration, the library sponsored Dan Grady's Marionette show at the town hall. A group of children continue to meet almost every Saturday morning for card and board games.

As a community service The Friends of the Philip Read Memorial Library sponsor the clean-up of Rt. 12A through the Adopt-A-Highway Program. The library has a food collection box for the Plainfield Food Pantry. The Friends of the Philip Read Memorial Library constructed the library float for the 4th of July parade. The theme of the float was "Plain School 1890," with Mindy Taber typecast as the teacher instructing a group of local children. Used on the float was the bell from the old Plainfield Village school.

Staff development is an important ingredient to keeping our library current. To that end, I, as library director, attended a number of conferences and workshops such as the bi-monthly Librarians of the Upper Valley (LUV) meetings, workshops on Library Management and Collection Development and Weeding, and the Annual New Hampshire State Library Convention in Manchester. The trustees attended the New Hampshire Library Trustees Association's annual meeting. A workshop on Downloadable Audio and E-Books for staff and trustees was held at the library. Our library patrons' use of this service doubled over last year.

The Friends of the Philip Read Memorial Library continued their fundraising efforts on behalf of the library. The main fundraising events were the Annual Book and Bake Sale; the Maxfield Parrish Vintage Print Sale (jointly with the Stage Set Committee); sales of Maxfield Parrish items, a Holiday Dance sponsored by Randy Budner and his band—Loose Cannons, and a quilt raffle (donated by Maria Guzman and Colleen O'Neill). The Friends group also sponsored a Sunday afternoon Ice Cream Social with games and music by Randy Budner. The Friends of the Library are always willing to assist us and new members are welcome.

The James Tasker Covered Bridge Fund Committee awarded the library a grant of \$700 to purchase a computer and barcode scanner for the forthcoming automation project. The Plainfield Energy Committee obtained a grant for an energy audit of the building and a report will be forthcoming in 2012. Image Magazine included the Philip Read Memorial Library in an article on Upper Valley libraries with a full page story and color photo (taken by Des Hudson).

The major project that the staff and volunteers will be working on this coming year is automation of the card catalog. The Philip Read Memorial Library and the Meriden Library have joined a consortium with the Howe Library in Hanover to automate our catalogs and circulation functions. Contracts have been signed with Howe and a software company, prep work and system setup has begun, training will begin soon and then the collection will be imported into the program. This has necessitated many meetings of the library directors with the Howe project manager. Being able to join with the Howe Library on this project means a much lower cost for the libraries. It will be an exciting year.

Other services available at the library are WiFi, Internet, public computers, passes to the Currier Art Museum (Manchester) and the Windsor Precision Museum, trash and landfill stickers available for purchase, Fax, copier, interlibrary loan, downloadable audio and e-books. Databases available for patron use are Ancestry.com and Heritage Quest.

Thank you to our many volunteers who put in approximately 50 hours each month. Their help with the multitude of regular tasks and their computer expertise are invaluable. Thank you to Zethan and Joah Moss who have volunteered to shovel the walks this winter.

Work on the next phase of construction--the lower level which will hold a much needed community meeting room, a local history research room, junior and teen rooms, was begun last spring but was put on hold after a code review turned up some changes since the original construction. The architect drew up some revisions which were approved by the fire engineer and work will resume this spring. As promised, the Friends of the Philip Read Memorial Library have been raising the funds to finish this work and we will not ask for tax dollars. Contributions are welcome and needed for the building fund to finish this project.

We are all very thankful for the help given to make the library so vibrant. Thank you to the many residents who donate books, tapes, movies and magazines, and other needed items. We are ever grateful to our volunteers and to the community for your support.

REPORT OF THE PLAINFIELD POLICE DEPARTMENT

I would like to begin by thanking the staff of the Plainfield Police Department for their dedication and commitment to the town. I would also like to thank the community we serve for their patience, consideration, and support. As I have stated in the past, with only three full time officers we can't be everywhere at once, your commitment to report activity you have witnessed continues to be our largest tool in solving crime. I would also like to state that the department is the Town's 24 hour, seven day a week contact point for the public. The officer's are considered problem solvers by handling a variety of calls, not only law enforcement but social service, media, informational and sometimes guidance.

In June of 2011 we purchased and installed Police Computer Software. This was done with the assistance of a Grant from New Hampshire Highway Safety and the seed money given in the annual budget. This software allows our department access to regional data based with our dispatch center and in addition gives me the ability to be compliant with the State and Federal IBOR (Incident Based Offense Reports). This software also supports the ability to log all the services that the department performs as well as giving us a better analysis of the raw data that is compiled. Based on this information, the statistical reports will differ a bit from past annual reports. I will try to organize the information with some comparisons to last year. Overall the department recorded 3,807 Incidents/Services this year, this being an increase of 24 % from the previous year of 3,064.

Traffic – Motor Vehicle Enforcement:

A total of 956 traffic stops were made in 2011 compared to 642 from last year, being approximately a 49% increase. I would attribute the large increase to the "Operation Safe Commute" This was a program designed by the Commission of Safety, Colonel of State Police and the Chief of Police Association. The objective is high visibility traffic enforcement to stop distracted drivers and other violations. We worked with the program by putting all three officers out at peak traffic time.

Accidents:

A total of 139 vehicle related accidents were reported to dispatch in 2011. The following is a breakdown of those calls:

22.5%	had some type of Injury	77.4%	used restraints, seatbelts, car seats
62.9%	Occurred during daylight hours	11.5%	Indicate weather related incidents
Age of the Operators of these vehicles:		16-21 Years old	5%
		22-45 Years old	37%
		46 and older	57 %

14.6 % of these operators were from out of state.

In closing I would again like to thank the Community and Selectboard for their continued support.

MERIDEN & PLAINFIELD VOLUNTEER FIRE DEPARTMENT

Chief's Report

The retirement of long time Chief Dave Best of the Meriden Volunteer Fire Department this year there have been many changes for both the Meriden and Plainfield fire departments. The biggest change is that there is now one chief for both departments. Other Meriden Officers are Deputy Chief Bill Taylor, Captain John Woodward-Poor and Lieutenants Dave Chellis and Jeff LeBlanc. With one chief other members of both departments have assumed new roles and responsibilities to make this arrangement work. On the Plainfield department the death of long time Lieutenant Dave Hollinger has left a void. His position has been filled by Eric Pearce.

The number of calls and inspections for both departments is up dramatically this year. Meriden is up 19% and Plainfield up 24%. The Meriden firefighters spent 687 hours at calls and 664 hours at drills, Plainfield firefighters spent 588 hours at calls and 156 hours at drills this past year.

Both departments continue to do fundraising and grant writing to help keep the tax burden down. I would like to take this opportunity to thank Dave and Alice Best for their years of dedication to the fire departments and to say thank you to the many residents for their donations to help us do what we need to do.

REPORT OF THE FOREST FIRE WARDEN AND STATE FOREST RANGER

State Forest Ranger: Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands, work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 603-271-1370 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nhdf.org.

Both in terms of the number of fires, as well as the number of acres burned, this past fire season was the smallest since records have been kept. Extensive rainfall virtually all season long kept the fire danger down. When fires did start they were kept very small. The largest fire for the season was only 5.4 acres which occurred in Littleton on May 2nd 2011. There was however a small window of high fire danger in the northern third of the state during July when little rainfall was recorded. During this time there were a number of lightning started fires which are fairly unusual in New Hampshire. As has been the case over the last few years, state budget constraints have limited the staffing of our statewide system of 16 fire lookout towers to Class III or higher fire danger days. Despite the reduction in the number of days staffed, our fire lookouts are credited with keeping most fires small and saving several structures due to their quick and accurate spotting capabilities. The towers fire spotting was supplemented by contracted aircraft and the NH Civil Air Patrol when the fire danger was especially high. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2011 season threatened structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

Frank Currier Plainfield Fire Warden

ANNUAL REPORT OF THE CORNISH RESCUE SQUAD

The all-volunteer Cornish Rescue Squad is completing its 37th year of continuous service. We respond to about 150 emergency calls a year in the two towns. Additionally, at times, we provide mutual aid service to our surrounding towns.

All squad members are nationally certified emergency responders and licensed by the State of New Hampshire. This year, the squad has been fortunate to add several new members to our roster. Given the commitment it takes to become an emergency responder, we are indeed very happy to welcome these dedicated individuals.

The squad maintains a well equipped rescue truck and provides each member with necessary equipment to stabilize injured and ill patients while awaiting the arrival of an ambulance. This year, in addition to upgrading our emergency medical supplies, the squad has updated our communication capabilities.

The Cornish Rescue Squad thanks you for your support. Squad members are your fiends and neighbors here to serve you at your time of need.

As always, if you have an emergency, call **911** immediately.

Respectfully submitted,

H. Jeffrey Katchen

President-Cornish Rescue Squad

SELECTBOARD'S REPORT ON RESERVE FUND TRANSACTIONS

The Selectboard is named agents to expend for nine t reserve funds:

The Library Building Repair Fund created in 1992.

The Town Bridge Capital Reserve Fund created in 1994.

Town Hall Repair Fund created in 1996.

Town Revaluation Fund created in 1993.

Town Building ADA Access Fund created in 2003.

Transportation Improvement Fund created in 2006.

Townsend Bridge Fund created in 2007.

Town Beautification Fund created in 2008.

Police Department Equipment Fund created in 2011

Deposits and withdrawals to these funds during 2011 were:

Library Repair Fund

Deposits-	\$2,500
Town meeting appropriation	
Withdrawals-	\$5,424
PL-Painting/repairs	\$4,250
PL-Frozen septic	\$ 670
PL-Lock repair	\$ 354
PL Slate roof repair	\$ 150

Bridge Fund

Deposits-	\$0
Withdrawals-	\$0

Town Hall Repair Fund

Deposits-	\$5,000
Town meeting appropriation.	
Withdrawals-	\$2,953
PTH slate roof repair	\$320
PTH misc repairs	\$105
PTH tree removal	\$1,219
PTH Furnace cleaning	\$232
MTH slate roof repair	\$400
MTH landscaping	\$677

Revaluation Fund

Deposits-	\$30,000
Town meeting appropriation.	
Withdrawals-	\$ 0

ADA Compliance

Deposits-	\$5,000
Town meeting appropriation	
Withdrawals-	\$ 0

SELECTBOARD'S REPORT ON RESERVE FUND TRANSACTIONS (continued)

Transportation Fund	Deposits	\$44,000

FIVE-YEAR ROAD PROJECT PRIORITIES

As required by the passage of article ten at the 1998 Annual Meeting, the following represents the selectmen's road reconstruction priorities for the next five years. Note: order of work and timing is subject to change as new information, time and available funds dictate.

Year	Road	Work
'99	River Rd	phase III-prep completion and base paving. Completed
'00	River Rd	phase IV-topcourse paving, shoulder work. Completed
'01	Jenney Rd	base reconstruction/paving Completed
'02	Daniels Rd	base reconstruction/paving. Completed
'04	Bean Rd	base reconstruction/paving. Completed
'05	Bean Rd/Westgate Culvert/drainage work.	Completed.
'06	Westgate base reconstruction/paving.	Completed.
'07	Beauty Hill Rd	base reconstruction/paving Completed.
'08	Colby Hill Rd	base reconstruction/paving Completed.
'08	Willow Brook Road	base reconstruction/paving phase 1 Completed.
'09	Freeman Road	base reconstruction Completed
'10	Freeman Road paving/Willow Brook Road	phase 2 Completed
'11	Willow Brook Road	base reconstruction/paving phase 3 Completed*
'12	Main Street/Bonner Road	resurfacing.
'13	Center of Town Road	resurfacing

- '14 Penniman Road resurfacing
- '15 Ferry Hill Road resurfacing
- '16 Methodist Hill resurfacing

Taylor, Stephen	Moderator	\$124

Wendt, Barbara	Sub – Librarian – East	\$160
Wheeler, Ruthann	Tax Collector	\$12,480
Williams Jr, Thomas	Selectman	\$2,350
	TOTAL	\$657,236

PLAINFIELD TOWN HALL OPERATIONS COMMITTEE 2011

The Plainfield Town Hall Committee was established in 1995 to oversee the maintenance of the Plainfield Town Hall and to make recommendations to the Selectmen for repairs and upkeep. The mission of the committee is to assure that regular maintenance and upkeep is done on the Plainfield Town Hall in order to avoid another major restoration and, in the end, to save money for the town. Three of the committee members were on the original committee that oversaw the restoration of both town halls: David Chellis, Nancy Norwalk, and Beverly Widger. Other Committee members include Brad Atwater and Nancy Scott.

Normal maintenance has been done on a regular basis to the Plainfield Town Hall by utilizing the Town Hall Maintenance Fund (established for both town halls). The committee checks the inside and outside of the building, looks at the usage of the hall, inspects for hazards, and reassesses the town hall rental policy.

