GRADUATE SCHOOL OF LIBRARY AND INFORMATION SCIENCE ALUMNI ASSOCIATION NEWSLETTER

Number 1

Spring 1994

From the President

WELCOME TO THE NEW GSLIS ALUMNI ASSOCIATION NEWSLETTER!

For the past few years, the Graduate School of Library and Information Science Alumni Association, also known by an initiated few as the "LSA", has cosponsored the School's newsletter, sharing expenses and space. Although this cooperation was a pleasant and mutually satisfactory venture, the time had come to reassess its goal from the perspective of both sides. As a result, the Board of the Alumni Association, at its August meeting, voted to launch its own newsletter, with the blessings of Leigh Estabrook, Dean of the School.

Some of the benefits the newsletter will bring to the Alumni Association include greater autonomy and recognition. And one of the goals of this publication is to keep you abreast of what your Association is doing for you, for it does many things and is planning to do more. By the same token, we do hope that you will contribute to its success by letting us hear from you, be it by mail, phone or electronic mail. Any means will do, as long as we hear from you. What we want from you includes *suggestions for programs, ideas for activities, news about you*. Remember that networking is a very important part of our

profession, and this newsletter should help you establish or develop new ties, and even re-establish old ones. I would love to hear from Carol Elam or Angela Graham who were classmates of mine!

So, the ball is now in your court! Send it back for a successful exchange. You will not regret it. *A Bientôt!*

ALUMNI ASSOCIATION ANNUAL MEETING

Mark your calendars! To coincide with the University of Illinois Reunion Weekend, Dean Leigh Estabrook invites all alums for tea at the School's new location, 501 East Daniel, Champaign, on Saturday, 30 April, at 3 o'clock. Prior to the reception, the Annual Meeting of the Library School Alumni Association will take place, and members will be asked to vote on the following changes to the Bylaws.

Resolved that the GSLIS Alumni Association Board place the following bylaws amendments before the Annual Meeting scheduled for April 30, 1994:

ARTICLE I. The Association shall be called the University of Illinois at Urbana-Champaign Graduate School of Library and Information Science Alumni Association, herein referred to as the Library School Alumni Association..

ARTICLE X, Editor: The Executive Board shall appoint an editor for its Newsletter.

We hope a lot of you will come back for this festive occasion and make this weekend a great success!

INSIDERS' NEWS

Since the July elections, the Board has met on August 28 and November 13, 1993, and February 19, 1994.

The main issue remains the necessity of a visibility campaign to publicize the role and the numerous activities of our Alumni Association. As a result, the Board voted to implement several measures. Firstly, during the Association's annual meeting on 30 April, 1994, members will be asked to vote to change our name from Library School Association to Library School *Alumni* Association in the hope that future alums will become more aware of its existence before graduation. Secondly, a logo will be designed to be used on stationery, brochures and other items, so that our Association will be more easily recognized. Thirdly, a Young Leadership Award will be established to recognize our graduates who have excelled in the field of information science within 10 years after graduation. Fourthly, Cheryl Bernero ('85) is working on new ways to contact new enthusiasts, perhaps through INTERNET. Finally, at its last meeting, the Board voted to sponsor more receptions at the various special conferences offered throughout the year. Look for one of us at those events.

Dean Leigh Estabrook shows the Alumni Association Board her new office, complete with a sky light, parquet floors and a fireplace.

The Computer Lab in the new building.

Cheerful alums share some conviviality at the Library School Alumni Association Reunion at the 1993 ALA conference in New Orleans.

Peggy Harris, the Alumni Association liaison, is all smiles as she anticipates moving into her new office, which has a large window overlooking the patio of the new building.

More alums getting reacquainted in New Orleans.

A time for study, a time for fun! Pictured at the picnic that followed the 1993 Library School Convocation are Professor Kathryn Luther Henderson (BS '48, MS '51), recipient of the 1993 Library School Alumni Association Distinguished Alumna Award, and Henriette Avram, who had just been conferred an honorary doctorate by the University of Illinois at Urbana-Champaign.

