FIGHTING RED AND BLACK TEAM TRIUMPHS OVER P. M. C. ELEVEN

FAYE, BUCHANAN AND GOTSHALK MAKE TOUCHDOWNS FOR URSINUS

Wisner's Tackling and Punting of Eckerd Feature Hard Fought Game on Patterson Field, Saturday Afternoon

Under a cloudy November sky, brightened by the smile of all the Gods of fortune, with the air saturated with the lusty cheers of Ursinus and P. M. C. supporters, which blended harmoniously with the squeals of a myriad rosy-cheeked co-eds, and made the music so soothing to the player's soul, the Red and Black warriors won a glorious victory over the Chester eleven, on Patterson Field, Saturday afternoon, in one of the most classic struggles ever staged at Ursinus.

From the very beginning of the contest Coach Cornog's boys, alert, courageous, and thirsty for the victory so long in coming, out-witted, out-played and won from a team that in weeks past had defeated Albright, Juniata and Delaware, all of whom had made sad the hearts of Ursinus men by their successes over the wearers of the local colors. But Ursinus' day was bound to come. It did come. And today there is rejoicing in the hearts of a faithful Coach, a loyal student body and a fighting team.

"Five touchdowns to none" was the song sung by the uniformed boys from down the line as they appeared in Collegeville before the fray. One was all the grey-jersied team that represented them was able to make; while the eleven men who fought like one, crossed their line in three successive quarters.

The outstanding features of the game were many. Among those more worthy of mention were the line bucking of Buchanan, who made a very creditable showing in his first game on the varsity. Eckerd's punting was superb. Faye stood out as a ground gainer around end. Wisner played a great game at halfback, making innumerable tackles at critical moments. Mann and Gotshalk cheated P. M. C. out of many a yard by their excellent work in getting down under punts. Hunsicker played his usual smashing game at tackle, and Wikoff, who had been out for several weeks, looked good at center. The whole team played like a well oiled machine during the sixty minutes of battle, never ceasing for a moment on the steady march toward victory. And to that, more than to anything else, goes the credit for the downfall of the enemy.

McCoffery starred with several sensational throws. Red Allen smashed the line for considerable gains on several occasions. And Gyp Allen, who got into the game in the second half, showed that his ability as a fullback was not lacking.

Worst Scores

P. M. C. chose to kick off in the initial period. Faye received and ran the ball back for eight yards. Ursinus fumbled, and Eckerd was forced to punt. Craig received for the opposition and Worst crashed thru tackle for five yards. Buono did likewise. Craig, on a clever formation, ripped off fifteen yards on an end run. Wisner intercepted a forward pass by Worst. Eckerd punted to Worst who ran the ball from midfield for the first touchdown of the game, and followed his brilliant exhibition by kicking the goal from placement.

Silence reigned for a moment before a mighty cheer from the stands gave evidence that Ursinus was still there, undaunted by the sudden turn of battle.

Buchanan Turns the Tables

Schoonberger kicked off from the tee. Faye ran the ball back from the ten to the thirty eight yard line. Buchanan fumbled and Coppeck re-

covered. Reilly and Buono made eight yards on two attempts at the line. P. M. C. was penalized ten yards. Then Buchanan redeemed himself. Worst threw a short forward pass which found its way to "Buck's" hands and a minute later, after a spectacular run from the forty yard line, it was resting peacefully behind the enemy's goal. A poor pass caused Eckerd to fail at the goal. The Ursinus stands went wild.

Faye kicked off to Worst who returned the ball ten yards from the five yard line. Worst tore around end for five, and Red Allen gained the necessary ground for a first down on the next play. After three more line plunges the lines moved again toward the Ursinus goal. Worst failed at an end run and punted. Faye received. Wisner hit the line for a slight gain. Eckerd punted out of bounds giving P. M. C. the ball on their twenty yard line. Hunsicker recovered Worst's fumble. A pass, Eckerd to Mann, was grounded and the quarter ended with the visitors one point in the lead.

