ARTICLE VI - LIMITATION OF DUTIES

- A. Every teacher shall be provided a lunch period free of any duty or responsibility each regularly scheduled work day. This period shall extend for at least thirty (30) consecutive minutes. Teachers shall have the right to leave the building during this time provided they notify the office when leaving and upon returning. Except for emergencies, teachers shall have the right to decline a request to perform any duties during the lunch period.
- B. A teacher, under no circumstances, will be required to transport a student on behalf of the school.
- C. Each secondary school teacher shall be provided at least one period of unassigned duties during the student's day for preparation. The period shall coincide in length with the regular class period. In middle schools with a 90-minute block schedule and interdisciplinary teaming, teachers shall have 270 minutes per week of unassigned duties and the additional 180 minutes per week shall be scheduled by the principal and in blocks of time no greater than 45 minutes.
- D. Each elementary teacher shall have a total of at least 270 minutes unassigned duty time per week. 240 of those minutes shall be during the student day and shall not be scheduled in less than 40 minute blocks. This planning time will be allocated on a daily basis. Time beyond the 240 minutes may be scheduled outside the student day and shall not be scheduled in blocks of less than 30 minutes. Any time beyond 270 minutes may be scheduled by the principal.
- E. Except when a substitute cannot be secured or supporting service personnel (assistants) are not available, teachers shall not be required to serve as substitutes during their planning period. Teacher usage shall be only as a matter of last resort.
- F. In so far as possible, all teachers, including part-time teachers sharing one position, shall have pro-rated loads of classes and other professional assignments.
- G. The Board shall provide in all schools supporting service personnel (assistants) whose primary function shall be to assist teachers in the performance of nonteaching duties at a ratio of 1 to 500 students. Schools which do not meet the ratio of 1 to 500 students shall be entitled to one assistant.
- H. Teachers shall not be required to obtain substitutes.
- I. Working Hours and Work Load
 1. All classroom teachers will be assigned appropriate starting and dismissal times, provided that their total regular workday will be no longer than seven and one half (7-1/2) consecutive hours, including the duty-free lunch period, except when faculty meetings are held. Except in cases of emergency, the number of building faculty meetings shall be no more than one per month and extend no longer than one hour in length beyond the regular work day.

2. In regard to delayed opening and/or early dismissal days, the workday of teachers will begin thirty (30) minutes before the scheduled student starting time on said day, and will end thirty (30) minutes after the student dismissal on said day.
 3. A teacher who has a school age child, may request the principal to make a schedule adjustment on a parent conference day to enable the teacher to attend a conference. The principal shall make every effort to provide the necessary time to accommodate the request.
- J. The Board and the Association recognize that many teachers perform school related responsibilities beyond the normal school day. The acceptance of such responsibilities is voluntary.
- K. Teachers shall be reimbursed fees for physical or psychological examinations if required only by the local Board.
- L. Teachers shall not be required to perform the following nonteaching duties.
1. Keeping records for money collections for insurance, photographs, charities, dues, etc.
 2. School-wide detention duty.
 3. Filling out non-evaluative identifying data on permanent record cards for students.
 4. Janitorial duties.
 5. Bulk delivery of books to classrooms.

M. Hazardous Work Conditions

A teacher will not be required to work at any site designated as hazardous (unsafe or dangerous). The superintendent, proper administrator, or appropriate state or federal agency responsible for overseeing workplace conditions shall determine when a location is hazardous. When this occurs, teachers will be notified as soon as possible by the principal.

- N. The FCTA and the Board agree that continuing communication with parents of students is desirable and necessary. Therefore, each teacher is strongly urged to make every effort to attend at least one Open House or a PTA meeting each year.
1. The principal of each school shall notify the faculty of these scheduled events no later than September 15 of each year.
 2. The FCTA shall make every reasonable effort to inform teachers of this position. The FCTA shall urge such teacher attendance, both publicly and privately, using whatever methods it deems appropriate.

ARTICLE VII - PERSONAL AND ACADEMIC FREEDOM

- A. The personal life of a teacher is not within the appropriate concern or attention of the Board except as it may directly affect the efficient performance of assigned functions during the workday.

- B. Each teacher is entitled to full rights of citizenship, and no religious or political activities of any such teacher outside the regular hours of employment, or the lack thereof, will be grounds for any discipline or discrimination with respect to the professional employment of such person.
- C. The Board and the Association agree that academic freedom is essential to the fulfillment of the purpose of the Frederick County School System, and they acknowledge the fundamental need to protect teachers from censorship or restraint which might interfere with their obligations to present fairly all sides of issues in their teaching functions. Both parties understand that classroom presentation and discussions shall be relevant to course content as prescribed in the appropriate Curriculum Guides adopted by the Board of Education.