REPORT FROM THE CENTENNIAL FUND

The first phase of fund raising for the Centennial Scholar Fund, in honor of the School's Centennial, has been completed. Sufficient funds exist to provide a special award to a faculty member to support his/her teaching and research for the 1994-95 academic year, and we are well on our way to achieving the level of alumni participation desired. The University guidelines for a fully funded award are strict and high, so we must continue to solicit donations if we are to assure this continuing tribute to the School and its graduates. Gifts are welcome at any time, in any amount. If you are a first-time donor to the Centennial Scholar Fund, you will be sent a signature card so that your name can be added to the commemorative artwork that will be installed in our new building. If you have already made a donation, please consider your ability to provide additional support. Thank you to all of you.

**LEADERSHIP AWARD
CREATED**

For many years, The GSLIS Alumni Association (LSAA) has given the Distinguished Alumni Award to individuals who have made an important contribution to the field of librarianship. The LSAA Board has recently created the Leadership Award that will pay a tribute to newly graduated librarians who have made an impact in the field within 10 years of receiving the degree.

The award, available to LSAA members only, will consist of a certificate and a cash prize. It may be granted posthumously, as long as the recipient was a LSAA member at the time of death. The name of the recipient will be inscribed on a Leadership Award Plaque, to remain on open display in the quarters of the School.

The 1994-1995 LSAA Board members enjoy a break during one of their meetings. From left to right are: Anita Johnson, Sally Duchow, Barbara Lintner, Cheryl Bernero, Gerrie Schriefer, Frankie Mosborg, Christine Guyonneau (sitting).

LSAA TO HOST RECEPTIONS AT ILA AND ALA

Mark your calendars! The Library School Alumni Association (LSAA) is sponsoring two major events for the first part of 1995.

Whether you want to get reacquainted with your former classmates, swap stories on the good old days, or simply meet people who

went to the same school as you, come and relax with some of us on May 4, at the Pierre Marquette Hotel in Peoria, from 5 PM to 7PM. The room location will be included in your program.

The reception at ALA will take place on Sunday June 25 from 5:30 to 7:00 PM. Prior to the reception, a short meeting

will be held to give you the opportunity to vote for the new LSAA board members. The location of the reception will also be included in your program.

We hope a lot of you will come back for this festive occasion and make these two events successful.

BRIDGET LAMONT RECIPIENT OF THE 1995 LSAA DISTINGUISHED ALUMNA AWARD

Bridget Later Lamont, Director of the Illinois State Library since 1983, has been chosen to be the recipient of the 1995 LSAA Distinguished Alumna Award.

A 1972 MS graduate of GSLIS, Ms. Lamont is a native of Wilmette, Illinois. She began her career at the Wilmette Public Library, and continued her work with children's library programs in the Evanston and Champaign Public Libraries. After joining the staff of the Illinois State Library in 1972, she was promoted as a library consultant specializing in children's services, and later in library systems and multitype library cooperation. She was appointed Associate Director for Library Development in 1979, Deputy Director in 1981 and named Director of the Illinois State Library in June 1983.

Ms. Lamont's contributions to the field of librarianship have been recognized by numerous awards. These include a 1994 Honorary Doctorate from Rosary College, the 1991 ILA Librarian of the Year award, the 1990 ALA Outstanding Achievement Award, and the 1990 Illinois Public Humanities Award from the Illinois Humanities Council.

Ms. Lamont will be the Commencement Speaker at the May 14, 1995 GSLIS Graduation in Smith Hall.

LSAA DONATES \$5,000 TO GSLIS

As a part of the Centennial Celebration, the Library School Alumni Association donated \$5,000 to the Library School to purchase new furniture for the students' lounge. To the left is a partial picture of the furniture, which includes a winter green couch, two armchairs, a chair, and two tables. In addition, a round wooden table with four chairs, a refinished table and a floor lamp adorn the opposite side of the room.

It is hoped that this comfortable lounge will encourage collegiality among GSLIS students.

