East Campus is Scene of Revelry and Sport at Annual May Pageant

Josephine Riddell '29 is Crowned May Queen in May Pageant Portraying Robin Hood and His Band of Outlaws

OLD ENGLISH GAMES AND DANCES FEATURE COLORFUL EVENT

The East Campus was a place of much revelry on Saturday, May 11, when the girls of Ursinus College presented their annual May Day pageant.

Fancy a splash of many colors, that made up the hundreds of people that attended the festivities, a blue sky and grass really green. That is the background of a scene that was laid in Merrie Englands at the time when Robin Hood and his band infested the land.

The story as portrayed by the girls began with the knights and ladies of the Court, gathering to bid farewell to King Richard—Mary Cobb, '29—who was going on a Crusade, leaving behind Prince John—Elizabeth Hilles, '29—who was angered at this turn of events. At this time Lord Fitzwater—Dorothy Seitz, '29—arrived with Maid Marion—Josephine Riddell, '29—who was the lovely heroine of the story. The repulsive Prince John pursued her and in order to escape his advances, Maid Marion fled to Sherwood Forest.

The second episode opened with Shadow-of-a-Leaf—played by Marion Sartorius, '31—hearing the approach of Maid Marion. She informed Titania—Pauline Thompson, '29—who with her fairy band resolved to protect her. Maid Marion approached and was guided to Robin Hood, who was interpreted exceptionally well by Evelyn Lake, '30, by Shadow-of-a-Leaf. Robin Hood welcomes them into his band. Soon after, Robin Hood met Friar Tuck—Olive Sargeant, '29 and after being overcome by him, welcomed him into the band, also. The Sheriff of Nottingham—Marion Wilson, '31—appeared on the scene and was captured and sent back to Nottingham in disgrace.

The third episode opened in a riot of color and with much merry-making.

CO-EDS TENNIS TEAM WINS AGAINST SWARTHMORE 4-1

Another victory for the Ursinus co-eds was won last Monday afternoon, May 11, when they easily defeated Swarthmore's tennis team, 4-1, on the home courts. The outstanding match was the one between the Misses Foss and Strickler. "Billie" finally won it, taking two of the three sets and showing some fine playing.

"Lakie" tried hard to win her singles match vs. Miss Cookman, but the Swarthmore miss proved her right to the laurels by winning two sets, 8-6, 6-3. Anne Connor easily reversed things, however, when she defeated Miss Seaman, 6-2, 6-1. The doubles were equally exciting, and the Ursinus quartet won them both. Strickler and Lake defeated Harvey and Walton, 6-1, 6-2; Bowler and Connor defeated Richards and Sterling, 6-3, 8-6.

Singles
Miss Strickler, Ursinus vs. Miss Foss, Swarthmore, 6-4, 3-6, 6-3.
Miss Cookman, Swarthmore, vs. Miss Lake, Ursinus; 8-6, 6-3.
Miss Connor, Ursinus, vs. Miss Seaman, Swarthmore; 6-2, 6-1.

Doubles
Miss Strickler and Miss Lake, Ursinus, vs. Misses Harvey and Walton, Swarthmore 6-1, 6-2.
Misses Bowler and Connor, Ursinus, vs. Misses Richards and Sterling, Swarthmore; 6-3, 8-6.

SECOND ANNUAL MOTHERS' DINNER HELD SATURDAY

President, Vice President, Dean of Women and Mrs. C. S. Dotterer Speak at Banquet

ATTENDANCE IS LARGE

Ursinus concluded its celebration of Mother's Day by a special dinner held in the upstairs dining room on May 13th, shortly after the completion of the May Day pageant.

Although attendance at the dinner was restricted to those students who were accompanied by their mothers, nevertheless the dining room was crowded. Special seating arrangements, however, enabled everyone to be accommodated.

The delicious dinner prepared by the college furnished the main feature of the first part of the program. At the close of dinner, President Omwake very cordially welcomed the mothers and introduced the speakers. Dr. White, as Dean of Women, officially extended a further welcome to the mothers. As second speaker, Dr. Isenberg spoke very encouragingly concerning the building of the Women's dormitory. Mrs. Dotterer, representing the mothers of the institution, concluded the program by a very interesting and clever talk.

MISS FLORENCE JACKSON LECTURES ON VOCATIONS

On Tuesday and Wednesday, May 7 and 8, the women students of the College had the privilege of meeting and consulting Miss Florence Jackson, vocational guidance expert. A traveling consultant, who has been called to many of the women's colleges of the country, Miss Jackson was here thru the kindness of the Women's Student Government Association.