ARTICLE VIII - TEACHER EVALUATION

A. Observations

1. Nontenured teachers shall be observed by more than one qualified person a minimum of four times a year: twice during the first semester subsequent to September 15 and twice during the second semester prior to April 25. Except in emergency, observations will not be made the day before or after Thanksgiving, Christmas, or Spring Break, or on conference days. Observations shall be conducted by the principal, assistant principal, director, supervisor, coordinator or instructional staff member certified in the area of concern.
2. Tenured teachers shall be observed by the principal or assistant principal a minimum of twice a year: once during the first semester subsequent to September 15 and once during the second semester provided that observations will not occur during the last ten (10) student days of the school year. Except in emergency, observations shall not be made the day before or after Thanksgiving, Christmas or Spring Break, or on conference days.
3. Observations will be recorded on a jointly devised form. Teachers shall receive a copy of the observations within five (5) days after they are made. Teachers shall acknowledge the opportunity to review the observation report by signing the file copy. Such signature does not indicate agreement with the content. A conference will be held following the report of the observation. The Board retains final authority for authorization of this form.
4. All monitoring or observation of the work performance of a teacher will be conducted openly and with full knowledge of the teacher. All observations shall be made in person for a minimum of thirty (30) consecutive minutes. If the observation exceeds a normal class period, the observer will provide the teacher with a written explanation on the formal observation form.
5. The appropriate administrator maintains the right to conduct observations beyond the minimum, as necessary.
6. A & S shall be observed as directed by the superintendent.
7. The observation form shall clearly state any concerns and recommendations.

B. Evaluations

1. Nontenured teachers shall be evaluated twice, once during the first semester and once during the second semester.
2. Tenured teachers holding either a Standard Professional I or II Certificate shall be evaluated at least once a year.

A tenured teacher holding a five-year Advanced Professional Certificate (APC) shall receive an evaluation at least twice during the validity period of each certificate. The first evaluation shall occur during the initial year of the certificate.

Teachers currently holding a ten-year Advanced Professional Certificate (APC) shall be evaluated at least twice (2) within a five (5) year cycle of their certificate.

3. All evaluations shall be based on job related criteria. Evaluations shall be based primarily on observations completed since the last evaluation. The evaluation form shall clearly state any concerns and recommendations.
4. Teachers shall be evaluated on a form jointly devised by the superintendent and the Association.
5. Teachers shall acknowledge the opportunity to review the evaluation report by signing the file copy. Such signature does not indicate agreement with the content. Teachers will receive a copy of the evaluation within ten (10) days after it is made but no later than five (5) school days prior to the last duty day for teachers receiving less than a satisfactory evaluation. Teachers will have the right to respond in writing to the evaluation. That response shall be filed with the building principal, associate superintendent, and the personnel file.
6. A & S shall be evaluated according to the appropriate administrative performance evaluation system.

C. Professional Remediation Plan

1. When an administrator has a concern with the professional performance of a staff member, the administrator shall notify the staff member, in a timely manner, in writing. This notification will include the specific concerns and recommendations in order to correct the concern and a reasonable timetable that the staff member will have to correct the concern.
 - a. The associate superintendent will discuss with the teacher the specific deficiencies.
 - b. If the associate superintendent determines that a formal remediation plan is necessary, the appropriate administrative personnel and the teacher will develop a specific written plan for improvement of the noted deficiencies. The plan will include goals or objectives, strategies to be used, personnel to be utilized, materials to be used, time frame, and measure of success.

- c. The principal shall be responsible for managing the remediation plan and will schedule pre- and post-observation conferences with the participants, and adjust the plan as needed, and conduct evaluations of the plan.
- d. It is the responsibility of the teacher to work to improve the noted deficiencies.

2. If there is a disagreement with the plan, the staff member must indicate their disagreement and the reasons in writing to the associate superintendent within ten (10) days.

D. Personnel File

1. Material of a negative nature must be shown personally to the teacher prior to placement in the personnel file. Teachers shall acknowledge the opportunity to review said material by signing the file copy. Such signature in no way indicates agreement with the content. The teacher will have the right to submit a written answer to such material which will be placed in the file.
2. The evaluation shall not be placed in the employee's personnel file until after the principal or appropriate administrator has held a conference with the teacher.
3. Teachers shall have the right, by appointment, to review the contents of their personnel files. A teacher shall be entitled to have a representative of the Association present during such review.
4. Upon termination of employment, final evaluation of a teacher shall be concluded prior to severance and no documents and/or other material shall be placed in the personnel file of such teacher after severance.
5. The Board agrees to protect the confidentiality of personnel references, academic credentials, and other similar documents.

