#### WARRANT ARTICLES FROM BROOKLINE'S PAST

- <u>2000</u> Voted to increase the percentage of the Land Use Change Tax that is allocated to the Land Acquisition Fund from 50% to 100%.
- <u>1995</u> Voted to appropriate \$8,000 to cover the cost of surveying, site preparation and preparation of the playing field at the Brookline Elementary School (RMMS).
- <u>1981</u> An article to charge for ambulance calls was defeated.
- <u>1960</u> Voted to rename the portion of Mason Road extending from the Daniels Academy Building intersection to Route 13 as "Meeting House Hill Road".
- **1948** Total funds appropriated at town meeting were \$15,341.66.
- <u>1932</u> Voted to table the article regarding appropriating funds to paint the library and that "Mr. Powers be a committee of one to investigate the cost of painting the library and report after dinner…Later…Norman Spenser stated that the members of the Kilduff Post American Legion would paint the library if the Town would pay for the paint. Voted to raise \$25 for paint for the library."
- <u>1931</u> The following resolution was passed: "Resolved that the Moderator be instructed to choose a committee of those to act as Water Commissioners for the Town, with power to receive bids for installing a water system, also to receive any gifts or legacies, and submit the same to the next town meeting." *No report is cited in the 1932 town meeting minutes*.
- <u>**1890**</u> For the first time the Town voted an appropriation of money for sidewalks.
- <u>**1846**</u> There was an article "to see if the Town will vote to alter the name of Brookline to Oregon." *The article was passed over.*
- <u>**1831**</u> Voted to pay \$40 for stone to be furnished for the purpose of building a wall around the pond cemetery (on Mason Road).
- <u>**1810**</u> Voted to raise \$235 to pay Reverend Wadsworth's salary and voted to raise \$150 for schooling.
- <u>1798</u> Voted to change the name of the Town from Raby to Brookline. The change did not become official until an Act was passed by both the NH Senate and House of Representatives in December 1798, according to Parker's Town History.
- <u>1786</u> First action taken by the Town relative to building schoolhouses. Voted to "see if the Town will build a house for the benefit of the schools."

#### **OVERVIEW OF ANNUAL MEETINGS**

This document provides an overview of Brookline's three annual meetings:

- ♦ School District Meeting (Grades K-6): Monday, March 2nd 7:00 @ CSDA
- ♦ Coop School District (Grades 7-12): **Tuesday**, **March 3rd 7:00** @ **High School**
- ♦ Town Meeting: Wednesday, March 11<sup>th</sup> 7:00 @ CSDA

#### **Timing**

Each of Brookline's three annual meetings is held on a separate day. A fourth day (**Tuesday**, **March 10**<sup>th</sup> @ **CSDA**) is used for residents to go to the polls and elect town/school officials as well as to vote on any other issues that require "ballot" voting, such as zoning ordinances. Polls are open from 7:00am to 7:30pm.

#### **Meeting Background**

Upon arrival at the Town/School meetings, residents check-in to verify they are registered to vote. At this time, voters receive an index card to be raised when voting.

The meeting is run by the Town/School/Coop Moderator.

# **Key Terms**

The following are key terms used during the meetings.

- Warrant: The meeting's written agenda, which is set and publicly posted prior to the meeting. It specifies the subjects which may be addressed at the meeting. All items on the warrant are open for debate.
- ♦ Articles: These are the individual subject matters listed on the warrant that may be addressed at the meeting. The articles are taken up one at a time in the order in which they appear on the warrant, unless it is voted to change that order. Each article identifies a subject matter, but it is the motion under that subject matter that defines the actual question to be considered by the voters.
- ♦ Motion: To consider the subject raised in an article, a motion under that article must be made. A motion must be germane to the article's subject, but it need not be identical to the article language. Motions often are made that have a dollar amount which differs from the number in the article itself. Once a motion is made and seconded, the motion is open for discussion. The individual making the motion will ordinarily speak

first and is expected to provide necessary background on the motion. The language of a motion being considered may be amended by a motion to amend. If such a motion is seconded, and, after discussion, is approved by a simple majority, the main motion before the voters for consideration is so amended.

- ♦ <u>Discussion</u>: Speaking to a motion is done at the microphone. Speakers introduce themselves by name and street. Discussion must be limited to the particular motion under consideration. Individuals should speak once until others have spoken. Discussion ceases when no one further wishes to be heard, or when a "motion to move the question" is supported by a 2/3 majority.
- ♦ Motion to Move the Question: This is a motion to end discussion. It needs to be seconded, is non-debatable, and requires a 2/3 majority. If approved, discussion on the motion ceases; however, the practice has been that voters already in line at the microphone will be heard. It is improper for a speaker to express an opinion and then immediately move to close discussion.
- ♦ Vote: When discussion is ended, the vote on a pending motion will usually require a simple majority vote to pass (with several exceptions such as a motion for a bond exceeding \$100,000, which by law requires a 2/3 majority and ballot vote). Initially, the Moderator will ask for a "show of hands" vote. Those supporting the motion will raise their index cards signifying their vote. Then those opposing the motion will raise their cards to signify their vote. If the Moderator deems the "show of hands" vote too-close-to-call, a hand count will be used with voters asked to raise their index cards again to signify their vote. The raised cards are then counted by election officials; first of those supporting the motion and then of those opposing it.
- ♦ Motion to Pass Over: This motion is a proposal to take no action on a specific article and to simply proceed to the next article. The motion requires a second, is non-debatable, and requires a 2/3 majority.
- ♦ Motion for Reconsideration: This motion asks voters to reconsider a vote previously made at the meeting. This motion is to made by a voter who had voted on the prevailing side of the prior vote. If such a motion is made and seconded, the discussion is limited to the reasons that the voters should reconsider that earlier vote. A simple majority is required. If passed the prior vote is vacated, and the prior motion is again before the voters.

- ♦ Motion to Limit Reconsideration: To discourage strategic late night motions to reconsider, state statute created a motion to limit reconsideration. This motion can be made at any time during the meeting relative to any previous vote at the meeting. This motion needs a second, is debatable, and requires a simple majority. If such a motion is approved, reconsideration under a successful motion for reconsideration later made at the same meeting is limited in that the reconsideration itself can only take place at a future and publicized reconvening of the meeting not sooner than seven days later.
- ♦ Motion to Appeal: This is motion to appeal a decision of the Moderator in the course of the meeting. It requires a second, is debatable, and needs a simple majority.
- Point of Order: A voter may rise and assert a "point of order" when the voter believes that a fundamental procedural error has occurred. Asserting a point of order may not be misused as a prefix to give an interrupter uninhibited license to make whatever point he or she wishes to interject.
- ♦ Motion to Adjourn: This motion must be seconded, is not debatable and requires a simple majority. Although "adjourned" might suggest a future continuation, in practice it means to end the meeting. If at 11:00 pm it appears that all matters can be disposed of by midnight, the meeting will continue. If not, a motion to adjourn to an announced time and date will be entertained.

# TOWN WARRANT THE STATE OF NEW HAMPSHIRE

The Polls will be open from 7:00 am to 7:30 pm Tuesday, March 10, 2015

Business Meeting starts at 7:00 pm on Wednesday, March 11, 2015

#### At Captain Samuel Douglass Academy 24 Townsend Hill Road

To the inhabitants of the Town of Brookline in the County of Hillsborough in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Capt. Samuel Douglass Academy in said Brookline on Tuesday, the tenth (10<sup>th</sup>) day of March at 7:00 a.m. to act upon the following subjects:

- **1.)** To choose all necessary Town Officers for the ensuing year.
- **2.)** (**By Ballot**) Are you in favor of adopting the amendments to the "Housing for Older Persons Developments" as proposed by the Planning Board for the Town of Brookline Zoning Ordinance? (see full text of the proposed ordinance on page 20).
- **3.)** To hear reports of the Selectboard and other Town Officers and Committees.
- **4.)** To see if the Town will vote to raise and appropriate the sum of \$4,090,050 to defray town charges for the ensuing year and make appropriation of the same.

<u>Recommended</u> by the Selectboard 5-0 <u>Recommended</u> by the Finance Committee 3-0

**5.)** To see if the Town will vote to raise and appropriate the sum of \$80,000 to be expended at the discretion of the Selectboard in opposition to the proposed Northeast Energy Direct high pressure gas pipeline and/or to minimize the impact thereof on the land and people of the Town, including, but not limited to, expenditures for legal representation and consultants, land use planning and consultation, public information purposes, administrative and court filing fees, participation in multi-town coalitions, and any and all other expenses reasonably related to opposing said pipeline project

and/or mitigating the effects thereof. This will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until December 31, 2020.

<u>Recommended</u> by the Selectboard 4-1 Not Recommended by the Finance Committee 2-1

6.) To see if the Town will vote to raise and appropriate the sum of \$550,000 to construct sidewalks on Route 130 (from South Main Street to Bohanon Bridge Road) and Old Milford Road (from Steam Mill Hill Road to Rocky Pond Road). Said appropriation will be offset by a Federal Transportation Alternative Program Grant in the amount of \$440,000 and \$110,000 from general taxation. This will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until December 31, 2020.

<u>Recommended</u> by the Selectboard 4-0 <u>Recommended</u> by the Finance Committee 2-1

7.) To see if the Town will vote to change the organization of the fire department from one led by firewards pursuant to RSA 154:1-I(e) with a fire chief appointed by the firewards, to one with the fire chief appointed by the local governing body pursuant to RSA 154:1-I(b). If approved, this change will be effective one year following the vote, pursuant to RSA 154:1-IV and, following the 2016 town meeting, three firewards will be elected to overlapping three-year terms by members of the fire department to serve as an Advisory Fireward Board.

Selectboard vote: 2 in favor; 2 against Finance Committee vote: 1 in favor; 1 against; 1 abstention

**8.)** To see if the Town will vote to raise and appropriate the sum of \$76,259 for the purpose of hiring a full-time fire chief for the Town of Brookline, or take any action relative thereto. Said sum includes \$46,667 in salary and \$29,592 in benefits for eight (8) months of 2015 (the 12-month total annualized cost is \$114,389). If approved, two members of the Selectboard will be appointed to serve with the three firewards to comprise a five-member group to hire a full-time fire chief. The amount raised will be incorporated into the fire department and personnel operating budgets for accounting purposes.

Selectboard vote: 2 in favor; 2 abstentions

<u>Recommended</u> by Finance Committee: 2 in favor; 1 abstention

**9.)** To see if the Town will vote to raise and appropriate the sum of \$60,000 for the purpose of road/bridge improvements, or take any action relative thereto. This will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until December 31, 2020.

<u>Recommended</u> by the Selectboard 4-0 Recommended by the Finance Committee 2-1

10.) To see if the town will vote to raise and appropriate the sum of \$18,997 for the purpose of expanding one part-time library position to full-time (35 hours/week). If approved, this will allow the library to offer six additional open hours weekly. If passed, the amount raised will be incorporated into the library's operating budget for accounting purposes.

<u>Recommended</u> by the Selectboard 2-1 and 1 abstention <u>Not Recommended</u> by the Finance Committee 2-1

11.) To see if the Town will vote to raise and appropriate the sum of \$10,000 for the purpose of funding an update to Brookline's town history (from 1914 to the present), which will be completed in time for the town's 250<sup>th</sup> anniversary in 2019. This will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until December 31, 2020.

<u>Recommended</u> by the Selectboard 4-0
<u>Not Recommended</u> by the Finance Committee 2-1

12.) To see if the Town will vote to raise and appropriate the sum of \$3,735 from the unreserved fund balance to be deposited into the Ambulance Service Expendable Trust Fund and to authorize the Selectboard and Ambulance Director as agents to expend as needed.

Recommended by the Selectboard 4-0

Recommended by the Finance Committee 3-0

13.) To see if the Town will vote to approve the cost items included in the collective bargaining agreement reached between the Brookline Selectboard and Local 3657 of the American Federation of State, County, and the Municipal Employees, AFL-CIO Brookline Police Officer's Union which calls for the following increases (decreases) in costs at current staffing levels:

#### **Estimated Cost**

| <b>Year</b> | Increase/(Decrease) |
|-------------|---------------------|
| 2015        | (\$2,281)           |
| 2016        | \$2,029             |
| 2017        | \$5,611             |

If passed, the associated cost items will be incorporated into the police and personnel operating budgets for accounting purposes. The impact on 2015 budgets would be an increase in the police budget of \$21,838, a reduction in the health insurance budget of \$28,318, and an increase in the NH Retirement budget of \$4,199, for a net cost savings of \$2,281.

## <u>Recommended</u> by the Selectboard 4-0 Recommended by the Finance Committee 3-0

14.) To see if the Town will vote to adopt RSA 31:19, to allow the Selectboard to accept gifts, legacies and devises without further action by the Town. This article will remain in effect until rescinded.

# <u>Recommended</u> by the Selectboard 4-0 <u>Recommended</u> by the Finance Committee 3-0

15.) To see if the Town will authorize the Selectboard to facilitate the implementation of revisions to an existing development plan relating to Canney Hill Estates by authorizing the Selectboard to execute any necessary documents to convey easements and other interests previously given to the Town by the developer which have been superseded by the revisions to the development plan, all as indicated in the plan recorded in the Hillsborough County Registry of Deeds as Plan #38007.

## Recommended by the Selectboard 4-0

16.) To see if the town will vote to adopt RSA 41:14-a, to allow the Selectboard to acquire or sell land, buildings or both; provided, however, they shall first submit any such proposed acquisition or sale to the planning board and to the conservation commission for review and recommendation by those bodies. This article will remain in effect until rescinded by majority vote.

# Recommended by the Selectboard 4-0

**17.)** (**By Petition**) "Shall we impose a 365 day moratorium on any interstate gas pipeline projects within the Town of Brookline? The moratorium shall be effective immediately upon the vote and shall include, but not be limited to, land acquisition, surveying, tree

removal, or any physical alteration of any land within the Town of Brookline intended for pipeline construction or development."

- 18.) (By Petition) "Shall the Town of Brookline vote to oppose approval by the Energy Facility Site Evaluation Committee of the construction and installation of a natural gas pipeline by Tennessee Gas Pipeline Company, LLC (a Kinder Morgan Company) as part of the Northeast Energy Direct Project because the proposal is inconsistent with the basic tenet of individual property rights whereas if approved, Tennessee Gas Pipeline Company, LLC shall have the power to force private property owners to give up rights under Eminent Domain proceedings in order to create a new corridor for the installation of the pipeline project."
- by the Energy Facility Site Evaluation Committee of the construction and installation of a natural gas pipeline by Tennessee Gas Pipeline Company, LLC (a Kinder Morgan Company) as part of the Northeast Energy Direct Project because the proposal is inconsistent with the Town's goal of protecting and preserving its aquifers, drinking water including community and private wells, wetlands, streams, and other bodies of water. In addition, the proposal to extract water to use in drilling or other operations, whether from a body of water or well, is inconsistent with the Town's goal to protect such waters."
- **20.**) To see if the Town will vote to accept the following legacies:
  - a. The sum of \$300 for the perpetual care of the Tyrell Lot #78A in Pine Grove Cemetery.
  - b. The sum of \$600 for the perpetual care of the Kaplan Lot #346 in Pine Grove Cemetery.
  - c. The sum of \$1,200 for the perpetual care of the Dwyer Lot #351A in Pine Grove Cemetery.
  - d. The sum of \$300 for general cemetery maintenance (Dupont Lot #343C) in Pine Grove Cemetery.
  - e. The sum of \$900 for general cemetery maintenance (Flanagan Lot #350) in Pine Grove Cemetery.
- **21.)** To transact any other business that may legally come before said meeting.

#### BROOKLINE PLANNING BOARD

# December 18, 2014 Proposed Zoning Amendment: "Housing for Older Persons"

Proposed deleted items Proposed new items (regular bold)

#### 2200.00 HOUSING FOR OLDER PERSONS DEVELOPMENTS

The Town of Brookline recognizes the need to provide special housing opportunities for older persons. Such housing must be well sited and designed to meet the special needs of this age group. Housing for Older Person Developments may be located as an overlay zone wherever the conditions described in the sitting requirement standards, below, can be met. Housing for Older Person Developments shall be reviewed under the site plan regulations of the Town of Brookline in addition to the requirements of this ordinance. Whenever a conflict occurs between this ordinance and the site plan regulations, the more restrictive requirements shall apply.

#### 2201.00 Purpose and Intent

- a. It is a goal of the Town of Brookline to promote the development of housing designed to meet the special needs of older persons.
- b. This ordinance operates as an Overlay Zoning District.
- c. It is the intent of the Town of Brookline to provide for the special needs of older persons by allowing for Housing for Older Persons developments with unique dimensional and institutional requirements that meet the social, mobility and safety needs of this age group.
- d. Housing developed in this section must be established and maintained in compliance with all applicable state and federal laws with respect to such housing and/or medical care, including the Fair Housing Act, as amended, 42 USC Sec 3601 et seq., NH RSA 354-A:15 and the NH Code of Administrative Rules, Hum 300 et seq.
- e. Pursuant to RSA 354-A:15, II and III, it is recognized that prohibitions against housing discrimination do not apply to housing for older persons, which conforms to all applicable rules and regulations.

- f. The intent of this ordinance is to foster development of housing for older persons while detailing local planning standards and, where practical, promoting consistency with land use policies in the Brookline master plan, zoning ordinance and subdivision and site plan regulations.
- g. It is the intent of this ordinance to regulate the intensity and mix of different types of dwelling units required to meet the needs of those citizens so as to provide ample indoor and outdoor livable space and to retain a sense of personal identity, intimacy and human scale within the development.
- h. It is the intent of this ordinance to review the density, scale and spacing of buildings, and the traffic circulation and parking pattern within the development to ensure that adequate light, air, privacy, community space, landscaping and open space for passive and active recreation are provided within the development.

#### 2202.00 Definitions

#### 2202.01 Housing for Older Persons (HOP)

A development qualifies as HOP when in compliance with all applicable Federal, State and Local laws, regulations and rules. Section 2200.00 of Brookline's zoning ordinance references some specific statutes, rules and requirements. The Fair Housing Amendments Act of 1988, 42 U.S.C. 3607(b)(2), as amended, including the Housing for Older Persons Act (HOPA) of 1995, supports the Town of Brookline's requirement that restrictions shall be established in legal covenant and approved by Town Counsel, which restricts the occupancy of units within a development specifically designed for older persons as defined in RSA 354-A:15 III. where units are intended for, and occupied solely occupied by, persons 62 years of age and older by at least one person 55 years of age or older per unit. Housing for Older Person developments must meet all the standards of this ordinance as described herein. HOP is an Open Space/Cluster development and is an Innovative Land Use Control as set forth in RSA 674:21, I,(f) and subject to additional requirements found in Brookline's zoning ordinance and site plan regulation.

# 2202.02 <u>Undeveloped</u>

Land that has not been subject to any man-made change including, but not limited to, building, mining, dredging, filling, grading, paving, excavation or drilling operations.

#### 2203.00 Sitting Requirements

### 2203.01 <u>Development Tract Size</u>.

A single parcel of land with a minimum of twenty (20) ten (10) contiguous acres of land. Multiple lots must be consolidated prior to approval under this ordinance. As an Overlay District, and requiring a single parcel of land, HOP developments are exempt from the single dwelling per building lot requirement of the zoning ordinance, as approved by the Planning Board following Site Plan review and recorded at the Hillsborough County Registry of Deeds (HCRD). Land divided by a legally accepted or dedicated pre-existing public road shall not be deemed contiguous. Following approval, the development site may not be re-subdivided.

