AGREEMENT entered into the first day of June, 1998, between the INCORPORATED VILLAGE OF BABYLON, a municipal corporation having its principal office at 153 West Main Street, Babylon, New York, and the CSEA, INC., LOCAL 1000 AFSCME, AFL-CIO, THE CERTIFIED UNION BY THE VILLAGE OF BABYLON UNIT OF CSEA LOCAL 852, 3 Garet Place, Commack, New York 11725.

W I T N E S S E T H

WHEREAS, it is the intent and purpose of the parties to this agreement to promote and continue harmony between the Village of Babylon and its employees, to the end that there shall be no interference with the orderly government of the Village during the life of this agreement;

NOW, THEREFORE, IT IS AGREED:

ARTICLE I - RECOGNITION

Section 1. The Incorporated Village of Babylon, New York, recognizes the CSEA, Inc., Village of Babylon Unit, as the designated representative of its "Blue Collar" employee members in all departments represented by the Village of Babylon Unit for the purpose of collective bargaining with respect to wages, hours and working conditions, and other negotiable conditions of employment.

Section 2. "Blue Collar" employees shall be deemed to mean and include: Laborers, Sanitation Helpers, Motor Equipment Operators, Maintenance Men, Mechanics, Part Attendants, Automotive Equipment Operators and Custodians.

ARTICLE II - CSEA - MANAGEMENT RELATIONS

Section 1. All collective bargaining with respect to wages, hours, working conditions, and other negotiable conditions of employment shall be conducted by authorized representatives of the CSEA and authorized representatives of the Village Board.

Section 2. Agreements reached between the parties of this agreement shall become effective only when signed by the President of the Village of Babylon Unit and the authorized representative of the Village Board after due resolution of the Village Board at regularly scheduled meeting following informal acceptance of negotiating committee recommendations.

ARTICLE III - PROTECTION OF EMPLOYEES

Section 1. Seniority

A. Subject to Civil Service Law and rules and regulations applicable thereto, seniority according to this agreement shall consist of the accumulated paid service of the employees with the Village. The employee's earned seniority shall not be lost because of absence due to illness, provided illness is certified by a doctor's certificate, nor authorized leaves of absence, not to exceed six months, nor temporary layoffs. However, seniority shall be lost if the employee voluntarily terminates employment, is discharged for cause, or fails to report back to work after layoff within five (5) working days after notification to return to work.

B. Subject as aforesaid, seniority shall be the basis of grade classification at all times, based on the date of commencement of employment, provided all necessary drivers licenses, etc., are in effect at that time.

C. If layoffs become necessary, provisional and probationary employees within a job classification shall be laid off before any permanent employee.

If, after provisional and probationary employees in a particular group have been laid-off and further reductions are necessary, the employer shall lay off in accordance with seniority within a job classification, i.e., Highway, Sanitation, Parks, Custodial, and Auto Mechanics classifications, consistent with Civil Service Law and rules and regulations applicable thereto, with the exception of an employee with job classification who does not have a valid Class B drivers license. The CSEA shall be notified prior to any layoff or dismissal. An employee will be given five (5) days notice preceding his termination date except in cases of termination for cause.

After six months of continuous service, an employee in the Non-Competitive or Labor Class shall be covered under Section 75 of the Civil Service Law with respect to removal and other disciplinary action.

D. Available overtime shall be distributed among qualified employees and shall be rotated equitably according to seniority, except for those with excessive absenteeism, lateness, or other disciplinary problems.

Qualified employees shall bid for routes according to seniority, but all changes must be approved by Sanitation Foreman.

Section 2. Compensation for Village employees injured during the course of employment shall be determined in accordance with the procedure of the Worker's Compensation Law of the State of New York. Should an injured employee experience undue delay in receipt of compensation checks, as determined by the Village, the Village shall advance payment to the injured employee upon assignment of the payments to be received for compensation benefits.

An employee receiving Worker's Compensation shall not lose accumulated sick leave time and vacation while receiving compensation away from work. After thirty (30) days on Worker's Compensation, an employee shall cease to accrue vacation, sick days, and personal days.

