Dear Mr. Muir: -

The ladies of Indianapolis have been getting ready for some time, to issue a "Woman's Edition" of one of our city papers - a Bangs giving issue. I have ordered to be sent (an awkward sentence) a copy to your address. I am not a member of the organization - "The Flower Mission" - which sends out the paper for the benefit of said charity, but they pressed me into their service

to edit the religious page.
Now I have no doubt you need
some religious reading; and then
you will have some curiosity to
see your old friend in the roll of
editor. My niece Bessie Hendricks
has two or three short poems, here
and there in the paper; and my
sister-in-law Mrs. Victor Hendricks
wrote the address of thanks to the
Editor of the Sentinel, for the
grant of the paper. My niece made
the drawing of the design for my page
It was considered very good when it

came from her hands, but I do
not know how it will look after
it has gone through the processes
preparatory to getting it into the
paper. I am wondering how
you are getting on with your
literary work, and shall be much
interested in the success of your book.

Hoping you and yours are well
and prosperous, I am, as ever
Your sincere friend
Eliza S. Hendricks.