#### 2203.02 <u>Development and Unit Requirements.</u>

a. Open Space – There shall be an open space component to every housing for older persons development. At least forty (40) twenty (20) percent of the total tract area must be set aside as permanently protected open space for low-impact recreation, conservation, agriculture or forestry-related uses. No more than 45% of the required open space can consist of wetlands or slopes exceeding 25%.

At least fifty (50) percent of the required open space area shall be available and managed for the passive or active recreational activities of the residents. This area may consist of walking trails, informal meeting areas, gardens, active recreation areas, or other recreational amenities.

The open space shall be either conveyed to an association of unit owners in the development, or, where the Planning Board finds it in the public interest, this land may be conveyed to the Town (subject to approval of the voters at Town Meeting) or shall be permanently protected in other suitable ways which would ensure the continued use and maintenance of the land for its intended purpose.

## b. <u>Dimensional Requirements</u>

1. <u>Frontage</u>: Tracts being developed for Housing for Older Persons developments require at least fifty (50) feet of frontage on a public road.

## 2. <u>Dwelling Unit Density</u>:

a) Residential/Agricultural District: Each dwelling unit requires a minimum of one-half (.5) acre of contiguous non-steep slope upland associated with it. Adequate and appropriate on-site space must be provided for parking, buildings, wells, septic systems and all other infrastructure and utilities, regardless of the maximum allowable density.

The tract must be able to accommodate wells and septic systems for all units in a manner that meets Brookline and State of New Hampshire requirements. Community well and septic systems are permitted provided they meet all Brookline and State of New Hampshire requirements.

b) Commercial/Industrial District: There shall be no more than six (6) bedrooms per acre of usable land. Adequate and appropriate onsite space must be provided for parking, buildings, well, septic systems and all other infrastructure and utilities, regardless of the maximum allowable density. Community well and septic systems are permitted provided they meet all Local and State requirements.

#### 3. Site Perimeter Buffer:

- a) Residential/Agricultural District: Each development must be situated within a permanently protected undeveloped site perimeter buffer, identified on the site plan, not less than 50 feet wide or a value as deemed necessary by the Planning Board on back and all boundaries of the original parcel except for access to connecting roads, which, unless it is already wooded and satisfactory to the Planning Board, must be planted and landscaped so as to provide a visual barrier between the development and adjacent properties. The Planning Board may require additional buffer width where unique circumstances of an abutting use or property warrant. The site perimeter buffer shall not count towards the required minimum protected open space.
- b) Commercial/Industrial District: When abutting residential/agricultural properties, each development must provide a permanently protected undeveloped buffer not less than 50 feet wide from the common property line or a value as deemed necessary by the Planning board on the boundaries of the original parcel except for access to connecting roads, which, unless it is already wooded and satisfactory to the Planning Board, must be planted and landscaped so as to provide a visual barrier between the development and adjacent properties. The Planning Board may require additional buffer width where unique circumstances of an abutting use or property warrant. The 50 feet buffer shall <u>not</u> count towards the required minimum protected open space.
- 4. <u>Setbacks and unit separation</u>: All structures shall be set back at least 25 feet from the 50-foot site perimeter buffer. In addition, developments located on public roads must meet the standard building setbacks as specified for the applicable district in the Brookline Zoning Ordinance. All housing units One (1) story buildings must be separated by at least twenty-five (25) thirty-five (35) feet. Two (2) or more story buildings must be separated by at least thirty-five (35) feet.

#### 5. Unit Standards:

a) Residential/Agricultural District: There shall be no more than two (2) bedrooms per dwelling unit. Each One (1) bedroom units must contain at least five hundred-fifty (550) square feet of heated living space. Two (2) bedroom units must contain at least seven hundred and fifty (750) square feet of heated living space. Units may be single and detached or attached in duplex fashion, with a maximum of two four (4) units per building. Attached garages and breezeways are acceptable but do not count towards the minimum required living space. Each building with dwelling unit(s) must can be a one or a two-story structure.

b) Commercial/Industrial District: There shall be no more than two (2) bedrooms per dwelling unit. One (1) bedroom units must contain at least five hundred-fifty (550) square feet of heated living space. Two (2) bedroom units must contain at least seven hundred and fifty (750) square feet of heated living space. Units may be single detached or attached in duplex fashion, or be part of an apartment building. Each apartment building must not be more than a 3-story structure.

The following standards will be reviewed in accordance with the Town of Brookline site plan regulations and/or design guidelines:

#### c. Building Design

Architectural renderings of a typical unit, the community center and all accessory buildings shall be provided to the Planning Board for evaluation in accordance with the site plan review regulations and design guidelines to ensure that the proposed development is appropriate in scale and arrangement in relation to the underlying district, the prominence of the site, viewsheds, adjacent land uses and the surrounding neighborhood.

## d. Landscape Plan

A landscaping plan describing the number, species and location of all plantings within the site perimeter buffer and the development itself shall be submitted for the Planning Board's review. No invasive species may be used as planting materials.

#### e. Parking

There shall be a minimum of two (2) one (1) off-street parking space per dwelling unit. Where deemed to enhance the appearance, design and functionality of the development, shared driveways for up to four (4) dwelling units are acceptable.

### f. Pedestrian Linkage and Circulation

The use of interconnecting walkways, trails and natural walking paths

shall be an integral part of all Housing for Older Persons developments. These pedestrian amenities shall be designed to facilitate access between housing units, the Community Center, active recreation areas, open space areas and public trails, and ways that may exist outside of the development, and provide access to stores/businesses when an HOP development is part of a commercial/retail development. Primary (paved) walkways in proximity to housing units and the Community Center shall meet American with Disabilities (ADA) requirements. Natural walking and hiking trails are exempt from this requirement.

#### g. Lighting

All roads, primary walkways and access to buildings shall be adequately lighted. The use of "full cut-off" lighting is required. Every effort shall be made to prevent light trespass, nuisance glare and over illumination due to excess wattage or inappropriate light fixtures. A lighting plan shall be submitted for the Planning Board's review, which shall be consistent with the standards found in the current lighting ordinance and site plan regulations. Lighting of common and public areas shall be independently controlled from that for the residential units.

#### 2204.00 Community Center

#### 2204.01

Community Center requirements. Each Housing for Older Persons development must provide a Community Center intended to serve as the locus of community life and activities for the residents. Whenever possible, the Community Center shall be centrally located in relation to the housing units. The Community Center must be a minimum of one thousand (1,000) square feet in size, and must include an activities / social room as well as a kitchen, laundry room and bathroom facilities. The main entrance to the community center must be handicapped accessible. The community center requires one parking space to be provided per 200 sq.ft. of interior heated space. At least two handicapped parking spaces must be provided adjacent to the handicapped accessible main entrance.

## 2205.00 Safety Considerations

### 2205.01 <u>Unit Identification</u>

Each dwelling unit identification shall be subject to final approval from the Brookline Emergency Management Director.

#### 2205.02 <u>Common Driveway Identification</u>

All common driveways must be identified with signage and markers per the requirements of section 1806.00, Common Driveways, of the Brookline Zoning Ordinance; and section 7.4, Common Driveways, of the Brookline Driveway Regulations.

#### 2206.00 Exemptions

Housing for Older Persons developments shall be exempt from the Brookline Growth Management Ordinance, due to the minimal impacts on Town services associated with this type of development.

#### 2207.00 Compliance

It is the responsibility of applicants to certify at the time of an application before the Planning Board that a development will comply with all applicable rules and regulations established by the New Hampshire Human Rights Commission, for age discrimination in housing, including, if required by the Human Rights Commission, that every development shall provide significant facilities and services specifically designed to meet the physical and social needs of older persons, or if the provision of such facilities and services is not practicable, that such housing is necessary to provide important housing opportunities for older persons, as set forth in NH Administrative Rules Hum 302.03, as the same may from time to time be amended. Furthermore, while the Planning Board will not define what constitutes significant facilities and services, information that may be required by the Human Rights Commission in evaluating an application shall be submitted to the Planning Board, including a description of applicable provisions of the Human Rights Commission administrative rules and regulations, and whether there are requests for exemptions.

In the event the foregoing 62 55 year old age restriction is determined to be in violation of the laws of the State of New Hampshire, then in order to qualify as Housing For Older Persons, the development must contain an age restriction that complies with New Hampshire RSA 354-A:15, and as the same may from time to time be amended.

Every Older Persons development shall certify annually their full compliance with the age requirements set forth in this section and the method for determining compliance shall be incorporated in the Association Documents, and approved by Town Counsel. A notarized legal copy of the annual age certification shall be provided to the Towns designated enforcement body (Selectboard/Code Enforcement Officer) and to the Planning Board, to verify compliance.

## 2208.00 Enforcement, Conflict and Severability

Enforcement, conflict and severability shall be in accordance with Sections 2400.00, ENFORCEMENT, 2800.00, CONFLICT and SEVERABILITY of the Brookline zoning ordinance. Additional enforcement action under applicable local, state and federal law shall insure full compliance with the purpose and intent and specific requirements of the Housing for Older Persons ordinance and Brookline's Land Use Laws.

#### INDEPENDENT AUDITOR'S REPORT

To the Members of the Selectboard Town of Brookline Brookline, New Hampshire

#### Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, each major fund, and aggregate remaining fund information of the Town of Brookline as of and for the year ended December 31, 2013, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Town's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Town's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### **Opinions**

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and aggregate remaining fund information of the Town of Brookline as of December 31, 2013, and the respective changes in financial position and the budgetary comparison for the general fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### Other Matters

Management's Discussion and Analysis - Management has omitted a Management's Discussion and Analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by the missing information.

Town of Brookline Independent Auditor's Report

Other Information - Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Brookline's basic financial statements. The combining and individual fund financial schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining and individual fund financial schedules are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual fund financial schedules are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

The following people were elected from the floor

<u>Surveyor of Wood & Lumber</u>: On a motion by George Foley 2<sup>nd</sup> Rena Duncklee,

We elected Clarence Farwell Surveyor of Wood & Lumber.

HAND VOTE-YES

Melendy Pond Authority: On a motion by Peter Cook 2<sup>nd</sup> Grace LaBombard, We elected Russell Haight to the Melendy Pond Authority.

HAND VOTE-YES

**Sexton:** On a motion by Rena Duncklee 2nd George Foley, We elected Clarence Farwell as Sexton.

**1.** (**By Ballot**) Are you in favor of the adoption of the following amendments as proposed by the Planning Board for the Town of Brookline Zoning Ordinance as follows?

#### Amendment No. 1

**200.0 0 DEFINITIONS** – Add all necessary definitions related to the revised Sign Ordinance

**YES-476** NO-101

### Amendment No. 2

**502.00 INDUSTRIAL-COMMERCIAL DISTRICT - Uses Permitted** – Subsection v., add the word "Commercial" to read: "Any *commercial* use which does not offend by emission of smoke, dust, gas, noise, odor, or fumes".

YES-457 NO-127

### Amendment No. 3

1600.00 SIGN ORDINANCE: Revise the entire Sign Ordinance to give the Planning Board more flexibility when reviewing a sign application YES-450 No-134

### Amendment No. 4

**1700.00 HOME BUSINESS** – Subsection 1702.05, add "*at any one time*" to read: "Home Business shall be conducted by the resident, resident members of the owner's family, a resident tenant, or resident members of the tenant's family. Two employees *at any one time*, in addition to home inhabitants, are permitted to work on the premises."

YES-504 NO-95

 $\bf 3.$  To hear reports of the Select board and other Town Officers and Committees. Rena Duncklee made a motion,  $2^{nd}$  George Foley

Selectboard member Darrell Philpot & Finance Committee Member Brian Rater spoke to the Article

HAND VOTE-YES

#### MOTION PASSED

**4.** To see if the Town will vote to raise and appropriate the sum of \$31,600 for the purpose of repairs to the exterior and interior of the Brookline Annex (the old ambulance and fire station building) at 4 Main Street, or take any action relative thereto. This will be a non-lapsing appropriation per RSA 32:7, VI

And will not lapse until December 31, 2017. If approved, the amount to be raised and appropriated under Article #7 will be reduced by \$7,910.

Judy Cook made a motion, 2<sup>nd</sup> Keith Thompson. Selectboard member Brendan Denehy spoke to the article.

HAND VOTE YES-113 NO-57

### MOTION PASSED

**5.** To see if the Town will vote to raise and appropriate the sum of \$14,600 for the purpose of removing the Brookline Annex (the old ambulance and fire station building) at 4 Main Street, or take any action relative thereto.

Jack Flanagan made a motion to **PASS OVER** Article #5, 2<sup>nd</sup> Eric Pauer.

**6.** To see if the Town will vote to establish a revolving fund pursuant To RSA 31:95-h, for the purpose of police special details. All revenues received for police special details will be deposited into the fund and related expenses will be paid from the fund. The money in the fund shall be allowed to accumulate from year to year and shall not be considered part of the Town's general fund unassigned fund balance. The town treasurer shall have custody of all moneys in the fund and shall pay out the same only upon order of the Selectboard and no further approval is required by the legislative body to expend. Such funds may be expended only for the purpose for which the fund was created. Furthermore, to raise and appropriate the sum of \$12,500 for this purpose, or to take any action relative thereto. If approved, the amount to be raised and appropriated under Article #7 will be reduced by \$25,000.00

Selectboard member, John Carr spoke to the Article, 2<sup>nd</sup> Richard Gribble.

HAND VOTE

#### MOTION PASSED

**7.** To see if the Town will vote to raise and appropriate the sum of \$4,032,939 to defray charges for the ensuing year and make appropriations of the same. If article #4 passes, this article will be reduced by \$7,910. If article #6 passes, this article will be reduced by \$25,000. Selectboard member, Darrell Philpot made a motion to **\$4,041,090**. Town Administrator, Tad Putney spoke to the article. 2<sup>nd</sup> Rena Duncklee.

HAND VOTE-YES MOTION PASSED

**8.** To see if the Town will vote to raise and appropriate the sum of \$75,500 for the purpose of hiring a full-time Fire Chief for the Town of Brookline, or take any action relative thereto. Said sum includes salary and benefits for eight (8) months of 2014. The amount raised will be incorporated into the fire department and personnel operating budgets for accounting purposes.

Charles Corey moved the question as written 2<sup>nd</sup> David Flannery.

Peter Bretschneider made a presentation on behalf of the fire department.

Secret Ballot- Yes 98 No-107

#### MOTION FAILED

Cindy Gorgoglione made a Motion to reconsider Article 8. Marie Liberty 2<sup>nd.</sup> HAND VOTE MOTION FAILED

**9.** To see if the Town will vote to raise and appropriate the sum of \$60,000 for the purpose of road/bridge improvements, or take any action relative thereto. This will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until December 31, 2017. Jerry Farwell made a motion 2<sup>nd</sup> Keith Thompson HAND VOTE

#### MOTION FAILED

**10.** To see if the Town will vote to raise and appropriate the sum of \$290,000 to construct approximately 2,750 feet of sidewalk on Milford Street (from Austin Road to the Safety Complex). Said appropriation will be offset by a Federal Transportation Enhancement Grant in the amount of \$232,000 and \$58,000 from general taxation. This will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until December 31, 2017.

Selectboard member Susan Adams made a motion to amend the article to read as follows: "To see if the Town will vote to raise and appropriate the sum of \$215,000 to construct approximately 2,750 feet of sidewalk on Milford Street (from Austin Road to the Safety Complex). Said appropriation will be offset by a Federal Transportation Enhancement Grant in the amount of \$172,000 and \$43,000 from general taxation. This will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until December 31, 2017." The Select board and Finance Committee fully support this Article.

### Explanation:

Between 1990 and 2010, Brookline taxpayers spent over \$261,000 for the construction of new sidewalks. During that same time period, nine neighboring towns (including Hollis, Milford and Amherst) received over \$8 million in what are called "Transportation Enhancement" grants to help build sidewalks and the like. Despite Brookline's comparatively explosive growth during that time, we had not received any financial assistance for such projects.

Rather than continuing to build small sidewalk segments annually – *fully funded* by *Brookline's taxpayers* - the Select board decided in 2010 to apply for its own Transportation Enhancement grant to substantially increase the sidewalk network along Route 130.

At the March 2010 town meeting voters overwhelmingly passed an article that appropriated \$89,400, which was the town's required 20% match for the \$447,000 grant. The approved funds were set aside and scheduled to lapse at the end of 2013 if not spent.

Construction on one of the two sidewalk segments – along Main Street – was completed last year, but the early arrival of winter did not allow for the construction of the new sidewalk segment along Milford Street before year-end.

Given the funds approved in 2010 lapsed at the end of 2013 into the Town's General Fund, this warrant article is needed to re-appropriate the funds to complete this much needed project.

If approved tonight, the grant will enable us to build 2,750 feet of sidewalk within three months at a cost to the Town of about \$15 per foot. If rejected, future construction of such a sidewalk would cost the Town four to five times as much and take many years to complete.

We urge your support on this important step to increasing the safety for pedestrians, bicyclists and motorists along a heavily traveled portion of Route 130.

Richard Gribble made a motion, 2<sup>nd</sup> Selectboard member Brendan Denehy HAND VOTE

#### MOTION PASSED

11. To see if the Town will vote to establish a contingency fund for the current year for unanticipated expenses that may arise and further to raise and appropriate \$7,500 to go into the fund. This sum to come from fund balance and no amount to be raised from taxation. Any appropriation left in the fund at the end of the year will lapse to the general fund.

Selectboard Member, Brendan Denehy made a motion, 2<sup>nd</sup> Rena Duncklee Alan Rosenberg made a motion to amend to read: To see if the Town will vote to establish a contingency fund for the current year for unanticipated expenses that may arise and further to raise and appropriate up to \$7,500 to go into the fund.

This sum to come from fund balance and no amount to be raised from taxation. Any appropriation left in the fund at the end of the year will lapse to the general fund. 2<sup>nd</sup> Webb Scales.

HAND VOTE Yes-59 No-60

#### MOTION FAILED

**12.** To see if the Town will vote to raise and appropriate \$2,500 for the construction of the Brookline Historical Society Barn, or take any action relative thereto, to be overseen by the Brookline Historical Society and further authorize the withdrawal from the William H. French Legacy Fund for this purpose.

### Explanation:

During 2013, the Select board conducted research of the town's various trust funds. As a result of its research, it found details of a fund that was established in 1924 known as the William H. French Legacy Fund. The Fund - started with \$600 - was allowed to be used "for the benefit of the Town of Brookline as the voters may direct at the annual town meeting."

The last time this fund appears to have been used was in 1955 when \$250 was used to paint a cemetery fence.

Following the completion of its research, the Select board was approached by the Brookline Historical Society and asked to use \$2,500 from the Fund for the purpose of aiding in the building of the Historical Society Barn. The barn will be used, in part, to store town artifacts.

As of the end of 2013, the Fund had a balance of \$7,015.30.

Selectboard member Susan Adams made a motion. 2<sup>nd</sup> Keith Thompson.

Selectboard member Susan Adams spoke to the Article.

HAND VOTE

#### MOTION PASSED

**16.** Shall we modify the elderly exemptions from property tax in the Town of Brookline, NH based on assessed value, for qualified taxpayers, to be as follows: for a person 65 years of age up to 75 years, \$70,000; for a person 75 years of age up to 80 years, \$105,000; for a person 80 years of age or older \$140,000. To qualify, the person must have been a New Hampshire resident for at least 5 years, own the real estate individually or jointly, or if the real estate is owned by such person's spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of not more than \$30,000 or, if married, a combined net income of not more than \$40,000; and own net assets not in excess of \$75,000, excluding the value of the person's residence. (RSA 71:39-b) Ann Webb made a motion. 2<sup>nd</sup> Keith Thompson. Peter Cook from the Board of Assessor's spoke to the Article.

