Anouk, mooier dan de woorden die jij hebt gebruikt in jouw proefschrift kan ik het eigenlijk niet zeggen. Na een paar weekjes wisten we het al en trok ik bij je in, na een paar jaar weet ik het steeds zekerder en kom je nooit meer van me af. Het is toch het mooiste wat er bestaat als mijn vrienden vechten om het bed dat je voor ze klaar legt. De punt van het dekbed omgeslagen, klaar om er na een harde nacht in de kroeg direct in te kunnen stappen. Mijn steun, mijn warmte, mijn prinsesje, mijn Anouk, stap achter op het witte paard dan gaan we naar strandpaal 66.....