Faye Scores in Second

P. M. C. was offside on the first play. Buchanan and Faye made minor gains thru the line. Faye attempted to kick a field goal from a difficult angle, but failed. P. M. C. was given the ball on their twenty yard line, (Continued on page 4)

AUDIENCE LAVISH IN APPLAUSE OF RECITAL

Able Rendition of Tarkington's Play Delights Community

Miriam Lee Early Lippincott, noted Philadelphia elocutionist, won most deservedly the unstinted applause which greeted her presentation of Booth Tarkington's latest success, "Mister Antonio" in Bomberger Hall, Saturday evening.

From the start the artist was in the confidence and affection of her hearers for it is seldom the privilege of a gathering as critical as one recruited from a college community of attending to so well presented and interpreted a program.

The recital was in the nature of a four act play the central theme being an amusing love story laid in a small Pennsylvania town of the present period. The class of '23, under whose auspices the entertainment was held, is to be congratulated upon their choice of so gifted an entertainer.

OLD TIMERS DISCUSS FOOTBALL SITUATION

Conference at Annual Banquet Full of Athletic Interest

Saturday, November 11, besides being nationally celebrated as Armistice Day, was "Old Timers' Day," at Ursinus, an occasion when alumni and especially old football men are invited back to the "Old U", to renew old acquaintances and give advice on athletic matters. Derr Hall dining room was the rallying place, where at 12 o'clock a banquet was held, during which an open and extremely frank discussion on the present football situation was conducted.

After an excellent meal, in a room fittingly decorated with pennants, footballs, tennis racquets, baseball gloves, hockey sticks, etc., P. A. Mertz, acting as chairman, gave a short address, in which he set forth the chief aspects of the present football season at Ursinus, and suggested topics which he deemed fitting for discussion.

Having finished his introductory remarks, Mr. Mertz then called upon the following "Old Timers" for opinions: Coach Cornog, Mr. Donald Evans, of Lebanon; Mr. Knoll, of Central H. S., Philadelphia; Mr. Trexler, of Shamrock; Mr. Wood, of Norristown; Mr. Hartman, of Philadelphia; Mr. Butz, (Continued on page 4)

FRESHMEN BANQUET AT HOTEL LORRAINE

Mr. and Mrs. Small Conduct Party to City of Brotherly Love

No day could have been better suited for a "get-a-way" than Monday, November 6 when seventy Freshmen, after evading the day's classes gathered at the hour of seven in Hotel Lorraine, Philadelphia. Jupe Pluvius aided them greatly, covering their escape with low leaden clouds during the day and later in the evening with rain.

During the day many points of interest of the city were visited but at seven o'clock the sixty and nine filed into the Lorraine Room to the strains of music of the "Five K's." The tables had been arranged in the form of a "U" and were beautifully decorated with white roses, the class flower.

After the feasting and laughter the speeches began. Mr. Drennan as toastmaster welcomed the class with fitting remarks. The toasts follow:

"Let us cherish high ideals and work for Ursinus. Never let our class spirit ebb but always work for the class. The worth of '26 can never be (Continued on page 3)

DR. STIBITZ SPEAKS AT CHAPEL SERVICE

Seminary Professor Gives Excellent Advice

On Tuesday morning the first of the monthly chapel addresses was delivered by Dr. Geo. Stibitz of Central Theological Seminary. Dr. Stibitz is an Ursinus graduate, being the sole survivor of the class of '81. He brought greetings from the 'Sinus boys at the Seminary.

The theme of the address was taken from I Kings—the occasion of the inauguration of Solomon—and was David's words of advice to the young king—"Show thyself a man."

"The challenge is to the younger generation. The final examination of my generation" said the speaker, "was the war. And the record was failure." Europe today is worse off than before the war. All the results of the material progress made were turned to diabolical uses. The task of the coming generation is to develop both willingness and ability to do the right. Not to make the world stronger but to make it better.

To be a man is the greatest thing in the world. Of all his powers, that of thought is of the greatest, yet, if uncontrolled by a greater power—will—is useless for good purposes. The Psalmist says, "Thou has made him a little lower than the angels." Man is but little less than divine. To be a man then, is to use one's powers to the highest and holiest purposes for which they were made.