HAND VOTE

#### MOTION PASSED

17. Shall we modify the exemption for the disabled? The exemption, based on assessed qualified taxpayers, shall be \$70,000. To qualify, the person must have been a New Hampshire resident for at least 5 years and own and occupy the real estate individually or jointly, or if owned by a spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of not more than \$30,000 or, if married, a combined net income of not more than \$40,000; and own net assets not in excess of \$75,000, excluding the value of the person's residence. (RSA 72:37-b)

Ann Webb made a motion. 2<sup>nd</sup> Judy Cook

HAND VOTE

#### MOTION PASSED

To see if the town will vote to accept the following legacies:

- 1.) The sum of \$300.00 for the perpetual care of the Lefebvre Lot #44A in Pine Grove Cemetery.
- 2.) The sum of \$200.00 for the perpetual care of the Fish Lot #179 in Pine Grove Cemetery.
- 3.) The sum of \$1,800 for the perpetual care of the Abt Lot #353A in Pine Grove Cemetery.
- 4.) The sum of \$3,600 for the perpetual care of the Whitcomb Lot #253 in Pine Grove Cemetery.

Karl Dowling made a Motion. 2<sup>nd</sup> Ernie Pistor

HAND VOTE

#### MOTION PASSED

### **19.** (By Petition) To request that the town of Brookline urge:

That the New Hampshire State Legislature join nearly 500 local municipalities and 16 other states, including all other New England states, in calling upon Congress to move forward a constitutional amendment that 1) guarantees the right of our elected representatives and of the American people to safeguard fair elections through authority to regulate political spending, and 2) clarifies that Constitutional Rights were established for people, not artificial entities such as corporations.

- -that the New Hampshire Congressional delegation support such a constitutional amendment.
- that the New Hampshire State Legislature support such an amendment once it is approved by Congress and sent to the State for ratification.

The record of the vote approving this article shall be transmitted by written notice to Brookline's congressional delegation, and to Brookline's state legislators, and to the President of the United States informing them of the instructions from their constituents by the Town Administrator's office within 30 days of the vote.

Charlotte Pogue made a motion. 2<sup>nd</sup> Keith Thompson Melanie Levesque spoke to the Article.

John Liska moved the question. 2<sup>nd</sup> Eric Pauer

HAND VOTE **NO-55** YES-45 **MOTION FAILED** 

**20.** To transact any other business that may legally come before said meeting. Rena Duncklee made a motion.  $2^{nd}$  Keith Thompson Richard Gribble said there was a math error on page 66 under exemptions in the Town Report.

Under Elderly exemptions it says 30. At the bottom of the page it lists 31.

Ann Webb made a motion to adjourn. 2<sup>nd</sup> Ernie Pistor Meeting adjourned at10:30 pm

# Monies raised and appropriated-\$4,303,850.00

Respectfully submitted,

Patricia Howard-Barnett Brookline Town Clerk

WEEKENDS 133 CALLS (34% of total calls)
MASON: 106 CALLS (27% of total calls)

We would all like to thank Wesley Whittier for his 24 years of service with the Brookline Ambulance Service. Throughout his time the ambulance service has seen many positive changes. Wes has been instrumental in bringing the level of

care higher to Advanced and Paramedic ALS level of care. We have 2 ambulances that are equipped to the required ALS level. Wes was also instrumental in overseeing the building of the Safety Complex.

In 2014 Phil Winters passed away. Phil was one of the original members and helped to start up the Brookline Ambulance Service. He spent many dedicated years on the ambulance service with his wife Ann.

This year our call volume has continued to increase. We had our highest number at 387 calls.

The ambulance service has 1 Full Time Paramedic and 1 Full Time Paramedic Director; the other times are covered by volunteers. Our volunteers receive no compensation for the time they provide to the community. Their time commitment is invaluable to the community and they provide the highest level of care.

I would like to thank Glenn Spargo, Jessica Shea, and Richard Gribble for taking the additional time to bring their training up to the Advanced EMT level. David Muse Jr. has taken the Advanced EMT course and is in the final testing phase. Congratulations and thank you all for the time you have put into this training.

The annual refresher program was held in the fall. Our Paramedics have to take time out of their regular jobs and complete 48 daytime hours of a refresher course. Our EMT members dedicate a full weekend - 24 hours Friday night through Sunday night - to complete the required training to renew their certification. Thank you all for your time spent on this.

We are happy to announce we have 2 new members that are taking the EMT class. They will be finishing up in the spring and will assist in covering the schedule. We are always looking for new volunteers. It is a large time commitment to complete the training however, I would like to note our members have long term service. We do provide the training for Brookline residents if you are able to provide the time. If anyone is interested please feel free to call or stop in at the Safety Complex for more information.

I would like to the members of the Brookline Ambulance for the highest level of care they provide to their patients. For the many hours of ambulance duty they provide days, nights, weekends, second ambulance calls. And thank you to their families who support them for the many missed birthday parties, holidays and the many times they drop everything and run out the door for someone in need of assistance. I thank our members for the support I have received in my new position of Director; your support is invaluable.

Respectfully submitted,

Lee Duval, Paramedic Ambulance Director

# BROOKLINE CONSERVATION COMMISSION 2014 Year in Review

Another busy year came to a close for us with the end of 2014. Land purchased, trail projects completed, grants applied for (some we got!), free guided hikes, and a new member are just a few things that were on our plate the past 12 months. Here's a quick year in review:

Two parcels of land located in the Palmer-Bartell Preserve in the northwest corner of town were added to town lands early in the year, and a free guided hike was offered in May. A third adjacent parcel added in late 2013 bring the total for new lands in this area of town to almost 65 acres, for a total of over 500 acres the greater Palmer-Bartell Preserve. If you have traveled the rail trail path north into Milford, or parked at the Rt. 13 parking area near Hood Rd., you have already experienced this great area of town. Numerous trails exist within the previously owned parcels, and existing trails are already present in the recently purchased areas.

A visit to Hollis/Brookline High School was a fun treat for one of our members in March. Sharing what we do for the town with our local high school teens was a great way to spread the word on how natural resource conservation happens at multiple levels within our town, state, and country. A fun group of kids in Ms. Rotelli's ecology class were a pleasure to visit. Hope their interest was piqued and they visited some town lands over the summer.

During April vacation week, we hosted the 17th Annual Town Clean-up Week and look forward to carrying on this tradition in 2015. Never participated? Here's how it works: select your favorite road, borrow traffic safety vests, pick up brightly colored refuse bags to fill and then leave along the roadways for pickup. This is a great way for individuals, families, or organizations to give back to everyone in Brookline. Don't want to walk a road? Consider adopting a trail to walk along and clear sticks along the way. There's never a shortage of work to be done!

May brought us a native fish restoration project with 1,000 adult Alewife (a fish commonly called river herring) deposited in Lake Potanipo through a collaboration between NHFG and USFWS. They are working to move Alewife from coastal NH rivers to areas that had historically been home to these migratory fish before dams stopped their natural upstream spring migrations. Transporting of fish will occur annually every spring for a few years with the goal of re-establishing an Alewife population to Lake Potanipo. The pilot year of this program was a success as young Alewife were seen leaving the lake into the Nissitissit River this fall!

Spring also brought us progress in the southern part of town with on-ground

work beginning at the new Cider Mill Pond Trailhead entrance along Rt. 130. This endeavor is being led by Christian Santoski's Eagle Scout project. The parking area and information kiosk are completed, a roadside sign will complete the project in 2015. This established trailhead will offer a place to park before exploring the Hobart-Fessenden Woods. This area can also be reached via Pope Rd., off of Rocky Pond Rd. and will give you over 350 acres full of trails to explore. Another Eagle Scout project is underway at 'Camp Flannery' on Cleveland Hill Rd. This Conservation Commission owned site abuts the existing Talbot-Taylor area just south of Lake Potanipo. Zan Aslett's project there will eventually transform this cluttered cabin site into a meeting spot for area groups to enjoy nature.

Summer monthssaw some of our favorite water bodies getting some special treatment. This summer the state of NH surveyed Melendy Pond and Lake Potanipo for the invasive plant aquatic milfoil. Our contractors spent time on each water body putting divers in the water and pulling the plants out by the roots, which is generally coupled with a herbicide treatment for problem areas later in the year. If not treated physically and chemically, this non-native plant has the potential to take over and 'clog' the water with it's thick growth resulting in negative ecological changes and a decrease in recreational value. The Lake Host program (nhlakes.org) at Lake Potanipo is another safety step used to check boat traffic for milfoil and other invasive aquatic plants.

Representatives from our group have attended several meetings since the summer months to address proposed routes for the KinderMorgan natural gas pipeline project through southern NH. We will continue to follow the progress of this proposed project and stay informed of local discussions. Anyone concerned is welcome to contact us with natural resources focused on Brookline. A good website to educate yourself on the topic is NHPipelineAwareness.org.

A new section of old rail trail was reclaimed as of Labor Day between S. Main St. and Bohannon Bridge Rd. This joint effort with Beaver Brook Association opened 3,500 feet of overgrown rail trail to non-motorized use. The original railway was constructed in 1892, cut off from the rest of the trail when it was abandoned in 1939, and had the steel taken up in 1942 to aid WWII. This wide and flat trail can easily be accessed with parking at the Oak Hill Ballfield and is family friendly. Approximately 1/2 mile long, it crosses a new bridge over Stickney Brook and can even be followed north across S. Main St. to the Sunoco station and Dr. Davis ice cream for a mid-hike snack!

Fall brought us our one and only fundraiser of the year, the Ghost Train Rail Trail Race! We're pleased to report that this year the 30-hour race collected over \$7,000 for us to put right back into the trails. Hundreds of runners from across the country, and even some international travelers, descended on Brookline and Milford to run the 7.5 mile rail trail system between the two towns. These

runners could choose any multiple of 15 miles up to 90, or go for the elusive 100 mile option. These are amazing athletes to support, consider joining us next year as we continue the tradition of supporting them while they give back to us by fundraising for the trails we all love. A heartfelt thank you to our Brookliners who made it possible: the Dougherty family, the Putney family, and the Brookline Women's Club.

We would like to welcome and introduce out newest member. Tom Rogers officially joined in late 2014, after attending several summer meetings, and we're looking forward to having him be a part of the BCC. More helping hands are always welcome to aid with the forward motion we're striving for, welcome Tom! Anyone interested in becoming a member can attend a few meeting to see what it's all about. If you have no time to formally volunteer, we always have small projects that we can use assistance on. Tell us your expertise and we'll try our best to use it.

We were able to close the year with our third and final land acquisition of the year. The purchase of 15 acres between the Nissitissit River and Potanipo Rail Trail was finalized late December 2014. This purchase aids in protecting the shoreland and upland buffer area of the river, as well as providing an area available for town use adjacent to an existing and accessible rail trail section between S. Main St. and Bohannon Bridge Rd. This purchase brought our 2014 land acquisition totals to 3 parcels for a total of 74.1 acres.

With about 2,000 acres of land managed by the Brookline Conservation Commission, there is no shortage of places to discover. Did you know you can hike from the Oak Hill Rd. Ballfield to CSDA? Have you checked out the rail trail's old granite railroad bridge buttress, now supporting a new bridge, just north of Scabbard Mill Brook Rd.? Just north of this location you can find old railroad ties still in place along the trail too. Have you seen the Great Blue Heron rookery near Cider Mill Pond in the summer? Miles of trails are available in the northeast part of town near Melendy Pond. As always, please respect posted private property and feel free to ask us any questions about access or parking. Our trail map is a great place to start learning what is available to enjoy. Paper maps are available for free at town hall, or get one digitally through the town website.

To volunteer or get more information about any of our projects or lands please contact Kristen Austin atkristen@brookline.nh.us, or call603-673-8855 x 216. Find us on the town website atwww.Brookline.nh.us, or on Facebook at www.facebookcom/BrooklineConservationCommissionNH.

# 2014 ECONOMIC DEVELOPMENT COMMITTEE -THE YEAR IN REVIEW

Since chartered In April 2012, the Economic Development Committee (**EDC**) has met once a month and continued to have individual and successful meetings with Brookline business owners and organizations such as the Brookline Lions Club and the Hollis-Brookline Rotary Club. A forum was held in collaboration with the Planning Board with the goal to gather input from the Brookline Seniors regarding lodging options for the older population. This meeting led the Planning Board to spend numerous hours revisiting the *Housing for Older Persons ordinance*. The amendments will be submitted to Brookline voters at the March 2015 town meeting.

In order to keep Brookline residents and businesses informed of our efforts, the EDC created a *Newsletter* that is being distributed to all post office routes and boxes. Many businesses have offered their support by providing articles and photos – Another great way to put their name out there and get some publicity! The newsletters are all available on the Brookline website which is being viewed by many people and organizations outside Brookline. We want them to know what a great town Brookline is, to live and work.

Welcome to Brookline! Last year, the EDC put together a "Welcome Packet" with valuable information about Town services, boards and committees, clubs, and local resources. Many Brookline entrepreneurs are taking the opportunity to advertise their business by providing coupons and promotional materials that are included in the packet. Since created in 2013, the packets have been hand delivered to new Brookline residents by Committee members who have received a lot of positive comments. Welcome Packets are also available at the Town Hall.

The EDC provided assistance to the Recreation Committee for the *Old Home Days* by putting together flyers and programs that were distributed all around town and through back packs at both elementary schools. Advertisement in local newspapers and on several local and regional websites resulted in attracting many new vendors. Town departments, committees and clubs also joined the crowd of exhibitors during the event that was very successful.

The Committee renewed its membership with the *Souhegan Valley Chamber of Commerce*. Again this year, the Town of Brookline, represented by the EDC, was among the 200+ exhibitors at the *Southern New Hampshire Business Expo* that took place in October at the *Hampshire Dome* in Milford promoting the Town and its many businesses. The Expo, held on a Saturday, attracted a very large crowd of visitors and the EDC booth was busy all day long. This year we innovated by grouping all Brookline exhibitors together as a "Village" and "Welcome to Brookline" signs were created and displayed on our "street". Our

presence was valued by the many Brookline residents and business owners as well as noted by numerous visitors from surrounding towns.

The EDC continued working on promoting the *Brookline Chapel* and created a "*Wedding Guide*" that includes pictures of the building and of a "real" wedding ceremony. Here again, Brookline businesses offering wedding related services are being promoted with contact information and photographs. The guide provides all the necessary steps in order to get married in New Hampshire.

*Did you know?* The Chapel is also available for many other types of events or celebrations such as christenings, concerts or art expos. The guide is available at the Town Hall and on the Brookline website.

The EDC encourages Brookline businesses to get involved and contribute to the economic development of our wonderful town by attending the meetings and sharing their ideas.

# By working together, we can achieve great things!

On behalf of the current Economic Development Committee:
Susan Adams, Selectboard
Melanie Levesque, Business Owner
Dana MacAllister, Planning Board
Donna Marsh, Realtor
Ron Pelletier, Planning Board & Business Owner
Tad Putney, Town Administrator
Valérie Rearick, Town Planner
Steve Russo, Realtor
Gale Taylor, Business Owner

"Promote balanced, long-term economic development, which reflects and enhances the character of our community"

# BROOKLINE EMEGENCY MANAGEMENT 2014 ANNUAL REPORT

I would like to thank Wesley Whittier for his 24 years of dedicated service working in Emergency Management. He has kept us up to date with all of our state required reports. He also started BERT (Brookline Emergency Response Team). This is more commonly known as CERT. The BERT team once again proved instrumental in assistance with the Thanksgiving storm of 2014. Having just started my new position and having training scheduled for WebEOC, they came through and assisted me with updating info directly with the state. One member even came in on Thanksgiving to assist! Fortunately, for everyone, this storm only lasted a few days with power outages and members of BERT assisted the community as needed. The BERT group assists in many ways - traffic details at events, assisting the PD as requested, helping set up at blood drives, checking people in, assisting them to the canteen and breaking down after the drives. During 2014, they participated in Dante's Dash, Jordan's Walk, 4<sup>th</sup> of July parade, the blood drives, school evacuations drills and the Thanksgiving storm. BERT does continuing education throughout the year.

Remember: in the event of an emergency be prepared for at least 72 hours at home possibly without power. Information on readiness is available at ReadyNH.gov. If you do not get Code Red messages and would like information available during the storm or emergency event, please sign up for Code Red on the Town website homepage. We also just launched a facebook page named Brookline Emergency Management Agency NH. This will provide readiness information and local updates. The state of NH has launched an app for phones, androids, and iphones if you would like information. It is regional information available at NHAlerts.

Please keep your street numbers visible for all Emergency Services. In the event of an emergency, time is of essence and you do not want any delays due to improper markings. Remember with heavy snowfall numbers can be covered.

The Emergency Management Director works closely with the Police and Fire Departments on the RMMS and CSDA Safety Committees throughout the year. We will continue this effort in the future.

BERT is looking for volunteers to assist with town disaster situations and health emergencies. If you are interested please contact me at 672-6216.

Respectfully submitted,

Lee Duval Emergency Management Director

#### FINANCE COMMITTEE REPORT

The Brookline Finance Committee is now at the end of our first year under the new "staggered terms" in which only one of the three positions will be up for reelection each year. This will provide the committee with continuity in the long term as the entire committee is less likely to be completely new from one year to the next.

Brookline as a town is doing very well and the town budget is less than most towns of our size due to our strong base of volunteers, particularly in the Fire Department and Ambulance Service. The town continues to actively look for new recruits for these departments and we strongly encourage anyone interested to contact Scotty Knowles (Fire Department) at 672-8531 or Lee Duval (Ambulance Service) at 672-6216.

Both the town and schools have benefited from a positive change in health care costs this year. After many years of double digit increases, cost increases are now in the manageable 2-4% range.

Offsetting this somewhat are increases in necessary contributions to retirement plans. There are many factors that have combined to significantly increase retirement costs in recent years, but one is that the retirement fund had been significantly underfunded for many years. This was due to the state management of the funds as the state directs how much employers need to contribute. Another factor is that the amount that the town and school contributes changes depending on the investment return that the fund is currently earning. The investment return is calculated by averaging the return over the last five years, meaning that we are still putting in more to make up for lower earnings during the recession.

The Finance Committee also continues to encourage the town and school to explore more ways to purchase equipment and supplies in bulk and to enter purchasing cooperatives with other government entities to secure lower prices. The Brookline School District budget is down approximately 5% this year. In part this reflects a modest decline in student population in the lower grades (1st through 4th), which we have been seeing for the last couple of years.

The Brookline School District has two bonds. The first is a \$5.3 million bond for construction of Captain Samuel Douglass Academy (CSDA) that was issued in 2000. The bond has an interest rate of 5.3% and is scheduled to be paid off in 2019. The other is a \$408,500 bond with an interest rate of 2.32% for the CSDA roof repairs. This bond was taken out in 2012 and will paid off in 2022.

The Hollis Brookline Cooperative School District has 4 bonds. One bond, for \$3.2 million, was issued in 2001 to build an addition to the high school. This will be paid off in 2016. Two bonds, totaling \$10.8 million, were issued in 1997 to

pay for a major high school expansion will be paid off in 2017. The remaining bond, for middle school renovations, was issued in 2005 for \$7.7 million and will be paid off in 2025.

While the Finance Committee does not oversee the Hollis Brookline Cooperative School District, we did play a role in the apportionment process that concluded in January.

Last year, the Coop School Board voted to create an Apportionment Committee to look at the existing formula for apportioning the cost of the Coop between the two towns and making recommendations for any changes, if needed.

