From Your Wife

Husband, know of my deep satisfaction
Measure the merits of my married life
Beyond romance or youthful attraction
Pleasure is plenty for your wanted wife
 In youth, each meeting seething parts tremble
 Celebrations of sweat soaked seduction
 In truth, such outbursts little resemble
 Incantations for true love's construction
Lovemaking may lay a bare foundation
But comfort and solace are more we give
Life-making each day sharing creation
Of marriage the structure in which we live
 Outbursts of passion still thrill married life
 Secret in lasting, a mortar of life
 Trust more than lust- what I need in this life
Bricks of devotion that build man to wife