The zoo is the best place for the "Liberty" party. Satan does as he pleases. But man is dominated by purpose and will toward the good. The life of Christ was one tremendous "must." In his agony in Gethsemane He showed Himself a man as none other has ever done.

Education is the ability to respond properly to the reasonable demands that are made upon one. This is true physically, intellectually, morally and spiritually. "I am not a man if I cannot respond or will not respond to God. The need of the world is for God in our hearts—a willingness to know and do His will."

"Above all, fundamentally," said (Continued on page 2)

POVERTY DAY BECOMES FEATURE OF CALENDAR

Udpike and Baden Win Prizes For Most Striking Costumes

On Saturday, Poverty Day, altho a new institution in the social life of Ursinus, was observed by all male Freshmen and some members of the other classes.

The student body and visitors were greatly amused by the multiplicity of beggarly costumes on the campus. Mr. Udpike's entrance to the dining room resulted in great peals of laughter. (Continued on page 4)

INTERSCHOLASTIC DEBATING LEAGUE MEETS AT URSINUS

Plans for Coming Season Discussed and Arranged

The Ursinus Interscholastic Debating League, composed of high schools in Montgomery and adjacent counties, held its annual conference at Ursinus last Saturday for the purpose of discussing plans for the coming debating season.

Owing to the lateness of the notices for the conference as sent out not as large a representation as anticipated was secured. However, it is expected that before the debating season begins this year the league will embrace a larger number of high schools than it did last year.

The following High Schools were represented at the conference: Collegeville, Boyertown, Abington, Norristown, Spring City, Summit Hill, Womelsdorf, East Greenville, Lansdale, Sellersville, North Wales and Kutztown.

Messrs. Small and Mertz, of the college faculty, opened the conference with words of welcome and told of the proposed plans for the league's activities. The constitution of the league was readopted with few alterations. A suggestion that the unfairness of scouting be eliminated as much as possible among the high schools in the league was cordially endorsed by all the representatives. It was further decided that the two teams competing for final honors should debate a new question. With this end in view the preliminary debates were moved up two weeks earlier in order to allow the final competing teams more time for preparation. The question for debate was decided as "Resolved That the United States Should Cancel All European War Debts Contracted During the War."

Representatives to the conference, some thirty in number, were guests of the college. From all indications they thoroughly enjoyed the "Poverty Day" celebration, Old Timers' Day and the P. M. C. victory.

It is very evident that the interest of Ursinus, coupled with the enthusiasm of the representative high schools at the conference will insure a banner year for the Ursinus Interscholastic Debating League.

Editorial Comment

The result of the P. M. C. game has filled the football squad and student body with a spirit unequalled so far this year. Battling against many odds on Patterson field the Red and Black eleven won a glorious victory over the Chester Cadets, whose previous record this year made them a foe to be feared. And why did Ursinus win? Only because, as Captain Miller said "The team knew the whole school was behind it." The game was an exhibition of the cleanest and hardest playing ever witnessed on the gridiron.

Next week the biggest game of the season will be played when F. and M. invades the Ursinus camp. The fight will be a hard one. F. and M. has the strongest team in its history and has met with exceptional successes. But Ursinus, with a display of "pep" and enthusiasm equal to that prevalent last week will beat F. and M. Let's duplicate Saturday's victory.

The small college is faced by a problem which, uncontrolled, threatens to impair its effectiveness as an institution of higher education. With a comparatively small number of students to supply the necessary material there is an ever growing interest in intercollegiate affairs and in other extra-curricular activities. Every small college seeks to put superior athletic teams on the field and, at the same time, encourages the development of organizations within itself conducted along social, literary and religious lines. All these things are good and necessary parts of college life, but without some method of control, do not aid in the proper development of all the students in the college.

