## **The City**

*Jason Feifer*

The city is a stepped-on ant hill,  
looked upon from afar.  
Little people - ants running everywhere,  
going wherever things are.

A constant effort to repair  
the step that disrupted their Zen.  
Like people bombing their own cities,  
they must start all over again.

The mayor is like the queen ant,  
all is reported to she.  
And just like a peaceful city,  
is what a good anthill should be.