THE LATE PEGGY HARRIS RECIPIENT OF THE 1995 LSAA DISTINGUISHED SERVICE AWARD

The late Peggy Harris, former GSLIS liaison to the LSAA Board of Directors, was chosen to receive the 1995 LSAA Distinguished Service Award.

A native of Jackson, MS, Peggy graduated *Magna Cum Laude*, from Millsaps College, in 1960. Although she was awarded a Woodrow Wilson Graduate Fellowship there, she attended the Graduate School of the University of Chicago.

In 1962, she moved to Champaign with her family and began her long career at the University of Illinois. She first worked in the Coordinated Science Laboratory. In 1968, while working under Daniel Alpert, dean of the Graduate College, she was appointed staff assistant, an academic professional position. She followed him to the Center for Advanced Study, where she became the acting director from August 1978 to January 1979. From 1982 to 1984, she was the coordinator of the Medical Scholars Program in the College of Medicine. She then became the

assistant to the director in the College of Medicine until 1990. After two years in the office of the Board of Trustees, Peggy became assistant to the dean for development and

public affairs in GSLIS. Peggy was active in many community organizations. She served on the Board of Directors of the United Way of Champaign County, and on the UIUC Advisory Council. She was also a member of the Board of Directors of the University YWCA. It was during her tenure there that she organized the Champaign-Urbana Women's Network. She was also a member of the campus Professional Advisory Committee and a member and past president of P.E.O., Chapter KD.

Peggy's talents included decorating many offices, such as the GSLIS students' lounge, and hosting elegant dinner parties. Her natural warmth touched many lives and gained her many friends.

By awarding Peggy Harris the Distinguished Service Award, LSAA wishes to recognize all these achievements, and to express its gratitude for the work she did so gracefully for the Board.

FROM THE PRESIDENT

Thank you to all of you who responded positively to the first number of the **LSAA** (Library School Alumni Association) **Newsletter**. I know many more of you wanted to reply also, but got distracted by other tasks!... Well, don't be discouraged if you have failed on the first try! We hope there will be many more issues of the **Newsletter** and therefore more opportunities for you to let us know about your accomplishments.

Thank you also to all the members who recently renewed their membership or joined for the first time, many on a three-year or lifetime basis. Your support of our organization and your loyalty to your School is very heartwarming. Thanks to your membership dues and hard work from the Board, many things were accomplished in the past year. It gives me great pleasure to use, for the first time, the new logo that is now going to be our trademark. It was designed by Debra Bolgla, from

the Publications Office, based on another logo originally designed to celebrate the School's Centennial, and generously offered to LSAA by Dean Estabrook. It is our hope that we can use it to adorn many items such as aprons, T-shirts, scratch pads or any other idea that you may have. So why not take a few minutes of your time and e-mail me your suggestions.

On another front, Board members are also making every effort to join and meet you or catch up with you at various alumni receptions. **Take note of the times and place,s and come and join us.**

And remember that this is **YOUR** newsletter and that its success depends upon **YOU**. There are a lot of unsung heroes out there! So, put down this issue right now and E-Mail me (Guyonneau@gandlf.uindy.edu)

AN ACADEMIC LIBRARIAN AND A PUBLIC LIBRARIAN RECIPIENTS OF THE LEADERSHIP AWARD AND DISTINGUISHED ALUMNA AWARD

DIANE KOVACS IS THE FIRST RECIPIENT OF THE NEWLY CREATED LEADERSHIP AWARD

Diane Kovacs, a 1989 graduate of GSLIS, a leader in Internet applications, founder of GovDoc-L and LIBREF-L listservs, owner of Kovacs Consulting, and adjunct Assistant Professor at the Kent State University School of Library and Information Science since January, is the first recipient of the LSAA Leadership Award.

