COVID-19-related mortality in kidney transplant and dialysis patients: results of the ERACODA collaboration, *Nephrology Dialysis Transplantation*, Volume 35, Issue 11, November 2020, Pages 1973–1983, <https://doi.org/10.1093/ndt/gfaa261>

In the originally published version of this article, the ERACODA collaborators were incorrectly listed. The names and affiliations of these Collaborating authors, and the number of records entered in the ERACODA database have now been moved from the accompanying supplementary material and are listed as a subsection within the Acknowledgements. The pagination of the article has been adjusted to reflect this change.

Supplementary Figures S1 and S2 were inadvertently omitted. These have been reinstated as part of the Supplementary Data.
