

THE RTB TOOLBOX

BUILDING A BETTER
SEED FUTURE, TOGETHER

RESEARCH
PROGRAM ON
Roots, Tubers
and Bananas

Program

RTB Seed System Toolbox Course
25, 27, 28 Oct 2021

Jeff Bentley

Alliance

Partnerships and Capacity Building

Moving from research outcomes to development outcomes

- Capacity strengthening for partners using the toolbox to understand and improve seed systems
- Presenting the tools (webinar in July)
- Teams selected to apply at least one tool: Uganda, Tanzania, Ethiopia
- Field work and data analysis: August – October

Partnerships and Capacity Building

Moving from research outcomes to development outcomes

This webinar:

- Teams presenting the results
- Distinguished discussants
 - Uganda: Nelson Turyahabwe, Noline de Haan
 - Tanzania: Heneriko Kulembeka, Fetien Abera
 - Ethiopia: Taye Tadesse, David Spielman
- Looking into the future – One CGIAR
 - James Legg: *SeEdQUAL and ACI-VSS*
 - Lawrence Kent: *Building African capacity for seed system development*
 - Carlo Fadda: *The place of seed systems in the One CGIAR initiative*
 - Ian Barker: *Strengthening links between breeding outputs and seed systems*