ARTICLE IX - MAINTENANCE OF CLASSROOM CONTROL AND DISCIPLINE

- A. When, in the judgment of a teacher, a student is, by behavior, seriously disrupting the instructional program to the detriment of other students, the teacher may exclude the student temporarily from the classroom and refer the student to the principal.
- B. In the event that a student makes a physical or verbal threat to other students, the teacher, or the facilities, the student will not be returned to the classroom from which excluded until the principal has conducted a conference with the teacher and any appropriate parties. When a conference takes place during instructional time, the classroom teacher will be released from instructional duties.
- C. An appropriate student disciplinary procedure, consistent with Board policy, may be developed for each school building with the involvement of members of the faculty and administration. Findings and recommendations for procedures may be submitted to the principal through the Association building committee.

ARTICLE X - PERSONNEL EMPLOYMENT

- A. 1. All new teachers or reinstated teachers will be placed on the proper step of the salary schedule according to their certification status, experience, and education.
- a In calculating experience, newly hired teachers who have worked one-half (1/2) year or more of a work year for their prior employer, will be given credit for a full year. The one-half (1/2) year cutoff date for experience credit will be the first day of the second semester.
 - b All currently hired teachers who work one-half (1/2) year or more of the work year shall be given credit for a full year.
 - c All teachers hired to fill vacancies which they have served in for one-half (1/2) year or more of a work year shall be given experience credit for a full year and paid a pro-rated salary for the actual period worked.
 - d The Board shall recognize courses, programs, and degrees from institutions which have accreditation accepted by the Maryland State Department of Education.
2. No more than two (2) persons will be employed in a full-time position.
3. Credit will be given from previous outside teaching experience in duly accredited schools upon initial employment in accordance with the provisions of Article V. Additional credit not to exceed two (2) years for military experience, or alternative civilian service required by the Selective Service System, and not to exceed two (2) years for appropriate Peace Corps, VISTA, or National Teaching Corps work, and time spent on a Fulbright Scholarship will be given upon initial employment.
4. All part-time teachers (.5 or more) shall receive health and life insurance benefits, as governed by their employment. Salary, sick leave, and personal leave shall be prorated for all part-time teachers regardless of percentage of time employed.
- B. 1. Up to all the maximums set forth in section A above including the exclusion of longevity increments:
- a. Teachers with previous teaching experience in the Frederick County school system will, upon returning to the system, receive equivalent credit on the salary schedule for all subsequent outside teaching experience, military experience, or alternative civilian service required by the Selective Service System, Peace Corps, VISTA, or National Teacher Training Corps work, and time spent on a Fulbright Scholarship.
 - b. Subject to certification status, such teachers who have not been engaged in other teaching or other activities indicated above will, upon return-

ing to the system, be restored to the next position on the salary schedule above that at which they left.

2. Previously accumulated unused sick leave days will be restored to all teachers returning from an approved leave of absence.
- C. In any reduction in the bargaining unit as a result of budgetary actions or curriculum and/or administrative organization, every effort will be made to transfer affected teachers to other similar positions within the school system where vacancies exist and for which the affected teachers are certified.
- 1. If no similar positions are available, non-tenured teachers in the subjects and/or grade levels affected will be laid off or separated from the active employment rolls prior to tenured teachers in the same subjects and/or grade levels. If it becomes necessary to lay off tenured teachers, they shall be laid off in the inverse order of their seniority. An appropriate seniority list will be made available for inspection when a tenured teacher has been laid off and disputes a seniority ranking. The seniority list will be developed from the last date of employment and furnished to the Association. If there is a tie, the affected teachers will have seniority calculated as defined in Article I.B.
- Teachers on an unpaid leave of absence shall retain accrued seniority. Teachers on military leave, Association leave, and on lay-off shall continue to accrue seniority during that time.
- A county-wide list of all certificated personnel employed as of July 1 of each year shall be compiled and available upon request of FCTA. The list will indicate name, date of first employment, date of current employment, and cost center.
- 2. Teachers on lay-off shall be placed on a priority recall list in accordance with their seniority. The teachers shall be recalled as vacancies become available in accordance with their position on the list and their certification for said vacancies.
 - 3. When vacancies become available, the teacher will be notified of the vacancy by certified mail sent to the last known address. The teacher so notified shall notify the responsible administrator, in writing, in not more than ten (10) days after receipt of notification of the vacancy as to whether or not the position will be accepted. The teacher may decline the first offer of employment. If the teacher declines the second offer of a position, reemployment rights shall be forfeited. All teachers shall remain on the priority recall list for a maximum of three (3) years.
 - 4. While a lay-off continues, no new teachers shall be hired except in those unique circumstances where (a) there are no teachers on the priority recall list qualified to fill the vacancy, or (b) all qualified teachers on the priority recall list decline the offer to fill the vacancy.

5. Any lay-off due to reduction-in-force shall not be subject to any dismissal procedure required elsewhere in this Agreement.
6. Teachers recalled under these provisions shall have restored to them all previously accrued sick leave and personal leave.
7. The Board and the Association recognize that appropriate governmental agencies which have jurisdiction may promulgate rulings and/or regulations that may impact this Article. If such rulings or regulations cause any provisions to be in conflict, the parties shall meet within ten (10) days for the purpose of renegotiating only the provision(s) held to be contrary.

