Life.

It appears to be everywhere.

A challenge one must overcome.

A gift a person was given.

A chance to accomplish something.

Full of tragedies people must cope with.

Pain an individual must withstand.

Occupied with frustration.

A mystery yet to be solved.

Life is full of love that fills the air we
breathe.

Life is not a bed of roses.

So what is life?

A puzzle still to be decoded.

Something unpredicted.

But mostly, unexplainable.

Life.
