

The Scientific Advisory Group on Emergencies (SAGE), established within the Academy of Science of South Africa (ASSAf), cordially invites you to the second webinar in the **Webinar Series**

Why Environmental Management Must Become The New Normal

The series aims to raise awareness on the importance of emergency risk mitigation in the context of environmental management.

How can we prevent future pandemics and human-driven environmental emergencies?

How should we manage the environment in a more proactive and integrated fashion?

Date: 5 August 2021

12 August 2021

19 August 2021

Time: 11:00 – 12:30

Venue: Zoom (link to be provided upon registration)

RSVP: [Click here](#) to RSVP
