Richmond July 15, 1861.

Hon Israel Washburn Jr

Governor of Maine

Abial Libby M. D. of this town has informed me that he is an Applicant for the Office of Assistant Surgeon in some one of the Maine Regiments of Volunteers - Dr Libby has been a resident Physician in practice in this town for more than twelve years - He is a gentleman of unblemished Moral Character & of honorable demeanor - of active habits, very attentive to his calling - & has had quite a large professional practice & has been successful in restoring his Patients to health -

I should think him a man well qualified for the Station & one that would be devoted to the interests & health of the Soldiers & faithful in duty

Very Respectfully & truly Yrs
W. S. Hagan