ARTICLE XI - TRANSFERS

A. A vacancy posting calendar will be identified annually by the end of the first week of January. Principals will notify their directors of all vacancies that develop in their buildings. The directors will verify to Human Resources Office the positions eligible for posting for the voluntary transfer process. All teachers who have completed at least one (1) year of satisfactory experience as evidenced by the evaluation cycle, teachers returning from extended leave and excessed teachers are eligible to participate in the transfer process if they hold the appropriate certification for a posted vacancy.  - b. Mid-June to mid-July for a period of five (5) days posting.

Posting will occur around the 15th of each indicated month. Announcements will include closing dates for notification of candidates not selected for a posted position. If teachers remain on the "To Be Placed List" certain related positions may not be resolved in the window period.

2. The following positions when not filled by staff within a building will be posted at the time they occur for ten (10) days. All current FCPS teachers will have an opportunity to apply for a transfer to these assignments:

3. Teachers requesting an increase/decrease in their assignment should use this transfer process to achieve their desired increase/decrease in assignment. The job share option (Article XXXIV) is also available as a means for a teacher to request a reduction in assignment. The teacher is responsible to identify the teacher with whom they wish to partner, as well as the position, within the published timelines.

4. Personnel wishing to be considered for any posted vacancy for which they are certified must apply to the Human Resources Office on the form provided for transfer requests. The forms must be received in the Human Resources Office by the close of business on the posting deadline date.
5. The Human Resources Office will provide to principals and directors a list of the teachers who have applied to the vacancy list.
6. Principals will conduct interviews of all internal candidates within the timelines stated in Section A.1.a. and b. The actual dates may vary due to holidays and school closings. The director will notify the successful candidate.
7. Principals shall notify the unsuccessful internal candidates within seven (7) days of the last interview for the posted positions.
8. Principals will notify their directors and the Human Resources Office of their decision regarding the posted positions.
9. Teachers "To Be Placed" include excessed teachers and teachers returning from extended leaves of absence.
 - a. Teachers "To Be Placed" may respond to all vacancy lists by completing the appropriate transfer form.
 - b. Teachers on extended leaves of absence must give notice of their intention to return to work to the Human Resources Office by April 1.

Each curricular area shall have an allocation of professional days proportional to the total number of teachers in that area. A notification of the allocation of those days will be submitted to the FCTA at the beginning of each school year. A final report of the actual usage of these days will be provided for the FCTA at the end of each school year.

In the event there are unused days available in the total allotment, these days will be used to reimburse personal business days that teachers may have used in attending professional meetings.

- F. A temporary leave of absence without pay due to personal disability, including pregnancy, shall be granted a teacher by the Board as follows:
 1. The teacher has exhausted sick leave and is still disabled.
 2. Medical verification of the disability shall be submitted by the teacher to the human resources office on the Board medical disability form.
 3. The human resources office shall establish the specific leave time for each teacher. Normally, this time shall not exceed two (2) months although exceptions may be granted by the human resources office.
 4. Employer health, life, and dental premiums shall be paid by the Board during the temporary leave.
- G. The Board may ask an employee requesting leave to explain the reasons for the leave so that the Board can determine if the leave qualifies as Family and Medical Leave Act leave.

ARTICLE XXVI - EXTENDED LEAVES OF ABSENCE

The Board agrees that up to two (2) teachers designated by the Association will, upon request, be granted a leave of absence without pay for the purpose of engaging in Association (local, state or national) activities. While on leave teachers shall keep their certificate current by meeting the Maryland State Department of Education requirements and course work.

- B. A leave of absence without pay of up to two (2) years will be granted to any teacher who joins the Peace Corps, VISTA, National Teacher Corps, or serves as an exchange teacher or overseas teacher, and is a full-time participant in either of such programs or accepts a Fulbright Scholarship.

Military leave without pay will be granted to any teacher who is inducted or enlists in any branch of the Armed Forces of the United States for the period of said induction or initial enlistment, or to the spouse of any teacher who is so inducted or who enlists to join the teacher for the period of special training in preparation for duty overseas in combat zones.

E. 1. Maternity Leave

If a teacher does not desire to return to her former position as soon as physically able to do so immediately following the birth of a child, the Board will grant the teacher a leave for the remainder of the school year. A leave request for this purpose must be received by the human resources office by the end of the sixth (6th) month of the pregnancy, except in an emergency. Such request shall be accompanied by a physician's statement of the date of the expected birth.

2. Adoption Leave

Requests for an adoption leave without pay, not to exceed one (1) year must be made as soon as possible prior to the beginning date of such leave, except in case of emergency. The written request will also include the adoption papers of the newly adopted child.