The committee makes the following recommendations:

- The stone foundation, especially the Northwest corner (left side), is in need of repair and stabilization, including chinking and repointing. An updated estimate should be obtained.
- Once the foundation repair is done, the town hall needs to have plaster repair and an interior painting. The last time the interior was painted was in 1995. The kitchen ceiling is peeling.
- The ceiling tiles stained by a old water leak should be replaced.
- In order to maintain the beautiful hardwood floor, the floor needs to be thoroughly cleaned, lightly sanded, and another coat of finish applied to continue to preserve it.
- The entrance threshold continues to deteriorate and needs replacement.
- The landscaping in front of the town hall needs to be trimmed substantially.
- The storm windows were not put on for the winter and heat is escaping. One window was to be repaired by town staff and has not been returned.
- The attic was provided with a barrier to collect bat guano. This should be checked to see if it should be removed (sold?) and a fresh barrier put down.
- The entry steps and ramp again have peeling paint. We need to find a solution to this problem.
- The windows should be washed inside and out.
- The basement of the town hall needs to be cleaned and contents assessed as to whether they should be kept, repaired or discarded, i.e., benches and old town fencing.

The committee discussed, at length, the regular cleaning and checking of the town hall before and after renters. Renters have the expectation that the town hall will be clean

upon renting the building. The town hall is used for private functions, town functions and community non-profit organizations' events. The rent for the town hall is very reasonable for in-town residents and the committee supports that. However, whether it is a non-profit, for profit, an in-town renter, or an out- of-town renter, the town should charge a maintenance cleaning fee which is refunded if the town hall is left in the same condition or better after the rental. The senior luncheons are regularly held at the town hall and they deserve a clean environment.

The town hall needs regular and thorough cleanings by a commercial cleaner who will use proper equipment to wash the wood floor. The hall also needs regular cleanings by a professional cleaner before rentals (or after) to clean bathrooms, dust window ledges, clean the kitchen, empty lingering trash, and other housekeeping. The committee recommends quarterly cleanings by a commercial cleaner and touch up cleanings monthly.

The committee recommends that an individual (either town employee or volunteer) perform a check of the town hall before and after a rental. The person maintains and coincides visits with the rental calendar.

The rental policy currently in place is satisfactory. However, we encourage the town to enforce the policy and charges. These charges would pay for regular cleanings.

A suggestion was made that the town consider using the Plainfield Town Hall as a voting location in alternate years instead of always using the Plainfield School. This alternative voting location would be returning to a past practice of the Town.

Lastly, the committee believes that an investment should be made for new tables (12) and chairs (175) for the town hall. The existing chairs are in poor condition, break/bend easily, mar the floor, and are uncomfortable. They were a donation from an organization that was going to take them to the dump and we took them to fill an immediate need. The tables are a collection of library, senior, and donated tables of varying sizes and in disrepair. The committee recommends that the town invest in chairs and tables that can be used at a variety of town sponsored events.

Nancy Norwalk, Beverly Widger, Brad Atwater, Nancy Scott, David Chellis

WELFARE REPORT 2011

Plainfield has once again this year met our local needs for assistance in large part from the generosity of residents who make both cash and in kind gifts. If not for these donations local taxpayers would necessarily have to pay more to meet our obligations.

Again this year the senior luncheons have continued to be well attended. These monthly gatherings provide opportunities for an afternoon out and fellowship amongst old friends as well as opportunities to meet new ones.

If you or someone that you know needs assistance, please call the town office (469-3201) so that needs can be evaluated.

Al Grindle- Town Welfare Officer

HUMAN SERVICES REPORT

Residents of the Town of Plainfield continued to have access to needed social services from the following agencies during 2011:

ACORN: AIDS Community Resource Network, which exists to support and assist those whose lives are affected by HIV/AIDS. 2 Blacksmith Street, Lebanon, NH. **tel. 603-448-8887.**

COMMUNITY ALLIANCE: Provides counseling and support for youth and their families, available 24 hours a day; works with court ordered juveniles, maintaining Chandler House, an emergency, temporary home for these clients. PO Box 188, Newport NH 03773 **tel. 863-7708.**

GRAFTON COUNTY SENIOR CITIZEN'S CENTER: Provides services to senior citizens: meals, including deliveries of meals, transportation, adult day care, recreation, health screening and social services. PO Box 433 / Lebanon, NH 03766-0433 **tel. 448-4897**

HEADREST: Provides information and referrals for human services in the Upper Valley. Located at 14 Church St./ PO Box 247/Lebanon, NH 03766 **tel. 448-4872. Hotline 448-4400.**

MASCOMA VALLEY HEALTH INITIATIVE: A provider of public health services in the Upper Valley. Functions included research, education, planning and prevention activities. PO Box 102 Canaan NH 03741 **tel. 523-7100.**

SOUTHWESTERN COMMUNITY SERVICES: Provides and administers Fuel Assistance, Commodity Foods, WIC Program, Neighbor Helping Neighbor, and Eldercare programs along with other human service type programs to eligible applicants. PO Box 1338 Claremont, NH 03743. **tel. 542-9528.**

VNAVNH/HOSPICE: Visiting Nurse Alliance of Vermont and New Hampshire Medicare is a certified home care agency that provides home health services to Plainfield residents. 66 Benning Street, Suite 6 West Lebanon **tel. 1-800-300-8853.**

VOLUNTEERS IN ACTION: A program from Mt. Ascutney Hospital that provides caring volunteers of all ages who assist neighbors in need of a helping hand. Most frequently used services are: transportation, visitation, food shopping. PO Box 707 Windsor, Vt. 05089 **tel. 802-674-5971.**

WEST CENTRAL SERVICES: Provides mental health and behavioral services for no or very low costs to the uninsured. West Central Services is the New Hampshire designated community mental health facility for Plainfield and all of Sullivan County. 9 Hanover Street, Suite 2, Lebanon, NH 03766 **tel. 448-0126.**

After expressing their gratitude for past support these agencies are again looking for funding from our community:

Organization	Granted 2011	Requested 2012	Budgeted 2012
Acorn	\$500	\$ 500	\$ 500
Community Alliance	\$250	\$ 500	\$ 500
GCSCC	\$3,500	\$3,500	\$4,000
Headrest	\$1,800	\$1,800	\$1,800
Mascoma Valley Health	\$500	\$1,000	\$500
SW Comm Service	\$ 850	\$ 850	\$ 850
VNAVNH	\$9,875	\$9,875	\$9,875
Volunteers in Action	\$ 200	\$ 200	\$ 200
West Central Services	\$2,310	\$2,310	\$2,310
Total	\$19,785	\$20,535	\$20,535

The Plainfield History Account
Administered by the Philip Read Memorial and the Meriden Library
January 1, 2011-December 31, 2011

Choice White Pines and Good Land: A History of Plainfield and Meriden, New Hampshire, published in 1991, continues to sell well. The libraries are in charge of selling, marketing, storing, and shipping the books. The cost is \$45; they are available at the town office, the Philip Read Memorial Library and the Meriden Library.

At Town Meeting 2000, a warrant article was passed authorizing the establishment of a capital reserve fund called the Plainfield History Fund. The fund was established with money from this Plainfield History account and, periodically, funds from sales are transferred to the capital reserve. Eventually, the Plainfield History Fund will be used to underwrite the cost of writing the next volume of Plainfield’s history. See the Trustee of Trust Funds report for the balance of this fund.

Financial Report	
Balance January 1	\$2,068.40

	\$1,900.00
Balance December 31	\$400.42

Submitted: *Nancy Norwalk*, Co-Editor

KIMBALL UNION ACADEMY STUDY COMMITTEE

The charge of this committee is to meet with representatives of the Kimball Union Academy (KUA) administration and maintain an ongoing review of the relationship between the academy and the town, and to report its findings at annual town meeting. There are no absolute, correct answers in predicting future Plainfield student enrollment at KUA. The committee has provided the voters of Plainfield the best information it can on the Plainfield/KUA relationship so that voters can make their own decision on this complex issue. The committee is in full agreement that a strong, positive relationship between the town and the academy is in both entities' best interest; and that more local students attending the private school is more desirable than fewer students. Based on its work this year, the committee is unanimous in its feeling that the optional exemption should not be reduced below the 80% level approved in 2011. This year's committee held eight meetings between May 2011 and January 2012.

Summary of the Committee's Findings:

The committee discussed many topics including: increasing the awareness of KUA as an affordable educational alternative for the students of Plainfield families, KUA lighting its crosswalks on Main Street, examination of various alternatives to the current tax exemption, opportunities for Plainfield elementary students to participate (after normal school hours) in KUA classrooms and being introduced to various subjects by KUA teachers. Additionally, the committee invited Police Chief, Paul Roberts for a report on the relationship of town police and the KUA community. Michael Schafer, Head of School, attended a meeting to update the committee regarding present projects and future plans of KUA.

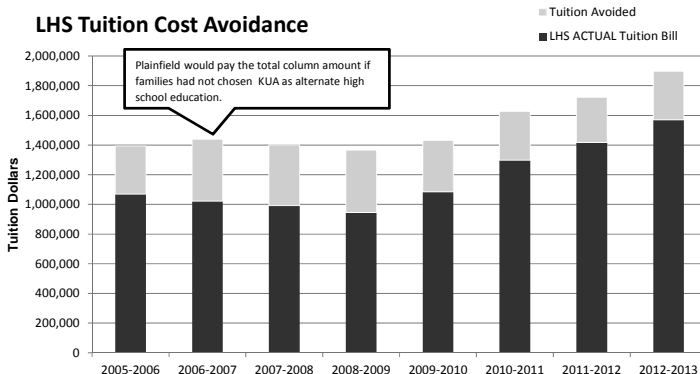

Based on all that your committee was able to learn and discuss, the committee supports the granting of no less than an 80% tax exemption this year. ***The percentage of this exemption may vary in future years if the declining enrollment at the elementary school results in a corresponding reduction in the number of Plainfield students enrolling at KUA. If this trend continues, the need to discuss the merits of a partial exemption will receive close examination by the committee each successive year.***

Your committee finds it is prudent to continue to encourage Plainfield students to consider KUA as an option. Historically, having compiled data in past town reports, Plainfield's relationship with KUA results in a *lower tax rate* for Plainfield residents than the rate would be if this relationship did not exist. (See the following column chart.)

Since Kimball Union installs, pays for and maintains the streetlights on Main Street, they have, at the town's request, increased the brightness of the lighting at the crosswalks. This request was made for safety reasons. The Energy Committee, KUA Study Committee, Highway Department and the Police Department participated in the decision to request that KUA enhance Main Street's lighting.

KUA Tax Abatement 2011 and Financial Aid After accounting for some assessing changes in 2011, KUA dormitory, dining hall and kitchen properties were valued at \$7,123,375. RSA72:23 provides for a \$150,000 tax exemption on these properties. Additionally, the voters of Plainfield approved an 80% optional exemption for these properties (80% equates to a \$5,580,300 abatement) resulting in \$133,090 in forgiven taxes. The realities of declining elementary school enrollment, rising property taxes, and the increased value of the exemption will continue to require your committee to annually evaluate the percentage for any proposed optional exemption.

- During the 20011/12 academic year, KUA provided \$270,200 in financial aid to Plainfield students attending KUA. **This aid exceeded the tax abatement last year by \$113,300.**
- In 2011, KUA adopted an exclusively need-based distribution policy. Instead of all families receiving at-least minimum financial aid, qualifying families with demonstrated need received aid.
- While recognizing that KUA has no obligation to return the tax abatement money to the community, your committee supports the continuation of a need-based distribution of local financial aid provided by the academy.
- **KUA remains Plainfield's largest employer** More than 30 KUA employees, making up some 29 Plainfield off-campus households, own homes and pay Plainfield property taxes.
- 1. **KUA is the Town's largest taxpayer.** In 2011 KUA paid \$88,977 in local property taxes.
- **Plainfield Students**
 - Twenty-three (23) Plainfield students (exclusive of students of faculty families) currently attend the academy (see "Tuition:" below)
 - Six (6) Plainfield seniors will graduate KUA in the coming spring
 - Three to seven (3-7) Plainfield eighth graders are expected to begin attending KUA for the 2012-2013 school year
- **Tuitions: Kimball Union Academy (KUA) and Lebanon High School (LHS)**
 - KUA day-student tuition will be \$29,925 for the next (2012-2013) academic year
 - LHS tuition for Plainfield students this year is \$13,600 per student.
 - The 2011-2012 PES tuition budget would have been \$312,800 higher if the 23 Plainfield students had not chosen KUA as an alternative education to LHS.
 - The Plainfield School Board anticipates 103 Plainfield students attending LHS next school year. That is \$1,400,800 designated in the school's budget for tuition.
 - Since 1998, the average LHS tuition cost avoided has been \$303,000 per year (see chart below)
 - Plainfield does not pay any portion of the KUA tuition for local students.
 - The KUA administration has again, in an effort to alleviate uncertainty, agreed to guarantee that at least three (3) local students from the eighth grade will attend the academy. If not, the academy will reimburse the school district the cost of the difference in the LHS per-student tuition.

