## Foreword

The GameChanger 2021 (#GC2021) initiated in early 2021 is to increase our publications to be contributed by multi-national authors. We believe the initiative would tremendously increase the chances for those publications to be indexed by more reputable indexing bodies, such as Scopus. As such, commencing 2021 only multi-national authored contributions shall be accepted for publications.

Anticipating it could be a daunting task among authors to include other nationals as co-authors from abroad, a list of global potential co-authors was displayed on the conference web. It is hoped that the authors could network, ultimately contributing their papers together

This 5th ABRA International Conference on Quality of Life, AQoL2021Langkawililand, our 35<sup>th</sup> international conference to be organised, managed to attract an overall total of 53 numbers of abstracts. Out of the total, 2 abstracts were rejected due to non-compliance.

The #GC2021 initiative seemed to have continuously borne fruits. Of the 52 abstracts approved, authors from 13 countries contributed. The majority was contributed by Malaysia. Countries co-authored with Malaysia involved Indonesia (14 numbers), United Kingdom (11), Japan and Saudi Arabia (3 each), China (2) and 1 each from Brunei, Iraq, Italy, Thailand, Turkey, United Arab Emirates. In addition, Indonesia co-authored with Italy (1) while single countries were contributed by Saudi Arabia (2) and Thailand (1).

The abstracts were finally transformed into 37 approved papers. The papers approved were simply grouped generally under 12 sub-categories, although quite a number could have been easily placed under more than one category. The top four categories in order of popularity involved the following environments: - Health / Healing Environment (15 papers or 35%), Educational/ Learning Environment (5 papers), Hospitality / Tourism Environment (4 papers), and Community Environment, Residential Environment, and Urban Environment (3 papers each).

Hopefully this conference will inspire and encourage more researchers to participate in our forthcoming serial conferences.

Thanks again for your continuous support as always, and hope for an enlightening conference !

## About the Conference

### Background

Asia is the world's largest and most populous continent with a population of about 4.5 billion people as of 05 Jul 2020. Together with Africa's 1.3 billion people, both continents altogether are hosting about 74% of the world population. Coupled with a high growth rate, it is imperative that both Asia and Africa establishes an international research organisation that specifically focus on the well-being of the Asian / African communities.

Hence, the establishment of ABRA (Association of Behavioural Researchers on Asians), officially formalised on 20th October 2014, represented by seven member countries – Egypt, Iran, India, Indonesia, Malaysia, Taiwan and Turkey. ABRA was renamed the Association of Behavioural Researchers on Asians/Africans/Arabians on 26 Jun 2020, with the inclusion of three new member countries – Morocco, Nigeria and Saudi Arabia. AMER (ABRAMalaysia) with its headquarters in Shah Alam, Malaysia is the permanent secretariat for ABRAworldwide.

To mark the establishment of ABRAworldwide, the maiden international conference AQoL2014 (ABRA International Conference on Quality of Life) was held in Istanbul, Turkey, from 26-28 December 2014. The 1st ABRAworldwide Board Meeting was also held in conjunction with the conference. To enhance the QoL conferences further, the AQoL to be held in non-ASEAN countries (except Malaysia) shall be the sister conference to the more established annual AicQoL (AMER International Conference on Quality of Life), held in the ASEAN countries. Both back-to-back AQoL conferences form the ASLI (Annual Serial Landmark International) Conferences on QoL).

Thus far, the AQoL conferences organised were as follows:-

- 4th AQoL2018Istanbul, Turkey 03-06 Nov 2018
- 3rd AQoL2017Kuching, Malaysia, 14-16 Oct 2017
- 2nd AQoL2015Izmir, Turkey, 09-13 Dec 2015
- 1st AQoL2014Istanbul, Turkey, 26 – 28 Dec 2014

### 5th AQoL2021Langkawiland, Malaysia

Our 35th international conference, the WoS-indexed AQoL2021 (5th ABRA International Conference on Quality of Life), shall be held from 15-16 Dec 2021. The hybrid (both face-to-face, F2F and virtual) conference shall be held at the Holiday Villa Langkawi, Langkawi Island, Malaysia.

The AQoL2021 focuses on Quality of Life issues affecting the Asian/African/Arabian communities in both their countries and nons. Issues affecting other communities are also most welcomed.

Paper presenters are allowed to either present F2F or virtually. However, only those who present F2F (non-Malaysians exempted) shall be in the running for the Best Paper awards, with the grand prize of cash RM3,000 (USD723).

AQoL2021 shall be organised by AMER (Association of Malaysian Environment-Behaviour Researchers), ABRA (Association of Behavioural Researchers on Asians/Africans/Arabians) and cE-Bs (Centre for Environment-Behaviour Studies, Faculty of Architecture, Planning & Surveying, Universiti Teknologi MARA, Malaysia. The event shall be fully managed by AMER's subsidiary, emAs (AMER Event Management & Services) under emAs emAs Resources.

The e-IPH, UK shall publish both the Abstract Book (eISBN 978-1-913576-04-2), and the Proceeding in the E-BPJ (Environment-Behaviour Proceedings Journal), eISSN 2398-4287, 6(18) Dec 2021, issue. Currently, the E-BPJ is indexed in Clavirate Analytics Web of Science (WoS) and ScienceOpen. Extended versions of the selected papers shall be published as freely accessible articles, online, in our other international journals – AjBeS, AjQoL, ajE-Bs or jABs, @ no publication charges.

Continuing with our Game Changer 2021 initiative, #GC2021 – only internationally-authored\* (for Malaysians) papers shall be considered for publications in the Proceedings (E-BPJ), and in our other four international journals.

# International Organisation

## ABRA

Association of Behavioural Researchers on Asians / Africans / Arabians

<https://amerabra.org>

Upon tremendous responses shown by researchers involving behavioural studies on Asians living in both Asian and non-Asian countries presented during the AcE-Bs / AicE-Bs conferences held since 2009, the formation of ABRA, an international organisation was considered necessary and timely.

To propel further internationalisation, the cE-Bs had during AicE-Bs 2010 Kuching, Malaysia, 7-9 December 2010 mooted the idea for the formation of an international organisation, ABRA (Association of Behavioural Researchers on Asians). Following the successful registration of AMER, and further interest expressed by representatives from several countries during the recent AcE-Bs 2012 Bangkok, a formal meeting amongst ABRA representatives was held during AicQoL2013Langkawi.

ABRA was finally formalised as an international research organisation by the Malaysian Registrar of Societies on 20th October 2014, with AMER as the Permanent Secretariat, headquartered in Shah Alam, Malaysia.

Since Jun 2020, ABRA is represented in 10 countries worldwide namely, Egypt, India, Indonesia, Iran, Malaysia, Morocco, Nigeria, Saudi Arabia, Taiwan, and Turkey. One benefit in becoming an ABRA member is the huge discount given to members who attend forthcoming activities to be organized. The discount given to members would more than pay back members' annual fees.