3. After one year, a request may be made in writing for a second year.
4. With at least ninety (90) days notice, a teacher will be granted paternity leave without pay not to exceed one (1) year.

- G. The Board will grant a leave of absence, without pay, not to exceed four (4) consecutive years to any teacher not previously receiving such leave to campaign for, or serve in, a public office.
- H. A tenured teacher will be granted a leave of absence, without pay, for one (1) full school year to teach in an accredited four-year college or university. The request for such leave must be received in writing in the human resources office no later than June 1. No teacher will be granted more than one such leave.

- I. Other leaves of absence without pay may be granted by the Board for good reason.
- J. 1. Upon return from leave granted pursuant to Sections A, B, D, or H, of this Article, a teacher whose certificate status is current will be considered as if actively employed by the Board during the leave and will be placed on the salary schedule at the level the teacher would have achieved if the teacher had not been absent, provided, however, that time spent on said leaves will not count toward the fulfillment of the time requirements acquiring tenure. A teacher will not receive increment credit for time spent on a leave granted pursuant to Sections C, E, F, G, I, of this Article, nor will such time count toward the fulfillment of the time requirements for acquiring tenure.
- 2. All benefits to which a teacher was entitled at the time the leave of absence commenced (under Sections included in this Article), including unused accumulated sick leave and credits toward sabbatical eligibility, will be restored to the teacher upon return, and the teacher will be assigned to the same position held at the time the said leave commenced, if available or, if not, to a substantially equivalent position for which the teacher holds a valid certificate. Employees working in an out-of-area assignment at the time of leave may be placed upon return to an out-of-area assignment with no increase in the percentage of their time assigned out-of-area.
- K. All requests for extended leaves of absence, extensions, or renewals of such leaves, will be in writing and the Board will make a written response to all such requests. Teachers on extended leave must give notice of intention to return to work by April 1.
- L. Unless mutually agreed upon, teachers taking leave under any provisions of this Article will return only at the beginning of a school year.
- M. Except for Sections D and G, teachers who take approved leaves under the provisions of this Article will have the option of belonging to the group insurance benefit programs at the expense of the teacher.

ARTICLE XXVII - SABBATICAL LEAVES

- A. The purposes of a sabbatical leave are to enable a teacher to pursue an activity which will benefit the school system by enhanced professional competence, or to enable a teacher to perform in a critical area of need as well as benefit the teacher personally. Such activities might be study leading to a graduate degree with concentration in the individual's current teaching field and/or certification areas, or study leading to a bachelor degree for a non-degree vocational teacher; or study leading to a graduate degree with concentration in an area of specialization other than the current teaching field and/or certification areas; or travel.
- B. Upon recommendation of the superintendent, sabbatical leaves will be granted up to ten (10) applicants per year. Requests for sabbatical leave must be received in writing by the superintendent between July 1 and December 1 of the year preceding the school year for which the leave is requested. All applications will receive equal consideration regardless of when submitted within the above time frame.

- C. No applicant with an unsatisfactory rating on the prior year evaluation will be considered.
- D. To be eligible, a teacher must have completed at least six (6) full years of active service in the Frederick County school system. A teacher who has completed a sabbatical will be considered only after all applicants who have not had a sabbatical.
- E. An applicant who intends to study must register for a minimum of twelve (12) semester hours per semester unless an exception is granted by the executive director of human resources. After the sabbatical has been completed, the teacher shall present to the executive director of human resources adequate verification of the work or experience completed.
- F. An applicant who intends to pursue a program other than formal study must present a comprehensive proposal of the proposed program. If the applicant is accepted for a sabbatical leave, the approved program can be changed only by written consent of the executive director of human resources prior to July 1 of the sabbatical year. After the sabbatical has been completed, the teacher shall present to the executive director of human resources adequate verification of program completion.
- G. A teacher on sabbatical leave (either for one-half [1/2] of a school year or for a full school year) will be paid by the Board at fifty (50) percent of the salary rate which the teacher would have received if the teacher had remained on active duty, provided that such teacher agrees to return to employment in the Frederick County School System for a period of one (1) year. Should the teacher not return to the service of the Board, the teacher will be required to refund the salary granted for sabbatical leave.
- H. Upon return from sabbatical leave, a teacher will be placed on the salary schedule at the level which the teacher would have achieved had the teacher remained actively employed in the system during the period of absence.

ARTICLE XXVIII - TEXTBOOKS, INSTRUCTIONAL MATERIALS AND SUPPLIES

- A. The Board guarantees that it will provide sufficient textbooks to insure that when textbooks are being used, each pupil will have textbooks for personal use.
- B. The Board agrees that it will provide sufficient instructional materials and supplies and adequate number of specialists so that teachers may fulfill their responsibilities in an adequate and professional manner.
- C. Every teacher may submit requests for materials of instruction which will be reviewed by the appropriate administrative officers before arbitrary guidelines or percentages are established.

