Plan now:
91st Drake Relays
April 28-29, 2002

2000

WOW! How time flies when you're having fun doing what you enjoy!

With the move from Northwestern University in 1969 to becoming the ninth Drake Relays Director, I have experienced the best of many worlds of track and field. The Drake Relays is truly "America's Athletic Classic" with excellent teams competing in our men's and women's university-college divisions as well as the best athletes from the Iowa high school boys and girls ranks. We always welcome those athletes competing in the elite special invitational events as well as the master's and corporate races, the grade school and middle school competition and the half-marathon and 5k road races. We are well rounded for competition in all ages. I'm extremely happy to have played a part helping develop each.

The entrance tunnel for the athletes competing in the Relays states "Through this tunnel pass the greatest athletes in the world." Among those who have passed through this tunnel include such performers as Carl Lewis, Gwen Torrence, Michael Johnson, Suzy Favor Hamilton, Randy Wilson, and many others including Drake's own Vern Iwaniec, Chris Mares, and Kevin Little. I can't begin to express the enjoyment I've had watching these athletes in the Drake Stadium.

I've worked hard over the years to give students at Drake University something to remember, so in future years, they will return to campus to renew acquaintances with classmates and friends at our annual "HOMECOMING".

We have a record 9,000 athletes competing in a record 98 events. There will be eight record holders returning as well as eight former outstanding performers. We anticipate several record performances, especially in the men's university distance medley relay and the women's special 1,500 headed by two-time Olympian Suzy Favor Hamilton.

The success of this meet would not be possible without the cooperation of the college coaches and athletes from all four corners of the country who return here on an annual basis. I've been fortunate to travel overseas with several U.S. national teams and Olympians which has been beneficial. I've always been on a first name basis with the university and college coaches, the elite athletes and agents from around the country.

The Drake Relays is also the only event in Iowa where the high school athletes compete in one combined class. So I extend my gratitude to the Iowa High School Girls Union and the Iowa High School Boys Athletic Association for their cooperation with the Drake Relays administration.

I wish to personally thank all the volunteers for their many years of service that helped make the Relays what they are today. Special personal thanks to Paul Morrison, Mike Mañon, Gary Osborn, Mike Henderson, Dave Mills, Jolene Osibloom, and my special administrative assistant Sally Corcoran. Without their guidance, loyalty, and perseverance we would never have such a "happening" each year. Special thanks to my wife, Marlene, for her understanding over the years.

WE HOPE YOU ARE ENTERTAINED THIS WEEKEND AND RETURN OFTEN.

Sincerely,

Robert Barhart

Iowa Lottery Profits Go To The State General Fund. Where Does The General Fund Go?

Who decides which programs receive Lottery profits? The Governor and the Iowa Legislature allocate funds based on where they believe funds are needed most. From FY'86-FY'90 proceeds were devoted to economic development. In FY'91 they went for natural resource programs. Now proceeds go to the General Fund.

Each year over \$40 million in Lottery proceeds are deposited in the General Fund. Along with tax revenues, these funds are used to finance programs for education, natural resources, human services, public safety and more.

DRAKE ATHLETICS - THE TOTAL PROGRAM

Former Drake star Ezra Hendrickson is a standout defender for the Los Angeles Galaxy of Major League Soccer.

Former Drake star Dani Tyler was a member of the U.S. gold medal softball team during the 1996 Olympics.

Drake University is committed to helping each of its 15 athletic teams become competitive and to do so with integrity and with class. It is a sports program in which student-athletes can take special pride in competing athletically, while excelling in the classroom.

Academically, one will be hard pressed to find an institution where the quality of instruction is any better. From computers in the dorm room, to the tutoring program and career services, Drake University stands ready and willing to help its students succeed.

Forty-eight percent of Drake's 315 student-athletes posted a 3.0 grade-point average or better. Fifty student-athletes were selected to their respective all-conference teams, while 30 earned academic all-conference honors.

Athletically, the Drake administrators, coaches, athletic trainers, and support staff operate from one guiding principle — the student-athlete is the reason they are here.

Drake carries a proud athletic tradition starting with the world-famous Drake Relays, while the athletic facilities are second to none in the Missouri Valley Conference. Drake has a history of aggressive and courageous teams. Drake is surrounded with great

fans who appreciate the efforts of its student-athletes and a campus community which works hard to enable the teams to succeed, both in the classroom, and on the field and court.

Former Drake star Kevin Little won the gold medal in the 200 at the 1997 World Indoor Track Championships.

Putting It All Together

Drake University has one of the most successful, most progressive athletic departments in the United States. Bulldog athletic teams annually contend for Missouri Valley Conference championships while also advancing into NCAA post-season action.

Drake annually records the highest finish of any private school in the 10-team MVC all-sports standings.

Ten of Drake's 15 athletic teams finished in fourth place or better in their respective conference races from the winter of 1999 through the winter of 2000. Here are some highlights from a great year:

- The women's basketball team won the Missouri Valley Conference title for the third time in the last four seasons, and advanced to the NCAA Tournament for the fourth time in the last six years. The Bulldogs, who also won the MVC Tour-

namment in Springfield, Mo., finished 23-7 for their fourth straight 20-win season.

- Center Carla Bennett earned MVC Basketball Freshman of the Year honors as well as first-team All-MVC accolades. Senior forward Haley Sames also was a first-team All-MVC pick, and was named to the GTE/CoSIDA Academic All-District first team.
- The Drake men's and women's basketball teams whipped Big 12 Conference champion Iowa State.
- Last spring, the women's tennis team captured the MVC championship for the seventh time in the last 11 years, while also advancing to the NCAA Tournament for the first time in school history. The men's team was second in the MVC Tournament.
- Last fall, the Drake men's cross country team captured its first Missouri Valley Conference title since 1970 while senior

Jason Lehmkuhle was named the MVC Cross Country Male Athlete of the Year.

- Seniors Eric Brezina and Tait Johnson were named Academic All-American second team in football, while senior tight end Cody Koch was named to the USA Today All-Honor team.
- Michael Foster earned first team NCAA 1-AA All-American honors by the American Football Coaches Association.
- Drake's Jason Lehmkuhle earned NCAA Indoor All-American honors in the 5,000-meter run, while sophomore Tracey Bearden won the 5,000 at the 2000 Missouri Valley Conference Indoor Track Championships.
- The Drake Relays enjoyed its 34th-straight Saturday sellout crowd (18,000) highlighted by 1996 Olympic gold medalist Derrick Adkins winning the 400 hurdles, while five American record holders also competed in their specialties.

WELCOME TO DRAKE UNIVERSITY

Drake University offers learners of all ages a unique and exciting combination of advantages that foster lifelong success. These advantages are why *U.S. News & World Report* magazine, in its most recent ranking of colleges and universities, named Drake a "best value" among 123 Midwestern universities. The magazine also gave Drake the top score for academic reputation.

Drake's advantages are why more than 95 percent of all Drake graduates find career employment or enter graduate schools within six months after receiving their degrees.

A private, independent university, Drake is large enough to offer a wide variety of learning options with its more than 70 undergraduate majors and several graduate programs in six colleges and schools. Yet it's small enough to ensure students experience personal attention, challenging courses and leadership opportunities.

Drake's expert, accessible faculty - 93 percent hold the highest degree in their field - are focused on individual learning. They guide students in interactive classes, original research and independent projects. Drake's student-faculty ratio is 14 to 1, and no classes are taught by teaching assistants.

