Dear UFCW Member:

The following pages contain the most important information you can have while working for Fry's Food Stores. Your Union contract (Collective Bargaining Agreement) defines your wages, hours, working conditions, benefits, rights, and obligations along with other work-related information. Please review it carefully and retain it for future reference.

Without a Union contract, employees in Arizona are "at will" which means no job protections and no guarantees. The strength of this contract is directly related to the strength of our membership. We must continue to grow our Union every day to prepare for future negotiations.

*Our solidarity is our strength.*

Sincerely and fraternally,

## **AGREEMENT**

**This Collective Bargaining Agreement** made and entered into this 17<sup>th</sup> day of June, 2004, by and between **Fry's Marketplace** hereinafter called the "Employer" and **Local 99 of the United Food and Commercial Workers International Union, AFL-CIO & CLC** hereinafter called the "Union" covering the Employer's store locations in Maricopa County and Pima County, Arizona (each county to remain a separate bargaining unit).

### **ARTICLE 1 - JURISDICTION**

- (a) The Employer recognizes the Union as the exclusive representative for collective bargaining purposes of all store employees of the Employer within the Union's jurisdiction in Maricopa and Pima Counties, except those positions and classifications specifically excluded in Article 1(c).
- (b) The present practice of vendors stocking their own merchandise may be continued.
- (c) The following positions and classifications shall be excluded from the bargaining unit:
  - (1) Home Manager, Assistant Home Manager, Relief Assistant Home Manager and three (3) Department Heads.
  - (2) Those employees covered and excluded specifically under the Fry's Retail Store Agreement.

### **ARTICLE 2 - NON-DISCRIMINATION**

The Employer and the Union agree that each will fully comply with applicable laws and regulations regarding discrimination against any employee or applicant for employment because of such person's race, religion, color, national origin, gender, age, or disability. Wherever in this Agreement the masculine gender is used, it shall be deemed to include the feminine gender as well.

## Fry's Marketplace Department Store Collective Bargaining Agreement

### ARTICLE 3 - SENIORITY

- (a) Seniority is defined as the length of continuous employment within the classification within the bargaining unit with the Employer for the purpose of layoff, recall, scheduling and reduction of hours. However, an employee transferring out of the bargaining unit and within thirty (30) days transfers back into their previous bargaining unit will retain their previously acquired seniority.
- (b) Seniority rights and privileges will be recognized and observed in cases of layoff, reduction in weekly hours, increase in hours up to forty (40) hours per week, and recall from layoff. In cases of layoff, an employee shall have the right to bump back to a previous classification by way of seniority.
- (c) All layoffs and reductions in hours shall be made by seniority within the bargaining unit and geographical area within such classification.

In the event a store needs to layoff an employee, as opposed to a reduction in hours, the least senior employee in the affected job will be laid off but, if qualified, shall be given the option of displacing the least senior employee in the store (who shall be laid off unless such employee has one or more years of seniority in which case such employee shall be allowed to displace the least senior employee in the geographic area or bargaining unit, if qualified) or of accepting the layoff.

Any employee who has been laid-off shall have their name placed on a preferential recall list for employment within their department and classification within the geographic area or bargaining unit. Such employee shall be obligated to accept the offer of employment when tendered or be removed from the preferential recall list. An employee who is removed from the preferential recall list will then be recalled under the regular terms as described in this Article.

The Employer shall recall employees on layoff to the store from which they were laid off prior to hiring a new

## Fry's Marketplace Department Store Collective Bargaining Agreement

employee. Any employee recalled shall be required to report within seventy-two (72) hours after telephone notice or delivery or attempted delivery of notice by certified mail to the employee's last address on record. In the event of employee's failure to notify the Employer of his availability for work as provided herein, or in the event of failure to report as required herein after receipt of proper notice, the employee shall be considered as having terminated service with the Employer. Copies of recall notices will be simultaneously mailed to the Union. An employee being recalled from layoff shall not be required to complete another application for employment.

