The Associated Students of the University of Montana **Resolution Endorsing Campus Instructional Space Improvements** September 29, 2021 SB18-21/22 Authored by: Jack Rinck, ASUM Business Manager: Sponsored by: Paul Lasiter, Vice President of Operations and Finance; 8 Whereas, The University of Montana ("UM") is an institute of higher education whose primary 9. function is to provide enrolled students with an enriching and meaningful education; 10 11 Whereas, UM's Mission Statement reads: 12 13 University of Montana-Missoula pursues academic excellence as demonstrated by the quality of curriculum and instruction, student performance, and faculty professional 14 accomplishments. The University accomplishes this mission, in part, by providing unique 15 educational experiences through the integration of the liberal arts, graduate study, and 16 17 professional training with international and interdisciplinary emphases. The University also educates competent and humane professionals and informed, ethical, and engaged 18 19 citizens of local and global communities; and provides basic and applied research, 20 technology transfer, cultural outreach, and service benefiting the local community, 21 region. State, nation and the world, 1 : 22 23 Whereas, The Associated Students of the University of Montana ("ASUM") holds the 24 responsibility and privilege of speaking on behalf of the UM student body; 25 26 Whereas, Paul Lasiter, Vice President of Operations and Finance, came before the Senate to seek 27 support for and justify classroom improvements; 28 29 Whereas, Instructional space is an important aspect of students having rich and fulfilling 30 educational experiences at UM; 31 32 Whereas, UM's existing fixed seating classrooms and lecture halls are generally more than forty 33 (40) years old and in need of significant upgrades; 34 35 Whereas, In an effort to ensure that all classroom spaces are conducive to effective teaching, learning and collaboration, there is a proposal to remodel select classrooms around campus; 36 37 38 Whereas, The proposed improvements are not only geared towards modernizing instructional 39 spaces, but also to directly impact and enhance the learning experience by creating flexible. 40 technology-ready classrooms; 41 42 Whereas, During the Spring of 2020, classroom audits were conducted to assess the areas that 43 require the highest need for improvements; 44 45 Whereas, A priority list of upgrades was set in collaboration with the Registrar's Office;