On both days individual and group conferences were held in the Y. W. room of the Library. At these times individual problems were discussed and questions answered in a most useful manner.

Tuesday evening in Bomberger Hall Miss Jackson gave a general lecture on vocations. A number of striking and very pertinent thoughts were given. An interesting part of the lecture was the discussion of the difference between men and women in the business world. It would seem that, with men, business is a vocation and

PRIZE IN GERMAN DEPT. IS ENDOWED BY MRS. LENTZ

Another prize of Twenty-five Dollars was announced last week by President Omwake. This prize has been established by Mrs. John Lentz of Collegeville in memory of her father, the late John Bethke of Philadelphia. It is to be awarded annually to the student who attains the highest standing in the course in Intermediate German. Students who pursue Intermediate German a second year by taking the alternate course, or who have already taken an advanced course, are not eligible for the prize. The first award of this prize will be made at the coming Commencement.

NEW YORK ALUMNI FORM A LOCAL ORGANIZATION

Frank S. Frey '07, Elmer K. Kilmer '15, and Helen Groninger '24 to Head New Association

PRESIDENT OMWAKE SPEAKS

At an enthusiastic gathering of sons and daughters of Ursinus residing in New York City held at the Advertising Club, Park Avenue at Thirty-first street, on the evening of May 6, a full-fledged New York Alumni Association came into being. The party assembled in a private banquet room and sat down to an excellent dinner. A cross-section of the group revealed a representation of classes extending back more than twenty-five years and coming down to the present, two of the '28 class being present.

After an exchange of views up and down the table on the possibilities of having a live Ursinus Alumni Association in New York, a permanent organization was effected with real enthusiasm and with confidence in its future usefulness to Alma Mater. Rev. Frank S. Fry '07, of Port Richmond, Staten Island, was elected president, Elmer K. Kilmer, '15, of the Collegiate School, vice president, and Helen Groninger, '24, 421 West 115th street, secretary and treasurer. It was voted to get a complete and correct list of names and addresses of all Ursinus people residing in the Metropolitan District and get them enrolled in the new Association.

At the conclusion of business President Geo. L. Omwake who was present as a guest, brought greetings from

NOVEL INFORMAL DANCE

HELD SATURDAY NIGHT

Something new in dances at Ursinus was started last Saturday evening, May 11, in the Thompson-Gay gymnasium. It was a strictly informal sport dance, and luckily none appeared a la tuxedo, for their charges would have been doubled.

Nothing better in the line of synco-pation could have been on deck than the colored Rhythm Boys who entertained so well earlier in the year, and who certainly outdid themselves this time. Their pep revived any of the crowd who had come somewhat fatigued after the May Day activities, and kept everybody going strong until "time all good boys and girls are in bed."

Decorations were very simple, but consistent with the sport idea. Banners and college pennants covered the walls, and bridge lamps were used. A little floor wax plus a dandy band plus a jolly crowd resulted in lots of fun. Randolph Helfrich '29 was chairman of the committee in charge and Mr. and Mrs. McAllister, Prof. and Mrs. Boswell, and Mr. and Mrs. Moore were the guests.

JUNIOR PROM TO BE HELD IN GYMNASIUM FRIDAY EVE.

This Friday evening at nine o'clock daylight saving time the long awaited social event of the year will get under way and the Junior Prom will be a reality.

The Juniors have worked hard and the committee headed by Paul Mattis are now completing final arrangements for the big dance of the year. Harvey Marburger and his Roseland Ballroom Orchestra will furnish the music while the decorations promise to be unusually beautiful.

Alumni members and friends who desire invitations should mail checks (five dollars) payable to Paul Mattis. Invitations may be secured from other members of the committee who are Margaret Johnson, Dorothy Beck, Evelyn Lake, Kathryn Sanderson, William McGarvey, Joe Citta, and Jacob Stacks.

COUNCIL NOMINATION

On Monday the men of the Freshman class made their nominations for Student Council. The men nominated were: Scott Covert, Earle Stibitz, Clarence Livingood, Wilbur Applegate, James Herron, Daniel Sheehy and Henry Shaeffer. Out of this number two will be elected to serve as Sophomore representatives on the Council. The election will take place this week.