The committee was made up of 12 members, with 6 from Hollis and 6 from Brookline. There was one member each from the Brookline Selectboard, Hollis Board of Selectmen, the Brookline Finance Committee and the Hollis Budget Committee. Additionally, there were two members from the Coop School Board and two from the Coop Budget Committee (each board sent one member from Brookline and one member from Hollis). Finally, there were two individuals from each town who were appointed by the Coop School Board. Michael Harris from the Hollis Budget Committee served as the Chairman. Brian Rater from the Brookline Finance Committee served as Vice Chairman.

The process was lengthy and complex. The committee met every other week over the summer and into the fall. The formula that was finally adopted is known as 95/5/100 and information about what it means and how it was derived is available at sau41.org.

# BROOKLINE FIRE DEPARTMENT 2014 Town Report Letter

This year the Brookline Fire Department began our year with the loss of retired firefighter Tom Dwyer, after his courageous battle with cancer. Our thoughts and prayers continue to go out to his family.

As summer began, Brookline Fire Department responded to a house fire. While en-route to the scene, we were notified of a male subject trapped in the residence. Upon arrival, we were notified by Brookline Police Officer John Noel that the male subject was trapped in the basement. We were able to locate the young man quickly by using a Thermal Imaging Camera. This camera was purchased with money raised by the Brookline Fire Department Association through the solicitation letter that is sent out to all residents and businesses in the Town of Brookline every fall. We have you, the residents of Brookline, as well as those who attend our fundraisers, to thank for your continued support. Without your support we would be unable to raise funds to purchase such valuable lifesaving equipment.

The Brookline Fire Dept. has awarded plaques to three of our members for the selflessness and bravery they demonstrated in saving this young man's life. Those members were Deputy Chief David Flannery, Lieutenant JP Royea, and Firefighter Phil Soletsky. These three volunteers entered the burning building, with the Thermal Imaging Camera and located the unconscious young man, pulling him to safety before he was attended to and transported to the hospital by the Brookline Ambulance. Although the house was a total loss, the young man is alive today. The entire Brookline Fire Department received a Unit Award given to them by Chief Corey. JOB WELL DONE. It takes many hours of training and time away from their families to accomplish what these fine men and women did on that day in June. The department did an outstanding job of containing the fire and making sure everyone returned home safely. The skills and devotion displayed by the Unit are an inspiration to all, and we take great pride in that accomplishment.

We are extremely proud of the members of this department, as many members received awards this year. Firefighter Ricky Montgomery received the Class 3 Medal of Valor award from the State NH Honor of Merit Committee. While Ricky was enjoying a relaxing Saturday afternoon with family and friends, tragedy struck. Ricky jumped into action in response to the diving accident by a young man at Melendy Pond. Ricky jumped into the water to hold the young man above water and hold traction until the medics were on the scene. This young man was flown to a Massachusetts Hospital by life flight where Ricky was told by the doctors and nurses that if he had not done what he did, chances are the young man would not be with us today.

We would also like to recognize Deputy Chief Scott Knowles for his award of Souhegan Valley Firefighter of the year, as well as Radio Operator Sheryl Corey for receiving the N.H. State Grange Public Service Award for cooking in all the storms we have had over past several years.

We would like to thank all the residents of Brookline for their continued support.

We would like to thank all of the Mutual aid towns that gave us the aid when called upon. Thank you to the Brookline Select Board and Town Administrator for their continued support. Thank you to Brookline Ambulance Service, Brookline Police Department, the Road Agent and the road crew for all of their efforts and continued support.

Thank you to Wes Whittier for many years of service and wish him a very happy retirement.

Thank you to JP Royea for keeping the Fire Station clean, and to Mrs. Polly Duprez for doing her best to keep us organized.

Thank you to the Brookline Fire Department Association for their continued efforts in fundraising. This year the Fire Association has worked hard to construct a Firefighter's Memorial that commemorates Honorary Members, All past and present members, all Chiefs past and present and Fallen Firefighters lost in the line of duty. All funds, material and labor used in the construction of the memorial were supplied by donations or funds raised by fundraisers. We have a little ways to go with raising funds to finish this memorial but hope to have it finished in the spring, which is when we hope to have a dedication

The Board of fire Engineers would like to express their sincere thanks to the families of the firefighters for their uncompromising support and understanding. This year the members of the fire department devoted 2045 hours for Calls and 1133 hours for training. As you can see being a member of the Brookline Fire Department requires a considerable amount of time away from our families and loved ones to fulfill the responsibilities that are required by the department including training, fundraising, and time spent at calls for the residents of the town of Brookline. Maintaining a call department means long hours for the members, but serves the purpose of keeping the budget low, thus reducing taxes for town members.

This year we are asking for your support on warrant article # 8, for a full-time Chief position.

Respectfully,

Brookline Board Fire Engineers Charles E. Corey Sr, Fire Chief David Flannery, Deputy Fire Chief Dave Santuccio, Captain

# Fire Calls

The Brookline Fire Department responded to a total of 240 calls, which resulted in a total of 2,405 firefighter hours through November 30<sup>th</sup>, 2014, and 1,133 Training hours. The following is the breakdown of the calls.

| House/Structure    | 3  | CO Detectors        | 18 |
|--------------------|----|---------------------|----|
| Chimney            | 4  | Brush/Illegal Burn  | 7  |
| Public Assist      | 4  | Water/Ice           | 2  |
| Car Accidents      | 34 | Mutual Aid Given    | 21 |
| Wire/Trees         | 20 | Alarm Activation    | 36 |
| Gas/Propane/Oil    | 12 | Electrical          | 1  |
| Other              | 25 | Mutual Aid Received | 2  |
| Car Fire           | 5  | Smoke Check         | 11 |
| Assist Ambulance   | 7  | Service Request     | 28 |
| Assist Police Dept | 2  | _                   |    |

In 2014, there were 179 Seasonal Burn Permits issued. The Seasonal Permits may be renewed during the week at the Brookline Fire Station and expire December 31, 2015.

Anyone wishing to obtain a Seasonal Burn Permit for the first time may contact Chief Corey.

# HOLLIS COMMUNICATIONS CENTER 2014 Annual Report

The Communications Center, located in the Hollis Police Station at 9 Silver Lake Road, is your link to all Town services, in both emergency and non-emergency situations. The Center is open 24 hours a day, seven days a week and is staffed with 7 full-time and 2 part-time Communications Specialists to service your needs. The Communications Center operates under the direction of the Communications Center Advisory Board. If you are interested in a tour of the Communications Center please contact Manager John DuVarney at 465-2303.

| Full Time Personnel                      | Experience |
|--|------------|
| Manager John DuVarney                    | 39 years   |
| Supervisor Robert Dichard                | 29 years   |
| Communications Specialist Matthew Judge  | 28 years   |
| Communications Specialist Ross Rawnsley  | 19 years   |
| Communications Specialist Anna Chaput    | 17 years   |
| Communications Specialist Robert Gavin   | 7 years    |
| Communications Specialist Jayne Belanger | 12 years   |
| Part Time Personnel                      |            |
| Communications Specialist Richard Todd   | 34 years   |
| Communications Specialist Norma Traffie  | 15 years   |

In 2014, the Communications Center answered a total of 35,499 calls for service. This showed an increase of 19% from 2013.

The Communications Center is very much committed to keeping our personnel current in training. Training that our Specialists completed this year includes: Media Relations, PTSD in Veterans, Next Generation PSAP, Team Building, Calls from Children, Intoxicated Callers, Bomb Threats, Compassion Fatigue, 911 More than a Job, Suicide Intervention, Boat Accidents, Know your Geography, Active Shooter, and CodeRed. This training program has been very beneficial to all dispatchers.

The Communications Center also provides a Senior Citizen Response Program. This program has proved to be very successful. When you sign up for this program you will be given a specific time to call the Communications Center every day. If we don't receive a call from you, we will call your residence. If there is no answer a police officer will be sent to your residence. This program will also give us specific medical conditions that you might have and will assist the medical responders prior to their arrival. If you would like to sign up for this

program please contact John DuVarney, Manager Hollis Communications Center at 465-3636.

On behalf of the staff at the Communications Center, we wish to extend our sincerest appreciation to Town of Brookline for their continued support.

Respectfully submitted,

John V. DuVarney, Manager

Communications Advisory Board Police Chief James Sartell, Chairman Fire Chief Richard Towne Director of Public Works Thomas Bayrd

# BROOKLINE PUBLIC LIBRARY 2014 Annual Report

2014 was a very successful year for the Library, with improvements to the collections, the grounds, and the building; the increase of our Internet presence; and important equipment upgrades; all which will help us to better serve our townspeople in the coming years.

One hundred seventy-one new library cards were issued, bringing our total membership to 2,944. The Library saw increases in patrons' downloading of eBooks and audiobooks, online catalog searches, and items loaned to other libraries. We added 3,856 items to the collection, which now numbers 33,384 titles in the main library building. The Library expanded its social media presence with the addition of a Twitter account in December 2014.

The Town's repair of the Annex will allow the Library to continue to house books there for the use of the residents.

The Library conducted a full range of programs for children and adults. Some of the most popular programs were the Soup's On Night, Sci-Fi Saturdays, Drop In Lego clubs, I SCREAM ice cream social, Pie Olympics, and Miss Jackie's musical story times. In October, the Library hosted Sebastian Lockwood for the retelling of Homer's Odyssey. Children in the Summer Reading Program spent over 640 hours reading books.

Special administrative efforts included updating our Employee Handbook, which was reviewed and approved by the Board, and the implementation of direct deposit. Additionally, the Library overhauled its technology, updating PCs and monitors with Chrome boxes and books.

The Friends again provided the Library with 16 museum passes that used by members. The favorite pass was Squam Lakes Natural Science, followed by the Children's Museum of Porsmouth, Boston Children's Museum, and finally the Ecotarium.

Eileen Labak joined the Library board as Secretary in June 2014.

The Board plans to review the present Library building's capabilities and consider alternatives for the future.

With Library Director Myra Emmons and her very capable staff, joined by our Friends supporters and volunteers, we look forward to another successful year serving the needs of Brookline's residents in 2015. The Library Board appreciates the continued support of the Selectboard and the efforts of the town administrative and departmental staff on behalf of the Library.

Respectfully Submitted,

Ed Cook, Chairman Steve Russo David Partridge Louise Price Eileen Labak

| TOTAL RECEIPTS:  | \$7,191.37                    |
| EXPENSES:  |                               |
| WATER TESTING AND TREATMENT<br>ROAD REPAIRS<br>BANKING EXPENSE | 1,669.20<br>3,744.88<br>40.00 |
| TOTAL EXPENSES:  | \$5,454.08                    |
| CASH ON HAND - DECEMBER 31, 2014:                              | \$23,776.82                   |

The assessed valuation of the buildings on the Melendy Pond Authority for 2014 was \$949,000 with an anticipated tax return to the town of \$31,175.

Peter Webb, Chairman Randolph Haight, Secretary Russell Haight, Treasurer Peter Cook Francis LaFreniere Carol Anderson-Farwell Pam Austin, Lessee Representative

# **NOTICE**

If you own real estate lots that were involuntarily merged by municipal action, you may be able to have those lots restored to their pre-merger status.

Your property may qualify if two or more lots were merged for zoning, assessing, or taxation purposes and the merger occurred:

- During your ownership, without your consent; or
- Prior to your ownership, if no previous owner consented to the merger.

To restore your property to pre-merger status, you must:

- Make a request to the local governing body
- No later than December 31, 2016.

#### Once restored:

 Your properties will once again become separate lots; however, they must still conform to applicable land use ordinances. Restoration does not cure non-conformity.

#### This notice must be:

- Posted continuously in a public place from January 1, 2012 until December 31, 2016, and
- Published in the 2011 through 2015 Annual Report.

Read the full statute at RSA 674:39-aa Restoration of Involuntarily Merged Lots.

In a region with a long and storied history, the Nashua Regional Planning Commission strives to honor the past and preserve its historic traditions while working to make the region the best possible place to live, work, and play both today and for the benefit of future generations. The NRPC provides comprehensive planning services for local land use, transportation, and environmental planning efforts, and delivers extensive mapping and data assistance utilizing the latest technologies. Membership in NRPC allows communities to access customized services by request as well as resources such as:

- **Transportation Planning**: Grant writing, custom traffic counts and data, transportation modeling, intersection analysis, road safety audits, road surface management system, parking studies.
- Land Use Planning: Customized land use board training and materials, draft ordinance and regulation review, special projects and research assistance, fact sheets, guidebooks and educational resources, master plan consultation, and project scoping.
- **Data and GIS Mapping:** Demographic data and analysis, mapping data and standard map sets, GIS community needs assessments, production of annual tax maps and NRPC Live Maps.
- **Environment and Energy:** Group energy purchase for municipal and school facilities, consultation for local Energy Committees, MS4 Permit coordination, household hazardous waste collections.

In 2014, NRPC launched our new website at <a href="www.nashuarpc.org">www.nashuarpc.org</a>. The site is intuitive to navigate and information is easier to find. It promotes understanding about NRPC: our mission, our services, and the value we provide. The site contains a wealth of data resources presented in a modern, creative, and interactive manner to meet the evolving expectations of our communities. For each of our core planning areas, Transportation, Land Use Planning, GIS, and Environment, there are pages that summarize our service offerings with illustrative work examples. In addition, there is a transportation data viewer, a searchable Document Library and new flagship application called Live Maps that allows users to create their own parcel level maps.

# In 2014, NRPC provided the following services to the Town of Brookline:

#### **TRANSPORTATION**

**Traffic Data Collection** – NRPC collected traffic counts at 11 locations within Brookline. Eight of these counts were collected in cooperation with NH Department of Transportation to support the Highway Performance Monitoring System. The data that was collected included total traffic volume at all 8 locations. NRPC staff also collected speed, volume and directional traffic data at

3 additional locations to support an application for Transportation Alternative Program (TAP) funding. The 3 locations include 2 on Old Milford Road and 1 on NH130. NRPC staff has also collected data at other locations in recent years to support various town requests. Historical data for all locations may be found at <a href="http://www.nashuarpc.org/trafficcount/index.htm">http://www.nashuarpc.org/trafficcount/index.htm</a>.

**Transportation Improvement Program (TIP)** – NRPC develops and maintains the TIP so that federal highway transportation dollars are available to Brookline and the rest of the region. Throughout 2014, NRPC carefully monitored the status of Brookline projects in the TIP to ensure that project information and changes initiated by NHDOT were communicated to the Town staff. NRPC monitored and processed amendments to the NH130 sidewalk construction project to ensure on time delivery of the project.

**2015-2040 Metropolitan Transportation Plan (MTP) -** NRPC develops and maintains the MTP so that federally funded and regionally significant transportation projects can be advanced towards design and construction. The MTP lists multimodal projects over a 25-year planning horizon and is the source from which specific projects are identified, prioritized and selected for funding through the Ten Year Plan and TIP. This is a critical step to ensure federal highway transportation dollars are available to Brookline and the rest of the region. NRPC is working to advance projects through the transportation planning process which improve accessibility and enhance mobility of Brookline residents.

**Souhegan Valley Transportation Collaborative (SVTC)** - NRPC continues to support the SVTC. NRPC was again awarded federal transit administration funds to assist the expansion the operation of the service. This grant allowed SVTC to evaluate expansion opportunities to other communities in the region while maintaining its level of service to the residents of Brookline. It also provided the flexibility to increase the number of destinations served by the service. This service is available to eligible residents of Brookline. Learn more at <a href="http://souheganrides.org/">http://souheganrides.org/</a>.

**Road Safety Audits -** NRPC provided traffic data and technical support to the Town for the Road Safety Audit for NH13/NH130 intersection.

## **GEOGRAPHIC INFORMATION SYSTEMS (GIS)**

**Data Services** – NRPC continues to maintain an authoritative digital GIS basemap for the region. NRPC completed a region-wide set of building footprints in 2014, and continued to maintain an authoritative inventory of conserved lands and trail data for Brookline.

**Custom Hard-Copy Maps and Analysis** – NRPC continues to provide ad-hoc mapping services. In 2014, NRPC GIS Data and mapping support to Selectmen and Conservation Commission on the proposed Northeast Energy Direct pipeline, and provided mapping assistance with LCHIP application.

**Applications** – MapGeo, NRPC's award-winning Live Maps App, is a public-facing resource for property information in the region. The Town of Brookline's website features a prominent referral link to this resource. NRPC's Transportation Data Viewer hosts the most up-do-date traffic counts and transportation project information, in an easy-to-use Google Interface.

Training and Workshops – For town employees, NRPC hosted a Live Maps demo onsite in Town Hall. Later in the year, NRPC hosted the free, instructor-led classroom training, "Introduction to American Factfinder with Thematic Mapping." We also continued the quarterly GIS Brownbag Lunch Series, an informal knowledge-exchange among GIS users in the region. Geared towards municipal GIS users and open to the public, each meeting features general news and announcements, followed by a guest speaker or open group discussion on a particular GIS project or topic. In 2014 NRPC developed expertise in CommunityViz scenario planning software and presented a regional build-out model to our towns.

## LAND USE AND ENVIRONMENT

**Household Hazardous Waste Program -** On behalf of the Nashua Regional Solid Waste Management District, NRPC conducts six HHW collections each year to allow residents to properly dispose of hazardous products. Five of the events were located at the Nashua Public Works Garage and one was held in Milford. Residents of Brookline may attend any of the six events.

In 2014, a total of 1,623 households participated in the HHW collections District-wide; of those, 78 households came from Brookline. The number of households from Brookline participating in HHW collections has increased over the past 10 years and in 2014, participation was the highest it has been to-date. District-wide, participation rates in 2014 were the 3<sup>rd</sup> highest they have been in the past 10 years and the highest they have been since 2007.

The Solid Waste District manifested a total of 84,799 pounds of waste during the 2014 collection season. Non-latex paint is the most common item received (50.3%). Solvents and thinners were the second most common item (37.9%). Lawn and garden products were the third most common item (25.3%). In comparison, Brookline residents brought 39.7% non-latex paint, 28.2% solvents and thinners, and 21.8% automotive products.

**Electricity Supply Aggregation** - The Town of Brookline is a member of the Nashua Region Electricity Supply Aggregation. The goal of the Aggregation is to purchase electricity as a group from a competitive supplier at a lower rate than each member could receive on its own. By purchasing as an aggregation, municipalities and school districts can offer electricity suppliers a larger demand than if they each tried to purchase electricity individually. The larger demand, in turn, allows suppliers to offer a better rate to the aggregation than it could to individual members.

The Nashua Regional Planning Commission serves as an aggregator to facilitate a bid process among competitive electricity suppliers licensed with the NH Public Utilities Commission. Each aggregation member signs its own contract with the supplier for a fixed electricity supply rate. Rates and contracts are identical for each member within a given electric distribution territory.

In 2014, NRPC worked with aggregation members to obtain a 9-month competitive electricity supply contract running from February to November 2014. Savings among aggregation members varied based on usage. Individual 9-month savings resulting from the 2014 bid process ranged from \$863 to \$35,201; the Town of Brookline is anticipated to save \$2,146. Total combined 9-month savings for members of the aggregation are \$165,781 or 19.4% compared to the utility rate.

# 2014 PLANNING BOARD REPORT -THE YEAR IN REVIEW

The Planning Board's mission is to ensure compliance with Planning and Zoning regulations and ordinances when reviewing site plans and subdivision applications and to provide excellent customer service. The Board also revisited the regulations and ordinances to ensure compliance with State and Federal regulations while trying to maintain a balance between the rights of landowners and the residents' vision to maintain the rural character of Brookline.

The Board meets once a month, on the third Thursday. Meetings are open to the public and there is always the option of watching the meetings on TV or the broadcasts live via the internet from the comfort of one's home!

