To

His Excellency Samuel Cony  
Governor of Maine  
Sir

By reason of the recent filling  
up of the First Maine Heavy Artillery, we understand an additional  
Major is to be appointed. We also understand that the friends  
of Captain Crossman of Co. "D" are pressing his claims to that  
office, and although friendly to the above officer, yet we think  
that the voice of the Officers of the Regiment and the usual claim  
of seniority, should be regarded in making the selection.