- (d) There shall be a ninety (90) day probation for all new hired employees during which they have no access to the grievance procedures and during which they may be terminated for any reason. Following completion of such period, the employee shall become a regular employee for all purposes under this Agreement and his/her seniority shall date from the first day of employment.
- (e) Department Store Clerks: Within the Department Store Clerk classification the following departments shall be established, each separate and independent for the purpose of maximizing and scheduling:
  - (1) Garden Clerk
  - (2) Nutrition Center Clerk
  - (3) Photo/Electronic Clerk
  - (4) Home Section Clerk
  - (5) Scanning/Price change clerk (grandfather existing GM Scan Clerks at current rates)

Current store seniority lists shall be maintained and made available in each store to employees of the store and the Union Business Representatives upon request. Upon request by the Union, the Employer agrees to within thirty (30) calendar days provide a seniority list of the employees covered by this Agreement provided such requests are not made more than twice in each six (6) month period. The seniority lists shall be subject to challenge for fifteen (15) calendar days following submission to the Union.

## **Fry's Marketplace Department Store Collective Bargaining Agreement**

- (f) An employee must call in, if at all possible, at least two (2) hours prior to the scheduled starting time of his or her shift if such employee will be absent that day.
- (g) The Employer shall retain all rights and privileges with respect to the discharge of any employee for just cause or causes.
- (h) The Employer and the Union agree that employees shall not be discharged, coerced, intimidated, or discriminated against because of membership or non-membership in the Union.
- (i) Seniority will be lost by:
  - (1) Termination of employment by resignation or discharge.
  - (2) Layoff for a period of over one hundred eighty (180) days.
  - (3) Failure to phone the Employer's Human Resources office at least once each four (4) weeks to report availability for recall while on layoff.
  - (4) Failure to report within seventy-two (72) hours after receiving recall notice by phone or delivery (or attempted delivery) of such notice by certified mail to the employee's last known address.
  - (5) Absence of two (2) or more consecutive scheduled workdays without proper notice to the Department Manager.
  - (6) Failure to return to work within the terms of an authorized leave of absence.
- (j) Transfer/Promotions: Employees shall be given consideration for a transfer to any store providing
  - (1) an opening exists within the same classification; or
  - (2) more than one employee can be accommodated with simultaneous transfers; and
  - (3) that the employees have submitted a request form.

The Employer will not unreasonably deny such request.

When a job opening or advancement to a higher classification occurs within the bargaining unit, the most

## **Fry's Marketplace Department Store Collective Bargaining Agreement**

qualified will be considered. Qualifications include fitness and ability to do the work, past work experience with the Employer, and recent work performance evaluations. When qualifications are relatively equal, seniority shall be the primary factor in determining the selection.

All job openings shall be posted for seventy-two (72) hours before they are filled in order to give employees desiring consideration for the opening the opportunity to apply for such openings.

- (k) Not later than ten (10) days prior to the start of any workweek, management shall post a list of shifts for each job within a department. Non-management employees shall be allowed to select their schedule, in seniority order, from the posted list of shifts for which they are qualified to perform within their department.

No employee shall be allowed to select a schedule that will result in overtime or other penalty provisions, unless expressly authorized by management, except employees may be allowed to select any number and/or combination of shifts, including back-to-back shifts or split shifts, provided that such employee does not select more than...

- (1) Forty (40) hours per week; or
- (2) Six (6) days in a week; or
- (3) Ten (10) shifts in the week; or
- (4) Ten (10) hours in any calendar day

...in such event no daily overtime or other penalty provision shall apply.

The Employee's selection shall be recorded on a master work schedule. Employees shall not be permitted to select a portion of a shift. Prior to the start of the selection process, management shall identify approved vacations and/or floating holiday requests on the schedule.

Management may allow employees of one department to select shifts in another department if qualified by seniority but only after all employees in that other department have selected their shifts. Management also retains the right to

## **Fry's Marketplace Department Store Collective Bargaining Agreement**

schedule a shift, which requires work in more than one job assignment.

In these events, the employee must be qualified as defined herein, to perform the work of the other or combined job assignments. Nothing herein should be construed to prevent management from using any scheduled employee to perform any work within the store during their scheduled shift.

Employees must immediately make their shift selections at the time directed by management. If an employee fails to promptly select, management shall select on behalf of the employee honoring their usual preference. In this event, the employee waives all rights to grieve management's scheduling selection. It is understood that all special requests for time off, other than floating holidays and vacations, must be selected by the employee during the scheduling process. Management shall have no obligation to accommodate any such request that cannot be scheduled by the employee in the selection process.

