Office of the President

Dr. Adrian Rondileau

PRESIDENT'S MESSAGE TO GRADUATES - May 26, 1979

**A
 Message
 to the
 Class
 of
 1979**

A personal word to the graduates from Mrs. Rondileau and from me.

Use all you have learned in college in your career and in your whole life. Destiny awaits you. If you work at it you will find solutions to your vocational and personal problems.

Do what you believe to be right. You may be criticised and unpopular, but if you do the best you can and what you believe to be right, it will help bring you inner peace. In the words of Abraham Lincoln:

"I do the very best I know how and the very best I can; and I mean to keep doing so until the end. If the end brings me out all right, what is said against me won't amount to anything. If it brings me out wrong, ten angels swearing I was right would make no difference."

The depth of your faith will lead you to your destiny. Have faith in your Creator; have faith in yourself; have faith in your fellowman; have faith in Bridgewater's heritage; have faith in your country. Never underestimate America. This country is still the last best hope of earth.

The American dream will live so long as you are true to the torch which is being passed to you.

Mrs. Rondileau and I congratulate you and your families, and wish you a magnificent destiny in the years ahead.

Adrian Rondileau

"Missed it by that much!"

This year's soccer squad was a young one, and as a result got off to a slow start. The team was led by tri-captains Joe Lupica, Joe O'Halloran, and John Hibbert. The offense was highlighted by the great play of Jim Owens and Scott McCarthy. Goaltending was handled superbly by Mark Dufresne, assisted by the "awesome" defensive play of Chris George. With the entire team returning next year, it will be one to look out for.

The Bridgewater State College Womens' Gymnastics team left all of the other teams unevenly paralleled. When it came to springboards, they didn't horse around. They literally floored their audiences with their various dance exercises, etc. The well-balanced team made coaches Gonsalves and Grey beam with pride. Gymnasts young move nimble and sure, these individuals confidently soar!

Men's Swimming

The BSC Swimming Bears, led by Co-Captains Bob Duquette and Ken Mierzykowski had a rebuilding year. Despite a disappointing record, fine performances were turned in by Bob Cameron, Bob McCarrison, and Bob Moores.

Led by co-captains Deb Taricano and Barb Fielding, the Bridgewater Women's Swimming Team finished the season with a record of 3-5-1. Although faced with some tough competition from schools such as Salem State and SMU, the girls managed to pull through. Congratulations on a fine year!

At BSC

The Men's Basketball team led by Capt. Mike Boyle, had a fine season (17 wins-9 losses). High scorers, Boyle, Cheney, and English proved to be deciding factors in most of the games. We can not forget Steve Seymour, Joe McKinnie, Barry Mansell, Jim Billings, and Terry Riley. With Mike Cheney leading the way next year and Joe McKinnie, Billy English, and Terry returning we should see some exciting games.

The team had a slow start losing the first two but took command over Northeastern in the second half to win 16-6. They outscored N.U. 10-1. Defensively and offensively B.S.C. looked strong. Though they lost a group of valuable seniors on both the J.V. and varsity squads this is a team that will be on a winning track in the coming year.

Women's Tennis

The B.S.C. Bears Men's Tennis Team finished the spring campaign undefeated. They posted a 13-1 mark for the 1978-79 season. (7-1 mark in the fall)

Dr. Mogilnicki's squad has been a team composed of both veterans and newcomers. Steve Power (No. 1 from Brockton), Bruce Ogilou, from Attleboro have been instrumental in the team's success. Dan Damish and Gregg Southwarth have given the Bears great doubles play. Joe Mellin and Steve Smith have also been able to crack the line-up at time.

Joe McDermott, Paul Dion have combined with co-captains Glenn Guenard and Doug Mildram to give the team guidance and leadership.

Convocation

"The End of a Decade"

D. J. Sullivan at Square Acres

Convocation marked the beginning of our senior year. The ceremony began with a processional into the Student Union Auditorium. It was followed by a brief speech by Dr. George Weygand, the college Marshall. Michael J. Palma, President of the senior class followed by introducing the class officers, Nancy Inman, V.P., Trisha O'Halloran, Secretary, Brian Dudley, Treasurer, Chris Convery, Social Director, and Leanne Perry, Publicity Director. The guest speaker, Mr. Norman J. Cartmill an alumni of Bridgewater stressed that the Class of '79 is "posed on the threshold of Victory."

A complement to the Convocation ceremony was a party at Square Acres.