Section 3. The probationary term for all positions shall be not more than twenty-six (26) weeks. An appointment shall become permanent upon the completion of such service. If the conduct or performance of the probationer is deemed unsatisfactory, his employment may be terminated at any time during this probationary period. In no event shall any employee be appointed on a year-to-year basis.

Note: If an employee has not achieved a Class B drivers license, he may be continued on probation for an additional six months, if agreeable to both parties.

ARTICLE IV - DISMISSALS, DISCIPLINARY PROCEEDINGS

Dismissal shall be in accordance with the procedures set forth in the Civil Service Law of the State of New York and Suffolk County Civil Service Rules. However, all full-time employees with more than six (6) months continuous service shall be entitled to notice prior to dismissal in accordance with Civil Service Law. The employer is given the right to suspend without pay for up to thirty (30) days an employee for reasons recited in the Work Rules. In addition, a progressive discipline system is adopted dealing in items such as lateness, absenteeism, insubordination, and other issues which again are outlined in our Work Rules.

ARTICLE V - PROMOTIONS

Promotions to a higher job classification shall be according to the procedures set forth in the Civil Service Law and Suffolk County Civil Service Rules.

ARTICLE VI - GRIEVANCE PROCEDURE

Section 1. Crucial to the Cooperative spirit with which this agreement is made between the CSEA and the Village Board, is the sense of fairness and justice brought by the parties to the adjudication of employees' grievances. The aggrieved employee and his CSEA steward shall consult with the CSEA Unit President, and shall within five (5) working days of the date when the grievance occurred, present the facts in writing to the employee's immediate supervisor. Within five (5) working days thereafter, the immediate supervisor shall submit his answer in writing to the CSEA steward and the aggrieved employee.

WORK RULES

FOREWORD

Welcome to the Village of Babylon! We at the Village of Babylon believe that all employees have a vital obligation to themselves and to the Village as representatives of that government to give our residents the best of service in the most efficient and professional manner.

At the Village of Babylon we desire to help you achieve your goals. We hope to provide the opportunity to successfully develop in your position. Our goal is a commitment to excellence. We urge you to strive to achieve pride, dedication, and excellence in your work.

This Employee's Handbook is a recitation of Village policies and procedures. It is a guideline for employees. It is not meant to be a contract or an offer of employment.

The Village reserves the right to revise this Handbook as it sees fit to clarify or modify policies in the interest of improving Village of Babylon work standards.

EMPLOYMENT OPPORTUNITY POLICY

It is the policy of the Village of Babylon to provide equal employment opportunity to all persons without regard to their race, religion, sex, color, national origin, age, disability or marital status and to promote the full realization of equal employment opportunity through a positive continuing program. The Village will assure that applicants are recruited and hired, and employees are treated during employment without regard to their race, religion, sex, color and natural origin. Equal opportunity and equal consideration will be afforded to all applicants and employees in personnel actions, which include recruiting and hiring, transfer and layoff or

termination, and selection for training, promotion, fixing rates of pay or other compensation within the framework of any Civil Service Laws and Civil Service Employees Association contracts.

POLICY ON MAINTAINING A DRUG AND ALCOHOL FREE WORK PLACE

Illegal drug and alcohol use is becoming prevalent in America's work place. It endangers fellow workers, security, public safety, morale and individual productivity. The cost of drug and alcohol abuse in the work place is astronomical. Statistics show that one in every ten American workers have their productivity impaired by substance abuse. Drug users are three times as likely to be involved in on-the-job accidents and are absent from work twice as often, and incur three times the average level of sickness costs as non-users.

Therefore, the Village of Babylon policy is pledged to maintain a drug-free work place and to comply with the provisions of the Drug Free Work Place Act of 1988 (Pub. L. 100-690, Title V, Subtitle D).

In compliance with the Act, all employees are hereby notified that:

1. The unlawful sale, distribution, dispensation, possession, or use of a controlled substance is strictly prohibited on Village property.
2. Any employee who violates this prohibition and/or is convicted of a drug abuse violation on Village property or while working for the Village will be terminated immediately upon discovery of the violation.
3. Information about drug counseling and rehabilitation programs in the community may be obtained from the Village Treasurer's office.
4. As a condition of employment, you are required to abide by the terms of this policy. In addition, you are asked to report any drug related offenses in the work place.