Unless otherwise approved, or as the result of a reduction in hours, no full-time employee shall select less than forty (40) hours and no part-time employee shall select less than twenty (20) hours per week except as provided elsewhere in this Article. In the event employees are required to stay past their scheduled time, the Employer will advise of such in advance as soon as possible.

Management may require less senior employees to select a specific number of shifts so as to facilitate the selection of all shifts from the list. In the event an employee with one (1) or more years of seniority is left with less than minimum hours, management may elect to pull hours, in reverse seniority order, from senior employees with more than one (1) year of seniority within the classification and department to maintain the bottom twenty (20%) percent (or one (1) employee whichever is greater) at minimum weekly hours, or management may elect to layoff such employee and assign any remaining hours in seniority order to senior

## **Fry's Marketplace Department Store Collective Bargaining Agreement**

employees. The Employer may work part-time employees with less than one year of service with the Employer and those part-time employees who so limit their availability such that, consistent with the Employer's business needs, the employee cannot select twenty (20) hours per workweek, less than the minimum hours required herein. No employee shall be allowed to select, or be scheduled to work, hours that will result in a violation of Federal or Arizona labor laws.

An employee electing to displace pursuant to the layoff procedure in Section (b) shall assume the selected schedule of the employee he is bumping until he is able to select for the next workweek.

The master schedule must be completed and posted by noon on Thursday prior to the start of the next workweek. The work schedule may not be changed except in cases of an absence of an employee or an emergency beyond the control of the Employer. The work schedule shall be written in ink and shall set forth the first and last names of the employees in order of seniority. Nothing in this section should be construed as preventing management from calling in employees for extra work outside of the posted schedule, from requiring overtime work outside of the posted schedule, or from bringing in additional employees where it appears advisable in the opinion of management. If the schedule is changed, after the selection process but before the posting of the schedule, and hours are reduced or increased, then the master schedule shall be re-bid downward, from the point of the schedule change. If hours are added after the Thursday noon posting of the schedule, such hours shall be assigned as provided in the additional hours section of this Agreement.

Additional Hours. Management shall post a weekly additional hours request list. Employees interested in working additional hours must sign and designate the days they are interested in working additional hours on such list by midnight of the Saturday prior to the start of the applicable workweek. When additional hours become available, management shall contact, in seniority order,

## **Fry's Marketplace Department Store Collective Bargaining Agreement**

employees who have requested to work on the day indicated on the request list and offer them the hours provided such employee is qualified to work the hours. If the hours cannot be assigned to the employees requesting them, management may fill the hours at its discretion. *Nothing in this section shall be construed to require management to assign hours at overtime or to employees who have not made a request to work additional hours or to prevent management from holding over employees currently working in the store or from reassigning an employee currently working in the store from one job assignment to another.*

**Training:** Management retains the right to train employees for positions at its discretion. Notwithstanding, management agrees to allow non-management employees to sign-up within their store for voluntary training during the first fifteen (15) days of February, to be effective the first workweek in March, and the first fifteen (15) days in August, to be effective the first workweek in September. With respect to voluntary training, it is understood and agreed:

Management will train at least 2 employees, by seniority within each store from the voluntary list for training in a different department. This provision shall not apply to a store that currently has laid off employees.

Training hours, as designated by management whether voluntary or not, shall not be subject to selection of shifts by employees. Nothing herein prevents the Employer from assigning employees to training based on store or company needs.

**Department Bidding:** *Employees shall be allowed to bid to another department by seniority when a vacancy occurs within their store provided such employee is of the same status (full-time/part-time) required by the vacancy. In no event shall an employee be allowed to successfully bid more than once in any twelve (12) consecutive calendar month period. Management retains the right to determine the number of full-time and part-time positions in each*

## Fry's Marketplace Department Store Collective Bargaining Agreement

department and thus may move full-time employees between departments, if deemed necessary by the Employer.

### Full-Time Employees-Competitive Openings:

Notwithstanding anything found in other parts of this Agreement, during the first sixty (60) days following a competitive opening, management may elect, in lieu of reducing hours as provided above, to lay off full-time employees to maintain the same proportion of full-time employees to part-time employees the store averaged in the month prior to the competitive opening. In the event of a layoff, the displaced employee shall be given the following options:

- Displace the least senior full-time employee in the geographic bargaining unit as defined in Appendix B.
- Step-down to part-time and displace the least senior part-time employee within their classification and store.