#### Welcome on Board!

In May, **Eric Bernstein** was appointed as an Alternate Member by the Selectboard. Eric jumped right in and chose to sit on the Board for the 3-year term vacant position.

# Town Regulations and Ordinances

The Planning Board, in collaboration with the Economic Development Committee and after collecting comments from residents including many seniors during a Forum held in the summer, spent numerous hours revisiting the *Housing for Older Persons (HOP) ordinance*. One important modification is to change the age requirement for residents from 62 to 55 years and older. Other changes are to allow HOP in the commercial/industrial district with some incentives to developers when such projects are be part of larger commercial/retail developments. Amendments will be submitted to Brookline voters at the March 2015 town meeting.

The Board revisited the outdated *Excavation Site Plan Regulations*, which are now in compliance with the NH State rules. Lastly, the *Driveway Regulations* were amended to make access to new dwellings safer for residents and emergency personnel by matching maximum slope requirements already in place for common driveways.

#### Cases Reviewed

The Board held public hearings for the following applications:

#### Businesses:

Gerald Farwell, *Barrel Mill* – Approved in July
David Beauchamp, Firearms store – Withdrawn by applicant
Kelly Murphy, *Décor & You* – Approved in August
Steven Eberhard, *Nashua Precision Tools* – Approved in September
Judith & Forrest Milkowski, *EZBillNow* – Approved in October
JPM Real Estate, LLC, *Dunkin Donuts* – Conceptual consultation phase

#### Lot Line Adjustments and Subdivisions:

Ernest Felzani, 8-lot subdivision – Approved in January
Philip Chandler, Canney Hill, changes to Phase III – Approved in January
George Razzaboni, Large subdivision (conceptual) – Waiver in January
Gerry Tanguay, 4-lot subdivision – Approved in January
Albert Patenaude, Revocation of workforce housing subdivision plan – July
Bennett Chandler, 4-lot subdivision – Approved in September
David Farwell, 2-lot subdivision – Approved in September
Gorski/Beck, lot line adjustment – Approved in September
Thomas Moran, 4-lot subdivision – Approved in November

Other Reviews included construction and maintenance road bonds for existing subdivisions.

# Capital Improvement Plan

This year, again, the Capital Improvement Committee (CIC) prepared an extensive plan that was presented to the Selectboard and Finance Committee for their consideration during their budget meetings in the fall. The Board wants to thank the Committee's members: Alan Rosenberg who has been the CIC's Chair for many years, Ann Somers, Karl Dowling and Jack Flanagan for their work.

# On behalf of the entire Planning Board and Staff:

Dana MacAllister, Co-Chair
Alan Rosenberg, Co-Chair
Brendan Denehy, Selectboard Ex-Officio
Ronald Pelletier, Member
Richard Randlett, Member
Eric Bernstein, Alternate
Judy Cook, Alternate
Valérie Rearick, Town Planner & Administrative Assistant
Kristen Austin, Recording Secretary

# BROOKLINE POLICE DEPARTMENT 2014 Year-End Report

To the Residents of Brookline;

I am pleased and honored to present this report, on behalf of the members of the Brookline Police Department. Its content is a source of great pride and, in no small part, reflects the results of the communication and cooperative relationship we maintain with our community.

In 2014, Brookline Officers responded to almost 15,000 calls for service. To put that number is perspective, it is approximately twice the number we handled in 2012. The increase in attributable to many factors, two of which are; greater officer presence and observant citizens. We continue to boast a full staff, lending us the ability to provide greater patrol coverage during all shifts. Likewise, calls from citizens, informing us of potential or occurring concerns, further enhance policing proficiency.

Again in 2014, the Brookline Police Department participated in projects, funded by grants from New Hampshire Highway Safety. DWI Patrols, Operation Safe Commute, and Speed Enforcement Patrols resulted in an additional patrol car during peak times. No doubt, the extra coverage factored greatly into the 48% reduction in traffic accidents, compared with 2013.

By virtue of its connectivity to the Massachusetts border and larger, surrounding communities, Route 13 remains a pathway of concern for potential drug transportation. Please rest assured; our officers are highly alert to this area and have effected several drug related arrests over the past year. We will remain vigilant in our efforts to thwart this, and all, drug activity in our community.

Again, we thank the citizens, officials and departments who have partnered with us, in support of a safe and cohesive community. We pledge to continue to serve with great pride and collaborative accomplishment.

Respectfully submitted,

William H. Quigley III
Chief of Police

#### 2014 SELECTBOARD REPORT

2014 was marked by progress in a number of noteworthy areas. Following approval by voters at town meeting, funds were spent on three town buildings that resulted in a marked improvement in their appearance. The old fire station/ambulance bay on Main Street received much-needed enhancements. These included mold remediation in the interior, a new roof, and painting of the exterior. As a result, the building, which has served multiple functions in the center of town back to at least 1875, will continue to serve the town for years to come. The town hall also received an exterior painting that noticeably enhanced its appearance and will protect it from the elements and the fire station received a new roof over the main portion of the building.

A new sidewalk was constructed along Route 130 to the recently expanded Safety Complex with 80% of the costs covered by grant funds. When combined with the new sidewalk on Main Street that was constructed in late 2013, approximately one mile of new sidewalks has been added to provide enhanced opportunities for safe walking, biking, and running in the center of town.

In late 2014, the Selectboard applied for another sidewalk grant that would add another two segments of new sidewalk. One would be along Route 130 from South Main Street to Bohanon Bridge Road and the second would be along Old Milford Road up to Rocky Pond Road. These sidewalks were also identified as priorities in Brookline's 2009 Sidewalk and Trail Connection Plan. The Board expects to hear in February 2014 if the Town has been approved for this latest grant, which would also provide 80% of project funding.

The Selectboard continues to pursue safety enhancements at the intersection of Routes 13 and 130 with the NH Department of Transportation. In 2014, signs were relocated to provide better line-of-sight at the intersection. A study was also completed that identified the need for left turning lanes along Route 13 at the intersection and that construction can be completed at no cost to the Town. The Board continues to push for the completion of both engineering and construction of the turning lanes by the conclusion of 2015.

The Selectboard and police union completed negotiations on a new contract during 2014. The police union and Town had been at an impasse since the prior contract expired at the end of 2011. In exchange for their first pay raise in four years, the union agreed to significant changes in health insurance so that all town employees will now be on the same insurance plan. Additionally, officers have agreed to pay 15% of their health insurance premiums in 2015 and 2016 and 20% in 2017 – which is up from 0% presently. The Selectboard is pleased with the terms of the contract and asks that residents support the new contract at town meeting.

During 2014 the Selectboard supported two specific efforts to help address the Town's tax rate. Two members of the Board served on the Cooperative School District Apportionment Committee, which developed a new formula for apportioning COOP taxes between Hollis and Brookline. While the new formula recently approved for the next five years may not have provided as much tax relief as Brookline taxpayers sought, a reduction in taxes was achieved. Significant time and effort was spent on this difficult project and the Board thanks those residents who served on the committee.

In a second area, the Board supported the Planning Board's efforts to modify the current ordinance related to senior housing. In order to better promote senior housing, the Town has taken steps to reduce the age requirement for such housing. We believe this change will allow for a greater probability that senior housing will be built in Brookline and therefore provide our seniors with a viable option for downsizing to reduce their tax burden while continuing to live in Brookline.

This past year also brought with it a surprise in the form of a proposed gas pipeline through Town. During the year plans for the pipeline changed and in the latest form involve a 36-inch underground pipeline running through the northernmost portion of Brookline. The Selectboard has reached out to the other 16 NH towns that would be impacted by the pipeline and is leading an effort to coordinate efforts across the impacted towns to protect our interests and take the necessary steps to prepare for the pipeline should it be approved by federal regulators. The Selectboard has also put forth a warrant article that seeks funding that will provide the funds necessary to both protect the Town's interests and oppose the pipeline.

This past year was also marked by the retirement of Wes Whittier, who served the town in multiple roles for over 24 years. In addition to serving a period as Building Inspector, Wes served most of his time as Ambulance and Emergency Management Director. During his tenure, he was a master at recruiting volunteers for the Ambulance Service and providing them with the training they needed to serve Brookline well. As the Board spoke to individuals outside of Brookline during the process to search for a replacement for Wes, it became clear that Wes had built – with the help of his staff and volunteers - the best volunteer ambulance service in New Hampshire. The Board shares in the great pride Wes had for what he built here in Brookline and it looks forward to working with his successor, Lee Duval, at continuing this tremendous asset for the Town.

Brookline continues to enjoy the dedicated service of our town employees at the town hall, transfer station, library, police, fire and ambulance services. Brookline is also fortunate to have many active volunteers that serve on the ambulance service, fire association, planning board, zoning board of adjustment, board of assessors, supervisors of the checklist, recreation commission, conservation

commission, library trustees, finance committee, facilities committee, capital improvements committee, Brookline emergency response team (BERT), Souhegan Valley Transportation Collaborative, Brookline school board, Hollis Brookline COOP board and budget committee and we thank all of them for their hard work on the Town's behalf.

We also thank all who are active in youth sports, Scouts, the Friends of the Library, the Fourth of July parade, fireworks, Christmas tree lighting, Old Home Days, and the fishing derby. Brookline is fortunate to have the active support of the Brookline Women's Club, Souhegan Valley Karate Club, Hollis Brookline Rotary Club and the Brookline Lions Club for our community programs.

We also express our sincere gratitude to all members of the armed services – both past and present.

Respectively Submitted,

Darrell Philpot, Chair Susan Adams, Vice-Chair Karl D. Dowling John J. Carr Brendan Denehy

#### 2014 TOWN HISTORY COMMITTEE REPORT

The Brookline Town History Committee was chartered by the Selectboard in 2013 to research, organize and recommend to the Town the best way to update the Town History in time for our 250th anniversary in 2019.

There are more than 100 years to cover, as the last historical account, commonly known as the Parker History (after its author Edward E. Parker) was published in 1914.

The Committee has met monthly since May of 2013, with an initial focus on what such a history should encompass, how it should be researched, its potential costs, the content and cost of other recently published town histories, and the lead time needed for publishing. Additional research has included leveraging the insight and resources of the Brookline Historical Society, the Brookline Public Library, the archives of the Milford Cabinet, and the New Hampshire Historical Society in Concord, and research in Nashua into what other towns have included in their recent history updates.

In 2014/15, members have gone to the Nashua History Fair and an Oral History Workshop in Hopkinton. Moreover, committee members have conducted oral interviews with several citizens, and been in contact with some town volunteer groups. Many more will be contacted this year. In 2014, the committee purchased a portable scanner for \$200 to allow us to scan items while conducting these interviews.

Last year, we recommended that when the Committee Charter is updated, the committee membership be enlarged to include up to 11 members. The Selectboard accepted that recommendation and we are currently at nine members.

Members serving in 2014/2015 are Keith Thompson, Robert Ottavi, Scott Grzyb, Nancy Reinbold, Peter Cook, Dan Marcek, Donna Corey, Vicki Pope and Eric DiVirgilio.

The project's final cost depends mostly on the content and quality of the book and will likely be a primary factor in determining the book price. Based on our research into recent projects by other New Hampshire towns, we are anticipating writing, editing and publishing costs and are recommending that the Town continue with the program of putting \$10,000 per year aside for the project. This minimizes the impact on taxes and will allow the committee to access funds in a timely manner as project needs arise, and in accordance with the Town purchasing policy.

There are many opportunities for current and former Brookline residents to contribute to this important project. The Committee would gratefully welcome help with research, interview contacts, and topic suggestions of historic value. For example, we have a wonderfully unique contribution from Sandy Messore of Embellished Thread, who is making a History Quilt that will have a home at the Historical Society. The quilt will feature photo panels of Brookline History, as well as signature squares signed by Brookline residents. We encourage Brookliners to contact us to sign a square that will be featured on the quilt.

Consider attending one of our meetings! The next is Tuesday, March 17 at 6:30 pm at the Safety Complex Meeting Room, and future meeting times will be posted at <a href="http://www.brookline.nh.us/town-history-committee">http://www.brookline.nh.us/town-history-committee</a>.

We can also be contacted at <u>BrooklineHistoryCommittee@gmail.com</u>. How about sharing a Brookline-related thought, memory and/or picture on our Facebook page!

The Brookline Town History Committee, Keith F. Thompson, Chair

#### Town Treasurer's Report For the Year Ended December 31, 2014

### BROOKLINE SCHOOL DISTRICT WARRANT THE STATE OF NEW HAMPSHIRE

To the inhabitants of the School District of the Town of Brookline in the County of Hillsborough, State of New Hampshire, qualified to vote in District affairs.

YOU ARE HEREBY NOTIFIED TO MEET AT THE CAPT. SAMUEL DOUGLASS ACADEMY GYMNASIUM IN SAID DISTRICT ON MONDAY, THE **SECOND DAY OF MARCH, 2015**, AT SEVEN O'CLOCK IN THE EVENING TO ACT UPON THE FOLLOWING SUBJECTS.

Article 1. To see if the school district will vote to raise and appropriate a sum of **\$8,501,560** for the support of schools, for the payment of salaries for the school district officials and agents and for the payment of statutory obligations of the district. This appropriation does not include appropriations voted in other warrant articles. The school board recommends this appropriation (4-0-0). The finance committee recommends this appropriation (2-0-0).

<u>Article 2</u>. To see if the school district will vote to approve the cost items for the first year of a two year collective bargaining agreement reached between the Brookline School District and the Brookline Teachers Association (for the 2015-2016, and 2016-2017 school years) which calls for the following increase in **professional** salaries and benefits at the current staffing level:

Fiscal Year 2016 \$97,409

and further to raise and appropriate said sum of \$97,409 for the first fiscal year (2015-2016 school year), such sum representing the additional costs attributable to the increase in **professional** salaries and benefits required by the new agreement over those that would be paid at current staffing levels. This is the **first** year of a two year agreement. Negotiated cost item increases for Fiscal Year 2017 will require approval of a specific warrant article at the 2016 annual meeting.

The school board recommends this appropriation (4-0-0). The finance committee has taken no position on this appropriation (1-1-0).

<u>Article 3.</u> To see if the school district will vote to approve the cost items included in a three-year collective bargaining agreement between the Brookline School Board and the Brookline Education Support Staff Association (for the 2015-2016, 2016-2017, and 2017-2018 school years) which calls for the following increases in **support staff** salaries and benefits at the current staffing levels:

| Fiscal Year | Estimated Increase |
|-------------|--------------------|
| 2016        | \$27,272           |
| 2017        | \$28,087           |
| 2018        | \$34,482           |

and further to raise and appropriate the sum \$27,272 for the first year (2015-2016 school year), such sum representing the additional costs attributable to the increase in support staff salaries, fringe benefits and other cost items required by the new agreement over those that would be paid at currents staffing levels.

The school board recommends this appropriation (4-0-0). The finance committee recommends this appropriation (2-0-0).

Article 4. To see if the school district will vote to raise and appropriate a sum of \$10,000 from the June 30 unreserved fund balance (surplus) available for transfer on July 1 of this year to be added to the previously established SCHOOL FACILITIES MAINTENANCE FUND. The school board recommends this appropriation (4-0-0). The finance committee recommends this appropriation (2-0-0).

Article 5. Shall the voters of the Brookline School District adopt a school administrative unit budget of \$1,421,449 for the forthcoming fiscal year in which \$261,901 is assigned to the school budget of this school district? This year's adjusted budget of \$1,370,893, with \$259,899 assigned to the school budget of this school district, will be adopted if the article does not receive a majority vote of all the school district voters voting in this school administrative unit. The school board recommends this appropriation (4-0-0). The finance committee recommends this appropriation (2-0-0).

<u>Article 6</u>. To see if the school district voters will authorize the Brookline School District to access future year state and federal catastrophic aid funds in the event that special education costs exceed budget limitations. The school board recommends this article (4-0-0).

<u>Article 7</u>. To transact any other business which may legally come before said meeting.

### GIVEN UNDER OUR HANDS AND SEALS AT SAID BROOKLINE THIS 2nd DAY OF FEBRUARY 2015.

Ernie Pistor, Chair Christopher Adams Patricia Lynch Matthew Maguire Forrest Milkowski SCHOOL BOARD

A true copy of the Warrant attest:

Ernie Pistor, Chair Christopher Adams Patricia Lynch Matthew Maguire Forrest Milkowski SCHOOL BOARD

### BROOKLINE SCHOOL DISTRICT MEETING MINUTES March 5, 2014

<u>Article 1.</u> To elect all necessary school district officers for the ensuing years by official ballot on March 11, 2014.

Election of two (2) Members of the School Board for the ensuing three years.

Election of a School District Treasurer for the ensuing year.

Election of a School District Clerk for the ensuing year.

Election of a School District Moderator for the ensuing year.

Moderator Peter Webb called the annual school district meeting to order at 7:00 PM. The Pledge of Allegiance was recited and those who have served in the military were acknowledged. A moment of silence was held for those who are no longer with us. He acknowledged Coop Moderator Jim Murphy for a good job at the recent Coop meeting. The school Board was introduced. Chair Pistor presented retiring Principal Laurie Wenger with a bouquet of flowers and many thanks for her 19 years of service to the Brookline Schools, to which she received a standing ovation.

Article 2. To see if the school district will vote to raise and appropriate a sum of \$8,949,549 for the support of schools, for the payment of salaries for the school district officials and agents and for the payment of statutory obligations of the district. This appropriation does not include appropriations voted in other warrant articles. The finance committee recommends this appropriation (2-0). The school board recommends this appropriation (4-1-0). Ernie Pistor moved Article 2 as written; motion was seconded by a resident from the floor.

Forrest Milkowski presented the FY 2015 budget. There are no contracts for either professional or support staff. He gave an overview of the articles, the total of which will be \$9,206,182 if everything passes. This is a \$221,000 increase in appropriated funds if everything passes and results in a net impact of 1.1%. Programs and initiatives were discussed to save money; however, revenues have decreased.

Brian Rater, Finance Committee, stated the tax impact to the town would be 1.7% if all Brookline School District articles are adopted. If all warrant articles pass (Coop 5.8% and Town 3.9%) this will mean a \$375 increase on a \$300,000 home.

Chair Pistor noted that the majority of increases are due to special education, employee benefits (health insurance), security upgrades mainly to RMMS, and

changes in staffing. An all-day Kindergarten program will add \$60,000 to the budget, but will result in an \$80,000 increase in revenues.

Ken Landman asked if anything can be done to better control increases in special education, and Chair Pistor responded that by law, not a lot can be done.

Patti Smith expressed concern regarding teachers not getting raises this year. Her second concern was regarding merit based pay. She noted that collaboration stops and gave Dover's failure as an example. Mr. Milkowski responded that there have been a half-dozen meetings regarding concerns of competition versus collaboration, and there are ways to deal with it. The concept of "shared attributes" –all working toward a goal to meet objectives – where all staff would be rewarded versus a competitive climate, was addressed. He went on to say that it would be meritorious recognition for "above and beyond". Question was raised if this would eliminate step tables. Mr. Milkowski responded that nothing was concrete at this point and would be decided in negotiating sessions.

Brendan Dennehy commented that the printing and information contained in the town report was too small. He requested that more depth be presented in the budget. It was explained that the town report contained the information that is required by the state. Mr. Milkowski stated that the budget is posted on the SAU website and is complete in detail.

Dianne Fitzmaurice moved the question. One person was still in line so Moderator Webb acknowledged her. Erin Sarris asked how the adoption of Common Core impacts the budget. Chair Pistor responded that nothing has been purchased ahead of time to assure books will accurately reflect curriculum. Computer replacement is in the budget.