5. The Village must be notified of any criminal drug statute conviction occurring in the work place no later than 5 days after such conviction.

6. The Village will make a good faith effort to continue to maintain a drug-free work place through implementation of its programs.

As a condition of employment, drinking of beer or any alcoholic beverage during your work day at the Village is prohibited.

FULL-TIME

EMPLOYMENT BENEFITS

GROUP INSURANCE

The various insurance benefit plans offered by the Village of Babylon are an important part of your compensation. As a full-time permanent Village employee, you are eligible for the following group insurance plans under the existing contract:

Major Medical Insurance

Dental Insurance

Vision Insurance

Life Insurance

The Village presently pays the entire cost of the premium of all of the above for you and your eligible dependents; however, full-time employees hired after September 15, 1992, pay 20 percent of the major medical insurance premium.

The above policies involve the processing of applications and paperwork with the various insurance carriers. Coverage commences depending on the timeliness of the employee submitting paperwork to the Village Treasurer's Office. It is the employee's sole responsibility to process its own paperwork in connection with each claim.

It is important to remember, that it is the employee's responsibility to notify the Village of Babylon and your insurance policy holders of ALL CHANGES of address, births, deaths, divorce, legal separation, loss of student eligibility, etc.

The summary that follows gives a brief description of each of your benefit plans. It does not and is not intended to cover these programs in detail. All statements contained in this summary are subject to the terms and conditions of the applicable insurance policies. Should there be any conflict between this summary and the official test of such policies, the official test will govern. Complete details are contained in the group insurance booklets which you will receive after you become enrolled.

MAJOR MEDICAL INSURANCE

Major Medical coverage provides payment for hospital stays, doctor's or surgeon's services, fees for registered nurses, psychiatric treatment, if applicable, and prescription drugs.

Major Medical coverage is determined by the full-time employee's choice of either the Empire Plan or HIP/HMO Plan.

In the Empire Plan there are annual deductibles and co-payments to be satisfied, whereas in HIP you do not have these payments, but you must use the HIP facilities for service.

Forms need to be filled out with the Empire Plan, and these forms are obtained from the Treasurer's office.

DENTAL INSURANCE

Your Dental Plan helps pay for a broad range of dental expenses, including some periodontal treatment. In some cases, payments are a portion of your bills.

Prudential offers two plans: The traditional dental plan with a deductible and a percentage of dental fees paid; or the DMO (Dental Maintenance Organization) with no annual deductible and a higher rate of payment at their member dentists.

Forms need to be filled out for the traditional dental plan; these forms are obtained from the Treasurer's office.

VISION

FIRST SIX MONTH'S PROBATIONARY PERIOD AND PERFORMANCE EVALUATION

As a new employee, the first six months of employment serves as a probationary period. The purpose of the probationary period is to allow reasonable time for both you and the Village to decide whether employment is mutually beneficial and should be continued.

At the end of this period, your performance and progress will be reviewed by your supervisor and a decision will be made by the Village Board concerning the satisfactory completion of the probationary period. Afterwards, assuming you are hired, you will be expected to maintain the same high standards which you demonstrated during the probationary period.

TIME CARDS (Non-Exempt Employees)

Employees must punch in before the start of the working day, punch out at the end of the work day and punch in and out for lunch. Do not punch in ten (10) minutes prior to the starting time for your shift unless it is approved by your supervisor. Punching another employee's card is cause for immediate discharge for both parties involved.

PAYCHECK AND DEDUCTIONS

You are paid every other week with checks distributed on Friday following the end of the two week pay period. If a payday falls on a Village-observed holiday, you will be paid a day earlier.

The Village is required by law to deduct from your paycheck federal income tax, state income tax, and your share (the Village contributes a similar amount) for Social Security and Medicare. The amount withheld from your paycheck depends on your salary and the number of dependents you claim. Optional employee deductions might include: union dues, 3% retirement payment, credit union, pension loans, and insurance premiums. Other deductions for union dues may be made as discussed and agreed.