Employees displaced by the full-time reduction under this procedure shall be given their layoff options pursuant to the layoff language of this Agreement.

- (l) A full-time employee with seniority over a less senior employee shall have the right to refuse a permanent assignment requested by the Employer in multiple stores. An employee exercising this right of refusal must do so at the time of notification of the assignment and such refusal shall not jeopardize the employee's position with the Employer in any way. A permanent multi-store assignment is one which will be of more than thirty (30) calendar days duration.
- (m) Any reduction of full-time employees shall be by inverse order of classification seniority within the bargaining unit. The most senior full-time employee who has been reduced to part-time employment shall be offered the first full-time position that opens in the employee's classification.

## **Fry's Marketplace Department Store Collective Bargaining Agreement**

Any part-time employee who works forty (40) hours per week in his/her home store for sixteen (16) consecutive weeks will be classified as a full-time employee. A specific individual's assignments to temporary vacancies covered by vacation, illness, injury or leave of absence shall not count toward the aforementioned sixteen (16) consecutive weeks. The most senior part-time employee will receive consideration, along with other applicants, in filling permanent full-time job openings, provided however, the Employer has the sole right to exercise final judgment as to who shall be selected for the full-time opening; seniority shall be a primary factor in determining the selection.

For those employees hired after December 8, 1997, the following shall apply: The parties recognize that it is necessary to utilize both full-time and part-time employees in the Employer's business. Nevertheless, it is the policy of the Employer to utilize as many full-time employees (up to forty (40) straight-time hours per week) as is practical, taking into consideration the needs of the Employer's business. The Employer retains the sole and exclusive right to determine the needs of business and to establish weekly work schedules in accordance with said needs.

- (o) Employees shall not be hired or reclassified as part-time employees to defeat the purpose of the forty (40) hour workweek or eight (8) hour day, but nothing herein shall restrict the Employer's right to effect reductions in the work force as specified in this Article.
- (p) The Employer's substance abuse policy shall be applicable to all bargaining unit employees as per previous agreement.
- (q) No employee shall be held responsible for cash register shortages, unless he is given the privilege of checking the change and daily receipts upon starting and completing the work shift, and unless the employee has the exclusive access to the cash register during the work shift, except when management exercises its right to open the register during the employee's work shift, in the presence of the employee and the employee is given the opportunity to

## **Fry's Marketplace Department Store Collective Bargaining Agreement**

verify all withdrawals and/or deposits. No employee shall be required to make good any bad checks, unless said checks are cashed in violation of posted store rules and regulations.

### **ARTICLE 4 - UNIFORMS AND EQUIPMENT**

The Employer shall furnish all uniforms and any other special clothing required by the Employer. However, this shall not be construed to include uniforms such as white shirts which are required by the Employer provided that no special insignia are required to be placed on said item.

The Employer's current practice of laundering special clothing shall be continued. Maintenance of all other uniforms shall be the responsibility of the employee.

### **ARTICLE 5 - SHOP CARD**

The Union Shop Card and/or Decal is the sole property of the United Food and Commercial Workers Union, Local 99 and is loaned for public display to the Employer who signs and abides by this Agreement. Only one such card, unless otherwise mutually agreed upon by the parties, shall be displayed in a place in the store visible to the public which is mutually agreed upon between the parties. The Shop Card and/or Decal can be removed from any store by an authorized representative of Local 99 for any proven willful violation of this Agreement.

### **ARTICLE 6 - HOLIDAYS AND SUNDAYS**

- (a) The following holidays shall be recognized as holidays:
- |                  |                            |
|------------------|----------------------------|
| New Year's Day   | Thanksgiving Day           |
| Independence Day | Christmas Day              |
| Labor Day        | Four (4) Floating Holidays |

Employees hired on or after June 20, 2004, shall be eligible for Thanksgiving, Christmas, after their probation period, and three (3) floating personal holidays effective the first of the year following one (1) year of service.

## Fry's Marketplace Department Store Collective Bargaining Agreement

Regular full-time employees who have completed the probationary period shall receive a regular day's pay for each of the said holidays. Any employee who, without good cause, is absent from the job on their scheduled workday immediately preceding or immediately following any holiday is not entitled to pay for the holiday. Any employee scheduled to work on any recognized holiday who is absent without good cause is not entitled to holiday pay. The Employer may request written verification of such good cause from an employee who is absent on the holiday.

