See a program outline for a suggested schedule for each module to enable you to complete your M.S. or Ed.S. degree within a 12 - 18 month period.

Nova University is accredited by the Southern Association of Colleges and Schools and admits students of any race, color, and national or ethnic origin.

**PROGRAM OUTLINES**

Be sure you have a program outline in your file and a copy in your possession signed by a CED counselor. If you wish to discuss changing your major, please see a counselor (Call 475-7463 for appointment). All graduate education degrees programs are 36 semester hour programs. Business degrees programs are 36 semester hour programs with a computer literacy prerequisite and include a noncredit introductory programming seminar.