Bears Break Even on Week's Games --- Winning Twice and Losing Twice

Grizzly Twirlers Win From St. Joseph and Albright But Lose Close Contests With Bucknell and Susquehanna

THREE GAMES OF WESTERN TRIP RESULT IN ONE RUN MARGINS

The past week was the busiest one of the season for the Varsity baseball team which played four games, all of which were on foreign turf. Action was started Tuesday afternoon, May 7, at Philadelphia with St. Joseph's which contest was won 9 to 2. On Thursday the boys started on a three-day journey to stage daily performances at Albright, Bucknell and Susquehanna, the first of this series was copped 8 to 7 but the latter two were lost 7 to 6, and 4 to 3 in order of their appearance.

The St. Joseph's game was taken fairly easily by the Bears, who secured nine tallies to their opponents' two.

SCHUYLKILL TAKES MEET FROM URSINUS RUNNERS

Weakness in Sprints Put the Bears on the Short End of the 69-57 Score in Home Meet

GRANT IS HIGH SCORER

Schuykill (or is it Albright?), thanks to a couple of individual stars, eked out a 69-57 victory over the Ursinus trackmen in a dual meet run off on Patterson field track, Saturday afternoon, May 11. The balance of power saw-sawed between the two teams throughout the contest, and the meet was not clinched until the very last leap had been made in the final event, the broad jump. Competition was keen and protests flew right and left at times.

For the third time this season unusual strength shown by the opposition in the events in which the Grizzlies are weakest was responsible for the loss of the meet. Schuykill's potency in the sprints and broad jump outweighed Ursinus advantage in the weight and distance events.

Doc. Grant, the Parsons' comet, carried off three first places, winning the 100-yard dash in 10 2-5 seconds, the 220 in 23 seconds flat, and the quarter in 53 seconds even time. The Bears were able to annex third places only in these events, the good work being done by Ed Krall in the shorter sprints and Crap Dulaney in the third and longest.

Freddie Conover, after setting a hard and fast pace for the first three

TENNIS TEAM BREAKS EVEN IN FOUR MATCHES OF WEEK

Bears Tie With State

The Ursinus netmen played a 3-3 tie with Penn State, each team taking two singles, and 1 double match.

Capt. Lefever and Pete Hipple were undefeated in both singles and doubles. Lefever defeated Butler, State 6-3, 6-0, for the first one while Hipple beat P. Borker, State, in three sets, 1-6, 6-3, 8-6. Rambo went down at the hands of Metzner, State, 6-2, 2-6, 6-4, and J. Borker defeated Snyder, Ursinus, 6-4, 6-2.

In the doubles P. Borker and J. Borker defeated Rambo and Snyder, Ursinus, 6-3, 6-2, and then Lefever and Hipple came through and took the final match from Metzner and Butler, State, in three sets, 4-6, 6-3, 6-4. Final match score 3-3.

Muhlenberg Match

The Ursinus tennis team had an easy time disposing of the Muhlenberg netmen. In the singles, Hipple, Ursinus, easily defeated Kiefer, Muhlenberg, 6-0, 6-1, while Lefever just as easily subdued Lowry, Muhlenberg, 6-4, 6-2.

Poley, Ursinus, defeated Struhle, Muhlenberg, in a nice manner, 6-2, 6-4 while Dotterer, Ursinus, won from Snyder, Muhlenberg, in three sets, 5-7, 6-1, 6-4.

In the doubles the Ursinus men cleaned up just as easily. Hipple and Lefever took over Kiefer and Lowry, 6-3, 6-2, while the score of Poley and Dotterer, Ursinus, vs. Snyder and Struhle, Muhlenberg, was 6-4, 6-1. Final score of match 6-0.

Haverford Match

The Ursinus tennis team went down to a 4-2 defeat before the Main Line aces at Haverford.

(Continued on page 4)

Place was the starting pitcher for Ursinus but he seemed to have difficulty securing the third out of an inning and when Rube developed a sore arm he was relieved by Karpinnen. "Karp" pitched excellent ball from the fifth on when he assumed the mound duty, yielding one lone single and striking out nine men. Sterner was the leading performer with the cudgel, knocking out three safe blows. Good ball was played in the field, not one error being made.

Having won one contest the team turned westward, and journeyed to Myerstown on Thursday, May 9, where they met and defeated Albright in a close tussle, 8 to 7.

Mink, the starting twirler, had difficulty in keeping things in control and was nicked for four runs in four innings. Dennis assumed the mound duty in the 5th and started well but was solved for two runs in the eighth. After he yielded a single in the ninth frame, Dennis was replaced by Strine.