Holiday Premium: For employees hired on or before June 19, 2004, work performed on a holiday by a non-probationary employee shall be compensated for at the rate of 1 1/2 X. Employees hired on or after June 20, 2004, shall receive a one-dollar (\$1.00) per hour premium for all hours worked on the holiday.

- (b) Part-time employees, who have completed the probationary period, shall receive holiday pay based on the hours worked during the pay week in which the holiday occurs on the following schedule:

<u>Hours Worked</u>	<u>Holiday Pay</u>
8 Hours up to 16 hours	2 Hours Pay
16 Hours up to 24 hours	4 Hours Pay
24 Hours up to 32 hours	6 Hours Pay
32 Hours or more	8 Hours Pay

- (c) The Employer agrees to guarantee eight (8) hours of work on Sundays and holidays for regular full-time employees and four (4) hours for part-time employees who are scheduled to work on those days.
- (d) The floating holidays shall be taken as follows:
- (1) Employees must be on the payroll on January 1 of each year to be eligible for the floating holidays for that calendar year.
  - (2) Employees may request scheduling preference of floating holidays two (2) weeks in advance. The actual day selected shall be by mutual agreement.

## Fry's Marketplace Department Store Collective Bargaining Agreement

- (3) The floating holidays not scheduled nor taken by September 1 shall be assigned or paid by the Employer at its option before December 31.
  - (4) The Employer shall not be obligated to approve more than one (1) floating holiday per department in a week.
  - (5) Floating holidays shall not be taken in a week containing another holiday.
- (e) Christmas and Thanksgiving work shall be on a voluntary basis. In the event that there are insufficient volunteers to properly staff the store, the Employer may schedule employees to work on Thanksgiving and Christmas by way of inverse seniority.
- (f) Floating holidays shall not accrue from year to year and must be taken pursuant to the procedure set forth in this Article.
- (g) Employees shall be permitted to take a personal holiday and still work over thirty-two (32) hours without overtime.
- (h) Sunday Premium: Employees hired prior to November 13, 1986, who work on Sunday, shall be paid one and one-half times (1 1/2) for all hours worked except:
- (1) Department Store Clerks hired after November 13, 1986, but before June 20, 2004, shall be paid a premium of \$0.50 cents per hour. After three thousand nine hundred (3,900) hours of work including all hours (Floral, Lottery, Store Secretary, etc. but excluding Courtesy Clerk hours), shall be paid one and one-half (1 1/2) times their regular straight-time rate of pay for hours worked on Sunday.
  - (2) Employees hired on or after June 20, 2004, shall not be eligible for Sunday Premium.
  - (3) Effective June 20, 2004, the Employer may assign sixty percent (60%) of the hours to be worked on Sunday to employees hired on or after June 20, 2004. Effective the first workweek in June 2005, the Employer may assign up to seventy

## Fry's Marketplace Department Store Collective Bargaining Agreement

percent (70%) of the hours worked on Sunday to employees hired on or after June 20, 2004. Effective the first workweek in June 2006, the Employer may assign up to eighty percent (80%) of the hours worked on Sunday to employees hired on or after June 20, 2004. Notwithstanding, the Employer may assign hours at levels greater than these percentages if employees hired prior to June 20, 2004, decline to work such hours. Nothing in this provision should be construed to prevent the Employer from denying employees hired prior to June 20, 2004, the right to select Sunday hours in accordance with their qualifications and seniority as provided in Article 5.

### ARTICLE 7 - VACATIONS

- (a) All regular full-time employees coming under the jurisdiction of this Agreement shall be granted vacation benefits as follows:

<u>Period of Continuous Full-Time Employment</u>	<u>Vacation Period</u>
1 Year to 3 Years	1 Week
3 Years to 5 Years	2 Weeks
5 Years to 15 Years	3 Weeks
15 Years to 20 Years	4 Weeks
Over 20 Years	5 Weeks

All regular full-time employees and all part-time employees who are hired on or after June 20, 2004, covered by this Agreement, shall receive one (1) week paid vacation after one (1) year service; two (2) weeks paid vacation after four (4) years service; three (3) weeks paid vacation after eight (8) years continuous service; and four (4) weeks paid vacation after fifteen (15) years continuous service.