The award was created last year to recognize U of I graduates who have earned a MS degree within the past 10 years and have made significant contributions in the field of library and information science. Diane's accomplishments since her graduation exemplify the very purpose of the award. After graduation, she started her career as a Reference Librarian and Government Documents Coordinator at Bucknell University. In the fall of 1990, she went to Kent State University. Within a five-year span, Diane produced a large number of

Mary A. Dempsey, (MsS '76) who was appointed Commissioner of the Chicago Public Library by Mayor Richard M. Daley in 1994, is the recipient of the LSAA Distinguished Alumna Award.

Dempsey's training at GSLIS, her experience as chief librarian at Hillside, as legal librarian at Kirkland and Ellis, and as legal counsel for organizations involved with government policy on health care and education have given her a rare vision as well as the means to affect that vision through practical application. Dempsey has faced down attempts to limit CPL's budget and has inventively raised foundation and corporate support for books and building maintenance funding crucial to keeping a huge library system healthy.

As Commissioner of the Chicago Public Library, Mary Dempsey oversees the daily administration of over 80

Under her leadership, she has prioritized community outreach by expanding the public service hours, encouraged service to culturally diverse groups (Sulzer branch alone serves patrons who speak 84 different languages), expanded services for children and adults, upgraded its automated public catalog, constructed new full service branch libraries, initiated systemwide training and development for all library staff, and launched Internet access and online automated reference services for library patrons and staff. She plans to plant rose bushes in the garden of her newly-acquired house. GSLIS LAUNCHES NEW ONLINE EDUCATION

<http://alexia.lis.uiuc.edu/LEEP3>

LEEP, the School's newly created distance education scheduling option for the M.S. degree will begin in the summer of 1996. Courses will combine brief periods of on-campus instruction with independent learning and instruction using a variety of new information technologies including groupware and Web-based teaching. LEEP is directed toward students who give evidence of ability to learn independently, who have strong technological support from their workplace or their own resources and who are willing to collaborate with GSLIS faculty in designing and refining new ways to deliver instruction.

The new program includes:

- Instruction combining intensive on-campus meetings with use of communication/computer technologies for delivering instruction.
 - Course and admissions requirements comparable to those of traditionally delivered program.
 - Regular GSLIS faculty fully involved in teaching.
 - Educational opportunities expanded to those who are working fulltime or have other commitments in locations outside Urbana.
 - Students pairing with professional "mentors" near their homes.
 - Students' use of new technologies not only to learn from faculty, but also to work collaboratively with other students.
 - Placement and outreach coordinator available to help develop internships and practical experiences to supplement classroom instruction and expand professional opportunities.
 - Strong human and capital infrastructure support to design instruction and facilitate learning without undue frustration.
- For further information and admission packet, send an e-mail message to: leep@alexia.lis.uiuc.edu or write to:

C. BERGER AND COMPANY SPONSORS 1995 LSAA RECEPTION IN CHICAGO

Thanks to a generous donation from C. Berger and Company, LSAA was able to organize an exceptionally nice reception at the Swissotel, during the American Library Association Conference in Chicago last June.

The reception was a great success, with many attendees enjoying an enviable selection of cold and hot hors d'oeuvre.

One of our former foreign students, Chia Ning Chiang came as far as Taiwan. See on the following pages for pictures of other alums in attendance.

WE'RE THE TOP!

Congratulations are in order for GSLIS! For the first time ever, the U.S. News and World Report annual survey of universities included the 50 accredited programs in Library and Information Science. The results of this year's survey published in the March 18, 1996 issue ranks the University of Illinois Library School as Number 1.

LOW RATE INTERNET ACCESS AVAILABLE TO LSAA MEMBERS

As announced in the May/June issue of Illinois Quarterly, the U of I Alumni Association is offering complete Internet access at low usage rates, as a new benefit of membership to Alumni Association members who have a computer and a modem (9600 baud minimum). "Through an agreement with PSI, the largest provider of Internet access in the country, Association members may subscribe to PSI's "InterRamp" software program and directly connect to the entire Internet with ease....with a special rate structure for Alumni Association members." (Illinois Quarterly, May/June 1995: 12). Since all U of I Alumni Association Members are, by default, LSAA members, this offer applies to you as well. For more information e-mail to: alumnitec@uiuc.edu.
