## **MAHPERD Collection Administrative History**

The Massachusetts Association for Health, Physical Education, Recreation and Dance (MAHPERD) is a non-profit organization for professionals and students dedicated to promoting healthy and active lifestyles. The organization was in existence in 1935 as Massachusetts Society of the American Physical Education Association, before changing to the Massachusetts Association for Health, Physical Education and Recreation and finally adding “Dance” to its name in 1983. MAHPERD is a division of the Eastern District Association of SHAPE (Society of Health and Physical Educators) America, a national organization started in 1885 as American Alliance for Health, Physical Education and Recreation. The organization has defined excellence in physical education, and resources provide the leadership, professional development and advocacy that support health and physical educators at every level - from preschool to university graduate programs. AAHPERD became SHAPE America in 2013.

A list of known presidents can be found at the end of this document, including those from Bridgewater State University.

## **Scope and Content Note**

The collection consists of five series of documents focusing on sports, physical activity and physical education in Massachusetts and one series of photographs and multimedia. Contents in the collection include history of the organization, meeting minutes, board and member lists, legislative and financial reports, correspondence, periodicals, publications, promotional ads, convention photographs and other material from this group going back to 1935. It is an active organization and new records are added periodically.

The original donation of materials from Mary Pratt, who began to officially keep archives of documents, are kept together by year in General Files, with the exception of publications such as the Journal and Newsletter, which have been stored with other publications. Subsequent donations have been sorted into other series.

Related collections include: [New Agenda: Northeast Records](#) and the [Mary Jo Moriarty Collection](#).