Bob walked the first man to face him and the next two outs produced an Albright run. With the score 8 to 7 Ursinus having the lead, and with two outs and a man on third. Maslow of Albright slapped one to Sterner. The Grizzlies' second baseman slipped in fielding the pill but managed to get it to first just in time for the third out and to cut off the

MORTGAGE ON ATHLETIC CLUB WILLED TO COLLEGE

Under the will of the late Joseph C. Johnson of Worcester, Ursinus College receives a bequest of \$6,500. Some years ago when the College purchased the Athletic Club property, Mr. Johnson made the transaction possible by offering the institution \$6,500 toward the purchase price on a mortgage. In his will he bequeathed the mortgage to the College, which meant that he virtually accepted only an annuity on the money during the period of his natural life. The bequest removes the College's liability and is equivalent to a gift of the amount mentioned to the institution. It was Mr. Johnson's strong conviction that the College should own the famous old Muhlenberg home now known as the Athletic Club.

ALMA MATER

Time has brought again the cycle of time in which is a day that has become well nigh sacred, Mother's Day. It has been celebrated on the campus by the banquet to the mothers of Ursinus. And yet, a short consideration reveals how inadequate and unworthy this tribute of one day in the whole year is. Everything that we are or hope to be, we owe to our mothers, and little can we ever realize the toil and sorrows which they have undergone for us. Their love for us has guided us and brought us to the present moment. It will follow us throughout life. The forgetfulness and carelessness of youth may cause neglect of just duties and obligations to our mothers, but there is no end or ceasing to this care and affection. When viewed thus one day seems small to be the period for special expressions of gratitude and love. Daily expressions of our gratefulness would be but a poor recompense for what our mothers have done for us.

It is a very significant fact that the dearest name which a student can apply to his or her college is the time honored one, Alma Mater. The College is in truth the nourishing mother of the days of youth and deserves the love of all her sons and daughters. But at the same time the debts we owe to our mothers are far greater and more pressing. They can be paid only by the things we do and say and by the results of lives well spent in the service of the world. No means can be more effective in bringing joy to the hearts of those who have done so much for us than the doing of right as they have us do. We can satisfy ourselves by no less than by expressing our gratitude in obedience to their wishes for us, a recompense greater than any words could be.

AN INTERNATIONAL STUDENT NEWS ASSOCIATION

Nothing was of more significance at the recent Spring Convention of the Intercollegiate Newspaper Association of the Middle Atlantic States than the address of Mr. Richard J. Beamish of the Philadelphia Inquirer in which he suggested the organization of an international collegiate newspaper union. It was of significance not only from the fact that such an organization would link students of the whole world in a closer bond of knowledge of each other, and in a closer understanding of student life and work throughout the world, but it would prove also to be a means for dispelling the ignorance and prejudice of nations concerning each other. Especially is this true of the United States continually suffering from the misrepresentations of it in foreign countries which foster enmity and ill will. If any means could be found to eliminate such evils its inventor or discoverer would deserve to be enshrined in the Hall of Fame, as a permanent benefactor of the world. And if the Intercollegiate Newspaper Association should organize a greater and more wide spread body which would unite student opinion and thought throughout the world, it would vindicate its existence in a most brilliant and satisfactory way.

KEEP THE CAMPUS CLEAN

Despite the old familiar statement of Scripture, "When I became a man I put away childish things," it appears that not all of the student body have rid themselves of the careless habits of childhood. And none of these is more offensive than the habit of dropping things or letting them lie where they do not belong. The entrances to Bomberger and the Library have daily a beautiful crop of cigarette butts, papers, and other refuse which belong in the waste containers that are on the campus, and certain days of the week the public streets at the entrances to the College are strewn with banana skins and other remains of food. It is very much to be regretted that there are a few persons in College who are either too lazy or too thoughtless to do the little that is necessary to prevent the campus from being littered by cigarette butts, paper, etc. It not only detracts from the appearance of the College and annoys the majority of the students who do not indulge in such practice but it is injurious to those who do such things either because of carelessness or indifference. A slovenly dress betokens a slovenly mind, and the same is true of slovenly habits. The habits we have in college are the ones which we will carry through life. This habit is one which cannot and will not be tolerated in the outside world. Why should it receive any forbearance on the campus?

JUNIORS AND SOPHOMORES NOMINATE COUNCILMEN

Nominations for the Senior and Junior members of the Men's Student Council for next year were made at meetings of the present Junior and Sophomore classes held on Thursday, May 9. The Juniors nominated are: Gene Fry, Jacob Stacks, William McGarvey, James Donaldson, Austin Gavin, Horace Werner, Alfonso Balch, Ira Fritz, Harold Sullivan, Wilmer Burns, Paul Lefever, Philip Willauer, and John Wilkinson. The Sophomore nominees are Edwin Krall, Maxwell Kuebler, Albert Thompson, Gosta Schuyler, Kenneth Alexander, Russell Benner, George Clark, Ralph Hirt, George Rosen.