2. How does the Town of Plainfield benefit from Kimball Union Academy?

- Access to the following facilities : skating rink, cross-country ski trails, tennis courts, free admission for Plainfield residents to most KUA plays and concerts, athletic fields and track, meeting rooms with advanced approval, soccer fields where our elementary school holds its annual soccer tournament under the lights on a Sunday (the only time the field lights are used on a Sunday), church and PES School Board retreats, softball field, graduation, gymnasiums
- Annual Energy Expo sponsored by towns of Plainfield and Cornish
- Annual PES Seventh Grade Auction
- Annual Seniors' luncheon in KUA Dining Hall
- Annual Wild Game Dinner in KUA Dining Hall
- Day care/kindergarten open to local residents as well as KUA faculty families
- Emergency Management Site for disaster recovery
- Fire Brigade where KUA students and faculty participate with town's volunteer firefighters
- Plainfield Elementary School (PES) benefits from lower electric rates because KUA includes our school's usage in their negotiations for lower electric rates

Residents are encouraged to visit the town's web site and follow the "KUA Invites You link" for an up to date listing of events and happenings open to the public.

Access times and directions to KUA facilities for Plainfield residents are available on the KUA website www.kua.org

• How does Kimball Union Academy Benefit from the Town of Plainfield?

- The Plainfield Community has a history of solid support for Kimball Union Academy and its educational mission. This support is evidenced by the annual vote granting an optional tax abatement or exemption.
- Plainfield community members work on joint projects with the academy.

- Plainfield Elementary School as an excellent education option for children of faculty.
 - Fifteen (15) KUA faculty-children (living on campus) and attend PES.
- Plainfield Elementary School as an academic source for some of KUA's most well-rounded students.
- Full-time municipal staffed building with supported Planning and Zoning offices helps to facilitate efficient local approvals for KUA's various campus projects.
- Full-time Police Department to assist with student and staff issues.
- Access to two local fire departments, with six, in-town firefighting vehicles.
- Plainfield's strong commitment to conservation and set-aside land projects. A vast public trail network provides ample outdoor recreational opportunities for KUA students and faculty.
- Plainfield's continued commitment to rural zoning maintains the rural agricultural-based environment that is touted in KUA's marketing.

- **Streetlights**

At the request of the town's Select Board, your committee discussed the night-time safety of the crosswalks on Main Street. The Select Board has received numerous concerns from residents about the limited visibility when students are crossing the roadway during night-time conditions. Kimball Union has agreed to enhance the streetlights along Main Street. Kimball Union assumed the responsibility for these lights some years ago as part of a campus-wide lighting project approved by the Plainfield Planning Board.

- **Meriden Post Office**

The USPS has recommended closure of over 3,500 rural post offices throughout the nation. We are extremely fortunate that KUA has now renewed the lease for the Meriden Post Office, which should guarantee the post office stays in Meriden for the next five years, with an option to renew for an additional five years.

Respectfully Submitted,

John Yacavone-Chair, Shelley Andrews, Eric Brann, Betsy Duany, Myra Ferguson-PES School Board, Jim Gray-KUA, Steve Halleran-Town Administrator, Robyn Hadlock, Rob Hewett, Joe Williams-KUA.

Plainfield KUA Committee 2011/12

ENERGY COMMITTEE- 2011

A highlight of 2011 was the Upper Valley Energy Expo, produced by the Town of Plainfield Energy Committee. On Saturday, January 29, 2011 our Elementary School was a scene of high energy and interest as our second expo got underway.

The focus of the day for most participants was the schedule of workshops on a range of subjects, from biofuels to weatherization. Lee Lynd, a Plainfield resident, Professor of Engineering at Dartmouth's Thayer School and a founder of the Mascoma Corporation, gave a keynote address to an enthusiastic crowd outlining his perspectives on the necessary transition to sustainable energy.

Other speakers included Mike Higgins and Allan Ferguson of the Plainfield School Facilities Committee, who described the dramatic energy-saving changes to some of the school classrooms; Bob Walker of SERG who provided a popular "Button Up"

workshop; Kim Quirk of the Enfield Energy Emporium who spoke about her retrofit of an historic property; Paul Leveille and Dick Henry of the Jordan Institute who provided a session on green building; Bill Cable of Cornish who spoke about his own on- and off-grid solar and wind systems; and Ted Emerson of South Face Design Build, who focused on solar thermal systems.

The gym was home to exhibits which included vendors of weatherization and renewable energy products, as well as non-profit and governmental groups with information on planning, transportation, building, and community energy challenges, and local energy and transition town committees.

Finally, Plainfield Elementary School students provided food and bike blender smoothies for this event, adding to the community spirit.

During the summer and early fall, the Energy Committee promoted and sold raffle tickets for a free home energy “audit” or assessment. Bill and Liz Taylor bought some chances and won the raffle and their home energy audit was performed on November 22 by Will Davis of Radiant Energy. Other prizes included a cord of wood and energy efficient light bulbs, both generously donated by the Rogers Family.

During the fall, the Energy Committee helped to promote a Green Buildings Tour which was coordinated by the New England Sustainable Energy Association (NESEA) and held on October 1, 2011. Local participants included Townline Equipment, which showcased its photovoltaic array, and Dave and Sue Taylor, who provided a tour of their innovative and energy efficient home on Freeman Road.

The Plainfield Library and the Town Garage are among a group of buildings in New Hampshire chosen for demonstration audits by the NH-LAX program. Both have gone through intense inspections and at the time of this writing we are awaiting the reports which will be available to the Town and the subject of an open meeting in the spring of 2012.

The Energy Committee has also taken advantage of services offered by the Energy Technical Assistance and Planning program (ETAP), which helps us track the energy use of our municipal buildings. We are still in the process of collecting and entering data and hope to have some useful tools for town planning in the near future. Our ETAP enrollment provided a free energy audit of the Town Office and Police Station. Results of this assessment are expected by February, 2012.

Members of your Energy Committee will be mapping the town streetlights and discussing options with our multiple utilities to determine whether our current configuration represents the best use of the town’s energy dollars. If you have concerns or comments about light placement, timing, brightness or any other related issues, please let us know.

As always, the Energy Committee welcomes ideas for projects, reports of successful energy conservation efforts, questions about products, services, funding, etc.- and especially new members! For further details about our activities and mission, please see our pages on the Town website.

Nancy Magielnicki, Chair

SENATOR MATTHEW HOUDE

January 21, 2012

I hope everyone is keeping warm this chilly winter! By the time this legislative update is available to read in the Plainfield Annual Report we will be roughly half way through the 2012 legislative session in Concord. And while much of 2011 focused on the budget and its implications for municipalities (end of the state's contribution toward local retirement costs), education (over 40% reduction in the state's contribution to higher ed), and social services (cuts to funding levels for many programs and services), other significant legislation passed as well, including dramatic changes to the state's retirement system. This session we are likely to see efforts to deal with education funding through a constitutional amendment (again), social issues (un-funding of Planned Parenthood and an effort to repeal same-sex marriage), and more gun issues!

In the past 5+ years I have represented Plainfield, first in the House and now in the Senate, I have tried to avoid being too partisan in my legislative updates. After-all, while I am a Democrat, I represent all of the residents of Plainfield – and those of Senate District 5. For this update, I have collaborated with Rep. Foose from New London to bring you an assessment of where we are. You, of course, are the final judge.

In the 2010 campaigns, both Republicans and Democrats agreed that the State of New Hampshire needed to address the economy and jobs, improve investment in infrastructure, and avoid downshifting costs to cities and towns. There may have been disagreements on how best to address those issues, but there was general consensus on the issues. Both sides also agreed that the recession, coupled with the end of federal stimulus support, was going to result in a dramatic reduction of available revenue.

The election produced super-majorities for Republicans in both chambers. The choice of the majority last year was to cut, cut, and cut some more - including, at the last minute in the budget process, a cut to the tobacco tax. This year is the second year of the biennium and – notwithstanding last year's reductions in spending - we continue to struggle out of a recession. And while it is true New Hampshire has fared better than most other states, bills dealing with the issues of job creation, infrastructure improvement, or avoiding downshifting are, unfortunately, nowhere to be found. Instead the calendar for the House is full of bills designed to hinder implementation of the federal health care law, eliminate funding for Planned Parenthood, repeal same sex marriage, require picture identification to vote, bring back predatory payday and title loan lenders, and, of course, expand the use of firearms. And all of these efforts will make their way to the Senate, distracting the Legislature from the economic issues relevant to all in New Hampshire.

That said, some Democratic legislators continue to propose efforts for bi-partisan work that could prepare a new legislature for its efforts as it convenes in 2013. Here are some examples:

* A commission with members of the House and Senate, the executive branch and the various well-established groups that have as their mission the review of budgetary policy. In a hearing before the House Finance committee the author of the bill agreed that the results of the bill should be presented after the November election to reduce the political impact.

* Legislation that would try to quantify the connection between education and job growth. Since almost all members of the business community constantly advocate for a strong work force the bill's author has drawn the conclusion that, as it deals with a new budget in 2013, the legislature should be prepared to understand the relationship between subsidization of our technical colleges, our university system and our specialty schools like New Hampshire School of Law and the need for a newly constituted workforce that would support the business needs of the coming decades. If that relationship could be clarified outside of the rhetoric that attends each campaign season, the results and impact of our efforts would be significantly improved. And they would certainly suggest going in a different direction than a 40+% reduction in higher education funding, which was the action taken in last year's budget.

Many in the Legislature, including moderates in the Republican party, want to address the state's pressing needs but are forced to deal with an ideologically driven agenda that is not consistent with more centrist New Hampshire values - one typically committed to balancing the role of government with our citizens willingness and capacity to pay. New Hampshire has followed the latter path for decades under the leadership of both parties. That is how we built the New Hampshire Advantage.....and that is how we can sustain it.

Respectfully,

Matthew Houde

NH Senate-District 5

Matthew.houde@leg.state.nh.us

603-271-2118

REPORT OF THE FINANCE COMMITTEE

School Budget

General Position: The Plainfield School District has presented a budget that meets its stated goals as outlined during its deliberations. A line item review finds no egregious expenditures in meeting these goals. It is difficult to compare expenditures between years because of the change in grant money received. More noticeably, the budget represents an increase of 1.09% requested of taxpayers. Passage of all warrant articles, which the Finance Committee recommends, would result in an increase of 4.66% to the tax burden.

The town has been fortunate that medical insurance costs have not escalated. The school staff's usage of wellness programs has aided in keeping insurance cost increases low. However, it is unlikely to think that this trend will continue. The Finance Committee asks that the School Board and the school staff work diligently in determining a method to control insurance costs while attempting to maintain a similar service to what is provided today.

The Finance Committee is concerned with the continued increase to the special education budget, which is outpacing increases to regular education. State and federal mandates give the School Board little to no leeway in addressing this issue. The School District is

obligated to provide necessary services and they must budget accordingly. (See Article VI).

The Finance Committee notes that the pressures of declining enrollment, forecast to be a continuing trend, and increased fixed costs will enliven budget discussions next year.

Renovation Bond Article: The Finance Committee supports the bond article to complete the necessary building repairs and heating efficiency upgrades for the following reasons. First, with the final payment of the sprinkler bond coming off the books, the bond will have a neutral impact on the budget. Second, it is expected that this will be the last major bond article for some time. Third, the results from the first portion of the renovation show marked energy efficiency improvements. Fitting the 1973 wing with similar improvements will result in a reduced rate of energy costs, and in time will allow the school district to replace the existing boiler with a less costly and efficient model. Fourth, the cost of borrowing is at historically low levels. The Finance Committee would like to recognize the Facilities Committee for their efforts.

Contract Articles: The Finance Committee supports Articles IV and V, which cover the approval of the teacher and support staff contracts. With published inflation numbers coming in around 3.0%, the rise in salaries and benefits seems a reasonable increase.

Special Education and Tuition Fund: The Finance Committee supports Article VI, which would provide for an additional \$60,000 to be placed in the Special Education and Tuition Reserve Fund. The warrant article replaces funds which were spent on an unforeseen expense in the special education program. If the warrant passes, the fund will remain in the \$200,000 range. The finance committee agrees that the ~\$200,000 balance is acceptable based on current known conditions, but encourages the school board to continue to research the matter to verify their assumptions and if prudent adjust the Special Education Tuition Fund in future budgets to minimize impact to taxpayers.

Building Maintenance Reserve Fund Article: The Finance Committee supports Article VII. The reserve fund is intended to be used to cover future projects, such as boiler replacement and moisture mitigation. Funding the reserve fund helps to spread out the cost instead of shocking the taxpayers with a larger bill at the required time.

Capital Reserve Fund Article: The Finance Committee supports Article VIII. The purchase of the school van has saved the school district about twice as much as what it paid for the van had it contracted the service. Because special education transportation has more stringent safety standards, the van needs more regular replacement than a school bus might. It is anticipated that the school van will need replacement in two years. This funding will spread the cost out over the next three budget years.