It invariably happens, at Ursinus at least, that one who holds a position of leadership in one organization, necessitating the expenditure of much time and effort, is called upon to perform other duties of similar importance in one or more other organizations. Such an individual's education, then, becomes one-sided, built up principally about those extra-curricular activities at the expense of his regular college courses. And the loss is not only his own but also that of the less popular one whose chances to be a leader in some collegiate function are lessened by the absence of control in the allotting of offices. Some students are given too much to attend to while others are allowed to sit idly by. The idea of one person doing one thing well and attempting to do only one thing, is entirely forgotten in the fight for college honors.

One method, successfully tried in other institutions, tends to apportion certain offices and honors so that they are not, too many of them, given to a few. By establishing a point system, by which no one student is permitted to do more than a specified amount of outside work, the danger of an overburdened schedule is, in part, eliminated. In other words, extra-curricular activities are given a rating according to their importance and the amount of time they require, and, for the protection of all, no person is allowed to rate more than a specified number of points. The merits of the system far outweigh its defects. We suggest the establishment of some such controlling system at Ursinus.

In common parlance we are wont to state that an individual, horse, motor, product, institution, policy and what not, have "pep" if it displays evident and unmistakable signs of life for a protracted period. Unless the individual, institution or process continues to emanate pep in due and consistent proportions it is just as characteristically termed a "false alarm."

For some time past the hypothetical "pep" thermometer at Ursinus has been subjected to tortuous vacillations between its two extremes and on one can gainsay that many more "false alarms" were recorded than consistent "higher temperatures."

At present it is at a decided high level and everyone is elated at the attendant state of affairs. The problem now before us is to give our thermometer a permanent resting place in the "high pressure area." Perhaps we can better appreciate the problem if we consider evidences of "pep" in fields foreign to our own.

Men engaged in the promotion of science and industry are constantly striving to prepare materials which will better serve their purposes. So numerous have their contributions become that an announcement of further advancement scarcely arouses a ripple of comment. Consequently, little or no attention is given to the prodigious endeavors that were necessary to create these blessings. Success in the perfection of an industrial product is not due to fortunate circumstances or a happy combination of coincidences. If a process is faulty no time is spent in mourning its inefficacy or wasted in attempting to bolster up the defections with crude and costly expedients. A systematic and exhaustive system of research is inaugurated and failure is not countenanced unless the solution of the problem involves a breach of the empirical laws of science. It is related of the Germans, whose tenacity and indefatigability of purpose have created for themselves an international reputation in science, that, in the search for a substance for the perfection of a technical process, over twenty thousand compounds were tested before a suitable one was found.

Where could a better variety of "pep" be found than in the work of men like these? It is of a constant variety because of its marked stability and immunity to reverses and seemingly unsurmountable difficulties. It is a sober, reflective type whose glow does not die because it is rational rather than emotional in character.

So let us get down to the fundamentals of the question and arouse in ourselves a "pep" for things Ursinus that will give rise to a spirit the College and its traditions merit.

SCHAFF SOCIETY TO PRESENT "SHERWOOD"

Millicent Xander and Eugene Michael to Take Leading Roles

The play which Schaff will present on her 52nd Anniversary is a five-act drama, "Sherwood," by Alfred Noyes. "Sherwood" is the story of Robin Hood and the Three Kings. It combines those qualities that make it beautiful as legend and significant as history. This play has been rendered by other colleges of note and has met with great success everywhere.

In addition to the excellent qualities of the play, Schaff considers herself extremely fortunate to have secured Mr. Gawthrop as coach. His merits as an advisor in dramatic art assures the cast of able support and effective direction.

Furthermore, due to Mr. Gawthrop's intimate acquaintance with the play and its proper production, Schaff feels that she could not have secured a more competent person to coach.

The leading characters have been selected. Robin Hood, the hero and outlaw, historically known as Earl of Huntingdon, will be played by Eugene Michael. The role of Maid Marion, betrothed to Robin Hood, will be taken by Millicent Xander.

SCHAFF LITERARY SOCIETY

Schaff's corps of active members was again supplemented on Friday night by the election of Miss Pearl Kimes, of Spring City, and of Miss Agnes Humphries, of Wilmington, Del.