- E. Both parties understand that the Board cannot be responsible for delays or appropriation limitations over which it has no control.

ARTICLE XXIX - PERSONAL INJURY/ILLNESS BENEFITS

- A. Whenever a teacher is absent from school as a result of personal injury or occupational disease caused by an incident or assault occurring in the course of employment, the teacher will be paid the usual salary less the amount of Workers' Compensation award for a period not to exceed one full work year, and no part of such absence will be charged to the annual or accumulated sick leave. It is expected that the teacher shall return to work when no longer disabled.
- B. Teachers shall notify the principal the same day of the occupational disease or injury or as soon as possible, and the teacher shall receive a copy of the report.

ARTICLE XXX - DEPARTMENT CHAIRS AND TEAM LEADERS

- A. A teacher who is selected to be in the instructional leadership role will be known as a department chair at the secondary level and team leader at the elementary level.
- B. These positions shall have a written job description by July 1, 1989. The job description will clearly describe the responsibilities, duties, and the authority of the position. Acceptance of such position shall be voluntary.
- C. Individuals holding these positions shall not participate in the observation, evaluation, other teacher discipline, or recommend transfer decisions about other teachers.
- D. Compensation for these positions shall be:

No. of Members on Team or Dept.

1-5	\$575
6 or more	\$725

Credit on the compensation scale for department chairs and team leaders will be assigned on a pro-rated basis according to individual teacher time assigned. The position allocations for each department and team will be totaled and rounded to the nearest whole number with 0.5 rounded to the next highest number and less than 0.5 being rounded to the next lowest number.

Beginning on July 1, 2000, elementary team leaders will be paid five (5) per diem days of pay instead of the above schedule.

Beginning on July 1, 2001, middle school team leaders and department chairs will be paid five (5) per diem days of pay instead of the above schedule.

Beginning on July 1, 2002, high school department chairs will be paid five (5) per diem days of pay instead of the above schedule.

The above schedule of \$575 and \$725 will be removed on July 1, 2002. *Contingent upon the jointly established funding priorities.*

ARTICLE XXXI - FAIR DISMISSAL PROCEDURE

- A. On or before May 1 of each year, the Board shall give to each nontenured teacher continuously employed since the preceding September 30, either:
1. A written offer of a contract for employment for the next succeeding year providing for the terms and conditions of employment as specified by law and the negotiated agreement between the Board and the Association for each succeeding year, or
 2. A written notice that such employment shall not be offered.
- B. In the absence of notification as mentioned in A.1. and A.2. of this Article, a teacher shall be considered re-employed.

ARTICLE XXXII - TEACHER RIGHTS

- A. No teacher shall be disciplined or reduced in rank or compensation without cause.
1. Cause is defined as having a fair and honest reason regulated by good faith and based on reasonable grounds to justify taking an action. The Board is in compliance with the Article if the following procedures are followed.
 - a. The teacher was given forewarning or had foreknowledge of the possible or probable disciplinary consequences of the teacher's conduct.
 - b. The Board's rule or managerial order was reasonably related to 1) the orderly, efficient, and safe operation of the education function, and 2) the performance that the Board might properly expect of the teacher.
 - c. The Board, before administering discipline resulting in reduction in rank or compensation, made an effort to discover whether the teacher did in fact violate or disobey a rule or order of management. No teacher shall be disciplined or be reduced in rank or compensation without cause.
 - d. The Board's investigation was conducted fairly and objectively.
 - e. Substantial evidence or proof was obtained that the teacher was guilty as charged.
 - f. The rules, orders, and penalties have been applied without discrimination to all teachers.
 - g. The degree of discipline administered was reasonably related to the seriousness of the teacher's offense and record of the teacher.
 - h. Section A. will not apply to probationary teachers.
- B. The Board, in carrying out its responsibilities under state statutes, will protect the confidentiality of all employees involved in a disciplinary action to the extent allowed by law.

- C. If an administrator has reason to reprimand an employee, it shall be done in a manner that will not embarrass the employee before other employees, students, or the public. However, if immediate action is required, such action is exempt from this provision.
- D. The Board and the Association shall not discriminate against any teacher on account of race, religion, color, national origin, marital status, sex, or age.