Drake students learn from each other, too. The University's 3,100 full-time undergraduates come from 46 states and more than 50 countries. Total enrollment with part-time, law and graduate students is 4,900. Students and faculty enjoy a lively campus community, with more than 160 student organizations, intramural and intercollegiate sports, music and theatre performances, art exhibitions, guest speakers and more.

The University's location in Des Moines, Iowa's capital city, also offers students a broad range of professional internships, volunteer opportunities, cultural and entertainment options and recreational enjoyment. Drake is a cultural and economic asset for central Iowa, and it enjoys mutually beneficial relationships with civic leaders, organizations and businesses.

These and other advantages make a Drake education exceptional preparation for life's multiple choices, challenges and opportunities. For more information on what Drake can offer you, call the Office of Admission, 1-800-44-DRAKE, x3181; locally, call 515-271-3181. And visit Drake on the Web at www.drake.edu

Drake's 12th President — David Maxwell

Drake President David Maxwell

David Maxwell, Ph.D., who became Drake's 12th president on May 15, 1999, has extensive experience in higher education administration, institutional strategic planning, curriculum planning and international education.

An active and widely published scholar on Russian literature, Dr. Maxwell served as director of the National Foreign Language Center from 1993 to 1999 and president of Whitman College in Walla Walla, Wash., from 1989 to 1993. He was a faculty member and dean of undergraduate studies at Tufts University prior to joining Whitman.

Dr. Maxwell earned his bachelor's degree in Russian area studies at Grinnell College and his master's and doctoral degrees in Slavic languages and literatures at Brown University.

Dr. Maxwell is chair of the Commission on International Education of the American Council on Education, and he has served on the executive and the strategic planning committees of the board of the Council on International Educational Exchange. He also is a member of the Iowa Research Council, the Board of the Des Moines Development Corporation and the Community Board of Norwest Bank Iowa, N.A.

In *U.S. News and World Report's* 1999 Best Colleges Guide, Drake ranked first among Midwest regional universities in academic reputation, and was tabbed as the fourth best value in the Midwest. Drake ranked second overall among Midwest regional universities in the survey.

EHRHART ERA AS DRAKE RELAYS DIRECTOR COMES TO END

Bob Ehrhart has seen a lot in his 31 years as director of the Drake Relays — America's Athletic Classic.

Furthermore, it would be an understatement to say that Ehrhart will be a little emotional when the final event — the men's university 4x400 relay — concludes during Saturday's action packed program. Even though Ehrhart is officially retiring from his position as Drake Relays director Sept. 1, this will mark his final

sendoff for most of the spectators and athletes gathered here this weekend.

The first time Bob Ehrhart stepped foot on Drake Stadium occurred as a sophomore member of the Northwestern University track team in 1952. He would go on to share the Drake Relays university-college pole vault title in 1954 with three other performers, soaring 13 feet 6 inches. Ehrhart was a four-time Big Ten Conference pole vault champion.

Beginning this year, the Drake Relays university-college pole vault will be renamed in honor of Bob Ehrhart to recognize his many contributions in 31 years as the Drake Relays director.

Ehrhart has filled the position as Drake Relays director with distinction, watching the Drake Relays begin its string of 34 consecutive sell-out crowds for the Saturday session — the longest string of any track meet in the world. Ehrhart has been responsible for bringing several elite Olympic

gold medalists to the Drake Relays including Jim Hines, Bruce Jenner, Michael Johnson, Carl Lewis, Rodney Milburn, Al Oerter, Calvin Smith, Frank Shorter, Gwen Torrence, Mac Wilkins and Dave Wottle.

The number of events at the Drake Relays has expanded from 49 in Ehrhart's first year to the current 98 events scheduled this time around. The number of college teams and participants also has more than tripled from 2,763 athletes in 1970 to a record 9,185 entries this year.

"The Drake Relays has always been a very special love for me and I am happy to see the continual support given by the spectators that attend," said Ehrhart, who will remain on as a consultant for the 2001 Drake Relays. "I certainly will enjoy upcoming Relays, knowing that I played a special part in their increasing growth and popularity in the United States."

In addition to countless meet records, 14 national collegiate marks, 13 American records and one world record have been set during Ehrhart's tenure as Drake Relays director.

In Ehrhart's first year at Drake, the school hosted the 1969 Missouri Valley Conference cross-country championships; the 1970 Missouri Valley Conference indoor and outdoor championships along with the 1970 NCAA Outdoor Championships. Presiding over his first Drake Relays in 1970, Ehrhart saw one world record and three American records set among the 15 Drake Relays records that were rewritten.

Other highlights during Ehrhart's tenure include Bruce Jenner producing the highest decathlon score in the world in 1975 (8,138 points); Steve Scott running the Drake Relays first sub 4-minute mile in 1979 (3:55.26) and Texas A&M, led by brothers Curtis and Marvin Mills, setting a world record in the 880-yard relay (1:21.7) in 1970. Ehrhart also incorporated a women's team division; switched all running events to metric in 1976 and completed the metric conversion by rebuilding the track into a 400-meter oval in 1978, so that relay races could go metric. He oversaw the foundation of the stadium track restructured into a full pour world class rekortan surface in 1999.

Natasha Brown, who will be making a record 16th Drake Relays appearance, visits with Drake Relays Director Bob Ehrhart.

"We've had many Relays that provided record performances in all divisions, plus the exciting special events where the athletes gave us much to remember," said Ehrhart.

The native of Naperville, Ill., was a high school and college coach for 34 years, including 31 seasons in the collegiate ranks. The 1954 graduate of Northwestern University guided the track program at his alma mater for nine seasons before coming to Drake as head men's track coach and Drake Relays director in the summer of 1969. In 1992 Ehrhart was named the first fulltime director of the Drake Relays, stepping down as Drake's track coach.

"The Drake Relays just became so big and I was getting spread so thin," said Ehrhart.

Ehrhart has a tough time singling out his fondest memories from the Drake Relays.

"Rick Wanamaker was a nice story my first year," Ehrhart said of the 1970 NCAA decathlon champion from Drake.

Ehrhart also recalled when Drake's Chris Mares won the triple crown (Texas, Kansas and Drake Relays titles) in the 1,500 in 1981. Kevin Little, the Drake All-American sprinter who wowed crowds from the late 1980s through the 1990s, is also an Ehrhart favorite.

He also has treasured the opportunity to establish great relationships with some of the world's top athletes such as Olympic gold medalists Johnson, Lewis and Torrence, convincing them to take part in the Drake Relays.

While Ehrhart is obviously a huge part of the success of the Drake Relays, he is quick to give credit to others who contribute.

"I'm just one single spoke in the wheel," said Ehrhart. "We have a lot of people who volunteer. We have a lot of helpers. We couldn't do it without them. I will always cherish the many officials and volunteers that made it possible."

"I truly believe I was in the right place at the right time. But now I believe it's time to turn to some of my hobbies such as fishing, hunting and travel."

BOB EHRHART, DRAKE RELAYS DIRECTOR

Bob Ehrhart, holding the longest tenure of any of the nine Drake Relays directors in school history, will retire effective September 1. Ehrhart, in his 31st season as Drake Relays director, will remain as a consultant for the 2001 event.

The native of Naperville, Ill., was a high school and college coach for 34 years, including 31 seasons in the collegiate ranks. The 1954 graduate of Northwestern University guided the track program at his alma mater for nine seasons before coming to Drake in 1969.