Another question was whether state funding is associated with test results. Dr. Moody said it doesn't change and there are no threats to reduce funding although Title I might be withheld. The card vote to approve Article 2 as presented (\$8,949,549) was in the affirmative.

Article 3. To see if the school district will vote to raise and appropriate a sum of \$10,000 from the June 30 unreserved fund balance (surplus) available for transfer on July 1 of this year to be added to the previously established SCHOOL FACILITIES MAINTENANCE FUND The school board recommends this appropriation. The finance committee recommends this appropriation (2-0-0). The school board recommends this appropriation (5-0-0).

Patricia Lynch moved and a second was made by a resident from the floor. Question asked as to how much is in the facility account. The balance is

\$79,388.71. Chair Pistor spoke to the motion. Window replacement will be necessary next year as well as a water filtration system at CSDA. RMMS will need a new roof. Diane Pauer asked what was the unreserved fund balance at end of last year. Answered: \$34,194. She suggested adding the verbiage "up to \$10,000" to the motion. Webb Scales moved to amend Article 3 that the school district vote to raise and appropriate an amount *up to* \$10,000, seconded by Forrest Milkowski. Motion carried by card vote.

Article 4. Shall the voters of the Brookline School District adopt a school administrative unit budget of \$1,348,588 for the forthcoming fiscal year in which \$255,180 is assigned to the school budget of this school district? This year's adjusted budget of \$1,354,043, with \$256,192 assigned to the school budget of this school district, will be adopted if the article does not receive a majority vote of all the school district voters voting in this school administrative unit. The finance committee recommends this appropriation (2-0-0). The school board recommends this appropriation (5-0).

Moderator Webb stated this article required a ballot vote and pointed out that next year's budget is less than the current year.

<u>Article 5</u>. To see if the school district voters will authorize the Brookline School District to access future year state and federal catastrophic aid funds in the event that special education costs exceed budget limitations. The finance committee recommends (2-0). The school board recommends this article (5-0-0). Brendan Dennehy moved; Keith Thompson seconded. Motion carried by card vote.

<u>Article 6</u>. To transact any other business which may legally come before said meeting.

Webb Scales moved that the school district budget in the town report be detailed enough to make it possible for townspeople to compare differences between previous year's budget and proposed budget. Seconded by Pat Lynch. No discussion and motion carried by card vote.

Forrest Milkowski commented that a budget hearing was held on January 28th. No one came. He stated the purpose of the budget hearing is for citizens to give input on the budget, and there is still time for changes to be made. He reiterated the importance of attending the budget hearings.

Moderator Webb announced the results of the vote on Article 4: Yes 108; No 0

Keith Thompson moved and Brendan Dennehy 2<sup>nd</sup> to adjourn. Motion carried.

Meeting adjourned at 8:35 PM

Doris Lindgren Acting School District Clerk

|                                |             |             |             |
| NET COST FOR SPECIAL EDUCATION | \$1,847,914 | \$2,075,915 | \$2,311,242 |

#### SUPERINTENDENT'S REPORT

For the past seven months, as Superintendent of SAU41, I have had many opportunities to visit all schools in the district. In each school I see fabulous examples of the 21<sup>st</sup> Century Learning Skills: communication, collaboration, critical thinking, and creativity. I find my time spent in the schools to be the most rewarding part of my position. Students are engaged in their education while fostering positive relationships with staff and peers. Witnessing education in action, I have attended a wide variety of school events, including plays, assemblies, athletic events, and induction ceremonies that have afforded me the opportunity to get to know SAU 41 staff, students, parents and community members.

As we move into the spring we will be providing the communities with an update on the progress we have made implementing the Strategic Plan for SAU 41. Three issues the SAU staff has focused on since my arrival are: the NEASC accreditation for Hollis Brookline High School, the apportionment study, and the advisory vote from the District Meeting regarding Common Core State Standards. The SAU is pleased to report The New England Association of School and Colleges will be visiting HBHS in March for our full decennial NEASC accreditation review. A sixteen member state-wide team will conduct a four day review to evaluate HBHS's core values and beliefs, curriculum, instruction, assessment, school culture and leadership, school resources for learning, and Apportionment Committee's community resources for learning. The recommendation was supported at a Special District Meeting held in January 2015. Lastly, the Cooperative School Board has formed a committee to review the Hollis Brookline Standards in relation to the Common Core State Standards. This work remains in progress and recommendations will be forthcoming in the spring.

The leadership of SAU 41 recognizes that the citizens and taxpayers of the District represent a dedicated, faithful group that make a sincere effort to support and maintain our schools. The communities of Hollis and Brookline have reason to be proud of the excellent academic instruction and extra-curricular activities in our schools.

The support from the school boards has allowed me to feel welcome and acclimate to SAU41 in a short period of time. I would like to acknowledge the hard work and effort of the budget committee members, community members and families, as well as our dedicated staff and students. Communication has been paramount in our work together and will remain a top priority as we move forward. I am confident that SAU 41 will continue to be one of the premier school districts in New Hampshire. As Superintendent of SAU 41, I have found this to be a truly rewarding and challenging experience and I look forward to continuing to lead this excellent school district.

#### BROOKLINE SCHOOL DISTRICT

The Brookline schools, comprised of Richard Maghakian Memorial School (PreK-Grade 3) and Captain Samuel Douglass Academy (Grades 4-6), strive to provide the best educational opportunities for all students to ensure their academic, social, and emotional growth through a rich curriculum, skilled instruction delivered by highly qualified teachers, and a strong parent/community partnership. To that end, teachers are committed to providing classroom experiences that are rigorous, foster higher levels of thinking, and encourage creative problem solving.

#### **CURRICULUM**

Teaching teams work with their grade level colleagues within the SAU to develop a guaranteed and viable curriculum that identifies the essential learnings for all students. School based teams monitor student progress through the use of common formative assessments and benchmark assessments. The results of the assessments are used by educators to improve practice, build the capacity of the teams to achieve its student learning goals, and provide the necessary support for all students

An effective literacy program prepares students to be lifelong readers and writers. Our teaching philosophy is a "Balanced Literacy Approach" whereby students acquire skills through a variety of lessons and activities integrating the areas of reading, writing, speaking, and listening through a Readers' and Writers' Workshop framework. Our classroom libraries are rich in narrative and informational texts that challenge students at all levels and foster their inquiry and desire to learn. Literacy at both RMMS and CSDA is celebrated through a variety of exciting events such as Read Across America; a fun-filled week including guest readers, school-wide reading, and student book reviews. Each spring, the Annual Writers' Festival is held at both schools. This special evening for parents provides an opportunity for students to proudly showcase their writing through a variety of formats: poetry, stories, essays, research reports, and class books.

Our math program provides a rich foundation and a rigorous course of study for students at all grade levels. The Harcourt Go Math series and the math curriculum checklist guide instruction of the standards required by the state as well as provide supplemental materials that enrich the curriculum. Each unit focuses on computation, problem solving, and critical thinking skills, and relates the concepts to the child's everyday life experiences. Common assessments inform instruction and allow teachers to analyze data to enhance student learning. Teachers in grades two through six also use the NWEA (Northwest Evaluation Association) MAP (Measures of Academic Progress) results to assist in differentiating instruction for students. "Hands on" materials such as Cuisenaire

rods, base ten blocks, pattern blocks, fraction bars, and decimal squares are used to introduce and support concepts across all grade levels. Technology enhances the curriculum as students access the computer or SMART board to introduce, reinforce, and demonstrate understanding of math concepts.

Students experience the science curriculum through an inquiry-based model, whereby they develop the questions about the world around them and seek to answer those questions through a thorough exploration of a given topic. The three areas of focus at each grade level are earth/space science, physical science, and life science.

The social studies curriculum offers students an exploration of four strands: civics and government, economics, history, and geography. This rich exposure is supported by interdisciplinary projects that allow students to demonstrate their social studies knowledge through projects where technology applications such as Power Point and Skype may be used.

The art program strives to present the cultural and historical importance of art in an atmosphere that encourages self expression. Art is often integrated into the curriculum and specialists conduct coordinated lessons throughout the school year. Each grade level's art theme has a historical primary focus throughout the school year, from ancient art through early American art, New Hampshire art and artists, and more.

In the music classrooms at both RMMS and CSDA, students are actively involved in "hands on," interactive music lessons that are integrated into children's literature, history, geography, writing, math, movement, and the arts. As students sing, listen, move and play instruments, they celebrate our diverse culture as well as those of other countries across the globe.

Our RMMS and CSDA libraries continue to offer many opportunities to enrich student learning. Students are exposed to projects and activities that require them to interact with primary and secondary resources, and use critical thinking skills. Teacher collaboration has produced projects that encourage our students to take advantage of truly meaningful and worthwhile learning opportunities. Students spend quality time in the library enjoying and sharing dialog regarding a myriad of books both new and old. Additionally, students enjoy several author studies and visiting authors throughout the year.

The Physical Education program emphasizes activities that give students a broad base of skills which are intended to focus on motor skills, movement, and team building concepts. Students work on personal space, locomotor skills, and more, with increased expectations as the skills are encouraged to promote lifetime activity for all students.

Technology is an essential educational tool used to reinforce and enrich all content areas. It presents students with rich experiences through teacher directed activities and student created projects. All students save the best of their work in electronic portfolios in order to chronicle their progress throughout their school years. These documents, which include Power Point, word processing, and spreadsheet projects, are content driven and designed to show that students know how to communicate and apply their knowledge in the 21<sup>st</sup> century. The cumulative portfolios meet the State's Information and Communication Technologies Standards and are passed on to the Middle School when students graduate from 6<sup>th</sup> grade. In addition, students have access to the world of information available on the Internet for research and electronic collaboration, where they learn to safely and responsibly use the web, critically evaluate sites for authenticity and reliability, and give credit to all text and print sources.

### STUDENT ACTIVITIES AND ACHIEVEMENT

Our students have many opportunities to stretch their comfort limits through a variety of exciting programs. Among these are the Scripps-Howard Spelling Bee, the National Geographic sponsored Geography Bee, Writer's Festivals, New England Mathematics League, Annual 6<sup>th</sup> Grade Science Fair, Presidential Fitness program, Jump Rope for Heart, Chorus, Band, Orchestra, Ski Club, Running Club, and many more.

Character education is a critical part of our daily curriculum at both schools and focuses on students making the correct choices when faced with a problem. A monthly theme, such as courage, cooperation, compassion, honesty, etc., is reinforced in the daily announcements. Schools celebrate the positive contributions of its students regularly. We are proud of our outstanding students who clearly demonstrate these desirable character traits.

### **COMMUNITY & PTO**

Throughout the year students at both RMMS and CSDA are presented with outstanding educational programming that is provided through the generosity of the Brookline Parent Teacher Organization. This dedicated group conducts fundraisers, volunteers countless hours, and supports the efforts of teachers and administration in providing the best opportunities for our students. Both schools were honored for the PTO's dedication at the annual Blue Ribbon Award Ceremony. The PTO's contributions to our school community are priceless.

Our annual Memorial Day Program, honoring all men and women who have served or are currently serving in our Armed Forces, along with all safety personnel, is a highlight of our year.

### **STAFF**

We were sad to say goodbye to Mrs. Kathy Dennis, the school receptionist at RMMS. Mrs. Kimberly Kapala joined our staff in the main office. We welcomed new support staff to the school as well.

At CSDA, we welcomed Ms. Heather Whitmore as a new Grade 4 classroom teacher, filling a vacancy left when Sue Lyons retired from teaching. Ms. Carla Brockway joined our staff this year after Maria Perkins retired. Attempting to fill very large shoes, and like all CSDA principals to come, new school principal Dennis Dobe came onboard after our school's first and only principal, Mrs. Laurie Wenger, retired this past June. As with RMMS, CSDA welcomed new support staff to the school.

We are committed to providing the very best educational opportunities for all of the students in Brookline, and appreciate the collaborative work with our families in ensuring that their academic, social, and emotional needs are met each and every day.

Respectfully submitted,

Lizabeth Perry Dennis Dobe

Principal, RMMS Principal, CSDA

### DEPARTMENT OF STUDENT SERVICES

The SAU #41 Student Services Department consists of Specialists and Education professionals to serve students approximately 400 students with the SAU who fall within several categories of programs and support. Student Services encompasses students eligible for Special Education programs, students with accommodation plans under Section 504 of the Rehabilitation Act of 1973, homeless students, students with Limited English proficiency, home school monitoring, Charter Schools, and students involved in court through DHHS/DJJS.

Our staff consists of a talented group of special educators, occupational therapists, physical therapists, speech language pathologists, counselors, psychologists, social workers, para-educators, and behavior specialists. The level and type of supports provided are determined through a clearly defined process and team participation. Our responsibility to support all students in their access to an education is individualized at a student level and is unique to each child's need.

In accordance with SAU#41's local Child Find Program, referrals for students between the ages of 2.5 and 21 who are suspected of having an educational disability can be made at any time by contacting the Director of Student Services or the Building Special Education Administrator. The school districts' responsibility is to make available a free appropriate public education (FAPE) to all students within SAU #41. This education may consist of special education services, related services, transportation, rehabilitative assistance, and/or specialized programming in an educational Special Education placement outside the SAU.

SAU # 41 receives federal grant funding through the Individuals with Disabilities Education Act (IDEA) on an annual basis to offset local costs expended to provide specialized programming. The staff has worked hard to maximize all available reimbursement opportunities to the districts through federal and state programs. In the 2014-2015 school year, SAU 41 anticipates \$462,162.00 in federal entitlement IDEA funds. Additionally, Revenue from the Medicaid to School and NH Catastrophic Aid funds are also distributed based on application of funds expended.

Several program changes have occurred SAU wide in the past calendar year. We have expanded many of the available supports for students within our schools,

which has resulted in a number of students returning from Out of District placements to their home schools. We have also increased our community collaboration and opportunities for students in their local communities. Our high school has embraced the Unified Sports Program with three seasons of unified athletics. The fall Unified Sports Team was successful in winning the State Soccer Championship. To view the Unified Sports program, a video created by the partners and athletes of the program is located on the HBHS website.

The Department of Student Services continues to support the collaboration of the work set forth by the SAU 41 Parent Partnership. The mission of this parent group is to provide resources to parents and faculty students through meaningful collaboration with the schools and community. For more information about the SAU Parent Partnership, please visit www.sau41parentpartnership.org.

Respectfully Submitted,

Amy Rowe
Director of Student Services

### SAU41 TECHNOLOGY REPORT 2014-2015

Four full time technology staff continue to maintain the SAU41 computer network. This includes maintaining the hardware and network infrastructures as well as working with staff to assist them with their technology needs.

New Aruba wireless systems have been deployed at HBMS and HPS. The Hollis Brookline Middle School wireless network now supports "Bring Your Own Device" allowing students to use their personal devices on a secure guest network. Twenty six access points were added to the HBHS Aruba system giving students better performance when using their BYOD network. Some 8,000 feet of additional CAT6 cable was pulled to accommodate the additional access points at HBHS. In the spring of 2015 the HUES wireless network will be expanded with 10 additional access points.

This year SAU41 is exploring the use of Google Apps with students. Google Classroom is a new online classroom environment where a teacher can create paperless assignments and distribute them to students. Students can work on their assignments from a single web based log on, submit their work, and receive personal feedback from the teacher.

A Dell Kace network management system was deployed in the spring of 2014 which allows software updates to be automatically pushed out to all workstations across the district. This device will also be used to keep track of technology assets such as desktops, laptops, and network hardware.

Viewership of streamed school board and budget committee meetings continues to increase. Meetings continue to be archived on the sau41.org website. We will continue to stream the HBHS graduation in June allowing family members who are unable to attend the ability to view it over the Internet.

Respectfully submitted,

Richard Raymond, Network Administrator 1/15/2015

### HOLLIS/BROOKLINE COOPERATIVE SCHOOL DISTRICT WARRANT

### The State of New Hampshire

To the inhabitants of the Hollis/Brookline Cooperative School District in the Towns of Hollis and Brookline in the County of Hillsborough, State of New Hampshire qualified to vote in District Affairs.

YOU ARE HEREBY NOTIFIED TO MEET AT THE HOLLIS BROOKLINE HIGH SCHOOL GYMNASIUM IN SAID DISTRICT ON THE **THIRD DAY OF MARCH, 2015** AT SEVEN O'CLOCK IN THE EVENING TO ACT UPON THE FOLLOWING SUBJECTS.

<u>Article 1</u>. To see if the school district will vote to raise and appropriate a sum of <u>252,591</u> to fund the increase in cost items relative to professional staff salaries and fringe benefits for the 2015-2016 school year which resulted from good faith negotiations with the professional staff, and which represents the negotiated increase over last year's salaries and benefits. This is the **Second** year of a two year contract. The school board recommends this appropriation (6-0-0). The budget committee recommends this appropriation (6-1-0).

Article 2. To see if the school district will vote to raise and appropriate a sum of \$65,291 to fund the increase in cost items relative to support staff salaries and fringe benefits for the 2015- 2016 school year which resulted from good faith negotiations with the support staff, and which represents the increase over last year's salaries and benefits. This is the **Third** year of a three-year contract. The school board recommends this appropriation (6-0-0). The budget committee recommends this appropriation (5-1-1).

Article 3. To see if the school district will vote to raise and appropriate a sum of \$20,387,680 for the support of schools, for the payment of salaries for the school district officials and agents and for the payment of statutory obligations of the district. This appropriation does not include appropriations voted in other warrant articles. The budget committee recommends this appropriation (6-1-0). The school board recommends this appropriation (6-0-0).

Article 4. To see if the school district will vote to establish a contingency fund for the current year for unanticipated expenses that may arise and further to raise and appropriate \$100,000 to go into the fund. The sum to come from June 30, 2015 unassigned fund balance available for transfer on July 1, 2015, if available, and no amount to be raised from taxation. Any appropriation left at the end of the year will lapse to the general fund. The budget committee recommends this appropriation (6-1-0). The school board recommends this appropriation (6-0-0).

<u>Article 5.</u> Shall the voters of the Hollis-Brookline Cooperative School District adopt a school administrative unit budget of \$1,421,449 for the forthcoming fiscal year in which \$723,439 is assigned to the school budget of this school district? This year's adjusted budget of

\$1,370,893 with \$717,908 assigned to the school budget of this school district will be adopted if the article does not receive a majority vote of all the school district voters voting in this school administrative unit. The school board recommends this appropriation (6-0-0). The budget committee recommends this appropriation (6-1-0).

Article 6. To see if the school district will vote to raise and appropriate up to the sum of \$62,539 to be added to the previously established Athletic Program and Services Expendable Trust Fund from the Hollis Brookline Cooperative School District's June 30, 2015 unanticipated revenues (unassigned fund balance), available for transfer on July 1, 2015. The school board recommends this appropriation (6-0-0). The budget committee recommends this appropriation (7-0-0).

Article 7. To see if the school district will vote to raise and appropriate up to the sum of \$20,000 to be added to the previously established School Building and Facilities Maintenance Expendable Trust Fund from the Hollis Brookline Cooperative School District's June 30, 2015 unanticipated revenues (unassigned fund balance), available for transfer on July 1, 2015. The school board recommends this appropriation (6-0-0). The budget committee recommends this appropriation (6-1-0).

<u>Article 8.</u> To see if the school district will authorize the Hollis Brookline Cooperative School District to access future year state and federal catastrophic aid funds in the event that special education costs exceed budget limitations. The school board recommends this article (6-0-0).

Article 9: By Petition: Shall we adopt the provisions of RSA 32:5-b, and implement a tax cap whereby the budget committee shall not submit a recommended budget that increases the amount to be raised by local taxes, based on the prior fiscal year's actual amount of local taxes raised, by more than 2.5%? The school board does not recommend this article (0-6-0). The budget committee does not recommend this article (5-0-1).