A well prepared program met with the approval of all present. The preliminary practice for the anniversary play greatly interfered with the attendance. "Mel" Rahn, '22, and Miss B. Brooks, '20, were among the visitors to whom a glad welcome and an invitation to return again was extended.

Miss Weigley's Choral Society was especially good, taking the form of a Country Church Choir practice. All the participants displayed unusual dramatic as well as vocal ability. Mr. Paine was a stellar figure as the choir master. Without further comment the program follows:

Indian Melodies..... Miss Zuagg
Patriotic Expostulations, Mr. Welsh,
read by Mr. Shaffer
Playette..... Mr. Hedrick, leader
"Dumb Bells"—a "light opera"

Mr. George, leader

ZWINGLIAN LITERARY SOCIETY

Crowded to the doors with regular members, friends of the society and "Old Timers," Zwing enjoyed one of the best programs of the year.

The first number, "Tickling the Keys" by Miss Ehley was received with much applause. Miss Groff read a very humorous selection.

Picking from various sources of information on Ursinus, Mr. Webb gave a very interesting paper: "Ursinus of the Past."

Mr. Rensch rendered a cornet solo: "German Fox-trot". A quartette under the direction of Mr. Beitsch once more brought before Zwing four of its artists.

A sketch by Mr. Helffrich was filled with its author's individuality and was a distinct piece of "Helffrichism."

The most original part of the program was a "Young Movie," given by the "Slatington Crew."

Mr. Flitter read the Zwinglian Review.

Zwing was glad to welcome as new members Miss Meyers, of Doylestown and Mr. Kern, of Slatington.

Besides its regular members Zwing was proud to welcome back, the Misses Kunkle, Mentzer, Knauer and Davis; Messrs. Baden, Moser and Altenderfer, and Dr. and Mrs. Moore.

Dorothy Hagens, ex-'23, was married to Walter Jenkins, of Stroudsburg, Pa., last August.

Donald L. Helffrich, '21, was elected a member of the Pi Delta Phi fraternity, an honorary law fraternity at Yale University.

ENTERTAINMENT NUMBER BEST IN RECENT YEARS

Marr, Baritone, and Crespi, Violinist, Give Brilliant Recital

The second number of the Lecture Course was enjoyed last Thursday evening, when two noted artists displayed their musical talent. Great music is truly great when it is given adequate interpretation. Music lovers attested to the veracity of this after the concert given by Miss Valentina Crespi, the Italian violinist, and Graham Marr, baritone, in Bomberger Hall.

Miss Crespi justly deserved the hearty applause she received. Her selections were admirably chosen, and her technique was excellent.

The vocal selections were rendered by the well-known Graham Marr. Splendid appreciation of his great ability and excellent tone was indicated by the audience. It is needless to say, that it was immensely enjoyed.

The more classical selections of Mr. Marr were better received than those of a popular nature. The people who attend these concerts seem to want only the best. Mr. Marr's training has been in opera and in that he does his best work.

"Bible Study" was the topic of the Y. W. C. A. meeting on Wednesday evening. The meeting, led by Helen Groninger, was for the purpose of starting the regular weekly Bible study classes, and the several books to be studied were presented by their respective teachers.

Mrs. Baden and Mrs. Omwake are to conduct the class of Senior girls who will study "The Human Elements in the Making of a Christian." It is expected that the discussions will be very interesting and inspiring. Courses for the other classes will be taught by Ethel Fox, Edith Fetters, Elizabeth Poley and Sarah Hinkle.

The Bible Study committee anticipates a successful year; having as its aim a one hundred per cent enrollment and attendance. The purpose and routine of the classes were discussed by Miss Groninger. The discussions entered into and the reflections encouraged should be of great help to the members of the classes.

The Y. W. meeting this week will be conducted entirely by faculty ladies and an interesting program is being arranged.

the speaker, "Be a man. No one is a man who lives for himself. One can be either an asset or a liability. The world needs mighty men who use their might for others."

