COURSE DESCRIPTION

Experimental offerings by visiting professors, experimental offerings of new courses, and/or one-time offerings of current topics:

This course is a mini-collaborative-workshop-seminar. The format of this course is based upon the idea that doing and teaching are the most effective ways to learn. The students and the instructor will be working together to develop and complete projects that will facilitate their learning of digital drawing techniques and technology.

FORMAT:

This class meets once a week. The students professor will work together to develop questions to be answered and problems to be solved in order to learn the process of digital drawing. We will share information via discussion, demonstrations, and workshopping. We will be working with Procreate on iPads.

SHARED RESPONSIBILITIES

Please silence you cell phones during class.

It is expected that you will make a genuine, good faith effort to complete the coursework to the best of your ability. I will make sure you have clear and contextualized assignments, have many opportunities to connect with me and with classmates, and a lot

of guidance and feedback along the way. I especially want to emphasize the values of flexibility, curiosity, and compassion.

Please turn all of your work as the assignments are completed. This is an important way for me to keep track of your progress. PLEASE INCLUDE YOUR NAME AND THE DATE ON YOUR WORK. Please take photos of your work that frame and present your work well. DO NOT send all of your assignments at the end of the semester.

Final work be due the last week of scheduled classes and that studio cleanup be a scheduled part of each course. Artwork will be returned to students at the end of the term as there is not storage over summer or winter break.

If you find yourself struggling with time management or workload, please reach out to me and I will be happy to help.

Take breaks. Remind me if it seems like time for one.

COVID PRACTICES:

- **Mask use is required within the classroom or laboratory.**
- **If you feel sick and/or are exhibiting COVID-19 symptoms, please don't come to class and contact the Curry Health Center at (406) 243-4330.**
- **If you are required to isolate or quarantine, you will receive support in the class to ensure continued academic progress.**
- **UM recommends students get the COVID-19 vaccine. Please direct your questions or concerns about vaccines to Curry Health Center.**
- **Where social distancing (maintaining consistent 6 feet between individuals) is not possible, specific seating arrangements will be used to support contact tracing efforts.**
- **Class attendance and seating will be recorded to support contact tracing efforts.**
- **Drinking liquids and eating food is discouraged within the classroom.**
- **Mask use is required in vehicles when traveling to field sites as part of class/fieldwork.**
- **(If applicable) Please note this class is being recorded. Notifying students is a requirement if this is the case**

I am vaccinated against Covid 19.

Classwork, homework and critiques will be conducted in a manner that allows for safe social distancing.

COMMUNITY CULTURE

This class, based on the belief that everyone can learn, and that this is best accomplished in a community of others with similar goals. Accomplishing this is dependent upon how we act individually and as a group. We are living in a time of trauma and suffering for many. Class members come from a variety of backgrounds and experiences, and success means different things to each of us. The guiding principles of our community engagement are:

Respect (Commit to respect the varied experiences and backgrounds, and perspectives of all class members)

Kindness and encouragement (Commit to being the type of person that you would hope to turn to for support),

Constructive struggle (Commit to the vulnerability of sharing your work *before* it is finished, both to get help where you are struggling, and to connect with others having the same experience as you.)

GOALS and OUTCOMES

To gain familiarity and skills in digital drawing.

To explore, teach and learn digital drawing in collaboration your classmates, and to gain the expertise to further your progress individually.

CLASS PARTICIPATION/ATTENDANCE

You will be expected to attend the 50 minutes of scheduled class time each week. [An additional 3 hours minimum will be needed outside of class to complete homework assignments.](#)

[Your presence in all scheduled classes is essential. You will not be able to get an A unless you attend 12 out of our 14 scheduled classes.](#) In order to benefit from the class you must be a contributing member of the group. You are expected to come to class on time and stay for the full duration of the class period. If for some reason you are unable to attend

class due to illness or emergency, please call or email me and let me know in advance, if possible. Class participation includes your preparedness, both in terms of practical studio work as well as readings, critiques and discussions. You can ensure a good grade in the “Participation” category if you:

- a) Come to class with all of the supplies you need, along with ideas and source material when necessary.
- b) Keep up-to-date on your practical assignments for the class
- c) Complete all studio assignments.
- d) Participate fully in all critiques.
- e) Check your email for messages regarding the class DAILY

If you are not sure what you need to be doing over the weekend, make sure you contact me before you leave Thursday class. The studio is available for your use when no other class is meeting.

GRADING

Your work for your midterm and final grade will be assessed on the following:

- a) Are the requirements of the assignment observed?
- b) Is the work carefully and thoughtfully done and presented?
- c) Progress and effort

A= outstanding student, inventive, thoughtful, self-critical and highly motivated. Participation during group critiques/discussions, quality finished drawings and considered studies. Meets consistently high standards.

B= good student, above average; competent work if not always excellent; somewhat uneven quality (some very good work but not all work reaching the highest standard); perhaps one area of weakness, but otherwise skillfully executed work.

C= average student; college level work; competence in at least half of the assignments; lacking in some basic skills, eg. consistently timid mark making, or uninspired compositions.

D= incompetent work, very few basic skills demonstrated; unimaginative, or incomplete assignments; a very concerning number of missed classes (three or more) or a combination of these factors.

* I reserve the right to change the syllabus w/out notice.

CONTENT NOTIFICATION

Art scholarship and art practice along with teaching and learning involve a critical exploration of ideas, theories, art-making practices, and art movements that encompass such things as the human body, sexuality, race, gender, religions, and cultures. This course can touch upon any of the above categories with an expectation that students will actively participate in all course assignments, discussions, and tests. Given this information, it is the student's obligation to determine that the requirements conflict with his or her core beliefs. If the student determines that there is a conflict with his or her beliefs, one of the following actions needs to be taken:

- 1) drop the class before the last day to drop a course without penalty
- 2) meet with the instructor within the first week of classes to determine if an accommodation can be made. (Note, faculty, are not required to grant content accommodations.)

BUILDING ACCESS

The use of studio space requires current enrollment in a specific studio course, as course fees are used to purchase supplies. Those not currently enrolled will be asked to leave. Building hours are 7:00am to 11:00pm daily. Fridays are open studio day in the art building—no classes are scheduled.

HEALTH AND SAFETY

The UM Art Department uses environmentally sound methods. All solvents, other than Gamsol, including turpentine and Odorless Mineral Spirits are prohibited. You are individually responsible for clean up at the end of each session in this classroom (either in or out of class time). Use of the wood shop power tools is voluntary, and all users must complete a power tool orientation. No creatures or children will be allowed in the studios during class time or open studio times. No food or beverage containers will be allowed in the Art Department facilities when art-making is in progress. All art work must be picked up by the Monday after finals week or it will be discarded.

INCLUSION POLICIES

The University of Montana values leadership, engagement, diversity, and sustainability, because our institution is committed to respect, we welcome, encourage, and celebrate the differences among us. As members of the University of Montana community, we aspire to:

- Respect the dignity and rights of all persons.
- Practice honesty, trustworthiness, and academic integrity.
- Promote justice, learning, individual success, and service.
- Act as good stewards of institutional resources.
- Respect the natural environment.

The College of the Arts and Media at the University of Montana, has chosen to actively pursue equity and access for all persons. In this charge we will be researching, planning, and implementing ways in which our culture can be more accessible, inclusive, equitable, sustainable. It is not enough to be anti-bias in principle without being equitable in action. We will implement these actions organized by a group of students, faculty, and staff across the entire College in an ongoing way.

RESOURCES FOR STUDENT SUPPORT
