

The BRAIN FAMILY

Today is Baby Brain's first day of 3rd grade!

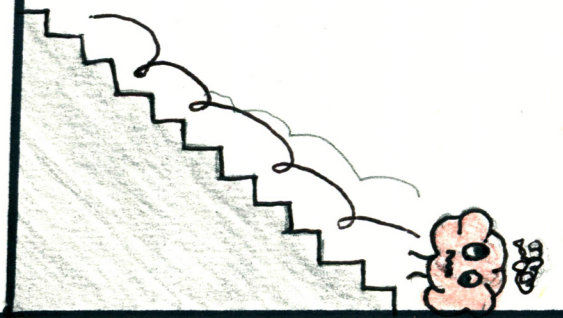

there he goes!

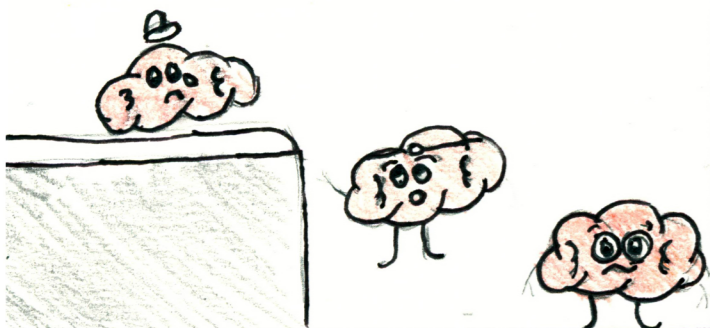

Baby brain is a straight A student!

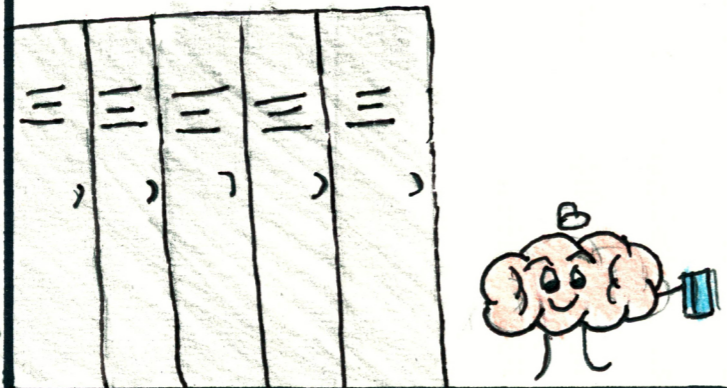

uh oh! Baby brain fell down the stairs! he is so clumsy!

thank goodness he's alright!

Baby brain is back at school!

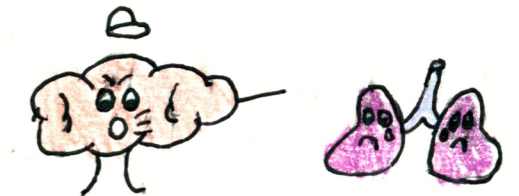

1 MONTH LATER

Baby Brain's grades are dropping! Papa Brain is not happy!

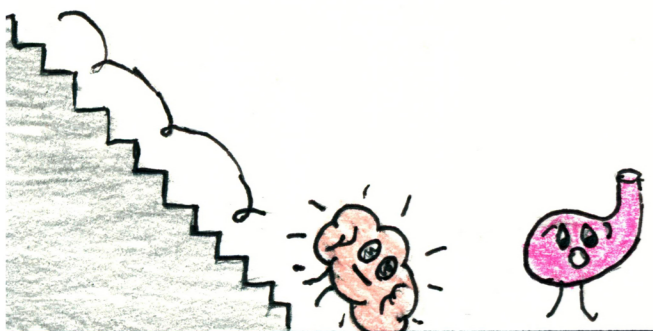

B- Math
C Science
C+ History
B Reading

Baby brain is mean to his friends!

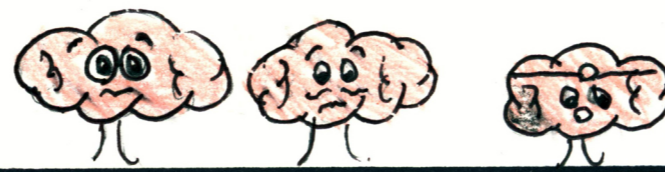

Baby Brain fell down the stairs AGAIN! And he's having a seizure

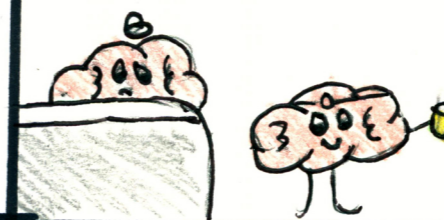

Baby Brain is back at the doctor!

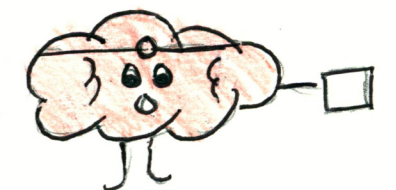

Mama and papa brain are very worried!

The doctor is running some tests.

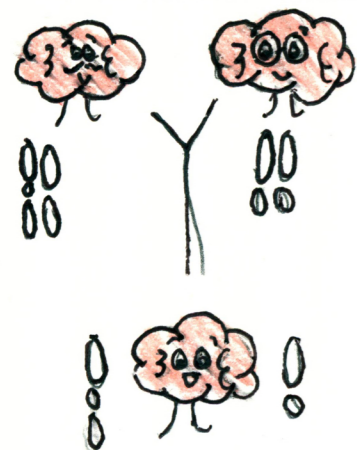

The tests say that Baby brain has Huntingtons!

Huntington's gene diagram

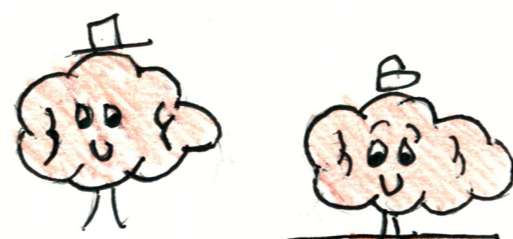

● - affected
○ - unaffected

Papa Brain has the Huntington's gene

Baby Brain now goes to therapy...

and takes medicine to help treat his condition.

Now the Brain Family is happy again!