It should be noted that Articles VII and VIII will be funded only if there is a surplus in the current budget. The school district anticipates this to be the case, and is working diligently to control costs. While the surplus is typically returned to the taxpayers, and typically a warrant article would represent additional tax increases, these articles are written to use existing surplus monies to fund the warrant articles. If there is no surplus, these articles would not be funded.

Town Budget

General Position: The consensus of the Finance Committee is that the budget appears reasonable for the amount of services covered by the town budget. The 2.5% increase to the budget generally reflects the increasing costs to maintain each service. The 3.6% increase in taxpayer burden is a reflection of a reduction in revenue from sources other than property taxes. Property owners should expect similar increases in future years in order to maintain the current services.

The Finance Committee reiterates its concern with the increase in the police budget, up 7.0% last year and 9.7% this year. The Finance Committee asks for more timely information regarding the amount of crime occurring in town.

Article III: The existing reserve funds help to spread the costs of expected expenses over a reasonable timeframe. The Revaluation Fund will mostly be spent this year, and the amount requested should cover this project's costs.

Without further guidance from the Library Trustees, the Finance Committee again requests the Select Board refrain from making any expenditures from the ADA Access Fund.

Article IV: The Finance Committee supports the replacement of the dump truck. The Select Board has worked with the Road Agent to establish a plan of replacing heavy equipment, and the 15-year-old dump truck has come due.

Articles V and VI: The Finance Committee supports both Gravel Pit Bond Articles. The expansion fund (Article V) should enable the town to keep its gravel supply costs significantly lower than other towns by avoiding purchase and hauling from an outside source. At some point, the gravel pit will not provide an adequate source of material, and thus will have to be closed. The Reclamation Fund (Article VI) sets aside money for that purpose.

Conclusion

There will be an approximately 4.5% increase to the taxpayer this year. The Finance Committee again asks the town to fully consider the level of service it desires. Unlike neighboring towns that have commercial centers, the tax burden falls mostly on the Plainfield resident. The Finance Committee encourages all residents to voice their opinions to the Select Board and School Board.

Respectfully Submitted, *Joe Bretton, Stephen Beau pre, Scott MacLeay, Jean Strong, Douglas Adams, Christine Danen*

MERIDEN VILLAGE WATER DISTRICT

2011 Operator's Report

At the end of 2010 the EPA visited the wastewater treatment facility in preparation for reissuing the expired discharge permit. We were told that we would be receiving a reduction in the frequency of effluent toxicity testing. This alone would have saved approximately \$ 7000/yr. Unfortunately the EPA never followed through with the new permit and there has been no communication with them since 2010. The New Hampshire Department of Environmental Services Wastewater Engineering Bureau conducted a compliance inspection of the wastewater treatment facility in October. This biannual inspection covers both facilities and laboratory procedures and record keeping. The headworks building was painted and received repairs to the T-111 siding. The laboratory/office building will be painted in 2012. The twenty nine year old stand-by generator at the treatment plant underwent a major repair during the fall. The headgasket was replaced due to several leaks that developed over the last several years.

The Commissioners decided to charge 1% interest per month on all accounts over 90 days. The percentage of accounts over 90 days remains low. The laboratory that had been performing all of our drinking water analysis from Manchester decided that it was not profitable to collect samples in this part of the state and we were forced to switch labs. We are currently using Endyne Environmental Laboratories in Lebanon. The Commissioners have been discussing several projects for possible funding from the district's capital reserve funds. The projects include the replacement of the oldest water main along Main St., the installation of individual water meters, and the purchase of a stand-by generator for the water system. Bill Taylor attended several water operator training seminars in Grantham, Sunapee, and Concord.

Respectfully submitted,

William S. Taylor , Certified Operator, Meriden Village Water District

Donald E. Garfield

Jeffrey S. Allbright

Nathanial Pierson

Commissioners, Meriden Village Water District

THE STATE OF NEW HAMPSHIRE

SULLIVAN, SS.

TOWN OF PLAINFIELD

To the inhabitants of the Town of Plainfield in the said county of Sullivan in said State, who are legal voters residing in the Meriden Village Water District, and qualified to vote in said District affairs:

You are hereby notified to meet at the Plainfield School in said Meriden Village Water District on Tuesday the twentieth day of March 2012 at 7:30 p.m. to act upon the following subjects:

ARTICLE I.

To choose the necessary District Officers for the ensuing year, or otherwise as the by-laws direct:

1. A moderator for one year.
2. A clerk for one year.
3. A commissioner for three years.
4. A treasurer for one year.
5. An auditor for one year.
6. Such other officers and agents as the voters may judge necessary for the managing of the District's affairs, or as may be directed by law to be chosen.

ARTICLE II. To see if the District will vote to raise and appropriate the sum of \$213,268 which represents the operating budget. Said sum does not include special or individual warrant articles addressed. The Commissioners recommend this appropriation. (Majority vote required)

ARTICLE III. To see what action the District will take with regard to the reports of the District officers.

ARTICLE IV. To see if the District will vote to raise and appropriate the sum of one thousand dollars (\$1,000) to be added to the Capital Reserve Fund created in 1993 for replacing or upgrading the water distribution system, pursuant to RSA35:1. The Commissioners recommend this appropriation. (Majority vote required).

ARTICLE V. To see if the District will vote to raise and appropriate the sum of five thousand dollars (\$5,000) to be added to the Capital Reserve Fund created in 1997 for the purpose of replacing or upgrading equipment on the wastewater treatment system, pursuant to RSA35:1. The Commissioners recommend this appropriation. (Majority vote required).

ARTICLE VI. To see what action the District will take with regard to water and sewer use charges.

ARTICLE VII. To enact any other business that may legally come before this meeting.

Given under our hands and seal this seventeenth day of January, 2012.

**MERIDEN VILLAGE WATER DISTRICT MEETING
MARCH 15, 2011**

At a legal meeting of the inhabitants of the Meriden Village Water District, in the town of Plainfield, County of Sullivan, State of New Hampshire, qualified to vote in District affairs, held at the Plainfield School on Tuesday the fifteenth of March 2011 at 7:30 p.m., the business was disposed of in the following manner:

The Annual Meeting of the Meriden Village Water District was called to order by Moderator Stephen Taylor.

ARTICLE I. The following resolution was offered, and it was moved and seconded that it be adopted:

RESOLVED: That the following slate of officers be elected:

Moderator for one year:	Stephen Taylor
Clerk for one year:	Roberta Garfield
Commissioner for three years:	Nathaniel Pierson
Treasurer for one year:	Donald Garfield
Auditor for one year:	Doris LeVarn

The vote was unanimous in the affirmative and the Moderator so declared it.

ARTICLE II. The following resolution was offered, and it was moved and seconded that it be adopted:

RESOLVED: That the District raise and appropriate the sum of \$209,714, which represents the operating budget. Said sum does not include special or individual warrant articles addressed.

It was unanimously voted in the affirmative and the Moderator so declared it.

ARTICLE III. The following resolution was offered and it was moved and seconded that it be adopted:

RESOLVED: That the reports of District Officers be accepted as printed in the Town of Plainfield 2010 Town Report; subject to corrections, and that a corrected copy be placed on file with the District Clerk.

It was unanimously voted in the affirmative and the Moderator so declared it.

ARTICLE IV. The following resolution was offered and it was moved and seconded that it be adopted:

RESOLVED: That the District vote to raise and appropriate the sum of one thousand dollars (\$1,000) to be added to the Capital Reserve Fund created in 1993 for replacing or upgrading the water distribution system, pursuant to RSA35:1.
It was unanimously voted in the affirmative and the Moderator so declared it.

ARTICLE V. The following resolution was offered and it was moved and seconded that it be adopted:

RESOLVED: That the District vote to raise and appropriate the sum of five thousand dollars (\$5,000) to be added to the Capital Reserve Fund created in 1997 for the purpose of replacing or upgrading equipment on the wastewater treatment system, pursuant to RSA35:1

It was unanimously voted in the affirmative and the Moderator so declared it

ARTICLE VI. The following resolution was offered and it was moved and seconded that it be adopted:

RESOLVED:

1. That District charges for residential sewer service remain at \$95 per quarter.
 2. That District charges for sewer service to Kimball Union Academy be increased from \$8,150 per month to \$8,400 per month.
 3. That District charges for sewer service to Plainfield Elementary School remain at \$500 per month.
 4. That District charges for residential water service remain at \$75 per quarter.
 5. That District charges for water service to Kimball Union Academy remain at \$4,800 per month.
- It was unanimously voted in the affirmative and the Moderator so declared it.

ARTICLE VII. Bill Taylor was commended for excellent performance as operator of the water and sewer departments. Donald Garfield was commended for serving as a commissioner for 37 years. There being no further business, the meeting was voted adjourned at 7:50 p.m.

Roberta I. Garfield, Clerk

PLAINFIELD VILLAGE WATER DISTRICT

Commissioners' Annual Report January 2011

The commissioners are pleased to report that 2011 came in under budget. Some of the savings resulted from lower costs, some from deferring maintenance, and some from payments being due at different times than in the past. While we always try to contain costs, we're not going to be able to come in as low in 2012.

Thanks to a new rule adopted by the Department of Revenue Administration the District is now required to have an auditor. The commissioners felt it was prudent to elect an auditor at the annual district meeting, even though we are under the limit where an elected auditor would be required. The position does not require a CPA, again due to the relatively small amount of money involved. The auditor's report will be available at the District meeting.

The district did not do a construction project during 2011. Instead the District took some time to get the District's paper drawings digitized, and to acquire the necessary equipment and software to view and update the drawing in the future. Some of the expenses for this project, which was authorized over two years, will be paid for in 2012.

Our pump controls caused us some problems during the year, with the first low pressure report in over 10 years due to a faulty telemetry transmitter. In the process of repairing the transmitter we also upgraded lightning protection. Recovering from the telemetry failure also allowed us to test simultaneous operation of both wells, something we hadn't tried since they were initially connected to the system. We are happy to report that we can pump at the full rate permitted for our well field. We completed installation of a transfer switch to allow operation of the system from a generator. Our experience in 2008 showed that with a full tank we could survive a six day power outage without pumping, but we can't count on either the initial tank level, or on the length of a possible future outage.

Collections, as always, are difficult. We received payment this year on almost all of our delinquent accounts that are still active water users. Our "accounts receivable" number represents about half "old debt" (more than 180 days) and about half accounts that are one billing period overdue. We will be looking to place our non-user delinquent accounts in line for property liens this year. An unexpected issue this year was the foreclosure of some properties. The District will receive payment for those when they are sold.

The DES grant program that has brought in about \$5500 a year for the last two years was funded for the 2011 fiscal year. Since this program, which would normally be expected to yield about \$5500, has been funded despite state budget cuts, we are returning it to the projected income for 2012. On the other hand, our bond principal has dropped to \$20,000 annually for the remaining 9 years of the bond. Since the rates we reduced in January 2010 brought in more than sufficient funds to meet the district's expenses in 2011, we plan a further rate reduction in 2012..

Our proposed 2012 project involves repairing and replacing several fire hydrants and flush points that have either given us mechanical trouble in the past, or are poorly located either with respect to maintenance or traffic. We plan to fund most of this from the fund balance, since we ran a surplus in 2011.

Large scale flushing operations seem to have brought our long-time sediment problem somewhat more under control, though we still see more of it than we would like to. More flushing is planned for 2012.

There is plenty of work for anyone interested in helping. Please contact one of the commissioners if you're looking for opportunities. In particular, we are looking for someone willing to serve as a commissioner.

The commissioners

Robert Drye
Henry Ingham
Ralph Patalano

**WARRANT
THE STATE OF NEW HAMPSHIRE
PLAINFIELD VILLAGE WATER DISTRICT
TOWN OF PLAINFIELD**

SULLIVAN. SS

To the inhabitants of the town of Plainfield in the said county of Sullivan in the said State, who are legal voters residing in the Plainfield Village Water District, and qualified to vote in said district affairs.

You are hereby notified to meet at the Plainfield Town Hall in said Plainfield Village Water District on **Saturday the 31st of March 2012 at 10:00 a.m.**, to act upon the following subjects.

ARTICLE I. To choose the necessary District Officers for the ensuing year or otherwise.

1. A moderator for one year.
2. A clerk for one year
3. A commissioner for three years
4. A treasurer for one year
5. An auditor for one year

ARTICLE II. To see what action the district will take with regard to the reports of the district officers.

ARTICLE III. To see if the District will vote to raise and appropriate the sum of **\$55,560** to defray district expenses, and to authorize the Commissioners to direct disbursements of funds by the District Treasurer. Said sum does not include special warrant articles assessed. (Majority vote required for passage.) (The Commissioners recommend passage of this article.)

