Chaos

Meghan Pearl

Freedom is slavery
Two and two are five
The old are only getting younger
The dead are becoming alive

Gravity is a matter of perception
Love an emotion of hate
Peace is perpetual war
Heaven has fiery gates

Ignorance is a state of strength
Black is always white
Your eyes may see only darkness
But mine can see only light

Humans yearn to be hateful
Society thrives at war
Our nature will destroy all we know
And our world will be no more.