Full-time employees who have worked or been paid for one thousand eight hundred forty (1,840) hours or more during their anniversary year shall be entitled to receive vacation pay equal to forty (40) hours pay, paid at their regular straight-time rate of pay in force at the time the vacation is

## **Fry's Marketplace Department Store Collective Bargaining Agreement**

taken, for each week of vacation earned. Full-time employees who have worked or been paid for less than one thousand eight hundred forty (1,840) hours shall receive vacation pay prorated on the basis of the average number of straight-time compensable hours during the preceding anniversary year according to the vacation formula set forth above.

Vacation may be taken in segments of one (1) or two (2) uninterrupted calendar weeks unless other mutually acceptable accommodations are approved by the Employer. Whenever possible the Employer shall give due consideration to family emergencies, family plans, and distance required to be traveled by the employee in considering requests by the employee that the entire vacation period be taken at one time.

- (b) Vacation time will not be allowed to accumulate from year to year but must be taken during the applicable vacation year or forfeited.
- (c) Part-time employees shall be entitled to vacations in accordance with the formula in Article 7(a) and shall receive pro rata vacation pay provided they have been compensated for one thousand forty (1,040) hours or more during the previous anniversary year.
- (d) When an observed legal holiday occurs within the vacation period of an employee, the vacation period shall be extended one (1) additional day or, at the option of the Employer, the employee may be given an additional day's pay for the holiday in lieu of the additional day of vacation.
- (e) Should an employee terminate employment with the Employer after having earned a vacation period, then such employee shall receive pay for such earned vacation. After one (1) year of continuous service, should an employee be laid off, quit or be terminated, except where terminated for just cause, the employee shall be paid a pro rata share of vacation earned after the last anniversary date, based on straight-time hours worked in relation to one thousand eight hundred forty (1,840) hours. The amount of vacation to be

## **Fry's Marketplace Department Store Collective Bargaining Agreement**

prorated shall be based on the last full vacation for which qualified.

- (f) The vacation period shall be from January 1 to December 31; however, vacations requested from November 15 through December 31 will be limited in order to accommodate business needs.

Earned vacation entitlement must be taken during the twelve (12) months immediately following the employee's anniversary date.

- (g) Vacations shall be scheduled on the basis of seniority preference whenever possible considering the efficient operation of the store. Each employee will make his/her vacation selection during the established company vacation period but in no event shall the selection take place later than February 28 in each store. Each employee shall be notified through posting of the schedule by the Employer as soon as possible as to the disposition of the employee requested vacation period, but in no event shall the notice be later than four (4) weeks after the selection period (provided that there are four (4) weeks or more between the time of the request and the vacation period requested).

Employees, who do not select vacation schedules during the selection period and those employees whose vacation selection is denied will be required to select their vacation from remaining available vacation periods based upon individual seniority and the needs of the business. In no event shall this selection period under any circumstances exceed April 15.

If an employee's vacation period is not filled after completing the above process, the employee will be assigned a vacation period by the company.

Once assigned, an employee vacation period will not be changed except for legitimate business purposes.

- (h) The vacation pay for employees normally scheduled more than forty (40) hours per week shall be computed on the

## **Fry's Marketplace Department Store Collective Bargaining Agreement**

basis of the employee's total annual hours worked or paid during the fifty-two (52) weeks immediately preceding the anniversary date of employment, divided by fifty-two (52) and payable at the employee's straight-time rate for the number of weeks of vacation due the employee.

### **ARTICLE 8 - STANDING AND COMPLAINTS**

- (a) Employer agrees to make payroll records relating to a specific employee available for inspection at the office of the Employer at all reasonable times to an authorized representative of the Union for the purpose of checking a specific case of claimed wage discrepancy lodged by said employee. The Union will notify the Employer in writing as to the reason for checking records and to set up a mutually agreeable time to inspect the records provided for herein.

The employee will be scheduled for the first full workweek for which the work schedule has not been posted as provided in this Agreement following the receipt of the physician's release by the Store Manager or designated representative. If deemed appropriate, the Employer may require an examination by a doctor selected and paid for by the Employer. In the event of a disagreement between the two (2) doctors, the parties shall select a third (3rd) doctor whose opinion shall be final and binding.