ARTICLE IV. To see if the district will vote to raise and appropriate the sum of **\$10,000** for the purpose of moving and replacing two existing fire hydrants, and replacing two flushing valves with fire hydrants. This will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until the project is completed or December 31, 2013, whichever is sooner, and to authorize funds for this purpose to come from the fund

balance. (Majority vote required for passage.) (The Commissioners recommend passage of this article.)

ARTICLE V. To transact any other business that may legally come before this meeting.

Given under our hands and seal this 28th day of February in the year of our Lord, Two Thousand Twelve.

At true copy attest:

Robert Drye

Henry Ingham

Ralph Patalano

**MEETING MINUTES
THE STATE OF NEW HAMPSHIRE
PLAINFIELD VILLAGE WATER DISTRICT
TOWN OF PLAINFIELD
March 26, 2011**

Moderator Jeff Moore opened the meeting at 10:00 a.m.. He stated that the required warning and forms had been posted to allow for a legal meeting. A motion to dispense with the reading of the warrant was offered by Sarah Gillens and seconded by Henry Ingham. A voice vote was taken and the motion to dispense with the reading of the warrant passed.

Moderator Jeff Moore read Article I. He then called for the election of officers as prescribed in the warrant:

Rob Drye moved and Henry Ingham seconded a motion that Jeff Moore be nominated for moderator for one year. Rob Drye moved and Sarah Gillens seconded a motion that the clerk cast one ballot for Jeff Moore for moderator for one year. The motioned passed unanimously by voice vote.

Ralph Patalano moved and Sarah Gillens seconded a motion that Margaret Drye be nominated as clerk for one year. Ralph Patalano moved and Rob Drye seconded a motion that the clerk cast one ballot for Margaret Drye for clerk for one year. The motion passed by unanimous voice vote.

Rob Drye moved and Henry Ingham seconded a motion that Ralph Patalano be nominated as commissioner for three years. Rob Drye moved and Sarah Gillens seconded a motion that the clerk cast one ballot for Ralph Patalano for commissioner for three years. The motion passed by unanimous voice vote.

Robert Drye moved and Henry Ingham seconded a motion that Sarah Gillens be nominated as treasurer for one year. Rob Drye moved and Henry Ingham seconded a motion that the clerk cast one ballot for Sarah Gillens as treasurer for one year. The motion passed by unanimous vice vote.

Rob Drye moved and Ralph Patalano seconded a motion that Laurie Atwater be nominated as auditor for one year. Rob Drye moved and Henry Ingham seconded a motion that the clerk cast one ballot for Laurie Atwater for auditor for one year. The motion passed by unanimous voice vote.

Moderator Jeff Moore read Article II.

The following motion was offered by Ralph Patalano and seconded by Rob Drye:

Resolved, that the District accept the reports of District officers as published in the Plainfield Town Report for 2010 on pages 92 through 102, subject to corrections.

Commissioner Drye pointed out that the position of auditor was not required in 2010. Because we missed the deadline for a waiver for this year, we will comply with the

requirement by having a locally elected auditor for one year. We meet the criteria for a waiver and will file for one for next year. We will have an audit for 2011.

NOTE: The trust fund balance is found on page 69 of the 2010 Annual Report.

The motion passed unanimously by voice vote.

Moderator Jeff Moore read Article III.

The following motion was offered by Rob Drye and seconded by Ralph Patalano:

Resolved, that the District raise and appropriate the sum of **\$59,090** to defray district expenses, and to authorize the Commissioners to direct disbursements of funds by the District Treasurer. Said sum does not include special warrant articles assessed.

Commissioner Drye noted that the District has few changes in the budget this year and expects about the same income. We have dropped the hydrant fee to the town, and budgeted \$250 for the audit; all other budget items are flat. Some items were adjusted to reflect current costs (electricity, propane, phone) and our operations labor costs were lower while operations supplies were up. We will need to do radiologic and arsenic tests this year. We have \$180,000 left in our bond and do not plan to add to the maintenance fund this year.

The Moderator then called for a voice vote . The motion passed unanimously.

Moderator Jeff Moore read Article IV.

The following motion was offered by Ralph Patalano and seconded by Rob Drye:

Resolved, that the District raise and appropriate the sum of **\$5000** for the purpose of converting District construction drawings and records to electronic format, including purchase of software for reading said drawings. This will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until the project is completed or December 31, 2012, whichever is sooner, and to authorize funds for this purpose to come from the fund balance.

Rob Drye moved and Ralph Patalano seconded a motion to amend the article to add “and necessary hardware” after the word ‘software.’ The amendment passed unanimously by voice vote.

The Moderator asked for a voice vote on the main motion, as amended. The motion passed unanimously by voice vote.

Moderator Jeff Moore read Article V.

Moderator Jeff Moore swore in the elected officers.

A motion to adjourn was offered by Rob Drye and seconded by Sarah Gillens. A voice vote was taken. Moderator Jeff Moore declared the meeting adjourned at 10:24 a.m.

Respectfully submitted,

Margaret Drye, Clerk

**PLAINFIELD SCHOOL DISTRICT
WARRANT
STATE OF NEW HAMPSHIRE**

Sullivan, ss: School District of Plainfield

To the inhabitants of the School District of Plainfield, in the County of Sullivan and State of New Hampshire, qualified to vote in District affairs:

You are hereby notified to meet at the Plainfield Elementary School in the Village of Meriden in said Plainfield, New Hampshire, on Saturday, the tenth day of March, 2012, at 10:00 a.m. to act on the following subjects:

Article I. To see what action the District will take with respect to reports of District officers.

Article II. To see if the District will vote to raise and appropriate the sum of \$575,000 for Building Renovations and to authorize the issuance of \$575,000 by the issue of bonds or notes of the School District in accordance with the provisions of the Municipal Finance Act (RSA Ch. 33) and to raise and appropriate up to the sum of \$11,460.07 for the purpose of payment for the first year interest payment on the bond. (The School Board recommends this appropriation.) (2/3 ballot vote required.)

Article III. To see if the District will vote to raise and appropriate the sum of \$5,799,985 for the support of schools, for payment of salaries to school district officials and agents, and for the payments of the statutory obligations of the District for the 2012-2013 fiscal year. (The School Board recommends this appropriation.)

Article IV. To see if the District will vote to approve the cost items included in the two-year collective bargaining agreement reached during good faith negotiations between the Plainfield School Board and the Plainfield Education Association, which calls for the following increase in teacher salaries and benefits

Year	Estimated Increase
2012-2013	<u>\$75,539</u>
2013-2014	<u>\$76,424</u>

And further to see if the District will vote to raise and appropriate the sum of \$75,539 (seventy five thousand, five hundred thirty nine dollars) for the 2012-2013 fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits over those of the appropriation at current staffing levels paid in the

prior fiscal year. (The School Board recommends this appropriation.)

Article V. To see if the District will vote to approve the cost items included in the two-year collective bargaining agreement reached during good faith negotiations between the Plainfield School Board and the Plainfield Support Staff Association, which calls for the following increase in support staff salaries and benefits:

Year	Estimated Increase
2012-2013	<u>\$ 24,061</u>
2013-2014	<u>\$ 21,107</u>

And further to see if the District will vote to raise and appropriate the sum of \$24,061 (twenty four thousand sixty-one dollars) for the 2012-2013 fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits over those of the appropriation at current staffing levels paid in the prior fiscal year. (The School Board recommends this appropriation.)

Article VI. To see if the District will vote to raise and appropriate the sum of \$60,000 (sixty thousand dollars) to be placed in the Special Education and Tuition Reserve Fund created in 2000 pursuant to RSA 35:1-c, for the purpose of either special education expenses or tuition expenses or both. (The School Board recommends this appropriation.)

Article VII. To see if the District will vote to raise and appropriate up to \$15,000 (fifteen thousand dollars), with such amount to be funded from the year end undesignated fund balance available on July 1, to be placed in the Building Maintenance Reserve Fund created in 1997 pursuant to RSA 35:1-c for the purpose of repairs, maintenance, and/or renovations to the Plainfield Elementary School facility. (The School Board recommends this action.)

Article VIII. To see if the District will vote to raise and appropriate up to \$15,000 (fifteen thousand dollars), with such amount to be funded from the year end undesignated fund balance available on July 1, for the creation of a Capital Reserve Fund pursuant to RSA 35:1,II for the purpose of acquiring a Special Education Van , and to name the School Board as agents to expend from this fund for that purpose. (The School Board recommends this action.)

Article IX. To see if the District will vote to instruct the moderator to appoint a finance committee (advisory only) of six Plainfield residents to advise the School Board in the area of the School District Budget. (The School Board recommends this action.)

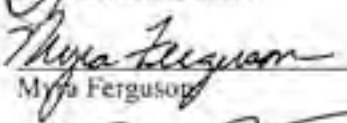

Article X.

To transact any other business that may legally come before this meeting.

(NOTE: Election of School District officials will take place at the same time and place as election of town officials on Tuesday, March 13, 2012).

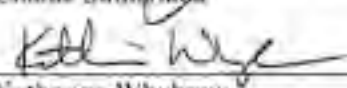

Given under our hands at said Plainfield this 26th day of January, 2012.

Plainfield School Board

**Plainfield School District
Minutes
Annual Meeting – March 4, 2011**

At a legal meeting of the voters of the School District of Plainfield, Moderator Stephen H. Taylor called the meeting to order at 6:37PM on Friday, March 4, 2011, at the Plainfield School in the Village of Meriden in said Plainfield.

Attendees recited the Pledge of Allegiance.

The Moderator introduced the Clerk, School Board, Legal Counsel (Attorney Cappy Nunlist), and Professional Staff (Superintendent Noelle Vitt, Principal Ellen Langsner, and Special Education Director Nancy Brogden, School Finance -Beth Bierwirth)

The Moderator explained the rules of the meeting and read the statement by Stephanie Trout Berman, Clerk of the School District of Plainfield, NH, that hereby certifies that on the 8th day of February, 2011, the posting of the true and attested copy of the within warrant at the Plainfield School, the Meriden Town Hall, said locations being public places within the district. Notarized by Beth Bierwirth on February 8, 2011, Notary Public.

Six Announcements were made during the meeting:

1) Betty Ann Heistad- Is retiring after teaching First Grade for twenty-six years in our Plainfield school. Betty Ann began her tenure as the art teacher, and then she became a first grade teacher and has taught our children's children over those 26 years. Thank you, Betty Ann, for the smiles, caring, passion, and dedication . . . enjoy your retirement and we all wish you the best!

2) Doug Cogan- Doug has been a dedicated Board member for 6 years. He did a wonderful job working on facilities committee. He was dedicated to not only being a good steward of the school but to ensuring that PES is place where great teachers want to come and work. He will be missed.

3) Nancy Brogden-Nancy is retiring as Plainfield's Special Education Director. Her leadership and expertise has given us grant monies, judicial court representation, interpretations of complex rules and regulations, staff mentoring. We thank you, Nancy, for your 13 years of dedicated, gentle guidance and competent leadership. We'll miss you and wish you the best that retirement can offer you.

4)Linda Oidtmann-Linda has been a special education teacher in Plainfield for eleven years of dedicated service. Linda is a perfectionist. Special education requires hours and hours of paperwork away from actual face-to-face teaching. Your colleagues call you a caring, giving teacher—a role model and mentor. Thank you, Linda, for all you have given us and enjoy your retirement.

5) Noelle Vitt- Noelle joined Plainfield's Elementary School three years ago and brought passion, energy, and a new voice to the position of Superintendent. Noelle encouraged all of us to call her at home, on her cell phone, and through email. Thank you, Noelle, for your energy, your knowledge, your tenacity, your availability . . . and so much more. All of us wish you the best in the future in all your endeavors.

6) Stephen H. Taylor- Mr. Moderator was recognized by the Board, after the Budget /Article II discussion and vote was taken. A Proclamation was read into the record by Board member Cogan, which spoke to the Moderator's 28 years of service as School Moderator. Steve Taylor has read 750 Warrants, had >500 hours of Town Debate, has had >300 hours of recognizing faces and names and supervising and having superior command and making all feel comfortable with speaking at/attending the School District Meetings. By Vote of voice it was in the affirmative that the Gymnasium name be changed to the Stephen H. Taylor Gymnasium and Town Meeting Hall. All in favor-the "Ayes" had it! A standing ovation occurred. Thank you Steve for you hard work and total dedication to our town. *See Addendum for a copy of the Proclamation.

The Moderator then read the Certification of Posting and Certification of the Checklist, noting that 1543 names were listed on the Checklist. Exits were pointed out for all to note.

A motion was made by Paul Franklin and seconded by Boone Rondeau to dispense with the reading of the entire warrant. The vote by voice was in the affirmative.

ARTICLE I: The following resolution was offered, moved and seconded that it be adopted.

Resolved: That the District accepts the reports of Agents, Auditors, Committees, and other officers as printed in the annual report.

The vote by voice was in the affirmative and it was so declared.

ARTICLE II The following resolution was offered, moved and seconded that it be adopted.