<u>Article 10</u>: <u>By Petition</u>: Shall we adopt the provisions of RSA 32:5 V-b, requiring that the annual budget and all special warrant articles having a tax impact, as determined by the budget committee, shall contain a notation stating the estimated tax impact of the article? The school board does not recommend this article (0-6-0). The budget committee has not taken a position on this article.

<u>Article 11.</u> To transact any other business which may legally come before said meeting.

Given under our hands and seals at said Hollis, New Hampshire on this 5<sup>th</sup> day of February, 2015.

The meeting was called to order at 7:30pm by Moderator James Murphy at the Hollis Brookline High School gymnasium. The Moderator started the meeting with the Pledge of Allegiance. The National Anthem was sung by the Hollis Brookline Coop Chorus, directed by Nancy Spencer.

James Murphy, Moderator, welcomed everyone to the meeting and introduced the School District Clerk, the School Board, the Budget Committee and welcomed all the administrators who were present. Moderator recognized Thomas Solon, School Board Chair who announced that Andrew Corey has been chosen as the new Superintendent of Schools and thanked our current interim Superintendent, John Moody who provided exceptional efforts of leadership this year and wished

him well in his delayed retirement. Also thanked Eric Norton our Business Administrator for his exceptional commitment, work ethic and support. Moderator also introduced Bill Dresher, School District Attorney.

Moderator went over the rules of the meeting, only registered voters can speak at the podium and a voting card must be shown.

Moderator motioned to vote on rules of the meeting as proposed. CARRIED by a card vote. Basil Mason motioned to segregate voters, those who are not registered voters in Hollis or Brookline leave the auditorium. Seconded by Ken Lendon. NOT CARRIED by a card vote.

<u>Article 1.</u> To elect all necessary school district officers for the ensuing terms by official ballot on March 11, 2014.

- To choose two members of the School Board, Hollis for the ensuing three years.
- · To choose one member of the School Board, Brookline for the ensuing three years.
- To choose one member of the Budget Committee, Hollis for the ensuing three
  years.
- To choose one member of the Budget Committee, Brookline for the ensuing three
  years.

YOU ARE HEREBY NOTIFIED TO MEET AT THE HOLLIS BROOKLINE HIGH SCHOOL GYMNASIUM IN SAID DISTRICT ON THE THIRD DAY OF MARCH, 2014 AT SEVEN O'CLOCK IN THE EVENING TO ACT UPON THE FOLLOWING SUBJECTS.

Article 2. Passage of this article shall override the 10 percent limitation imposed on this appropriation due to the non-recommendation of the budget committee. To see if the Hollis Brookline Cooperative School District will vote to raise and appropriate the sum of \$5,520,000 (gross budget) for the purposes of financing (i) addition to the existing Hollis Brookline Cooperative High School and (ii) construction of multi-purpose field and associated structures, and (iii) improvements to existing High School facility, and (iv) improvements to existing athletic fields. Such sum to include related fees and any other items incident to and/or necessary for said projects; to authorize the issuance of not more than \$5,500,000 of bonds or notes for said projects under and in compliance with NH RSA 33:1 et seg, as amended (the Municipal Finance Act); to authorize the Hollis Brookline Cooperative School Board to issue, negotiate, sell and deliver such bonds or notes and to determine the rate of interest thereon and the maturity and other terms thereof; furthermore, to authorize the interest earned on the investment of these bond proceeds to be used for the above purpose, and to authorize the Hollis Brookline Cooperative School Board to apply for, obtain and accept federal, state or other aid, if any, which may be available for said project and to comply with all laws applicable to said project; and to authorize the Hollis Brookline Cooperative School Board to take any other action or to pass any other vote relative thereto. In addition, to raise and appropriate \$143,000 for the first year interest payment on the bond. The Hollis Brookline Cooperative School Board recommends this appropriation. The budget committee does not recommend this appropriation. A two-thirds ballot vote is required.

James O'Shea motioned to bring Article 2 to the floor. Seconded by Chad Farrow. Tom Solon, School Board gave a presentation. Raul Blanche, Budget Committee gave a presentation. Moderator opened the floor to questions. Discussion ensued. John Lester motioned to move the question. Seconded by Forest Milkowski. CARRIED by a 2/3 card vote. Moderator brought Article 2 to a vote. YES - 361 NO - 727 NOT CARRIED by a secret ballot vote. Forest Milkowski motioned to change the order of the articles and move Article 15 to the floor. Seconded by Ernie Pistor. CARRIED by a card vote.

Article 15. To see if the Hollis Brookline Cooperative School District will vote to amend the Articles of Agreement of the Hollis Brookline Cooperative School District by deleting Article 5 as it is currently written and substituting a new Article as follows:

"The capital and operating expenses of the Hollis/Brookline Cooperative School District, payable in each fiscal year, shall be apportioned fifty percent (50%) on the average daily membership (ADM) of the students in grades 7 through 12 from each pre-existing district of the Cooperative School District during the preceding fiscal year, as determined by the State Department of Education, and fifty percent (50%) on the most recent equalized valuation of the pre-existing districts, as determined by the Department of Revenue Administration." (Submitted by petition)

Eric Pauer motioned to bring Article 15 to the floor. Seconded by Henry Anthony. CARRIED by a card vote. Discussion ensued. John Lavoie motioned to allow ten minutes for each rebuttal. Seconded by Robert Mann. CARRIED by a card vote.

Chris Hyde motioned to table Article 15. Seconded by Robert Mann.

Moderator brought motion to a vote. YES - 454 NO - 430 CARRIED by a card vote.

Darlene Mann motioned to restrict reconsideration of Article 15. Seconded by James O'Shea.

Moderator brought motion to a majority vote. YES - 610 NO - 231 CARRIED by a majority vote.

### By Petition:

Article 12. To see if the Hollis Brookline Cooperative School District will vote to amend the Articles of Agreement of the Hollis Brookline Cooperative School District by deleting Article 11 as it is currently written and substituting a new Article 11 as follows:

"These articles of agreement may be amended by the Hollis Brookline Cooperative School District, consistent with the provisions of RSA 195:18III(i), except that no amendment shall be effective unless the question of adopting such amendment is submitted at a Cooperative School District meeting to the voters of the District after reasonable opportunity for debate in open meeting, and unless a supermajority (two-thirds) of the voters of the District who are present and voting shall vote in favor of adopting such amendment. Furthermore, no amendment to these articles shall be considered except at an annual or special meeting of the Cooperative School District and unless the text of such amendment is included in an appropriate article in the Warrant for such a meeting.

It shall be the duty of the Cooperative School Board to hold a public hearing concerning the adoption of any amendment to these articles of agreement at least ten (10) days before such annual or special meeting and to cause notice of such hearing and the text of the proposed amendment to be published in a newspaper or newspapers having general circulation in the District at least fourteen (14) days before such a hearing." (Submitted by petition)

Dan Peterson motioned to table Article 12. Seconded by Robert Mann.

Moderator brought motion to a vote. YES - 462 NO - 128 CARRIED by a card vote.

Robert Mann motioned to restrict reconsideration of Article 12. Seconded by Ernie Pistor.

CARRIED by card vote. Basil Mason motioned to table Article 3. Seconded by Larry Devon.

Moderator brought motion to a vote. NOT CARRIED by a card vote. Henry Anthony
motioned to move the meeting to Thursday, March 6th at 7pm. Seconded by Cynthia Andreol.

Moderator brought motion to a vote. YES - 299 NO - 240 CARRIED by a card vote.

March 6, 2014, Reconvened at 7pm, at the Hollis Brookline High School.

Moderator started the meeting with the Pledge of Allegiance and went over a few rules and requests.

Article 3. To see if the school district will vote to raise and appropriate a sum of 316.818 to fund the increase in cost items relative to professional staff salaries and fringe benefits for the 2014-2015 school year which resulted from good faith negotiations with the professional staff, and which represents the negotiated increase over last year's salaries and benefits. This is the FIRST year of a two year contract. The school board recommends this appropriation. The budget committee does not recommend this appropriation.

James O'Shea motioned to bring Article 3 to the floor. Seconded by Chad Farrow.

Tom Solon, School Board gave a presentation. Tom Enright, Budget Committee gave a presentation. Discussion ensued. John Lester motioned to move the question. Seconded by Chris Hyde. CARRIED by a 2/3 card vote. Moderator brought Article 3 to a vote. YES - 588

NO - 284 CARRIED by a secret ballot vote. Tammy Fareed motioned to restrict reconsideration to Article 3. Seconded by James O'Shea. Moderator brought motion to a vote. CARRIED by a card vote.

Article 5. To see if the school district will vote to raise and appropriate a sum of \$55,070 to fund the increase in cost items relative to support staff salaries and fringe benefits for the 2014-2015 school year which resulted from good faith negotiations with the support staff, and which represents the increase over last year's salaries and benefits. This is the SECOND year of a three-year contract. The school board recommends this appropriation. The budget committee recommends this appropriation.

James O'Shea motioned to bring Article 5 to the floor. Seconded by Chad Farrow. Tom Solon, School Board gave a presentation. Discussion ensued. Moderator brought Article 5 to a vote. CARRIED by a card vote.

Article 6. Shall the Hollis Brookline Cooperative School District, if Article 5 is defeated, authorize the governing body to call one special meeting, at its option, to address Article 5 cost items only? The school board recommends this article. The budget committee does not recommend this article.

Moderator motioned to pass over Article 6. Seconded by Chris Hyde. CARRIED by a card vote. James O'Shea motioned to restrict reconsideration to Article 5. Seconded by Robert Mann. Moderator brought motion to a vote. CARRIED by a card vote.

Article 7. To see if the school district will vote to raise and appropriate a sum of \$20,080,401 for the support of schools, for the payment of salaries for the school district officials and agents and for the payment of statutory obligations of the district and includes \$100,000 held in contingency. This appropriation does not include appropriations voted in other warrant articles.

The budget committee recommends this appropriation. The school board recommends this appropriation.

Darlene Mann motioned to bring Article 7 to the floor. Seconded by Raul Blanche.

Darlene Mann, Budget Committee gave a presentation. Discussion ensued.

Eric Pauer motioned to amend Article 7 to \$19,721,790, and change the contingency fund to 0.

Seconded by John Lister. Someone from the floor motioned to move the amendment. Seconded by Mike Harris. CARRIED by a 2/3 card vote. Moderator brought the amendment to Article 7 to a vote. NOT CARRIED by a card vote.

Moderator brought the amendment to Article 7 a vote. NOT CARRIED by a card vote.

Tom Buteau motioned to move the question. Seconded by Darlene Mann.

Moderator brought motion to vote. CARRIED by a 2/3 card vote.

Moderator brought Article 7 to a vote. CARRIED by a card vote.

James O'Shea motioned to restrict reconsideration of Article 7. Seconded by Robert Mann.

Moderator brought motion to a vote. CARRIED by a card vote.

Article 4. Shall the Hollis Brookline Cooperative School District, if Article 3 is defeated, authorize the governing body to call one special meeting, at its option, to address Article 3 cost items only? The school board recommends this article. The budget committee does not recommend this article.

Robert Mann motioned to pass over Article 4. Seconded by Chris Hyde Moderator brought Article 4 to a vote. **CARRIED** by a card vote.

Article 8. Shall the voters of the Hollis-Brookline Cooperative School District adopt a school administrative unit budget of \$1,348,588 for the forthcoming fiscal year in which \$689,453 is assigned to the school budget of this school district? This year's adjusted budget of \$1,354,043 with \$692,188 assigned to the school budget of this school district will be adopted if the article does not receive a majority vote of all the school district voters voting in this school administrative unit. The school board recommends this appropriation. The budget committee recommends this appropriation.

Darlene Mann motioned to bring Article 8 to the floor. Seconded by Raul Blanche.

William Beaureguard, School Board gave a presentation. Moderator motioned to bring Article 8 to a vote. Combined total of all three districts, total: YES - 879 NO - 56 CARRIED by secret ballot vote.

Article 9. To see if the school district will vote to raise and appropriate up to the sum of \$\sum\_{60,000}\$ to be added to the previously established Athletic Program and Services Expendable Trust Fund from the Hollis Brookline Cooperative School District's June 30, 2014 unanticipated revenues (unassigned fund balance), available for transfer on July 1, 2014. The school board recommends this appropriation.

Tom Solon, School Board Chair motioned to move Article 9 with the change to \$70,000. Seconded by Darlene Mann. Tom Solon gave a presentation. John Lavoie motioned to move the question. Seconded by Mike Harris. CARRIED by 2/3 card vote. Moderator motioned to vote on Article 9. CARRIED by card vote. MaryAnn Shanly motioned to reconsider Article 2. Seconded by Tammy Fareed. Article 2 is a bond article and will need 7 days to vote on said article. Discussion ensued. Motion on the floor to move the question. Seconded by Shirley Kohn. NOT CARRIED by a card vote. Al Chase motioned to move the question. Seconded by the floor. CARRIED by a 2/3 card vote. Moderator motioned to reconsider Article 2. CARRIED by card vote. Tim McGettigan motioned to reconsider Article 15. Seconded by Eric Pauer. Discussion ensued. Jason Stockwell motioned to move the question. Seconded by Becky Belfour. CARRIED by a 2/3 card vote. Moderator brought reconsidering Article 15 to a vote. NOT CARRIED by a card vote. Eric Pauer motioned to recess the meeting until a time and date at least 7 days hence to be called and noticed by the school board. Seconded by Tammy Fareed. CARRIED by a card vote.

March 26, 2014 reconvened at 7pm, at the Hollis Brookline High School.

Moderator started the meeting with the Pledge of Allegiance and made a few comments, went over a few rules and requests.

Article 1. To elect all necessary school district officers for the ensuing terms by official ballot on March 11, 2014.

- To choose two members of the School Board, Hollis for the ensuing three years.
- To choose one member of the School Board, Brookline for the ensuing three years.
- · To choose one member of the Budget Committee, Hollis for the ensuing three years.
- To choose one member of the Budget Committee, Brookline for the ensuing three years.

Moderator went over the election results.

Article 2. Passage of this article shall override the 10 percent limitation imposed on this appropriation due to the non-recommendation of the budget committee. To see if the Hollis Brookline Cooperative School District will vote to raise and appropriate the sum of \$5,520,000 \$2,448,000 (gross budget) for the purposes of financing (i) addition to the existing Hollis Brookline Cooperative High School and (ii) construction of multi-purpose field and associated structures, and (iii) improvements to existing High School facility, and (iv) improvements to existing athletic fields. Such sum to include related fees and any other items incident to and/or necessary for said projects; to authorize the issuance of not more than \$5,500,000 \$2,428,000 of bonds or notes for said projects under and in compliance with NH RSA 33:1 et seq, as amended (the Municipal Finance Act); to authorize the Hollis Brookline Cooperative School Board to issue, negotiate, sell and deliver such bonds or notes and to determine the rate of interest thereon and the maturity not to exceed 10 years and other terms thereof; furthermore, to authorize the interest earned on the investment of these bond proceeds to be used for the above purpose, and to authorize the Hollis Brookline Cooperative School Board to apply for, obtain and accept federal, state or other aid, if any, which may be available for said project and to comply with all laws applicable to said project; and to authorize the Hollis Brookline Cooperative School Board to take any other action or to pass any other vote relative thereto. In addition, to raise and appropriate \$143,000 \$52,607 for the first year interest payment on the bond.

The Hollis Brookline Cooperative School Board recommends this appropriation. The budget committee does not recommend this appropriation. A two-thirds ballot vote is required.

Tom Solon motioned to bring Article 2 to the floor with a reduction in scope and cost. Seconded by Darlene Mann. Tom Solon, School Board gave a presentation. Darlene Mann, Budget Committee gave a presentation. Moderator opened the floor to questions. Discussions ensued. Paul Valente motioned to vote on Article 2 by a ballot vote all day Saturday, March 29th, 7:30am-7:00pm and to reconvene the meeting at 7:30pm at the Hollis Brookline High School on Saturday, March 29th. Seconded by someone on the floor. Moderator brought motion to a vote. NOT CARRIED by a card vote. John Lisco motioned to move the question. Seconded by Paul Valente. CARRIED by a 2/3 card vote. Moderator brought Article 2 to a ballot vote. YES - 596 NO - 514 NOT CARRIED by a 2/3 vote.

Article 11. To see if the school district will authorize the Hollis Brookline Cooperative School District to access future year state and federal catastrophic aid funds in the event that special education costs exceed budget limitations. The school board recommends this article.

Robert Mann motioned to table Article 16. Seconded by Mike Harris. NOT CARRIED by a card vote. Dennis Bechis motioned to change the rules of the meeting to require a 2/3 vote to table a meeting. Seconded by Jeff Albach. NOT CARRIED by a card vote. Allen Rosenberg motioned to bring Article 11 to the floor. Seconded by Robert Mann. CARRIED by a card vote. Tom Solon motioned to move Article 11 as read. Seconded by Chad Farrow. Tom Solon gave a presentation. Discussion ensued. Moderator brought Article 11 to a vote. CARRIED by a card vote.

Article 13. Shall we adopt the provisions of RSA 32:5 V-b, requiring that the annual budget and all special warrant articles having a tax impact, as determined by the budget committee, shall contain a notation stating the estimated tax impact of the Article? (Submitted by petition)

Richard Ripple motioned to bring Article 13 to the floor. Seconded by George Folly.

Tom Solon, School Board gave a presentation. Darlene Mann, Budget Committee answered a question. Discussion ensued. Brandon Buteau motioned to move the question. Seconded by someone on the floor. Moderator brought Article 13 to a vote. YES - 266 NO - 401

NOT CARRIED Darlene Mann motioned to restrict reconsideration to Article 11 and Article 13. Seconded by Raul Blanche. CARRIED by a card vote.

Article 14. Shall we reject the Common Core State Standards (CCSS) and the implementation of CCSS, in favor of our own higher Hollis Brookline COOP Academic Standards, and recommend that the school board form a committee (consisting of representatives from the school board, budget committee, school administrators, teachers, students, and community members) to develop the Hollis Brookline COOP Academic Standards? (Submitted by petition)

Robert Mann motioned to table Article 14. Seconded by Mike Harris. NOT CARRIED by a card vote. Steve Pucci motioned to bring Article 14 to the floor. Seconded by Doug Davidson. Discussion ensued. Basil Mason motioned to move the question. Seconded by Paul Valente. CARRIED by a 2/3 card vote. Moderator motioned to bring Article 14 to a vote. CARRIED by a card vote. Doug Davidson motioned to limit reconsideration to Article 14. Seconded by Derik Smith. CARRIED by a card vote.

Article 16. Shall we adopt the provisions of RSA 32:5-b, and implement a tax cap whereby the budget committee shall not submit a recommended budget that increases the amount to be raised by local taxes, based on the prior fiscal year's actual amount of local taxes raised, by more than 2.5%? (Submitted by petition)

Norman Bleau motioned to reconsider to table Article 15. Seconded by someone from the floor. NOT CARRIED by a card vote. Steve Pucci motioned to bring Article 16 to the floor. Seconded by Paul Valente. Discussion ensued. Ernie Pistor motioned to table Article 16. Seconded by Tom Gehan. CARRIED by a card vote. Darlene Mann motioned to restrict reconsideration to table Article 16. Seconded by Robert Mann. CARRIED by card vote.

