An Uphill Battle
by: Danielle Motola

**Mountains are things
That will never move,
With challenging tasks,
To overcome on its peak,
That people may someday shy away from,
If they become too difficult to defeat.**

**With obstacles getting in the way,
And miserable people struggling day by day,
With uphill battles,
One cannot help to be afraid,
On which route to take,
For no one knows the outcome,
As one may or may not reach
Its colossal summit.**

**Many have aspirations
Of attaining the pinnacle,
Since success is their main goal,
For who is to say,
That this will be effortless,
With no heartache or wretchedness.
How does one arrive at its peak
Is the question,
But the answer to that is yet unknown.**