Of particular significance was his advice to the women. Dr. Stibitz declared himself as not thoroughly in accord with the idea of women being actively engaged in politics and business and made plain his belief in the idea, old as the hills as it may be, that woman's place is in the home as the mother and teacher of Christian children.

The address was delivered in a forceful manner, and colored by a richness of figurative language and a fine sense of humor, proved enjoyable and inspiring to all who heard it.

ALUMNI NOTES

Rev. R. S. Snyder, S. T. '05, is pastor of the Westminster Presbyterian Church, Utica, N. Y. His congregation has under way the project of erecting a new Church House, a building to be used for religious education, social uses and recreation. The plans as shown in a pamphlet issued by the Planning Committee are complete in every part and involve an outlay of \$350,000.00. Westminster Church is an old organization and with the change of environment is becoming a "downtown church." A field for a large work of a different character from that of former days is open and Dr. Snyder and his associates are eager to equip this congregation for its larger task.

Rev. J. G. Kerschner, S. T. '98, for a number of years pastor of the Reformed Church at Palmerton, Pa., has recently taken charge of St. Vincent Reformed Church in Chester county. His address is Spring City, Pa., R. D. 1.

Measure up to Ursinus standards so that when you enter the outside world you will be a credit to your school. We want you 'to be rather than to seem to be'."—"Greetings from '24," Eugene B. Michael.

"We will sum all this up in one word: 'S-P-I-R-I-T.' Let 'S' stand for Sincerity, 'P' for Pep, 'I' for Individuality, 'R' for readiness to enter into everything for the betterment of the College, 'I' for ideals, and 'T' for all together or co-operation."—"Spirit of '26 Girl," Miss Elizabeth L. Mitman.

"A revived Spirit has been aroused within us, the incoming Freshman Class. We must realize the necessity of unity and co-operation and must stop all destructive criticism and entertain with a deaf ear "the seeds of discontent."—"Spirit of '26 Boy," MacDonnel Roehm.

In discussing the Athletic Situation in general at Ursinus Mr. Eckerd, in his toast, "Athletics," emphasized the present football situation. He stressed the need of co-operation between team and student body and recalled that heretofore this was lacking. He promised the hearty co-operation of Freshmen in Athletics.

Mr. and Mrs. Small responded heartily to the introduction of the toastmaster and Mr. Small urged the Freshmen to become acquainted with members of the Faculty and emphasized the importance of starting immediately in their studies and in the right way. Dancing occupied the major part of the remaining program.

The Class was greeted by a dark, misty campus upon its return at one o'clock, Tuesday morning. But it dispelled all gloom and, with lusty yells voiced its pleasure in the fact that it had held one of the greatest banquets of one of the largest Freshman Classes ever admitted to Ursinus. For, truly, the banquet was thorough in detail and perfect in every respect and much credit is due the committees who had it in charge for the way in which they faithfully discharge their duties.

HOCKEY TEAM BREAKS EVEN IN WEEK'S GAMES

U. of P. Eleven Defeated; Swarthmore Again Victorious

Twice during the past week Miss Roe's varsity hockey squad invaded the territories of opposing elevens. The University of Pennsylvania was the first opponent and the game ended in a victory for Ursinus. "Your pep" and "Beat Penn" seemed to be the slogans as the Ursinus girls wended their way to the scene of action. The game was almost entirely offensive on the part of Ursinus. It was full of fight but was very commonplace in plays. Hesperheide and Knipe shone as goal hitters. Splendid defense was given by the fullbacks and halfbacks. The Penn team put up a good fight but was unable to match the team work and good playing of the Ursinus eleven.

Line-up:
Ursinus Penn
Rohermmel goal Eastwick
Fetters right forward Crush
L. Isenberg .. left forward ... Drew
Lawrence .. right halfback .. Schaeff
Fegely left halfback Cook
H. Isenberg McCaughan
center halfback

Mills right wing Schaff
Hesperheide .. right inside .. Balogh
Knipe center MacNeir
Hoyer left inside McCardle
Xander left wing Yeatman
Goals for Ursinus—Knipe, 2; Hesperheide, 2; Hoyer, 1. For Penn Macneir, 2; Schaff, 1. Referees—Misses Roe and Major. Time—twenty minute halves.