ARTICLE XXXIII - ACTIVITY COMPENSATION - ATHLETIC DIRECTORS

- A. Teachers accepting assignments as coaches, athletic directors, or directors of specified activities which occur beyond the school day will be compensated as shown.
- B. The following principles of activity pay will govern eligibility, selection, and compensation of personnel for such assignments:
 1. Assignment for activity pay shall be made by the principal prior to the beginning of the school year, if possible, subject to the approval of the associate superintendent.
 2. The specific activity and the number of teachers assigned to each activity in each school shall be determined by the principal with the approval of the associate superintendent; however, the number of activities and personnel assigned shall not be less than the number in effect in the 1979-80 school year, as long as there is sufficient student participation in the sport or activity.
 3. An assignment for activity pay shall be made for the period of such activity and shall automatically terminate at the conclusion of the activity as verified by the principal. All teachers receiving compensation for activities which occur beyond the school day shall be notified of their status for the coming year thirty (30) days after the completion of their activity as verified by the principal. A principal who has concerns with the performance of an individual conducting an activity compensation position shall notify the individual, immediately, in writing, as to the specific concerns and recommendations to correct those concerns. These activity compensation and athletic director positions are nontenured positions.
 4. Whenever a vacancy for a compensated activity position arises or is anticipated, and such position cannot be filled by teachers from within the school, it shall be advertised throughout the county school system, for at least fifteen (15) school days prior to the filing date when applications must be submitted. Such advertisement shall set forth a description of and the qualifications for the position, including duties and salaries. Teachers deciding to apply for such vacancy shall submit applications to the person(s) mentioned in the advertisement.
 5. Each physical education teacher employed after July 1, 1981, may be required to coach one athletic extracurricular activity. All teachers seeking

employment for these positions shall be informed of this provision of the Agreement.

6. Teachers who decide to apply for vacancies during the vacation period shall submit their applications in writing to the principal and human resources office.
7. Payment for the activity shall be rendered to the teacher in one lump sum upon the completion of the activity as verified by the principal. The teacher shall be notified of the amount paid for each activity with the check in which such payment is made.
8. For income tax withholding purposes, activity pay shall be subject to withholding at the most favorable rate allowed by rules and regulations of the Internal Revenue Service and the State of Maryland.
9. Any teacher may suggest a change in an existing position or the creation of a new position in writing to the building principal. When the need for a new position, or change in an existing position occurs, the principal/supervisor will submit a job description and a request for such position to the appropriate assistant superintendent. If approved, the request will be submitted to the executive director of human resources for classification. The executive director of human resources will submit a recommendation for classification to the superintendent for approval. The employee will be notified of the superintendent's, or his/her designee's, decision in a timely manner.

11. Any teacher receiving compensation during the 1985-86 school year shall not receive a reduction in compensation for the same activity as a result of the implementation of this schedule.
12. Credit for experience is based on the number of years as a head or assistant coach or sponsor at the high school or higher level.
13. Outdoor School: Should overnight stays at the outdoor school be reestablished the Board and FCTA shall meet to negotiate the stipend.
14. The activity compensation pay schedule shall be increased by the same percentage increase as the ten-month teacher pay scale.

ARTICLE XXXV - GRIEVANCE PROCEDURES

A. Definitions

1. Grievance

A "grievance" is a claim by a teacher of an alleged violation of the interpretation or application of this Agreement.

2. Aggrieved person

An "aggrieved person" is the person or persons making the claim. If the grievance affects a group or class of teachers or if the alleged violation affects Association rights, the Association may act as the "aggrieved person."

B. Purpose

The purpose of this procedure is to secure, at the lowest possible level, equitable solution to the problems which may, from time to time, arise affecting teachers. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

C. Procedure

Informal Level

A teacher with a grievance shall first discuss it with the principal or immediate superior directly, the objective being an informal resolution to the matter.

Level One

1. A teacher may present a grievance directly to the principal or immediate superior within twenty (20) days of first occurrence or first reasonable knowledge of alleged act. Such grievance must be in writing, signed by the FCTA president and must state specifically that this grievance procedure is being invoked. The teacher may appear alone or with a representative from the Association.
2. Within five (5) days of the receipt of the grievance, the principal or immediate superior shall inform the Association and the aggrieved person of the decision and shall provide a statement in writing of the reasons for the decision.

Level Two

1. If the aggrieved person is not satisfied with the disposition of the grievance at Level One, or if no decision has been rendered within five (5) days after the presentation of the written grievance, the teacher may file the grievance in writing with the Association within ten (10) days after the receipt at Level One.
2. If it so decides, the Association may refer it to the superintendent no later than fifteen (15) days after the receipt at Level One.
3. Within ten (10) days of the receipt of the grievance, the superintendent shall inform the Association and the aggrieved person of the decision and shall provide a statement in writing of the reasons for the decision.

Level Three

If the aggrieved person is not satisfied with the disposition of the grievance at Level Two, or if no decision has been rendered within ten (10) days after the grievance was received by the superintendent, the teacher may, within fifteen (15) days after receipt by the superintendent, request, in writing, that the Association submit the grievance to arbitration. If the Association determined that the grievance is meritorious, it may submit the grievance to arbitration no later than forty (40) days after receipt by the superintendent. If the Association fails to serve such notice of its intention to arbitrate within this time limitation, the grievance shall be considered settled. No individual employee shall have the right to invoke this arbitration procedure.

