The aim of the Leeds Beckett Repository is to provide open access to our research, as required by funder policies and permitted by publishers and copyright law.

The Leeds Beckett repository holds a wide range of publications, each of which has been checked for copyright and the relevant embargo period has been applied by the Research Services team.

We operate on a standard take-down policy. If you are the author or publisher of an output and you would like it removed from the repository, please [contact us](#) and we will investigate on a case-by-case basis.

Each thesis in the repository has been cleared where necessary by the author for third party copyright. If you would like a thesis to be removed from the repository or believe there is an issue with copyright, please contact us on [openaccess@leedsbeckett.ac.uk](mailto:openaccess@leedsbeckett.ac.uk) and we will investigate on a case-by-case basis.

# Correction to: A whole system approach to increasing children's physical activity in a multi-ethnic UK city: a process evaluation protocol

Jennifer Hall<sup>1,2\*</sup>, Daniel D. Bingham<sup>1,2</sup>, Amanda Seims<sup>1,2</sup>, Sufyan Abid Dogra<sup>1,2</sup>, Jan Burkhardt<sup>1</sup>, James Nobles<sup>3,4</sup>, Jim McKenna<sup>5</sup>, Maria Bryant<sup>6,7</sup>, Sally E. Barber<sup>1,2</sup> and Andy Daly-Smith<sup>1,2,8</sup>

## Correction to: *BMC Public Health* 21, 2296 (2021)

<https://doi.org/10.1186/s12889-021-12255-w>

Following publication of the original article [1], the authors identified that the funding section was incomplete. The incorrect and correct funding section is shown below. The original article has been updated.

- The incorrect funding section is:
  - The authors' involvement was supported by Sport England's Local Delivery Pilot – Bradford; weblink: <https://www.sportengland.org/campaigns-and-our-work/local-delivery> and the National Institute for Health Research (NIHR) Yorkshire and Humber Applied Research Collaboration (ARC). Sport England is a non-departmental public body under the Department for Digital, Culture, Media and Sport (DCMS). James Nobles' time was supported by the NIHR ARC West. The views expressed in this article are those of the author(s) and not necessarily those of Sport England, DCMS, NIHR or the Department of Health and Social Care.
- The correct funding section is:

- The authors' involvement was supported by Sport England's Local Delivery Pilot – Bradford; weblink: <https://www.sportengland.org/campaigns-and-our-work/local-delivery> and the National Institute for Health Research (NIHR) Yorkshire and Humber Applied Research Collaboration (ARC). Sport England is a non-departmental public body under the Department for Digital, Culture, Media and Sport (DCMS). James Nobles' time was supported by the NIHR ARC West. The views expressed in this article are those of the author(s) and not necessarily those of Sport England, DCMS, NIHR or the Department of Health and Social Care.

Sally Barbers and Maria Bryants' time was supported by the UK Prevention Research Partnership (MR/S037527/1), an initiative funded by UK Research and Innovation Councils, the Department of Health and Social Care (England) and the UK devolved administrations, and leading health research charities. **Ready to submit your research? Choose BMC and benefit from:**

- fast, convenient online submission
- thorough peer review by experienced researchers in your field
- rapid publication on acceptance
- support for research data, including large and complex data types
- gold Open Access which fosters wider collaboration and increased citations
- maximum visibility for your research: over 100M website views per year

**At BMC, research is always in progress.**
