Dear Mr Muir,

How deep are you willing
to go into the Tahoe lots? I rather
hope that those of us who are
now in it may take up all the
lots & then sell them only to
persons whom we all wish very
much to have come in. It would
be a good thing if a fair propor-
tion of the whole could be held for
the public good & so keep our
numbers down, However if it
seems best to sell I am inclined
to think that the holding will not
be a bad investment - I should
prefer to have you have a large
holding rather than any one else
simply because of our wish to think
the place as primitive as possible -
Still I do not of course wish to
make you feel under any pressure
But let me know your wishes. I

Think that Olney will probably
take some extra lots - I shall take
four + probably Garber will take
some. I wish that the whole plot
could be taken by these now in

Very truly yours

W. J. Reed