The first half of the game with Swarthmore was entirely an offensive one for Ursinus and defensive for Swarthmore. The Ursinus forward line kept the ball in Swarthmore's territory and succeeded in sending it flying across the goal line twice. Due to overconfidence on the part of Ursinus Swarthmore made four goals in the second half. The entire Ursinus team played a splendid game and put up a good fight. The forward line showed good team work and offensive playing while the halfbacks steadily fed the ball to them. L. Isenberg and Fetters played a fast game as fullbacks and with good strong hits managed to keep the ball away from their territory.

Line-up:
Ursinus Swarthmore
Rothermel goal Krusen
Fetters .. right forward .. White
L. Isenberg left forward L. Roberts
Lawrence .. right halfback .. Turner
Fegely left halfback Bitler
H. Isenberg center halfback Pollard
Mills right wing .. A. Roberts
Hesperheide right inside White
Knipe center Foote
Hoyer left inside Holmes
Xander left wing Burt
Goals—Ursinus: Knipe, 1; Xander, 1. Swarthmore: Foote, 1; Holmes, 3.

Y. M. C. A.

The regular meeting of the Y. M. C. A. was held on Wednesday evening in the "Y" social rooms. The speaker for the evening was Dr. Scofield of the Episcopal Church at Evansburg. His talk was on "God's Message to Each Individual." By means of the radio he was able to make his point clear. Dr. Scofield said that God was sending a message to each one on this earth, but that sometimes we were not able to receive it because of crossed wires. Also sometimes there is a voice "breaking in" and shutting off the message. He said that we would have to fix those wires and pay no attention to the voice breaking in. As a third point we must tune our bodies and lives to the pitch that will enable us to receive God's message.

Ursinus Student has Valley Forge Charge

On Sunday, October 29, Bruce C. Beach, '26, was installed as pastor of the Valley Forge M. E. Church. This church, the oldest in Valley Forge (founded 1837), has been rapidly falling back in the last few years, but a plan for re-organization is forthcoming. The fine spirit of the small congregation is extraordinary, and all Ursinusites who are interested are cordially invited to attend, to help make things boom.

Old Timers Discuss Football

(Continued from page 1) of Alburdis; Mr. Ebert, of Collegeville; and Mr. Heller, of Philadelphia. Each of these men told frankly and without veneer, just what they deemed to be the trouble with football at Ursinus. Such questions as the following were raised and duly considered:

- 1. Do students and alumni have the proper spirit?
2. Can Ursinus hope to match her teams against those of schools where large amounts are given as inducements to athletes?
3. Is it desirable for a college to give inducements to athletes?
4. Are honor and clean standards more desirable than victorious teams?
5. Is it fair to students or coach to be the laughing stock of the colleges?
6. By our present system of athletic management, do we even get the "crumbs" that are left after other colleges have canvassed the preparatory schools?

These are just a few of the outstanding points taken up in the discussions. From the essential nature of the questions it may easily be seen that the men in attendance were all 100 per cent boosters for Ursinus but at the same time were not afraid to face the situation squarely and from a practical viewpoint. Just what steps may be taken by alumni as a result of this meeting is hard to say, but whatever is done, the student body will stand united behind the "Old Timers."

Poverty Day Becomes Feature

(Continued from page 1) The first prize for the vagabond most gloriously attired was presented to Updike, '23, while Siegfried Baden, '23, revelling in the tatters of a king of the highway was awarded second honor.

All, clothed in accord with the occasion, paraded before the grandstand between halves at the football game. Among those most poorly dressed were Shelly, Tomlinson, Webb and Rutter. The day proved to be a complete success, thereby establishing itself permanently on the Ursinus calendar. It must be here noted that all classes participated, seniors scampering off with both prizes.

The judges were: Miss B. Brooks, '20, Mr. Clyde Moser, '21, and Mr. J. T. Ebert, a director of the College.