- (3) Compliance with Federal Statutes: It has been and continues to be the intent of the parties that their Leave of Absence provisions be interpreted and applied consistent with all relevant federal statutes including the Americans with Disabilities Act (ADA) and Family Medical Leave Act (FMLA).

These plans shall be modified as necessary so that the funding available will support the benefit plan design.
- (d) Reserves: It is agreed that the Trustees shall maintain at all times a cash reserve in the Fund in an amount which they determine is prudent under the circumstances (taking into account the fact that this is not a "maintenance of benefits" contract). In no event, however, shall the Trustees maintain a reserve amount less than what is sufficient to cover the cost of all benefit and administration costs for participants for a two (2) month calendar period. The calculation of such two (2) month reserve amount will be made on a rolling three (3) consecutive calendar month period throughout the period of this Agreement.
- (e) Benefits: The Board of Trustees shall implement, and maintain over time, plan designs that can be supported by the contribution rates above as recommended by the co-consultants. In the event that the Employer is required to make any contributions in excess of the negotiated contribution rates above, in order to avoid funding deficiencies, the Employer shall receive a dollar-for-dollar credit for those additional contributions. When the Board of Trustees reduces benefits to eliminate such future funding deficiencies, the projections used shall anticipate that these contribution credits will be taken as reductions in the negotiated contributions in the next Plan Year.

This Statement shall be reviewed annually and whenever the Trustees consider Plan design changes, changes in actuarial assumptions or methods, or any other changes that affect the Plan's actuarial funding status or involve an actuarial cost.

**Long-Term Funding Policy:** The Board of Trustees is authorized and directed to adopt the following long-term funding policy immediately:

The co-consultants will produce with the annual actuarial valuations, a (7) year actuarial projection with the goal of identifying future funding deficiencies (defined as where the negotiated contributions are not enough to satisfy the minimum required contributions under Internal Revenue Code Section 412). These annual projections will be based on the following:

*Projections will take into account only negotiated contributions.*

The adoption of actuarial changes as follows: Effective for the 2003 Plan Year, the actuarial cost method shall be changed from the entry age normal cost method to the unit credit cost method, and for purposes of determining the actuarial value of the Plan's assets, the corridor shall be modified from 90%-110% to 80%-120% of the market value of the Plan's assets.

Using the assumptions in the then current annual actuarial valuation as jointly agreed to by the Fund's co-consultants, no unanticipated actuarial gains or losses during the projection time period shall be considered.

If the annual projection indicates any future funding deficiencies during the seven (7) year projection, the Board of Trustees is authorized and directed to amend future benefit accruals (or any other non-protected benefits), effective immediately, in order to eliminate the projected future funding deficiencies.

## **Fry's Marketplace Department Store Collective Bargaining Agreement**

Notwithstanding the above, the projections accompanying the annual valuations for 2006 and 2007 shall end with the year 2012 (i.e., any deficiencies projected to occur after 2012) and shall not be taken into account until the valuation for 2008.

In the event a reduction or suspension of future benefits is insufficient to eliminate all future funding deficiencies, the contributing Employers may elect to make additional contributions above the negotiated contribution rates in order to avoid such funding deficiencies. If such additional contributions are made, the contributing Employers will receive a dollar-for-dollar credit against future negotiated contributions due to the Plan until such time as such additional contributions have been fully offset.

Any deadlocked Trustee motion relating to a reduction in benefits required under the Long-Term Funding Policy shall be arbitrated on an expedited basis, with the arbitration to take place not later than sixty (60) days following the Trustees meeting at which the deadlock occurs.

### **ARTICLE 19 - JURY DUTY**

- (a) Employees shall become eligible for the following after completion of twelve (12) consecutive months of continuous employment with the Employer. ## **Fry's Marketplace Department Store Collective Bargaining Agreement**

- (c) If an employee is excused, temporarily or permanently, from jury service on any scheduled day, i.e., Monday through Friday, he shall immediately report for work to complete the remaining hours of his scheduled work shift. Failure to so report shall disqualify an employee for any pay for jury duty for the day in question as long as the transportation time will permit him to return to work prior to one (1) hour before the end of his shift.
- (d) The Employer may require proof of attendance for jury service. An employee making a false claim for jury duty pay shall be subject to discharge.
- (e) Jury duty pay shall not be required for Grand Jury service.

No employee shall be subject to disciplinary action or discharge for failure to use such equipment provided such failure to use is reasonable.
