FRIDAY JULY 19, 2019

UD in the news July 12-19

Faculty shared their research and expertise with The Conversation, CNN.com, CTV in Canada, Al Jazeera English, Childhood Obesity News and Women's Agenda. Spectrum News in Ohio, central Florida and North Carolina featured an invention by engineering student Spencer Janning that's making life easier for a child with cerebral palsy.

A blog covering television, movies and video games cited political scientist Michelle Pautz's research about how a film can affect an audience.

The Miami Valley Communications Council produced a program about the Hanley Sustainability Institute and sustainability at the University for its public access channels in the Dayton region.