Red and Black Team Triumphs

(Continued from page 1) and Red Allen bucked the line for ten yards more. Ursinus braced and held. P. M. C. lost the ball. Wismer made a pretty run around right end that gave Ursinus a first down. A short pass, Eckerd to Faye, netted five yards. Wismer fumbled and Buono scooped up the ball. Worst punted. Faye caught the ball in midfield, and Eckerd attempted a short pass to Faye which was unsuccessful. Then both teams resorted to an exchange of punts in which Ursinus had the upper hand. Eckerd hit the line for four yards. Buchanan crashed thru for fifteen yards. Faye made eight yards on two line bucks. Buchanan took the ball to P. M. C.'s six inch line on a terrific drive thru center and a minute later Faye carried the ball across. Eckerd's attempt for the extra point from placement was blocked.

The half ended with the ball on Ursinus' twenty five yard line after Schoonberger's kick. Ursinus, 12; P. M. C., 7.

Gotshalk Makes 75 Yard Run

Schoonberger again kicked, and the ball changed hands several times. P. M. C. was penalized ten yards. Worst and Eckerd exchanged punts again. Worst bumped the line for ten yards and loped around left end for eight more. Reilly made it a first down. Several more line plunges gave the visitors another. Gip Allen crashed thru tackle for five yards. And again the unexpected happened and the Ursinus stands went wild. McCoffery tossed a forward to Wyman, but Gotshalk was there first, and, squeezing the oval to him, he ran seventy five yards, hotly pursued by the whole opposing eleven for the final score of the game. Faye made the goal on a drop kick.

Schoonberger kicked off. Eckerd took the ball forward fifteen yards from the ten yard mark. Buchanan made another of his long gains thru

the line. The quarter ended. Ursinus, 19; P. M. C., 7.

Both Teams Tighten

In the final period P. M. C. made a desperate effort to score once more. Both teams tightened up. Eckerd punted to Gyp Allen. P. M. C., unable to advance thru the line, uncorked an aerial attack which, for a few moments, seemed threatening. McCoffery made another sensational throw of thirty yards right into Wyman's hands. Ursinus solved the passing riddle and after several futile attempts, P. M. C. lost the ball on downs. Wadd intercepted a pass, taking the ball to the Ursinus twenty five yard line. Ursinus got the ball on downs once more. Canan recovered a fumble and ran twenty yards. Faye and Buchanan gained thru the line. The game ended with great rejoicing—Ursinus, 19; P. M. C., 7.

The line-up:

P. M. C. Ursinus
Reilly left end Mann
Schoonberger left tackle Canan
Martino left guard Yaukey
Brown center Wikoff
Smith right guard Gotshalk
Coppock right tackle Hunsicker
Wyman right end Roehm

Buono left halfback Wismer
Craig right halfback Eckerd
Worst fullback Buchanan
P. M. C. 7 0 0 0—7
Ursinus 6 6 7 0—19

STUDENT CONFERENCE

Talk, Talk, Act December 26-28
Why do you go to college?
Parental power, practical persuasion, or—?
What do you want to be like when you leave college or don't you care so long as you have a certain amount of useful information?
Who decides what shall be taught at your college?
Why do liberal clubs think it necessary to bring to the colleges speakers whose point of view is not ordinarily presented by the faculty?

PROBLEM

If 130 credits equals 1 B. A., plus 30 credits equals 1 M. A. plus 70 credits equals 1 Ph. D., how many credits will equal 1 intelligent man?
How is it that you can go to college when so many other men and women can't?
Are you taking somebody else's education away from him?
Do you owe anything to the unedu-

cated?

These and other questions will be discussed at a conference held under the auspices of the National Student Forum during the Christmas vacation on December 26, 27 and 28, in the vicinity of New York City. These questions center about two main topics:

- 1. Why is college what it is?
2. What are our responsibilities as students?

The six foreign students whom The National Student Forum is bringing to the United States will be present. It will be their first meeting with an American group of friends. There will also be several recent graduates who will discuss the possible courses for socially minded students after leaving college. But there will be no big speakers. It will be a conference of students for students and will concern the vital issues of the student's life.