According to the Constitution of the Men's Student Organization election of Council members will take place

the first Tuesday following May 15, in this case May 21. Ballot boxes will be placed in Bomberger Hall and balloting will take place all day. The number of Senior representatives on the Council is six, and of Juniors four.

KATHERINE TOWER '30 WILL EDIT 1930 Y HANDBOOK

At a conference of the joint "Y" cabinets, the staff for the Freshman Handbook was chosen—to teach the Frosh of '33 in the way they should go. Katherine Tower '30 was elected editor-in-chief and the cabinets chose Warren Francis '30 as business manager. The editor will have for her assistants—Calvin Yost, Jr., '30, Dorothy Beck, '30, Janice Wilt, '30, and Elsa Garrett '30. The assistant business manager will be John W. Clawson '32.

JUNIOR'S FINAL WORD TO HIS READERS

The time is drawing nigh, fellow terpsichorean artists, or as they would say in the movies, then came the dawn, for soon we shall have with us the seventeenth at which date an affair of no mean importance will be held for those who desire and enjoy the best in dances. Egad, 'tis but four more days away, then we shall see what we shall see and hear what we shall hear.

Picture the gala occasion for yourselves my friends, use your Comp. 1 to its best advantage and visualize some six score proud Adonis' of the campus vainly strutting toward the ballroom while clinging on the arm of each is a radiant damsel, roguishly flashing her jewels and holding tightly to her ermine cloak as she expectantly looks toward the castle of her dreams. Nor will she be disappointed for a scene of breath-taking beauty and splendor awaits her when she places her dainty silver slippers inside the door of the palace. While the decorations are being kept a secret (as much as possible) I can assure you that the gorgeous spectacle alone is worth the price of admission, not to say anything of four hours of dancing to the strains of Harvey Marburger and his indomitable musicians. Oh yes, by the way, Paul Mattis received a letter from Harvey and since the leader is acquainted with quite a few of the students at Ursinus Mr. Marburger promises music of extraordinary calibre.

Undoubtedly it will be the greatest social event of the year and to miss it would be to miss at least half of your college education. So by all means relax before the grind for the finals gets under way; spend an evening free from worries and replete with innovations, surprises and good times.

So far I've been wondering at what moment some one would shoot me from ambush for my vile writing but I'm going to take one more chance and conclude my series of nonsense with a little poem written for the occasion. As my education has been neglected (knowledge of meters, gas or otherwise, scales and scansion is woefully lacking) take the following with a grain of salt (and if the worst comes to the worst I would prefer that to buckshot).

JUNIOR'S PROM

(With apologies to Campus Song)
When the shades of evening gather
Ursinus dancers hie,
To the rock-ribbed Field Cage
For a time their cares laid by.

And as the opening strains of music peal
A hundred couples move in rhythmic
motion:

Swaying to and fro, back and forth
Like bobbing ships on an angry ocean.

Faster and faster the music plays
All are one in hilarious frivolity
While on every smiling face there reigns
Joyful signs of youthful jollity

As the dying strains of music softly fade
away.

And the big parade homeward is begun
There flashes to the mind of everyone
It was—the biggest and best Junior Prom.

Yours forever now,

JUNIOR.

P. S. Don't forget the Junior Play Saturday night, "New Brooms."

NEGATIVE TEAM WINS IN DEBATE WITH ALBRIGHT

The often postponed debate of Ursinus with Albright College was held at Albright in Reading on Thursday evening, May 9. The Ursinus negative team defeated the Albright affirmative team on the question which has been debated during the year: "Resolved, that the American jury system be abolished. The affirmative side was upheld by Messrs. Harold Blumberg, Glenn Shaeffer, and Clarence Mendelssohn, of Albright College, and the negative argument was presented by George Rosen '31, Austin Gavin '30, and Robert Roth '29, with Calvin Yost '30 as alternate. Phillip Willauer '30 served as chairman of the occasion. The sole judge of the debate was Professor F. W. Gingrich, of Albright. This victory brings the number of victories for the negative team this year to four out of six debates. The debate with Albright on Thursday evening ends the debating season for the present year.

ENGLISH CLUB

"Letters," was the theme of the English Club when it met at Shreiner Hall, May 6. Jeannette Strauss '29, read a paper, "Love Letters From Dorothy Osborn To Sir William Temple" which was reviewed with good literary taste. Irene Ackerman '29 presented the masculine side of the case with "A Soldier of the South"—letters from General Pickett to his wife. Dr. Homer Smith, the club adviser, put a fitting climax to the meeting as he discussed "Famous Letters" tracing their development from ancient to modern times.

