You will be contacted as soon as possible.

# Curriculum Vitae

Roxana-Alice Ion was born on January 18, 1973 in Bucharest, Romania. After finishing secondary school she went to the Mathematics and Physics high-school no. 1 in Bucharest. In 1991 she finished high-school with average mark 9.37. In the same year she started to study her passion mathematics at the University of Bucharest. Special emphasis in her training has been on Statistics and Operations Research. In 1996 she obtained the Master Degree in Mathematics with specialization in Applied Mathematics with average mark 9.25.

After graduation from the University she started working as a researcher at the Research Institute of Informatics in Bucharest in the Laboratory of Quality Control.

In 1997 she started as a Ph.D. student in Statistics at the University of Amsterdam, within the framework of the NWO project Semiparametrics in Statistical Process Control.

Currently, she is postdoc at the European research centre EURANDOM at Eindhoven, where she does research and consultancy within a joint project with the Xerox company.