Resolved: To see if the District will vote to raise and appropriate the sum of \$6,046,824 for the support of schools, for payment of salaries to school district officials and agents, and for the payments of the statutory obligations of the District for the 2011-2012 fiscal year. (The School Board recommends this appropriation.)

A motion to open the floor to debate and discussion was offered. Chris Forman took the floor and began explaining 1)-OEP Grant-(Office of Energy Planning) for \$275,000 for making the school more energy efficient. The Facilities Committee was recognized for all their hard work. 2)-School District Meetings will be on the voting ballot for next year to make it final as to either Friday evening meetings or Saturday meetings/and to make this official by vote. 3)-Budget discussion started with the facts of a triple threat: declining enrollment at PES, increase LHS enrollment and decreased State and Federal funding. An overhead projector and 7-page handout assisted with Chairman Forman and Board Member Myra Ferguson's explanations about the budget.

Questions and short discussions followed.

The vote for Article II by secret ballot resulted in:

NO 80

The vote was in the affirmative, the resolution adopted, and it was so declared.

ARTICLE III: The following resolution was offered, moved and seconded that it be adopted.

Resolved: To see if the District will approve the A.R.E.A. agreement with Lebanon and Grantham, according to RSA 195:4; said agreement having been approved by the NH Department of Education, the Plainfield School Board, the Grantham School Board, and the Lebanon School Board. (The School Board recommends this article.)

The A.R.E.A. agreement uses a 3 year average to calculate tuition costs = (2 years of actual cost and 1 projected year of cost), documents a transparent calculation process and establishes a CAP on tuition increases (0.8% in 11/12). When approved it must be in enforcement for at least 3 years before it can be amended again. *(Unless there is an increase of 10% or more -then the agreement can be opened and not binding and would need to be discussed further) PES and Grantham have approved this (after our vote Friday) and Lebanon is still pending their Town Meeting vote as of this publication.

Discussion was very thoughtful and good questions were asked and then answered by the school board.

Vote by secret ballot on Article III resulted in:

NO 10

The vote was in the affirmative, the resolution adopted, and it was so declared.

ARTICLE IV: The following resolution was offered, moved and seconded that it be adopted.

Resolved: To see if the District will vote to raise and appropriate the sum of \$40,000 (forty thousand dollars) to be placed in the Special Education and Tuition Reserve Fund created in 2000 pursuant to RSA 35:1-C, for the purpose of either special education expenses or tuition expenses or both. (The School Board recommends this appropriation.)

Discussion occurred and the public felt that the sum in the Tuition Reserve Fund was appropriate for now and by voting this down, it would give the voters some relief.

The vote by secret ballot on Article IV resulted in:

NO 110

The vote was in the negative, the amendment was lost and it was so declared. .

ARTICLE V: The following resolution was offered, moved and seconded that it be adopted.

Resolved: To see if the District will vote to raise and appropriate up to \$35,000 (thirty five thousand dollars), with such amount to be funded from the year end undesignated fund balance available on July 1, to be placed in the Building Maintenance Reserve Fund created in 1997 pursuant to RSA 35:1-c, for the purpose of repairs, maintenance, and/or renovations to the Plainfield Elementary School facility. (The School Board recommends this appropriation.)

Discussion occurred. The school received a National Grid rebate amount of \$35,000. Explanations by the Facilities Committee confirmed that this rebate would help supplement the \$275,000 grant that was awarded to the Town and School District from the Energy Efficiency & Conservation Block Grant through the NH Office of Energy and Planning. This \$35,000 rebate will help the next phase of renovations. This is a return on our investment from energy saved. Please see the 2010-Town Report (page 132) for details on the Facilities Report.

The vote by secret ballot for Article V resulted in:

YES	153	NO	25
------------	------------	-----------	-----------

The vote was in the affirmative, the resolution adopted and it was so declared.

ARTICLE VI: The following resolution was offered, moved and seconded that it be adopted.

Resolved: To see if the District will vote to raise and appropriate \$20,000 (twenty thousand dollars) to be placed in the Building Maintenance Reserve Fund created in 1997 created pursuant to RSA 35:1-c for the purpose of repairs, maintenance, and/or renovations to the Plainfield Elementary School facility. (The School Board recommends this action.)

Short discussion ensued.

The vote by secret ballot for Article VI resulted in:

YES	121	NO	47
------------	------------	-----------	-----------

The vote was in the affirmative, the resolution adopted and it was so declared.

ARTICLE VII: The following resolution was offered, moved and seconded that it be adopted.

Resolved: To see if the District will vote to instruct the moderator to appoint a finance committee (advisory only) of six Plainfield residents to advise the School Board in the area of the School District Budget. (The School Board recommends this action.)

The vote by voice for Article VII resulted in:

“**AYE**” all

“No” none

The vote was in the affirmative, the resolution adopted and it was so declared.

ARTICLE VIII: The following resolution was offered, moved and seconded that it be adopted.

Resolved: To transact any other business that may come before this meeting.

No other business was brought to the meeting.

A vote by voice was taken and the "Aye's" ruled.

Moderator Stephen H.Taylor adjourned the School District meeting at 9:15PM.
Thank you Mr. Moderator for 28 years of service!

Respectfully submitted,
Stephanie Trout Berman
Plainfield School District Clerk

Sophie Longacre

ADDENDUM TO DISTRICT MINUTES

*Stephen H. Taylor
Plainfield Moderator*

Whereas Stephen H. Taylor has served as the distinguished moderator for the Town of Plainfield for 28 years (1983-2011);

Whereas he has presided over more than 750 warrant articles and 500 hours of town debate on weighty civil matters affecting our Plainfield School and community;

Whereas he has stood as observer for more than 300 hours to certify and declare the elections of scores of Plainfield School board members and hundreds of town elected officials;

Whereas he has enlisted hundreds of other Plainfield citizens to volunteer their time on town committees and trusteeships;

Whereas his ability to recognize faces and call on people by name at town meetings is a true gift that makes all feel welcome;

Whereas his supreme command of parliamentary procedure focuses debate, soothes tensions, allows all voices to be heard, and for votes to be cast in a timely and civil manner;

Whereas his masterful orchestration of these meetings causes those who gather with differing opinions and votes to leave as friends and neighbors, and take pride living in our community;

*Therefore be it resolved that the Plainfield School Gymnasium—where these town assemblies take place—hereby be renamed:
Stephen H. Taylor Gymnasium and Plainfield Town Meeting Hall;*

And that it be further resolved that in this place Roberts' Rules of Order shall hereby be renamed and forever replaced by:

Taylor's Rules of Order

PLAINFIELD SCHOOL DISTRICT MINUTES
ELECTION MEETING – MARCH 8, 2011

The election of School District officials took place at the same time and place as the election of Town officials on Tuesday, March 8, 2011. A motion was moved and seconded to move the voting from PES to Meriden Town Hall due to weather and power outage in the Village of Meriden, in said Plainfield, NH. Moderator Stephen H. Taylor declared the meeting open at 8:15 AM and read the School District Warrant and certification of posting provided by the School District Clerk. The ballot boxes were determined empty.

The polls closed at 7:00 PM.

ARTICLE I: Balloting results were as follows:

For School District Moderator (1 Year):

	Paul Franklin	181
	Write in:	
	Stephen Taylor had one vote	
Elected:	Paul Franklin	

For School district Clerk (1 Year):

	Michelle Marsh	180
	Write in:	
	No votes	
Elected:	Michelle Marsh	

For School District Treasurer (1 Year):

	Jeffrey C. Moore	178
	Write in:	
	Sarah Brooks Governo, one vote	
Elected:	Jeffrey C. Moore	

For School Board (3 Years):

	Katherine Whybrow	177
	Write in:	
	Eric Brann, Dennis Giroard, one vote each	
Elected:	Katherine Whybrow	

Paul Franklin and Michelle Marsh were sworn into office on this date and time.

The meeting adjourned at 8:15 PM.

Respectfully submitted,

Stephanie Trout Berman

Plainfield School District Clerk

ADMINISTRATIVE REPORT

Superintendent's Report

As I embarked upon my first year as Superintendent of the Plainfield School District, I approached the position with both pride and excitement. I was very proud to be selected as the new Superintendent for the district and I looked forward to being able to continue the fine leadership which the district has enjoyed over the years. At the same time, I was excited about the possibilities which lay ahead of me in my tenure in the role. I already knew that the Plainfield community was extremely proud of its school system and the accomplishments of its students. Likewise I knew that the community has been very strong in its support for the school in the past, boasting one of the largest groups of volunteers I have seen in my experience as Superintendent, even when compared with several larger school districts. It only confirmed in my mind that the decision to accept the position was the right one for me. The enthusiastic reception I have received from the Board, the staff and the community also endorses my decision. I am truly grateful for the very warm welcome I have received.

During these first few months on the job I have come to know many residents of the community as well as work with a terrific staff and School Board. The Board and I had a very productive retreat during the summer which led to the development of the Board goals for the year. These included:

- Implement the vision and principles articulated in “The Future of Plainfield School” paper developed last year.
- Forge better partnerships with Cornish and Lebanon school districts, including relationships for better programs and positive financial results.
- Explore opportunities to create staffing arrangements that result in flexibility for the school district.
- Continue to invest in our school building to insure a sound and healthy learning environment for our students and staff.

The Board also set a few specific objectives for the upcoming year. These included:

- Get off of the SINI/DINI state list as soon as possible. This is the list of districts targeted for improvement in specific areas. Plainfield was placed on the list due to low test results in mathematics for certain students. A plan was written to address these results and create opportunities for students to perform better and get off the list.
- Start the budgeting process early using a proactive approach. This means that all things related to the budget must start early as well, including the dollars available, the staff available, and the manner in which kids learn.

- Focus on a vision of where we are headed as a school district. Convey that message clearly to the community through an up-to-date website. We continue to work on improvements on this communication vehicle.

We also successfully negotiated new two-year agreements for both the teaching and support staffs during the year. These new contracts will continue to offer our dedicated staff members a competitive salary and benefits package so that we can provide our students with the best staff possible.

As one of the Board objectives stated, we also began the budgeting process a little earlier to allow for complete discussion and review of all aspects of the budgeting process. This resulted in a very smooth budget development cycle that used a “zero-based” approach so that only the items specifically needed to deliver educational services to the students were included. The overall impact of this approach is a tight budget for the community to consider.

For the rest of the 2011-12 year and on into the 2012-13 year, the School Board and the administrative team will continue to refine and hone our vision for the future of the Plainfield School so that we can then develop the very strongest academic program we can for our students. I am very appreciative of the hardworking Board and staff in the district, and am especially thankful for Ellen Langsner, Beth Bierwirth, Joan Nierenberg, Lisa Gradijan and Laura Spratt as they support me in my role. It goes back to another affirmation of my decision to choose Plainfield. I look forward to our future work together and with the community on behalf of our students.

Principal's Report

The transition to multi-grade classes for grades 3/4 has gone very smoothly. This is due to the excellent planning and preparation the teachers did last year, and continue to do this year as they look to the second year in the curriculum rotation. When visiting these rooms it is not apparent which students are third and which are fourth graders. Students can be seen working on a variety of related tasks in small groups, pairs, or individually. This is a testament to how teachers are working to differentiate for the wider range of abilities, interests, and achievement levels of the students in their classrooms.

Teachers in grades 5/6 are in their second successful year of multi-grade teaching. Several changes were made to the schedule to provide students with a smoother transition from a self-contained environment to one where they move to a different teacher a couple of times a day. The most challenging aspect this year has been teaching Spanish in a multi-grade environment for the first time. To help transition to multi-grade teaching in Spanish, the teacher spent considerable time this summer learning a new teaching method as well as new teaching tools, including the use of an interactive white board (SMART Board), a generous gift from last year's eighth graders and the Friends of Plainfield School.

In fact, differentiated learning is common in all our classrooms as teachers respond more and more to learning differences in their students. Teachers continue to refine their craft through a variety of professional development activities. In order to continue to teach math as small, grade level classes, three teachers took extensive training over the summer. These week-long courses were intensive but ensured quality instruction for our students.

Three teachers also attended week-long training in Responsive Classroom techniques. This approach to learning for elementary school classrooms is particularly suited to the multi-grade environment. It helps build safe and supportive classroom communities, reduces discipline problems and has been shown to improve academic achievement. For middle school classrooms, this approach is called Developmental Designs. At this point almost all classroom and unified arts teachers have had initial training in these approaches and many have returned for additional training to deepen their understanding and refine their techniques in using this approach to teaching and learning.

Last year we were designated a school in need of improvement due to a number of our special education students who did not meet proficiency standards in the area of math. With proficiency standards increasing every other year under No Child Left Behind, it is increasingly difficult to maintain Adequate Yearly Progress in each of the sub categories assessed, students with disabilities in our case. So we have been focused on increasing the time we spend on mathematics instruction in the classroom, improving how we differentiate for math, and increasing students' computational fluency through increased drill and practice.

