Hi Natalie,

Thanks for your email. We're happy to facilitate your request for Dr. Barber's two chapters. We will send you watermarked, print-restricted PDFs. We would prefer to restrict access to your campus.

I have included our marketing director in this so that she can forward the files. Please let us know if we can help in any other way.

Best wishes,
Chris

Subject: Requesting Book Chapters for W&M Institutional Repository

Hello Chris Myers,

Dr. James P. Barber is one of our faculty members at William & Mary contributes and to your books. We would like to add their book chapters into our online Institutional Repository. Is this possible for us to share their book chapters? And are we allowed to add a specific version (published, accepted manuscript, etc.)? I believe Jane Leathem might have notified you of my incoming request.

Our Institutional Repository is normally open access, but we can restrict content so that it is only accessible on the W&M campus at the request of an author or publisher.

Here is the information of the chapters I would like to request:

Book Chapter: Making the Grade: Fraternity and Sorority Standards Programs

Chapter Author: Daniel A. Bureau and James P. Barber

Book: Supporting fraternities and sororities in the contemporary era: Advancements in practice

Book Author/Editor: Pietro A. Sasso, J. Patrick Biddix, and Mónica Lee Miranda

Year Published: 2019

Book Chapter: The State of Fraternity/Sorority Research

Chapter Author: James P. Barber, J. P. Biddix, Grahaeme A. Hesp, Eric Norman, Daniel A. Bureau

Book: Foundations, Research, and Assessment of Fraternities and Sororities: Retrospective and Future Considerations

Book Author/Editor: Pietro A. Sasso, J. Patrick Biddix, and Mónica Lee Miranda

Year Published: 2019

Any help is greatly appreciated. Let me know if you have any questions or concerns,
Natalie Rue
