3.3 Interior Customer Service Work as described herein shall be voluntary and each Employee shall have the right to refuse to perform such work. Such refusal shall not be grounds for the discharge, discipline or any other action by the EMPLOYER against such employee.

3.4 The provisions of this Section shall not apply to any hours of work performed by an Employee for the EMPLOYER in excess of forty hours during the week in which the Interior Customer Service Work is performed.

## **APPRENTICES**

4.1 Notwithstanding the provision of Section 17.1 of the Area Agreement, the EMPLOYER, at its option, may employ one (1) Apprentice for each three (3) journeymen-carpenters employed on such jobsite. Employers may employ no more than two (2) apprentices for each five (5) journeymen.

4.2 (a) Subject to the provision of paragraph (b), an EMPLOYER who regularly employs apprentices shall be eligible to hire, anywhere in the ten (10) county geographical area of the District Council, individuals whose names appear on the then current list maintained by the Apprentice Coordinator of individuals who have applied for admission into the apprenticeship program and passed the general aptitude test but who have not as yet begun attending classes. An EMPLOYER may hire such Employees for a period not to exceed three (3) months or upon entry into the apprentice school, whichever comes first. For the purposes of determining the apprentice ratio Employees hired under the provision of this Section 6.11 of the Residential Addendum shall be considered to be apprentices.

(e) The provision of this Section shall not apply to any individual who has been notified to report to call who does not do so.

(f) The employment of Employees under this Section shall not result in the layoff of journeymen or indentured apprentices. Nor shall the same in any way become a detrimental factor to apprentice training as determined by the Apprentice Coordinator.

#### **WORKING WITH TOOLS**

5.1 No EMPLOYER who first becomes signatory to or bound by this Agreement after May 31, 1982, shall work with the tools of the trade unless he is currently employing at least one (1) journeyman who is working for such EMPLOYER full time.

#### **PEAK DEMAND PROVISION**

6.1 The provisions of this section shall be limited to residential construction as defined herein and further limited to periods when there are no journeymen or apprentices reasonably available for employment as determined by the President of the Council.

6.2 Notwithstanding any provisions in the Agreement, an EMPLOYER may not employ Employees other than journeymen and apprentices except by UNION permit. Employees who have been issued a permit shall receive wages at the rate of pay of a first year apprentice provided that:

(a) The EMPLOYER regularly employs apprentices or trainees; and

(b) The EMPLOYER notifies the UNION of the name, address, phone number, if available, and social security number of each permit employee; and

(c) The established permit fee is submitted to the UNION; and

Provided, however, that the President of the District Council or his designee shall have the authority to waive such 48 hour notice in his discretion for good cause shown.

6.3 When the conditions of 6.2 of this Addendum are met, the UNION shall issue the requested permits to the permit employee for such EMPLOYER only. EMPLOYER shall notify the UNION upon the termination of the employment of such permit employee.

6.4 An EMPLOYER may, unless determined otherwise by the President of the District Council or his designee in his discretion for good cause shown, hire not more than one (1) employee on permit for each four (4) journeymen employed by the EMPLOYER.

6.5 No journeyman or apprentice shall be layed-off for lack of work while any Employee on permit is employed.

6.6 Journeymen and apprentices shall be given preference to all overtime work.

6.7 Permits shall only be issued by the President of the Council or his designee for a 30-day period and shall be renewed for an additional 30-day period upon the request of the EMPLOYER. The EMPLOYER may

request additional 30-day periods. Failure of the UNION to deny the request in writing within five (5) work days shall constitute the issuance of a permit for an additional 30 days.

6.8 An EMPLOYER may request enrollment into the Apprentice Program of his permit employees subject to Fund Rules and affirmative action guidelines. Rules governing admission into the program are available through the offices of RCEC or the Carpenters Union.

6.9 Notwithstanding any provisions of 20.18 to the contrary, any person to whom a permit has been issued pursuant to 20.18 which is still in effect on the date such person's enrollment in the Apprentice Program is requested by such person's EMPLOYER shall continue to have his permit renewed automatically until he has either failed such admissions tests as may be established by the Board of Trustees or, having passed such tests and been accepted into the Apprentice Program and fails to begin attending school at the time established for such person by the Board of Trustees.

6.10 The provisions of subsection 6.9 of the Addendum shall apply to any EMPLOYER who or which is meeting the same affirmative action guidelines as established by the Bureau of Apprenticeship and Training, U.S. Department of Labor.

#### **MOST FAVORED NATIONS**

7.1 In no event shall any EMPLOYER be required to pay higher wage rates or be subject to more unfavorable wage rates, contract terms or work rules, than those agreed to by the UNION in any Collective Bargaining Agreement with any other construction industry employer within Cook, Lake and DuPage Counties, Illinois. In no event shall wage rates, contract terms, or work rules granted any sub-trades (including sub-trades whether or not dealt with in Articles I, XXII, XXIII, XXIV, and XXV) be applied to general carpentry or any other sub-trade. However all EMPLOYERS operating within a sub-trade shall have the benefit of this provision within that sub-trade. (Agreements lasting more than one hundred and eighty (180) days must be approved by the Labor-Management Committee established under this Article.)

7.2 Notwithstanding anything to the contrary above, in the event the UNION shall establish prior to bidding or award for a particular contract, or identifiable sector or specialty work, any wage rates, contract terms or work rules that will be applicable to that contract, sector or specialty work which are more favorable to the EMPLOYER than those contained in this Agreement, then all EMPLOYERS bidding on that project, sector or specialty work shall be entitled to the benefit of such more favorable terms. The UNION shall promptly provide the Labor-Management Committee established under this Article with written notice of the establishment of such more favorable terms. In the event that subsequent to the award of a particular contract, the UNION through the President of the District Council or his designee for good cause desires to establish more favorable wage rates,

contract terms or work rules for that contract, said more favorable terms shall become effective with the concurrence of the Labor-Management Committee established under this Article.

7.3 The Labor-Management Committee established under this Article shall consist of the President of the District Council and one (1) representative appointed by the Residential Construction Employers Council (RCEC).

7.4 Notwithstanding anything to the contrary above in this Article, the terms and conditions of any Amendment which results from the application of or pursuant to Article XXXI of the Agreement (or any counterpart thereof in any Agreement with the UNION) shall not be subject to the prior subsections of this Article except as may be specifically provided in such Amendment(s).

#### **SATURDAY MAKE-UP DAY**

9.1 Saturday Make-Up Day will be in effect for Residential Work as defined during the months of April, May, June, July, August, September, October, and November under the following terms and conditions: The regular work week shall consist of five (5) consecutive eight (8) hour days, Monday through Friday.

(a) In the event that time is lost during the regular work week as a result of inclement weather, then, by mutual consent of the EMPLOYER and the Employee, the Employee may work on the Saturday following the Friday of that regular work week at straight time to make up a forty (40) hour work week.

(b) No Employee is obligated to work make up time. An Employee's willingness to work on a Saturday Make-Up-Day shall be strictly on a voluntary basis and no Employer shall discharge or take any other adverse employment action against any Employee who refuses to work on a Saturday Make-Up Day. All Employees on a particular building crew on a particular jobsite shall be offered the first opportunity to work the Saturday Make-Up Day on that jobsite, to the extent such work exists.

(c) An Employer who desires to make use of the Saturday Make-Up Day must contact the Union at the District Council no later than Friday of the week involved and notify the District Council of the job location, the number of carpenters employed on that job and the date on which time was lost due to inclement weather.