Under Ehrhart's direction, Drake track and cross-country teams won nine Missouri Valley Conference championships, including six in indoor track, two in cross-country and one in outdoor track.

Ehrhart coached 23 all-Americans, 12 at Northwestern and 11 at Drake, including 1970 NCAA decathlon champion Rick Wanamaker and standout sprinter Kevin Little, a two-time all-American at both the NCAA Indoor and Outdoor Championships in 1989 and 1990.

He served as a coach for the U.S. track team which competed in the 1989 World Cup track championships in Barcelona, Spain, and

on the U.S. track team which competed against England in a dual at Birmingham, England, in 1985.

Ehrhart was president of the United States Track Coaches Association from 1983-85. Ehrhart has served as referee at a number of major track and field meets including the U.S. Olympic Sports Festival as supervisor of officials; the 1988 NCAA Cross Country Championships; the 1998 Big 12 indoor meet; and the 1999 Big Ten Track Championships. He also has assisted with floor management at the NCAA Indoor Championships from 1996-98, and was on the jury of the 1997 U.S. Indoor Championships, the 1998 USA Mobil Meet and the 1998 Big 12 Track Championships. Ehrhart also received the Distinguished Service Medal awarded by the United States Sports Academy in 1999.

He was an assistant coach for the North squad during the 1983 National Sports Festival and served as head coach of the North squad in the 1985 U.S. Olympic Sports Festival.

In 1984, Ehrhart presented a report regarding the administration of the Drake Relays to the Ninth International Congress that preceded the 1984 Olympic Games in Los Angeles, and also served as head manager of the U.S. track team in the 1993 World Outdoor Championships in Stuttgart, Germany. He was inducted into the Iowa Association of Track Coaches Hall of Fame in 1992, and was honored in 1993 by the Iowa Association of Track Coaches for his state, national and international achievements in track. Ehrhart also was reappointed to another two-year term as senior judge of the USA Track & Field National Athletics Board of Review and helped develop the newly formed USA Meet Directors Association of America.

Ehrhart entered the collegiate coaching profession in 1960, leading Northwestern to the 1965 Big Ten cross-country title, while later placing second in the national meet. He was honored by his alma mater in 1954 as Athlete of the Year. He was a four-time Big Ten pole vault champion at Northwestern and he shared the Drake Relays title in that event with three other vaulters in 1954.

DRAKE COACHING STAFF

Gary Osborn
Head Women's
Track & Cross
Country Coach

Gary Osborn is in his 32nd season on the Drake coaching staff, his seventh as head of the women's track programs and eleventh

as women's cross country coach. Osborn has established himself as one of the Missouri Valley Conference's premier women's cross country coaches after guiding the Bulldogs to consecutive league titles in 1994 and 1995, as well as the 1998 crown.

Osborn was named the MVC Coach of the Year in 1993 when he guided Drake to within one point of the league title. He also was honored by his league peers in 1994 and 1995. In 1989 he was named Gateway Conference Cross Country Coach of the Year after Drake finished second with Karla Burds winning the individual championship.

Osborn is a 1967 graduate of Drake and received his master's degree from Drake in 1970. He previously served as the health, physical education and recreation department coordinator for the College of Education for four years.

A native of Winterset, Iowa, Osborn was a five-event state champion during his prep track career. While at Drake, Osborn was a seven-time placewinner in the MVC, competing in the high and intermediate hurdles and the 100- and 200-yard dashes. Osborn placed second in MVC competition five times.

Dan Hostager
Head Men's Track &
Cross Country Coach

Dan Hostager, who has served the past two years as Bulldog men's cross country coach, has added responsibilities assuming the head coaching duties for the

men's track and field program.

Hostager was named the Missouri Valley Conference Cross Country Coach of the Year in 1999 after leading the Bulldogs to their first league title since 1970. He then guided the men's track team to third in the 2000 MVC indoor championships for Drake's highest finish since placing third in the 1987 meet.

Hostager also served three years as head track coach at Upper Iowa with his squads setting 19 men's and women's school records in 1997, climaxed by coaching Dennis Black to the NCAA Division III indoor and outdoor titles in the shot put.

A 1990 graduate of Northern Iowa, Hostager also was the head cross country coach and assistant track coach for the men's and women's programs at St. Cloud State from 1993-96. Hostager also has completed his USATF Level II coaching certification in the endurance and throwing events. Hostager qualified for the 1992 and 1996 U.S. Olympic trials in the marathon. He owns the Northern Iowa school indoor record in the 3,000 (8:02.67) and also earned All-American honors in the 3,000 at the 1989 NCAA Indoor Championships.

PREVIOUS DRAKE RELAYS DIRECTORS

Nine men have served as directors of the Drake Relays since the first event in 1910.

The founder and first director was Major John L. Griffith, serving from 1910 through 1918. Griffith moved to the University of Illinois after World War I and later became commissioner of the Big Ten Conference.

Succeeding Griffith was M.B. Banks, who served from 1919 to 1921. He also coached football and basketball.

Next in line was K.L. (Tug) Wilson, a former Illinois and Olympic athlete. Wilson directed the Drake games from 1922 to 1925 and later coached and was athletic director at Northwestern University. He is a former Big Ten Conference commissioner.

Ossie Solem, longtime Drake coach, succeeded Wilson. He left Drake to become head football coach at the University of Iowa, and later at Syracuse University and finishing at Springfield (Mass.) College. He was Relays Director from 1926-32.

F.P. (Pitch) Johnson, another fine Illinois athlete, was director of the Relays from 1933-40. He left to become track coach at Stanford University.

Johnson's successor was M.E. (Bill) Easton, the head man from 1941 to 1947. Easton moved to the University of Kansas as track coach and director of the Kansas Relays.

Tom Deckard, an outstanding distance runner at Indiana University, served as Relays boss from 1948-55. He resigned to enter business.

The immediate past director is Bob Karnes, one of the track and field greats at the University of Kansas and formerly the Drake director of athletics. He served as Relays director for 14 years and served 17 years as the Drake athletic director.

Karnes won more Big Seven Conference championships than any runner in Kansas history, running everything from the 880 through cross country. He captained five Kansas track and cross country teams.

Karnes twice received the Henry Schulte trophy as the outstanding competitor in the conference meet. In addition, Karnes anchored or was a member of eight winning relay teams in a two-year span at the Drake, Kansas and Texas Relays. He competed from 1945-51.

After competing in the Drake Relays as a college athlete, serving as the Drake Relays director for 14 years and serving as the Drake athletic director for 17 years, Karnes retired from Drake in 1986. He lives in Mesa, Ariz.

MISSOURI'S MCGUIRE JOINS DRAKE RELAYS COACHES HALL OF FAME

Rick McGuire, in his 18th year as head coach of the University of Missouri track and field program, was inducted into the Drake Relays Coaches Hall of Fame during a Thursday banquet at the Drake Knapp Center.

The Drake Relays Coaches Hall of Fame, which was established in 1977 with six charter members, now has 67 inductees.

McGuire became the women's track and field coach at Missouri in 1983 and also assumed the reigns of the men's track and field program in 1988. During his tenure at Missouri, 20 athletes have earned 56 NCAA All-American honors with current senior Derrick Peterson setting a national collegiate indoor mark in the 800 (1:45.88) last year, while Des Moines native Natasha Kaiser-Brown set a national collegiate indoor mark in the women's 400 of :51.92 in 1989. Lorina Richardson and Kaiser-Brown also claimed Big Eight Conference Athlete of the Years honors under McGuire's direction. Tiger student-athletes also have won 53 conference individual and relay championships.