The Tower Window

We are again assured of excellent speakers on our baccalaureate and commencement occasions. The baccalaureate sermon will be preached by the Rev. J. Ross Stevenson, D. D., LL. D., president of the Theological Seminary at Princeton. Dr. Stevenson is a well known theologian, preacher and religious leader. He was graduated in 1886 from Washington and Jefferson College, and from McCormick Theological Seminary in 1889. For a time he served in the pastorate but was early called to McCormick as professor of ecclesiastical history, where he remained as a member of the faculty for twelve years. In 1909 he accepted a call to the pastorate of Brown Memorial Church, Baltimore. After only five years here he was elected president of Princeton Theological Seminary and has been the honored head of this institution ever since. He has served on many important commissions and boards of the Presbyterian church, was moderator of the General Assembly in 1915, and has been active as chairman of the General Assembly's Department on Church Cooperation and Union. He has been honored with the degree of Doctor of Divinity by his Alma Mater and by Lafayette in this country and by the Presbyterian College of Halifax in Canada and the University of Edinburgh in Scotland. The degree of Doctor of Laws was conferred on him by Ursinus at the commencement in 1909.

The commencement speaker will be Frederic William Wile, author, newspaper correspondent and political broadcaster of Washington. His terse and keen analyses of the political situation at the nation's capital as broadcast over a national network every week have made him popular with vast multitudes of Americans. Mr. Wile's career as a newspaper correspondent began early in life. He was a correspondent to Chicago papers in London during the Boer War in 1900-01, and continued as a foreign representative of American and British papers for many years. His work brought him into contact with men of high position in the old-world capitals. In 1905 he was granted an interview by King Oscar II of Sweden, the first interview ever granted an American correspondent by a European monarch. He did valiant service as a newspaper writer during the World War and wrote a number of books giving intimate descriptions of the various embattled nations. He is now head of the Frederic William Wile Service of newspaper correspondence from Washington and since 1923 has been political broadcaster for the National Broadcasting Company.

Mr. Wile has promised to speak on some topic of current interest in our national life. G. L. O.

Y. M. C. A.

Reports of the Officers Training Conference held at Gettysburg College on May 3-5 were the features of the regular Y. M. C. A. meeting held on Wednesday evening. Blair Egge '31, who is chairman of the social committee, gave an animated and interesting account of the Conference and of the speakers. He outlined the ideas proposed in the discussion group on Freshman for the reception of Freshmen at the beginning of the year and for aiding them to become oriented and to become accustomed to college life and action. Egge also described the entertainment of the delegates between the sessions of the Conference. The shortness of the time prevented him from finishing his report and the other delegates from giving their reports.

The meeting was in charge of Kenneth Alexander '31. William Denny '30, conducted the devotional exercises. More news of the Officers' Training Conference will be presented at the meeting on Wednesday evening.

Y. W. C. A.

An appropriate program for Mothers' Day made the weekly meeting of the Y. W. C. A. of unusual interest. Irene Ackerman '29, the leader, gave a very helpful and appreciative talk on "Parents and Guides." Special music by Rhea Sell, '31, who sang a popular Mother's Day song did a great deal to make the meeting the success it was.

COEDS ENTERTAINED AT TEA
BY MRS. E. S. FRETZ, THURS.

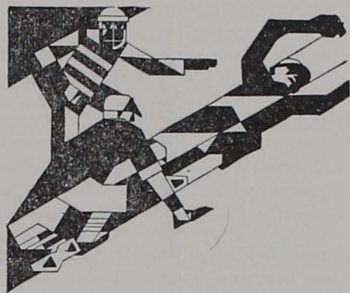

The spacious home of Mrs. Edward S. Fretz was the scene of a pretty formal tea, Thursday, May 9, with the girls of South, Glenwood and Maples Halls as guests. Mrs. Fretz and Mrs. Howard Tyson were in the receiving line, while Mrs. Carl Tower and Mrs. Homer Smith poured. During the afternoon Mr. Stock entertained with selections from Chopin. Miss Grace Kauffman '27 sang a charming solo. Altogether, the tea was a huge social success and the girls wish to thank Mrs. Fretz for her kind hospitality.

CAMEL
CIGARETTES

WHY CAMELS ARE THE BETTER CIGARETTE

Camels contain the choicest tobaccos grown . . . expertly blended for matchless taste and fragrance.

