THE TENNIS COURTS

### Swarthmore Held to 6-0

(Continued from page 1)

on a line plunge. The Ursinus backfield fumbled but recovered the ball and Eckerd kicked. Derk stopped an end run and in the next play he intercepted a forward pass giving Ursinus the ball on the 30 yard line. The backfield was not able to gain. Another fumble was made, a forward pass failed and Ursinus was forced to kick. Roehm got the kick after the ball was touched by one of the Garnet players giving us first down. A pass by Derk failed and another fumble occurred. Swarthmore got the ball and the Red and Black line again held their opponents to no gains. Clark again starred by his tackling. Dotterer tried a field goal which failed. The half ended with no score credited to either team. The Ursinus line played a fine game all the way through giving the Garnet backfield a barrier almost impossible to penetrate.

The second half opened with a kick off by Captain Faye. Gottshalk blocked an end run forcing the Garnet team to try line plunges and only after a few successful gains were they able to make a first down. Gottshalk again tackled giving Wilcox a gain of only one foot. The "stone wall" again held with Yaukey playing a fine game at center. Dotterer kicked the ball behind the Red and Black goal line giving the Collegeville team the ball on the 20 yard line. Eckerd made an end run gaining 9 yards but his team mates were unable to gain further ground. On the last down with 6 yards to go Eckerd kicked to Swarthmore who were unable to gain. A pass by Dotterer failed and he was forced to kick. Faye received the ball on the two yard line and was stopped without further gain. Two yards were gained on an end run and Eckerd kicked. Roehm and Gottshalk got their man on the 30 yard line and the Red and Black line again held. The Garnet team was thrown back on the next play by a 5 yard loss and Dotterer kicked to Faye who fumbled. The ball was recovered, however, by Eckerd, who kicked back after Jones hit the line with no gain. Gottshalk again got his man before a gain was possible. After an end run by Dotterer and a few line plunges Swarthmore received first down ending third quarter with both teams still fighting for a score.

In the beginning of the fourth quarter Dotterer was thrown for a 3 yard loss. Swarthmore gained five yards on line plunges, but on the next play Clark threw Wilcox for a loss of 3 yards. The Garnet team again tried for a field goal which failed. Captain

Faye was unable to gain around the end. Wismer then substituted for Derk. The Red and Black team was penalized 15 yards for holding. Eckerd kicked. Swarthmore gained a first down through line plunges. Dotterer was unable to gain. Wilcox gained two yards off tackle and on the next play took the ball over the line for the fatal count of the game. The kick failed making the score 6-0. On the first play after kick off Swarthmore intercepted a pass. Faye got Wilcox and threw him for a 2 yard loss. Gottshalk made a good tackle and Ursinus got the ball after Dotterer was forced to kick. Eckerd made a wonderful kick of 62 yards beyond the field and Wismer made a fine tackle. The line again held and the whistle blew on the fourth down with the final score standing 6-0.

#### Dope for Dopesters

(Continued from page 1)

legeville for the first home Thanksgiving Day game was snowed under by Cornell, 84-0. However, this does not give much of a line on the real strength of "Jack" Mitterling's team, as "Gil" Dobie always manages to turn out a crack scoring combination at Cornell.

#### THE IDEAL PROF

The ideal prof sat at his desk  
And said, as few profs say,  
"Although you have much work to do,  
There'll be no class today.  
Outdoors the sun is shining bright,  
Go rest beneath the trees  
Upon the grassy campus, and  
Enjoy the cooling breeze.

I hear a voice, not far away,  
That's calling 'Thirty all';  
So play a set of tennis, boys,  
Forget the study hall.  
And while the weather is so fine,  
You may remain away;  
Forget the work you have to do,  
There'll be no class today."

The ideal prof was ever thus,  
Since his career began;  
He's taught a host of subjects, but  
He's never flunked a man.

And when an answer we forget,  
He questions us no more;  
Perchance we fall asleep in class  
He minds not if we snore.

Examinations he abhors,  
And homework he detests,  
Because he well appreciates  
The fact that we need rest.

If only other profs were like  
The one in this poor rhyme,  
'Twould make all studies seem a joy,  
And college life sublime.

—"Targum"

### LOST—FIVE MILLION MINUTES THAT CANNOT BE REPLACED

Lost—Five million minutes—solid gold minutes set in sixty diamond seconds.

This startling fact is revealed in a set of vital statistics made public today by the Pennsylvania Public Service Information Committee. The 5,000,000 priceless set minutes were lost because 250,000 persons during the first nine months of 1923 left telephone receivers off the hook after making a call.

Absent-mindedness and carelessness and, in some cases, just "cussedness" were the primary causes of the receivers being left off the hook. Many persons after going away from the telephone forgot to go back to complete their conversations.

Some failed to remember that the receiver must be hung up. Some may have done it on purpose. Others laid the telephone down so it was propped up by a book or some other object.

Whenever one of the 250,000 telephones is found to be receiverless the operator applies the apparatus known as the "howler." Hi! Uncle Peter! The "howler" makes a noise that is shrill and generally can be heard in various parts of the house. If the "howler" brings no result, then the telephone company sends a repair man.

An average of twenty minutes is consumed in correcting each case, which accounts for the 5,000,000 gold minutes lost.—Evening Ledger.