McGuire has led Missouri to four relay titles at Drake, while Tiger athletes have won five individual crowns. Last year, Missouri, behind strong legs from Peterson, captured both the men's university division 4x800 and sprint medley relay titles, while Katie Meyer won the women's university-college division 1,500. Peterson also won the men's special invitational 800 at the 1998 Drake Relays.

Nine of McGuire's athletes have earned U.S. national team berths including two-time Olympian and 1992 silver medalist Natasha Kaiser-Brown. Peterson won the gold and bronze medals at the 1999 World University Games.

McGuire has been on nine international teams, including the 1992 and 1996 U.S. Olympic staffs, serving as the teams' sports psychologist. He also has served as a sports psychologist for the 1995 World Championships in Gothenburg, Germany, and the 1989 World Cup team that competed in Barcelona. He also traveled with the U.S. junior national team to the 1986 World Championships in Athens, Greece, before working at the 1987 dual meet with Cuba in Havana and the 1988 World Championships in Sudbury, Ontario.

A 1969 graduate of St. Lawrence University, McGuire completed his master's degree in physical education at Alfred University in 1978 and earned a Ph.D in sport psychology at the University of Virginia in 1983. He was a member of the Virginia staff helping guide the Cavalier women's team to NCAA cross country championships in 1981 and 1982.

FOLLOWING THE RECORD FLAGS

It's been a Drake Relays tradition that every record established each year be recognized by raising a color-coded flag alongside the awards stand at the south end of the stadium. The following is a code of flag colors to help you keep count of the records that have fallen this weekend.

University Division Record: Blue
College Division Record: Red
Women's Division Record: Yellow
High School Division Record: Green
Special Event Record: White
National Collegiate Record: Orange
World Record: White with Yellow Globe

COLLEGIATE FIELD BOASTS QUALITY AND NUMBERS

The Drake Relays begins the new century promising to be bigger and better than ever. All eyes will be focused on promising contenders for the upcoming Olympics and this year's 91st running of America's Athletic Classic won't disappoint anyone.

There are a record number of entries including sizeable increases in the university and college division for Bob Ehrhart's farewell as Drake Relays director. Yet, it's the quality of the collegiate field that is appealing.

Fans will have an opportunity to see national collegiate leaders in 12 events compete in the men's division. There are also seven events in the women's division which have competitors who lead the nation in their respective events entering this weekend. Top teams to watch include Alabama, Arizona, Baylor, Georgia, Missouri, Nebraska, Southern Methodist, Stanford, Texas-El Paso and Wisconsin.

Topping the men's collegiate performer's list is Baylor junior Brandon Couts, who was named the outstanding performer of the 1998 Drake Relays. Couts owns the fastest outdoor 400 time in the world this year at sea level of :44.74 in Houston, Texas, April 1. Despite it only being April, Couts already has run faster than all but two collegians did during the entire 1999 season.

Couts, the 2000 NCAA Indoor champion in the 400, also runs the anchor leg on Baylor's 4x400 relay which owns the fastest collegiate time in the country this spring of 3:03.60 set at the Houston quadrangular April 1.

Couts also won the 2000 Big 12 Indoor conference title in the 400, while also helping lead Baylor's 4x400 relay to the league indoor title.

Washington junior Ja'Warren Hooker, who won the 100 at the 1998 Drake Relays and the 55 at the 1998 NCAA Indoor Championships, owns the second fastest collegiate time with his wind-legal :10.18 at Stanford March 26.

Missouri senior Derrick Peterson, a two-time NCAA 800 champion, has the national lead in the 800 of 1:47.74 set at the Florida Relays March 25. Stanford's Gabe Jennings owns the fastest 1,500-meter time by a collegian this spring of 3:40.09, en route to winning the Mt. SAC Relays. Stanford's Michael Stember is ranked second among collegians with a 3:40.71. Stanford's Brent Hauser has the top collegiate time in the 10,000 (28:23.37). Stember was fourth in the 1,500 at the 1999 World University Games and 1999 U.S. Outdoor Championships. Hauser, a 10-time NCAA All-American, has finished runner-up in the 5,000 at the 1999 and 2000 NCAA Indoor Championships.

Indiana State senior Aubrey Herring (13.61) and Alabama junior Ron Bramlett (13.71) rank one-two in the 110 hurdles. Herring and Bramlett finished second and third, respectively, in the 60 hurdles at the 2000 NCAA Indoor Championships.

Stanford's Toby Stevenson owns a collegiate leading mark of 18-2 1/2 in the pole vault. He finished second in the pole vault at the 1999 and 2000 NCAA Indoor Championships. Alabama's Miguel Pate owns a personal best of 27-1 1/2 in the long jump, which is the top mark in the collegiate ranks. Kansas junior Scott Russell, who will be seeking his third straight Drake Relays title, has the top collegian throw in the javelin at 259-0.

Southern Methodist has three top international athletes who have won NCAA titles competing at the Drake Relays. Florence Ezech of France won the women's 20-pound weight throw at the 2000 NCAA Indoor Championships, and the women's shot put at the 1999 NCAA Outdoor Championships. Janus Robberts of South Africa won the men's shot put at the 1999 NCAA outdoor Championships and the 2000 NCAA Indoor Championships; and Libor Charfreitag from Slovakia won the men's 35-pound weight throw at the 2000 NCAA Indoor Championships. Arizona's Esko Mikkola from Finland captured the men's javelin title at the 1998 NCAA Outdoor Championships.

Georgia's Reese Hoffa has a top mark of 63-9 in the shot put at the Alabama Relays, while sophomore teammate Andra Haklits, a native of

Croatia, has the best hammer throw mark among collegians at 242-11.

Hungarian import Barbara Petrahn, who anchors the Baylor women's 4x400 relay team, has posted the second fastest 400 time by a collegian this spring of :52.46. Behind Petrahn, the Baylor women hold the nation's fourth best 4x400 relay time of 3:35.48 at the Texas Relays.

Georgia's Rhonda Hackett has a nation-best 52-11 in the shot put. Texas-El Paso freshman Angeliki Tsiolakoudi, a native of Greece, began her collegiate career by taking the national lead in the javelin throw at 188-3. Nebraska's Melissa Price has the top mark in the hammer throw at 210-7.

Trinity Gray, a senior at Brown University, is one of the top middle distance runners in the country, earning All-American honors seven times in six trips to NCAA Indoor and Outdoor Championships. He was fourth in the 800 at the 2000 NCAA Indoor Championships in 1:47.50 and second in the 800 at the 1999 NCAA Indoor Championships. His indoor time of 1:46.08 ranked fifth in the world in 1999.

Gray has run under the existing Drake Relays special 800 record of 1:45.86 by owning a personal best of 1:45.67 set in 1998 when he was ranked No. 6 in the U.S. after finishing fourth in the U.S. Outdoor Championships, sixth in the NCAA Outdoor Championships and seventh in the Goodwill Games.

Hooker broke Washington's 19-year-old school record in the 200 April 15 with a clocking of :20.33 at the Sun Angel Classic which is second-fastest among collegiate competitors this season.

Baylor's Bayano Kamani, who won the 400 hurdles at the 1999 NCAA Outdoor Championships and was second at the 1999 World University Games, has the nation's best collegian time this spring in the 400 hurdles of 49.44 en route to winning the Texas Relays.

