8-10 November 2021

Faculty of Engineering, Universiti Teknologi Brunei
Bandar Seri Begawan, Brunei Darussalam

Innovation in engineering and technology towards enhancing quality of life and society

Date: 22-Oct-21

ACCEPTANCE OF FULL PAPER

Paper ID:	159.
Paper Title:	Enhanced Performance of Graphene-Oxide Polyethersulfone Nanocomposite Membrane Wastewater and its Fouling Mechanism.
Author(s):	Nik-Rashida Nik-Abdul-Ghani, Mohammed Saedi Jami and Mohamed Hasnain Isa.

Dear Author (s).

Congratulations! We are glad to inform you that the above titled paper **has been accepted** for presentation in the 8th Brunei International Conference on Engineering and Technology 2021 (BICET 2021), which will be hosted online/virtually by the *Universiti Teknologi Brunei, Brunei Darussalam* from 8 -10 November 2021. The conference programme schedule will be announced later near the conference date. We are also delighted to inform you that your above titled article will be published in the AIP Conference Proceedings (Scopus indexed), after completion of registration process & presentation during the conference. Authors are advised to follow instructions regarding copyedit and camera-ready from the BICET conference website (<http://www.utb.edu.bn/bicet2021/>). In addition, please note the following important deadlines:

1. Complete your registration by **31 October 2021**. *Please take note that all the bank charges will be borne by the sender/remitter and the full amount must reach UTB.*
2. Please submit the AIP copyright Form and Camera-Ready paper by **31 October 2021** to the BICET 2021 Secretariat, via email (bicet2021secretariat@utb.edu.bn).

If you have any further query, please contact the conference Secretariat.

We look forward to seeing you virtually during BICET 2021

Thank you.

Yours sincerely,

Prof. Ir. Dr. Mohammad Yeakub Ali
Technical Chairperson
BICET2021 Organizing Committee
