PSYCH⁰SENSELESSYLLOFUSIONUNDRUM-
BOO-BOO-22
(ABSURDITY'S NEPHEW/STEPFATHER/EX⁰-WIFE)

NOAR BROWN

People call me a liar,
But I swear I'm not one.
People call me a lunatic,
But loons are illiterate.

I visited Karma's trailer,
And we argued about car safety.
He threatened to strangle me with a seat belt,
But got hit by drunken Destiny's ambulance.

My deer Conscience ran away,
I can't find her because she lost her voice.
It was an annoying voice anyway.
Looks like tonight's dinner is my bear Minimum.

My crime:
Killing Rhyme,
The screaming mime.

I swam in the Reason's empty river
And drowned/found
The meaning of life-at death.
I can't say it without Conscience
And so much Minimum on my plate.

I'm married to Fault
Who was shot by Coincidence
For sleeping with Accident
In my hotel room
During Coincidence's and Accident's honeymoon
While I was reading Fault's book Destiny's Accident Killed Karma
And lying
On a couch coincidentally made by Coincidence's faulty cousin's accidental son.

All lunatics are liars.
All liars write poems.
I'm not crazy, just a bad poet.
Now I'm just lying.