The Stanford men's distance medley relay team already has set a collegiate record, an American record and a world indoor record this season. Now the Cardinal will focus their attention on the Drake Relays record when they compete in the university division race Saturday.

Stanford, which finished second in the 2000 NCAA Men's Indoor Track Championships, is expected to challenge the Drake Relays record in the 4x1,600 relay of 16:09.45 set by Iowa State in 1981. Stanford set an American indoor record of 9:30.19 in the distance medley relay at the Tyson Invitational Feb. 12. Stanford returned to Fayetteville March 10 for the NCAA Indoor Championships with the same foursome of Jennings, Stember, Evan Kelty, and Jonathon Riley, setting the world mark of 9:28.83. Stember (No. 5), Riley (No. 9) and Jennings (No. 10) were all ranked among the U.S. top milers in 1999.

With Alabama, runner-up to Stanford at the NCAA Indoor Championships, also entered in the distance medley relay, Ehrhart expects the existing Drake Relays distance medley relay record of 9:30.45 by Southern Methodist in 1983 to be challenged. Alabama was clocked in 9:30.10 — the second fastest in U.S. indoor history — at the 2000 NCAA Indoor Championships. The field also includes Southern Methodist, which finished second in the distance medley relay at the 1999 Penn Relays in 9:35.03; and Notre Dame, which was sixth at the 2000 NCAA Indoor Track Championships in 9:38.82.

Less than 22 hours after helping Stanford win the NCAA indoor title in the distance medley relay, Jennings won the NCAA indoor mile (3:59.46) with Stember second (4:00.75). Jennings also was seventh in the 3,000 (8:04.96) at the 2000 NCAA Indoor Championships.

Riley, who was the No. 1-ranked American collegian over 5,000 meters on the track last year, also is scheduled to run on Stanford's 4x1,600 relay with Andrew Powell and twins Brad and Brent Hauser.

Erica Palmer, a sophomore at the University of Wisconsin who won the 1999 NCAA individual cross country championship, headlines a list of outstanding women's collegiate distance stars.

Kansas State features the top two ranked collegians in the 3,000 in junior Korene Hinds and freshman Amy Mortimer. Hinds has clocked the fastest outdoor 3,000 time this spring by a collegian at 9:11.82. Mortimer placed second in the 3,000 (9:16.59) at the 2000 NCAA Indoor Track Championships.

Stanford will make its presence known after winning the distance medley relay at the 2000 NCAA Indoor Championships with a world best of 11:01.56 behind Sally Glynn, Jayna Smith, Lindsay Hyatt and Lauren Fleshman. Hyatt was a three-time national 800 prep champ while Sullivan was the nation's top prep 3200 runner last year after winning her second straight scholastic title.

Tytti Reho of Southern Methodist has posted the fastest collegian time in the women's 1,500 this spring of 4:18.39 at the Mt. SAC Relays. She was third in the 800 at the 2000 NCAA Indoor Championships and fourth in the 800 at the 1999 NCAA Outdoor Championships.

Arizona sophomore Tara Chaplin has the second fastest 10,000 time (33:17.39) by a collegian this spring and was fifth in the 5,000 (16:03.21) at the 2000 NCAA Indoor Championships.

• The Numbers Game •

There will be a record 9,185 athletes participating representing 791 teams. Here's the breakdown:

At last count there are 421 foreign athletes participating representing 68 countries. Canada is the biggest export with 94 athletes followed by Jamaica (58), Sweden (22) and Kenya (21).

SPECIAL SNEAK PREVIEW FOR SYDNEY OLYMPICS

Besides the top collegians vying for berths on the U.S. Olympic teams, Drake Relays fans can get a sneak preview of six events featuring elite athletes who hope to make their presence known at the Sydney Olympics. Olympian Jeff Hartwig, the American indoor and outdoor record holder in the pole vault, headlines the men's special invitational pole vault field. Hartwig, who will be seeking his sixth straight Drake Relays championship, owns the Drake Relays mark of 19 feet 1/4 inch in 1998.

Hartwig, 32, set an American outdoor record last year when he soared 19 feet 9 inches on his first attempt at the 1999 U.S. Outdoor Championships. Hartwig was ranked No. 2 in the world and No. 1 in the U.S. in the pole vault in both 1998 and 1999. The field also includes Nick Hysong, ranked No. 2 in the U.S. and No. 6 in the world.

After a year's absence, Suzy Favor Hamilton, one of America's premier women's middle distance runners, will return to compete in the women's special invitational 1,500.

Favor Hamilton, who was ranked No. 1 in the U.S. in the 1,500 in 1998, was expected to make her third straight appearance at the 1999 Drake Relays by competing in the women's special 1,500, but she withdrew after aggravating her left Achilles tendon two weeks before the meet.

Favor Hamilton, who has been ranked in the top 10 in the U.S. in the women's 1,500 the last 10 years dating back to her junior campaign at Wisconsin in 1989, already has opened eyes with her comeback this season. Competing in her first race in over a year and running the first 5,000 meter race of her career, Favor Hamilton ran the fastest time in the world this year in the 5,000, being clocked in 15:06.48 at Long Beach, Calif., March 18.

Favor Hamilton, 31, said the stress injury to her Achilles initially occurred in Boston, Mass., Feb. 7, 1999, when she set an American record of 1:58.92 in the 800 at the New Balance Invitational. Three weeks later she won the 1,500 at the 1999 U.S. Indoor Championships in 4:13.96 before deciding to pass from competing at the 1999 World Indoor Championships in Maebashi, Japan. She won titles at both the 1998 U.S. Outdoor Championships and 1999 U.S. Indoor Championships. Favor Hamilton set personal bests in both the 1,500 (3:58.43) and mile (4:22.93).

She was named the outstanding women's performer of the 1998 Drake Relays after defending her special 800 crown in a meet record 2:01.68.

Reigning Olympic gold medalist Derrick Adkins will return to defend his title in the Drake Relays special invitational 400 hurdles. Adkins will join Joey Woody, who was ranked No. 6 in the world last year. Adkins won his Drake Relays debut last year in the special 400 hurdles, being clocked in :48.99 to beat Woody who was second in 49.26.

Adkins, 29, has been ranked in the top 10 in the world seven times since his junior season at Georgia Tech in 1991, climaxed by No. 1 rankings in 1995 and 1996. He owns a personal best of :47.54 in the 400 hurdles which ranks sixth on the U.S. all-time list. He set that mark in 1995 at Lausanne, Switzerland, and equaled it en route to his gold medal winning effort at the 1996 Olympics.

The Atlanta, Ga., native has been ranked either No. 1 or No. 2 in the U.S. five times in the last seven years. He won gold medals at the 1995 World Championships, the 1994 and 1995 U.S. Outdoor Championships, the 1994 Goodwill Games and the 1993 World University Games.

Owner of five Drake Relays career individual titles, Woody is coming off a banner 1999 campaign in which he was second in the 1999 U.S. Outdoor Championships in the 400 hurdles (48.61) and placed sixth (48.77) in the 1999 World Outdoor Championships in Seville, Spain. He earned a gold medal at the 1999 World Championships by running a 45.35 leg on the 4x400 relay which was clocked in 3:00.79 in the preliminary round.

Woody opened the 2000 campaign by running the first leg for the Global Athletes and Marketing team which set a world indoor record in the 4x800 relay of 7:13.94 at the New Balance Invitational in Roxbury Crossing, Mass., Feb. 6.