In the proposed budget, you will note that there is an increase in expenses in special education. At the end of last year, we discovered an emergent need for more intensive special education resource room support for some of our students with serious learning needs. Finding out-of-district placements for these students was impossible at the time and would have been very expensive. Instead we hired some additional staff who had the training and skills to create a successful instructional program for these children, at a reasonable cost to the district. But because these children's needs were not known at the time the 2011/12 budget was being developed, the costs for these services were not budgeted for. The school board decided to pay for this unexpected expense by taking money out of the special education and tuition trust fund. We anticipate needing to retain these services in the next fiscal year so you will see an increase in several areas in the special education area of the budget. These increases include staff and contracted services.

Special Education Report

On July 1, 2011, Laura Spratt became the new Director of Special Services, who reports to the Board about services provided to Plainfield students under the Individuals with Disabilities Education Improvement Act (IDEIA) and Section 504 of the Americans with

Disabilities Act. Budget increases are indicated due to increases in the need for behavioral consultant services, an intensive needs program, an increase in Extended School Year programs, and the number of preschool age children requiring services.

The special education team continues to develop and implement individualized programs for children with disabilities, including students with intensive needs.

Following is a listing of Special Education and Section 504 services provided to students for the 2011-12 school year (as of January, 2012).

<u>Age group</u>	<u>Students with IEPs</u>	<u>Students with 504 Plans</u>
PK-8	31	13
(Total 44)		
Grade 9 – age 21	12	19
(Total 31)		
<ul style="list-style-type: none"> Percent of PES students on IEPs: 13.03% (NH state avg. is 15.4%) Percent of PES students on 504 plans: 5.46% Total percent of students at PES that receive direct individual support services from special education team: 18.49% 		

Note: This does not include students who receive support for at risk reading, math tutoring, counseling for behavioral issues or guidance services.

Other information:

- Number of out of district placements: 1 (preschool program)
- Number of students receiving individual speech services: 24
- Number of students receiving individual occupational therapy services: 15 (plus 3 additional consults)
- Number of students receiving individual physical therapy services: 5

An estimated \$54,724 in Federal Funds under IDEIA will supplement portions of the 2011-2012 budget.

Respectfully submitted,

Gregory J. Vogt, Ph.D., Superintendent
Ellen Langsner, Principal
Laura Spratt, Director of Special Education

SCHOOL BOARD REPORT

Much has been accomplished since last District meeting. A major building project has been completed; contracts with our teachers and support staff have been renegotiated; a seamless transition to a new Superintendent has occurred; and multi-grade instruction has been implemented in 3rd & 4th grade.

In comparison, the School budget and plan being put forward for 2012/13 will fund a relatively 'quiet' school year. With the exception of a Bond to fix the school roof and finish our building renovation project, the School Board is not planning significant changes to staff or school organization. This 'pause' is intended to allow the school to internalize the changes made in the last few budgets and prepare for future rounds of re-organization driven by the continued decline in PES enrollment.

Roof & Building Renovation Bond (Article II)

Plainfield School and Plainfield taxpayers have benefited substantially from the hard work and expertise our Facilities Committee. Based on the recommendations of this committee, the school board is asking for approval of a \$575,000 bond to complete the multi-year project of renovating our facility and to replace a failing roof in the 1973 section of the building. For a full outline of the project and justification, please see the report of the Facilities Committee.

Main Budget (Article III)

The School Board believes the budget outlined below represents a balance between providing for our children's education and the real need to manage the tax impact on our community.

The PES budget process started in November with the development of the following eight principles to guide the decisions and debate of the board:

1. Develop a budget that supports the quality education that Plainfield Elementary School currently provides.
2. Staff based on enrollment -
 - a. preference will be given to maintaining lower pupil/teacher ratios in the primary grades.
 - b. when circumstances create a "one-year event", an alternative staffing assignment which maintains instructional continuity will be considered.
3. Continue the practice of returning to the taxpayers an amount equal to any tuition surplus created in the budget.
4. Give priority to the staff development needs, instructional materials, technology and equipment needed to support the continuing evolution of our curriculum and instructional program.
5. Continue to maintain our school building to insure a sound and healthy learning environment for our students and staff.
6. Provide administrative support through flexible/alternative staffing models, technology and training.
7. Continue to modify our school building in ways that reduce its energy use and cost of maintenance.

8. Take advantage of ad-hoc funding opportunities, including grants or other shared funding. Whenever possible, funds from these sources will be used to reduce the community tax burden.

Using these principles as guides (and after hundreds of hours of hard work by the Administration & staff, 7-budget focused school board meetings, 5 draft budgets, numerous meetings with the finance committee, and a public budget hearing) the School Board approved an expense budget of \$5,799,985.00 – a .13% increase over the current school year (excluding one-time building expenditures associated with the summer building project funded by the Office of Energy Planning).

Key characteristics of the 2012/13 budget are:

- no changes in permanent, regular education staff levels;
- a \$115,942 increase in special education staffing and contracted services to support an increase in student population with acute special education requirements
- no increase in our Medical Insurance premiums;
- a non-discretionary \$ 19,180 increase in dental insurance expense
- a discretionary \$ 4,676 increase in technology contracted services due to increases in the maintenance costs for instructional computers and software and the addition of an on-line back-up system to assure the integrity of school records.
- removal of all one-time staffing and professional development investments made in the 2011/2012 budget to support the transition to multi-grade instruction in 3rd & 4th grade have been removed (\$12,000);
- raises for our administrative staff in line with inflation and COLA (3.6%).

Even though our general education expenses have increased only slightly (\$7,639 - .13%), Plainfield taxpayers will be asked to provide an additional \$50,583 (a 1.09% increase) in local tax support due to a decrease in non-tax revenues.

Teachers Contract (Article IV)

The Plainfield School Board and the Plainfield Educational Association have reached agreement (pending town approval) of a new 2-year employment contract.

Key highlights of this new contract are:

- An overall increase of 3.9% in salaries for teachers in each year of the contract – inclusive of step and track changes.
- A significant re-drafting of the reduction-in-force (RIF) language to allow the school district to retain teachers who give us the greatest instructional flexibility in a lay-off – rather than being bound by a ‘seniority-only’ system.
- An incentive program that rewards teachers who become ‘Highly Qualified Teachers’ (HQT) in two core subject areas (one of which must be Math or Science) by allowing them to move up a track on the salary scale.

This contract was hard won. The Union and District went to mediation after a full season of direct negotiation. The School Board strongly supports this contract. The new Reduction in Force language and the promise of more teachers qualified in multiple subject areas will provide the Administration with a significant increase in the flexibility they need to manage a small school with declining enrollment. In addition, the salary increases are in line with social security COLA (3.6%) and other local benchmarks.

Support Staff Contract (Article V)

The Plainfield School Board and the Plainfield Support Staff Association have reached agreement (pending town approval) of a new 2-year employment contract. This contract provides an overall increase of 3.9% in the first year and 3.8% in second year for support staff – inclusive of step and track changes.

Special Education & Tuition Trust Fund (Article VI)

At the beginning of the 2011/12 school year, the District was faced with a significant and unexpected increase in special education expenses. The School Board (after consultation with the Administration) authorized the withdrawal of \$60,000 from the Special Education & High School Tuition Fund to offset these expenses.

The School Board is recommending the town place \$60,000 in the Special Education & High School Tuition Fund to return it to its 2010/11 balance. In the coming years, the School Board will be asking the Town to grow the balance of this fund to \$250,000 --- which while small compared to the possible risk – provides a rational level of insurance based on the size of the District.

Building Maintenance Reserve Fund (Article VII)

The School Board recommends a \$15,000 addition to the Building Maintenance Reserve Fund in order to build this fund for future needs. The school board believes that growing this fund insulates the school from the costs and shocks of running an aging building (e.g. replacing our old boiler). If approved, this would raise the fund to \$88,961.

Capital Reserve Fund (Article VIII)

The School Board recommends the creation of a Capital Reserve Fund in preparation for the replacement of our Special Education van in a future fiscal year. The School Board recommends an initial appropriation of \$15,000 toward the purchase of the van. The district approved the purchase of a Special Education van in 2008-09. Since that time, this investment has saved the District over \$80,000.

The School Board would like to thank our wonderful teachers, support staff, administrators, volunteers, and Plainfield taxpayers. Your dedication, hard work, and support continue to make Plainfield School a truly special place for the town's children.

Respectfully submitted,

Chris Forman

Chair, Plainfield School Board

FACILITIES REPORT

This past year was another busy and productive year for the Plainfield Elementary School Facilities Committee. The Federal American Recovery Reinvestment Act (ARRA) grant we received allowed us to repair and insulate the four seventh and eighth grade classrooms and adjacent locker rooms. We replaced the rooftop heating and ventilating units for this area as well. We installed energy recovery ventilation equipment in all the 1973 era classrooms.

As a result of this renovation and energy retrofit, we continue to receive positive comments from staff, parents, administration and students regarding the much improved indoor air quality and more consistent temperatures. Improving the classroom learning environment has been a goal of this committee for many years. The new insulation envelope on this part of the school building has greatly reduced heat loss. And the new heating and ventilation equipment is working well. We have been metering the heating equipment energy usage and so far the results have been impressive (\$100,045 in savings over five years). Additionally, we have received \$76,000 in National Grid Rebates for this efficiency. Facilities Manager Bill Knight was instrumental in managing this project. Local contractors completed the work on time and within budget. Through Allan Ferguson's cooperation with KUA, we received a bid for electricity that is 15% lower than our current rate and guaranteed for two years.

For next school year, the committee has recommended that the School Board add a warrant article for a bond in the amount of \$575,000. This money will repair and upgrade the oldest (39 years old) section of the school, which suffers from the same problems that the recently repaired sections had. Almost half of the bond money would replace the leaking flat roof. The remainder of the bond money would allow the final repair of the 1973 section of the school with new siding, windows and heat pumps. The School District will again act as the general contractor and manage the project. The committee anticipates these repairs will generate operational savings the same as previously repaired parts of the school.

The proposed repairs will not include the 2000 wing or the gymnasium, but will allow us to replace the existing oil boiler that heats those areas with a smaller and much less expensive boiler. This work would be inexpensive enough that we would pay for it from the maintenance reserve fund.

These repairs to the physical plant have a bonus--reduced energy usage and a better learning environment. In spite of moving from an oil heated building to all-electric in the sections modified, our electricity usage has been reduced from an average usage of 207,000 kWh to 160,000 kWh. Oil usage has fallen more dramatically going from an average of 21,000 gallons per year to less than 10,000 gallons per year.

The paperwork typically involved with federal grants required an extraordinary effort by Beth Bierwirth, our school's Business Administrator as well as Bill Knight. Past resident Marc Rosenbaum is to be commended for his ongoing and integral assistance to the committee. Committee Members include Mike Higgins, Allan Ferguson, Bill Knight, Doug Cogan, Tom Lappin, and Chris Pixley.

Allan Ferguson

PLAINFIELD SCHOOL DISTRICT – BUDGET ANALYSIS

2011-2012 Surplus –

We anticipate ending the 2011/2012 school year with an *estimated* surplus of \$57,863. We have carried this amount over to the 2012/2013 Revenue Sheet. Estimated year end surplus may be used to fund warrant articles voted on by taxpayers. It is the practice of the School Board to return to taxpayers some amount of tuition surplus (if any.)

2012/2013 Expenditures –

Proposed expenditures for the 2012/2013 school year total \$5,799,985 a increase of \$7,639 (.13%) over this year's budget of \$5,792,346 (excluding OEP Grant Project.)

*****This analysis does not include the negotiated salary and benefit expenses of the PEA and PSSA Union Contracts which are listed separately under Warrant Articles IV and V.***

Highlights of the Budget are as follows:

<i>Voter Approved 2011/2012 Budget</i>	5,792,346
--	------------------

Increases:

<i>Special Education (Salary, Benefit, Contracted Service)</i>	115,942
<i>Information Services (Contracted Service)</i>	4,676
<i>Principal's Office (Salary, Benefit)</i>	19,172
<i>Transportation (Contact, Includes School Van)</i>	305
<i>Subtotal Increases</i>	<u>+ 140,095</u>

Decreases:

<i>General Education (Regular, Co-Curri., Guidance, Nurse, Library)</i>	31,266
<i>Co-Curricular Activities (Athletic Director & Coaches)</i>	670
<i>LHS Tuition</i>	16,843
<i>Staff Development</i>	12,000
<i>Administrative Services (School Board, SAU)</i>	2,116
<i>Federal Grants</i>	16,274
<i>Operation of Building</i>	72
<i>Food Service (Benefit)</i>	15,514
<i>Debt Service (Retirement of Front Addition Bond)</i>	2,187
<i>Transfer (Trust Funds)</i>	35,514
<i>Subtotal Decreases</i>	<u>< 132,456 ></u>

<i>Total Net Budget Increase</i>	<u>7,639</u>
---	---------------------

<i>Proposed 2012/2013 Budget</i>	<u>5,799,985</u>
---	-------------------------

Special Education -

This year, Special Education (Salary, Benefit, and Contracted Services) is the single highest increase in the 2012/2013 budget. During the FY12 budget cycle, an Intensive Needs Resource Room was added to the Special Education category after the budget was approved by taxpayers. This program will need to be carried forward in FY13 and expensed accordingly. Additionally, in FY13, the Administration has identified the need for additional outside Contracted Services to support student needs. The overall increase in this category is \$115,942 or 13.43% over last year.

