PURDUE JOURNAL OF SERVICE-LEARNING AND INTERNATIONAL ENGAGEMENT

The *Purdue Journal of Service-Learning* (PJSJL), a multidisciplinary Open Access journal available in print and online, is dedicated to undergraduate students who conduct projects with strong service-learning and academic civic engagement aspects. By involving students in an intensive writing activity and showcasing the opportunities available at Purdue, the journal will enhance the use and effectiveness of the pedagogy of service-learning as a high-impact learning methodology. Special thanks to Chris Brannan and Katherine Purple (Purdue Press) and staff at Marketing and Media. Reflective essays, research with reflection articles, community partner snapshots, profile interviews, and community-inspired cover art in PJSJL are copyrighted by their authors.