In 1998 he set a personal best of 47.97 seconds in the event to finish third at the U.S. Outdoor Championships. He also earned a bronze medal at the 1998 Goodwill Games and climaxed the season by being ranked No. 8 in the world.

Three-time Olympian Connie Price-Smith, who has been ranked No. 1 in the U.S. the last 10 years, will compete in the women's shot put.

Price-Smith was ranked No. 7 in the world in 1999, becoming the only American ever to be ranked in the world top 10 five times in the woman's shot put. Price-Smith, who was ranked No. 3 in the world in 1998, won the gold medal at the 1999 Pan American Games (62-6 1/2), while earning a bronze in the Grand Prix Finale (61-4 3/4). She owned a season best throw of 63-10 1/4 which was the fifth best mark in the world in 1999 and the top mark by an American.

Price-Smith won her sixth U.S. indoor national shot put title (61-4 1/4) March 4. Price-Smith, who won the shot put at the 1992 and 1996 U.S. Olympic Trials, finished fifth in the shot put at the 1996 Olympics and 1997 World Championships. Tressa Thompson, a former two-time NCAA champion from Nebraska, will also compete in the women's shot put.

Olympian Paul McMullen, a three-time U.S. national champion, will seek his second special invitational mile title in the last three years. McMullen, 28, opened the 2000 season by running a 3:57.88 indoor mile at the New York Army Jan. 9.

McMullen won the 1,500 in the 1996 U.S. Olympic Trials (3:43.86),

Derrick Adkins (number 1), the 1996 Olympic gold medalist, returns to defend his special invitational 400 hurdles title against Joey Woody (number 89), who was ranked sixth in the world last year.

captured the 1,500 title at the 1995 and 1996 U.S. Outdoor Championships and competed in the 1996 Olympics where he advanced to the semifinal round. He was ranked No. 1 in the U.S. in the 1,500 in 1996, while being ranked No. 2 in 1995 and No. 3 in 1998.

Amy Wickus will lead the field in the women's special 800. She was second in the 800 at the 1993 and 1994 U.S. Outdoor Championships and the 1997 U.S. Indoor meet. She was ranked third in the U.S. in the 800 from 1993-95 and competed in the 800 at the 1993 and 1995 World Championships. Wickus also was runner-up in the 1,500 at the 1998 U.S. Outdoor Championships.

Natasha Brown, the former Natasha Kaiser, will return to compete in the women's special 400 as a proud parent after taking a year off from training while raising her now eight-month-old daughter, Elexandria.

The Des Moines native, who is now an assistant track coach at the University of Missouri, will be making her 16th appearance at the Drake Relays. Ironically, the last time Brown appeared at Drake Stadium, she won the women's special 400 at the 1998 Drake Relays in :51.79 before taking time off for maternity leave.

"The Drake Relays have been home forever," said Brown, who also won the women's special 400 at the 1990 and 1993 Drake Relays and was inducted into the 1995 Drake Relays Athletes Hall of Fame.

A two-time Olympian, Brown was ranked second in the world in the 400 in 1993 after her silver medal performance at the 1993 World Championships in Stuttgart, Germany. She also won a gold medal as a member of the 4x400 relay team at the 1993 World Championships. Earlier, Brown ran a leg on the U.S. silver medal women's 4x400 relay team at the 1992 Olympics. Brown also was a member of the 4x400 relay team which set an American record en route to winning the gold medal at the 1997 World Indoor Championships.

Brown won the 400 at the 1994 U.S. Outdoor Championships and was ranked fifth in the world in 1989. She has been ranked in the U.S. top 10 in the 400 eight times since 1989.

Brown was the first recipient of the Gerry Cooley Award, presented annually to the outstanding high school girls' performer, at the 1985 Drake Relays competing for Roosevelt High School. She won the girls' high school invitational 100 in the 1984 Drake Relays, while also anchoring Roosevelt to victory in the inaugural girls' high school sprint medley relay. She led the Riders to Drake Relays sprint medley and 4x400 relay crowns in 1995.

Kellie Suttle, who was ranked No. 3 in the U.S. last year, will return to seek her third straight title in the women's special invitational pole vault. Kim Becker, who has been ranked fourth in the U.S. in both 1998 and 1999, will challenge Suttle after finishing runner-up at the 1999 Drake Relays.

Suttle, 26, has set both Drake Stadium and Drake Relays records in the women's special pole vault during each of the last two years.

Suttle set a personal record of 14-7 1/2 in the pole vault last year and finished second at both the 1999 U.S. Outdoor Championships and Pan American Games. She was ranked No. 2 in the U.S. in 1998 after winning the 1998 U.S. Outdoor Championships (14-0), becoming just the third American ever to achieve that height. Suttle was third (13-11 1/4) at the 1999 U.S. Indoor Championships and tied for fourth at the 2000 U.S. Indoor Championships.

The women's special 100-meter hurdles will return to the Drake Relays after a year's absence and former Des Moines Roosevelt prep standout Kim Carson headlines the field.

Carson, 26, hopes to ride the momentum of a banner indoor campaign in Europe where she set a personal best of 7.82 seconds in the 60 hurdles in Madrid, Spain Feb. 16, which was the second fastest indoor mark in the world in 2000 and No. 2 on the American all-time indoor list.

Carson owns a personal best of :12.72 in the 100 hurdles set in 1996 which was the fastest time in the world that year.

MCMULLEN, WICKUS JOIN DRAKE RELAYS ATHLETES HALL OF FAME

Olympian Paul McMullen, a three-time U.S. national champion in the 1,500/mile, and Amy Wickus, who twice was named the outstanding women's performer of the Drake Relays during her fabled career at the University of Wisconsin, were inducted into the Drake Relays Athletes Hall of Fame during a Thursday banquet at the Drake Knapp Center.

Ironically, the duo were both named the outstanding men's and women's performers of the 1995 Drake Relays. Wickus ended her collegiate career at the Drake Relays the same way she began it -- being named the outstanding performer in the women's division. She also received the honor as a freshman in 1992.

During his six years competing at Drake, McMullen won three individual titles, while running on four Eastern Michigan winning relay teams. Wickus led Wisconsin to six relay titles, while also winning the open 800 during her career as a competitor at the Drake Relays. McMullen is scheduled to compete in the men's special invitational mile here Saturday, while Wickus is expected to race in the women's special invitational 800.

"Over the years there has been a strong bond developed by myself and the fans of the Drake Relays," said McMullen, 28, who opened the 2000 season by running a 3:57.88 indoor mile at the New York Armory Jan. 9. "I'm honored to be a part of the tradition and lore."

The inductees increase membership into the Drake Relays Athletes Hall of Fame to 189. The Athletes Hall of Fame was established in 1959 during the Golden Anniversary of the Drake Relays with 72 charter members including Jesse Owens who was named the outstanding performer during the first half century of the Drake Relays.

PAUL MCMULLEN

Paul McMullen, who won the 1,500 in the 1996 U.S. Olympic Trials (3:43.86), ran just the second sub-4 minute mile in Drake Relays history of 3:59.12 at the 1998 Drake Relays.

McMullen captured the 1,500 title at the 1995 and 1996 U.S. Outdoor Championships and competed in the 1996 Olympics where he advanced to the semifinal round. He was ranked No. 1 in the U.S. in the 1,500 in 1996, while being ranked No. 2 in 1995 and No. 3 in 1998.