On September 23, 1978, Bridgewater students gathered in the Student Union ballroom for a "wild and crazy time." The theme of the evening was Western Night as seen in both costume and decor. Members of the Program Committee (top left), were dressed as cow-

boys as were some students who attended. The atmosphere was that of a saloon in the "old west" complete with music, dancing, liquor, and gambling. Equipped with a few thousand from the Bank, a student could choose his lucky game. There were some students who

found they could win big at Black Jack (bottom left). Others found greater fortune with a roll of the die (top left). But whether they played or the wheel of fortune, each and everyone fulfilled their secret desire to be rich for one night, at least.

Western Night

Not everything was fun and gambling that Saturday night in the Wild West. When Frank and Jesse James (**bottom, left**) showed up to rob the Bank, it was a quick draw by Matt Dillon and his deputies (**top, right**) that saved the day.

The Ensemble Theatre opened its 1978-79 season with the performance of the highly acclaimed Lerner and Lowe musical, CAMELOT. The show, under the direction of Professor Robert

Barnett, was presented on October 19, 20, and 21.

Made famous in the early 1960's, CAMELOT is the time honored fable of King Arthur, Sir Lancelot, and the round

table. Rich in period style and costuming, this lusty musical provided audiences with an evening of grand entertainment.

Camelot

"In short, there's simply not
A more congenial spot
For happ'ly-ever-aftering than here
In Camelot."

***This is

Where were you when Homecoming '78 approached BSC? A lot of us will remember the fun-filled nights, or was it night, putting together an "original" float. Satur-

day morning consisted of touching up the float, well, a few of us showed up, some ventured to the alumni tennis match, others elected coffee and donuts at Scott.

Smudin' Marching Band had to be the highlight of the parade. The football team showed a strong performance only to lose in the last minutes 10-7 to Nichols.

Homecoming 1978

In the upper left-hand corner we have the 1978 choice for homecoming queen, Cindy Harnais, a sophomore, nominated by the soccer cheerleaders. 1st runner-up went to Paula Macomber, nominated by the Class of '79. To the right of that photo we have an excellent shot of the football team in action. And at the bottom left is a bird's eye view of the 1st place float, created by Early Childhood, as it inches its way to the football field. Draped over the side of the float reads that unforgettable theme of Homecoming '78 — "This is the Stuff Dreams are Made Of." Are they?

"Oh, What a Night!"

The Senior Dinner Dance turned out to be the highlight of Senior Week. Everyone seemed to be enjoying themselves on and off the dance floor. Lantana's put out an excellent stuffed chicken dinner while "The Magic Chords" provided the music which featured the polka, line dances, and disco.

Student Life

Student life provides and functions as a helpful resource area for the student population. It advises in career planning, application to grad school, decisions about classes, legal problems, activities being held, financial concerns, housing, etc. They deal with the entire college community and they try to serve the needs of the entire college population. One of their goals I think is to create a personal, rewarding experience for those who wish to benefit from them.

Clinic

The Children's Physical Development Clinic is the ONLY one of its kind in the area. Clinicians work on a one-to-one basis with a special needs child for eight Saturday mornings in carefully planned activities that are held both in the gym and the pool. It is both beneficial and rewarding for all those who are involved.

How do you spell RELIEF?

There must be no class!

Academics Is

Rewriting a speech an hour before the class, cramming fifty Spanish vocab words in a night, taking library orientation your last quarter senior year, or withdrawing from playground I because you didn't take the prerequisite Recess I and II. The growth of our school academically is becoming more of a reality as we leave the college community and find our own road to follow. We are all aware of the importance and value of experience internship programs provided. And in addition, the importance of the expansion of the college's learning resources. Let's look back with pride!

Sometimes it takes a sad ending to start an exciting beginning. The "Climb to '79" is over, but a new beginning awaits us at the peak. This yearbook is, in a sense, a log of that long climb to the top. In it we have tried to capture as many of you "LIVE" on your upward hike. Looking back, it was "a wild and crazy" time!

This yearbook would not be complete without thanking every one who in any way contributed to its production. Thanks to Theresa, Debbie, Marge, and Mike for all their time and help. Thanks also to the rest of the yearbook staff who gave up their Monday nights, and to all the photographers, (especially Jim) who helped us out when we were in a bind. A special thanks to Arnie Lohman of Taylor Publishing who handled my suicide calls the night before deadlines with patience and competence.

Our college career is over, but with it comes the excitement of a new life, and the wonderful memories of the old. Give it your best, Class of 1979. YOU'RE READY FOR PRIME TIME!

Wishing you everything good,

Paula
