My Dear Sir:

Enclosed and  
herewith you will find the bills  
which the officers of my  
Regiment paid at Washington  
on its arrival - You will  
recollect, that at Washington  
I you suggested the mode  
of their pay, & accordingly  
I have got certificates and  
I am fully satisfied of  
their accuracy, as I have  
personally interrogated the

officers - It is now  $\frac{1}{2}$  year of nearly two  
months since the money was  
paid out by the officers & that  
some officers have no means  
or have such a you will confer  
a personal favor upon these  
officers & you will forward me  
by return mail a draft so  
that they can be paid a  
separate draft to each.  
We shall hope for a reply  
by return mail.

Yours obly  
Wm W. Dummer