D. Selection of Arbitrator

1. If the Association and the Board are unable to agree upon the selection of an arbitrator within seven (7) calendar days after the Association's notice of appeal to arbitration, the Association shall submit the grievance to arbitration under the Voluntary Labor Arbitration Rules of the American Arbitration Association.
2. The jurisdiction of the arbitrator shall be confined to the express provision or provisions of this agreement at issue between the Association and the Board. The arbitrator shall have no authority to modify any provision, or to hear or decide on more than one grievance without the mutual consent of the Board and the Association. The decision of the arbitrator shall be final and binding on the aggrieved person, the Association, and the Board.

E. Miscellaneous

1. The number of days indicated at each level shall be considered as a maximum and every effort shall be made to expedite this process. The time limits, however, may be extended by mutual agreement.
2. In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school

year, the time limits set forth herein shall be waived to that the grievance procedure may be exhausted as soon as it is practicable following the end of the school year.

3. The Association and the Board shall each bear its own expenses in these arbitration proceedings, except that they shall share equally the fee and other expenses of the arbitrator in connection with the grievance submitted.
4. By mutual agreement of the Association and the Board, the time limits stated herein may be compromised to allow the collection of pertinent information and in the interest of prudent resolution of the grievance.
5. If a grievance affects a group or class of teachers, it may be initially filed with the superintendent at Level Two.
6. Any aggrieved person may be represented at all stages of the grievance procedure alone or, with a representative(s) selected or approved by the Association, and the Association shall have the right to be present and to state its views at all stages of the grievance procedure.
7. No reprisals of any kind shall be taken by the Board or by any member of the administration against any aggrieved person, any representative, any member of the Association, or any other participant in the grievance procedure by reason of such participation.
8. All documents, communications and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.
9. Forms for filing grievances, serving notices, taking appeals, making reports and recommendations, and other necessary documents shall be prepared jointly by the superintendent and the Association.
10. All meetings and hearings under this procedure shall not be conducted in public and shall include only the grievant(s), the superintendent, and their designated representatives.
11. Should the investigation or processing of any grievance require that a teacher be released from regular assignment, the teacher shall be released without loss of pay or benefits.

ARTICLE XXXVI - GENERAL PROVISIONS

- A. If a provision of this Agreement or any application of this Agreement to any teacher or group of teachers is held to be contrary to law or a court, then such provisions or application will not be deemed valid and subsisting, except to the extent permitted by law, but all other provisions or applications will continue in full force and effect.
- B. This Agreement constitutes Board policy for the term of said Agreement, and the Board will carry out the commitments contained herein and give them full force and effect as Board policy. The Board will amend its written policies and take

such other action as may be necessary in order to give full force and effect to the provisions of this Agreement. The Association agrees to abide by all provisions of this Agreement and to use every effort to inform and advise teachers in carrying out its provisions.

- C. A copy of this Agreement will be given to each teacher in the negotiating unit by the Board.
- D. Negotiations for the successor Agreement shall begin no later than December 1 preceding the expiration date of this Agreement.
- E. If upon request of either party the state superintendent of schools determines from the facts that an impasse is reached in negotiations between a public school employer and an employee organization designated as an exclusive negotiating agent, the assistance and advice of the state board of education may be requested, with the consent of both parties. In the absence of such consent, upon the request of either party, a panel shall be named to aid in the resolution of differences. Such panel shall contain three persons, one to be appointed by each party within three (3) days, and the third to be selected by the other two within ten (10) days from the date of such request. If the parties are unable to agree upon a third panel member or obtain a commitment to serve within the specified period, a request for a list of possible panel members may be made to the American Arbitration Association by either party. The parties will then be bound by the rules and procedures of the American Arbitration Association in the selection of a third panel member. The state board of education, or the panel selected, shall meet with the parties to aid in the resolution of differences and, if the matter is not otherwise resolved, shall make a written report and recommendation within thirty (30) days from the date of said request. Copies of such report shall be sent to representatives of both the public school employer and the employer organization. All costs of mediation shall be shared by the public school employer and the employee organization.
- F. Notwithstanding the provisions contained in paragraph A, the Maryland Court of Appeals and the state board of education have recently made significant decisions concerning the legality of topics for negotiations and established criteria for determining the legality of these topics. The Board asserts its intention to comply with the laws and the decision of the Court of Appeals and the state board of education. Therefore, in negotiating the provisions of this agreement, the parties agree that in the event that any topics or provisions in this agreement are determined to be illegal by the courts or the state board of education from issues raised in this Agreement or from other agreements, then those topics and provisions of this Agreement related to those topics shall automatically be removed from this Agreement. If the Maryland Court of Appeals further rules that any of those topics are legal subjects of bargaining, they shall be re-instated as existed in 1988-89.
- G. If the Maryland Court of Appeals rules that class size is a legal subject of bargaining, Article XXVII (Class Size) in 1988-89 shall be reinstated.

ARTICLE XXXVII - DURATION