Article 10. To see if the district will vote, pursuant to RSA 198:20-c, to establish an Expendable Trust Fund called the School Building and Facilities Maintenance Expendable Trust Fund, for the purpose of defraying, in part, as the Hollis-Brookline Cooperative School Board determines, the costs of facility maintenance and improvements and related services of the District, including, but not limited to the maintenance and operation of such facilities and related services, and to name the Hollis-Brookline School Board as the agents to expend monies from said fund, including the right to expend both the principal and interest in said fund, said funds to be held as required by law by the trustees of the trust fund for the Town of Hollis, it being understood that the said School Board, as agents to expend from said fund, shall not be legally entitled to expend any

monies from said fund without first conducting the public hearing required by RSA 198:20-c, (II), and no such expenditure may be made unless it is for a purpose for which this fund has been established and it being further understood that any monies remaining in said fund at the conclusion of the fiscal year shall not lapse into the general fund but may be carried over from year to year. Additionally, shall the district vote to raise and appropriate the sum of up to \$1.00, the same to be paid into the School Building and Facilities Maintenance Expendable Trust Fund, this sum to come from June 30 fund balance available for transfer on July 1, 2014, if available. The school board recommends this article and appropriation. (Majority vote required).

Robert Mann motioned to wave the reading of Article 10. Seconded by Mike Harris. CARRIED by a card vote. Darlene Mann motioned to bring Article 10 to the floor. Seconded by Tom Solon. Dave Partridge motioned to amend Article 10 to \$20,000. Seconded by Forest Milkowski. Moderator brought Article 10 to a vote. Motion CARRIED by a card vote. Brandon Buteau motioned to move the question. Seconded by someone on the floor. Motion CARRIED by a 2/3 card vote.

Article 17. To transact any other business which may legally come before said meeting.

Drew Mason motioned to adjourn the meeting. Seconded by the floor. Meeting adjourned at 10:45pm.

Respectfully submitted,

Diane Leavitt.

Hollis Brookline Coop School District Clerk

Department of

2015 MS-27

### School Budget Form: Hollis-Brookline

FOR SCHOOL DISTRICTS WHICH HAVE ADOPTED THE PROVISIONS OF RSA 32:14 THROUGH 32:24 Appropriations and Estimates of Revenue for the Fiscal Year from July 1, 2015 to June 30, 2016 Form Due Date: 20 days after the meeting

### HOLLIS BROOKLINE COOPERATIVE SCHOOL DISTRICT BUDGET COMMITTEE

### Introduction

The Cooperative Budget Committee operates under Municipal Budget Law (NH RSA 32) in support of the Hollis Brookline Cooperative School District (HBCSD). NH RSA 32 governs HBCSD by outlining and "establish[ing] uniformity in the manner of appropriating and spending public funds" which provides consistency for budget committees with responsibility for "assisting its voters in the prudent appropriation of funds" (NH RSA 32:1). Under this statute, the HBCSD Budget Committee retains the statutory obligation and responsibility of developing the budget for HBCSD which is comprised of the Hollis Brookline Middle School and Hollis Brookline High School. The Budget Committee established to support HBCSD is comprised of eight members--four elected members representing the town of Hollis, three elected members representing the town of Brookline, and one member appointed by the Hollis Brookline Cooperative School Board--and meets monthly. Community members have an opportunity at monthly meetings to voice concerns and considerations to the Budget Committee. The annual vote at the District Meeting is the opportunity for the legislative body to approve the final funding level for HBCSD and the resulting impact to individual taxes.

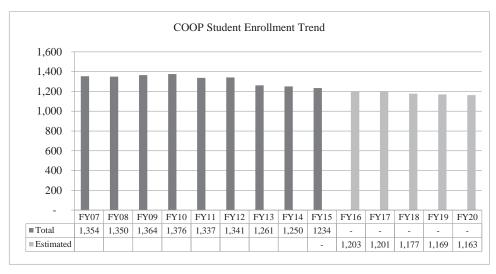

### Approach

The Budget Committee supports a budget that upholds the educational and strategic goals of HBCSD and responsibly considers the impact to the towns that comprise the COOP. Articulating budget guidance early in the budget process enables the administration to gauge budget impacts within the framework of its Strategic Plan. The Budget Committee works with the SAU administration, the administration of both schools, and the School Board to understand the components and financial impacts of the budget under development and presented for the consideration of the legislative body. Throughout the budgeting process, the Budget Committee evaluates prior year(s) performance and trends against projected costs. The Budget Committee sincerely appreciates the collaborative efforts of the School Board and administrators of HBCSD and SAU41 to comprehensively address our collective inquiries with information that enables data driven analysis and fact based discussion which are both critical to a successful budget process.

### **Trends**

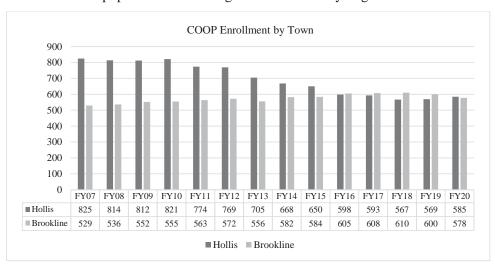

The trend in student enrollment has been declining since reaching its highest level in FY10. HBCSD faces the challenge of managing its programs, resources, and facilities with projected declines in annual enrollment for the next several years. The enrollment of 1234 students as of October 1, 2014 is down 1.3% from

the prior school year and is higher than last year's NESDEC projection of a 3.1% drop in enrollment.

Student enrollment data based on NESDEC reports of historic and future enrollment.

By town, the student population trend reflects a shift in composition of enrollments between the two towns. Since Hollis' maximum student enrollment of 825 in FY07, Hollis has been experiencing steady declines totaling 21% by FY15. During the same period, Brookline has realized a 10% increase in student population. As of October 1, 2014, the enrollment distribution is 52.7% of students from Hollis and 47.3% of students from Brookline. Future projections indicate the two populations becoming even more closely aligned.

Student enrollment data based on NESDEC estimates of historic and future enrollment.

### **Budget Highlights**

**FY15 Budget Summary:** As approved by the legislative body, the \$21.2M HBCSD budget represents a 3.6% increase from the prior year with the approval of articles for the operating and SAU budgets, contracts for professional and support staff, and expendable trusts. The failure of the bond article for facility improvements resulted in funding of necessary changes in space configuration to maintain NEASC accreditation within the approved budget. Netting for the impacts of district revenue and state aid resulted in a tax assessment of \$7.7M for Hollis and \$6.2M for Brookline. After consideration of the COOP portion of the Statewide Education Property Tax (SWEPT) payable by each community, Hollis' total COOP tax commitment is \$9.2M and Brookline's total COOP tax commitment is \$6.9M.

Staff Salaries and Benefits: Articles for the current school year which comprised the first year of a two year agreement for professional staff (HEA) and the second year of a three year agreement for support staff (HESSA) were approved at the district meeting in March, 2014. These agreements addressed elements for salaries and benefits, as well as, other non-financial contract elements. The district realized a benefit of the participation of 93% of staff on the updated medical benefits plan introduced two years ago. For FY15, plan participation and improved use of plan benefits resulted in a reduction in the guaranteed maximum rate (GMR) charged by LGC and unanticipated savings of approximately \$100K for HBCSD, as well as, additional savings across other districts in SAU41. The second year of the HEA contract will be included in the warrant for the March 2015 District Meeting.

The HESSA agreement for support staff defined salary increases and an increase to the monthly insurance cap paid by the district. Approximately 76% of support staff are enrolled in the newly offered medical benefits plan which was identified as a supplement after the approval of the first year of the contract. The third year of the HESSA contract will be presented in the upcoming warrant.

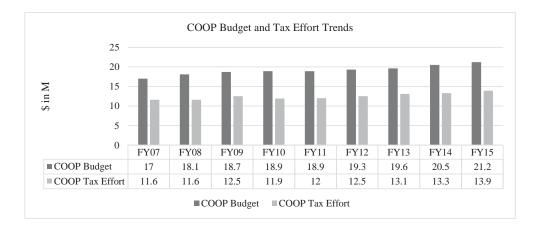

**New Hampshire Retirement System (NHRS):** Another key area impacting the budget has been increases mandated by the state for NHRS contributions. With rates set by the state in two year increments, no NHRS rate changes were made and the current school budget (FY15) realized NHRS increases tied to salary increases for current staff. In total, NHRS expenses represent 5.4%, or \$1.1M, of the current budget. For the FY16 budget cycle, increases in NHRS expenses are expected as new rates have been set for FY16 and FY17.

**Special Education:** After consideration of salary and benefit expenses, Special Education costs comprise 18% of the HBCSD budget. A significant effort has been made within the Student Services organization to manage programs in accordance with student needs while maximizing the use of grants and eligible

aid. By utilizing grant funding for staff expenses, more expenses have become eligible for reimbursement under state and federal guidelines. In some cases, costs are offset among SAU41 districts as students enter HBCSD from the lower grades. Through the implementation of new programs, Student Services has been able to optimize student programming within the district to better address student needs, reduce out of district placements, and offer an opportunity for revenue generation upon approval by the state. Shifting the composition of staff and in-district program development to accommodate specific student needs has resulted in improved delivery of services within the established budget and a reduction in the number of students placed out of district.

**Debt Service:** Current annual debt service for HBCSD stands at approximately \$1.8M for four bond initiatives, three for HBHS and one for HBMS. By FY18, the budget will be relieved of approximately \$1.2M of principal and interest payments related to bonds for the high school issued in 1996 and 2007. The remaining debt service of approximately \$600K annually is for the bond for the HBMS renovation and will continue through FY25.

Other Items: While the aforementioned items comprise approximately 80% of the HBCSD budget, the remaining 20% addresses costs for all other budget items including, but not limited to, educational and athletic programs, security, building maintenance, and transportation. Over time, these remaining areas of the budget absorb both increases and decreases in an attempt to minimize impacts to the resulting final budget. Once district revenue and state aid by town have been considered, the resulting tax effort averages approximately 65% of the approved COOP budget.

The approved budget is apportioned between the two communities to determine the amount to be assessed in taxes by each town's local tax rate. The apportionment formula for FY15 is based on 100% Average Daily Membership (ADM). Based on daily attendance records of 1250 students as of June 30, 2014, ADM shifted by 2 percentage points resulting in an ADM distribution of 53.6% Hollis, 46.4% Brookline. As a result of the January 2015 Special District Meeting, a new apportionment formula will be applied to the FY16 net assessment.

For the FY16 budget cycle, the legislative body will be asked to consider the operating and SAU budgets, professional and support staff contracts, and funding of trusts with impacts identified based on the provisions of the recently amended COOP Articles of Agreement.

Respectfully Submitted,

Darlene Mann - Chair, HBCSD Budget Committee

## ANNUAL REPORT 2014-2015 HOLLIS BROOKLINE MIDDLE SCHOOL

Hollis Brookline Middle School provides all of our students a rigorous 21 century academic program in a learning environment that fosters each child's educational, social and emotional growth. Recognizing that our students are at an important place in their development, our school community strives to meet the individual needs of each of our students, with our goal being success for all students.

Our teachers and students work together in learning environments that foster collaboration, communication, creativity and critical thinking. These four cornerstones are the hallmark of our instructional practices, as we work to prepare students for a 21<sup>st</sup> century world.

Combining content and skills with real-world applications, our academic program of studies is rich and engaging for students. The educational experience students receive at our middle school prepares them for the challenges of high school and beyond. In addition to academics, HBMS offers a variety of extracurricular activities. We are incredibly proud of our newest offerings, as both were designed by and are led by students. Our U-Knighted for All committee works to combat bullying in schools through education, activities and positive messaging. Our new school newspaper, *From HollisBrookline* celebrates our school community and is a wonderful way for us to showcase our school.

We are fortunate to have an incredibly talented staff at Hollis Brookline Middle School. We would like to recognize 7<sup>th</sup> Grade Math Teacher Kirsten Werne, who

was one of 5 New Hampshire teachers to be named a semi-finalist for the New Hampshire Teacher of the Year Award. Additionally, 8<sup>th</sup> grade English teacher Kerby Elliott was a finalist for the Christa McAuliffe Sabbatical Program, which seeks to recognize NH's most creative and innovative educators. We are proud of the accomplishments of all of our teachers and support staff, all of who demonstrate the highest level of commitment to our students every day.

As school leaders, we serve the children of Hollis and Brookline with pride and respect. We are honored to be a part of this school community. Hollis Brookline Middle School is an energizing and amazing place to learn. We sincerely thank all of the community members, including our PTSA, for the commitment that they continually make to ensure that the children of Hollis and Brookline receive the best possible education.

Sincerely,

Bob Thompson, Principal Hollis Brookline Middle School Patti Flynn, Assistant Principal Hollis Brookline Middle School

#### HOLLIS BROOKLINE HIGH SCHOOL Town Report 2014

The accreditation visit scheduled for March 2015 from the New England Association of Secondary Schools and Colleges (NEASC) has been a primary focus for Hollis Brookline High School for the past year. The self-study process asks the staff to take a hard look at seven identified strands and rate the school's performance in each. These strands include: 1) Core Values, Beliefs, and Learning Expectations, 2) Curriculum, 3)Instruction, 4)Assessment for Student Learning, 5) School Culture and Leadership, 6) School Resources for Learning, and 7) Community Resources for Learning.

This self-study allows us to focus on what we do well and what we need to focus on to improve the educational experience for our students, which is our primary goal. Through this process we have identified our strengths and weaknesses within each of the seven strands. This report is given to the visiting committee. The committee, while here, will meet with teachers, students and community members to assess the school based on the seven strands. They will review our report and send back their assessment as well.

As many of you have been aware, for the past ten years, in response to the last accreditation visit, we have focused a great deal of attention on the lack of space at the high school and have made changes over the years to address what we could without adding additional building space. During this past summer (2014), we made a final push to address these issues. Moving the US First Robotics lab to the Middle School to create an additional science lab, reconfiguring the mini cafeteria to a regular classroom, dividing the first floor computer lab into two lab spaces, and reconfiguring the theatre wing and special education resource rooms have allowed us to provide better teaching space. In addition, the computer lab on the third floor was converted to a teacher work space. These changes have allowed more teachers to remain in their rooms and reduced the number of teachers on carts. The over-crowded cafeteria was addressed by changing out the tables to add long tables with bench seating. Additional egress was also added to the cafeteria.

We are very proud of what we offer our students and the job our staff does to provide a high quality educational experience for the children of Hollis and Brookline. During 2013-2014 the administration at HBHS underwent some changes. Principal, Cynthia Matte, moved to the position of Assistant Superintendent at the SAU; Assistant Principal, Richard Barnes moved into the role of Principal; and Teacher Timothy Girzone joined Robert Ouellette as Assistant Principal. The transition was smooth and the focus of providing the best possible educational experience for our students never wavered.

Another primary focus for us is the push to create a 21<sup>st</sup> century high school and provide 21<sup>st</sup> century skills for our students. Technology is the key. To that end, we have almost doubled our bandwidth, added online textbooks where possible and we are moving toward creating a Learning Commons in the Library. Our new Librarian, Mrs. Christine Heaton has been instrumental in making major changes in our Media Center. HBHS continues to make strides towards being a school where students may bring their own device to incorporate the benefits of the digital world with the wonderful education they are receiving.

We are very proud of the academic successes of our students. HBHS students excel in many areas. In 2014, 54 new members were inducted into the

HBHS National Honor Society, 104 seniors were awarded the NH Scholars Medal and HBHS was proud to have

5 finalists in the National Merit Scholarship program; **Katherine Cherian, Emma Close, Noam Eshed, Emma Newton, and Anish Thilagar.** Twelve students received a perfect score in one or more of the ACT and SAT tests.

HBHS has a fine tradition of seniors entering the military after graduation. In 2014 four seniors entered the service: Cameron Howard, Marines; Eric Mann, Army; Sam McClure, Marines; and Chazz Rogers, Army National Guard.

Our talented staff continues to make our rigorous curriculum relevant to students. One example of many is the annual Trebuchet project. For almost 10 years, Hollis Brookline High School physics students have been participating in this annual event. In this engineering design challenge, teams of 4-6 students are tasked with working together to design, build, calibrate, and test a working trebuchet, a Medieval siege device used to launch a

Physics students prepare their trebuchet for launch

projectile (water balloon) using nothing but the force of gravity via a counterweight and lever arm. Over the course of several weeks, the students are required to maintain an individual engineering logbook, complete with design sketches, meeting minutes, testing procedures, launch data, calculations, and reflections upon the outcome of testing day. This activity is one of the most popular events at HBHS, and all students are encouraged to take physics so they can have the chance to participate in this exciting & challenging project during their time in high school.

Our students continue to excel in athletics and the arts as well. In 2014 our athletic teams performed well. The Boys Lacrosse won the Division III State Championship, the

Baseball team finished 2nd in the regular season and was a Final Four participant HBHS fielded its first ever Unified team in the sport of Track and Field, the Football team won the Western Conference Championship and was a Final Four participant, the Boys Soccer finished 1st in the regular season and was a Final Four participant, and the Unified Soccer finished as State-Runner up in NHIAA Unified Soccer Championship, and the 2013-14 Girls

Volleyball Team received the NHVCA Team Academic Award for maintaining a 3.0 or better for the entire academic year. The team had an average of 3.55.

In addition, in 2014, 29 scholar athletes were recognized at a special ceremony in Concord in February. These students must hold an average of a B+ or better, play at least two sports, including one their senior year, and be outstanding citizens and role models in their communities participating in community service activities. We also were proud to have 10 senior students who were recognized for participating in three sports each for all four of their years at HBHS

From the music department we are pleased to announce six students were selected this fall to participate in the Jazz All state Festival, 15 students were selected to participate in the All New England Choral Festival and a record of 20 students were selected to the NH All State Music and/or Jazz Festival which

2014 Boys Lacrosse Divis

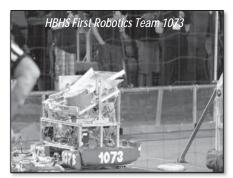

is a testament to the caliber of instruction and guidance from our Music Director Dave Umstead and Choral Director Julie Carbone.

Many students also participate in the Theatre and Visual Arts programs. If you have not yet seen one of the Hollis Brookline Musical performances which are presented each March, please mark your calendars for this year's presentation of Oklahoma. Each year the combined efforts of the music, visual arts and theatre programs come together in a wonderful musical production which could compete with any semiprofessional performance. Teachers and staff give countless hours outside of the classroom to help our students succeed. With more than 100 clubs, organizations, and sports teams all advised by Hollis Brookline High School staff, we provide a wide range of opportunities for our students to become involved and engaged. HBHS once again brought home 2014 New Hampshire State Math

Championship for their 9<sup>th</sup> consecutive season under the guidance of advisors Mrs. Stacey Plummer and Mrs. Sue Moores. And the Hollis Brookline Destination Imagination Team had a spectacular year. They finished third in the WORLDS at the Destination Imagination Global Finals Competition at the High School level! Their combined solutions to the long-term challenge and the think-on-your feet Instant Challenge awarded them third place in the largest Global Finals competition in history. They participated in this event together with more than 8,000 students representing the top teams from 48 states and 30 countries. In addition to this outstanding team achievement, **Noam Eshed** was one of nine high school senior students out of hundreds to receive an academic scholarship.

HBHS FIRST Robotics Team 1073 had a successful year with 70+ students and 10+ mentors who competed at UNH

and Northeastern District events. Winning an Industrial Design Award at UNH and Judges Award at Northeastern, the team qualified for the New England District Championships where they finished 17 out of 54 teams. In addition to great season, FRC Team 1073 brought their robot to 2nd grade at HPS and supported RMMS with their Science Night to help inspire the elementary students with an innovative example of what STEM is all about!

As we come to the close of 2014, we look forward to a continued commitment to provide an excellent and well-rounded education for the students of Hollis and Brookline.

Respectfully submitted

Richard D. Barnes, Principal