OVERTIME PAY

Overtime is defined as hours worked in excess of the normally scheduled forty-hour workweek. When overtime is required, employees are paid in accordance with the following schedule:

1. Daily Overtime Hours: For all hours worked in one day up to eight (8) hours, you are paid at your straight time rate. You will be paid overtime (time and one half) for all hours worked in excess of 8 hours, providing you work more than 40 hours in one week.

2. Work on Scheduled Days Off: If you work on any of your scheduled days off, you will be paid time and one half for all hours worked, providing you work more than 40 hours in one week.

3. Holiday Worked: If you are required to work on a Village authorized holiday, you will be paid holiday pay plus time and one half for hours worked.

All overtime work must be approved in advance by your supervisor or department head.

ATTENDANCE AND PUNCTUALITY

Each of us contributes to the success of the Village operation. Excessive absence and habitual lateness detract from our overall performance and usually add to the workload of other employees. Therefore, failure to maintain acceptable standards of attendance and punctuality could adversely affect your chances for a salary increase, promotion and ultimately continued employment.

If you are unable to report to work because of illness or other emergency, you must notify your supervisor before your normal starting time and regularly thereafter during a continued absence so that the handling of your work may be planned. If you are absent for three consecutive days and do not notify your supervisor, your absence is considered unauthorized and the Village will assume you have voluntarily terminated your employment.

All employees are required to be at their work station at the designated time for the commencement of their work duties.

SANITATION AND HIGHWAY DEPARTMENT EMPLOYEES

All employees working these departments must be fully uniformed and prepared to work their shifts as directed by their immediate supervisor at the time they are directed to commence work.

Management is given the right to deduct one hour's pay if the employee is late up to 15 minutes without a valid documented excuse. If an employee reports late by more than 15 minutes, management reserves the right to dock the employee a full day's pay. If an employee reports late by more than 15 minutes after the lunch break, management reserves the right to dock the employee for a half day's pay.

At the completion of a sanitation run, the crew on a Village vehicle is responsible for the cleaning and fueling of the vehicle so that it is prepared to be used for the next day's activity.

Rear door pick-ups are to be completed neatly and efficiently. Sanitation workers are expected to complete their entire route, without missing stops, efficiently and neatly.

Those employees driving Village vehicles must have New York State Drivers Licenses (Class B) in good standing free of misdemeanor convictions.

SICK LEAVE (Full-Time Employees Only)

The sole purpose of Sick Leave is to enable the employee to compile compensatory time which will allow payment of salary even though hospitalized or incapacitated.

If you are absent from work because of illness or injury, your salary will be continued through a sick leave allowance.

It is important to remember the sole purpose of your sick leave is to protect against loss of income during a period of illness. Therefore, it is in your best interest to try to avoid unnecessary absences so that you can accumulate sick leave credit in the event of extended illness.

Above all, your sick leave allowance is not to be considered extra compensation or payable in any form should your employment be terminated either voluntarily or involuntarily, unless an employee is retiring.

The Village reserves the right to terminate an employee based on the employee's continued absence due to illness or sickness.

Employees will have the option to be paid for five days of their unused annual sick days. This payment shall be paid on the payday prior to Christmas.

ACCEPTING OUTSIDE EMPLOYMENT

The Village has no wish to restrict the outside activities of employees nor to interfere with their personal lives. If you feel it is necessary to work at another job after hours, it is permissible so long as it does not interfere in any way with your ability to perform your assigned job responsibilities.

If there appears to be any possibility that your outside employment could put you in a position of conflicting interest or affect the reputation of the Village, you should discuss the matter immediately with your department head before making any commitments.

SOLICITATIONS

Unless authorized by management, the Village does not allow the solicitation of employees for any purpose or distribution of literature of any kind on village property at any time either by employees or anyone else.

In case of death, employee's beneficiary is to receive payment in compensation for any unused authorized vacation time. Upon resignation or separation, pay will be granted for unused vacation days.