LHS Tuition -

The A.R.E.A. agreement which regulates tuition rates for Plainfield Students attending LHS, calculates Plainfield and Grantham tuition. The tuition rate for the 2012/2013 school year is set at \$13,600. The Town of Plainfield will see a \$351 increase in the tuition cost per pupil over last year, a 2.65% increase. This budget, as presented, projects 103 students attending LHS in September, compared to 107 projected students in 2011/2012. The total tuition budget for FY13 will decrease \$16,843 over the 2011/2012 school year or -1.19% which takes into consideration a lower student count (as of this date.)

20012/2013 Revenues -

Non Tax Revenues are *estimated* to be \$1,105,192 which is a decrease in revenue of \$42,943 (OEP Grant excluded) over 2011/2012 budget. The single largest contributing factor in reduced revenue is the discontinuation of rebate money from National Grid followed by no budgeted tuition revenue. The District anticipates stable education aid from the State of NH in FY13.

2012/2013 Bottom Line -

The \$7,639 increase in spending, combined with the \$42,944 reduction in non-tax revenue, will require an increase in local tax dollars of \$50,583 to support this budget. The 2012/2013 estimated local tax effort of \$4,694,793 represents a 1.09% increase over the 2011/12 year's total of \$4,644,211.

The items set forth in this analysis *do not* include any of the separate warrant articles, which, if passed, will increase the tax effort necessary to fund those articles.

Respectfully Submitted,
Beth Biewirth - Finance

LHS UNDERGRAD HONORS NIGHT

On May 5, 2011, LHS students in grades nine, ten, and eleven were recognized for their academic achievements during 2010-2011. The following are awards presented to Plainfield students.

PERFECT ATTENDANCE - Grade 10 – **James Fadden, Timothy Grace, Lindsay Pullen, Andrew Taylor**; Grade 11 – Alexander Keating, Alexis Romano

HONORS - student has earned at least a C+ in all courses taken and has received a G.P.A. of 3.0 - Grade 9 – **Shelbie Clukey, Nicholas Davini, Louise Filiault, Tyler Geno, Emma Greenough, Joseph Grout, Isabella Lurie, Ronan O'Donnell, Kaylee Rogers**; Grade 10 – **Sarah Berman, Amber Blair, Evan O'Reilly, Grace Sylvia, Andrew Taylor, Sarah Wilder**; Grade 11 – **Tabatha Descoteau, Jake Governo, Austin Hathoot, Kyra Herbert, Joshua Huett, Laura Kovacs, Katelyn Maynard, Kaylan Murphy, Benjamin Reetz**

HIGH HONORS - student has earned at least an A- in all courses taken and a G.P.A. of 3.67 - Grade 9 – **Kelsie Atwater, Grayson Houde Hardy, Nell Houde**; Grade 10 – **Galen Moynihan, Lindsay Pullen, Sean Taylor**; Grade 11 – **Cooper Houde Hardy**

HARTFORD AREA CAREER & TECHNOLOGY CENTER OUTSTANDING STUDENTS: Computer Technology Applications – **Jeremy Ellis, Jake Governo, Tucker Swett**; Industrial Mechanics & Welding – **Dustin LaRocque**

CLARKSON ACHIEVEMENT AWARD: **Cooper Hardy**

Mike Budner

AWARDS CONFERRED ON THE LEBANON HIGH SCHOOL CLASS OF 2011

The following awards were presented to Plainfield student graduates at the Lebanon High School Senior Awards Ceremony at the Opera House on Monday, June 6, 2011.

SENIOR CLASS AWARDS - given to the members of the Class of 2009 who have shown the greatest ability and achievement in the following areas: English – **Faith Sylvia**; Computer Science – **Eric Gleiser**

MASCOMA LODGE #20 ODD FELLOWS MERIT AWARD – presented to a deserving graduate of excellent character. The Odd Fellows are seeking to encourage scholarship and responsible citizenship, and to encourage awardees to ultimately use the fruits of their education to help others. We feel that the quality of the student's commitment to friends, school and/or community is extremely important - **Jordan A. Kelley**

SONDY BLAIN MEMORIAL SCHOLARSHIP – given to a student pursuing a post-secondary education who has demonstrated commitment to community service, patience and tolerance within the LHS community, and shown an interest in service and volunteer opportunities – **Jordan T. Caudle**

RIVERSIDE ROTARY CLUB AWARD IN MEMORY OF THOMAS DAUPHINAIS – GIVEN TO A STUDENT WHO EXEMPLIFIES TRUTH, FAIRNESS AND FRIENDSHIP AS WORTHY GOALS IN DEALING WITH OTHERS – **Kelsey F. McGovern**

FRANK & OLIVE GILMAN FOUNDATION SCHOLARSHIP – given to students considering community/school involvement and the expression of realistic goals based on past achievements – **Jonathan H. Aldrich**

LEBANON OUTING CLUB SENIOR SKI AWARDS given to an outstanding senior selected by the ski coaches – **Micah I. Berman**

DR. BURNHAM MEMORIAL TRACK AWARD – given to members of the senior class who shows ability, good sportsmanship, and are a credit to the school – **Catherine W. Liebowitz**

NANCY MARIE CLARK MEMORAIL SCHOLARSHIP AWARD – presented to a member of the graduating class by the family of Nancy Marie Clark, Class of 1984 - **Emma R. Lewis**

THE DOROTHY CUSHING JEALOUS MEMORIAL SCHOLARSHIP – is presented to a graduating female student for her daily contributions to the “spirit of Lebanon High School” – **Catherine W. Liebowitz**

FREDERICK E. CARVER MEMORIAL SCHOLARSHIP AWARD – given to a senior going on to post-secondary education – **Catherine W. Liebowitz**

PLAINFIELD PTO AWARD – given to a senior from Plainfield who is going on to post-secondary education – **Stephanie N. Harding**

KENNETH & RAMONA FLEWELLING SCHOLARSHIP – given to a senior who wishes to pursue study in Forestry, Conservation, Natural Resources or Outdoor Recreation management – **Micah I Berman**

SALLY HATCH MEMORIAL AWARD – given for outstanding achievement in Child Care or Human Services program – **Jordan T. Caudle**

THE CLAYTON J. RICHARDSON CITIZENSHIP AWARD – given to the member who exemplifies the highest characteristics of good citizenship – **Catherine W. Liebowitz**

FRANCIS J. BUSHEE MEMORIAL AWARD – given to a student who plans to continue their education – **Jordan T. Caudle**

NATIONAL MERIT SCHOLARSHIP – Commended: **Liam J. Moynihan**

THE WILLIAM J. ENGLISH MEMORIAL AWARD – given to a student who has genuine interest and respect for others, is open-minded, and has the courage of his/her convictions and who has worked hard to promote student involvement in school life – **Faith L. Sylvia**

PRESIDENTIAL ACADEMIC FITNESS AWARDS – in recognition of academic fitness by achieving a four year cumulative grade point average of 3.67 or higher, and outstanding performance on a nationally normed test – **Faith L. Sylvia, Liam J. Moynihan**

Emma McGonigle

NONDISCRIMINATION NOTICE

Plainfield School District does not discriminate in its education programs, activities, or employment practices on the basis of race, color, national origin, religion, age, sex, marital status, sexual orientation or disability under the provisions of Title VI of the Civil Rights Act of 1964, Title VII of the Civil Rights Act of 1965, Section 1981 of the Civil Rights Act of 1966, the Equal Pay Act, Title IX of the Education Amendments of 1972, the Age Discrimination in Employment Act of 1967, the American With Disabilities Act of 1990, the Rehabilitation Act of 1973, the Individuals with Disabilities Act, RSA 186-C, and RSA 354-A. Any person having inquiries concerning Plainfield School District's compliance with the regulations implementing these laws may contact: Superintendent of Schools, 92 Bonner Road, Meriden, NH 03770, (603) 469-3442.

Certain specific inquiries may be directed to the following: Title IX Coordinator, Gregory Vogt; Title VI, VII and 504 Coordinator, Laura Spratt.

Any person may also contact Title IX Coordinator, NH Department of Education, 101 Pleasant Street, Concord, NH 03301. (603) 271-3196, for Title IX and Age Discrimination; Section 504 Coordinator, NH Department of Education, 101 Pleasant Street, Concord, NH 03301, (603) 271-3610, for Section 504 of the Rehabilitation Act of 1973; Supervisor for National Origin & Equal Education Opportunity, NH Department of Education, 101 Pleasant Street, Concord, NH 03301, (603) 271-3582, for Title VI of the Civil Rights Act of 1964; the Assistant Secretary for Civil Rights, U.S. Department of Education or the Director, U.S. Department of Education, U.S. Government, 10 Causeway Street, Boston, Massachusetts 02114

NOTICE OF RIGHTS TO SPECIAL EDUCATION SERVICES

School Administrative Unit #32, in complying with the Individuals with Disabilities Education Improvement Act of 2004 (IDEA 2004), is required to locate and identify all school age children who may have educational disabilities including those who are homeless, migrant, wards of the state, or attending private schools within the Plainfield School district boundaries.

If you are a parent of, or know of a child age 3-21, who you feel may have an educational disability, please contact the School Principal or Director of Special Education at 469-3250. SAU #32 will provide free screening and evaluation of any child referred to them. Students found eligible for special education services will be offered a free appropriate public education.

A student with a disability who does not qualify for services under the IDEA 2004 may qualify for accommodations under Section 504 of the Vocational Rehabilitation Act. Referrals under Section 504 may be made to the Principal.

Parents have the right to review the educational records of their children, as guaranteed by the Family Educational Rights and Privacy Act.

IDEA & Preschool Entitlement Funds: Application for Plainfield School District.

IDEA entitlement and preschool funds are based on the actual number of special needs students in the district. It is expected that Plainfield will qualify for a total grant of **\$54,724** in FY 2012. These funds must be used to supplement our local expenditures. They cannot be used to reduce an amount spent by local funds in a prior fiscal year. During the current fiscal year these funds were used to pay for such services as speech and language services, special education assistants, a part time school social worker, staff development, and a part time school psychologist. Some of the funds are used to help us actively seek out, find and evaluate children who may be eligible for special education services. Federal law requires that we do this. The specific manner in which we propose to spend these funds is outlined in a grant application which was submitted in September of 2011. Delivery of the services proposed is contingent upon the approval of the application and the actual receipt of funds.

Cayden Van Dolah

Plainfield's Educational Mission

Mission Statement: As a community of learners, our educational mission in Plainfield is to support and expect academic excellence while building character, self-confidence, and enthusiasm for life-long learning.

Responsibilities

The community is responsible for providing a quality education to children in grades K through 12.

The school is responsible for:

- Stating clearly academic goals and defining a curriculum with high academic standards.
- Teaching with an awareness of individual children's learning styles.
- Emphasizing good character, self-discipline, and interpersonal skills.
- Providing an atmosphere that fosters excitement about learning.
- Offering strong administrative leadership and a high quality staff.
- Respecting the values, authority, and input of parents, as well as the situations of the home environment.
- Encouraging involvement of parents and community members in the life of the school.

The home is responsible for:

- Understanding and reinforcing school curricula.
- Encouraging students to complete homework and to place a high priority on education.
- Ensuring that children arrive at school on time, rested, fed, and ready to learn.
- Respecting the expertise and authority of teachers and staff.

Results

Students should possess a foundation of information, concepts, and learning skills:

- Analytical skills: identifying and formulating problems, researching information, and developing creative solutions.
- Reading, writing, and speaking effectively, with grounding in US. and world literature.
- Mathematics, including the ability to apply quantitative thinking and analysis in daily life.
- Physical, earth, and life sciences, including how these are manifested in everyday phenomena such as the environment, technology, and weather.
- History, geography, government, and the responsibilities of citizenship in local, national, and global contexts.
- Significant exposure to the arts, a foreign language, and the diversity of human culture.
- Effective use of computers for computation and processing information.
- Appreciation of physical and mental health, including avoidance of substance abuse and communicable diseases.

Students should display behaviors that allow them to be productive learners and relate effectively to others:

- Enthusiasm for learning.
- Confidence and self esteem.
- Self-discipline and good work habits, including the ability to listen and take turns.
- Personal integrity and honesty.
- Willingness to take responsibility where appropriate and to follow through once responsibility is assumed.
- Acceptance of, sensitivity to, and compassion for others.

Mutual respect, support, and participation among the community, families, and the school are vital to effectively achieving our mission. Open communication is encouraged, valued, and respected.