They have a welcome mellowness and mildness that you will find in no other cigarette.

Smoke them as often as you like, Camels never tire your taste.

The quality of Camels is never permitted to vary.

Only a superior cigarette could have won and held world leadership for all these years as Camel has done.

BEARS BREAK EVEN ON GAMES —WINNING AND LOSING TWICE

(Continued from page 1) tying run that was crossing the plate. Young garnered three hits out of four trips to the pan and Coble two out of three. Hunter socked a double and Francis banded out a triple, he also made a nice stab of a fly in deep right.

Bucknell was the next stopping place where the Ursinus nine was beaten on Friday, 6 to 7. Weakness with the bat was partly the cause of the downfall, little scoring was done until the last frame when they passed the Bucknell team which however came back in their half of the ninth to grab the contest.

Karpinnen did the slab work but was not up to his usual form, walking several men which for him is rare.

Coming up for the last time the Bears started some fire works. Singles by Bateman and Young and a wild throw on Peter's grounder scored two. Another safe blow by Karpinnen brought in two more putting Ursinus in the lead 6 to 5.

All hopes were dispelled when Bucknell scored twice in their half on some poor playing by the Ursinus bunch. A stolen base the fourth of the game, and a fly which dropped between center and short which should have been out paved the way. "Karp" unnerved walked two and a hit finished things.

The last contest of the tour was with Susquehanna which though lost was the best ball game of the week. Strine pitched good ball but weak hitting failed to garner enough runs.

The Ursinus attack had its strong spots for Peters and Sterner both slapped out homers, Peters' coming when he was pinch hitting for Coble, an ideal time.

TENNIS TEAM BREAKS EVEN IN FOUR MATCHES OF WEEK

(Continued from page 1) In the singles, Gray, Haverford star took two from Pete Hipple, 6-3, 6-2, while Captain Lefever easily defeated Johnson, Haverford, 6-2, 6-1. Blair Rambo succeeded in downing Hogenauer, Haverford, in three sets, 5-7, 6-2, 6-0, while Spangler was defeated by the driving of Rodell, Haverford.

This made it two all, but in the doubles the Bears were not so fortunate, dropping both matches, 6-4, 3-6, 6-2. Hipple and Rambo, Ursinus, were defeated by Gray and Hogenauer, Haverford, after a brilliant contest, 6-4, 6-3. Johnson and Barnhart played a sweet game for Haverford and finally overcame Lefever and Spangler, Ursinus, 6-3, 6-2.

The Swarthmore Match

The Swarthmore racquetters proved too much for the Ursinus netmen, defeating the Bears 6-0.

Hommel and Capt Nicely, Swarthmore, took their singles from Hipple and Capt. Lefever, Ursinus in straight sets, the former winning with a little difficulty, 6-3, 6-3, while the latter rallied, after losing four straight games in the same set to win six in succession and take the match, from Lefever, 6-2, 6-4. McDiarmid, Swarthmore, was forced to extend himself to three sets to defeat the skilful playing of Blair Rambo. Bond, of Swarthmore, took a hard-fought match from Spangler, 6-3, 6-3.

After some very fast games, Pete Hipple and Paul Lefever were downed in their doubles, 6-1, 6-3, by Hommel and Nicely, Swarthmore. Cohen and Brown, Swarthmore, defeated their Ursinus foemen in three hotly contested sets, 6-2, 3-6, 6-1.

FROSH TEAM IS VICTOR OVER LANSDALE HIGH 15-5

The Frosh baseball team added another victory to its string when Coach Schell's team visited Coach Jeffer's' Lansdale High team and trimmed the high school boys 15 to 5. Jeffer's' aggregation started off like champs, scoring two runs in the first inning. Ursinus came back a wee better—getting 13 runs. From then on the game became respectable, both teams playing good baseball.

For the Frosh, Livingood at bat and Moll in the field starred. The Lansdale team played a heady game, but evidently the "college boys" had the mental jump on them.

MISS FLORENCE JACKSON LECTURES ON VOCATIONS

(Continued from page 1) with women usually an avocation. Probably the most important vocation is that of the homemaker. No other occupation has as many varied forms as this, nor requires as much concentration and constant effort. In general there are five large groups into which vocations may be divided, they are: Social service, teaching, business, scientific work and research, and the occupations of skilled artists in various fields. The most important thing to be remembered in anything is to have a firm foundation with which to work. The value of having a sound knowledge of subjects related to one's particular field also was stressed. This is particularly true for teachers and science workers. But the motto, par excellence, for any who would be successful workers is—Don't be a shirker!