Labeled the underdog miler with only eight toes following a power mower accident in the summer of 1997, McMullen made a big comeback when he won the mile at the 1998 U.S. Indoor Championships. He was clocked in a personal best of 3:55.84 (the third fastest indoor mark in the world), while being named the meet's outstanding performer.

McMullen was third in the 1,500 at the 1998 U.S. Outdoor Championships and finished sixth at the 1998 Goodwill Games.

The Cadillac, Mich., native led Eastern Michigan to three straight Drake Relays titles in the 4x800 relay from 1992-94 and also won the university-college 1,500 at the 1993 Drake Relays.

McMullen was named the outstanding men's performer of the 1995 Drake Relays as a senior at Eastern Michigan. He ran three relay legs in a space of several hours during the Friday session and came back the following day to win the university-college division 1,500 in 3:42.56. Converting that into a mile, it was his second sub 4-minute performance of the Drake Relays.

On that Friday of the 1995 Drake Relays, McMullen had run a 3:59.2 anchor leg on Eastern Michigan's victorious 4x1,600 relay. Later in the afternoon, he ran a 1:47.5 split in the 800 on the third-place 4x800 relay and had a personal best 47.7 leg on the 4x400 relay team.

Winner of 16 Mid-American and Central Collegiate titles at Eastern Michigan, McMullen went on to finish second in the 1,500 at the 1995 NCAA Outdoor Championships. Earlier he finished third in the mile at the 1995 NCAA Indoor Championships, while anchoring the runner-up distance medley relay team. As a sophomore he ran a leg on Eastern Michigan's 4x800 relay team which won the 1993 NCAA indoor title.

McMullen also was third in the special invitational 800 at the 1998 Drake Relays, while finishing second in the special invitational mile at the 1999 Drake Relays.

AMY WICKUS

A six-time national champion and 13-time NCAA All-American, Wickus has been ranked among the top middle distance runners in the U.S. She won three consecutive 800 titles at the NCAA Indoor Championships from 1993-95 and won a gold medal in the 800 at the 1993 World University Games.

Wickus was second in the 800 at the 1993 and 1994 U.S. Outdoor Championships and the 1997 U.S. Indoor meet. She was ranked third in the U.S. in the 800 from 1993-95 and competed in the 800 at the 1993 and 1995 World Championships. Wickus also was runner-up in the 1,500 at the 1998 U.S. Outdoor Championships, while finishing eighth in the mile at the 1998 Goodwill Games.

Wickus was a household name at the Drake Relays, helping Wisconsin set record times in winning the 4x800 (8:32.59) and distance medley (11:08.32) relays as a freshman in the 1992 Drake Relays. She ran the third leg on the distance medley relay team and anchored the 4x800 relay in 2:04.20 despite 42-degree temperatures and wind gusts up to 17 miles per hour. Wickus was rewarded as the outstanding performer in the women's division.

After competing at the Penn Relays on a Thursday, Wickus and her teammates flew to Des Moines to defend their 4x800 title at the 1993 Drake Relays with Wickus running a 2:04.1 anchor split. She also exploded down the backstretch to win the open 800 (2:07.96).

As a junior at Wisconsin, Wickus set an indoor collegiate record in the 800 clocking in 2:01.65 at Champaign, Ill., and then anchored the Badgers' distance medley relay team to a Drake Relays record of 11:07.68.

The 11-time Big Ten Conference champion repeated as Drake Relays outstanding performer in 1995 when she anchored come-from-behind victories in both the sprint medley (3:51.09) and distance medley relays (11:16.69). She also finished second in the women's special invitational 800 in 1998.

DRAKE RELAYS WALL OF HONOR ADDS FOUR OFFICIALS

Bill Bolen, Jack Buss, Dale Readinger and Gene Tychsen have been recognized for their association with the Drake Relays by having their names added to the Wall of Honor that pays tribute to Drake Relays officials for their longtime support of America's Athletic Classic.

Bolen, a native of Montezuma, has been part of the Drake Relays since 1971, when he began serving as a marshal. He became an inspector in 1977, and serves as an assistant chief umpire. Bolen is a 1958 graduate of Drake, and lettered in basketball in 1956-57.

Buss, a Des Moines native, started his service with the Drake Relays when he became a scoreboard operation supervisor in 1968. Buss served as a marshal beginning in 1972, and became the chief showmanship marshal in 1986. A 1957 graduate of Drake who lettered in tennis from 1955-57, Buss has been a member of the Drake Relays executive committee since 1985, and was the parade marshal of the 1999 Drake Relays.

Readinger, who has lived in Urbandale since 1960, began his tenure at the Drake Relays as a marshal in 1972. Readinger, a 1957 graduate of Nebraska, became the assistant chief marshal in 1979, before being named chief marshal in 1988.

Tychsen, who retired from teaching and coaching track at Hoover High School in Des Moines in 1998, has been a field event judge since 1971. Tychsen, who judges jumps, will be working his 30th Drake Relays this year.

The Wall of Honor, located in the southeast corner of the Drake Knapp Center main floor, was dedicated in 1993. The latest inductees will increase the total number of officials who have been honored to 96.

Drake Students Selected As Relays Host and Hostess

Seniors Bill Smithyman and Jodi Robinson have been selected as the Drake Relays Host and Hostess.

Smithyman, a secondary english education major from Overland Park, Kan., is an active member of FIJI, holding several offices within the fraternity, including president, and assisting with numerous philanthropies. He is a member of Mortarboard and a Dean's Advisory Board Member for the School of Education, and has served as a Student Senator At-Large, as a First Year Interests Committ intern and as an Admissions Cole-ition member. Smithyman has also been a reading tutor for fourth and seventh-grade classes, as well as a resident assistant and a member of the Drake Choir.

Robinson, a Villisca, Iowa, native majoring in pharmacy, is heavily involved in Pi Beta Phi, serving in various capacities within the sorority. Among the many activities she has been involved with are: Kappa Psi Pharmaceutical fraternity, Big Sisters of Central Iowa, volunteer at La Clinica Free Medical Clinic, CHILDWATCH-HAWKI program, Hardee's Rise and Shine for Heat and Race for the Cure. She has also been a WSI swim lesson instructor, a Night Eyes volunteer, a Jolly Holiday Lights volunteer and a child care provider at park Avenue Christian Church.

The Relays Host and Hostess are chosen each year from a group of candidates which are nominated by various student activity groups at Drake. The final selection is made by a committee made up of members of the Student Activities Board, Student Relays Committee and selected by Drake University staff members.

ADKINS, PETERSON SHINE AT 1999 DRAKE RELAYS

Stealing a line from the Drake fight song...here's to the man who wears the "D"...two athletes who shared the same surname — Derrick — stole the show at the final Drake Relays of the 20th century.

Derrick Adkins, the reigning 1996 Olympic gold medalist in the 400 hurdles, won the headline event in 48.99 seconds to beat a field which included 1996 Olympic bronze medalist Calvin Davis, who was clocked in 49.78, and homestate favorite Joey Woody, who finished second in 49.26. Woody, the defending champion, was ranked eighth in the world in 1998.

Derrick Peterson, a talented junior at Missouri who hopes to make a name for himself in future Olympics, led the Tigers to titles in the 4x800 and sprint medley relays. Peterson came from 30 meters back in the last lap for a 1:49.4 anchor that edged Illinois' Bobby True and gave Missouri the 4x800 title in 7:24.02. He followed with a 1:47.2 leg in the 800 on Saturday that won the sprint medley relay for Missouri in 3:18.07 to North Texas' 3:18.67.