On Wednesday, Miss Jackson spoke to some of the students in Education courses. In the afternoon the visit was brought to a pleasant close with a tea given at Shreiner Hall in Miss Jackson's honor.

SCHUYLKILL TAKES MEET FROM URSINUS RUNNERS

(Continued from page 1) quarters in the mile run, ambled along to give first place to Egge. Firing, Schuylkill, ran a poor third. Had he continued his pace, which he was well able to do, Conover's time would have been down around the 4-40 mark. Van Davies and John Fertig easily took first and second in the two-mile run. Humbert, Schuylkill, the other man in the race, furnished little opposition, and the Ursinus harriers finished fresh.

The only clean sweep made by the Bears was in the half-mile. Here, with the race sewed up, Captain Newcomer gave first place to Hess, with Conover third.

Templen, Schuylkill, set a new local record in the high hurdles, winning in 16 2-5 seconds. His team-mate, Andrews, took second, with Jake Hirt, lanky Grizzly, third. Johnny Lentz took the low hurdles away from the Schuylkill pair in 27 4-5 seconds.

George MacBath, as usual, was high scorer for Ursinus. Mac's throw of 40 feet 7 inches bettered any previous heave he has made this year to win the shot put. Kerm Black was right on his heels for second honors. MacBath likewise tossed the discus 116 feet 3 inches for his second five points, Bayle, Schuylkill, being second, and Black third. Black also got a third in the javelin throw, which was won by Andrews, Schuylkill, with a throw of 164 feet 1 3/4 inches, which shattered the field record, and a second place in the high jump fell to the Bordentown boy as well.

As we have been saying for the last five weeks, "the pole vault was easily won by Gavin." 10 feet 6 inches was sufficient to win on this particular occasion.

Three places in the broad jump, the final event, spelled victory for Schuylkill. Stauffer's jump of 20 feet 8 1/2 inches, was good for first place, while Oden and Haines were able to out-jump the Ursinus leapers.

EAST CAMPUS IS SCENE OF ANNUAL MAY PAGEANT

(Continued from page 1) ing on the village green of Nottingham, as the villagers brought on the May Poles. The Sheriff took charge of the archery contests and announced that he who won, would choose the Queen of the May. Of course, Robin Hood was victorious and unhesitatingly proclaimed Maid Marion, Queen. The villagers, then began their festivities in her honour and at the close all followed the Queen. The Jester, enacted by Catherine Keplinger, '31, amused the audience by her antics as well as the Court of King Richard.

The attendants to the May Queen were: Senior, Marie Markley; Junior, Katherine Sanderson; Sophomore, Ida Jaggard and Freshman, Eleanor Roeder.

The Flower Girls were: Marjorie Tyson, Nancy Allebach, Muriel Tedrow and Georginna Brooks.

Much credit is due to Miss Errett for her untiring efforts in putting the pageant across and to the musicians, who gave of their time and talent towards making it a success.

FROSH TRACK MEN TAKE THIRD PLACE IN F. & M. MEET

The Frosh track team traveled to Lancaster, Saturday, May 11, and copped third place in the Eastern Collegiate Freshman Track and Field Meet. Harry Miller, Frosh spikeman, was the individual star of the meet. "High" took first place in the shot put, first in the broad jump, first in the high jump, and second in the discus throw. "High's" strenuous efforts in scoring 18 points had much to do with the fine showing Ursinus made.

Ed Klingaman, diminutive distance man, ran two fine races in the mile and two mile runs, placing second in the two mile, and third in the mile. His time for these two events was considerably better than winning time in the average meet. Other point scorers were R. Miller, who placed second in the high hurdles, J. Julo, who placed second in the pole vault, and D. Sheehy who placed fourth in both the shot put, and the 100 yd. dash.

HILL SCHOOL IS BEATEN BY FROSH TWIRLERS 7-5

The little Bears of Ursinus, angered by three previous setbacks, defeated the Hill School nine, in a bitterly contested baseball game. Both teams battled thru nine long innings to a 3-3 tie. Then the Frosh went to work in the first half of the 10th and scored 4 runs on 3 passes, two errors and a single by Pieffer.

The game was played on the Hill School diamond at Pottstown.

Table with 5 columns: Player Name, AB, R, H, O, A, E. Rows include Ursinus players (Pieffer, Miller, Super, Riordan, Scirica, Livingood, Thoroughgood, Moll, Coates) and Hill School players (Walker, Macwither, Gibson, Kuhn, Warriver, C. Brene, McCutchen, Mallison, Ravisson).