The Baylor women continued a Drake Relays tradition which the Baylor men's team have enjoyed for years, dominating just about everything in sight.

Baylor senior Yulonda Nelson, who posted the nation's fastest collegiate time in the women's 400, led the Bears to victories in the 4x200 and 4x400 relays and was named the outstanding women's performer. Nelson, a six-time NCAA All-American, was one of the busiest performers at the Drake Relays. During Friday's session, she ran the opening leg on Baylor's winning 4x200 relay which was clocked in 1:33.45. Earlier, she ran the lead-off leg on Baylor's 4x100 relay which won its heat in the qualifying round.

Nelson came back to run three races on Saturday, starting with the opening leg on the 4x100 relay which finished second in the finals in :44.59. Then she ran the special 400 where she was clipped at the wire by Olympic gold medalist Maicel Malone who was timed in :51.31. Nelson was clocked in :51.42, beating out Kim Graham, the 1998 U.S. Outdoor champ who was timed in :53.04. Less than 90 minutes later Nelson ran the anchor leg on Baylor's 4x400 relay which won its sixth straight Drake Relays title in 3:35.07.

Ssereta Lafayette of Baylor won the university-college division 100 (11:83) in a dead heat with Beverley Langley of Southwestern Louisiana, while also anchoring the Bears' winning 4x200 relay. Baylor's Nzingah Kamani won the 100 hurdles and Sherri Smith and Karin Ernstom finished one-two for Baylor in the 5,000.

Eastern Michigan's Clement Chukwu clipped Baylor's Brandon Coutts to win the men's special 400 in 45.86 to Coutts' 46.28. Chukwu, who would go on to win the 400 at the 1999 NCAA Outdoor Championships, also anchored Eastern Michigan's winning 4x200 relay.

Coutts, who was named the outstanding performer of the 1998 Drake Relays as a freshman, came back to lead the Bears to their eighth straight victory in the 4x400 relay in 3:06.98. Baylor teammate Michael Smith also saw double duty, winning the university-college 400 hurdles in 51.10 and running the second leg on the 4x400 relay.

American record holder Jeff Hartwig won his fifth straight special invitational pole vault, clearing 18-61/2.

Kip Janvrin, the most dominant athlete in Drake Relays history, continued his winning ways with his tenth decathlon title. The Panora native scored 7,819 points to win the grueling two-day event while capturing his fifth straight title.

Former UCLA standout Mark Hauser, making his first appearance at Drake, won the special invitational mile (4:00.59), besting a field which included defending champion Paul McMullen, who was second (4:04.60), and American record holder Steve Scott, who at age 42 was making his first appearance at Drake since 1984. Scott, who ran the meet's first sub-4-minute mile back in 1979, had been hoping to become the oldest runner to break the 4-minute barrier.

Iowa State's Jason Woods was cited as the outstanding men's performer after winning the 110 hurdles (:13.91) and running the anchor leg on the shuttle hurdle relay which set a Drake Relays record of :56.18. He also ran the second leg on the Cyclones' 4x200 relay that seemingly won the event but was later disqualified for passing the baton out of the exchange zone.

Oregon won the women's 4x800 university relay Saturday with the same four runners who won Friday's distance medley relay — Marie Davis, Tish Henes, Katie Crabb and Kaarin Knudson. For the second straight year, Kellie Suttle of Bell Athletics set a Drake Relays record in the women's special invitational pole vault at 13-11.

Beth Bayser of Lewis won the women's university-college 800 (2:08.05) and anchored Lewis to a meet record of 3:54.62 in the college division sprint medley relay. Iowa State's Trina Radske and Renetta Seiler of Kansas State defended their titles in the women's long jump and hammer throw, respectively. Seiler, a former state champion for Algona Garrigan, came in second in the discus.

Other individuals who were successful defending their titles were Indiana State's Frankie Young in the men's university-college long jump (24-8 1/4), Scott Russell of Kansas in the javelin (231-6); and Dan Futrell, master's 800 (2:03.19)

Paced by anchor Geoff Perry, Washington surprised two-time defending champion Arizona to win the 4x1600 relay. Perry started the final leg dead even with Arizona's Abdi Abdirahman, fell 15 meters back but then surged in the final 10 meters to win in 16:48.11. But Abdirahman gained a measure of revenge, clocking 4:09.1 to give Arizona the distance medley title in 9:40.31, despite a 4:04.5 anchor from Tulsa's Dwight Davis.

Host Drake made its presence known with junior Jason Lehmkuhle being clipped at the finish by Minnesota's Eric Pierce (14:14.31) to place second (14:14.95) in the 5,000. Sophomore Luke Drilling was fourth in the university-college 100 (:10.63) and anchored Drake to second in the university 4x200 (1:25.17) relay. The Bulldogs also were fourth in the 4x800 and the 4x1,600 relays.

Cyrus Nichols of Des Moines Roosevelt was named the outstanding high school boys' performer after becoming the first athlete to win three straight boys' high school 110 hurdles or 120 yard hurdles since those Relays events began in 1943. Nichols posted a winning time of :14.43 and ran the second leg on the Riders' sprint medley relay team which defended its title in 3:34.49.

Iowa City High won all three girls' high school relays (4x100, 4x400 and sprint medley), spurred by senior Teesa Price who was named the outstanding high school girls' performer. She ran the anchor legs on the 4x400 and sprint medley relays and the third leg on the 4x100 relay. Iowa City High junior Michelle Lillenthal set the only record during the Friday session when she captured the 3,000-meter run in 9:54.97, bettering the mark of 9:55.94 by Sarah Gray of Cedar Falls in 1995.

Three-time NCAA 800 Champion Derrick Peterson led Missouri to victories in the 4x800 and sprint medley relays at the 1999 Drake Relays.

BULLDOG SCHOLARSHIP FUND

Special Recognition

The Drake Athletics Department would like to recognize the following individuals for their significant additional contributions to the Drake Athletic Department during the 1999- athletic year. Their financial support is above and beyond their annual contribution to the Bulldog Scholarship Fund. Specifically, these individuals have assisted with budget-relieving operational expenses, special projects and endowments within the athletics department. These individuals have made a significant investment in Drake's current and future success. Our sincere thanks and appreciation for their generosity!

1999-2000 BULLDOG SCHOLARSHIP FUND MEMBERS

The Bulldog Scholarship Fund is the annual fundraising program for the Department of Intercollegiate Athletics at Drake University. Through contributions made by alumni and friends, the Bulldog Scholarship Fund provides assistance in defraying cost of scholarships and operational expenses for Drake athletics.

When you make your investment in Drake's athletics success, you become a member of the team in more than spirit. Your support becomes the lifeblood of the Drake athletic program. Additionally, your contributions to the Bulldog Scholarship Fund entitles you to exclusive benefits of membership that include: priority seating at Drake athletic events, parking privileges, and other special opportunities. More important, your membership will provide the satisfaction of knowing you have made a vital contribution to the all-around educational experience provided at Drake University. If you have not already done so, make a commitment to excellence and join current members that are listed. For information regarding the Bulldog Scholarship Fund, please call (515) 271-2228. BULLDOG WHEELS CLUB

The Bulldog Wheels Club plays an integral part in the growth and development of the Drake athletic program by providing essential transportation for coaches and administrators to meet the demands of recruiting, public relations, and development activities. These automobile dealerships have made a commitment to Drake University and the athletic department through their participation in our courtesy car program.

Drake athletics salutes these outstanding dealerships and businesses for their generous support.
